Item 1.01. Entry Into a Material Definitive Agreement.

On June 7, 2019 (the “Settlement Date”), Neiman Marcus Group LTD LLC, a Delaware limited liability company (the “Company”) completed a comprehensive set of previously announced transactions (collectively, the “Recapitalization Transactions”) to among other things, extend the maturities of the Company’s existing debt obligations by three years. On June 10, 2019, the Company issued a press release announcing the completion of the Recapitalization Transactions which is attached hereto as Exhibit 99.1 and is incorporated herein by reference. The material terms of the Recapitalization Transactions are summarized herein.

Amendment to Senior Secured Term Loan Facility

On the Settlement Date, the Company amended the credit agreement governing its existing senior secured term loan facility (as amended, the “Amended Term Loan Facility”) pursuant to that certain Extension Amendment and Amendment No. 2 to Credit Agreement (the “Extension Amendment”), by and among, inter alios, the Company, Mariposa Intermediate Holdings LLC, a Delaware limited liability company and the direct parent of the Company (“Holdings”), The Neiman Marcus Group LLC, a Delaware limited liability company and direct, wholly-owned subsidiary of the Company (“TNMG LLC”) and The NMG Subsidiary LLC, a newly formed Delaware limited liability company and direct, wholly-owned subsidiary of TNMG LLC (the “NMG Subsidiary”), as co-borrowers, the lenders from time to time party thereto and Credit Suisse AG, Cayman Islands Branch, as Administrative Agent and Collateral Agent (in such Capacities, the “Term Loan Agent”), to convert the existing term loans outstanding thereunder (the “Existing Term Loans”) into extended term loans with an extended maturity date of October 25, 2023 (the “Extended Term Loans”). In connection with the Extension Amendment and Amended Term Loan Facility, approximately $2,775.4 million aggregate principal amount of Existing Term Loans were converted into Extended Term Loans by consenting term lenders, representing approximately 99.5% of the total outstanding principal amount of Existing Term Loans. After giving effect to the partial paydown described below, approximately $2,248.5 million of Extended Term Loans and approximately $12.7 million of Existing Term Loans remain outstanding under the Amended Term Loan Facility. Upon consummation of the amendment, an upfront fee of (i) 125 bps (calculated on a post-paydown basis) was paid to the initial consenting term lenders who executed the previously announced Transaction Support Agreement by March 25, 2019 and (ii) 25 bps (calculated on a post-paydown basis) was paid to consenting term lenders who executed the Transaction Support Agreement or a joinder thereto by April 6, 2019. In connection with the Extension Amendment, the Company paid such fees to the consenting term lenders of approximately $21.1 million.

The Extended Term Loans accrue interest at the option of each consenting term lender of either (a) LIBOR plus 6.00% per annum (subject to a 1.50% per annum floor) or ABR plus 5.00% per annum (subject to a 2.50% per annum floor), in each case payable in cash, or (b) LIBOR plus 5.50% per annum (subject to a 1.50% per annum floor) or ABR plus 4.50% per annum (subject to a 2.50% per annum floor), in each case payable in cash, plus 1.00% per annum paid-in-kind, subject to the terms of the Amended Term Loan Facility. The Amended Term Loan Facility also provides for increased amortization payments for Extended Term Loans at 1.50% per annum payable in equal quarterly installments of 0.375% per annum, less certain mandatory and voluntary prepayments, with the remaining balance due at maturity.

In addition, (i) TNMG LLC and the NMG Subsidiary were added as co-borrowers under the Amended Term Loan Facility (ii) the Extended Term Loans are guaranteed by Holdings and all of the co-borrowers’ current and future domestic subsidiaries and future foreign subsidiaries, (iii) the Extended Term Loans are secured by an enhanced collateral package (as described below), (iv) Holdings, the Company and its subsidiaries are subject to substantially the same covenants as they were under the existing senior secured term loan facility but with additional restrictions, and (v) the Extended Term Loans are non-callable during the first year following the Settlement Date subject to a customary make-whole premium (using a discount rate set at the treasury rate plus 0.5% per annum). On or after the first anniversary of the Settlement Date, the Company may prepay the Extended Term Loans, in whole or in part, at any time, subject to an annual prepayment premium equal to (a) 2.0% of the principal amount prepaid if made before the second anniversary of the Settlement Date and (b) 1.0% of the principal amount prepaid if made after the second anniversary of the Settlement Date but before the third anniversary of the Settlement Date. Thereafter, no prepayment premium is applicable. The key terms of the Existing Term Loans held by lenders that do not participate in the conversion of such Existing Term Loans into Extended Term Loans pursuant to the Term Loan Facility Amendment remain unchanged.

As more fully described in the Amended and Restated Term Loan Guarantee and Collateral Agreement, by and among Holdings, the Company, the guarantors and guarantors party thereto and the Agent, the obligations with respect to the Extended Term Loans under the Amended Term Loan Facility and the guarantees of those obligations (other than the guarantees provided by Extended Term Loan PropCo (as defined below) and Notes PropCo) are secured by the following additional collateral: (i) a first priority security interest in certain future foreign assets, intercompany debt and certain additional equity interests of new subsidiary guarantors, subject to clause (iv) below, (ii) a first priority security interest in, and mortgages on, substantially all of the Company’s, the co-borrowers’ and any subsidiary guarantors’ owned real estate interests and the real estate leasehold
interests and other real property interests related to full-line Neiman Marcus or Bergdorf Goodman stores or warehouses or distribution centers other than the Notes Priority Real Estate Collateral (as defined below) (the "New Term Priority Real Estate Collateral"), (iii) a first-priority security interest in the equity interests of NMG Term Loan PropCo LLC, a new special purpose entity that is a subsidiary of the Company ("Extended Term Loan PropCo") formed solely to hold certain real estate leases constituting New Term Priority Real Estate Collateral that cannot be mortgaged directly to secure the Amended Term Loan Facility (the collateral described in the foregoing subclauses (i) through (iii), collectively, the "New Term Priority Assets"), and (iv) a third-priority security interest in the Notes Priority Real Estate Collateral and the equity interests in Notes PropCo (as defined below), subject to the "call right" described below.

Immediately following certain amendments contemplated by the Extension Amendment and the Amended Term Loan Facility and the conversion of Existing Term Loans into Extended Term Loans, $526.9 million aggregate principal amount of the Extended Term Loans were prepaid, on a pro rata basis, in cash at par, subject to adjustment pursuant to the terms of the Amended Term Loan Facility, with the net cash proceeds from the issuance of the New Second Lien Notes (as defined below), cash on hand, and other sources of liquidity.

The foregoing summary is not intended to be a complete description and is qualified in its entirety by reference to the full text of the Extension Amendment and the Amended and Restated Term Loan Guarantee and Collateral Agreement, which are attached hereto as Exhibits 10.1 and 10.2, respectively, and are incorporated herein by reference.

**Amended Asset-Based Revolving Credit Facility.**

On June 7, 2019, the Company entered into an amendment to the credit agreement governing the Company’s asset-based revolving credit facility, by and among the Company, Holdings and the NMG Subsidiary, as co-borrowers together with other co-borrowers party thereto, the guarantors party thereto, the lenders from time to time party thereto and Deutsche Bank AG New York Branch, as Administrative Agent and Collateral Agent (the "ABL Agent"), and the other parties party thereto from time to time (as amended, the "Amended Asset-Based Revolving Credit Facility"), which expanded the collateral package securing the Company’s and the other guarantors’ obligations thereunder to include (i) a fourth-priority security interest on the New Term Priority Assets granted in favor of the Extended Term Loans under the Amended Term Loan Facility, (ii) a fifth-priority unsecured guarantee by Extended Term Loan PropCo and, subject to the "call right" (described below), a fourth priority unsecured guarantee by Notes PropCo and (iii) subject to the "call right", a fourth priority security interest on the Notes Priority Real Estate Collateral and the equity interests in Notes PropCo. The amendment to the Asset-Based Revolving Credit Facility also includes more restrictive negative covenants substantially consistent with the Amended Term Loan Facility and eliminates or tightens the Company’s and its subsidiaries’ ability to incur debt under certain covenants governing the incurrence of additional indebtedness.

The foregoing summary is not intended to be a complete description and is qualified in its entirety by reference to the full text of the Fourth Amendment to the Revolving Credit Agreement and the Amended and Restated ABL Guarantee and Collateral Agreement, which are attached hereto as Exhibits 10.3 and 10.4, respectively, and are incorporated herein by reference.

**Issuance and Offering of New Second Lien Notes.**

Concurrently with the consummation of the Extension Amendment and the settlement of the Exchange Offers (as defined below), the Company completed a private offering of New Second Lien Notes in an aggregate principal amount of $550.0 million. The New Second Lien Notes bear interest payable in cash at 8.000% per annum and interest payable in kind at 6.000% per annum and will mature on April 25, 2024. Contemporaneously with the execution of the Transaction Support Agreement, certain consenting holders of the Company’s Existing Notes (as defined below) and the Company’s Sponsors agreed to purchase up to $550.0 million of New Second Lien Notes as set forth in the backstop commitment letter. In consideration for execution of the backstop commitment letter, the Company made backstop commitment payments to such consenting noteholders equal to $27.5 million or 5.000% of the aggregate principal amount of commitments in respect of the New Second Lien Notes.

In connection with the issuance and offering of New Second Lien Notes, the Company entered into an Indenture (the “Second Lien Notes Indenture”), by and among the Company, Mariposa Borrower, Inc., a Delaware corporation and direct, wholly-owned subsidiary of the Company (“Mariposa Borrower”), TNMG LLC and the NMG Subsidiary, as co-issuers (collectively, the “Issuers”), the Guarantors (as defined below) and Ankura Trust Company, LLC, as trustee and collateral agent. The Second Lien Notes Indenture contains covenants that are substantially consistent with the covenants contained in the Existing Indentures (as defined below) but with additional restrictions.
The New Second Lien Notes are secured by collateral that includes (i) a second-priority security interest in the priority collateral under the senior secured term loan facility, (ii) a second-priority security interest in the New Term Priority Assets, (iii) a second-priority interest in certain previously unencumbered real estate interests related to certain full-line Neiman Marcus stores (the “Notes Priority Real Estate Collateral”) and the equity interests of a newly formed special purpose entity and subsidiary of the Company (“Notes PropCo”) formed to hold certain Notes Priority Real Estate Collateral that cannot be mortgaged directly to the collateral agent (subject to a cap on recovery equal to $200.0 million less any amounts recovered against those assets by holders of the New Third Lien Notes issued in connection with the Exchange Offers described herein), (iv) a third-priority security interest in the collateral that secures the Company’s Asset-Based Revolving Credit Facility, and (v) except in certain circumstances, a first-priority security interest in the assets of MYT Holding Co., an indirect wholly-owned subsidiary of Neiman Marcus Group, Inc. that indirectly holds NMG Germany GmbH, which holds and through its subsidiaries operates the MyTheresa business, in each case subject to permitted liens and other exceptions and limitations.

The New Second Lien Notes are fully and unconditionally guaranteed on a senior secured basis by each of the Company’s current and future domestic subsidiaries (other than the Co-Issuers, Notes PropCo and Extended Term Loan PropCo) and, subject to certain exceptions, each of the Company’s future foreign subsidiaries (collectively, the “Guarantors”), subject to the terms of the Collateral Agreement, dated as of June 7, 2019, by and among the Issuers, the Guarantors, and Ankura Trust Company, LLC, as the trustee and collateral agent (the “Second Lien Notes Collateral Agreement”). In addition, MYT Holding Co. will, together with each of its subsidiaries other than NMG Germany GmbH and its subsidiaries (the “MYT Guarantor Entities”), provide a limited guarantee on a senior secured basis up to $200.0 million (the “MYT Limited Guarantee”) pursuant to the Guarantee and Collateral Agreement, by and among MYT Parent Co., the grantors party thereto and Ankura Trust Company, LLC, as trustee and collateral Agent (the “MYT Guarantee and Collateral Agreement”).

The Issuers may redeem some or all of the New Second Lien Notes at any time prior to June 7, 2021 at a redemption price equal to 100% of their principal amount plus a make-whole premium, together with accrued and unpaid interest, if any, to, but excluding, the redemption date. The Issuers may redeem some or all of the New Second Lien Notes at any time on or after June 7, 2021 upon payment of a premium that declines ratably over time. If the Issuers experience certain change of control transactions, the Issuers must offer to purchase the New Second Lien Notes at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to (but not including) the date of purchase.

The New Second Lien Notes have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), or the securities laws of any state and may not be offered or sold in the United States absent registration or an exemption from the registration requirements of the Securities Act and applicable state securities laws.

The foregoing summary is not intended to be a complete description of, and is qualified in its entirety by reference to the full text of, the New Second Lien Notes Indenture, the New Second Lien Notes Collateral Agreement and the MYT Guarantee and Collateral Agreement, which are attached hereto as Exhibits 10.5, 10.6 and 99.2, respectively, and are incorporated herein by reference.

Exchange Offers and Consent Solicitations.

On June 7, 2019, simultaneously with the consummation of the Extension Amendment and the issuance of New Second Lien Notes, the Company announced the completion of the private exchange offers and related consent solicitations (the “Exchange Offers”) pursuant to which $879,320,000 principal amount of the Company’s existing unsecured 8.000% Senior Cash Pay Notes due 2021 (the “Cash Pay Notes”) and $599,163,048 principal amount of its existing unsecured 8.750%/9.500% Senior PIK Toggle Notes due 2021 (the “PIK Toggle Notes” and, together with the Existing Cash Pay Notes, the “Existing Notes”) were validly tendered and exchanged for aggregate consideration consisting of $730,534,000 principal amount of 8.000% of New Third Lien Notes due 2024 (the “New 8.000% Third Lien Notes”), $497,849,150 principal amount of 8.750% of New Third Lien Notes due 2024 (the “New 8.750% Third Lien Notes”) and 250,000,000 shares of Series A Preferred Stock of MYT Holding Co., par value $0.001 per share (the “Series A Preferred Stock”), with an initial liquidation preference of $1.00 per share. Holders of Existing Notes who executed the Transaction Support Agreement or a joinder thereto by April 6, 2019 received an upfront fee of 100 bps. In connection with the exchange, the Company paid consent fees to the Consenting Noteholders of approximately $14.2 million.

The New Third Lien Notes and MYT Series A Preferred Stock have not been and will not be registered under the Securities Act or the securities laws of any state and may not be offered or sold in the United States absent registration or an exemption from the registration requirements of the Securities Act and applicable state securities laws. This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities of the Company, nor shall there be any sale of the Company’s securities, in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

4
Exhibit 10.9, respectively, and are incorporated herein by reference.

In connection with the issuance of the New Series A Preferred Stock, MYT Parent Co. and MYT Holding Co. entered into a letter agreement (the "MYT Parent Letter Agreement") that defines the rights of the holders of Series A Preferred Stock to participate in distributions on account of the equity of MYT Holding Co. or the proceeds from a sale of equity interests of MYT Holding Co. The MYT Parent Letter Agreement defines the rights of holders of Series A Preferred Stock to participate in distributions on account of the equity of MYT Holding Co. or the proceeds from a sale of equity interests of MYT Holding Co. on a senior basis other than the MYT Guarantor Entities.

In connection with the Exchange Offers, on June 4, 2019, MYT Holding Co. filed an Amended and Restated Certificate of Incorporation with the State of Delaware, effecting upon its acceptance, authorizing the issuance of Series A Preferred Stock. In addition, MYT Holding Co. filed with the State of Delaware a Certificate of Designation, setting the rights, powers, and obligations of the New Series A Preferred Stock (the "Series A Certificate of Designation"). The Series A Preferred Stock accrues dividends at a rate of 10.000% per annum and will mature on the tenth anniversary of the date the shares of Series A Preferred Stock are first issued to holders thereof. Under the terms of the MYT Series A Preferred Stock, NMG Germany GmbH and its subsidiaries that conduct the operations of MyTheresa (the "MYT Operating Entities") are subject to certain covenants covering (i) the payment of dividends, (ii) the incurrence of indebtedness and certain liens, (iii) the issuance of equity, and (iv) certain affiliate transactions and business activities, in each case subject to exceptions set forth in the certificate of designation. However, the MYT Operating Entities will not provide any direct guarantees or equity pledges in support of the New Third Lien Notes other than a pledge of the equity (but not the assets) of NMG Germany GmbH. The MYT Operating Entities remain outside of the Company’s credit structure and will continue to operate as a standalone business.

In connection with the Exchange Offers, on June 4, 2019, MYT Parent Co. and MYT Holding Co. entered into a letter agreement (the "MYT Parent Letter Agreement"), dated as of June 7, 2019, as an inducement to the holders of Series A Preferred Stock to enter into the Recapitalization Transactions relating to Company and its affiliates’ outstanding indebtedness and equity interests. The MYT Parent Letter Agreement defines the rights of holders of Series A Preferred Stock to participate in distributions on account of the equity of MYT Holding Co. or the proceeds from a sale of equity interests of the MYT Holdco by Neiman Marcus Group, Inc. or its subsidiaries to any independent third party.

The foregoing summary is not intended to be a complete description of, and is qualified in its entirety by reference to, the Amended and Restated Certificate of Incorporation, the Series A Certificate of Designation and the MYT Parent Letter Agreement, which are attached hereto as Exhibit 99.3, 99.4 and Exhibit 10.9, respectively, and are incorporated herein by reference.

5
Amendment of the Indentures Governing the Existing Notes

In connection with the Exchange Offers, the Company solicited and received the requisite number of consents from holders of the Existing Notes to adopt certain proposed amendments to the indentures governing the Existing Notes (the "Existing Indentures") to (i) remove substantially all of the restrictive covenants contained therein and effect certain other changes, (ii) add TNMG LLC and the NMG Subsidiary as co-issuers of each series of Existing Notes so that any remaining Existing Notes not tendered in the applicable Exchange Offer are the joint and several primary obligations of each of the Issuers, (iii) include certain collective action and/or no-action provisions that preclude noteholder action with respect to any rights or remedies with respect to the Transaction Support Agreement and the Recapitalization Transactions, (iv) eliminate certain provisions that prohibit certain consolidations and mergers and (v) eliminate certain events of default and related provisions. Supplemental indentures effecting the amendments relating to the Existing Notes were executed on June 7, 2019 by the Issuers, the Guarantors, Drivetrain Trust Company LLC, as trustee. Following the settlement of the Exchange Offers, approximately $137.3 million aggregate principal amount of the Existing Notes remain outstanding and will be governed by the Existing Indentures, as amended by the supplemental indentures.

The foregoing summary is not intended to be a complete description of, and is qualified in its entirety by reference to, the Second Supplemental Indentures, which are attached hereto as Exhibit 10.10 and 10.11, respectively, and are incorporated herein by reference.

Amendment of the 2028 Debentures Indenture.

On June 7, 2019, concurrently with the consummation of the Recapitalization Transactions, TNMG LLC and the holders of a majority of the outstanding principal amount of the 2028 Debentures (the "Majority 2028 Debenture Holders"), together with the successor trustee thereto, executed a supplemental indenture (the "Third Supplemental Indenture") to the indenture governing the 2028 Debentures (the "2028 Debentures Indenture") to, among other things, amend the reporting covenant in the 2028 Debentures Indenture to substantially replicate the reporting requirements previously set forth in the indentures governing the Existing Notes. In addition, as a result of the amendment to the reporting covenant, the Company expects to cease filing periodic reports with the U.S. Securities and Exchange Commission.

Pursuant to the terms of the Third Supplemental Indenture, the 2028 Debentures (i) were secured by "equal and ratable" liens on certain owned real estate properties, real estate ground leases and real estate operating leases of TNMG LLC and its subsidiaries and on shares of capital stock and indebtedness of certain subsidiaries, in each case pari passu with the Extended Term Loans, subject to the terms of the Third Supplemental Indenture, and (ii) received a new second-priority unsecured guarantee from Extended Term Loan PropCo. The Third Supplemental Indenture contains covenants that are substantially consistent with the covenants contained in the 2028 Debentures Indenture but with additional restrictions.

The foregoing summary is not intended to be a complete description and is qualified in its entirety by reference to the full text of the Third Supplemental Indenture, which is attached hereto as Exhibit 10.13 and is incorporated herein by reference.

No Solicitation, No Registration

Neither this Report on Form 8-K nor the attached agreements constitute an offer to purchase or sell any securities or the solicitation of an offer to exchange any securities of the Company, nor will there be any purchase, sale or exchange of any securities in any state or other jurisdiction in which such offer, solicitation or sale or exchange would be unlawful prior to the registration or qualification of any such securities or offer under the securities laws of any such state or other jurisdiction. None of the New Third Lien Notes and the related guarantees, the New Second Lien Notes and related Guarantees or the New Series A Preferred Stock has been registered under the Securities Act, and may not be offered or sold in the United States absent registration or any applicable exemption from registration requirements.

This is a limited waiver and shall not be deemed to constitute a waiver of any breach of the Amended Credit Agreement or any of the other Loan Documents or any other requirements of any provision of the Amended Credit Agreement or any other Loan Documents, in each case from and after the Amendment Effective Date.

Section 2.  **Amendments; Prepayment; Joinder of New Borrowers.**

(a) Subject to the satisfaction or waiver of the conditions set forth in Section 5(a) of this Extension Amendment, on the Amendment Effective Date, the Existing Credit Agreement is hereby amended to incorporate the changes reflected in Section 2.20(1), 2.20(3) and 2.20(5) (and in any defined term as used in any such provision and to add new defined terms to the extent used in any such provision) of the redlined version of the Amended Credit Agreement attached hereto as Annex A-1 (the “Initial Amendments”) but not, for the avoidance of doubt, any other change reflected in the redlined version of the Amended Credit Agreement attached hereto as Annex A-1.

(b) Subject to the satisfaction or waiver of the conditions set forth in Sections 5(a) and 5(b) of this Extension Amendment, on the Amendment Effective Date and immediately following the Initial Amendment Effective Time (as defined below), (i) the Existing Credit Agreement is hereby amended to incorporate the changes reflected in the redlined version of the Amended Credit Agreement attached hereto as Annex A-1 other than the Initial Amendments, (ii) the Exhibits to the Existing Credit Agreement are hereby amended and restated as set forth on Annex A-2 hereto, and (iii) the Schedules to the Existing Credit Agreement are hereby amended and restated as set forth on Annex A-3 hereto (the “Additional Amendments” and together with the Initial Amendments, collectively, the “Amendments”).

(c) Subject to the agreements of the Waiving Term Loan Lenders (as defined in the TSA), immediately following the effectiveness of the Initial Amendments and the 2019 Conversion (as defined below) and substantially concurrently with the effectiveness of the Additional Amendments, the Borrowers will prepay $550 million of the 2019 Extended Term Loans at par on a pro rata basis (calculated as set forth in the TSA), without any penalty or premium (the “2019 Prepayment”).

(d) Each of the New Borrowers, by its respective signature to this Extension Amendment, shall become a Borrower and a Loan Party under the Amended Credit Agreement and a Loan Party, a Guarantor and a Grantor under the Collateral Agreement with the same force and effect as if originally named therein as a Loan Party, a Guarantor and a Grantor, as applicable, and each New Borrower hereby (i) agrees to all the terms and provisions of (A) the Amended Credit Agreement applicable to it as a Borrower and Loan Party thereunder and (B) the Collateral Agreement applicable to it as a Loan Party, a Guarantor and a Grantor thereunder. Each reference to a “Borrower” or a “Loan Party” in the Amended Credit Agreement and each reference to a “Loan Party,” a “Guarantor,” or a “Grantor” in the Collateral Agreement shall be deemed to include such New Borrowers.

(e) Each of the Guarantors party hereto that were not party to the Collateral Agreement (as in effect prior to the date hereof), by its respective signature to this Extension Amendment, shall become a Guarantor and a Loan Party for all purposes under the Amended Credit Agreement and a Loan Party, a
Guarantor and (if applicable, as set forth in the Collateral Agreement) a Grantor under the Collateral Agreement with the same force and effect as if originally named therein as a Loan Party, a Guarantor and a Grantor, as applicable, and each New Guarantor hereby (i) agrees to all the terms and provisions of (A) the Amended Credit Agreement applicable to it as a Guarantor and Loan Party thereunder and (B) the Collateral Agreement applicable to it as a Loan Party, a Guarantor and a Grantor, if applicable, thereunder. Each reference to a “Guarantor” or a “Loan Party” in the Amended Credit Agreement and each reference to a “Loan Party,” a “Guarantor,” or a “Grantor,” if applicable, in the Collateral Agreement shall be deemed to include such New Guarantors. For the avoidance of doubt, each of the Lenders party hereto hereby consents to the amendment and restatement of the Collateral Agreement (as defined in the Existing Credit Agreement) in the form attached as Annex A-3 hereto, which amendment and restatement shall become effective on the Amendment Effective Date.

Section 3. [Reserved.]

Section 4. Establishment of Extended Term Loans.

(a) Subject to the satisfaction or waiver of the conditions set forth in Section 5(a) of this Extension Amendment on the date hereof but immediately prior to the effectiveness of the Additional Amendments, there is hereby established under the Amended Credit Agreement two Classes of Extended Term Loans which shall be titled (i) "Cash Pay Extended Term Loans" and (ii) "Cash Pay/PIK Extended Term Loans" (such Extended Term Loans collectively, the “2019 Extended Term Loans”) having the terms set forth in this Extension Amendment and the Amended Credit Agreement, and references in the Amended Credit Agreement to Term Loans and Extended Term Loans shall include, without limitation, the 2019 Extended Term Loans; provided, however, that solely for purposes of Section 2.15 of the Amended Credit Agreement or any analogous pro rata sharing provisions under the Amended Credit Agreement the 2019 Extended Term Loans shall not constitute separate Classes with respect to each other. The 2019 Extended Term Loans shall be denominated in Dollars.

(b) Each Consenting Lender that delivers an executed signature page to this Extension Amendment on or prior to the Amendment Effective Date irrevocably agrees to convert into 2019 Extended Term Loans the aggregate principal amount of its Existing Term Loans set forth in the Agent’s register as of the date hereof (such conversion, the “2019 Conversion”). On the Amendment Effective Date, each Consenting Lender hereby agrees that the aggregate principal amount of Existing Term Loans held by such Consenting Lender set forth in the Agent’s register as of the date hereof shall automatically (and without any further action on the part of any party to this Extension Amendment or the Existing Credit Agreement) be converted into and reclassified to become Cash Pay Extended Term Loans, Cash Pay/PIK Extended Term Loans, or a combination of both, in the amounts set forth on such Consenting Lender’s signature page to the 2019 Conversion Allocation Election in the form attached hereto as Annex 2 (the “2019 Conversion Allocation Election”), subject to Section 4(c) of this Extension Amendment. After giving effect to the 2019 Conversion but immediately prior to the 2019 Prepayment, the aggregate principal amount of all such 2019 Extended Term Loans held by a Consenting Lender shall equal the aggregate principal amount of Existing Term Loans held by such consenting Lender as set forth in the Agent’s register as of the date hereof. The remainder (if any) of all Existing Term Loans made under the Existing Credit Agreement will, after giving effect to this Extension Amendment, remain outstanding as Term Loans (the “2013 Term Loans”) on the primary economic terms (maturity, interest) in effect immediately prior to the effectiveness of the Amendments. On the Amendment Effective Date, after giving effect to this Extension Amendment, the aggregate principal amount of Cash Pay Extended Term Loans, the aggregate principal amount of Cash Pay/PIK Extended Term Loans and the aggregate principal amount of 2013 Term Loans shall be set forth on Schedule I hereto.

(c) Each of the Consenting Lenders acknowledges and agrees to the following:
in the event that, pursuant to the 2019 Conversion Allocation Election, Consenting Lenders elect to convert more than $250,000,000 but less than $500,000,000 in aggregate principal amount of Term Loans to one Class of 2019 Extended Term Loans (such Class, the “Undersubscribed Class”), the Consenting Lenders electing to receive the Class of 2019 Extended Term Loans that is not the Undersubscribed Class shall be deemed, on a pro rata basis, to have adjusted such elections such that there is at least $500,000,000 in aggregate principal amount of each Class of 2019 Extended Term Loans; and

(ii) if the aggregate principal amount of either the Cash Pay Extended Term Loans or the Cash Pay/PIK Extended Term Loans subscribed for by the Consenting Lenders is less than $250,000,000, then such undersubscribed Class shall be eliminated in its entirety and all 2019 Extended Term Loans shall be Term Loans of the other Class of 2019 Extended Term Loans.

(d) On the Amendment Effective Date, all accrued and unpaid interest owing by the Existing Borrower under the Existing Credit Agreement with respect to any Existing Term Loan (or portion thereof, if applicable) shall be paid in full in cash immediately prior to the 2019 Conversion. Such payment shall not be subject to any LIBOR breakage cost reimbursement which would have otherwise been incurred under the terms of the Existing Credit Agreement or Amended Credit Agreement.

(e) On and after the Amendment Effective Date, interest shall accrue on the 2019 Extended Term Loans and 2013 Term Loans at the interest rate provided for in the Amended Credit Agreement. Each 2019 Extended Term Loan and 2013 Term Loan shall initially be deemed to be a Borrowing of a 2019 Extended Term Loan or 2013 Term Loan, as applicable, that is a Eurocurrency Loan with an initial Interest Period equal to the remaining duration (as of the Amendment Effective Date) of the Interest Period applicable to such Borrowing of an Existing Term Loan, but accruing interest at the applicable interest rate for 2019 Extended Term Loans or 2013 Term Loan, as applicable, described in the Amended Credit Agreement; provided, however, that it is understood and agreed that in no event shall any conversion or extension of any Existing Term Loan, or any other transaction contemplated by this Extension Amendment, constitute a repayment, conversion or other event with respect to such Loan that would result in the application or operation of the provisions of Section 2.06, 2.07, 2.08 or 2.13 of the Existing Credit Agreement or Amended Credit Agreement.

(f) The terms of the 2019 Extended Term Loans shall be as set forth in this Extension Amendment and the Amended Credit Agreement.

Section 5. Conditions Precedent to the Extension Amendment.

(ix) The Administrative Agent shall have received a completed Perfection Certificate dated the Amendment Effective Date and signed by a Responsible Officer of Holdings and the Lead Borrower.

For purposes of determining satisfaction of the conditions precedent set forth in this Section 5 which are subject to the receipt of documents by, or the satisfaction of, the Consenting Lenders, the applicable condition shall be deemed satisfied upon the execution of this Extension Amendment, and the release of signatures by Consenting Lenders representing the Required Lenders. The time at which the conditions specified in Section 5(a) are satisfied or waived is referred to herein as the “Initial Amendment Effective Time” and the date on which the conditions specified in Sections 5(a) and 5(b) are satisfied or waived is referred to herein as the “Amendment Effective Date”.

Section 6. Representations and Warranties. Each Loan Party hereby represents and warrants to the Administrative Agent and to each of the Consenting Lenders that, as of the date first written above:

(c) The execution, delivery and performance by each Loan Party of this Extension Amendment and the consummation of the transactions contemplated hereby will not violate (i) any provision of law, statute, rule or regulation, or of the certificate or articles of incorporation or other constitutive documents (including any partnership, limited liability company or operating agreement or by-laws) of any Loan Party, (ii) any applicable order of any court or any rule, regulation or order of any Governmental Authority or (iii) any provision of any indenture, certificate of designation for preferred stock, agreement or other instrument to which any Loan Party is a party or by which any of them or any of their property is or may be bound, in each case of clause (i), (ii) or (iii), except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 7. Effectiveness; Amendments. This Extension Amendment shall become effective as of the occurrence of the Initial Amendment Effective Time and Amendment Effective Date, as applicable. This Extension Amendment may not be amended nor may any provision hereof be waived except pursuant to a writing signed by Holdings, the Borrowers, and the Required Lenders (or the Administrative Agent acting at the direction of the Required Lenders).

Section 8. Credit Agreement. Except as expressly set forth herein, this Extension Amendment shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of the Lenders, the Agents, the Borrowers or any other Loan Party under the Existing Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Existing Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle Holdings or the Borrowers to any future consent to, or waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement or any other Loan Document in similar or different circumstances. The parties hereto expressly acknowledge that it is not their intention that this Extension Amendment or any of the other Loan Documents executed or delivered pursuant hereto constitute a novation of any of the obligations, covenants or agreements contained in the Existing Credit Agreement or any other Loan Document, but rather constitute a modification thereof or supplement thereto pursuant to the terms contained herein. The Existing Credit Agreement and the Loan Documents, in each case as amended, modified or supplemented hereby, shall be deemed to be continuing agreements among the parties thereto, and all documents, instruments, and agreements delivered, as well as all Liens created, pursuant to or in connection with the Existing Credit Agreement and the other Loan Documents shall remain

(5) the location and number of the Borrower’s account to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified in the applicable Borrowing Request, then the Borrowing shall be an ABR Borrowing. If no Interest Period with respect to any Eurocurrency Borrowing is specified in the applicable Borrowing Request, then the Borrower will be deemed to have selected an Interest Period of one month’s duration. Upon receipt of such Borrowing Request, the Administrative Agent will promptly notify each Lender thereof. The proceeds of the Term Loans requested under this Section 2.02 will be disbursed by the Administrative Agent in immediately available funds by wire transfer to such bank account or accounts as designated by the Borrower in the Borrowing Request.

Schedule 2.01 identifies each of the Lenders and sets forth the principal amount each of Class of Term Loans held by each such Lender as of the Amendment No. 2 Effective Date.

SECTION 2.03. Funding of Borrowings.

(1) Each Lender will make each Term Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 10:00 a.m., New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Term Loans available to the Borrowers by promptly crediting the amounts so received, in like funds, to an account of the Borrower as specified in the Borrowing Request.
Unless the Administrative Agent has received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (1) of this Section 2.03 and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent, forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent at (a) in the case of such Lender, the greater of (i) the Federal Funds Rate and (ii) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (b) in the case of the Borrowers, the interest rate applicable to ABR Loans at such time. If such Lender pays such amount to the Administrative Agent then such amount will constitute such Lender’s Term Loan included in such Borrowing.

SECTION 2.04. Interest Elections.

(1) Each Borrowing initially of a 2019 Extended Term Loan that was converted from a 2013 Term Loan that was a Eurocurrency Loan immediately prior to such conversion shall initially be deemed to be a Borrowing of a 2019 Extended Term Loan that is a Eurocurrency Loan with an initial Interest Period equal to the remaining duration (as of the Amendment No. 2 Effective Date) of the Interest Period applicable to such Borrowing of a 2013 Term Loan, but accruing interest at the interest rate applicable to the applicable Class of 2019 Extended Term Loans. Each 2013 Term Loan will be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, will have an initial Interest Period as specified in such Borrowing Request in effect under the Existing Credit Agreement immediately prior to the Amendment No. 2 Effective Date. Thereafter, the Lead Borrower may elect to convert each Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.04. The Lead Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion will be allocated ratably among the Lenders holding the Term Loans comprising such Borrowing, and the Term Loans comprising each such portion will be considered a separate Borrowing; provided that the Term Loans comprising any Borrowing will be in an aggregate principal amount that is an integral multiple of $500,000 and not less than $1,000,000; provided further that there shall not be more than ten Eurocurrency Borrowings outstanding hereunder at any time.

(2) To make an election pursuant to this Section 2.04 following the Original Closing Date, the Lead Borrower will notify the Administrative Agent of such election by telephone (a) in the case of an election to convert to or continue a Eurocurrency Borrowing, not later than 2:00 p.m., New York City time, three Business Days before the effective date of such election or (b) in the case of an election to convert to or continue an ABR Borrowing, not later than 10:00 a.m., New York City time, on the date of such election. Each such telephonic Interest Election Request will be confirmed promptly by hand delivery, facsimile transmission or e-mail to the Administrative Agent of a written Interest Election Request substantially in the form of Exhibit D and signed by the Lead Borrower.

(3) Each telephonic and written Interest Election Request will be irrevocable and will specify the following information:
(a) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (c) and (d) below will be specified for each resulting Borrowing);

(b) the effective date of the election made pursuant to such Interest Election Request, which will be a Business Day;

(c) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(d) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which will be a period contemplated by the definition of “Interest Period.”

(4) If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Lead Borrower will be deemed to have selected a Eurocurrency Borrowing having an Interest Period of one month’s duration.

(5) Promptly following receipt of an Interest Election Request, the Administrative Agent will advise each applicable Lender of the details thereof and of such Lender’s portion of each resulting Borrowing.

(6) If the Lead Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing will be automatically converted into an ABR Borrowing.

(7) Any portion of a Borrowing maturing or required to be repaid in less than one month may not be converted into or continued as a Eurocurrency Borrowing.

(8) Notwithstanding any contrary provision hereof but subject to Section 2.10(5) in respect of a Specified Event of Default, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Lead Borrower, then, so long as such Event of Default is continuing, (a) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (b) unless repaid, each Eurocurrency Borrowing will be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.05. Promise to Pay; Evidence of Debt.

(1) The Borrowers hereby unconditionally promise to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.06.

(2) Each Lender will maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrowers to such Lender resulting from each Term Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.
(3) The Administrative Agent will maintain accounts in which it will record (a) the amount of each Term Loan made hereunder, the Type thereof and the Interest Period (if any) applicable thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (c) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender’s share thereof.

(4) The entries made in the accounts maintained pursuant to paragraph (2) or (3) of this Section 2.05 will be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein will not in any manner affect the obligation of the Borrowers to repay the Term Loans in accordance with the terms of this Agreement.

(5) Any Lender may request that Term Loans made by it be evidenced by a promissory note (a “Note”). In such event, the Borrowers will prepare, execute and deliver to such Lender a Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrowers. Thereafter, the Term Loans evidenced by such Note and interest thereon will at all times (including after assignment pursuant to Section 10.04) be represented by one or more Notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

SECTION 2.06. Repayment of Term Loans.

(1) The Borrowers will repay to the Administrative Agent for the ratable account of the 2013 Term Loan Lenders on the last Business Day of each fiscal quarter of the Borrowers, commencing with the last Business Day of the fiscal quarter of the Borrowers ending in January 2014 after the Amendment No. 2 Effective Date, an aggregate principal amount equal to 0.25% the product of (x) the aggregate principal amount of the 2013 Term Loans outstanding immediately upon and after the effectiveness of the 2019 Extension Amendment and the 2019 Conversion and (y) a percentage (expressed as a decimal) that would cause each of the 2013 Term Loan Lenders to receive quarterly payments pursuant to this Section 2.06(1) at the same effective rate as the 2013 Term Loan Lenders received quarterly payments pursuant to this Section 2.06(1) for the most recently ended fiscal quarter of the Borrowers ended prior to the Amendment No. 2 Effective Date, which payments will be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.07 or 2.08, as applicable (each such date being referred to as an “Original Term Loan Installment Date”).

(2) On the Amendment No. 2 Effective Date, the Borrowers will make the 2019 Prepayment (as defined in the 2019 Extension Amendment).

(3) The Borrowers will repay to the Administrative Agent for the ratable account of the 2019 Extending Term Lenders on the last Business Day of each fiscal quarter of the Borrowers, commencing with the last Business Day of the first full fiscal quarter of the Borrowers ending after the Amendment No. 2 Effective Date, an aggregate principal amount equal to 0.375% of the aggregate principal amount of the 2019 Extended Term Loans outstanding on the Amendment No. 2 Effective Date after giving effect to the 2019 Prepayment, which payments will be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.07 or 2.08, as applicable (each such date being referred to as a “2019 Extended Term Loan Installment Date”).
In the event that any Incremental Term Loans are made, the Borrower will repay Borrowings consisting of Incremental Term Loans on the dates (each an "Incremental Term Loan Installment Date") and in the amounts set forth in the applicable Incremental Facility Amendment. In the event that any Other Term Loans are made, the Borrower will repay Borrowings consisting of Other Term Loans on the dates (each an "Other Term Loan Installment Date") and in the amounts set forth in the applicable Refinancing Amendment and in the event that any Extended Term Loans (other than 2019 Extended Term Loans) are made, the Borrower will repay Borrowings consisting of Extended Term Loans on the dates (each an "Extended Term Loan Installment Date") and in the amounts set forth in the applicable Extension Amendment; and

To the extent not previously paid, all outstanding Term Loans will be due and payable on the applicable Maturity Dates for the applicable Class of Term Loans.

Each repayment pursuant to this Section 2.06 will be accompanied by payment of accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment.

SECTION 2.07. Optional Prepayment of Term Loans. The Borrower may at any time and from time to time prepay the Term Loans of any Class in whole or in part, without premium or penalty (except as provided in Section 2.21 and subject to Section 2.13), in an aggregate principal amount, (1) in the case of Eurocurrency Loans of any applicable Class, that is an integral multiple of $500,000 and not less than $2.5 million, and (2) in the case of ABR Loans of any applicable Class, that is an integral multiple of $100,000 and not less than $1.0 million, or, in each case, if less, the amount outstanding. The Lead Borrower will notify the Administrative Agent by telephone (confirmed by hand delivery, facsimile transmission or e-mail) of such election not later than 2:00 p.m., New York City time, (a) in the case of a Eurocurrency Borrowing, three Business Days before the anticipated date of such prepayment and (b) in the case of an ABR Borrowing, one Business Day before the anticipated date of such prepayment. Each such notice of prepayment will specify the prepayment date and the principal amount of each Borrowing (or portion thereof) to be prepaid. All prepayments under this Section 2.07 will be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment. Any such notice may be revocable or conditioned on a refinancing of all or any portion of the Term Facility. Any optional prepayments of Term Loans of any applicable Class pursuant to this Section 2.07 will be applied to the remaining scheduled amortization payments of such Term Loans as directed by the Lead Borrower (or in the absence of such direction, in direct order of maturity) and will be applied ratably to the Term Loans included in the prepaid Borrowing. Notwithstanding anything herein to the contrary, to the extent any Class of the 2019 Extended Term Loans are prepaid pursuant to this Section 2.07, then each Class of 2019 Extended Term Loans shall be prepaid ratably.

Notwithstanding anything to the contrary contained in this Agreement, including this Section 2.07, the Borrowers may not voluntarily prepay any 2013 Term Loans prior to the Maturity Date applicable thereto other than as set forth below, and (ii) shall repurchase, redeem, retire, repay, Refinance or exchange any 2013 Term Loans, whether at maturity or otherwise, as set forth below:
(a) by repurchasing, repaying, exchanging for or refinancing any such 2013 Term Loan Obligations using the proceeds of Non-Participating Term Loan Exchange Indebtedness, unsecured Indebtedness or Junior Lien Indebtedness (including by means of an exchange offer, conversion or modification of the 2013 Term Loan Obligations to become Non-Participating Term Loan Exchange Indebtedness, unsecured Indebtedness or Junior Lien Indebtedness), in each case subject to clauses (1) and (2) of the definition of Permitted Refinancing Indebtedness: provided that the interest rate per annum payable in cash on such unsecured Indebtedness or Junior Lien Indebtedness pursuant to this clause (a) shall not exceed 8.00%;

(b) by repurchasing, repaying, exchanging for or refinancing any such 2013 Term Loan Obligations using (i) the common Equity Interests of, or the cash proceeds of common equity sales by, or common equity contributions to, any Parent Entity, or (ii) any non-cash assets contributed to any Parent Entity in respect of such Parent Entity’s common equity or any cash proceeds received from the sale or disposition of any assets which are contributed to such Parent Entity (including any interests, including Equity Interests of, MYT Holdco so contributed to such Parent Entity, or the cash proceeds of which are contributed to such Parent Entity following a sale or disposition of such interests); or

(c) by repurchasing or repaying all or any portion of any 2013 Term Loan Obligations with cash proceeds from any other source not otherwise described in clauses (a) or (b) above, in an aggregate amount, together with any cash payments or other cash distributions made pursuant to Section 6.09(4)(c), not to exceed $60.0 million for the term of this Agreement; provided that the purchase price or repayment amount of any such 2013 Term Loan Obligations repurchased, repaid, redeemed, retired, acquired, cancelled or terminated pursuant to this subclause (c) more than 45 days prior to the Maturity Date of such 2013 Term Loans may not be greater than 90% of the aggregate principal amount of any such 2013 Term Loans; and

(iii) the Borrowers may not voluntarily prepay any Indebtedness incurred to Refinance any 2013 Term Loans prior to the payment in full of all 2019 Extended Term Loans.

(3) At the Lead Borrower’s election (subject to the prior written consent of the Required 2019 Extending Term Lenders), at any time after the Amendment No. 2 Effective Date, the Borrowers may prepay without premium or penalty on a pro rata basis up to $250.0 million of the aggregate principal amount of 2019 Extended Term Loans at par, with the Net Cash Proceeds from any Real Property monetization or financing transaction consummated after the Amendment No. 2 Effective Date. Such prepayment shall be applied on a pro rata basis to then outstanding principal amount of 2019 Extended Term Loans as of the date of such prepayment.

(4) If, prior to the date that is three (3) years following the Amendment No. 2 Effective Date, (i) the Borrowers make any voluntary prepayment of the 2019 Extended Term Loans pursuant to Section 2.07(1) or otherwise or any prepayment of the 2019 Extended Term Loans pursuant to Section 2.08(1) (other than as a result of a casualty or condemnation event) or Section 2.08(3), or (ii) the 2019 Extended Term Loans shall be accelerated (whether as a result of an Event of Default, by operation of law or otherwise), including as a result of any Event of Default under Sections 8.01(8) or (9), or there shall occur any satisfaction, release, payment, restructuring, reorganization, replacement, reinstatement, defeasance or compromise of any of the Obligations in any bankruptcy, insolvency proceeding, foreclosure
(whether by power of judicial proceeding or otherwise) or deed in lieu of foreclosure or the making of a distribution of any kind in any bankruptcy or insolvency proceeding to any Agent or any Lender in full or partial satisfaction of the Obligations (each of the foregoing, a "Premium Event"), then in each case the Borrowers shall pay to the Administrative Agent, for the ratable account of each applicable Lender, a prepayment premium of (x) if such Premium Event occurs prior to the first anniversary of the Amendment No. 2 Effective Date, the Make-Whole Premium with respect to the aggregate principal amount of 2019 Extended Term Loans being prepaid, refinanced, amended, accelerated, satisfied, released, restructured, reorganized, replaced, reinstated, defeased or compromised, as applicable (such Extended Term Loans being "Prepaid" pursuant to each of the foregoing actions), (y) if such Premium Event occurs on or after the first anniversary of the Amendment No. 2 Effective Date and prior to the second anniversary of the Amendment No. 2 Effective Date, 2.00% of the aggregate principal amount of the 2019 Extended Term Loans being Prepaid, as applicable, or (z) if such Premium Event occurs on or after the second anniversary of the Amendment No. 2 Effective Date and prior to the third anniversary of the Amendment No. 2 Effective Date, 1.00% of the aggregate principal amount of the 2019 Extended Term Loans being Prepaid, as applicable.

(5) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, it is understood and agreed that if any 2019 Extended Term Loans are accelerated (whether as a result of the occurrence and continuance of any Event of Default, by operation of law or otherwise), any premium applicable thereto pursuant to Section 2.07(4) (the "Applicable Premium"), determined as of the date of acceleration, will also be immediately due and payable as though the applicable 2019 Extended Term Loans were prepaid as of such date and shall constitute part of the Obligations for all purposes herein. The Applicable Premium, if any, shall also be payable in the event the Obligations (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding), by deed in lieu of foreclosure or by any other similar means. THE LOAN PARTIES EXPRESSLY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE APPLICABLE PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. The parties hereto further acknowledge and agree that the Applicable Premium is not intended to act as a penalty or to punish the Loan Parties for any repayment or prepayment of the 2019 Extended Term Loans. The Loan Parties expressly agree that (i) the Applicable Premium is reasonable and is the product of an arm’s length transaction between sophisticated business people, ably represented by counsel, (ii) the Applicable Premium, if any, shall be payable notwithstanding the then prevailing market rates at the time payment is made, (iii) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Premium, if any, (iv) the Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this Section 2.07(5), (v) their agreement to pay the Applicable Premium is a material inducement to the 2019 Extending Term Lenders to make the 2019 Extended Term Loans, and (vi) the Applicable Premium represents a good-faith, reasonable estimate and calculation of the lost profits or damages of the 2019 Extending Term Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to any 2019 Extending Term Lender or profits lost by such 2019 Extending Term Lender as a result of any Premium Event.

SECTION 2.08. Mandatory Prepayment of Term Loans.

(1) The Borrowers will apply all Net Cash Proceeds received in an Asset Sale made pursuant to Section 6.05(2) (other than any ABL Priority Collateral Asset Sale) to the extent that
Net Cash Proceeds of ABL Priority Collateral sold pursuant thereto are required to prepay Revolving Loans (as defined in the ABL Credit Agreement) or cash collateralize Letters of Credit (as defined in the ABL Credit Agreement) to remain in compliance with the “Borrowing Base” (as defined in the ABL Credit Agreement) or otherwise or any Sale and Lease-Back Transaction to prepay Term Loans within three Business Days following receipt of such Net Cash Proceeds, unless the Lead Borrower has delivered a Reinvestment Notice on or prior to such third Business Day; provided that:

(a) if any Event of Default has occurred and is continuing, on or prior to the third Business Day following receipt thereof, such Net Cash Proceeds will be deposited in an Asset Sale Proceeds Account; and

(b) subject to the other provisions of this Section 2.08(1), on each Reinvestment Prepayment Date the Borrowers will apply an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event to the prepayment of the Term Loans or applicable Senior Priority Obligations (together with accrued and unpaid interest thereon) and any Applicable Premium,

(c) if at the time that any such prepayment would be required, the Borrower is required to, or to offer to, repurchase, redeem, repay or prepay Indebtedness secured on a pari passu basis with the Term Loans (any such Indebtedness, “Other First Lien Indebtedness”), then the Borrower may apply such Net Cash Proceeds to redeem, repurchase, repay or prepay Term Loans and Other First Lien Indebtedness on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other First Lien Indebtedness at such time);

provided further, that the portion of such Net Cash Proceeds allocated to the Other First Lien Indebtedness will not exceed the amount of such Net Cash Proceeds required to be allocated to the Other First Lien Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Cash Proceeds will be allocated to the prepayment of the Term Loans and Other First Lien Indebtedness, and the amount of the prepayment of the Term Loans that would have otherwise been required pursuant to this clause (1) will be reduced accordingly; provided further, that to the extent the holders of Other First Lien Indebtedness decline to have such Indebtedness repurchased, redeemed, repaid or prepaid with such Net Cash Proceeds, the declined amount of such Net Cash Proceeds will promptly (and in any event within ten Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof (to the extent such Net Cash Proceeds would otherwise have been required to be so applied if such Other First Lien Indebtedness was not then outstanding).

(2) Commencing with the fiscal year ending July 26, 2015, August 3, 2019, not later than 90 days after the end of each Excess Cash Flow Period, the Borrowers will calculate Excess Cash Flow for such Excess Cash Flow Period and will apply the following amount to the prepayment of Term Loans:

(a) the Required Percentage of such Excess Cash Flow; minus

(b) the amount of any voluntary prepayments during such Excess Cash Flow Period or on or prior to the 90th day after the end of such Excess Cash Flow Period of:

85
Term Loans (including Incremental Term Loans, Other Term Loans and Extended Term Loans);

Loans under the ABL Credit Agreement, any ABL Incremental Facility or other revolving credit facility that is secured on a pari passu basis with the Term Loans (to the extent accompanied by a corresponding reduction in the commitments);

Other First Lien Indebtedness;

Permitted Refinancing Indebtedness incurred to Refinance any of the foregoing Indebtedness (or Permitted Refinancing Indebtedness described in this clause (iv)), in each case that is secured on a pari passu basis with the Term Loans;

in each case, to the extent not financed with the proceeds of the issuance or the incurrence of Indebtedness (other than proceeds of revolving loans), the sale or issuance of Equity Interests or Asset Sales; provided that any such voluntary prepayment that is made on or prior to the 90th day after the end of such Excess Cash Flow Period will not reduce Excess Cash Flow for the next succeeding Excess Cash Flow Period pursuant to this clause (b).

Not later than the date on which the Lead Borrower is required to deliver financial statements with respect to the end of each Excess Cash Flow Period under Section 5.04(1), the Lead Borrower will deliver to the Administrative Agent a certificate signed by a Financial Officer of the Lead Borrower setting forth the amount, if any, of Excess Cash Flow for such fiscal year and the calculation thereof in reasonable detail.

The Borrowers will apply 100% of the net cash proceeds from the incurrence, issuance or sale by the Borrowers or any Restricted Subsidiary of any Indebtedness that is not Excluded Indebtedness to the prepayment of Term Loans, on or prior to the date which is five Business Days after the receipt of such net cash proceeds, together with, solely for any such prepayments of 2019 Extended Term Loans made prior to the date that is three years following the Amendment No. 2 Effective Date, any Applicable Premium.

Notwithstanding anything in this Section 2.08 to the contrary, any Lender (such Lender, a “Declining Lender”) may elect, by notice to the Administrative Agent by telephone (confirmed by hand delivery, facsimile transmission or e-mail) at least two Business Days prior to the required prepayment date, to decline all or any portion of any mandatory prepayment of its Term Loans pursuant to this Section 2.08 (other than clauses (3) of this Section 2.08), in which case the aggregate amount of the prepayment that would have been applied to prepay Term Loans but was so declined will be retained by the Borrower and applied for any permitted purpose hereunder. Such prepayments will be applied on a pro rata basis to the then outstanding Class of Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Eurocurrency Loans; provided that if no Lenders exercise the right to waive a given mandatory prepayment of the Term Loans pursuant to this Section 2.08(4), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment will be applied first, with respect to each applicable Class of Term Loans, to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are Eurocurrency Loans in a manner that minimizes the amount of any payments required to be made by the Borrowers pursuant to Section 2.13.
The following general provisions shall apply to all prepayments pursuant to this Section 2.08:

(a) The Lead Borrower will deliver to the Administrative Agent, at the time of each prepayment required under this Section 2.08, (a) a certificate signed by a Financial Officer of the Lead Borrower setting forth in reasonable detail the calculation of the amount of such prepayment and (b) to the extent practicable, at least three Business Days prior written notice of such prepayment. Each notice of prepayment shall specify the prepayment date, the Type and Class of each Term Loan being prepaid and the principal amount of each Term Loan (or portion thereof) to be prepaid.

(b) Prepayment of the Term Loans pursuant to this Section 2.08 will be made without premium or penalty, together with any Applicable Premium payable as set forth in Section 2.07(4) and in any case accompanied by accrued and unpaid interest on the principal amount to be prepaid but excluding the date of payment, and applied as directed by the Borrower or, absent such direction, to reduce the Term Loans.

(c) Each prepayment required under this Section 2.08 shall be applied to the 2019 Extended Term Loans (including each Class thereof, ratably, provided proceeds of Call Right Collateral shall be applied ratably to the Additional 2019 Extended Term Loans prior to the other 2019 Extended Term Loans) until the same are paid in full before being applied to any other Term Facilities and shall reduce, (i) with respect to any prepayments required under Section 2.08(2) or Section 2.08(3), in direct order of maturity the next eight quarterly and (ii) with respect to any prepayments required under Section 2.08(1), in inverse order of maturity, in the case of each of the foregoing (i) and (ii), the scheduled amortization payments of Term Loans under Section 2.06(1) and, thereafter, to reduce on a pro rata basis (based on the amount of such amortization payments) the remaining scheduled amortization payments of Term Loans under Section 2.06(1) and will be allocated ratably to the Term Loans included in the prepaid Borrowing, provided that any prepayment of Incremental Term Loans, Other Term Loans or Extended Term Loans will be applied in the order specified in the applicable Permitted Extension Amendment, in each case with respect to the applicable Class of Term Loans.

(d) Subject to the terms of the Junior Lien Intercreditor Agreement, any payments from proceeds of the sale of Call Right Collateral shall be applied to repay in full all outstanding Additional 2019 Extended Term Loans prior to being applied to other Obligations hereunder.

(6) Notwithstanding any provisions of this Section 2.08 to the contrary,

(a) to the extent that any or all of the Net Cash Proceeds or Excess Cash Flow giving rise to a prepayment event pursuant to this Section 2.08 is prohibited or delayed by applicable local
law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 2.08, but may be retained by the Borrowers or the applicable Subsidiary for so long, but only so long, as the applicable local law will not permit repatriation to the United States. Once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be effected promptly and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly applied (net of additional taxes payable or reserved against as a result thereof) to the prepayment of the Term Loans pursuant to this Section 2.08 to the extent provided herein; provided that the Borrowers hereby agree, and will cause any applicable Subsidiary, to promptly take all commercially reasonable actions required by applicable local law to permit any such repatriation; or

(b) to the extent that a Responsible Officer of the Lead Borrower has reasonably determined in good faith that repatriation of any of or all the Net Cash Proceeds or Excess Cash Flow giving rise to a prepayment event pursuant to this Section 2.08 would have an adverse tax cost consequence, the Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 2.08, but may be retained by the Borrowers or the applicable Subsidiary without being repatriated; provided that, in the case of this subclause (b), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.08 (or such Excess Cash Flow would have been so required if it were Net Cash Proceeds to be applied to a prepayment):

(i) the Borrowers apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been repatriated, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated; or

(ii) such Net Cash Proceeds or Excess Cash Flow are applied towards the permanent extinguishment (including, in the case of a revolving facility, a permanent reduction of commitments only) of Indebtedness of any Subsidiary.

For purposes of this Section 2.08(6), references to “law” mean, with respect to any Person, (1) the common law and any federal, state, local, foreign, multinational or international statutes, laws, treaties, judicial decisions, standards, rules and regulations, guidelines, ordinances, rules, judgments, writs, orders, decrees, codes, plans, injunctions, permits, concessions, grants, franchises, governmental agreements and governmental restrictions (including administrative or judicial precedents or authorities), in each case whether now or hereafter in effect, and (2) the interpretation or administration thereof by, and other determinations, directives, requirements or requests of, any Governmental Authority, in each case whether or not having the force of law and that are applicable to or binding upon such Person or any of its property or to which such Person or any of its property is subject.

SECTION 2.09. Fees.

(1) The Borrowers agree to pay to the Administrative Agent, for its own account, the “Term Administrative Fee” set forth in the Fee Letter at the times and on the terms specified therein (the “Administrative Agent Fees”).
The Borrowers agree to pay the “Term Loan Lender Consent Fee” and the “Term Loan Lender Cash Joinder Fee” set forth in the TSA at the times and on the terms specified therein (the “Consent Fees”).

All Fees will be paid on the dates due and payable, in immediately available funds, to the Administrative Agent at the Payment Office for distribution, if and as appropriate, among the Lenders. Once paid, none of the Fees will be refundable under any circumstances.

SECTION 2.10. Interest.

The 2013 Term Loans comprising each ABR Borrowing will bear interest at the ABR plus the Applicable Margin applicable to the 2013 Term Loans.

The 2013 Term Loans comprising each Eurocurrency Borrowing will bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin applicable to the 2013 Term Loans.

The 2019 Extended Term Loans comprising each ABR Borrowing will bear interest at the ABR plus the Applicable Margin applicable to the 2019 Extended Term Loans of the applicable Class.

The 2019 Extended Term Loans comprising each Eurocurrency Borrowing will bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin applicable to the 2019 Extended Term Loans of the Applicable Class.

Following the occurrence and during the continuation of a Specified Event of Default, the Borrowers will pay interest on overdue amounts (including amounts overdue as a result of on-payment upon acceleration) hereunder at a rate per annum equal to (i) in the case of overdue principal of, or interest on, any Term Loan, 2.0% per annum plus the rate otherwise applicable to such Term Loan as provided in the preceding paragraphs of this Section 2.10 or (ii) in the case of any other overdue amount, 2.0% per annum plus the rate applicable to ABR Loans as provided in clause (1) of this Section 2.10. Following the occurrence and during the continuation of a Specified Event of Default, all Eurocurrency Borrowings shall automatically convert to ABR Borrowings upon the expiry of any then-current Interest Period, with no notice or action by any party, and for so long as such Specified Event of Default continues, the Borrowers shall have no right to make and shall not make, any Interest Election Requests requesting to convert or continue any such Borrowing as a Eurocurrency Borrowing.

Accrued interest on each Term Loan will be payable in arrears (i) on each Interest Payment Date for such Term Loan and (ii) on the applicable Maturity Date; provided that (A) interest accrued pursuant to paragraph (5) of this Section 2.10 will be payable on demand, (B) in the event of any repayment or prepayment of any Term Loan, accrued interest on the principal amount repaid or prepaid will be payable on the date of such repayment or prepayment and (C) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Term Loan will be payable on the effective date of such conversion. All interest shall be payable in cash except as provided in Section 2.10(7) below.

One percent (1.0%) per annum of the Applicable Margin payable on the Cash Pay/PIK Extended Term Loans and Cash Pay/PIK Additional 2019 Extended Term Loans, as
applicable, will be payable by adding such accrued and unpaid interest to the then outstanding principal amount of Cash Pay/PIK Extended Term Loans or Cash Pay/PIK Additional 2019 Extended Term Loans, as applicable (such capitalized interest, the “PIK Interest”), in each case, on the applicable Interest Payment Date; provided, such interest may be paid in cash at the election of the Lead Borrower in its sole discretion. For the avoidance of doubt, any such PIK Interest shall be deemed added to the then outstanding principal amount of the Cash Pay/PIK Extended Term Loans or Cash Pay/PIK Additional 2019 Extended Term Loans, as applicable, on each applicable Interest Payment Date and thereafter, shall constitute principal under such Cash Pay/PIK Extended Term Loans or Cash Pay/PIK Additional 2019 Extended Term Loans, as applicable, for all purposes under this Agreement, including the accrual of interest. For the avoidance of doubt, all other interest owing in respect of the Cash Pay/PIK Extended Term Loans and Cash Pay/PIK Additional 2019 Extended Term Loans, as applicable, will be payable in cash.

SECTION 2.11. Alternate Rate of Interest. (a) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(1) the Administrative Agent determines (which determination will be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period; or

(2) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Term Loans included in such Borrowing for such Interest Period;

then the Administrative Agent will give notice thereof to the Lead Borrower and the applicable Lenders by telephone, facsimile transmission or e-mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Lead Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (a) any Interest Election Request that requests the conversion of any applicable Borrowing to, or continuation of any such Borrowing as, a Eurocurrency Borrowing will be ineffective and such Borrowing will be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing and (b) any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing will be made as an ABR Borrowing.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(1) of this Section 2.11 have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(1) of this Section have not arisen but either (x) the supervisor for the administrator of the LIBO Rate has made a public statement that the administrator of the LIBO Rate is insolvent (and there is no successor administrator that will continue publication of the LIBO Rate), (y) the administrator of the LIBO Rate has made a public statement identifying a specific date after which the LIBO Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the LIBO Rate), (v) the supervisor for the
administrator of the LIBO Rate has made a public statement identifying a specific date after which the LIBO Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate may no longer be used for determining interest rates for loans, then the Administrative Agent and the Lead Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States of America at such time and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin); provided that if such alternate rate of interest as so determined would be less than zero, then such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 10.08, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from Required Lenders of each Class stating that such Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this Section 2.11(b) (but, in the case of the circumstances described in clause (ii)(w), clause (ii)(x) or clause (ii)(y) of the first sentence of this Section 2.11(b), only to the extent the LIBO Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and (y) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.12. Increased Costs.

(1) If any Change in Law:

(a) imposes, modifies or deems applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(b) imposes on any Lender or the London interbank market any other condition (other than Taxes) affecting this Agreement or Eurocurrency Loans made by such Lender; or

(c) subjects any Recipient to any Taxes (other than (i) Indemnified Taxes and (ii) Excluded Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing is to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Term Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(2) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement or the Term Loans made by such Lender, to a level below that which such Lender or such Lender’s holding company could have achieved but for such Change in Law (taking into consideration such Lender’s policies...
and the policies of such Lender’s holding company with respect to capital adequacy or liquidity), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered.

(3) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (1) or (2) of this Section 2.12 will be delivered to the Lead Borrower and will be conclusive absent manifest error. The Borrowers will pay such Lender the amount shown as due on any such certificate within ten days after receipt thereof.

(4) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.12, such Lender will notify the Lead Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.12 will not constitute a waiver of such Lender’s right to demand such compensation; provided that the Borrowers will not be required to compensate a Lender pursuant to this Section 2.12 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Lead Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender’s intention to claim compensation therefor; provided, further, that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above will be extended to include the period of retroactive effect thereof.

SECTION 2.13. Break Funding Payments. Except as otherwise set forth herein, the Borrowers will compensate each Lender for the actual out-of-pocket loss, cost and expense (excluding loss of anticipated profits) attributable to the following events:

(1) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default);

(2) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto;

(3) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto; or

(4) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Lead Borrower pursuant to Section 2.16;

provided, however, that no such losses, costs or expenses attributable to (i) the conversion of 2013 Term Loans constituting Eurocurrency Borrowings and outstanding immediately prior to the Amendment No. 2 Effective Date into 2019 Extended Term Loans, (ii) the pay down of 2019 Extended Term Loans pursuant to the 2019 Extension Amendment or (iii) the payment of interest on the 2019 Extended Term Loans or the 2013 Term Loans pursuant to the 2019 Extension Amendment shall be incurred by the Borrowers pursuant to this Section 2.13. Such loss, cost or expense to any Lender will be deemed to be the amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Term Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Term Loan (but not including the Applicable Margin applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Term Loan) over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would
A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.13 will be delivered to the Lead Borrower and will be conclusive absent manifest error. The Borrowers will pay such Lender the amount shown as due on any such certificate within ten days after receipt thereof.

(1) Any and all payments by or on account of any obligation of any Loan Party hereunder will be made free and clear of and without deduction or withholding for any Indemnified Taxes or Other Taxes; provided that Taxes, except as required by applicable law. If any applicable law requires the deduction or withholding of any Tax from any such payment by a Loan Party, then the applicable Loan Party shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if a Loan Party is required to deduct any Indemnified Taxes or Other Taxes from such payments, then:

(a) the sum payable hereunder will be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.14) the Administrative Agent or any Lender, as applicable, receives an amount equal to the amount it would have received had no such deductions been made;

(b) such Loan Party will make such deductions; and

(c) such Loan Party will timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(2) In addition, the Loan Parties will timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes.

(3) Each Loan Party will, jointly and severally, indemnify the Administrative Agent and each Lender, within ten days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender (other than as a result of the Administrative Agent’s or any Lender’s gross negligence or willful misconduct), on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.14) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, will be conclusive absent manifest error.

(4) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, pursuant to this Section 2.14, such Loan Party will deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.
Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document will deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Lead Borrower or the Administrative Agent, will deliver such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.14(5)(b), 2.14(5)(c), 2.14(5)(d) and 2.14(6) below) will not be required if in the Lender’s reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

Without limiting the effect of Section 2.14(5)(a) above, each Foreign Lender will deliver to the Lead Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), two original copies of whichever of the following is applicable:

(i) duly completed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any subsequent versions thereof or successors thereto), claiming eligibility for benefits of an income tax treaty to which the United States of America is a party;

(ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any subsequent versions thereof or successors thereto);

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (A) a certificate substantially in the form of the applicable Exhibit F to the effect that such Foreign Lender is not:

- (x) a “bank” within the meaning of Section 881(c)(3)(A) of the Code;
- (y) a “10 percent shareholder” of the Lead Borrower within the meaning of Section 871(h)(3) or 881(c)(3)(B) of the Code; or
- (z) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code; and

(B) duly completed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any subsequent versions thereof or successors thereto);

(iv) duly completed copies of Internal Revenue Service Form W-8IMY, together with forms and certificates described in clauses (i) through (iii) above (and additional Form W-8IMYs), or Internal Revenue Service Form W-9 as may be required; or
(v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made.

(c) Credit Suisse AG, Cayman Islands Branch, in its capacity as the Administrative Agent (and any Person succeeding the Administrative Agent upon assignment or succession under Section 9.09, if applicable) will also deliver to the Lead Borrower, on or prior to the execution and delivery of this Agreement, (i) two duly completed copies of Internal Revenue Service form W-8ECI with respect to any amounts payable to Credit Suisse AG, Cayman Islands Branch for its own account and (ii) two duly completed copies of Internal Revenue Service Form W-8IMY certifying that it is a “U.S. branch” and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business in the United States and that it is using such form as evidence of its agreement with the Borrowers to be treated as a United States person with respect to such payments (and the Borrowers and Credit Suisse AG, Cayman Islands Branch agree to so treat Credit Suisse AG, Cayman Islands Branch as a United States person with respect to such payments), with the effect that the Borrowers can make payments to Credit Suisse AG, Cayman Islands Branch (acting as the Administrative Agent) without deduction or withholding of any taxes imposed by the United States.

(d) In addition, each Lender that is not a Foreign Lender will deliver to the Lead Borrower and the Administrative Agent two copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) on or before the date such Lender becomes a party and upon the expiration of any form previously delivered by such Lender. Notwithstanding any other provision of this paragraph, a Lender will not be required to deliver any form pursuant to this paragraph (d) Section 2.14 that such Lender is not legally able to deliver.

(6) If a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient will deliver to the Lead Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient’s
obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.14(6), “FATCA” will include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it will update such form or certification or promptly notify the Lead Borrower and the Administrative Agent in writing of its legal inability to do so.

(7) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund (including a credit in lieu of a refund) of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.14, it will pay over reasonably promptly such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.14 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or such Lender in good faith, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in Section 2.14(7), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.14(7) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.14(7) will not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems, in good faith, to be confidential) to the Loan Parties or any other Person.

(8) Each party’s obligations under this Section 2.14 will survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(9) For purposes of this Section 2.14, the term “applicable law” includes FATCA.

SECTION 2.15. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(1) Unless otherwise specified, the Borrowers will make each payment required to be made by it hereunder (whether of principal, interest, fees or otherwise) prior to 2:00 p.m., New York City time, at the Payment Office, except that payments pursuant to Sections 2.12, 2.13, 2.14 and 10.05 will be made directly to the Persons entitled thereto, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. The Administrative Agent will distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof and will
make settlements with the Lenders with respect to other payments at the times and in the manner provided in this Agreement. Except as otherwise provided herein, if any payment hereunder is due on a day that is not a Business Day, the date for payment will be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon will be payable for the period of such extension. Any payment required to be made by the Administrative Agent hereunder will be deemed to have been made by the time required if the Administrative Agent, at or before such time, has taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(2) Except as otherwise provided in this Agreement, if (a) at any time insufficient funds are received by and available to the Administrative Agent from the Borrowers to pay fully all amounts of principal, interest and fees then due from the Borrowers hereunder or (b) at any time an Event of Default shall have occurred and be continuing and the Administrative Agent will receive any proceeds of Term Priority Collateral in connection with the exercise of remedies or payments of any kind, such funds will, subject to the Intercreditor Agreements, be applied in accordance with Section 5.02 of the Collateral Agreement (subject to the application of proceeds provisions contained in the Intercreditor Agreement).

(3) Except as otherwise expressly provided in this Agreement, if any Lender, by exercising any right of set-off or counterclaim or otherwise, obtains payment in respect of any principal of or interest on any of its Class of Term Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Class of Term Loans than the proportion received by any other Lender in such Class, then the Lender receiving such greater proportion will purchase (for cash at face value) participations in the Term Loans of such Class of other Lenders in such Class to the extent necessary so that the benefit of all such payments will be shared by the Lenders in such Class ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Term Loans of such Class; provided that (a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations will be rescinded and the purchase price restored to the extent of such recovery, without interest, and (b) the provisions of this paragraph (3) will not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Term Loans to any assignee or participant. The Borrowers consent to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers' rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrowers in the amount of such participation. Notwithstanding anything herein to the contrary, the 2019 Extended Term Loans shall constitute a single Class for purposes of this provision, subject to Section 5.02 of the Collateral Agreement with respect to proceeds of Call Right Collateral.

(4) Unless the Administrative Agent has received notice from the Lead Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such
amount is distributed to it but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(5) If any Lender fails to make any payment required to be made by it pursuant to Section 2.03(1) or 2.15(3), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender’s obligations under Section 2.03(1) or 2.15(3), as applicable, until all such unsatisfied obligations are fully paid.

SECTION 2.16. Mitigation Obligations; Replacement of Lenders.

(1) If any Lender requests compensation under Section 2.12, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, then such Lender will use reasonable efforts to designate a different lending office for funding or booking its Term Loans hereunder or assign its rights and obligations hereunder to another of its offices, branches or Affiliates if, in the reasonable judgment of such Lender, such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 2.12 or 2.14, as applicable, in the future and (b) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(2) If any Lender requests compensation under Section 2.12, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, then the Borrowers may, at its sole expense, upon notice to such Lender and the Administrative Agent, either (a) prepay such Lender’s outstanding Term Loans hereunder in full on a non-pro rata basis without premium or penalty (including with respect to the processing and recordation fee referred to in Section 10.04(2)(b)(ii)) or (b) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights and obligations under this Agreement to an assignee that will assume such obligations which assignee may be another Lender, if a Lender accepts such assignment; provided that (i) in the case of clause (b) above, the Lead Borrower has received the prior written consent of the Administrative Agent, which consent will not unreasonably be withheld, if a consent by the Administrative Agent would be required under Section 10.04 for an assignment of Term Loans to such assignee, (ii) such Lender has received payment of an amount equal to the outstanding principal of its Term Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.14, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.16 will be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender.

(3) If any Lender (such Lender, a “Non-Consenting Lender”) has failed to consent to a proposed amendment, waiver, discharge or termination that, pursuant to the terms of Section 10.08, requires the consent of such Lender and with respect to which the Required Lenders have granted their consent, then the Borrowers will have the right (unless such Non-Consenting Lender
grants such consent) at its sole expense, to either (a) prepay such Lender’s outstanding Term Loans hereunder in full on a non-pro rata basis without premium or penalty (including with respect to the processing and recordation fee referred to in Section 10.04(2)(b)(ii)) or (b) replace such Non-Consenting Lender by deeming such Non-Consenting Lender to have assigned its Term Loans and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent if a consent by the Administrative Agent would be required under Section 10.04 for an assignment of Term Loans to such assignee; provided that (i) all Obligations of the Borrower owing to such Non-Consenting Lender (including accrued Fees and any amounts due under Section 2.12, 2.13 or 2.14) being removed or replaced will be paid in full to such Non-Consenting Lender concurrently with such removal or assignment and (ii) in the case of clause (b) above, the replacement Lender will purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender will be necessary in connection with such removal or assignment, in the case of clause (b) above, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment, the Borrowers, the Administrative Agent, such Non-Consenting Lender and the replacement Lender will otherwise comply with Section 10.04; provided that if such Non-Consenting Lender does not comply with Section 10.04 within three Business Days after the Lead Borrower’s request, compliance with Section 10.04 will not be required to effect such assignment.

SECTION 2.17. Illegality. Each Incremental Facility/Additional 2019 Extended Term Loans will become effective pursuant to an amendment (each, an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrowers, each Lender or Additional 2019 Extending Term Lender providing such Incremental Facility/Additional 2019 Extended Term Loans Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Facility/Additional 2019 Extended Term Loans Amendment, this Agreement and the other Loan Documents, as applicable, will be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Facility and the Incremental Additional 2019 Extended Term Loans evidenced thereby.

the condition in the foregoing clause (b) may be limited to the accuracy in all material respects of (A) the Specified Representations and (B) any representations and warranties made with respect to such Person, division or line of business in the agreement governing such acquisition, merger, consolidation or amalgamation to the extent the breach of such representations and warranties is material to the interests of the Lenders; provided that the failure of any such representation or warranty will not result in a failure of the conditions set forth in the foregoing clause (b) unless such breach results in a failure of a condition precedent of the obligations of the Borrower or a Restricted Subsidiary to consummate such acquisition, merger, consolidation or amalgamation or permits the Borrower or a Restricted Subsidiary to terminate such agreement (after giving effect to any applicable notice and cure provisions).

(6) Terms. Each notice delivered pursuant to this Section 2.18 will set forth the amount and proposed terms of the relevant Incremental Term Loans. The terms of each tranche of Incremental Term Loans will be as agreed between the Borrower and the Incremental Lenders providing such Incremental Term Loans; provided that: Subject to clause (2) above, the terms of the Additional 2019 Extended Term Loans shall be identical to the terms of the applicable existing 2019 Extended Term Loans; provided that (i) each of the Cash Pay Additional 2019 Extended Term Loans and Cash Pay/PIK Additional 2019 Extended Term Loans shall be a separate Class of Term Loans and a separate Term Facility hereunder, and (ii) the Additional 2019 Extended Term Loans shall not amortize but shall have the same Maturity Date as the other 2019 Extended Term Loans and share ratably in mandatory and voluntary prepayments.

(7) Use of Proceeds. Upon exercise of the Call Right and funding of the Additional 2019 Extended Term Loans, the Lead Borrower shall cause the applicable Junior Financing to be redeemed in accordance with the terms thereof, it being understood the Loan Parties shall pay any accrued and unpaid interest on the Indebtedness redeemed and bear any costs and expenses from their cash on hand or other sources of liquidity. Upon consummation of the Call Right and the redemption of the applicable Indebtedness, (i) any Liens on Call Right Collateral securing the remaining Third Lien Notes Obligations and Second Lien Notes Obligations not so redeemed shall be subordinated to the Liens on the Call Right Collateral securing the First Lien Obligations as defined in, and in accordance with Section 2.1 of, the Junior Lien Intercreditor Agreement, (ii) the Call Right Collateral shall become Senior Priority Collateral (as defined in the Junior Lien Intercreditor Agreement) in support of the Obligations, (iii) the Call Right Collateral shall thereafter be subject to substantially similar

(8) Pricing. Any increase in yield on the Term Loans incurred on the Closing Date required pursuant to this Section 2.18(8) and resulting from the application of an Adjusted LIBO Rate or ABR “floor” on any Incremental Term Loans will be effected solely through an increase in such “floor” (or an implementation thereof, as applicable) in respect of the Term Loans. In determining whether the Incremental Yield on Incremental Term Loans exceeds the yield on the Term Loans incurred on the Closing Date by more than 50 basis points, such determination will take into account interest margins, minimum Adjusted LIBO Rate, minimum ABR, upfront fees and original issue discount on the applicable Term Loans, with upfront fees and original issue discount being equated to interest margins based on an assumed four year life to maturity, but will exclude any arrangement, syndication, structuring, commitment or other fees payable in connection therewith. Additional 2019 Extended Term Loans shall bear interest, at the election of each Additional 2019 Extended Term Loan Lender, at a rate equal to either (i) the rate applicable to the Cash Pay Extended Term Loans (such Additional 2019 Extended Term Loans, the “Cash Pay Additional 2019 Extended Term Loans”) or (ii) the rate applicable to the Cash Pay/PIK Extended Term Loans (such Additional 2019 Extended Term Loans, the “Cash Pay/PIK Additional 2019 Extended Term Loans”), as set forth in the Additional 2019 Extended Term Loans Amendment.

SECTION 2.19. Other Term Loans.

(1) Other Term Loans. Credit Agreement Refinancing Indebtedness may, at the election of the Borrowers, take the form of new Term Loans under an additional Term Facility hereunder (“Other Term Loans”) pursuant to a Refinancing Amendment. For the avoidance of doubt, Other Term Loans shall only be incurred if such Other Term Loans satisfy the requirements set forth in the definition of “Credit Agreement Refinancing Indebtedness”.

(2) Refinancing Amendments. The effectiveness of any Refinancing Amendment will be subject only to the satisfaction or waiver on the date thereof of each of the conditions set forth in Section 4.02 the following conditions: (i) the absence of any Default or Event of Default, (ii) a customary bring-down of each of the representations and warranties contained in Article III.
hereof, and (iii) such other customary conditions as may be requested by the providers of Other Term Loans, and the parties hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement will be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Other Term Loans incurred pursuant thereto (including any amendments necessary to treat the Term Loans subject thereto as Other Term Loans).

(3) **Required Consents.** Any Refinancing Amendment may, without the consent of any Person other than the Administrative Agent, the Borrowers and the Lenders or Additional Lenders providing Other Term Loans, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.19. This Section 2.19 supersedes any provisions in Section 10.08 to the contrary.

(4) **Providers of Other Term Loans.** Any Lender approached to provide all or a portion of Other Term Loans may elect or decline, in its sole discretion, to provide such Other Term Loans (it being understood that there is no obligation to approach any existing Lenders to provide Other Term Loans). The consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned) will be required in respect of any Person providing Other Term Loans if such consent would be required under Section 10.04 for an assignment of Term Loans to such Person. For the avoidance of doubt, any Affiliated Lender shall be permitted to provide all or a portion of Other Term Loans, subject to the applicable limitations set forth in Section 10.04(10) with respect to Term Loans held by Affiliated Lenders.

**SECTION 2.20. Extensions of Term Loans.**

(1) **Extension Offers.** Pursuant to one or more offers (each, an “Extension Offer”) made from time to time by the Borrowers to all Lenders of Term Loans with a like Maturity Date, the Borrowers may extend the Maturity Date of Term Loans and otherwise modify the terms of Term Loans pursuant to the terms set forth in the relevant Extension Offer (each, an “Extension,” and each group of Term Loans so extended, as well as the original Term Loans not so extended, being a “tranche”). Each Extension Offer will specify the minimum amount of Term Loans with respect to which an Extension Offer may be accepted, which will be an integral multiple of $1.0 million and an aggregate principal amount that is not less than $125.0 million (or (a) if less, the aggregate principal amount of such Term Loans or (b) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed), and will be made on a pro rata basis to all Lenders of Term Loans with a like Maturity Date. If the aggregate outstanding principal amount of Term Loans (calculated on the face amount thereof) in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Term Loans offered to be extended pursuant to an Extension Offer, then the Term Loans of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any “most favored nation” pricing provisions. Each Lender accepting an Extension Offer is referred to herein as an “Extending Term Lender,” and the Term Loans held by such Lender accepting an Extension Offer is referred to herein as “Extended Term Loans.”
Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (an “Extension Amendment”) with the Borrowers as may be necessary in order to establish new tranches in respect of Term Loans extended pursuant to an Extension Offer and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrowers in connection with the establishment of such new tranches. This Section 2.20 supersedes any provisions in Section 10.08 to the contrary. Except as otherwise set forth in an Extension Offer, there will be no conditions to the effectiveness of an Extension Amendment. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

Terms of Extension Offers and Extension Amendments. The terms of any Extended Term Loans will be set forth in an Extension Offer and as agreed between the Borrowers and the Extending Term Lenders accepting such Extension Offer; provided that:

(a) the final maturity date of such Extended Term Loans will be no earlier than the Latest Maturity Date of the Term Loans subject to such Extension Offer;

(b) the Weighted Average Life to Maturity of such Extended Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans subject to such Extension Offer;

(c) such Extended Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments of Term Loans;

(d) such Extended Term Loans are not secured by any assets or property that does not constitute Collateral;

(e) such Extended Term Loans are not guaranteed by any Subsidiary of the Borrowers (or any other Person) other than a Subsidiary Loan Party (or another Guarantor) (unless such entity becomes a Subsidiary Loan Party in connection with the incurrence of such Indebtedness); and

(f) except as to pricing terms (interest rate, fees, funding discounts and prepayment premiums) and maturity, the terms and conditions of such Extended Term Loans are substantially identical to, or, taken as a whole, no more favorable to the lenders or holders providing such Indebtedness than, those applicable to the Term Loans subject to such Extension Offer (or, in the case of any Non-Participating Term Loan Exchange Indebtedness, the 2019 Extended Term Loans), as determined in good faith by a Responsible Officer of the Lead Borrower.

Any Extended Term Loans will constitute a separate tranche of Term Loans from the Term Loans held by Lenders that did not accept the applicable Extension Offer.

Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or condition), the Borrowers and the applicable Extending Term Lender. The transactions contemplated by this Section 2.20 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans) shall be governed by the terms of this Agreement, as amended by the applicable Extension Amendment, by the terms of the other Loan Documents and by the terms of the applicable Extension Offer.
Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement (including Sections 2.08 and 2.15) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.20 will not apply to any of the transactions effected pursuant to this Section 2.20. For the avoidance of doubt, any Affiliated Lender shall be permitted to accept an Extension Offer and hold all or a portion of Extended Term Loans, subject to the applicable limitations set forth in Section 10.04(10) with respect to Term Loans held by Affiliated Lenders.

(5) 2019 Extended Term Loans. Notwithstanding anything to the contrary contained in this Agreement (including clauses (1) through (4) of this Section 2.20), from and after the Initial Amendment Effective Time (as defined in the 2019 Extension Amendment), the 2013 Term Loans of a 2019 Extending Term Lender may be converted into 2019 Extended Term Loans on the terms and conditions set forth in the 2019 Extension Amendment and as contemplated in this Agreement for any such 2019 Extended Term Loans.

SECTION 2.21. Repricing Event Joint and Several Liability of Borrowers.

(2) Each of the Borrowers, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers with respect to the payment and performance of all of the Obligations, it being the intention of the parties hereto that all of the Obligations are the joint and several obligations of each of the Borrowers without preferences or distinction among them.

(3) If and to the extent that any of the Borrowers fails to make any payment with respect to any of the Obligations hereunder as and when due or to perform any of such Obligations in accordance with the terms thereof, then in each such event, the other Borrowers will make such payment with respect to, or perform, such Obligation.

(4) The obligations of each Borrower under the provisions of this Section 2.21 constitute full recourse obligations of such Borrower, enforceable against it to the full extent of its properties and assets.

(5) Notwithstanding any provision to the contrary contained herein or in any other Loan Document, the obligations of each Borrower hereunder will be limited to an aggregate amount equal to the largest amount that would not render its obligations hereunder subject to avoidance under Section 548 of Title 11 of the United States Code, as now constituted or hereafter amended or any comparable provisions of any applicable state law.

SECTION 2.22. Designation of Lead Borrower. In the event that, prior to the first year anniversary of the Closing Date, the Borrower refinances or makes any prepayment of, or amends the terms of, Term Loans in connection with any Repricing Event, the Borrower will pay to the Administrative Agent, for the ratable account of each applicable Lender, a payment of 1.00% of the aggregate principal amount of the Term Loans so refinanced, prepaid or amended, as the case may be. Each Borrower hereby appoints the Lead Borrower to act as its exclusive agent for all
purposes under this Agreement and the other Loan Documents (including with respect to all matters related to the borrowing and repayment of
Term Loans as described in Article II hereof). Each Borrower (in such capacity) acknowledges and agrees that (1) the Lead Borrower may execute
such documents on behalf of all the Borrowers as the Lead Borrower deems appropriate in its sole discretion and each Borrower (in such capacity)
will be bound by and obligated by all of the terms of any such document executed by the Lead Borrower on its behalf, (2) any notice or other

Anything to the contrary notwithstanding, the obligations in clauses (1), (2), (3), (4) and (5) of this Section 5.04 may be satisfied with respect to financial information of the Borrowers and the Restricted Subsidiaries by furnishing (1) the applicable financial statements of Holdings (or any other Parent Entity) or (2) the Borrowers' or Holdings' (or any such other Parent Entity's), as applicable, Form 10-K or 10-Q or 8-K, as applicable, filed with the SEC; provided that with respect to each of the foregoing clauses of this paragraph (a) to the extent such information relates to Holdings (or a Parent Entity), such information is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to Holdings (or such Parent Entity), on the one hand, and the information relating to the Borrowers and the Restricted Subsidiaries on a standalone basis, on the other hand, and the information relating to the Borrowers and the Restricted Subsidiaries so long as such financial statements include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results.

(7) Notwithstanding anything herein to the contrary, (i) within 15 Business Days of the incurrence of any Indebtedness pursuant to Section 6.01(8) or otherwise (or such longer period agreed by the Required Lenders including through electronic means or e-mail), owing to Holdings, the Borrowers or any Restricted Subsidiary that is a Subsidiary Loan Party by any Restricted Subsidiary that is not a Guarantor, pledge such Indebtedness (other than Excluded Assets), including instruments and promissory notes, if any, evidencing such Indebtedness, and all interest, cash, instruments, and other property from time to time received, receivable or otherwise distributed in exchange for any or all of such Indebtedness, together with duly executed instruments of transfer with respect thereto endorsed in blank, to the Collateral Agent (or a designated bailee thereof), in each case in form and substance satisfactory to the Collateral Agent and (ii) within 15 Business Days of any Investments made (x) pursuant to Section 6.04(5) (or such longer period as the Collateral Agent agrees but not to exceed 25 Business Days unless otherwise agreed by the Required Lenders including through electronic means or e-mail), by any Loan Party in Restricted Subsidiaries that are not Guarantors and (y) pursuant to Section 6.04(28) (other than Excluded Equity Interests) acquired or obtained by a Loan Party in connection with such Investment, deliver all certificates (if any) representing such Equity Interests, together with stock powers or other instruments of transfer with respect thereto endorsed in blank, to the Collateral Agent (or a
designated bailee thereof), in each case in form and substance satisfactory to the Collateral Agent.

(8) Notwithstanding anything herein to the contrary, (i) within 15 Business Days of the contribution of any Non-Mortgageable Lease to a PropCo Guarantor (or such longer period as the Collateral Agent agrees but not to exceed 25 Business Days unless otherwise agreed by the Required Lenders including through electronic means or e-mail), the applicable PropCo Guarantor receiving such Non-Mortgageable Lease shall grant a lease or license with respect to such contributed Non-Mortgageable Lease, substantially in the form of Exhibit C or such other form that is approved by the Collateral Agent in consultation with the Lenders and reasonably satisfactory to the Lead Borrower (a “PropCo Operating License”) to each applicable Subsidiary of Holdings to operate on the relevant 2019 Extended Term Loan PropCo Asset or Notes PropCo Asset contributed to such PropCo Guarantor, as applicable, and (ii) from and after the Amendment No. 2 Effective Date, each of 2019 Extended Term Loan PropCo, Notes PropCo, and the Loan Parties shall at all times maintain, preserve, and keep in full force and effect without any amendment thereto that would adversely affect the Lenders in any material respect the PropCo Operating Licenses with respect to any Non-Mortgageable Lease that remains in existence on or after the Amendment No. 2 Effective Date.

(9) Notwithstanding anything herein to the contrary, in the event any MYT Entity is required to be contributed to Holdings or its Subsidiaries, 100% of the Equity Interests of the top-tier MYT Entity (the “Contributed MYT Equity Interests”) held by Holdings or any Subsidiary Loan Party immediately following such contribution shall be required to be pledged as Collateral to the Collateral Agent to secure the 2019 Extended Term Loan Obligations, the 2028 Debentures Obligations and Non-Participating Term Loan Exchange Obligations (if any) on a first-priority basis; provided, however, that notwithstanding the foregoing, such pledge of Contributed MYT Equity Interests shall not affect the MYT Waterfall contemplated herein or the “Distributions Upon Realizations of Value by MYT HoldCo” contemplated in the Offering Circular; provided, further, however that in the event such Contributed MYT Equity Interests are distributed in accordance with clause (12) of Section 6.06, then any such equity pledges or Liens granted on such Contributed MYT Equity Interests contemplated by this Section 5.10(9) shall be automatically and immediately released without any further action by any party.

In addition, to the extent required under the laws of any jurisdiction other than the United States, each of the Lenders hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender’s behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. such Subagents) were an “Agent” under the Loan Documents, as if set forth in full herein with respect thereto.

(3) Each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Hedge Agreements) irrevocably authorizes the Administrative Agent, at its option and in its discretion:

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(3).

Upon request by the Administrative Agent at any time, the Required Lenders or Required 2019 Extending Term Lenders, as applicable, will confirm in writing the Administrative Agent’s authority to release its interest in particular types or items of property, or to release any Loan Party from its obligations under the Loan Documents.

Nothing contained herein shall

166
be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

(5) The Lenders and each other holder of an Obligation under a Loan Document shall act collectively through the Administrative Agent with respect to the Obligations and the Loan Documents. Without limiting the delegation of authority to the Administrative Agent set forth herein, the Required Lenders shall direct the Administrative Agent with respect to the exercise of rights and remedies hereunder and under other Loan Documents (including with respect to alleging the existence or occurrence of, and exercising rights and remedies as a result of, any Default or Event of Default in each case that could be waived with the consent of the Required Lenders), and the exercise of rights and remedies with respect to (i) the Recapitalization Transactions (as defined in Section 10.22(7)), (ii) any Released Claim (as defined herein and released pursuant to Section 10.22), (iii) the Term Loans and any securities, notes, or other interests issued pursuant to this Agreement or the Existing Credit Agreement, and (iv) any Collateral with respect to the Obligations. Any such rights and remedies shall not be exercised other than through the Administrative Agent; provided that None of the foregoing shall not preclude any Lender from exercising any right of set-off in accordance with the provisions of Section 10.06 or from exercising rights and remedies (other than the enforcement of Collateral) with respect to any payment default after the occurrence of the Maturity Date with respect to any Term Loans made by it.

SECTION 9.02. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of the agents or attorneys-in-fact selected by it with reasonable care. The Administrative Agent may also from time to time, when the Administrative Agent deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a “Subagent”) with respect to all or any part of the Collateral; provided that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by the Administrative Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects in accordance with the foregoing provisions of this Section 9.02 in the absence of the Administrative Agent’s gross negligence or willful misconduct.

SECTION 9.03. Exculpatory Provisions. None of the Administrative Agent, its Affiliates or any of their respective officers, directors, employees, agents or attorneys-in-fact shall be (1) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such
Person’s own gross negligence or willful misconduct) or (2) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (1) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (2) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of its Affiliates that is communicated to or obtained by the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into:

(1) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document;
(2) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith;
(3) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default;
(4) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents;
(5) the value or the sufficiency of any Collateral; or
(6) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 9.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed in good faith by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed in good faith by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Borrowing that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to such Borrowing. The Administrative Agent may consult with legal counsel (including counsel to Holdings or the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all
purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders or the Required 2019 Extending Term Lenders, as applicable (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or the Required 2019 Extending Term Lenders, as applicable (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Term Loans.

SECTION 9.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received written notice from a Lender, Holdings or the Lead Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default.” In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

SECTION 9.06. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by the Administrative Agent hereafter taken, including any review of the affairs of a Loan Party or any Affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by the Administrative Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates and made its own decision to make its Term Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any Affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

SECTION 9.07. Indemnification. The Lenders agree to indemnify each Agent (to the extent not reimbursed by the Borrowers and without limiting the obligation of the Borrowers to do so), in the amount of its pro rata share (based on its aggregate outstanding Term Loans) (determined at the time such indemnity is sought), from and against any and all liabilities,
obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Term Loans) be imposed on, incurred by or asserted against the Administrative Agent in any way relating to or arising out of the Original Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from the Administrative Agent’s gross negligence or willful misconduct. The failure of any Lender to reimburse the Administrative Agent promptly upon demand for its ratable share of any amount required to be paid by the Lenders to the Administrative Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse the Administrative Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse the Administrative Agent for such other Lender’s ratable share of such amount. The agreements in this Section 9.07 shall survive the payment of the Term Loans and all other amounts payable hereunder.

SECTION 9.08.  Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though the Administrative Agent were not the Administrative Agent. With respect to its Term Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not the Administrative Agent, and the terms “Lender” and “Lenders” shall include each Agent in its individual capacity.

SECTION 9.09.  Successor Agent. The Administrative Agent (i) may resign as Administrative Agent upon ten days’ notice to the Lenders and the Lead Borrower or (ii) if so directed by the Required Lenders, shall resign, upon ten days’ prior written notice (or such shorter period as agreed to by the Required Lenders and Lead Borrower) by the Required Lenders to the Administrative Agent and the Lead Borrower. If the Administrative Agent resigns as the Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall have the same rights and powers under this Agreement and the other Loan Documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from the Administrative Agent’s gross negligence or willful misconduct. The failure of any Lender to reimburse the Administrative Agent promptly upon demand for its ratable share of any amount required to be paid by the Lenders to the Administrative Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse the Administrative Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse the Administrative Agent for such other Lender’s ratable share of such amount. The agreements in this Section 9.07 shall survive the payment of the Term Loans and all other amounts payable hereunder.
such successor agent is Cortland Capital Markets, Wilmington Trust, N.A. or Ankura Trust Company, LLC or any of their respective Affiliates) be subject to approval by the Borrowers (which approval shall not be unreasonably withheld or delayed). After any retiring Administrative Agent’s resignation as Administrative Agent, the provisions of this Section 9.09 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

SECTION 9.10. Arrangers and Co-Managers. None of the Arrangers or Co-Managers will have any duties, responsibilities or liabilities hereunder in their respective capacities as such.

(2) Notices and other communications to the Lenders may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Lead Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(3) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by facsimile shall be deemed to have been given when sent and confirmation of transmission received (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in Section 10.01(2) shall be effective as provided in such Section 10.01(2).

(4) Any party hereto may change its address, facsimile number or e-mail address for notices and other communications hereunder by notice to the other parties hereto.
Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 10.17) and if so delivered, shall be deemed to have been delivered on the date (a) on which the Lead Borrower posts such documents or provides a link thereto on the Borrowers' website on the Internet at the website address listed on Schedule 10.01 or (b) on which such documents are posted on the Borrowers' behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided that the Lead Borrower shall notify the Administrative Agent (by facsimile or e-mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents; provided, further, that, upon reasonable request by the Administrative Agent, the Lead Borrower shall also provide a hard copy to the Administrative Agent of any such document; provided, further, that any documents posted for which a link is provided after normal business hours for the recipient shall be deemed to have been given at the opening of business on the next Business Day for such recipient. The Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Loan Parties with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

SECTION 10.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document will be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Term Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such Persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Term Loan or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.12, 2.14 and 10.05) shall survive the payment in full of the principal and interest hereunder and the termination of the Commitments or this Agreement.

SECTION 10.03. Binding Effect. This Agreement shall become effective when the 2019 Extension Amendment has been executed by Holdings, Merger Sub, the Borrowers and the Administrative Agent and when the Administrative Agent has received copies thereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrowers, the other Loan Parties, each Agent, each Lender and their respective permitted successors and assigns.

SECTION 10.04. Successors and Assigns.

(1) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (a) the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrowers without such consent shall be null and void), except to the Company pursuant to the Merger, and (b) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 10.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto,
their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (3) of this Section 10.04) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(2) (a) Subject to the conditions set forth in paragraph (2)(b) of this Section 10.04 (and, with respect to an assignment to Holdings, the Borrower, any Subsidiary or any of their respective Affiliates, any Affiliated Lender, subject to the limitations set forth in Section 10.04(10) or 10.04(14), as applicable), any Lender may assign to one or more assignees (other than a natural person or a Defaulting Lender) (each, an “Assignee”) all or a portion of its rights and obligations under this Agreement (including all or a portion of the Term Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, delayed or conditioned) of:

(i) the Lead Borrower; provided that no consent of the Lead Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if a Specified Event of Default has occurred and is continuing, any other Person; provided, further, that such consent shall be deemed to have been given if the Lead Borrower has not responded within ten Business Days after delivery of a written request therefor by the Administrative Agent; and

(ii) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

(b) Assignments shall be subject to the following additional conditions:

(i) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s Term Loans, the amount of the Term Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1.0 million, unless each of the Borrower and the Administrative Agent otherwise consent; provided that (1) no such consent of the Borrowers shall be required if a Specified Event of Default has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Approved Funds being treated as one assignment for purposes of meeting the minimum assignment amount requirement), if any;

(ii) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(iii) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required to be delivered pursuant to Section 2.14; and

173
the Assignor shall deliver to the Administrative Agent any Note issued to it with respect to the assigned Term Loan.

For the purposes of this Section 10.04, “Approved Fund” means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(c) Subject to acceptance and recording thereof pursuant to paragraph (2)(e) of this Section 10.04, from and after the effective date specified in each Assignment and Acceptance, the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.12, 2.13, 2.14 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such Assignment and Acceptance). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (4) of this Section 10.04 to the extent such participation would be permitted by such Section 10.04(4).

(d) The Administrative Agent, acting for this purpose as the Administrative Agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the principal amount (and stated interest with respect thereto) of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender (solely with respect to such Lender’s Term Loans) at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee’s completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, any Note outstanding with respect to the assigned Term Loan, the processing and recordation fee referred to in paragraph (2)(b)(ii) of this Section 10.04 and any written consent to such assignment required by paragraph (2) of this Section 10.04, the Administrative Agent promptly shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (2)(e).

By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows:
such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim;

except as set forth in clause (a) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of Holdings, the Borrowers or any Restricted Subsidiary or the performance or observance by Holdings, the Borrowers or any Restricted Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto;

c) the Assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance;

d) the Assignee confirms that it has received a copy of this Agreement, together with copies of the most recent Required Financial Statements delivered pursuant to Section 5.04, and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance;

e) the Assignee will independently and without reliance upon the Administrative Agent or the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement;

f) the Assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent by the terms of this Agreement, together with such powers as are reasonably incidental thereto; and

g) the Assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(a) Any Lender may, without the consent of the Administrative Agent or, subject to Section 10.04(8), the Borrowers, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of the Term Loans owing to it); provided that

(i) such Lender’s obligations under this Agreement shall remain unchanged;

(ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and

(iii) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement.

Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and, to approve any amendment, modification or waiver of any provision of this

175
Agreement and the other Loan Documents, and to exercise any right or remedy with respect to the Term Loans and any securities, notes, or other interests issued pursuant to this Agreement or the Existing Credit Agreement, and any Collateral, provided that (A) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to Section 10.04(1)(a) or clauses (i), (ii), (iii), (iv), (v) or (vi) of the first proviso to Section 10.08(2) and (2) directly affects such Participant and (B) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to clause (4)(b) of this Section 10.04, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.12, 2.13 and 2.14 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (2) of this Section 10.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.06 as though it were a Lender; provided that such Participant shall be subject to Section 2.15(3) as though it were a Lender. Any Participant that seeks to receive the foregoing benefits under Sections 2.12, 2.13, 2.14 or 10.06 must act through the Lender that sold the participation to the Participant, and such Lender must comply with all other requirements for seeking such benefits, including complying with Section 9.01(5) of this Agreement. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Term Loans or other obligations under the Loan Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. Each Lender shall indemnify the Loan Parties for any Taxes (including any additions to Tax) attributable to or resulting from such Lender’s failure to comply with the provisions of this Section 10.04(4)(a) relating to the maintenance of a Participant Register.

(b) A Participant shall not be entitled to receive any greater payment under Section 2.12, 2.13 or 2.14 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Lead Borrower’s prior written consent. A Participant shall not be entitled to the benefits of Section 2.14 to the extent such Participant fails to comply with Section 2.14(5) as though it were a Lender.

(5) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 10.04 shall not apply to any such pledge or assignment of a security interest; provided that no such
pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(6) The Borrowers, upon receipt of written notice from the relevant Lender, agree to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (5) of this Section 10.04.

(7) If the Borrowers wishes to replace the Term Loans with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days’ advance notice to the Lenders, instead of prepaying the Term Loans to be replaced, to (a) require the Lenders to assign such Term Loans to the Administrative Agent or its designees and (b) amend the terms thereof in accordance with Section 10.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 10.08(4)). Pursuant to any such assignment, all Term Loans to be replaced shall be purchased at par (allocated among the Lenders in the same manner as would be required if such Term Loans were being optionally prepaid), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 10.05(2). By receiving such purchase price, the Lenders shall automatically be deemed to have assigned the Term Loans pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (7) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(8) Notwithstanding the foregoing, no assignment may be made or participation sold to a Disqualified Institution without the prior written consent of the Borrowers; provided that, in connection with a participation, the Lenders shall have received a list of the Disqualified Institutions prior to the execution of such participation right.

(9) Notwithstanding anything to the contrary contained herein, no Non-Debt Fund Affiliate shall have any right to:

(a) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of Holdings or the Borrowers are not then present;

(b) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among Administrative Agent and one or more Lenders, except to the extent such information or materials have been made available to the Borrowers or their representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Term Loans required to be delivered to Lenders pursuant to this Agreement); or

(c) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against Administrative Agent or any other Lender with respect to any duties or obligations or alleged duties or obligations of such Agent or any other such Lender under the Loan Documents in the absence, with respect to any such Person, of the gross negligence, bad faith (including a material breach of obligations under the Loan Documents) or willful misconduct by such Person and its Related Parties (as determined by a court of competent jurisdiction by final and non-appealable judgment).
Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Term Loans hereunder to any Person who, after giving effect to such assignment, would be an Affiliated Lender; provided that:

(a) such assignment shall be made pursuant to (i) an open market purchase (including, for the avoidance of doubt, any purchase made during the initial syndication of the Term Loans) on a non-pro rata basis or (ii) a Dutch Auction open to all Lenders of the applicable Class on a pro rata basis;

(b) in the case of an assignment to a Non-Debt Fund Affiliate, the assigning Lender and such Non-Debt Fund Affiliate purchasing such Lender’s Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit E (a “Non-Debt Fund Affiliate Assignment and Acceptance”) in lieu of an Assignment and Acceptance;

(c) in the case of an assignment to a Non-Debt Fund Affiliate, at the time of such assignment and after giving effect to such assignment, Non-Debt Fund Affiliates shall not, in the aggregate, hold Term Loans and participating interests in Term Loans with an aggregate principal amount in excess of 30.0% of the principal amount of all Term Loans (including, for the avoidance of doubt, any Incremental Term Loans, Other Term Loans or Extended Term Loans, if any) then outstanding;

(d) in the case of an assignment to a Non-Debt Fund Affiliate, each Non-Debt Fund Affiliate shall at each of the time of its execution of a written trade confirmation in respect of, and at the time of consummation of, such assignment either (i) make a No MNPI Representation or (ii) if it is not able to make the No MNPI Representation, inform the assignor and the assignor will deliver to such Non-Debt Fund Affiliate customary written assurance that it is a sophisticated investor and is willing to proceed with the assignment;

(e) no proceeds from revolving loans under the ABL Credit Agreement shall be used to fund any such purchases; and

(f) in the case of an assignment to a Non-Debt Fund Affiliate, if such Non-Debt Fund Affiliate subsequently assigns the Term Loans acquired by it in accordance with this Section 10.04(10), such Non-Debt Fund Affiliate shall at the time of such assignment of such Term Loans held by it either (i) affirm the No MNPI Representation or (ii) if it is not able to affirm the No MNPI Representation, inform the assignor and the assignor will deliver to such Non-Debt Fund Affiliate customary written assurance that it is a sophisticated investor and is willing to proceed with the assignment.

To the extent not previously disclosed to the Administrative Agent, the Borrowers shall, upon reasonable request of the Administrative Agent (but not more frequently than once per calendar quarter), report to the Administrative Agent the amount and Class of Term Loans held by Non-Debt Fund Affiliates and the identity of such holders. Notwithstanding the foregoing, any Affiliated Lender shall be permitted to contribute any Term Loan so assigned to such Affiliated Lender pursuant to this Section 10.04(10) to Holdings or any of the Restricted Subsidiaries for purposes of cancellation, which contribution may be made, subject to Section 6.07, in exchange for Equity Interests (other than Disqualified Stock) of any Parent Entity or Indebtedness of the Borrowers to the extent such Indebtedness is permitted to be incurred pursuant to Section 6.01 at such time; provided that any Term Loans so contributed shall be automatically and
permanently canceled upon the effectiveness of such contribution and will thereafter no longer be outstanding for any purpose hereunder.

(12) Notwithstanding anything in Section 10.04 or the definition of “Required Lenders” or “Required 2019 Extending Term Lenders” to the contrary, for purposes of determining whether the Required Lenders, all affected Lenders or all Lenders have:

(a) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom;

(b) otherwise acted on any matter related to any Loan Document; or

(c) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document (collectively, “Required Lender Consent Items”):

(i) a Non-Debt Fund Affiliate shall be deemed to have voted its interest as a Lender in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Non-Debt Fund Affiliates, unless such Required Lender Consent Item requires the consent of each Lender or each affected Lender or the result of such Required Lender Consent Item would reasonably be expected to deprive such Non-Debt Fund Affiliate of its pro rata share (compared to Lenders which are not Non-Debt Fund Affiliates) of any payments to which such Non-Debt Fund Affiliate is entitled under the Loan Documents without such Non-Debt Fund Affiliate providing its consent or such Non-Debt Fund Affiliate is otherwise adversely affected thereby compared to Term Loan Lenders which are not Non-Debt Fund Affiliates (in which case for purposes of such vote such Non-Debt Fund Affiliate shall have the same voting rights as other Term Loan Lenders which are not Non-Debt Fund Affiliates); and

(ii) Term Loans held by Debt Fund Affiliates may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 10.04.

(13) Additionally, the Loan Parties and each Non-Debt Fund Affiliate hereby agree that, and each Non-Debt Fund Affiliate Assignment and Acceptance by a Non-Debt Fund Affiliate shall provide a confirmation that, if a case under Title 11 of the United States Code is commenced against any Loan Party, such Loan Party shall seek (and each Non-Debt Fund Affiliate shall consent) to provide that the vote of any Non-Debt Fund Affiliate (in its capacity as a Lender) with respect to any plan of reorganization of such Loan Party shall not be counted except that such Non-Debt Fund Affiliate’s vote (in its capacity as a Lender) may be counted to the extent any such plan of reorganization proposes to treat the Obligations or claims held by such Non-Debt Fund Affiliate in a manner that is less favorable to such Non-Debt Fund Affiliate than the proposed treatment of the Term Loans or claims held by Lenders that are not Affiliates of the Borrower.

(14) Notwithstanding anything to the contrary contained in this Agreement, any Lender may assign all or a portion of its Term Loans to any Purchasing Borrower Party; provided that.
(a) the assigning Lender and the Purchasing Borrower Party purchasing such Lender’s Term Loans, as applicable, shall execute and deliver to the Administrative Agent a Non-Debt Fund Affiliate Assignment and Acceptance in lieu of an Assignment and Acceptance;

(b) such assignment shall be made pursuant to (i) an open market purchase (including, for the avoidance of doubt, any purchase made during the initial syndication of the Term Loans) on a non-pro rata basis or (ii) a Dutch Auction open to all Lenders of the applicable Class on a pro rata basis;

(c) any Term Loans assigned to any Purchasing Borrower Party shall be automatically and permanently cancelled upon the effectiveness of such assignment and will thereafter no longer be outstanding for any purpose hereunder;

(d) at the time of and immediately after giving effect to any such purchase, no Event of Default shall exist;

(e) the applicable Purchasing Borrower Party shall at each of the time of its execution of a written trade confirmation in respect of, and at the time of consummation of, such assignment either (i) make a No MNPI Representation or (ii) if it is not able to make the No MNPI Representation, inform the assignor and the assignor will deliver to such Non-Debt Fund Affiliate customary written assurance that it is a sophisticated investor and is willing to proceed with the assignment; and

(f) the aggregate outstanding principal amount of the Term Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans purchased pursuant to this Section 10.04(14) and each principal repayment installment with respect to the Term Loans of such Class shall be reduced pro rata by the aggregate principal amount of Term Loans purchased.

SECTION 10.05. Expenses; Indemnity.

(1) If the Recapitalization Transactions are consummated and the Closing Amendment No. 2 Effective Date occurs, the Borrowers agree to pay all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent and the Arrangers in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent (and, in the case of enforcement of this Agreement, each Lender) in connection with the preparation, execution and delivery, amendment, modification, waiver or enforcement of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Borrowers or provided for in this Agreement) or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof, including the reasonable, documented and invoiced fees, charges and disbursements of a single counsel for the Administrative Agent and the Arrangers (which shall be Cravath, Swaine & Moore LLP) and a separate single counsel for the Required 2019 Extending Term Lenders, one firm of local counsel for the Administrative Agent in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and, in the
case of any actual or perceived conflict of interest, one additional firm of counsel for the Administrative Agent, the Arrangers Required 2019 Extending Term Lenders and, in the case of enforcement of this Agreement, the Lenders.

(2) Each Borrower agrees to indemnify the Administrative Agent, each Arranger, each Lender, each of their respective Affiliates and each of their respective successors and permitted assigns (each such Person being called an “Indemnitee”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and reasonable, documented and invoiced out-of-pocket fees and expenses (limited to reasonable and documented legal fees of a single firm of counsel for all Indemnitees, taken as a whole, and, if necessary, one firm of counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all Indemnitees taken as a whole (and, in the case of an actual or perceived conflict of interest, where the Indemnitee affected by such conflict informs the Lead Borrower of such conflict and thereafter retains its own counsel, of an additional counsel for each group of affected Indemnitees similarly situated, taken as a whole)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of:

(a) the execution or delivery of this Agreement or any other Loan Document, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Recapitalization Transactions, the MyTheresa Designation, the MyTheresa Distribution, the Nancy Transaction (as defined in Section 10.22) and the other transactions contemplated hereby and thereby;

(b) the use of the proceeds of the Term Loans; or

(c) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrowers or any of their Restricted Subsidiaries or Affiliates.

provided that no Indemnitee will be indemnified for any loss, claim, damage, liability, cost or expense to the extent it (i) has been determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (A) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties or (B) a material breach of the obligations of such Indemnitee under the Loan Documents or (ii) relates to any proceeding between or among Indemnitees other than (A) claims against Administrative Agent or Arrangers or their respective Affiliates, in each case, in their capacity or in fulfilling their role as the agent or arranger or any other similar role under the Term Facility (excluding their role as a Lender) to the extent such Persons are otherwise entitled to receive indemnification under this paragraph (2) or (B) claims arising out of any act or omission on the part of Holdings, the Borrowers or their Restricted Subsidiaries.

(3) Subject to and without limiting the generality of the foregoing sentence, the Borrowers agree to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable, documented and invoiced fees, charges and disbursements of one firm of counsel for all Indemnitees, taken as a whole, and, if necessary, one firm of counsel in each appropriate jurisdiction (which may include a single special counsel in multiple jurisdictions) for all Indemnitees taken as a whole (and, in the case of an actual or perceived conflict of interest, an
additional counsel for all Indemnitees taken as a whole) and reasonable, documented and invoiced consultant fees, in each case, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of any claim related to Environmental Laws and the Borrowers or any of the Restricted Subsidiaries, or any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on or from any property for which the Borrowers or any Restricted Subsidiaries would reasonably be expected to be held liable under Environmental Laws; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties.

(4) Any indemnification or payments required by the Loan Parties under this Section 10.05 shall not apply with respect to (a) Taxes other than (x) any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim and (y) expenses related to the enforcement of Section 2.14 or (b) Taxes that are duplicative of any indemnification or payments required by the Loan Parties under Section 2.14.

(5) To the fullest extent permitted by applicable law, Holdings and the Borrowers shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Term Loan and the use of the proceeds thereof, the Recapitalization Transactions, the MyTheresa Designation, the MyTheresa Distribution, the Nancy Transaction (as defined in Section 10.22) and the other transactions contemplated hereby and thereby. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(6) The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement. All amounts due under this Section 10.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

SECTION 10.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Lender to or for the credit or the account of Holdings or any Subsidiary Loan Party against any of and all the Obligations of Holdings or any Subsidiary Loan Party now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the Obligations may be unmatured. The rights of each Lender under this Section 10.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may be exercised only at the direction of the Administrative Agent or the Required Lenders.
SECTION 10.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN THE OTHER LOAN DOCUMENTS) AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (EXCEPT FOR CONFLICTS OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION).

SECTION 10.08. Waivers; Amendment.

(1) No failure or delay of the Administrative Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (2) of this Section 10.08, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such Person to any other or further notice or demand in similar or other circumstances.

(2) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except

(a) as provided in Sections 2.18, 2.19 and 2.20;

(b) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower and the Required Lenders; and

(c) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Administrative Agent and consented to by the Required Lenders;

provided, however, that except as provided in Sections 2.18, 2.19 and 2.20, no such agreement shall:

(i) decrease, forgive, waive or excuse the principal amount of, or any interest on, or extend the final maturity of, or decrease the rate of interest on, any Term Loan beyond the Maturity Date, without the prior written consent of each Lender directly affected thereby;

(ii) increase or extend the Commitment of any Lender or decrease, forgive, waive or excuse the fees of any Agent without the prior written consent of such Lender or Agent (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default shall not constitute an increase of the Commitments of any Lender);
(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of principal or interest on any Term Loan or any Fee is due, without the prior written consent of each Lender adversely affected thereby;

(iv) amend the provisions of Section 2.15(2) or (3) of this Agreement, Section 5.02 of the Collateral Agreement or any analogous provision of any other Loan Document, in a manner that would by its terms alter the pro rata sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby;

(v) amend or modify the provisions of this Section 10.08 or the definition of the term “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Term Loans are included on the Closing Date); or

(vi) release a material portion of the Collateral, unless pursuant to a transaction permitted by this Agreement, or release any of Holdings, the Borrower or any of the other Subsidiary Loan Parties from their respective Guarantees under the Collateral Agreement, unless, in the case of a Subsidiary Loan Party (other than the Borrower), all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender;

provided that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 10.08 and any consent by any Lender pursuant to this Section 10.08 shall bind any assignee of such Lender.

(3) Without the consent of the Administrative Agent or any Lender, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(4) This Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.
Notwithstanding anything in this Agreement or any other Loan Document to the contrary, the Borrower may enter into Incremental Facility Amendments in accordance with Section 2.18, Refinancing Amendments in accordance with Section 2.19, Extension Amendments in accordance with Section 2.20 and Refinancing Amendments, and such Incremental Facility Amendments, Refinancing Amendments, Extension Amendments and Refinancing Amendments shall be effective to amend the terms of this Agreement and the other applicable Loan Documents, in each case, without any further action or consent of any other party to any Loan Document.

Notwithstanding the foregoing, any amendment or waiver that by its terms affects the rights or duties of Lenders holding Term Loans or Commitments of a particular Class (but not the Lenders holdings Term Loans or Commitments of any other Class) will require only the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto if such Class of Lenders were the only Class of Lenders.

Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent to the extent necessary to integrate any Incremental Facilities on substantially the same basis as the Term Loans, as applicable.

Notwithstanding the foregoing, the Administrative Agent, with the consent of the Borrower, may amend, modify or supplement any Loan Document without the consent of any Lender or the Required Lenders in order to correct, amend or cure any ambiguity, inconsistency or defect or correct any typographical error or other manifest error in any Loan Document, and such amendment, modification or supplement shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

SECTION 10.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the “Charges”), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate; provided that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation. In no event will the total interest received by any Lender exceed the amount which it could lawfully have received and any such excess amount received by any Lender will be applied to reduce the principal balance of the Term Loans or to other amounts (other than interest) payable hereunder to such Lender, and if no such principal or other amounts are then outstanding, such excess or part thereof remaining will be paid to the Borrowers.

SECTION 10.10. Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.
SECTION 10.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.11.

SECTION 10.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 10.13. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 10.03. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission (e.g., “PDF” or “TIFF”) shall be as effective as delivery of a manually signed original.

SECTION 10.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 10.15. Jurisdiction; Consent to Service of Process.

(1) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York County, and any appellate court from any thereof (collectively, “New York Courts”), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State court or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any other court than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.
Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 10.16. Confidentiality. Each of the Lenders and each of the Agents agrees (and agrees to cause each of its Affiliates) to use all information provided to it by or on behalf of Holdings, the Borrowers or its Restricted Subsidiaries under the Loan Documents or otherwise in connection with the Merger or the Original Transactions and the Recapitalization Transactions solely for the purposes of the transactions contemplated by this Agreement and the other Loan Documents and shall not publish, disclose or otherwise divulge such information (other than information that

(1) has become generally available to the public other than as a result of a disclosure by such party;

(2) has been independently developed by such Lender or the Administrative Agent without violating this Section 10.16; or

(3) was available to such Lender or the Administrative Agent from a third party having, to such Person’s knowledge, no obligations of confidentiality to Holdings, the Borrowers or any other Loan Party);

and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know or to any Person that approves or administers the Term Loans on behalf of such Lender or any numbering, administration or settlement service providers (so long as each such Person shall have been instructed to keep the same confidential in accordance with this Section 10.16), except:

(a) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, in which case such Person agrees, to the extent practicable and not prohibited by applicable law, to inform you promptly thereof prior to disclosure;

(b) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or any bank accountants or bank regulatory authority exercising examination or regulatory authority, in which case (except with respect to any audit or examination conducted by any such bank accountant or bank regulatory authority) such Person agrees, to the extent practicable and not prohibited by applicable law, to inform you promptly thereof prior to disclosure;

(c) to its parent companies, Affiliates or auditors (so long as each such Person shall have been instructed to keep the same confidential in accordance with this Section 10.16);

(d) in order to enforce its rights under any Loan Document in a legal proceeding;

(e) to any pledgee or assignee under Section 10.04(5) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such Person shall have been instructed to keep the same confidential in accordance with this Section 10.16); and
to any direct or indirect contractual counterparty in Hedge Agreements or such contractual counterparty’s professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 10.16).

Notwithstanding the foregoing, no such information shall be disclosed to a Disqualified Institution that constitutes a Disqualified Institution at the time of such disclosure without the Lead Borrower’s prior written consent.

SECTION 10.17. Platform; Borrower Materials. Each Borrower hereby acknowledges that (1) the Administrative Agent or the Arrangers will make available to the Lenders materials or information provided by or on behalf of the Borrowers hereunder (collectively, “Borrower Materials”) by posting the Borrower Materials on IntraLinks or another similar electronic system (the “Platform”), and (2) certain of the Lenders may be “public-side” Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrowers or their securities) (each, a “Public Lender”). The Borrowers hereby agree that they will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that

(a) all the Borrower Materials shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, means that the word “PUBLIC” shall appear prominently on the first page thereof;

(b) by marking Borrower Materials “PUBLIC,” the Borrowers shall be deemed to have authorized the Administrative Agent, the Arrangers and the Lenders to treat the Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrowers or their securities for purposes of United States Federal and state securities laws;

(c) all Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated “Public Investor;” and

(d) the Administrative Agent and the Arrangers shall be entitled to treat the Borrower Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not designated “Public Investor.”

Notwithstanding the foregoing, the following Borrower Materials shall be deemed to be marked “PUBLIC” unless the Borrowers notify the Administrative Agent that any such document contains MNPI: (1) the Loan Documents, (2) any notification of changes in the terms of the Term Loans, (3) any notification of the identity of Disqualified Institutions and (4) all information delivered pursuant to clauses (1), (2) and (3) of Section 5.04.

SECTION 10.18. Release of Liens and Guarantees. In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise disposes of all or any portion of any of the Equity Interests or assets of any Loan Party (other than Equity Interests of the Lead Borrower) to a Person that is not (and is not required to become) a Loan Party in a transaction not prohibited by Section 6.05, any Liens created by any Loan Document in respect of such Equity Interests or assets shall be automatically released and the Administrative Agent shall promptly (and the Lenders hereby authorize the Administrative Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrowers and at the Borrowers’ expense in connection with the release of any
Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Loan Party (other than the Lead Borrower) in a transaction permitted by Section 6.05 (including through merger, consolidation, amalgamation or otherwise) and as a result of which such Subsidiary Loan Party would cease to be a Restricted Subsidiary, such Subsidiary Loan Party’s obligations under the Collateral Agreement shall be automatically terminated and the Administrative Agent shall promptly (and the Lenders hereby authorize the Administrative Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrowers to terminate such Subsidiary Loan Party’s obligations under the Collateral Agreement. In addition, the Administrative Agent agrees to take such actions as are reasonably requested by Holdings or the Borrowers to terminate such Subsidiary Loan Party’s obligations under the Collateral Agreement. In addition, the Administrative Agent agrees to take such actions as are reasonably requested by Holdings or the Borrowers and at the Borrowers’ expense to terminate the Liens and security interests created by the Loan Documents when all the Obligations (other than Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted) are paid in full and the Commitments are terminated.

SECTION 10.19. USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender to identify each Loan Party in accordance with the USA PATRIOT Act.

SECTION 10.20. Security Documents and Intercreditor Agreements. (a) The parties hereto acknowledge and agree that any provision of any Loan Document to the contrary notwithstanding, prior to the discharge in full of all ABL Claims, the Loan Parties shall not be required to act or refrain from acting under any Security Document with respect to the ABL Priority Collateral in any manner that would result in a “Default” or “Event of Default” (as defined in any ABL Loan Document) under the terms and provisions of the ABL Loan Documents. Each Lender hereunder:

(1) consents to the subordination of Liens provided for in the ABL/Term Loan/Notes Intercreditor Agreement and the Junior Lien Intercreditor Agreement;

(2) agrees that it will be bound by and will take no actions contrary to the provisions of the ABL/Term Loan/Notes Intercreditor Agreement or the Junior Lien Intercreditor Agreement; and

(3) authorizes and instructs the Administrative Agent to enter into the ABL/Term Loan/Notes Intercreditor Agreement and the Junior Lien Intercreditor Agreement as Term Loan Agent and on behalf of such Lender.

The foregoing provisions are intended as an inducement to the lenders under the ABL Credit Agreement to extend credit and such lenders are intended third party beneficiaries of such provisions and the provisions of the Intercreditor Agreement. The parties hereto authorize the Administrative Agent to enter into any First Lien Intercreditor Agreement or Junior Lien Intercreditor Agreement in the form attached hereto or in such other form as may be satisfactory to the Administrative Agent. The Administrative Agent may from time to time enter into a modification of the Intercreditor Agreement, any First Lien ABL/Term Loan/Notes Intercreditor Agreement or the Junior Lien Intercreditor Agreement, as the case may be, so long as the Administrative Agent reasonably determines that such modification is for the purpose of causing

189
new or additional Indebtedness Obligations to become subject thereto, consistent with the terms of this Agreement.

The foregoing provisions are intended as an inducement to the lenders under the ABL Credit Agreement to extend or continue to extend credit and such lenders are intended third party beneficiaries of such provisions and the provisions of the ABL/Term Loan/Notes Intercreditor Agreement or Junior Lien Intercreditor Agreement, as applicable.

(b) The parties hereto authorize the Administrative Agent to enter into the ABL/Term Loan/Notes Intercreditor Agreement and Junior Lien Intercreditor Agreement, each in the form attached hereto.

SECTION 10.21. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of Holdings and the Borrowers acknowledges and agrees that: (1) (a) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers are arm’s-length commercial transactions between Holdings and the Borrowers, on the one hand, and the Agents and the Arrangers, on the other hand; (b) the Borrowers and Holdings have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate; and (c) the Borrowers and Holdings are capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (2) (a) each Agent and each Arranger each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrowers, Holdings or any other Person and (b) none of the Agents or Arrangers has any obligation to the Borrowers, Holdings or any of their Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (3) the Agents, the Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrowers, Holdings and their respective Affiliates, and none of the Agents or any Arranger has any obligation to disclose any of such interests to the Borrowers, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents and the Arrangers with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 10.22. Reaffirmation and Ratification. Notwithstanding anything to the contrary contained herein, each Agent (on behalf of itself and the Lenders), each Lender (in its capacity as a Lender) and each Company Party, and each Related Party of each of the foregoing, by accepting the benefits of this Agreement: hereby ratifies and acknowledges (a) the Recapitalization Transactions, (b) each of the below releases and (c) each of the below covenants not to sue.

(1) Effective as of the Amendment No. 2 Effective Date, each Company Releasing Party, on behalf of itself, and to the extent a Company Releasing Party is not party to this Agreement, the Borrowers or Guarantors on behalf of such Company Releasing Party, hereby conclusively, absolutely, unconditionally, irrevocably, and forever fully release, remise, and discharge each of the Released Parties (and each such Released Party shall be deemed forever released, remised, and discharged by or on behalf of the Company Releasing Parties) and their respective assets and properties from any and all Claims and Causes of Action, including any derivative claims asserted on behalf of any of the Company Releasing Parties, that Holdings, the Borrowers, Subsidiary Loan Parties or any of the Company Releasing Parties...
would have been legally entitled to assert in their or its own right (whether individually or collectively) or on behalf of the holder of any
Claim against, or Equity Security in, a Company Releasing Party or other Entity, based on or relating to, or in any manner arising from, in
whole or in part, (i) the MyTheresa Designation, (ii) the MyTheresa Distribution, (iii) the Nancy Transaction, (iv) the formulation,
preparation, dissemination, negotiation, or filing of the TSA, the Definitive Documents, any Recapitalization Transaction, or any contract,
instrument, release, or other agreement or document created or entered into in connection with or pursuant to the TSA or the Definitive
Documents, or (v) the pursuit of consummation, the administration or implementation of any of the Recapitalization Transactions, including
the issuance or distribution of securities in connection therewith. Notwithstanding anything to the contrary in the foregoing, the releases by
the Company Releasing Parties set forth above do not release (1) any party or Entity from any post Amendment No. 2 Effective Date
obligations of any party or Entity under this Agreement, any other Definitive Documents, any Recapitalization Transaction, the
Commitment Letter or any document, instrument, or agreement executed to implement the Recapitalization Transactions. Notwithstanding
anything to the contrary in the foregoing, the releases set forth in clauses (iv) and (v) above do not release any Claim or Cause of Action that
is determined by a final non appealable judgment of a court of competent jurisdiction to have constituted fraud or willful misconduct.
Nothing contained in the releases shall or shall be deemed to result in the waiving or limiting by any Sponsor or any officer, director, or
employee of any Company Party of (a) any indemnification against, or expense reimbursement or advance by, any Company Party or any
Company Party's insurance carriers, (b) any rights as beneficiaries of any insurance policies, (c) any management fees, monitoring fees, or
like fees and expenses, (d) wages, salaries, compensation, or benefits, or (e) any Equity Securities in any Company Party. Each Company
Releasing Party hereby further agrees and covenants not to, and shall not, commence or prosecute, or assist or otherwise aid any other
Entity in the commencement or prosecution of, whether directly, derivatively or otherwise, any Released Claims. Notwithstanding anything
to the contrary in this Section 10.22 or otherwise in this Agreement, nothing in this Agreement shall or be deemed to (or is intended to) limit
any of the Company Releasing Parties’ rights to assert or prosecute any affirmative defenses or otherwise raise any defense or take any
action to defend itself or themselves, including any defense available under the Bankruptcy Code in connection with any Claim or Cause of
Action (whether direct or indirect) brought by any Entity relating to any of the above-referenced Claims and Causes of Action arising from,
in whole or in part, (i) the formulation, preparation, dissemination, negotiation, or filing of this Agreement, the TSA, the Definitive
Documents, or any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered
into in connection with the TSA or the Definitive Documents, and (y) the pursuit of consummation, the administration and implementation of
the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith.

(2) Effective as of the Amendment No. 2 Effective Date, by accepting the benefits of this Agreement, each Stakeholder Releasing Party, solely in
its capacity as such, severally and not jointly, hereby conclusively, absolutely, unconditionally, irrevocably, and forever fully release, remise,
and discharge each of the Released Parties (and each such Released Party shall be deemed forever released, remised, and discharged by or
on behalf of the Stakeholder Releasing Parties) and their respective assets and properties from any and all Claims and Causes of Action,
including any derivative claims asserted on behalf of any of the Company Releasing Parties or the Stakeholder Releasing Parties, that the
Agents or any of the Stakeholder Releasing Parties would have been legally entitled to assert in its or their own right (whether individually
or collectively) or on behalf of the holder of any Claim against, or
Equity Security in, a Company Releasing Party or other Entity, based on or relating to, or in any manner arising from, in whole or in part, (i) the MyTheresa Designation, (ii) the MyTheresa Distribution, (iii) the Nancy Transaction, (iv) the formulation, preparation, dissemination, negotiation, or filing of the TSA, the Definitive Documents, any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered into in connection with or pursuant to the TSA or the Definitive Documents, or (v) the pursuit of consummation, the administration or implementation of any of the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith. Notwithstanding anything to the contrary in the foregoing, the releases by the Stakeholder Releasing Parties set forth above do not release any party or entity from any post-Amendment No. 2 Effective Date obligations of any party or Entity under this Agreement, any other Definitive Documents, any Recapitalization Transaction, the Commitment Letter or any document, instrument, or agreement executed to implement the Recapitalization Transactions. Notwithstanding anything to the contrary in the foregoing, the releases set forth in clauses (iv) and (v) above do not release any Claim or Cause of Action that is determined by a final non-appealable judgment of a court of competent jurisdiction to have constituted fraud or willful misconduct. Nothing in this Agreement shall or shall be deemed to result in the waiving or limiting by any Sponsor or any officer, director, or employee of any Company Party of (a) any indemnification against, or expense reimbursement or advance by, any Company Party or any Company Party’s insurance carriers, (b) any rights as beneficiaries of any insurance policies, (c) any management fees, monitoring fees, or like fees and expenses, (d) wages, salaries, compensation, or benefits, or (e) any Equity Securities in any Company Party. Each Stakeholder Releasing Party hereby further agrees and covenants not to, and shall not, commence or prosecute, or assist or otherwise aid any other Entity in the commencement or prosecution of, whether directly, derivatively or otherwise, any Released Claims. Notwithstanding anything to the contrary in this Section 10.22, nothing in the releases or this Agreement shall or be deemed to (or is intended to) limit any of the Stakeholder Releasing Parties’ rights to assert or prosecute any affirmative defenses or otherwise raise any defense or take any action to defend itself or themselves, including any defense available under the Bankruptcy Code, in connection with any Claim or Cause of Action (whether direct or indirect) brought by any Entity relating to any of the above-referenced Claims and Causes of Action arising from, in whole or in part, (a) the formulation, preparation, dissemination, negotiation, or filing of this Agreement, the TSA, Definitive Documents, the Commitment Letter or any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered into in connection with the TSA or the Definitive Documents, and (b) the pursuit of consummation, the administration and implementation of the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith. For the avoidance of doubt, the release by the Stakeholder Releasing Parties set forth in this Section 10.22 is hereby granted by or on behalf of each of the Stakeholder Releasing Parties in accordance with the terms and conditions of this Agreement in their capacities and as makers of the Term Loans, and on behalf of their Related Parties, only to the extent that a Lender, acting in its capacity as a Lender, has the authority to bind such Related Party.

(3) Each Releasing Party hereby agrees and acknowledges that, except as expressly provided in this Agreement and the Definitive Documents, no Released Party, in any capacity, has warranted or otherwise made any representations concerning any Released Claim (including any representation or warranty concerning the existence, non-existence, validity, or invalidity of any Released Claim). Notwithstanding the foregoing, nothing contained in this Agreement is intended to impair or otherwise derogate from any of the representations, warranties, or covenants expressly set forth in this Agreement or any of the Definitive Documents.
Each of the Releasing Parties hereby expressly acknowledges that although ordinarily a general release may not extend to any Released Claims which the Releasing Party does not know or suspect to exist in its favor, which if known by it may have materially affected its settlement with the party released, it has carefully considered and taken into account in determining to enter into the releases set forth in this Section 10.22 the possible existence of such unknown losses or claims. Without limiting the generality of the foregoing, on behalf of each Lender, the Agents, and, on behalf of each Company Releasing Party, the Borrowers and Guarantors expressly waive and relinquish any and all rights such Releasing Party may have or conferred upon it under any federal, state, or local statute, rule, regulation, or principle of common law or equity which provide that a release does not extend to claims which the claimant does not know or suspect to exist in its favor at the time of providing the releases set forth in this Section 10.22, or which may in any way limit the effect or scope of such releases with respect to the Released Claims, which such Releasing Party did not know or suspect to exist in such Releasing Party's favor at the time of providing such releases, which in each case if known by it may have materially affected its settlement with any Released Party, including any rights under Section 1542 of the California Civil Code or any analogous applicable state or federal law or regulation. Each of the Releasing Parties hereby expressly acknowledges that the releases and covenants not to sue contained in this Agreement are effective regardless of whether those released matters or Released Claims are presently known or unknown, suspected or unsuspected, or foreseeable or unforeseen.

To the extent that the releases set forth above include releases to which Section 1542 of the California Civil Code or similar provisions of other applicable law applies, it is the intention of the parties hereto that the releases described in this Section 10.22 shall be effective as a bar to any and all Claims and Causes of Action of whatsoever character, nature and kind, known or unknown, suspected or unsuspected, specified in this Agreement. In furtherance of this intention, each Lender (in its capacity as a maker of Term Loans) and each Company Releasing Party hereto expressly waive any and all rights and benefits conferred upon them by the provisions of Section 1542 of the California Civil Code or similar provisions of applicable law, which are as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

Each Lender (in its capacity as a maker of Term Loans) party hereto (and its permitted successors and assigns), each Agent on behalf of itself and each Lender, and each Company Releasing Party acknowledges that the foregoing waiver of the provisions of Section 1542 of the California Civil Code was bargained for separately. Thus, notwithstanding the provisions of Section 1542 of the California Civil Code, and for the purpose of implementing a full and complete release and discharge of the Released Parties, each Lender (in its capacity as a maker of Term Loans) party hereto (and its permitted successors and assigns), each Agent on behalf of itself and each Lender and each Company Releasing Party hereby expressly acknowledges that this Agreement is intended to include in its effect without limitation all of the Claims, Causes of Action and liabilities which the Releasing Parties, each Lender (in its capacity as a maker of Term Loans) party hereto (and its permitted successors and assigns) and each Agent on behalf of itself the Lenders, do not know or suspect to exist in their favor.
as of the Amendment No. 2 Effective Date, and this Agreement contemplates extinguishment of all such Claims, Causes of Action and liabilities.

(5) EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, FROM AND AFTER THE AMENDMENT NO. 2 EFFECTIVE DATE, EACH AGENT AND EACH OF THE RELEASING PARTIES HEREBY AGREES AND COVENANTS NOT TO, AND SHALL NOT, AND SHALL NOT ASSIST OR OTHERWISE AID ANY OTHER ENTITY TO, (A) COMMENCE OR CONTINUE, IN ANY MANNER OR IN ANY PLACE, ANY SUIT, ACTION, OR OTHER PROCEEDING; (B) ENFORCE, ATTACH, COLLECT, OR RECOVER IN ANY MANNER ANY JUDGMENT, AWARD, DECREE, OR ORDER; (C) CREATE, PERFECT, OR ENFORCE ANY LIEN OR ENCUMBRANCE; (D) ASSERT A SETOFF, RIGHT OF SUBROGATION, OR RECoupMENT OF ANY KIND; (E) COMMENCE OR CONTINUE IN ANY MANNER ANY ACTION OR OTHER PROCEEDING OF ANY KIND, OR (F) ASSIGN, TRANSFER, OR OTHERWISE DISPOSE OF ANY CLAIM OR CAUSE OF ACTION, IN EACH CASE, ON ACCOUNT OF OR WITH RESPECT TO ANY RELEASED CLAIM OR ANY CLAIM OR CAUSE OF ACTION THAT WILL BE A RELEASED CLAIM ON THE EFFECTIVE DATE. NOTHING IN THIS AGREEMENT SHALL OR BE DEEMED TO (OR IS INTENDED TO) LIMIT ANY OF THE STAKEHOLDER RELEASING PARTIES’ RIGHTS OR THE COMPANY RELEASING PARTIES’ RIGHTS, AS APPLICABLE, TO ASSERT OR PROSECUTE ANY AFFIRMATIVE DEFENSES OR OTHERWISE RAISE ANY DEFENSE OR TAKE ANY ACTION TO DEFEND ITSELF OR THEMSELVES, INCLUDING ANY DEFENSE AVAILABLE UNDER THE BANKRUPTCY CODE IN CONNECTION WITH ANY CLAIM OR CAUSE OF ACTION (WHETHER DIRECT OR INDIRECT) BROUGHT BY ANY ENTITY RELATING TO ANY OF THE CLAIMS OR CAUSES OF ACTION ARISING FROM, IN WHOLE OR IN PART, (X) THE FORMULATION, PREPARATION, DISSEMINATION, NEGOTIATION, OR FILING OF THIS AGREEMENT, THE DEFINITIVE DOCUMENTS, OR ANY RECAPITALIZATION TRANSACTION, CONTRACT, INSTRUMENT, RELEASE, OR OTHER AGREEMENT OR DOCUMENT CREATED OR ENTERED INTO IN CONNECTION WITH THIS AGREEMENT OR THE DEFINITIVE DOCUMENTS, AND (Y) THE PURSUIT OF CONSUMMATION, THE ADMINISTRATION AND IMPLEMENTATION OF THE RECAPITALIZATION TRANSACTIONS, INCLUDING THE ISSUANCE OR DISTRIBUTION OF SECURITIES IN CONNECTION THEREWITH.

(6) Subject to the occurrence of the Amendment No. 2 Effective Date, in the event that any Agent on behalf of itself and the Lenders, any Lender (in its capacity as a maker of Term Loans) party hereto (including any permitted successor or assignee thereof), the Borrowers, the Guarantors or any Releasing Party (including any successor or assignee thereof) receives any funds, property, or value on account of any Claims, Causes of Action, or litigation against NMG or the MYT Entities (or any direct or indirect parent company of such entities) arising from the MyTheresa Designation or the MyTheresa Distribution (collectively, the “Specified Claims”), the Agents, the Borrowers, the Guarantors or such Releasing Party or Lender shall promptly turn over and assign any such funds, property, or value (including any Equity Securities in any of the MYT Entities or proceeds of such Equity Securities, or any increased recoveries resulting therefrom) to, at the election of NMG, NMG or the applicable MYT Entity. NMG or the applicable MYT Entity shall distribute any such recoveries turned over or assigned to it in accordance with the MYT Waterfall, to the extent applicable. Notwithstanding anything to the contrary in this Agreement (but subject to the immediately succeeding paragraph), NMG shall be entitled to enforce the provisions of this paragraph on behalf of itself or any MYT Entity. The Releasing Parties, Lenders (in its capacity as a maker
of Term Loans) party hereto (including any permitted successor and assignee thereof) and each Agent on behalf of itself and on behalf of the Lenders will be bound by this paragraph notwithstanding the nature of any Claim, Cause of Action, or litigation relating to the Recapitalization Transactions or any judgment or order entered on any such Claim, Cause of Action or litigation.

Notwithstanding anything to the contrary in this Agreement, (i) the immediately preceding paragraph of this Section 10.22(6) shall only apply to (x) the Stakeholder Releasing Parties in their capacities as Lenders, or to the Agents in their capacities as such or (y) the Company Releasing Parties in their capacities as Borrowers or Guarantors and shall not, for the avoidance of doubt, apply to any Releasing Party in its capacity as a provider of debtor-in-possession or any similar financing and (ii) to the extent a Releasing Party receives consideration on account of a Claim secured by assets or property of any Company Party or its Subsidiaries (other than, for the avoidance of doubt, the Specified Claims or any such assets or property contributed to or otherwise obtained by any Company Party or its Subsidiaries on account of the Specified Claims), such consideration will not be subject to the immediately preceding paragraph of this Section 10.22(6).

THIS SUBLEASE (this “Sublease”) is made and entered into as of the day of , 2019, by and between [NMG NOTES PROPCO LLC](1) and [NMG TERM LOAN PROPCO LLC][2], a Delaware limited liability company (hereinafter called “Sublandlord”), and , a (hereinafter called “Subtenant”);

W I T N E S S E T H:

WHEREAS, Sublandlord is a wholly-owned subsidiary of Subtenant;

WHEREAS, Subtenant was party as tenant to that certain [lease, sublease or sub-sublease], dated [   ] with , a as landlord (“Landlord”), as more particularly described on Exhibit A annexed hereto and made a part hereof (hereinafter called the “Prime Lease”);

WHEREAS, Subtenant, as the prior tenant under the Prime Lease, leased the demised premises located at (the “Leased Premises”);

WHEREAS, Subtenant, as assignor, and Sublandlord, as assignee, entered into an Assignment and Assumption of Lease (the “Assignment”) pursuant to which Subtenant assigned to Sublandlord all of Subtenant’s right, title and interest in and to the leasehold interest in the Prime Lease; and

WHEREAS, Subtenant desires to sublease from Sublandlord, and Sublandlord desires to sublease to Subtenant, the Leased Premises, of which Subtenant is currently in possession and on which Subtenant is currently operating a [Neiman Marcus] [Bergdorf Goodman] store (hereinafter, the “Store”), all upon the terms and subject to the conditions and provisions hereinafter set forth;

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants and promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, Sublandlord and Subtenant hereby agree as follows:

1. **Demise; Use.** Sublandlord hereby leases to Subtenant and Subtenant hereby leases from Sublandlord the Leased Premises for the term and rental and upon the other terms and conditions hereinafter set forth, to be used solely for the purposes permitted under the Prime Lease, including operating the Store in accordance with all operating covenants and requirements (including with respect to trade name) of the Prime Lease.

2. **Term.** The term (the “Term”) of this Sublease shall commence on , 2019 (the “Commencement Date”) and, unless sooner terminated pursuant to the provisions hereof, shall terminate on the earlier of the one-year anniversary of the Commencement Date (such date, and each applicable subsequent anniversary following an

extension pursuant to the proviso to this sentence, the “Scheduled Expiry Date”) and the prior termination of the term of the Prime Lease for any reason whatsoever; provided, the Term shall automatically be extended by an additional year after the Scheduled Expiry Date (subject to prior termination of the Prime Lease) if neither party has delivered to the other written notice of its intent to terminate this Sublease at least ten (10) business days prior to the Scheduled Expiry Date.

3. **Base Rent.**

   (a) Subtenant shall pay to Landlord directly on behalf of Sublandlord annual fixed rental (hereinafter called “Base Rent”) for the
       Leased Premises equal to the [Base Rent] (as defined in the Prime Lease) payable by Sublandlord to Landlord under the Prime Lease. Base Rent
       shall be due and payable pursuant to the terms and provisions of the Prime Lease.

   (b) All Base Rent and Additional Rent (as defined below) shall be paid directly to Landlord at the address designated under the Prime
       Lease or by notice from Landlord or at such other place as Sublandlord may designate by notice to Subtenant.

4. **Additional Rent; Payments; Interest.**

   (a) In addition to Base Rent, Subtenant shall also pay to Sublandlord all other charges, costs, expenses, fees and other amounts,
       including real property taxes and assessments, sewer rents, utilities, common area charges, and percentage or contingent rent, including late
       payments, interest, and costs and fees of collection, including attorney fees (collectively “Additional Rent”) payable by Sublandlord under the Prime
       Lease. Without limiting the foregoing, Subtenant shall maintain and provide to Landlord all reports and accountings with respect to rent, issues and
       profits and percentage rent of Subtenant with respect to the Leased Premises required under the Prime Lease.

   (b) Each amount due pursuant to Subsection 4(a) above and each other amount payable by Subtenant hereunder, unless a date for
       payment of such amount is provided for elsewhere in this Sublease, shall be due and payable no later than the date on which any such amount is due
       and payable under the Prime Lease.

   (c) All amounts other than Base Rent payable to, or on behalf of, Sublandlord under this Sublease shall be deemed to be additional
       rent due under this Sublease. All past due installments of Base Rent and additional rent shall bear interest from the date that is the earlier of the date
       provided in the Prime Lease for the applicable payment or five (5) business days following receipt of written notice thereof from Sublandlord until
       paid at the rate per annum equal to the greater of the rate provided in the Prime Lease or three percent (3%) in excess of the Prime Rate (as
       hereinafter defined) (the “Default Rate”) in effect from time to time, which rate shall change from time to time as of the effective date of each change
       in the Prime Rate, unless a lesser rate shall then be the maximum rate permissible by law with respect thereto, in which event said lesser rate shall be
       charged. For the purposes of this Sublease, the term “Prime Rate” shall mean the base rate on corporate loans at large U.S. money centers or
       commercial banks as published from time to time by the Wall Street Journal.
As and to the extent provided in the Prime Lease or as Landlord and Subtenant may otherwise agree, Subtenant shall pay Landlord on the due dates as provided in the Prime Lease or as otherwise agreed by the parties, for all services requested by Subtenant which are billed by Landlord directly to Subtenant rather than Sublandlord, all of which shall constitute Additional Rent.

5. **Condition of Leased Premises.** Subtenant, as the present occupant and operator of the Leased Premises, acknowledges and agrees that it takes the Leased Premises “as is”, “where is” and “with all faults”, and that Sublandlord does not make any warranties, representations or promises with respect to the Leased Premises or the Prime Lease of any kind whatsoever, express or implied, including without limitation with respect to state of title, physical condition or environmental condition, or fitness for any particular use. Subtenant’s taking possession of the Leased Premises pursuant to this Sublease shall be conclusive evidence as against Subtenant that the Leased Premises were in good order and satisfactory condition when Subtenant took possession. No promise of Sublandlord to alter, remodel or improve the Leased Premises, except as may be expressly provided herein, and no representation respecting the condition of the Leased Premises have been made by Sublandlord to Subtenant. Upon the expiration of the term hereof, or upon any earlier termination of the term hereof or of Subtenant’s right to possession (including any rejection of this Sublease in bankruptcy), Subtenant shall surrender the Leased Premises in the condition required pursuant to the Prime Lease (including environmental matters).

6. **The Prime Lease.**

(a) This Sublease and all rights, privileges and interests of Subtenant hereunder and with respect to the Leased Premises are subject to all of the terms, conditions, covenants, warranties, representations and provisions of the Prime Lease. Notwithstanding any provision to the contrary in the Assignment, as between Sublandlord and Subtenant, Subtenant hereby assumes and agrees to perform faithfully and be bound by, with respect to the Leased Premises, all of Sublandlord’s obligations, warranties, representations, covenants, agreements, provisions and liabilities under the Prime Lease and all terms, conditions, provisions and restrictions contained in the Prime Lease. Without limitation of the foregoing:

(i) Subtenant shall not make any changes, alterations or additions in or to the Leased Premises except as otherwise expressly provided in the Prime Lease or herein;

(ii) If Subtenant desires to take any other action and the Prime Lease would require that Sublandlord obtain the consent of Landlord before undertaking any action of the same kind, Subtenant shall not undertake the same without the prior written consent of Landlord and Sublandlord. Sublandlord may condition its consent on the consent of Landlord being obtained and may require Subtenant to contact Landlord directly for such consent. All such consents shall be at the sole cost and expense of Subtenant;

(iii) Sublandlord shall have the right during all normal business hours upon reasonable prior notice to Subtenant to enter upon and inspect the Leased
Premises. Without limiting the foregoing, all rights given to Landlord and its agents and representatives by the Prime Lease to enter and/or inspect the Leased Premises shall inure to the benefit of Sublandlord and their respective agents and representatives with respect to the Leased Premises;

(iv) Sublandlord shall also have all other rights, and all privileges, options, reservations and remedies, granted or allowed to, or held by, Landlord under the Prime Lease;

(v) Subtenant shall maintain insurance of the kinds and in the amounts required to be maintained by Sublandlord under the Prime Lease; and

(vi) Subtenant shall not do anything or suffer or permit anything to be done which could result in a default or breach under the Prime Lease or permit the Prime Lease, with the passage of time or the service of notice or both, to be cancelled or terminated (or which could limit or prohibit Sublandlord from exercising any option or right of renewal, first negotiation, first refusal or right of expansion under the Prime Lease).

(b) In addition to the other covenants and obligations under this Sublease and the Prime Lease as incorporated herein, and without limitation of the foregoing, Sublandlord agrees as follows, subject in each case to the due and punctual performance and observance of all covenants and obligations of Subtenant hereunder:

(i) Sublandlord shall not do anything which could reasonably be expected to result in a default under the Prime Lease; provided, however, that Sublandlord shall not be in default of this covenant to the extent the default under the Prime Lease is caused or attributable (in whole or in part) by Subtenant, its shareholders, partners, members, directors, officers, employees, agents, customers or invitees.

(ii) Sublandlord shall not amend, modify or terminate the Prime Lease, without the prior written consent of Subtenant, which may be withheld in its sole discretion to the extent the same could increase Subtenant’s liabilities or obligations under this Sublease.

(iii) If any action to be taken by Subtenant or any other matter would require the consent or approval of Sublandlord under this Sublease, but not Landlord under the Prime Lease, Sublandlord’s consent or approval shall not be unreasonably withheld, conditioned or delayed. If any action to be taken by Subtenant or any other matter would require the consent or approval of Landlord under the Prime Lease, (i) Sublandlord shall be deemed to have consented to or approved such request if Landlord consents to or approves the same, and (ii) Sublandlord shall be deemed not to have consented to or approved such request if Landlord does not consent to or approve the same.

(iv) Sublandlord shall not assign, mortgage, pledge, hypothecate or otherwise transfer or permit the transfer of this Sublease or any interest in this
Sublease, whether voluntarily, by operation of law or otherwise (including a merger or transfer of voting control in Sublandlord), in each case without the prior written consent of Subtenant, which may be withheld in its sole discretion.

(c) Notwithstanding anything contained herein or in the Prime Lease which may appear to be to the contrary, Sublandlord and Subtenant hereby agree as follows:

(i) Subtenant shall not assign, mortgage, pledge, hypothecate, or otherwise transfer or permit the transfer of this Sublease or any interest of Subtenant in this Sublease, directly or indirectly, by operation of law or otherwise, or permit the use of the Leased Premises or any part thereof by any persons other than Subtenant and Subtenant’s employees, or sublet the Leased Premises or any part thereof;

(ii) in the event of any condemnation or casualty damage or destruction of the Leased Premises, Sublandlord shall have no obligation to restore the Leased Premises, all such obligations (if any) of Sublandlord as the tenant under the Prime Lease (if any) to be performed by Subtenant; provided that neither rental nor additional rent or other payments hereunder shall abate or be suspended by reason of any condemnation, damage to or destruction of the Leased Premises or any part thereof, unless, and then only to the extent that, rental and additional rent and such other payments actually abate under the Prime Lease with respect to the Leased Premises on account of such event;

(iii) Subtenant shall not have any right to any portion of the proceeds of any award for a condemnation or other taking, or a conveyance in lieu thereof, of all or any portion of the Leased Premises;

(iv) Subtenant shall not have any right to exercise or have Sublandlord exercise any option under the Prime Lease, including, without limitation, any option or right of first refusal, first negotiation or first offer to extend the term of the Prime Lease or lease additional space; and

(v) In the event of any conflict between the terms, conditions and provisions of the Prime Lease and of this Sublease, the terms, conditions and provisions of the Prime Lease shall, in all instances, govern and control.

(d) It is expressly understood and agreed that Sublandlord does not assume and shall not have any of the obligations or liabilities of Landlord under the Prime Lease and that Sublandlord is not making the representations or warranties, inducements, rent or other concessions or abatements, allowances, tenant improvements or landlord’s work, if any, made by Landlord in the Prime Lease. With respect to work, services, repairs and restoration or the performance of other obligations required of Landlord under the Prime Lease, Sublandlord’s sole obligation with respect thereto shall be to request the same, upon written request from Subtenant, and to use reasonable efforts to obtain the same from Landlord. Sublandlord shall not be liable in any respect, in damages or otherwise, nor
shall rent abate hereunder, for or on account of any failure by Landlord to perform the obligations and duties imposed on it under the Prime Lease.

(e) Nothing contained in this Sublease shall be construed to create privity of estate or contract between Subtenant and Landlord, unless Subtenant attorns to Landlord by written instrument.

(f) Nothing contained in this Sublease shall be construed to release the Sublandlord of any of its obligations or liabilities owed to Landlord under the Prime Lease.

7. Default by Subtenant.

(a) Upon the happening of any of the following:

(i) Subtenant fails to pay any Base Rent or Additional Rent within five (5) days after the date it is due;

(ii) Subtenant fails to pay any other amount due from Subtenant hereunder and such failure continues for five (5) business days after notice thereof from Sublandlord to Subtenant;

(iii) Subtenant fails to perform or observe any other covenant, obligation or agreement set forth in this Sublease and such failure continues until the earlier of (1) ten (10) business days after notice thereof from Sublandlord to Subtenant or (2) any earlier date specified for default under the Prime Lease, any Superior Interest or any Ancillary Document, as the case may be; or

(iv) any other event occurs which involves Subtenant or the Leased Premises or any part thereof and which would constitute a default under the Prime Lease if it involved Sublandlord (or any agent, representative, officer, director, manager or shareholder of Subtenant) or the Leased Premises, subject to any notice and cure periods thereunder;

Subtenant shall be deemed to be in default hereunder, and Sublandlord may exercise, without any further demand or notice, and without limitation of any other rights and remedies available to it hereunder at law or in equity, all of which rights are hereby expressly reserved, any and all of the equivalent rights and remedies of Landlord set forth in the Prime Lease with respect to the Leased Premises in the event of a default by Sublandlord hereunder (including without limitation the right to terminate this Sublease and recover possession of the Leased Premises free of all rights and interests of Subtenant).

(b) In the event Subtenant fails or refuses to make any payment or perform any covenant, obligation or agreement to be performed hereunder by Subtenant, Sublandlord may make such payment or undertake to perform such covenant, obligation or agreement (but shall not have any obligation to Subtenant to do so). In such event, all amounts so paid and all amounts expended in undertaking such performance, together with all costs, expenses and reasonable attorneys’ fees incurred by Sublandlord or Landlord in connection therewith, together with interest at the Default Rate, shall be additional rent hereunder.
8. **Nonwaiver.** Failure of Sublandlord to declare any default or delay in taking any action, or partial exercise of any rights or remedies, in connection therewith shall not waive such default. No receipt of moneys or performance of obligations by Sublandlord from Subtenant after the termination in any way of the term or of Subtenant’s right of possession hereunder or after the giving of any notice of termination or eviction shall reinstate, continue or extend the term or Subtenant’s right of occupancy or possession or affect any notice given to Subtenant or any suit commenced or judgment entered prior to receipt of such moneys or performance of obligations.

9. **Cumulative Rights and Remedies.** All rights and remedies of Sublandlord under this Sublease shall be cumulative and none shall exclude any other rights or remedies allowed by law.

10. **Waiver of Claims and Indemnity.**

   (a) Subtenant hereby releases and waives any and all claims against Landlord and Sublandlord and each of their respective officers, directors, partners, agents and employees for injury or damage to person, property or business sustained in or about the Leased Premises by Subtenant other than by reason of gross negligence or willful misconduct and except in any case which would render this release and waiver void under applicable law.

   (b) Subtenant agrees to indemnify, defend and hold harmless Landlord and its beneficiaries, Sublandlord and each of their respective officers, directors, partners, agents and employees, from and against any and all claims, demands, liabilities, costs and expenses of every kind and nature, including reasonable attorneys’ fees and litigation expenses, arising out of or with respect to or from Subtenant’s use, possession or occupancy (or rights thereto) of the Leased Premises (including such use, possession or occupancy by Subtenant prior to the commencement of the Term in its capacity as prior tenant under the Prime Lease), or any events or occurrences on, under, or about the Leased Premises, Subtenant’s construction or authorization of any work or leasehold improvements in the Leased Premises or from any breach or default on the part of Subtenant in the performance of any agreement, covenant, obligation, warranty or representation of Subtenant to be performed or performed under this Sublease or pursuant to the terms of this Sublease, or from any act or neglect of Subtenant or its agents, officers, employees, guests, servants, invitees or customers in or about the Leased Premises, other than by reason of gross negligence or willful misconduct on the part of any of the foregoing indemnitees. In case any action or proceeding is brought against any of said indemnitees, Subtenant covenants, if requested by Sublandlord, to defend such proceeding at its sole cost and expense by legal counsel reasonably satisfactory to Sublandlord (and, if provided in the Prime Lease, by Landlord).

   (c) Subtenant acknowledges that prior to the assignment to, and assumption by, Sublandlord of the Prime Lease, Subtenant was the tenant under the Prime Lease, and agrees that all of Subtenant’s liabilities and obligations under this Sublease, including, without limitation, Subtenant’s indemnification obligations under Section 10(b), shall apply to the extent such liabilities or obligations arise from any matter first arising or accruing during Subtenant’s tenancy and occupancy of the Leased Premises under the
Prime Lease (the “Subtenant Occupancy Period”). Sublandlord acknowledges and agrees that such obligations of Subtenant shall not apply to any matter first arising or accruing during the period of time (i) prior to the Subtenant Occupancy Period, or (ii) after the expiration or earlier termination of the Term of this Sublease, except to the extent such liabilities or obligations expressly survive such expiration or termination.

Parties as a primary obligor and not merely as a surety, the due and punctual payment and performance of the Extended Term Loan Obligations. Each Guarantor further agrees that the Extended Term Loan Obligations may be extended or renewed, in whole or in part, without notice to or further assent from such Guarantor, and that such Guarantor will remain bound upon its guarantee hereunder notwithstanding any extension or renewal of any Extended Term Loan Obligation. Each Guarantor waives presentment to, demand of payment from and protest to the Lead Borrower or any other Loan Party of any of the Extended Term Loan Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment.

(2) Each Original Guarantor unconditionally guarantees, jointly with the other Original Guarantors and severally, to the Collateral Agent for the benefit of the 2013 Term Loan Secured Parties as a primary obligor and not merely as a surety, the due and punctual payment and performance of the 2013 Term Loan Obligations. Each Guarantor further agrees that the 2013 Term Loan Obligations may be extended or renewed, in whole or in part, without notice to or further assent from such Guarantor, and that such Guarantor will remain bound upon its guarantee hereunder notwithstanding any extension or renewal of any 2013 Term Loan Obligation. Each Original Guarantor waives presentment to, demand of payment from and protest to the Lead Borrower or any other Loan Party of any of the 2013 Term Loan Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment.

(3) Notwithstanding anything to the contrary set forth herein,

(a) any guarantee by a Guarantor of the Existing Notes Obligations shall not be made under this Agreement and shall only be made pursuant to, and shall be subject to the terms and conditions set forth in, the Existing Notes Indenture; and

(b) solely with respect to the 2013 Term Loan Secured Parties and the 2013 Term Loan Obligations, (i) in no event will the 2013 Term Loan Obligations be guaranteed by any Guarantor other than each Original Guarantor and (ii) all references to a "Guarantor" when used in connection with the 2013 Term Loan Secured Parties or the 2013 Term Loan Obligations will be limited to each Original Guarantor.

For the avoidance of doubt, any reference in this Agreement to a Guarantor shall, (a) with respect to the Extended Term Loan Obligations or Extended Term Loan Secured Parties, refer to each Guarantor and the guarantee provided pursuant to clause (1) of this Section 2.01 and (b) with respect to the 2013 Term Loan Obligations, refer solely to each Original Guarantor and the guarantee provided pursuant to clause (2) of this Section 2.01 and in no event will the 2013 Term Loan Obligations be guaranteed by any Extended Term Loan Guarantor.

(4) Notwithstanding anything to the contrary herein or in any other Loan Document or the Existing Notes Indenture, the guarantee provided by the PropCo Guarantors shall not be secured.
Section 2.02. **Guarantee of Payment.** Each Guarantor further agrees that its guarantee hereunder constitutes a guarantee of payment when due (whether at the stated maturity, by acceleration or otherwise) and not of collection, and waives any right to require that any resort be had by the Collateral Agent or any other applicable Secured Party to any security held for the payment of the applicable Term Loan Obligations or to any balance of any Deposit Account or credit on the books of the Collateral Agent or any other applicable Secured Party in favor of any Loan Party or any other Person.

Section 2.03. **No Limitations, Etc.**

(1) Except for termination of a Guarantor’s obligations hereunder as expressly provided for in Section 7.15 and except as provided in Section 2.07, the obligations of each Guarantor hereunder will not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and will not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the applicable Term Loan Obligations or otherwise (other than defense of payment or performance). Without limiting the generality of the foregoing, except for termination or release of a Guarantor’s obligations hereunder in accordance with the terms of Section 7.15 the obligations of each Guarantor hereunder, to the fullest extent permitted by applicable law, will not be discharged or impaired or otherwise affected by, and each Guarantor hereby waives any defense to the enforcement hereof by reason of:

(a) the failure of the Collateral Agent or any other applicable Secured Party to assert any claim or demand or to exercise or enforce any right or remedy under the provisions of any Loan Document or otherwise;

(b) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement;

(c) the failure to perfect any security interest in, or the release of, any of the Collateral held by or on behalf of the Collateral Agent or any other applicable Secured Party for the applicable Term Loan Obligations;

(d) any default, failure or delay, willful or otherwise, in the performance of the applicable Term Loan Obligations;

(e) any illegality, lack of validity or enforceability of any applicable Term Loan Obligations;

(f) any change in the corporate existence, structure or ownership of any Loan Party, or any insolvency, bankruptcy or reorganization of any Loan Party;

(g) the existence of any claim, set-off or other rights that the Guarantors may have at any time against the Borrowers, the Collateral Agent, any other applicable Secured Party or any other Person, whether in connection herewith or with the other Loan
Documents or any unrelated transactions; provided that nothing herein will prevent the assertion of any such claim by separate suit or compulsory counterclaim;

(h) any action permitted or authorized hereunder; or

(i) any other circumstance (including any statute of limitations) or any act or omission that may in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a defense to, or a legal or equitable discharge of, any Borrower or any Guarantor or any other guarantor or surety (other than the payment in full in cash or immediately available funds of the applicable Term Loan Obligations).

(2) Each Guarantor expressly authorizes the applicable Secured Parties to take and hold security for the payment and performance of the applicable Term Loan Obligations to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the applicable Term Loan Obligations all without affecting the obligations of any Guarantor hereunder.

(3) To the fullest extent permitted by applicable law and except for termination or release of a Guarantor’s obligations hereunder in accordance with the terms of Section 7.15 hereof, each Guarantor waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the applicable Term Loan Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash or immediately available funds of all the applicable Term Loan Obligations (other than Term Loan Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted). The Collateral Agent and the other applicable Secured Parties may exercise any right or remedy available to them against any other Loan Party pursuant to this Agreement or the other Loan Documents without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent that after giving effect thereto all applicable Term Loan Obligations have been terminated and paid in full (other than Term Loan Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted). To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any other Loan Party, as the case may be, or any security.

Section 2.04. **Reinstatement.** Each Guarantor agrees that its guarantee hereunder will continue to be effective or be reinstated if, at any time, payment, or any part thereof, of any applicable Term Loan Obligations is rescinded or must otherwise be restored by the Collateral Agent or any other applicable Secured Party upon the bankruptcy or reorganization of the Borrower or any other Loan Party or otherwise.
Section 2.05. Agreement To Pay; Contribution; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Administrative Agent or any other applicable Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of any Loan Party to pay any applicable Term Loan Obligations when and as the same becomes due and payable, whether at maturity, by acceleration, after notice of prepayment or otherwise, each applicable Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Collateral Agent for distribution to the applicable Secured Parties in cash the amount of such unpaid Term Loan Obligations. Upon payment by any Guarantor of any sums to the Collateral Agent as provided above, all rights of such Guarantor against any Borrower or other Loan Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article VI.

Section 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the financial condition and assets of each Borrower and each other Loan Party, and of all other circumstances bearing upon the risk of nonpayment of the Term Loan Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that no Agent nor any other Secured Party will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

Section 2.07. Maximum Liability. Each Guarantor and, by its acceptance of this guarantee, each Agent and each other Secured Party hereby confirms that it is the intention of all such Persons that the guarantees provided herein and the obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of the U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act or any similar foreign, federal or state law to the extent applicable to the guarantees provided herein and the obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Secured Parties and the Guarantors hereby irrevocably agree that the obligations of the Guarantors under the guarantees provided herein are limited to the maximum amount that will not result in the obligations of such Guarantor under the guarantees provided herein constituting a fraudulent transfer or conveyance.

Section 2.08. Taxes. Any and all payments by or on account of any obligation of any Guarantor hereunder shall be made free and clear of and without deduction or withholding for Taxes, except as required by applicable law. If any applicable law requires the deduction or withholding of any Tax from any such payment by a Guarantor, then the applicable Guarantor shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if a Guarantor shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.08) the Collateral Agent or any Term Loan Secured Party, as applicable, receives an amount equal to the sum it would have received had no such deductions been made. The provisions of Section 2.14 of the Credit Agreement shall apply to each Guarantor mutatis mutandis. Any amounts payable by any Guarantor pursuant to this Section 2.08 shall be made without duplication (including with any amount otherwise payable under Section 2.14 of the Credit Agreement). For the avoidance of doubt, any Guarantor shall not be required to pay any greater amount under this Section 2.08 than such Guarantor would have been required to pay had it been a Loan Party that was a party to the
Section 2.09. **Keepwell.** Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor that would otherwise not be an “eligible contract participant” as defined in the Commodity Exchange Act and the regulations thereunder to honor all of its obligations under this Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 2.09 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 2.09 or otherwise under this Agreement voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 2.09 shall remain in full force and effect until the indefeasible payment in full in cash of all the Secured Obligations (other than obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations, in each case, that are not yet due and payable and for which no claim has been asserted). Each Qualified ECP Guarantor intends that this Section 2.09 constitute, and this Section 2.09 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1(18)(A)(v)(II) of the Commodity Exchange Act.

ARTICLE III
PLEDGE OF SECURITIES

Section 3.01. **Pledge.** As security for the payment or performance, as the case may be, in full of its Secured Obligations, each Grantor hereby pledges to the Collateral Agent, its successors and permitted assigns, for the benefit of the applicable Secured Parties, and hereby grants to the Collateral Agent, its successors and permitted assigns, for the benefit of the applicable Secured Parties, a security interest in all of such Grantor’s right, title and interest in, to and under:

1. the Equity Interests (a) directly owned by such Grantor as of the Amendment No. 2 Effective Date and (b) obtained by such Grantor after the Amendment No. 2 Effective Date and, in each case, the certificates representing all such Equity Interests, in each case, other than any Excluded Assets (the Equity Interests described in the foregoing clauses (a) and (b), collectively, but excluding any Excluded Assets, the “Pledged Stock”);

2. the promissory notes and any instruments evidencing Indebtedness (a) owned by such Grantor as of the Amendment No. 2 Effective Date and (b) issued to any such Grantor after the Amendment No. 2 Effective Date, other than any Excluded Assets (the instruments described in the foregoing clauses (a) and (b), collectively, but excluding any Excluded Assets, the “Pledged Debt Securities”);

3. subject to Section 3.05 hereof, all payments of principal or interest, dividends, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of, in exchange for or upon the conversion of, and all other proceeds received in respect of, the securities referred to in the foregoing clauses (1) and (2);
subject to Section 3.05 hereof, all rights and privileges of such Grantor with respect to the securities and other property referred to in the foregoing clauses (1), (2) and (3) above; and

all proceeds of any of the foregoing items referred to in clauses (1) through (4) above, but excluding any Excluded Assets (the items referred to in clauses (1) through (5) of this Section 3.02, collectively, the “Pledged Collateral”).

Notwithstanding anything to the contrary in this Agreement or any other Loan Document, (a) none of the Pledged Stock, Pledged Debt Securities or Pledged Collateral will include nor will the security interests granted hereunder attach to any Excluded Asset, (b) solely with respect to the Existing Notes Secured Parties and the Existing Notes Obligations, (i) in no event will the Existing Notes Secured Parties have any rights in or with respect to any Pledged Collateral, or proceeds from Pledged Collateral, that is not Existing Notes Designated Collateral, (ii) the Pledged Collateral will not include any asset that does not constitute Existing Notes Designated Collateral and (iii) all references to “Pledged Collateral” when used in connection with the Existing Notes Secured Parties or the Existing Notes Obligations will be limited to the Existing Notes Designated Collateral and, where applicable, the proceeds of Existing Notes Designated Collateral and (c) solely with respect to the 2013 Term Loan Secured Parties and the 2013 Term Loan Obligations, (i) in no event will the 2013 Term Loan Secured Parties have any rights in or with respect to any Pledged Collateral, or proceeds from Pledged Collateral, that is not 2013 Term Loan Designated Collateral, (ii) the Pledged Collateral will not include any asset that does not constitute 2013 Term Loan Designated Collateral and (iii) all references to “Pledged Collateral” when used in connection with the 2013 Term Loan Secured Parties or the 2013 Term Loan Obligations will be limited to the 2013 Term Loan Designated Collateral and, where applicable, the proceeds of the 2013 Term Loan Designated Collateral.

TO HAVE AND TO HOLD the Pledged Collateral, together with all right, title, interest, powers, privileges and preferences pertaining or incidental thereto, unto the Collateral Agent, its successors and permitted assigns, for the benefit of the applicable Secured Parties, forever, subject, however, to the terms, covenants and conditions hereinafter set forth and in each case subject to the Credit Agreement.

Section 3.02. Delivery of the Pledged Collateral.

(1) Each Grantor agrees promptly to deliver or cause to be delivered to the Collateral Agent, for the benefit of the applicable Secured Parties, any and all Pledged Securities to the extent such Pledged Securities, in the case of promissory notes or other instruments, are required to be delivered pursuant to paragraph (2) of this Section 3.02.

(2) Each Grantor will use its commercially reasonable efforts to cause (x) any Indebtedness for borrowed money having an aggregate principal amount in excess of $5.0 million owed to such Grantor by any Person and (y) accrued intellectual property royalties and other amounts owing to NM Nevada Trust (regardless of whether classified as current), to be evidenced by a duly executed promissory note that is pledged and delivered to the Collateral Agent, for the benefit of the applicable Secured Parties, pursuant to the terms hereof; provided that the foregoing requirement will not apply to intercompany current liabilities incurred in the ordinary course of business in connection with the cash
management operations of Holdings, the Borrowers and their Subsidiaries. To the extent any such promissory note is a demand note, each Grantor party thereto agrees, if requested by the Collateral Agent, to immediately demand payment thereunder upon an Event of Default unless such demand would not be commercially reasonable or would otherwise expose such Grantor to liability to the maker.

(3) Upon delivery to the Collateral Agent, (a) any Pledged Securities required to be delivered pursuant to the foregoing paragraphs (1) and (2) of this Section 3.02 will be accompanied by stock powers or note powers, as applicable, duly executed in blank or other instruments of transfer reasonably satisfactory to the Collateral Agent and by such other instruments and documents as the Collateral Agent may reasonably request and (b) all other property composing part of the Pledged Collateral delivered pursuant to the terms of this Agreement will be accompanied, to the extent necessary to perfect the security interest in or allow realization on the Pledged Collateral, by proper instruments of assignment duly executed by the applicable Grantor and such other instruments or documents as the Collateral Agent may reasonably request. Each delivery of Pledged Securities will be accompanied by a schedule describing the securities, which schedule will be attached hereto as Schedule I (or a supplement to Schedule I, as applicable) and made a part hereof; provided that failure to attach any such schedule hereto will not affect the validity of such pledge of such Pledged Securities. Each schedule so delivered will supplement any prior schedules so delivered.

(4) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no Grantor will be required to take any action under the laws of any jurisdiction other than the United States (or any political subdivision thereof) and its territories and possessions for the purpose of perfecting the Security Interest in any Pledged Collateral of such Grantor.

Section 3.03. Representations, Warranties and Covenants. Each Grantor represents and warrants and covenants to and with the Collateral Agent, for the benefit of the Secured Parties that:

(1) Schedule I correctly sets forth, as of the Amendment No. 2 Effective Date, (a) the percentage of the issued and outstanding shares of each class of the Equity Interests of the issuer thereof represented by such Pledged Stock and (b) all debt securities and promissory notes or instruments evidencing Indebtedness required to be pledged pursuant to the terms of the Credit Agreement on the Amendment No. 2 Effective Date;

(2) the Pledged Stock and Pledged Debt Securities (solely with respect to Pledged Debt Securities issued by a Person that is not a Subsidiary of Holdings or an Affiliate of any such Subsidiary, to the best of each Grantor’s knowledge) have been duly and validly authorized and issued by the issuers thereof and (a) in the case of Pledged Stock, are fully paid and non-assessable (to the extent such concepts are applicable to such Pledged Stock and other than with respect to Pledged Stock consisting of membership interests of limited liability companies to the extent provided in Sections 18-502 and 18-607 of the Delaware Limited Liability Company Act) and (b) in the case of Pledged Debt Securities (solely with respect to Pledged Debt Securities issued by a Person that is not a Subsidiary of Holdings or an Affiliate of any such Subsidiary, to the best of each Grantor’s knowledge) are legal, valid and binding obligations of the issuers thereof, subject to the effects of bankruptcy,
insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors’ rights generally, general equitable principles (whether considered in a proceeding at law or in equity) and an implied covenant of good faith and fair dealing;

(3) except for the security interests granted hereunder, each Grantor:

(a) is and, subject to any transfers made in compliance with the Credit Agreement, will continue to be the direct owner, beneficially and of record, of the Pledged Securities indicated on Schedule I as owned by such Grantor;

(b) holds the same free and clear of all Liens, other than Permitted Liens;

(c) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral, other than pursuant to a transaction permitted by the Credit Agreement and other than Permitted Liens; and

(d) subject to the rights of such Grantor under the Loan Documents to dispose of Pledged Collateral, will use commercially reasonable efforts to defend its title or interest hereto or therein against any and all Liens (other than Permitted Liens), however arising, of all Persons;

(4) other than as set forth in the Credit Agreement or the schedules thereto, and except for restrictions and limitations imposed by the Loan Documents or securities laws generally or otherwise permitted to exist pursuant to the terms of the Credit Agreement, the Pledged Stock (other than Pledged Stock that is partnership interests) is and will continue to be freely transferable and assignable, and, except for limitations existing on the Amendment No. 2 Effective Date in the articles or certificate of incorporation, bylaws or other organizational documents of any Subsidiary that is not a wholly owned Subsidiary, none of the Pledged Stock is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law provisions or contractual restriction of any nature that would prohibit, impair, delay or otherwise affect the pledge of such Pledged Stock hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder;

(5) each Grantor has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(6) other than as set forth in the Credit Agreement or the schedules thereto, no consent or approval of any Governmental Authority, any securities exchange or any other Person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect);

(7) as of the Amendment No. 2 Effective Date, this Agreement is effective to create in favor of the Collateral Agent (for the benefit of the Secured Parties) a legal, valid and enforceable security interest in the Collateral described herein and proceeds thereof;
as of the Amendment No. 2 Effective Date, none of the Equity Interests in limited liability companies or partnerships that are pledged by the Grantors hereunder constitute a security under Section 8-103 of the UCC or the corresponding code or statute of any other applicable jurisdiction; and

the Grantors shall not amend, or permit to be amended, the limited liability company agreement (or operating agreement or similar agreement) or partnership agreement of any subsidiary of any Loan Party whose Equity Interests are, or are required to be, Collateral in a manner to cause such Equity Interests to constitute a security under Section 8-103 of the New York UCC or the corresponding code or statute of any other applicable jurisdiction unless such Loan Party shall have first delivered reasonable prior written notice to the Collateral Agent and shall have taken all actions contemplated hereby and as otherwise reasonably required by the Collateral Agent to maintain the security interest of the Collateral Agent therein as a valid, perfected security interest with the Required Collateral Lien Priority, and subject to the relative priorities set forth in the Intercreditor Agreements.

Section 3.04. **Registration in Nominee Name; Denominations.** The Collateral Agent, on behalf of the Secured Parties, has the right (in its sole and absolute discretion) to hold the applicable Pledged Securities in the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Collateral Agent or, if an Event of Default shall have occurred and be continuing, in its own name as pledgee or the name of its nominee (as pledgee or as sub-agent). Each Grantor will promptly give to the Collateral Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Grantor. If an Event of Default shall have occurred and be continuing, the Collateral Agent will have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement. Each Grantor will use its commercially reasonable efforts to cause any Loan Party that is not a party to this Agreement to comply with a request by the Collateral Agent, pursuant to this Section 3.04, to exchange certificates representing Pledged Securities of such Loan Party for certificates of smaller or larger denominations.

Section 3.05. **Voting Rights; Dividends and Interest, Etc.**

1. Unless and until an Event of Default has occurred and is continuing and the Collateral Agent has given at least one (1) Business Day’s prior written notice to the Lead Borrower of the Collateral Agent’s intention to exercise its rights hereunder:

   a. each Grantor will be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Collateral or any part thereof for any purpose consistent with the terms of this Agreement, the Credit Agreement and the other Loan Documents; provided that, except as permitted under the Credit Agreement, such rights and powers will not be exercised in any manner that could materially and adversely affect the rights inuring to a holder of any Pledged Collateral, the rights and remedies of any of the Collateral Agent or the other applicable Secured Parties under this Agreement, the Credit Agreement or any other Loan Document or the ability of the applicable Secured Parties to exercise the same;
(b) the Collateral Agent will promptly execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (a) above; and

(c) each Grantor will be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable laws; provided that (i) any noncash dividends, interest, principal or other distributions, payments or other consideration in respect thereof, including any rights to receive the same to the extent not so distributed or paid, that would constitute Pledged Securities, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities, received in exchange for Pledged Securities or any part thereof, or in redemption thereof, as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise and (ii) any noncash dividends and other distributions paid or payable in respect of any Pledged Securities that would constitute Pledged Securities in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid in surplus, will be and become part of the Pledged Collateral, and, if received by any Grantor, will not be commingled by such Grantor with any of its other funds or property, but will be held separate and apart therefrom, will be held in trust for the benefit of the Collateral Agent, for the benefit of the applicable Secured Parties, and will be forthwith delivered to the Collateral Agent, for the benefit of the applicable Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Collateral Agent).

(2) Upon the occurrence and during the continuance of an Event of Default and after at least one (1) Business Day’s prior written notice by the Administrative Agent to the Lead Borrower of the Administrative Agent’s intention to exercise its rights hereunder, all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (1)(c) of this Section 3.05 will cease, and all such rights will thereupon become vested, for the benefit of the applicable Secured Parties, in the Collateral Agent, which will have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions; provided, however, that even after the occurrence and during the continuance of an Event of Default, and such one at least (1) Business Day’s prior written notice, any Grantor may continue to receive dividends and distributions solely to the extent permitted under subclause (6)(a), subclause (6)(c) and subclause (6)(e) of Section 6.06 of the Credit Agreement.

(3) All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 3.05 will not be commingled by such Grantor with any of its other funds or property, but will be held separate and apart therefrom, will be held in trust
for the benefit of the Collateral Agent, for the benefit of the applicable Secured Parties, and will be forthwith delivered to the Collateral Agent, for the benefit of the applicable Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Collateral Agent). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (3), subject to the Intercreditor Agreements, will be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and will be applied in accordance with the provisions of Article V hereof. After all such Events of Default have been cured or waived, the Collateral Agent will promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (1)(c) of this Section 3.05 and that remain in such account.

(4) Upon the occurrence and during the continuance of an Event of Default and after the Collateral Agent shall have given at least one (1) Business Day’s prior written notice to the Lead Borrower of the Collateral Agent’s intention to exercise its rights hereunder, all rights of any Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (1)(a) of this Section 3.05, and the obligations of the Collateral Agent under paragraph (1)(b) of this Section 3.05, will cease, and all such rights will thereupon become vested in the Collateral Agent, for the benefit of the applicable Secured Parties, which will have the sole and exclusive right and authority to exercise such voting and consensual rights and powers (subject to the Intercreditor Agreements); provided that unless otherwise directed by the Required Lenders, the Collateral Agent will have the right from time to time following and during the continuance of an Event of Default and such at least one (1) Business Day’s prior written notice to permit the Grantors to exercise such rights. After all such Events of Default have been cured or waived, each Grantor will have the right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (1)(a) above.

(o) all Proceeds, Supporting Obligations and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing.

Notwithstanding anything to the contrary in this Agreement or any other Loan Document, (a) the Article 9 Collateral will not include, this Agreement will not constitute a grant of a security interest in and the security interest granted hereunder will not attach to, any Excluded Asset, (b) solely with respect to the Existing Notes Secured Parties and the Existing Notes Obligations, (i) in no event will the Existing Notes Secured Parties have any rights in or with respect to any Article 9 Collateral, or proceeds from Article 9 Collateral, that is not Existing Notes Designated Collateral, (ii) the Article 9 Collateral will not include any asset that does not constitute Existing Notes Designated Collateral and (iii) all references to “Article 9 Collateral” when used in connection with the Existing Notes Secured Parties or the Existing Notes Obligations will be limited to the Existing Notes Designated Collateral and, where applicable, the proceeds of Existing Notes.
Designated Collateral and (c) solely with respect to the 2013 Term Loan Secured Parties and the 2013 Term Loan Obligations, (i) in no event will the 2013 Term Loan Secured Parties have any rights in or with respect to any Article 9 Collateral, or proceeds from Article 9 Collateral, that is not 2013 Term Loan Designated Collateral, (ii) the Article 9 Collateral will not include any asset that does not constitute 2013 Term Loan Designated Collateral and (iii) all references to “Article 9 Collateral” when used in connection with the 2013 Term Loan Secured Parties or the 2013 Term Loan Obligations will be limited to the 2013 Term Loan Designated Collateral and, where applicable, the proceeds of the 2013 Term Loan Designated Collateral.

(2) Each Grantor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any relevant jurisdiction any financing statements (including fixture filings) with respect to the Article 9 Collateral (including all Article 9 Collateral consisting of Pledged Collateral) or any part thereof and amendments thereto that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment, including:

(a) whether such Grantor is an organization, the type of organization and any organizational identification number issued to such Grantor;

(b) in the case of a financing statement filed as a fixture filing, a sufficient description of the property to which such Article 9 Collateral relates; and

(c) a description of collateral that describes such property in any other manner as the Collateral Agent may reasonably determine is necessary to ensure the perfection of the security interest in the Article 9 Collateral granted under this Agreement, including describing such property as “all assets”, whether now owned or hereafter acquired, or words of similar effect.

Each Grantor agrees to provide such information to the Collateral Agent promptly upon request.

(3) The Collateral Agent is further authorized to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office) such documents as may be reasonably necessary for the purpose of perfecting, continuing, enforcing or protecting the Security Interest granted by each Grantor, without the signature of any Grantor, and naming any Grantor or the Grantors as debtors and the Collateral Agent as secured party.

(4) Notwithstanding anything to the contrary in this Agreement or any other Loan Document (but subject to Section 5.10(5)(c) of the Credit Agreement), no Grantor shall be required to take any action under the laws of any jurisdiction other than the United States (or any political subdivision thereof) and its territories and possessions for the purpose of perfecting the Security Interest in any Article 9 Collateral of such Grantor.

(5) The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.
Notwithstanding anything to the contrary in any Loan Document, no Grantor will be required:

(a) subject to clause (b) below, to take, or cause to be taken, any actions to perfect the Security Interest by any means other than (to the extent reasonably applicable):

(i) filings pursuant to the Uniform Commercial Code in the office of the Secretary of State (or equivalent filing office) of the relevant State(s) of the respective jurisdictions of organization of each Grantor;

(iii) delivery of Collateral consisting of instruments, notes and debt securities in a principal amount in excess of $5.0 million; provided that such delivery shall not be required with respect to:

(A) instruments, notes and debt securities that are promptly deposited into an investment or securities account;

(B) checks received in the ordinary course of business; and

(C) notes and debt securities issued in connection with the extension of trade credit by a Grantor in each case with a duration of not more than 364 days;

(iv) delivery of Collateral consisting of certificated Equity Interests included in the Collateral; and

(v) entering or causing to be entered into any Control Agreements or similar arrangements with respect to any Controlled Accounts; and

(b) except as set forth in Section 5.10(5)(c) of the Credit Agreement, to take any actions outside the United States to create or perfect any security interests in any Collateral (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any foreign jurisdiction except as contemplated by Section 5.10(5)(c) of the Credit Agreement).

Section 4.02. Representations and Warranties. Each Grantor represents and warrants to the Collateral Agent and the applicable Secured Parties that:

(1) Each Grantor has good and valid rights in and title to the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person other than any consent or approval that has been obtained and is in full force and effect or has otherwise been disclosed herein or in the Credit Agreement.
The Uniform Commercial Code financing statements containing a description of the Article 9 Collateral that have been prepared by the Collateral Agent for filing in the office specified in Schedule III constitute all the filings, recordings and registrations (except as set forth in the following clause (3)) that are, as of the Amendment No. 2 Effective Date, necessary to publish notice of and protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the applicable Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing.

Each Grantor represents and warrants that a fully executed Intellectual Property Security Agreement containing a description of all Article 9 Collateral existing on the Amendment No. 2 Effective Date and consisting of Intellectual Property owned by such Grantor with respect to United States Patents (and Patents for which United States applications are pending), United States registered Trademarks (and Trademarks for which United States registration applications are pending) and United States registered Copyrights (and Copyrights for which United States registration applications are pending) was delivered on the Original Closing Date or the Amendment No. 2 Effective Date, as applicable, to the Collateral Agent for recording with the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable.

The Security Interest constitutes (a) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the applicable Secured Obligations; (b) subject to the filings described in Section 4.02(2), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code or other applicable law in such jurisdictions; and (c) a security interest that shall be perfected in all Article 9 Collateral in which a security interest may be perfected upon the receipt and recording of an Intellectual Property Security Agreement with the United States Patent and Trademark Office and the United States Copyright Office, as applicable. The Security Interest has and shall have the Required Collateral Lien Priority on any of the Article 9 Collateral subject to Permitted Liens.

The Article 9 Collateral is owned by the Grantors free and clear of any Lien, other than Permitted Liens. None of the Grantors has filed or consented to the filing after the Amendment No. 2 Effective Date of (a) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral; (b) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office; or (c) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.
None of the Grantors holds any Commercial Tort Claim individually in excess of $5.0 million as of the Amendment No. 2 Effective Date except as indicated on Schedule IV.

The names of the obligors, amounts owing, due dates and other information with respect to each Grantor’s Accounts and Chattel Paper that are Collateral are and will be correctly stated, at the time furnished, in all records of such Grantor relating thereto and in all invoices furnished to the Agent by such Grantor from time to time.

As to itself and its Article 9 Collateral consisting of Intellectual Property (the “Intellectual Property Collateral”), to each Grantor’s knowledge, as of the Amendment No. 2 Effective Date:

(a) The Intellectual Property Collateral set forth on Schedule II includes all of the material Patents, registered Trademarks and registered Copyrights owned by such Grantor as of the date hereof (including all such registered with the United States Patent and Trademark Office or United States Copyright Office);

(b) The Intellectual Property Collateral owned by such Grantors has not been adjudged invalid or unenforceable in whole or part (except for office actions issued in the ordinary course by the United States Patent and Trademark Office or any similar office in any foreign jurisdiction), and is valid and enforceable, except as would not reasonably be expected to have a Material Adverse Effect. Such Grantor is not aware of any uses of any item of Intellectual Property Collateral that would be expected to lead to such item becoming invalid or unenforceable, except as would not reasonably be expected to have a Material Adverse Effect;

(c) Such Grantor has made or performed in the ordinary course of Grantor’s business, acts, including filings, recordings and payment of all required fees and taxes, required to maintain and protect its interest in each and every item of Intellectual Property Collateral owned by such Grantor in full force and effect in the United States, and such Grantor has used proper statutory notice in connection with its use of each Patent, Trademark and Copyright owned by such Grantor in the Intellectual Property Collateral, in each case, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect;

(d) With respect to each IP Agreement, the absence, termination or violation of which would reasonably be expected to have a Material Adverse Effect: (A) such Grantor has not received any notice of termination or cancellation under such IP Agreement; (B) such Grantor has not received any notice of a breach or default under such IP Agreement, which breach or default has not been cured or waived; and (C) neither such Grantor nor any other party to such IP Agreement is in breach or default thereof in any material respect, and no event has occurred that, with notice or lapse of time or both, would constitute such a breach or default or permit termination, modification or acceleration under such IP Agreement.

(e) Except as would not reasonably be expected to have a Material Adverse Effect, no Grantor or Intellectual Property Collateral owned by such Grantor is subject to any
Section 4.03.  Covenants.

(1)  Each Grantor agrees to comply with Section 5.10(3) of the Credit Agreement.

(2)  Subject to the rights of such Grantor under the Loan Documents to dispose of Collateral and except as would otherwise be permitted by the Credit Agreement, each Grantor will, at its own expense, use commercially reasonable efforts to defend title to the Article 9 Collateral against all Persons and to defend the Security Interest of the Collateral Agent, for the benefit of the applicable Secured Parties, in the Article 9 Collateral and the Required Collateral Lien Priority thereof against any Lien that is not a Permitted Lien.

(3)  Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith.

(4)  If any amount payable under or in connection with any of the Article 9 Collateral that is in excess of $5.0 million is or becomes evidenced by any promissory note or other instrument, such note or instrument, subject to the Intercreditor Agreements, will be promptly pledged and delivered to the Collateral Agent, for the benefit of the applicable Secured Parties, duly endorsed in a manner reasonably satisfactory to the Collateral Agent.

(5)  After the occurrence of an Event of Default and during the continuance thereof, the Collateral Agent will have the right to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Article 9 Collateral, including, in the case of Accounts or Article 9 Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Article 9 Collateral for the purpose of making such a verification. The Collateral Agent shall have the right to share any information it gains from such inspection or verification with any applicable Secured Party.

(6)  None of the Grantors will, without the Collateral Agent’s prior written consent (such consent not to be unreasonably withheld, delayed or conditioned), grant any extension of the time of payment of any Accounts included in the Article 9 Collateral, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any Person liable for the payment thereof or allow any credit or discount whatsoever thereon, in each case, other than extensions, credits, discounts, compromises or settlements.
At its option after the occurrence of an Event of Default and during the continuance thereof, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not a Permitted Lien, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement or this Agreement, and each Grantor jointly and severally agrees to reimburse the Collateral Agent on demand for any reasonable payment made or any reasonable expense incurred by the Collateral Agent pursuant to the foregoing authorization; provided, however, that nothing in this Section 4.03(7) will excuse any Grantor from the performance of, or impose any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

Each Grantor (rather than the Collateral Agent or any applicable Secured Party) will remain liable for the observance and performance of all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral.

Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent for such purpose) as such Grantor’s true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto.

In the event that any Grantor at any time or times fails to obtain or maintain any of the policies of insurance required hereby or under the Credit Agreement or to pay any premium in whole or part relating thereto, the Collateral Agent may, after the occurrence and during the continuation of an Event of Default, without waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Collateral Agent reasonably deems advisable. All sums disbursed by the Collateral Agent in connection with this Section 4.03(10), including reasonable attorneys’ fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to the Collateral Agent and shall be additional Secured Obligations secured hereby.

Section 4.04. Other Actions. In order to further ensure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, for the benefit of the applicable Secured Parties, the Collateral Agent’s security interest in the Article 9 Collateral, each Grantor agrees, in each case at such Grantor’s own expense, to take the following actions with respect to the following Article 9 Collateral:
(1) **Instruments and Tangible Chattel Paper.** If any Grantor at any time holds or acquires any Instruments (other than checks received and processed in the ordinary course of business) or Tangible Chattel Paper evidencing an amount in excess of $5.0 million, such Grantor will forthwith endorse, assign and deliver the same to the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreements), accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(2) **Investment Property.** Except to the extent otherwise provided in Article III, if any Grantor at any time holds or acquires any Certificated Security constituting Pledged Collateral or Article 9 Collateral, such Grantor will forthwith endorse, assign and deliver the same to the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreements), accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably specify. If any security of a domestic issuer now owned or hereafter acquired by any Grantor is uncertificated and is issued to such Grantor or its nominee directly by the issuer thereof, such Grantor shall promptly notify the Collateral Agent of such uncertificated securities and upon the occurrence and during the continuance of an Event of Default, such Grantor shall pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (a) cause the issuer to agree to comply with instructions from the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreements) as to such security, without further consent of any Grantor or such nominee or (b) cause the issuer to register the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreements) as the registered owner of such security.

(3) **Commercial Tort Claims.** If any Grantor shall at any time hold or acquire a Commercial Tort Claim with an asserted or nominal value in excess of $5.0 million, such Grantor shall promptly notify the Collateral Agent thereof in a writing signed by such Grantor, including a summary description of such claim, and grant to the Collateral Agent in writing a security interest therein and in the proceeds thereof, all under the terms and provisions of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

Section 4.05. **Covenants Regarding Patent, Trademark and Copyright Collateral.** Except as permitted by the Credit Agreement:

(1) Each Grantor agrees that it will not knowingly do any act or omit to do any act (and will exercise commercially reasonable efforts to contractually prohibit its licensees from doing any act or omitting to do any act) whereby any material Patent owned by such Grantor that is necessary to the normal conduct of such Grantor’s business may become prematurely invalidated, abandoned, lapsed or dedicated to the public, and agrees that it will take commercially reasonable steps with respect to any material products covered by any such Patent as necessary to establish and preserve its rights under applicable patent laws.

(2) Each Grantor will, and will use its commercially reasonable efforts to contractually require its licensees and its sublicensees to, for each material Trademark owned by such Grantor and necessary to the normal conduct of such Grantor’s business:
(a) maintain such Trademark in full force free from any adjudication of abandonment or invalidity for non-use;
(b) maintain the quality of products and services offered under such Trademark;
(c) display such Trademark with notice of federal or foreign registration or claim of trademark or service mark as required under applicable law; and
(d) not knowingly use or knowingly permit its licensees’ use of such Trademark in violation of any third-party rights.

(3) Each Grantor will, and will use its commercially reasonable efforts to cause its licensees and its sublicensees to, for each work covered by a material Copyright owned by such Grantor and necessary to the normal conduct of such Grantor’s business and that it publishes, displays and distributes, use a copyright notice as necessary and sufficient to establish and preserve its rights under applicable copyright laws.

(4) Each Grantor shall notify the Collateral Agent promptly if it knows that any material Patent, Trademark or Copyright owned by such Grantor and necessary to the normal conduct of such Grantor’s business may imminently become abandoned, lapsed or dedicated to the public, or of any materially adverse determination or development, regarding such Grantor’s ownership of any such material Patent, Trademark or Copyright or its right to register or to maintain the same.

(5) Each Grantor, either itself or through any agent, employee, licensee or designee, will, upon the reasonable request of the Collateral Agent, execute and deliver any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent’s security interest in each Patent, Trademark, or Copyright listed in each updated Perfection Certificate (or in any applicable specified information contained in the Perfection Certificate) furnished pursuant to Section 5.04(9) of the Credit Agreement.

(6) Each Grantor will exercise its reasonable business judgment consistent with the practice in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office with respect to maintaining and pursuing each application owned by such Grantor relating to any material Patent, Trademark and/or Copyright (and obtaining the relevant grant or registration) necessary to the normal conduct of such Grantor’s business and to maintain (a) each such Patent and (b) the registrations of each such Trademark and each such Copyright, including, when applicable and necessary in such Grantor’s reasonable business judgment, timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if any Grantor believes necessary in its reasonable business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(7) In the event that any Grantor knows or has reason to know that any Article 9 Collateral consisting of a material Patent, Trademark or Copyright necessary to the normal conduct of its business has been materially infringed, misappropriated or diluted by a third party, such Grantor will promptly notify the Collateral Agent and will, if such Grantor deems it
necessary in its reasonable business judgment, promptly take actions as are reasonably appropriate under the circumstances.

Section 4.06. Intercreditor Relations. Notwithstanding anything herein to the contrary, (1) the Guarantors, the Grantors and the Collateral Agent acknowledge that the exercise of certain of the Collateral Agent’s rights and remedies hereunder are subject to the provisions of the ABL/Term Loan/Notes Intercreditor Agreement, the Junior Lien Intercreditor Agreement, the Extended Term Loan PropCo Subordination Agreement and the Notes PropCo Subordination Agreement, if applicable, (2) prior to the Discharge of ABL Claims, any obligation hereunder to physically deliver any ABL Priority Collateral to the Collateral Agent shall be deemed satisfied by the delivery to the ABL Collateral Agent, acting as gratuitous bailee for the Collateral Agent in accordance with the ABL/Term Loan/Notes Intercreditor Agreement and (3) prior to the occurrence of the Call Right Cap Recovery, any obligation hereunder to physically deliver any Call Right Collateral to the Collateral Agent shall be deemed satisfied by the delivery to the Senior Priority Collateral Agent (as defined in the Junior Lien Intercreditor Agreement), acting as gratuitous bailee for the Collateral Agent in accordance with the Junior Lien Intercreditor Agreement. The failure of the Collateral Agent or any other Secured Party to immediately enforce any of its rights and remedies hereunder (as a result of the terms of the Intercreditor Agreements or otherwise) shall not constitute a waiver of any such rights and remedies. In the event of any conflict or inconsistency between the terms of the ABL/Term Loan/Notes Intercreditor Agreement and this Agreement regarding the relative priorities of the ABL Collateral Agent, the Collateral Agent, the New Second Lien Notes Agent and the New Third Lien Notes Agent in the Collateral, the terms of the ABL/Term Loan/Notes Intercreditor Agreement shall govern and control. In the event of any conflict or inconsistency between the terms of the Junior Lien Intercreditor Agreement and this Agreement regarding the relative priorities of the Collateral Agent, the Initial Second Lien Representative and the Initial Third Lien Representative in the Collateral, the terms of the Junior Lien Intercreditor Agreement shall govern and control. In the event of any conflict or inconsistency between the terms of the PropCo Subordination Agreements, on the one hand, and this Agreement on the other, regarding the relative priorities of the Collateral Agent, the Initial Second Lien Representative and the Initial Third Lien Representative with respect to payment upon the guarantee of any PropCo Guarantor, the terms of the PropCo Subordination Agreements shall govern and control. Terms used but not defined in this Section 4.06 shall be as defined in the applicable Intercreditor Agreement.

ARTICLE V

REMEDIES

Section 5.01. Remedies Upon Default. Upon the occurrence and during the continuance of an Event of Default, each Grantor agrees to deliver each item of Collateral to the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreements) on demand, and it is agreed that the Collateral Agent shall have the right, subject to applicable law, to take any of or all the following actions at the same or different times: (1) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Grantors to the Collateral Agent or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or a non-exclusive basis, any such Article 9 Collateral throughout the
world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing
arrangements to the extent that waivers thereunder cannot be obtained with the use of commercially reasonable efforts, which each Grantor hereby agrees to
use) and (2) to take possession of the Article 9 Collateral and without liability for trespass to the applicable Grantor to enter any premises where the Article 9
Collateral may be located for the purpose of taking possession of, removing or selling the Article 9 Collateral and, generally, to exercise any and all rights
afforded to a secured party under the applicable Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing rights
and remedies, each Grantor agrees that the Collateral Agent shall have the right, subject to the mandatory requirements of applicable law (including the
Uniform Commercial Code), to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker’s board or on any
securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized in
connection with any sale of a security (if it deems it advisable to do so) pursuant to the foregoing to restrict the prospective bidders or purchasers to Persons
who represent and agree that they are purchasing such security for their own account, for investment, and not with a view to the distribution or sale thereof.
Upon consummation of any such sale of Collateral pursuant to this Section 5.01, the Collateral Agent shall have the right to assign, transfer and deliver to the
purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or
right on the part of any Grantor, and each Grantor hereby waives and releases (to the extent permitted by law) all rights of redemption, stay, valuation and
appraisal that such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the applicable Grantors ten Business Days’ written notice (which each Grantor agrees is reasonable notice
within the meaning of Section 9-611 of the UCC or its equivalent in other jurisdictions) of the Collateral Agent’s intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker’s board or on a securities exchange,
shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such
board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent
may fix and state in the notice (if any) of such sale. The Collateral, or the portion thereof, to be sold at any such sale may be sold in one lot as an entirety or
in separate parcels in the Collateral Agent’s own right or by one or more agents and contractors, upon any premises owned, leased, or occupied by any
Grantor and the Collateral Agent and any such agent or contractor, in conjunction with any such sale, may augment the Inventory to be sold with other goods
(all of which other goods shall remain the sole property of the Collateral Agent or such agent or contractor), all as the Collateral Agent may (in its sole and
absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of
the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private
sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be
made at the time and place to which the same was so adjourned. In the case of any sale of all or any part of the Collateral made on credit or for future
delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral
Agent shall not incur any liability in the event that any such
Section 5.02. Application of Proceeds - 2013 Term Loan Designated Collateral.

(1) Subject to the terms of the Intercreditor Agreement, the Collateral Agent will promptly apply the proceeds, moneys or balances of any collection or sale of Collateral, as well as any Collateral consisting of cash, in the following order of priority:

(a) first, to all amounts owing to the Collateral Agent or the Administrative Agent pursuant to any of the Loan Documents in its capacity as such in respect of (i) the preservation of Collateral or its security interest in the Collateral or (ii) with respect to enforcing the rights of the Secured Parties under the Loan Documents;

(b) second, to the extent proceeds remain after the application pursuant to preceding clause (a), to all other amounts owing to the Administrative Agent or Collateral Agent pursuant to any of the Loan Documents in its capacity as such;
third, to the extent proceeds remain after the application pursuant to preceding clauses (a) through (b), to an amount equal to the outstanding Term Loan Obligations and, solely to the extent such Collateral constitutes Existing Notes Designated Collateral, the Existing Notes Obligations shall be paid to the Existing Notes Secured Parties as provided in Section 5.04 below, with each Secured Party receiving an amount equal to its outstanding Secured Obligations or, if the proceeds are insufficient to pay in full all such Secured Obligations, its pro rata share of the amount remaining to be distributed; and

d) fourth, to the extent proceeds remain after the application pursuant to preceding clauses (a) through (c), inclusive, and following the payment in full of the Secured Obligations, to the relevant Loan Party, their successors or assigns, or as a court of competent jurisdiction may otherwise direct or as otherwise required by the Intercreditor Agreement.

If any payment to any Secured Party pursuant to this Section 5.02 of its pro rata share of any distribution would result in overpayment to such Secured Party, such excess amount shall instead be distributed in respect of the unpaid Secured Obligations of the other applicable Secured Parties, with each such Secured Party whose Secured Obligations have not been paid in full to receive an amount equal to such excess amount multiplied by a fraction the numerator of which is the unpaid applicable Secured Obligations of such Secured Party and the denominator of which is the unpaid applicable Secured Obligations of all Secured Parties entitled to such distribution.

Section 5.03. Application of Proceeds - Other Collateral.

1) Subject to the terms of the Intercreditor Agreements, the Collateral Agent will promptly apply the proceeds, moneys or balances of any collection or sale of Collateral (as well as any such Collateral consisting of cash) other than the 2013 Term Loan Designated Collateral, and shall distribute any consideration of any kind or nature received on account of the Secured Obligations (other than consideration on account of the 2013 Term Loan Designated Collateral or the Liens thereon, which shall be subject to Section 5.02), including in connection with any bankruptcy, insolvency, receivership or other similar proceeding, in the following order of priority:

a) first, to all amounts owing to the Collateral Agent or the Administrative Agent pursuant to any of the Loan Documents in its capacity as such in respect of (i) the preservation of Collateral or its security interest in Collateral or (ii) with respect to enforcing the rights of the Secured Parties under the Loan Documents, in each case solely to the extent not satisfied pursuant to the application of Section 5.02(a);

b) second, to the extent proceeds remain after the application pursuant to preceding clause (a), to all other amounts owing to the Administrative Agent or Collateral Agent pursuant to any of the Loan Documents in its capacity as such, in each case solely to the extent not satisfied pursuant to the application of Section 5.02(b);
(c) **third**, to the extent proceeds remain after the application pursuant to preceding clauses (a) through (b), to an amount equal to the outstanding Extended Term Loan Obligations and, solely to the extent such Collateral constitutes Existing Notes Designated Collateral (or such consideration is on account of Secured Obligations to the extent of their Liens on Existing Notes Designated Collateral), the Existing Notes Obligations shall be paid to the Existing Notes Secured Parties as provided in Section 5.04 below, with each applicable Secured Party receiving an amount equal to its outstanding Secured Obligations or, if the proceeds are insufficient to pay in full all such Secured Obligations, its pro rata share of the amount remaining to be distributed; and

(d) **fourth**, to the extent proceeds remain after the application pursuant to preceding clauses (a) through (c), inclusive, and following the payment in full of the Secured Obligations, to the relevant Loan Party, their successors or assigns, or as a court of competent jurisdiction may otherwise direct or as otherwise required by the Intercreditor Agreements.

(2) If any payment to any Secured Party pursuant to this Section 5.03 of its pro rata share of any distribution would result in overpayment to such Secured Party, such excess amount shall instead be distributed in respect of the unpaid Secured Obligations of the other applicable Secured Parties, with each such Secured Party whose Secured Obligations have not been paid in full to receive an amount equal to such excess amount multiplied by a fraction the numerator of which is the unpaid applicable Secured Obligations of such Secured Party and the denominator of which is the unpaid applicable Secured Obligations of all Secured Parties entitled to such distribution.

Section 5.04. **Application of Proceeds - General.**

(1) Subject to the terms of the Intercreditor Agreements, all payments required to be made hereunder shall be made to the Collateral Agent for the account of the applicable Secured Parties or as the Collateral Agent may otherwise direct in accordance with the Loan Documents.

(2) The parties hereto agree that the provisions of this Article V shall apply to distributions and/or realizations on account of all assets securing the Secured Obligations, including assets not defined as Collateral hereunder (including, for the avoidance of doubt, all Real Property of the Grantors mortgaged to the Collateral Agent for the benefit of some or all of the Secured Parties), with Section 5.02 applying to all 2013 Collateral (as defined in the Credit Agreement) and Section 5.03 applying to all other Collateral (as defined in the Credit Agreement).

(3) For purposes of applying payments received in accordance with Sections 5.02 and 5.03, the Collateral Agent will be entitled to rely upon (a) the Administrative Agent, (b) the Existing Notes Trustee and (c) the applicable Secured Parties with respect to payments of Specified Hedge Agreements or any Cash Management Obligations (which the Administrative Agent and each other Secured Party agrees (or shall agree) to provide upon
40

(4) Subject to the other limitations (if any) set forth herein and in the other Loan Documents, it is understood that the Loan Parties will remain liable (as and to the extent set forth herein except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from the Collateral Agent’s gross negligence or willful misconduct) to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations of the Loan Parties.

(5) It is understood and agreed by each Loan Party that the Collateral Agent will have no liability for any determinations made by it in Section 5.02 or Section 5.03 except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such Person’s own gross negligence, bad faith or willful misconduct. Each Loan Party also agrees that the Collateral Agent may (but shall not be required to), at any time and in its sole discretion, and with no liability resulting therefrom, petition a court of competent jurisdiction regarding any application of Collateral in accordance with the requirements hereof and of each Intercreditor Agreements, and the Collateral Agent shall be entitled to wait for, and may conclusively rely on, any such determination.

(6) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, the Collateral Agent will not be required to marshal the Collateral or any guarantee of the Secured Obligations or to resort to the Collateral or any such Guarantee in any particular order.

(7) Notwithstanding the foregoing Sections 5.02 and 5.03, the proceeds of any collection, sale, foreclosure or realization upon any Collateral of any Grantor, including any Collateral consisting of cash, shall not be applied to any Excluded Swap Obligation of such Grantor and shall instead be applied to other applicable Secured Obligations.

(8) Notwithstanding the foregoing Sections 5.02 and 5.03, any amounts distributable thereunder on account of Non-Participating Term Loan Exchange Obligations shall be turned over by the Lenders holding such Term Loan Obligations to the Lenders holding Term Loan Obligations (other than (i) Non-Participating Term Loan Exchange Obligations and (ii) 2013 Term Loan Obligations), until such Term Loan Obligations are paid in full. By becoming party to the Credit Agreements as Lenders, the Lenders holding Non-Participating Term Loan Exchange Obligations shall be deemed to have irrevocably authorized and instructed the Administrative Agent and Collateral Agent to pay amounts distributable to them but for the provisions of this paragraph to the applicable Secured Parties in accordance with, and in satisfaction of their obligations under, this paragraph.

(9) Subject to the terms of the Intercreditor Agreements, notwithstanding the foregoing Sections 5.02 and 5.03 (but subject to clauses (a) and (b) of Section 5.03), following the
Call Right Cap Recovery, the proceeds of any collection, sale, foreclosure or realization upon any Call Right Collateral shall be applied to the Secured Obligations as follows: first, on account of the Additional 2019 Extended Term Loans and related Term Loan Obligations until paid in full; second, on account of the other Term Loan Obligations, other than the 2013 Term Loan Obligations and Non-Participating Term Loan Exchange Obligations, until paid in full; third, on account of the Non-Participating Term Loan Exchange Obligations, until paid in full; fourth, on account of the Existing Notes Obligations, until paid in full; and thereafter in accordance with clause (d) of Section 5.02 or 5.03, as applicable.

Section 5.05. Securities Act, Etc. In view of the position of the Grantors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar federal statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the “Federal Securities Laws”) with respect to any disposition of the Pledged Collateral permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Collateral Agent if the Collateral Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Collateral Agent in any attempt to dispose of all or part of the Pledged Collateral under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, the Collateral Agent, in its sole and absolute discretion, may (1) proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws or, to the extent applicable, Blue Sky or other state securities laws and (2) approach and negotiate with a single potential purchaser to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Collateral Agent will incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section 5.05 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Collateral Agent sells.

ARTICLE VI
INDEMNITY, SUBROGATION AND SUBORDINATION

Section 6.01. Indemnity. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 6.03 hereof), each Borrower agrees that (a) in the event a payment is made by any Guarantor under this Agreement in respect of any Secured Obligation of such Borrower, such Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person
to whom such payment shall have been made to the extent of such payment and (b) in the event any assets of any Guarantor are sold pursuant to this Agreement or any other Security Document to satisfy in whole or in part a Secured Obligation of any Borrower, such Borrower will indemnify such Guarantor in an amount equal to the greater of the book value or the fair market value of the assets so sold.

Section 6.02. Contribution and Subrogation. Subject to Section 2.07, each Guarantor (a “Contributing Guarantor”) agrees (subject to Section 6.03 hereof) that, in the event a payment shall be made by any other Guarantor hereunder in respect of any applicable Secured Obligation or assets of any other Guarantor are sold pursuant to any Security Document to satisfy any Secured Obligation owed to any applicable Secured Party and such other Guarantor (the “Claiming Guarantor”) shall not have been fully indemnified by a Borrower as provided in Section 6.01 hereof, the Contributing Guarantor shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment or the greater of the book value or the fair market value of such assets (the “Indemnified Amount”), as applicable, in each case multiplied by a fraction of which the numerator shall be the net worth of such Contributing Guarantor (without giving effect to any guarantees of Indebtedness of the Borrowers or any other Person) on the date hereof and the denominator will be the aggregate net worth (without giving effect to any guarantees of Indebtedness of the Borrowers or any other Person) of all the Guarantors on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 7.16 hereof, the date of the supplement hereto executed and delivered by such Guarantor). Any Contributing Guarantor making any payment to a Claiming Guarantor pursuant to this Section 6.02 shall be subrogated to the rights of such Claiming Guarantor under Section 6.01 hereof to the extent of such payment. Notwithstanding the foregoing, to the extent that any Claiming Guarantor’s right to indemnification hereunder arises from a payment or sale of Collateral made to satisfy any Secured Obligation constituting Swap Obligations, only those Contributing Guarantors for whom such Swap Obligations do not constitute Excluded Swap Obligations shall indemnify such Claiming Guarantor, with the fraction set forth in the second preceding sentence being modified as appropriate to provide for indemnification of the entire Indemnified Amount.

Section 6.03. Subordination.

1. Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 6.01 and 6.02 hereof and all other rights of indemnity, contribution or subrogation of the Guarantors under applicable law or otherwise will be fully subordinated to the payment in full in cash or immediately available funds of the applicable Secured Obligations (other than Secured Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted) until such time as this Agreement has been terminated in accordance with Section 7.15(a). No failure on the part of any Borrower or any Guarantor to make the payments required by Sections 6.01 and 6.02 hereof (or any other payments required under applicable law or otherwise) will in any respect limit the obligations and liabilities of any Borrower with respect to the applicable Secured Obligations or any Guarantor with respect to its obligations hereunder, and each Borrower shall remain liable for the full amount of the applicable Secured Obligations and each Guarantor shall remain liable for the full amount of its obligations hereunder.
(2) Each Borrower and each Guarantor hereby agree that all Indebtedness and other monetary obligations owed by it to any other Borrower, any other Guarantor or any Subsidiary will be fully subordinated to the payment in full in cash or immediately available funds of the applicable Secured Obligations (other than Secured Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted).

(3) The guaranty obligations of Notes PropCo, if any, evidenced hereby are subordinate, in the manner and to the extent set forth in the Notes PropCo Subordination Agreement, if applicable, to the Senior Priority Guarantee Obligations (as defined in the Notes PropCo Subordination Agreement); and each holder of this instrument, by its acceptance hereof, irrevocably agrees to be bound by the provisions of the Notes PropCo Subordination Agreement, if applicable.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Notices. All communications and notices hereunder shall (except as otherwise permitted herein) be in writing and given as provided in Section 10.01 of the Credit Agreement. All communications and notices hereunder to any Grantor will be given to it in care of the Lead Borrower, with such notice to be given as provided in Section 10.01 of the Credit Agreement.

Section 7.02. Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest in the Article 9 Collateral, the security interest in the Pledged Collateral and all obligations of each Grantor hereunder will be absolute and unconditional irrespective of:

(1) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing;

(2) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, the Existing Notes Indenture or any other agreement or instrument;

(3) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations; or

(4) subject only to termination or release of a Guarantor’s obligations hereunder in accordance with the terms of Section 7.15 hereof any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement (other than a defense of payment or performance).

43
Section 7.03. **Limitation By Law.** All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 7.04. **Binding Effect; Several Agreement.** This Agreement will become effective as to any party to this Agreement when a counterpart hereof executed on behalf of such party is delivered to the Collateral Agent and a counterpart hereof is executed on behalf of the Collateral Agent, and thereafter will be binding upon such party and the Collateral Agent and their respective permitted successors and assigns, and will inure to the benefit of such party, the Collateral Agent and the other Secured Parties and their respective permitted successors and assigns, except that no party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement, the Credit Agreement. This Agreement will be construed as a separate agreement with respect to each Loan Party and may be amended, modified, supplemented, waived or released with respect to any Loan Party without the approval of any other Loan Party and without affecting the obligations of any other Loan Party hereunder.

Section 7.05. **Successors and Assigns.** Whenever in this Agreement any of the parties hereto is referred to, such reference will be deemed to include the permitted successors and assigns of such party, and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns; provided that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent. The Collateral Agent hereunder will at all times be the same Person that is the Collateral Agent under the Credit Agreement. Written notice of resignation by the Administrative Agent pursuant to the Credit Agreement will also constitute notice of resignation as the Collateral Agent under this Agreement. Upon the acceptance of any appointment as the Administrative Agent under the Credit Agreement by a successor Administrative Agent, that successor Administrative Agent will thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent pursuant hereto.

Section 7.06. **Collateral Agent’s Fees and Expenses; Indemnification.** The parties hereto agree that the Collateral Agent will be entitled to reimbursement of its expenses incurred hereunder as provided in Section 10.05 of the Credit Agreement and the provisions of Section 10.05 shall be incorporated by reference herein and apply to each Grantor mutatis mutandis.

Section 7.07. **Collateral Agent Appointed Attorney-in-Fact.** Each Grantor hereby appoints the Collateral Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. The Collateral Agent will have the right, upon the occurrence and during the continuance of an Event of Default, with full power of substitution either in the Collateral Agent’s name or in the name of such Grantor, to:
(1) receive, endorse, assign or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof;

(2) demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral;

(3) ask for, demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due under and by virtue of any Collateral;

(4) sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral;

(5) send verifications of Accounts to any Account Debtor;

(6) commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral;

(7) settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral;

(8) notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent; and

(9) use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes;

provided that nothing herein contained will be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties will be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

Section 7.08. APPLICABLE LAW. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (EXCEPT FOR CONFLICTS OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION).

Section 7.09. Waivers; Amendment.
No failure or delay by the Collateral Agent or any Lender in exercising any right, power or remedy hereunder or under any other Loan Document will operate as a waiver thereof, nor will any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights, powers or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Loan Party therefrom will in any event be effective unless the same is permitted by paragraph (2) of this Section 7.09, and then such waiver or consent will be effective only in the specific instance and for the purpose for which given.

Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Loan Party or Loan Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 10.08 of the Credit Agreement.

Section 7.10. WAIVER OF JURY TRIAL. The provisions of Section 10.11 of the Credit Agreement shall be incorporated by reference herein and apply to each party hereto.

Section 7.11. Severability. In the event any one or more of the provisions contained in this Agreement is held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein will not in any way be affected or impaired thereby.

Section 7.12. Counterparts. This Agreement may be executed in two or more counterparts, each of which will constitute an original but all of which when taken together will constitute but one contract, and will become effective as provided in Section 7.04 hereof. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission will be as effective as delivery of a manually signed original.

Section 7.13. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 7.14. Jurisdiction; Consent to Service of Process. The provisions of Section 10.15 of the Credit Agreement shall be incorporated by reference herein and apply to each party hereto.

Section 7.15. Termination or Release. This Agreement, the guarantees made herein, the pledges made herein, the Security Interest and all other security interests granted hereby shall terminate when all the Term Loan Obligations (other than Term Loan Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations, in each case, that are not yet due and payable and for which no claim has been asserted) have been paid in full in cash or immediately available funds and the Lenders
have no further commitment to lend under the Credit Agreement; provided, however, that no such termination shall be effective at any time when any Existing Notes Obligations remain outstanding unless and until (a) the Lead Borrower has notified the Collateral Agent in writing whether at such time there is outstanding any debt of any Person that is secured by the Existing Notes Designated Collateral (which notification the Lead Borrower hereby agrees to provide promptly upon the Collateral Agent’s request therefor) and (b) if any such secured debt is outstanding at such time, the Collateral Agent has taken such actions, at the expense of the Borrowers, as the Lead Borrower may reasonably request to transfer all Collateral consisting of Existing Notes Designated Collateral and all related Liens thereon and security interests therein (without any representation or warranties (other than a representation and warranty as to no Liens on the Existing Notes Designated Collateral created by the Agent in its individual capacity)) to the Existing Notes Trustee or such other agent or Person as the Lead Borrower may direct (provided further, however, that if such other secured debt is (x) under the ABL Credit Agreement, all such Collateral in the form of possessory collateral shall be transferred to the collateral agent under the ABL Credit Agreement, notwithstanding anything in the foregoing to the contrary, (y) under the Second Lien Notes, all such Collateral in the form of possessory collateral shall be transferred to the collateral agent under the Second Lien Notes Indenture, notwithstanding anything in the foregoing to the contrary (unless secured debt described in the immediately preceding clause (x) is also outstanding, in which case such clause (x) shall govern) or (z) under the Third Lien Notes, all such Collateral in the form of possessory collateral shall be transferred to the collateral agent under the Third Lien Notes Indenture, notwithstanding anything in the foregoing to the contrary (unless secured debt described in the immediately preceding clause (x) and/or clause (y) is also outstanding, in which case such clause (x) or clause (y), as applicable, shall govern)).

(2) A Grantor or Guarantor that is a Subsidiary shall automatically be released from its obligations hereunder and the security interests in the Collateral of such Grantor or Guarantor shall be automatically released upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Grantor or Guarantor ceases to be a Subsidiary Loan Party; provided that such portion of the Lenders as are required by the terms of the Credit Agreement to consent to such transaction shall have consented thereto; provided, further, to the extent the ABL Security Documents, Second Lien Notes Collateral Documents (as defined in the Junior Lien Intercreditor Agreement) or the Third Lien Notes Collateral Documents (as defined in the Junior Lien Intercreditor Agreement) are in effect on such date, such Grantor or Guarantor (and the security interests in the Collateral in respect thereof) is released under such ABL Security Documents, Second Lien Notes Collateral Documents and Third Lien Notes Collateral Documents, as applicable, concurrently with the release referred to in this clause (2).

(3) Upon any sale or other transfer by any Grantor of any Collateral that is permitted under the Credit Agreement to any Person that is not a Grantor, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 10.08 of the Credit Agreement or pursuant to Section 5.1 of the ABL/Term Loan/Notes Intercreditor Agreement or Sections 5.1 or 5.2 of the Junior Lien Intercreditor Agreement, the security interest in such Collateral shall be automatically released; provided to the extent the ABL Security Documents, Second Lien Notes
Collateral Documents or the Third Lien Notes Collateral Documents are in effect on such date, such Grantor (and the security interests in the Collateral in respect thereof) is released under such ABL Security Documents, Second Lien Notes Collateral Documents and Third Lien Notes Collateral Documents, as applicable, concurrently with the release referred to in this clause (3).

(4) In connection with any termination or release pursuant to paragraph (1), (2) or (3) of this Section 7.15, the Collateral Agent shall execute and deliver to any Grantor or Guarantor, at such Grantor’s or Guarantor’s expense, all documents that such Grantor or Guarantor reasonably requests to evidence such termination or release (including UCC termination statements) and will duly assign and transfer to such Grantor or Guarantor such of the Pledged Collateral that may be in the possession of the Collateral Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement; provided that the Collateral Agent will not be required to take any action under this Section 7.15(4) unless such Grantor or Guarantor shall have delivered to the Collateral Agent together with such request, which may be incorporated into such request: (a) a reasonably detailed description of the Collateral, which in any event is sufficient to effect the appropriate termination or release without affecting any other Collateral and (b) a certificate of a Responsible Officer of the Borrower or such Grantor or Guarantor certifying that the transaction giving rise to such termination or release is permitted by the Credit Agreement and was or is consummated in compliance with the Loan Documents. Any execution and delivery of documents pursuant to this Section 7.15 shall be without recourse to or warranty by the Collateral Agent.

Section 7.16. **Additional Subsidiaries.** Upon execution and delivery by the Collateral Agent and any Subsidiary that is required to become a party hereto by Section 5.10 of the Credit Agreement of a supplement in substantially the form of Exhibit I hereto, such Subsidiary will become a Grantor and/or a Guarantor hereunder with the same force and effect as if originally named as a Grantor and/or a Guarantor herein. The execution and delivery of any such supplement will not require the consent of any other party to this Agreement. The rights and obligations of each party to this Agreement will remain in full force and effect notwithstanding the addition of any new party to this Agreement.

Section 7.17. **Effect of Amendment and Restatement.** This Agreement is intended to and does completely amend and restate, without novation, that certain Term Loan Guarantee and Collateral Agreement, dated October 25, 2013, by the Grantors party thereto in favor of the Collateral Agent (as amended or supplemented prior to the date hereof, the “Original Guarantee and Collateral Agreement”). Notwithstanding the modifications effected by this Agreement of the representations, warranties and covenants of the Grantors and Guarantors contained in the Original Guarantee and Collateral Agreement, the Grantors and Guarantors acknowledge and agree that any causes of action or other rights created in favor of the Collateral Agent and its successors arising out of the representations, warranties and covenants of the Grantors and/or Guarantors thereto contained in or delivered in connection with the Original Guarantee and Collateral Pledge Agreement shall survive the execution and delivery of this Agreement. All indemnification obligations of the Grantors and Guarantors pursuant to the Original Guarantee and Collateral Agreement (including any arising from a breach of the representations thereunder) shall
survive the amendment and restatement of the Original Guarantee and Collateral Agreement pursuant to this Agreement.

Notwithstanding anything herein or in any other Loan Document to the contrary, the parties hereto expressly acknowledge that it is not their intention that the Extension Amendment, this Agreement or any of the other Loan Documents executed or delivered pursuant to the Extension Amendment constitute a novation of any of the obligations, covenants or agreements contained in the Original Guarantee and Collateral Agreement or any other Loan Document, but rather constitute a modification thereof or supplement thereto pursuant to the terms contained therein and herein. The Original Guarantee and Collateral Agreement and the other Loan Documents, in each case as amended, modified or supplemented hereby and by the Extension Amendment, shall be deemed to be continuing agreements among the parties thereto, and all documents, instruments, and agreements delivered, as well as all Liens created, pursuant to or in connection with the Original Guarantee and Collateral Agreement and the other Loan Documents shall remain in full force and effect, each in accordance with its terms (as amended, modified or supplemented by the Extension Amendment and this Agreement).

ARTICLE VIII
CONCERNING THE EXISTING NOTES TRUSTEE AND HOLDERS OF THE EXISTING 2028 DEBENTURES

Section 8.01. Collateral Agent’s Consent to Serve. The Collateral Agent has consented to serve as Collateral Agent hereunder on the express understanding, and the Existing Notes Trustee and each holder of Existing 2028 Debentures, by accepting the benefits of this Agreement, will be deemed to have agreed, that the Collateral Agent will have no duty and will owe no obligation or responsibility (fiduciary or otherwise) to the Existing Notes Trustee or such holders, other than the duty to perform its express obligations under this Agreement in accordance with its terms and the terms of the Junior Lien Intercreditor Agreement, the ABL/TERM Loan/Notes Intercreditor Agreement, and any other security documents for which the Collateral Agent is the collateral agent with respect to the Existing Notes Designated Collateral. Without limiting the foregoing, each of the Existing Notes Trustee and each holder of Existing 2028 Debentures, by accepting the benefits of this Agreement, will be deemed to have waived any right it might have, under applicable law or otherwise, to compel the sale or other disposition of any Collateral, and any obligation the Collateral Agent might have, under applicable law or otherwise, to obtain any minimum price for any Collateral upon the sale thereof, it being expressly understood, and the availability of the benefits of this Agreement to the Existing Notes Trustee and each holder of Existing 2028 Debentures being conditioned upon the understanding, that the sole right of the holders of the Existing 2028 Debentures will be to receive their ratable share of any proceeds of Existing Notes Designated Collateral in accordance with and subject to the provisions of this Agreement, the Intercreditor Agreements and the other Security Documents. Each of the Existing Notes Trustee and each holder of Existing 2028 Debentures, by accepting the benefits of this Agreement, will be deemed to have agreed to the provisions set forth in, and to have provided the consents, authorizations and instructions provided by the Lenders under, Article IX of the Credit Agreement (as such Article applies to the appointment of, and other matters relating to, the Collateral Agent) and Section 10.20 of the Credit Agreement. For the avoidance of doubt, nothing in this Agreement shall modify or in any way limit the rights and remedies available to the Existing
Notes Trustee and each holder of Existing 2028 Debentures under the Existing Notes Indenture.

Section 8.02 Determination of Amounts of Existing Notes Obligations and Existence of Existing Notes Events of Default; Acceleration.
Whenever the Collateral Agent is required to determine the existence or amount of any of the Existing Notes Obligations or the existence of any Existing Notes Event of Default for any purposes of this Agreement, it will request written certification of such existence or amount from the Existing Notes Trustee and will be entitled to make such determination on the basis of such certification; provided, however, that if, notwithstanding the request of the Collateral Agent, the Existing Notes Trustee fails or refuses reasonably promptly to certify as to the existence or amount of any Existing Notes Obligation or the existence of any Existing Notes Event of Default, the Collateral Agent will be entitled to determine such existence or amount by such commercially reasonable method as the Collateral Agent may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Lead Borrower. The Collateral Agent may rely conclusively, and will be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and will have no liability to the Borrowers, any other Grantor, any Secured Party or any other Person as a result of such determination or any action taken pursuant thereto except to the extent such liability is determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of the Collateral Agent. The Existing Notes Trustee will promptly notify the Collateral Agent of any Existing Notes Event of Default of which it will have been notified by any Existing Notes Secured Party or of which it will have otherwise become aware or any acceleration of any of the Existing Notes Obligations; provided that failure to give any such notice will not affect any rights or remedies of the Collateral Agent or any Secured Party arising in connection with any such acceleration.

(1) Reference is made to the class action settlement involving Visa and Mastercard, who separately and together with certain banks, engaged with certain actions that resulted in merchants paying excessive interchange fees when accepting Visa and Mastercard credit and debit cards in connection with store and online purchases. Under the settlement, Visa, Mastercard and other bank defendants have agreed to provide approximately $6.24 billion in class settlement funds. The net class settlement fund will be used to pay valid claims of merchants that accepted Visa and Mastercard credit or debit cards between January 1, 2004 through January 25, 2019.

The Court has given preliminary approval to this settlement. A Court hearing is set for November 7, 2019 for the Court to officially approve of the settlement.

Merchants have until July 23, 2019 to decide if they will stay in the settlement and wait to file a claim, object to the settlement and file a notice to appear with the Court, or to opt out and make a separate claim.

The Company is in the process of evaluating the potential recovery on its portion of the claims and believes there is a reasonable chance such recovery will exceed $2.5 million.

the terms of this Agreement and such Lender will not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(3) At the commencement of each Interest Period for any Eurocurrency Revolving Facility Borrowing, such Borrowing will be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. At the time that each ABR Revolving Facility Borrowing is made, such Borrowing will be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided that an ABR Revolving Facility Borrowing may be in an aggregate amount that is equal to the entire unused available balance of the Revolving Facility Commitments or that is required to finance the reimbursement of an L/C Disbursement as contemplated by Section 2.05(5). Each Swingline Borrowing will be in an amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type may be outstanding at the same time; provided that there will not at any time be more than ten Eurocurrency Revolving Facility Borrowings outstanding.

(4) Notwithstanding any other provision of this Agreement, no Borrower Party will be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

SECTION 2.03 Requests for Borrowings.

(1) To request a Revolving Facility Borrowing, (a) with respect to any initial ABR Borrowing on the Closing Date, the Borrower will deliver to the Administrative Agent a Borrowing Request not later than 2:00 p.m., New York City time, one Business Day before the anticipated Closing Date, requesting that the Lenders make the Loans on the Closing Date; provided that such Borrowing Request may be conditioned upon occurrence of the Closing Date and (b) with respect to any other Borrowing, the Borrower will notify the Administrative Agent of such request by telephone (i) in the case of a Eurocurrency Revolving Facility Borrowing, not later than 2:00 p.m., New York City time, three Business Days before the date of the proposed Borrowing or (ii) in the case of an ABR Borrowing, not later than 10:00 a.m., New York City time, on the date of the proposed Borrowing; provided that any such notice of an ABR Borrowing to finance the reimbursement of an L/C Disbursement as contemplated by Section 2.05(5) may be given not later than 12:00 noon, New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request will be irrevocable and will be confirmed promptly by hand delivery, facsimile or e mail to the Administrative Agent of a written Borrowing Request substantially in the form of Exhibit D-1 and signed by the Borrower.

(2) Each such telephonic and written Borrowing Request will specify the following information in compliance with Section 2.02:

(a) the aggregate amount of the requested Borrowing, which amount will not exceed Excess Availability;

(b) the date of such Borrowing, which will be a Business Day;

(c) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Revolving Facility Borrowing;
(d) in the case of a Eurocurrency Revolving Facility Borrowing, the initial Interest Period to be applicable thereto, which will be a period contemplated by the definition of the term “Interest Period;” and

(e) the location and number of the applicable Borrower Party’s account to which funds are to be disbursed.

(3) **Disbursement.** Each Borrower Party hereby irrevocably authorizes the Administrative Agent to disburse the proceeds of each Loan requested pursuant to this Section 2.03. The proceeds of each Revolving Loan requested under this Section 2.03 will be disbursed by the Administrative Agent in immediately available funds and in the same form as received from the Lenders, in the case of a borrowing on the Closing Date permitted under Section 2.01(1), in accordance with the terms of the written disbursement letter from the Borrower and, in the case of each Borrowing after the Closing Date, by wire transfer to such bank account as may be agreed upon by the Borrower and the Administrative Agent, from time to time or elsewhere if pursuant to a written direction from the Borrower. If at any time any Loan is funded in excess of the amount requested by the Borrower, the Borrower Parties agree, jointly and severally, to repay the excess to the Administrative Agent immediately upon notice thereof to the Borrower from the Administrative Agent or any Lender.

(4) If no election as to the Type of Revolving Facility Borrowing is specified, then the requested Revolving Facility Borrowing will be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Revolving Facility Borrowing, then the Borrower will be deemed to have selected an Interest Period of one month’s duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent will advise the Lenders of the details thereof and of the amount of each such Lender’s Loan to be made as part of the requested Borrowing.

**SECTION 2.04 Swingline Loans.**

(1) Subject to the terms and conditions set forth herein, the Swingline Lender agrees to make Swingline Loans to the Borrower Parties from time to time during the Availability Period in an aggregate principal amount at any time outstanding that will not result in (a) the aggregate principal amount of outstanding Swingline Loans exceeding the Swingline Commitment; (b) the Revolving Facility Credit Exposure exceeding the total Available Revolving Facility Commitments; or (c) the Revolving Facility Credit Exposure exceeding the Borrowing Base; provided that the Swingline Lender will not be required to make a Swingline Loan to refinance an outstanding Swingline Borrowing. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower Parties may borrow, prepay and reborrow Swingline Loans.

(2) To request a Swingline Borrowing, the Borrower will notify the Administrative Agent and the Swingline Lender of such request by telephone (confirmed by a Swingline Borrowing Request by email or facsimile), not later than 2:00 p.m., New York City time, on the day of a proposed Swingline Borrowing. Each such notice and Swingline Borrowing Request will be irrevocable and will specify the requested (a) date (which will be a Business Day) and (b) amount of the Swingline Borrowing. The Swingline Lender will consult with the Administrative Agent as to whether the making of the Swingline Loan is in accordance with the terms of this Agreement prior to the Swingline Lender funding such Swingline Loan. The Swingline Lender will make each Swingline Loan in accordance with Section 2.02(2) on the proposed date thereof by wire transfer of immediately available funds by 5:00 p.m., New York City time, to the account of the Borrower.
Parties (or, in the case of a Swingline Borrowing made to finance the reimbursement of an L/C Disbursement as provided in Section 2.05(5), by remittance to the applicable Issuing Bank); provided that the Swingline Lender will not be obligated to make any Swingline Loan at any time when any Lender is at such time a Defaulting Lender, unless the Swingline Lender (i) is satisfied in its reasonable discretion that the related exposure will be 100% covered by the Commitments of the non-Defaulting Lenders pursuant to clause (3) below or (ii) has otherwise entered into satisfactory arrangements with the Borrower Parties or such Lender to eliminate the Swingline Lender’s risk with respect to such Lender.

(3)

(a) The Swingline Lender may by written notice given to the Administrative Agent not later than 10:00 a.m., New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the outstanding Swingline Loans made by it. Such notice will specify the aggregate amount of such Swingline Loans in which the Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each such Lender, specifying in such notice such Revolving Lender’s Revolving Facility Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent for the account of the Swingline Lender, such Revolving Lender’s Revolving Facility Percentage of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its respective obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and will not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or an Event of Default or reduction or termination of the Commitments, and that each such payment will be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender will comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Revolving Lender (and Section 2.06 will apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent will promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders.

(b) The Administrative Agent will notify the Borrower of any participations in any Swingline Loan acquired pursuant to paragraph (3)(a), and thereafter payments in respect of such Swingline Loan will be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from any Borrower Party (or other party on behalf of any Borrower Party) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein will be promptly remitted to the Administrative Agent and any such amounts received by the Administrative Agent will be promptly remitted by the Administrative Agent to the Revolving Lenders that made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted will be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to any Borrower Party for any reason. The purchase of participations in a Swingline Loan pursuant to paragraph (3)(a) will not relieve any Borrower Party of any default in the payment thereof.

(4) If the Maturity Date in respect of any tranche of Revolving Facility Commitments occurs at a time when Extended Commitments are in effect, then

(i) on such Maturity Date all then outstanding
Swingline Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swingline Loans as a result of the occurrence of such Maturity Date) or refinanced with a borrowing of an Extension pursuant to Section 2.23; provided that, if on the occurrence of the such Maturity Date (after giving effect to any repayments of Revolving Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.05), there shall exist sufficient unutilized Extended Commitments so that the respective outstanding Swingline Loans could be incurred pursuant to the Extended Commitments which will remain in effect after the occurrence of such Maturity Date, then there shall be an automatic adjustment on such date of the participations in such Swingline Loans and same shall be deemed to have been incurred solely pursuant to the Extended Commitments and such Swingline Loans shall not be so required to be repaid in full on such Maturity Date.

SECTION 2.05 Letters of Credit.

(1) General. Subject to the terms and conditions set forth herein, the Borrower may request the issuance of (a) trade letters of credit in support of trade obligations of the Borrower or any Subsidiary Loan Party incurred in the ordinary course of business (such letters of credit issued for such purposes, "Trade Letters of Credit") and (b) standby letters of credit issued for any other lawful purposes of the Borrower or any Subsidiary Loan Party (such letters of credit issued for such purposes, "Standby Letters of Credit") for their own account or for the account of any Subsidiary in a form reasonably acceptable to the applicable Issuing Bank, at any time and from time to time during the Availability Period and prior to the date that is five Business Days prior to the Maturity Date. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement will control. "Letters of Credit" will include Trade Letters of Credit and Standby Letters of Credit and the Existing Letters of Credit. Each Existing Letter of Credit will be deemed to have been issued under this Section 2.05 on the Closing Date.

(2) Notice of Issuance, Amendment, Renewal, Extension.

(a) To request the issuance of a Letter of Credit (or the amendment, renewal (other than an automatic extension in accordance with paragraph (3) of this Section 2.05) or extension of an outstanding Letter of Credit) the Borrower will deliver by hand or facsimile (or transmit by e-mail, if arrangements for doing so have been approved by the applicable Issuing Bank) to the applicable Issuing Bank and the Administrative Agent three Business Days in advance of the requested date of issuance, amendment or extension (or such shorter period as the Administrative Agent and the Issuing Bank in their sole discretion may agree) a Letter of Credit Request requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment or extension (or such shorter period as the Administrative Agent and the Issuing Bank in their sole discretion may agree) a Letter of Credit Request requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment or extension (which will be a Business Day), the date on which such Letter of Credit is to expire (which will comply with paragraph (3) of this Section 2.05), the amount of such Letter of Credit, the name and address of the beneficiary thereof, whether such Letter of Credit constitutes a Standby Letter of Credit or a Trade Letter of Credit, and such other information as is necessary to issue, amend or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower will also submit a letter of credit application on such Issuing Bank’s standard form in connection with any request for a
Letter of Credit. A Letter of Credit will be issued, amended or extended only if (and upon issuance, amendment or extension of each Letter of Credit the Borrower Parties will be deemed to represent and warrant that), after giving effect to such issuance, amendment or extension:

(i) the Revolving L/C Exposure will not exceed the Letter of Credit Sublimit; and

(ii) the Revolving Facility Credit Exposure will not exceed the Line Cap.

(b) Notwithstanding anything to the contrary contained herein, the Issuing Bank will not issue (or be obligated to issue) any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator by its terms purports to enjoin or restrain the Issuing Bank from issuing such Letter of Credit;

(ii) any applicable law or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Issuing Bank prohibits the issuance of letters of credit generally;

(iii) such Letter of Credit imposes upon the Issuing Bank any restriction, reserve or capital requirement (for which the Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date;

(iv) such Letter of Credit imposes upon the Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the Issuing Bank in good faith deems material to it;

(v) any Lender is at such time a Defaulting Lender, unless the Issuing Bank (A) is satisfied in its reasonable discretion that the related exposure will be 100% covered by the Commitments of the non-Defaulting Lenders pursuant to Section 2.26(1) or (B) has otherwise entered into satisfactory arrangements with the Borrower Parties or such Lender to eliminate the Issuing Bank’s risk with respect to such Lender; or

(vi) the issuance of such Letter of Credit would cause the aggregate face amount of all Letters of Credit issued and outstanding by the Issuing Bank to exceed such Issuing Bank’s Letter of Credit Commitment.

(3) **Expiration Date.**

(a) Each Standby Letter of Credit will expire at or prior to the close of business on the earlier of (i) the date one year (unless otherwise agreed upon by the Administrative Agent and the Issuing Bank in their sole discretion) after the date of issuance of such Standby Letter of Credit (or, in the case of any extension thereof, one year (unless otherwise agreed upon by the Administrative Agent and the Issuing Bank in their sole discretion) after such renewal or extension) and (ii) the date that is five Business Days prior to the Maturity Date; provided that any Standby Letter of Credit with a one-year tenor may provide for the automatic extension thereof for additional one-year periods (which will in no event extend beyond the date referred to in the preceding clause (ii)) so long as such Standby Letter of Credit permits the Issuing Bank to prevent any such extension at least once in each
12-month period (commencing with the date of issuance of such Standby Letter of Credit) by giving prior notice to the beneficiary thereof within a time period during such 12-month period to be agreed upon at the time such Standby Letter of Credit is issued; provided, further, that if the Issuing Bank and the Administrative Agent each consent in their sole discretion, the expiration date of any Standby Letter of Credit may extend beyond the date referred to in clause (ii) above; and, provided, further, that (A) if any such Standby Letter of Credit is outstanding or is issued after the date that is 30 days prior to the Maturity Date, the Borrower Parties will provide cash collateral pursuant to documentation reasonably satisfactory to the Administrative Agent and the relevant Issuing Bank in an amount equal to 103% of the face amount of each such Standby Letter of Credit on or prior to the date that is 30 days prior to the Maturity Date or, if later, such date of issuance, and (B) each Revolving Lender’s participation in any undrawn Letter of Credit that is outstanding on the Maturity Date will terminate on the Maturity Date.

(b) Each Trade Letter of Credit will expire on the earlier of (A) 180 days after such Trade Letter of Credit’s date of issuance or (B) the date that is five Business Days prior to the Maturity Date.

(4) **Participations.** By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Revolving Lenders, such Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender’s Revolving Facility Percentage of the aggregate amount available to be drawn under such Letter of Credit. Each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, its Revolving Facility Percentage of each L/C Disbursement made by such Issuing Bank and not reimbursed by the Borrower Parties on the date due as provided in paragraph (5) of this Section 2.05, or of any reimbursement payment required to be refunded to the Borrower Parties for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and will not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or Event of Default or reduction or termination of the Commitments, and that each such payment will be made without any offset, abatement, withholding or reduction whatsoever.

(5) **Reimbursement.**

(a) If the applicable Issuing Bank makes any L/C Disbursement in respect of a Letter of Credit, the Borrower Parties will reimburse such L/C Disbursement by paying to the Administrative Agent an amount equal to such L/C Disbursement not later than 2:00 p.m., New York City time, on the first Business Day after the Borrower receives notice under paragraph (8) of this Section 2.05 of such L/C Disbursement (or the second Business Day, if such notice is received after 12:00 noon, New York City time), together with accrued interest thereon from the date of such L/C Disbursement at the rate applicable to ABR Loans; provided that the Borrower Parties may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.04 that such payment be financed with an ABR Revolving Facility Borrowing or a Swingline Borrowing, as applicable, in an equivalent amount and, to the extent so financed, the Borrower Parties’ obligations to make such payment will be discharged and replaced by the resulting ABR Revolving Facility Borrowing or Swingline Borrowing. If such Letter of Credit is denominated in a currency
other than Dollars, all reimbursements by the Borrower Parties of the honoring of any drawing under such Letter of Credit will be paid in the currency in which such Letter of Credit was denominated.

(b) If the Borrower Parties fail to reimburse any L/C Disbursement when due, then the Administrative Agent will promptly notify the applicable Issuing Bank and each other Revolving Lender of the applicable L/C Disbursement, the payment then due from the Borrower Parties in respect thereof and, in the case of a Revolving Lender, such Lender’s Revolving Facility Percentage thereof. Promptly following receipt of such notice, each Revolving Lender will pay to the Administrative Agent its Revolving Facility Percentage of the payment then due from the Borrower Parties in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 will apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent will promptly pay to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders. Any payment made by a Revolving Lender pursuant to this paragraph (5) to reimburse an Issuing Bank for any L/C Disbursement (other than the funding of an ABR Revolving Loan or a Swingline Borrowing as contemplated above) will not constitute a Loan and will not relieve the Borrower Parties of their obligations to reimburse such L/C Disbursement.

(c) Promptly following receipt by the Administrative Agent of any payment from the Borrower Parties pursuant to paragraph (5)(a), the Administrative Agent will distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to paragraph (5)(b) to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear.

(6) **Obligations Absolute.** The obligations of the Borrower Parties to reimburse L/C Disbursements as provided in paragraph (5) of this Section 2.05 will be absolute, unconditional and irrevocable, and will be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of:

(a) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein;

(b) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect;

(c) payment by the applicable Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit; or

(d) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.05, constitute a legal or equitable discharge of, or provide a right of setoff against, any Borrower Party’s obligations hereunder.

(7) **Limited Liability.** None of the Administrative Agent, the Lenders, any Issuing Bank, or any of their Related Parties, will have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any
error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of such Issuing Bank, or any of the circumstances referred to in clauses (a), (b) or (c) of Section 2.05(6); provided that the foregoing will not be construed to excuse the applicable Issuing Bank from liability to the Borrower Parties to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower Parties to the extent permitted by applicable law) suffered by any Borrower Party that are determined by a final and binding decision of a court of competent jurisdiction to have been caused by such Issuing Bank’s failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the applicable Issuing Bank, such Issuing Bank will be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(8) Disbursement Procedures. The applicable Issuing Bank will, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank will promptly notify the Administrative Agent and the Borrower by telephone (confirmed by facsimile or e-mail) of any such demand for payment under a Letter of Credit and whether such Issuing Bank has made or will make an L/C Disbursement thereunder; provided that any failure to give or delay in giving such notice will not relieve the Borrower Parties of their obligations to reimburse such Issuing Bank and/or the Revolving Lenders with respect to any such L/C Disbursement.

(9) Interim Interest. If an Issuing Bank makes any L/C Disbursement, then, unless the Borrower Parties reimburse such L/C Disbursement in full on the date such L/C Disbursement is made, the unpaid amount thereof will bear interest, for each day from and including the date such L/C Disbursement is made to but excluding the date that the Borrower Parties reimburse such L/C Disbursement, at the rate per annum then applicable to ABR Revolving Loans; provided that, if such L/C Disbursement is not reimbursed by the Borrower Parties when due pursuant to paragraph (5) of this Section 2.05, then Section 2.13(3) will apply. Interest accrued pursuant to this paragraph will be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (5) of this Section 2.05 to reimburse such Issuing Bank will be for the account of such Revolving Lender to the extent of such payment.

(10) Replacement of an Issuing Bank. An Issuing Bank may be replaced at any time by written agreement between the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent will notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement becomes effective, the Borrower Parties will pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12. From and after the effective date of any such replacement, (a) the successor Issuing Bank will have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (b) references herein to the term “Issuing Bank” will be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all
previous Issuing Banks, as the context will require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank will remain a party hereto and will continue to have all the rights and obligations of such Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement but will not be required to issue additional Letters of Credit.

(11) **Cash Collateralization.** If any Event of Default occurs and is continuing, (a) in the case of an Event of Default described in Section 8.01(8) or (9), on the Business Day, or (b) in the case of any other Event of Default, on the third Business Day, in each case, following the date on which the Borrower receives notice from the Administrative Agent demanding the deposit of cash collateral pursuant to this paragraph (11), the Borrower Parties will deposit in an account with or at the direction of the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders, an amount in cash equal to the Revolving L/C Exposure as of such date plus any accrued and unpaid interest thereon; provided that upon the occurrence of any Event of Default with respect to the Borrower described in Section 8.01(8) or (9), the obligation to deposit such cash collateral will become effective immediately, and such deposit will become immediately due and payable, without demand or other notice of any kind. Each such deposit pursuant to this paragraph will be held by the Collateral Agent as collateral for the payment and performance of the obligations of the Borrower Parties under this Agreement. The Administrative Agent will have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments will be made at the option and sole discretion of (i) for so long as an Event of Default is continuing, the Administrative Agent and (ii) at any other time, the Borrower, in each case, in Cash Equivalents and at the risk and expense of the Borrower, such deposits will not bear interest. Interest or profits, if any, on such investments will accumulate in such account. Interest or profits, if any, on such investments will accumulate in such account. Moneys in such account will be applied by the Administrative Agent to reimburse each Issuing Bank for L/C Disbursements for which such Issuing Bank has not been reimbursed and, to the extent not so applied, will be held for the satisfaction of the reimbursement obligations of the Borrower Parties for the Revolving L/C Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of the Required Lenders (or, after the Discharge of ABL Revolving Claims, the Required Term Lenders)), be applied to satisfy other obligations of the Borrower Parties under this Agreement. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) will be returned to the Borrower within three Business Days after all Events of Default have been cured or waived.

(12) **Additional Issuing Banks.** From time to time, the Borrower may, by notice to the Administrative Agent, designate any Lender to act as an Issuing Bank; provided that such Lender agrees in its sole discretion to act as such and such Lender is reasonably satisfactory to the Administrative Agent as an Issuing Bank. Each such additional Issuing Bank will execute a counterpart of this Agreement upon the approval of the Administrative Agent (which approval will not be unreasonably withheld) and will thereafter be an Issuing Bank hereunder for all purposes. The Borrower may, in its sole discretion, request a Letter of Credit issuance from any Issuing Bank.

(13) **Reporting.** Unless otherwise requested by the Administrative Agent, each Issuing Bank will (a) provide to the Administrative Agent copies of any notice received from the Borrower or any Co-Borrower pursuant to Section 2.05(2) no later than the next Business Day after receipt thereof and (b) report in writing to the Administrative Agent as follows:

(i) on or prior to each Business Day on which such Issuing Bank expects to issue, amend or extend any Letter of Credit, the date of such issuance, amendment or
extension, and the aggregate face amount of the Letters of Credit to be issued, amended or extended by it and outstanding after giving effect to such issuance, amendment or extension occurred (and whether the amount thereof changed), and the Issuing Bank will be permitted to issue, amend or extend such Letter of Credit if the Administrative Agent will not have advised the Issuing Bank that such issuance, amendment or extension would not be in conformity with the requirements of this Agreement;

(ii) on each Business Day on which such Issuing Bank makes any L/C Disbursement, the date of such L/C Disbursement and the amount of such L/C Disbursement; and

(iii) on any other Business Day, such other information with respect to the outstanding Letters of Credit issued by such Issuing Bank as the Administrative Agent reasonably requests, including but not limited to prompt verification of such information as may be requested by the Administrative Agent.

The failure of any Issuing Bank (other than the Administrative Agent or any affiliate thereof acting as an Issuing Bank) to comply with the provisions of this clause (13) with respect to any letter of credit will result in such letter of credit not being deemed a “Letter of Credit” hereunder and under the other Loan Documents.

(14) **Reallocation.** If the Maturity Date in respect of any tranche of Revolving Facility Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other tranches of Revolving Facility Commitments in respect of which the Maturity Date shall not have occurred are then in effect, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Lenders to purchase participations therein and to make Revolving Loans and payments in respect thereof pursuant to Section 2.05(5)) under (and ratably participated in by Lenders pursuant to) the Revolving Facility Commitments in respect of such non-terminating tranches up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolving Facility Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be reallocated); provided, in no event shall such reallocation cause a Lender’s share of the Revolving Facility Commitment to exceed such Lender’s Commitment, and (ii) to the extent not reallocated pursuant to the immediately preceding clause (i), the Borrower shall cash collateralize any such Letter of Credit in accordance with Section 2.05(11). If, for any reason, such cash collateral is not provided or reallocation does not occur, the Revolving Lenders under the maturing tranche shall continue to be responsible for their participating interests in the Letters of Credit. Except to the extent of reallocations of participations pursuant to clause (i) of the second preceding sentence, the occurrence of a Maturity Date with respect to a given tranche of Revolving Facility Commitments shall have no effect upon (and shall not diminish) the percentage participations of the Revolving Lenders in any Letter of Credit issued before such Maturity Date. Commencing with the Maturity Date of any tranche of Revolving Facility Commitments, the sublimit for Letters of Credit shall be agreed with the Lenders under the extended tranches.

**SECTION 2.06 Funding of Borrowings.**

(1) Each Lender will make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 10:00 a.m., New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that same-day ABR Loans will be made by each Lender on the proposed date thereof by
wire transfer of immediately available funds by 2:00 p.m., New York City time; provided, further that Swingline Loans will be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower Parties by promptly crediting the amounts so received, in like funds, to an account of the applicable Borrower Party as specified in the applicable Borrowing Request; provided that ABR Revolving Loans and Swingline Borrowings made to finance the reimbursement of an L/C Disbursement and reimbursements as provided in Section 2.05(5) will be remitted by the Administrative Agent to the applicable Issuing Bank.

(2) Unless the Administrative Agent has received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (1) of this Section 2.06 and may, in reliance upon such assumption, make available to the Borrower Parties a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower Parties severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower Parties to but excluding the date of payment to the Administrative Agent at (a) in the case of such Lender, the greater of (i) the Federal Funds Rate and (ii) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (b) in the case of the Borrower Parties, the interest rate applicable to ABR Loans at such time. If such Lender pays such amount to the Administrative Agent then such amount will constitute such Lender’s Loan included in such Borrowing.

(3) The foregoing notwithstanding, the Administrative Agent, in its sole discretion, may from its own funds make a Revolving Loan on behalf of any such Lender, (including by means of Swingline Loans to the Borrower Parties). In such event, the Lender, on behalf of whom Administrative Agent made the Revolving Loan, will reimburse the Administrative Agent for all or any portion of such Revolving Loan made on its behalf upon written notice given to such Lender not later than 12:00 noon, New York City time, on the Business Day such reimbursement is requested. On each such settlement date, the Administrative Agent will pay to each Lender the net amount owing to such Lender in connection with such settlement, including amounts relating to Loans, fees, interest and other amounts payable hereunder. The entire amount of interest attributable to such Revolving Loan for the period from and including the date on which such Revolving Loan is made on such Lender’s behalf, to but excluding the date the Administrative Agent is reimbursed in respect of such Revolving Loan by such Lender, will be paid to the Administrative Agent for its own account.

SECTION 2.07 Interest Elections.

(1) Each Borrowing initially will be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Revolving Facility Borrowing, will have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Revolving Facility Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.07. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion will be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion will be considered a separate Borrowing. This Section 2.07 will not apply to Swingline Borrowings, which may not be converted or continued.
To make an election pursuant to this Section 2.07 following the Closing Date, the Borrower will notify the Administrative Agent of such election by telephone (a) in the case of an election to convert to or continue a Eurocurrency Revolving Facility Borrowing, not later than 2:00 p.m., New York City time, three Business Days before the date of such election or (b) in the case of an election to convert to or continue an ABR Borrowing, not later than 2:00 p.m., New York City time, one Business Day before the effective date of such election. Each such telephonic Interest Election Request will be confirmed promptly by hand delivery, facsimile transmission or e-mail to the Administrative Agent of a written Interest Election Request substantially in the form of Exhibit E and signed by the Borrower.

Each telephonic and written Interest Election Request will be irrevocable and will specify the following information:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below will be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which will be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Revolving Facility Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Revolving Facility Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which will be a period contemplated by the definition of “Interest Period.”

If any such Interest Election Request requests a Eurocurrency Revolving Facility Borrowing but does not specify an Interest Period, then the Borrower will be deemed to have selected a Eurocurrency Revolving Facility Borrowing having an Interest Period of one month’s duration.

Promptly following receipt of an Interest Election Request, the Administrative Agent will advise each applicable Lender of the details thereof and of such Lender’s portion of each resulting Borrowing.

If the Borrower Parties fail to deliver a timely Interest Election Request with respect to a Eurocurrency Revolving Facility Borrowing two Business Days prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid, as provided herein, at the end of such Interest Period, such Borrowing will be continued as a Eurocurrency Revolving Facility Borrowing having an Interest Period of one month’s duration.

Notwithstanding any contrary provision hereof, but subject to Section 2.13(3) in respect of a Specified Event of Default, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing, (a) no outstanding Borrowing may be converted to or continued as a Eurocurrency Revolving Facility Borrowing and (b) unless repaid, each Eurocurrency Revolving Facility Borrowing will be
converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.08 Termination and Reduction of Commitments.

(1) Unless previously terminated, the Commitments will terminate on the Maturity Date.

(2) The Borrower may at any time terminate, or from time to time reduce, the Revolving Facility Commitments; provided that (i) each reduction of the Revolving Facility Commitments will be in an amount that is an integral multiple of $1.0 million and not less than $5.0 million (or, if less, the remaining amount of the applicable Revolving Facility Commitments) and (ii) the Borrower will not terminate or reduce the Revolving Facility Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, the Revolving Facility Credit Exposure would exceed the lesser of the total Available Revolving Facility Commitments and the Borrowing Base.

(3) The Borrower will notify the Administrative Agent of any election to terminate or reduce the Revolving Facility Commitments under paragraph (2) of this Section 2.08 at least three Business Days prior to the date of such termination or reduction, specifying such election and the date thereof. Promptly following receipt of any notice, the Administrative Agent will advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.08 will be irrevocable; provided that a notice of termination of the Revolving Facility Commitments delivered by the Borrower may state that such notice is revocable or conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked or extended by the Borrower (by notice to the Administrative Agent on or prior to the specified Closing Date). Any termination or reduction of the Commitments will be permanent. Each reduction of the Commitments will be made ratably among the Lenders in accordance with their respective Commitments.

SECTION 2.09 Promise to Pay; Evidence of Debt.

(1) Each of the Borrower Parties, jointly and severally, hereby unconditionally promises to pay (a) to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan, Protective Advance, 2013 Term Loan Reserve Advance and Overadvance to such Borrower Party on the Maturity Date and (b) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the Maturity Date.

(2) Any Lender may request that Loans made by it be evidenced by a promissory note (a "Note"). In such event, the Borrower Parties will prepare, execute and deliver to such Lender a Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrower. Thereafter, the Loans evidenced by such Note and interest thereon at all times (including after assignment pursuant to Section 10.04) will be represented by one or more Notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

(3) The Administrative Agent will maintain accounts in which it will record (a) the amount of each Loan to any of the Borrower Parties made hereunder, the Type thereof and the Interest Period (if any) applicable thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrower Parties to each Lender hereunder and (c) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender’s share thereof. The entries made in the accounts maintained pursuant to this paragraph (3) will be prima
facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of the Administrative Agent to maintain such accounts or any error therein will not in any manner affect the obligations of the Borrower Parties to repay the Obligations in accordance with the terms of this Agreement.

SECTION 2.10 Optional Repayment of Loans.

(1) The Borrower Parties will have the right at any time and from time to time to repay any Loan in whole or in part, without premium or penalty (but subject to Section 2.16), in an aggregate principal amount, (a) in the case of Eurocurrency Revolving Loans, that is an integral multiple of $500,000 and not less than $2.5 million, and (b) in the case of ABR Loans, that is an integral multiple of $100,000 and not less than $1.0 million, or, in each case, if less, the amount outstanding; provided that no portion of the principal of any ABL Term Loans may be prepaid prior to the Discharge of ABL Revolving Claims unless such prepayment (i) is permitted under Section 6.09(2) or (ii) constitutes a scheduled amortization payment expressly contemplated under Section 2.21(7)(c).

(2) Prior to any repayment of any Revolving Loans, the Borrower will select the Borrowing or Borrowings to be repaid and will notify the Administrative Agent by telephone (confirmed by hand delivery, facsimile transmission or e-mail) of such selection not later than 2:00 p.m., New York City time, (a) in the case of an ABR Borrowing, one Business Day before the anticipated date of such repayment and (b) in the case of a Eurocurrency Revolving Facility Borrowing, three Business Days before the anticipated date of such repayment. Each repayment of a Borrowing will be applied to the Revolving Loans included in the repaid Borrowing such that each Revolving Lender receives its ratable share of such repayment (based upon the respective Revolving Facility Credit Exposures of the Revolving Lenders at the time of such repayment). Notwithstanding anything to the contrary in the immediately preceding sentence, prior to any repayment of a Swingline Loan hereunder, the Borrower will select the Borrowing or Borrowings to be repaid and will notify the Administrative Agent by telephone (confirmed by hand delivery, facsimile transmission or e-mail) of such selection not later than 2:00 p.m., New York City time, on the scheduled date of such repayment. Repayments of Eurocurrency Revolving Facility Borrowings will be accompanied by accrued interest on the amount repaid, together with any amounts due under Section 2.16.

SECTION 2.11 Mandatory Repayment of Loans.

(1) In the event the aggregate amount of the Revolving Facility Credit Exposure exceeds the Line Cap at such time, then the Borrower will on such Business Day repay outstanding Revolving Loans and Swingline Loans, and, if there remains an excess after paying all Revolving Loans and Swingline Loans, cash collateralize Letters of Credit (in accordance with Section 2.05(11)) in an aggregate amount equal to such excess.

(2) On any date on or prior to April 25, 2014, the Borrower will cause the aggregate principal amount of outstanding Revolving Loans (excluding, for the avoidance of doubt, all other Revolving Facility Credit Exposure) on such date to be equal to or less than an amount (the “Threshold Level”) equal to (a) $25.0 million plus (b) the amount funded on the Closing Date to finance original issue discount and upfront fees arising in connection with any exercise of the Flex Provisions. The foregoing sentence will not be construed in any manner to restrict the ability of the Borrower Parties to request any Borrowing under the Revolving Facility, and this Section 2.11(2) will have no further force or effect following the date on which outstanding Revolving Loans are equal to or less than the Threshold.
In the event and on such occasion as the Revolving L/C Exposure exceeds the Letter of Credit Sublimit, the Borrower will deposit cash collateral (in accordance with Section 2.05(11)) in an amount equal to such excess.

Upon the occurrence and during the continuance of a Cash Dominion Period, all amounts in the Dominion Account shall be applied by the Administrative Agent pursuant to clause (b) of the proviso to Section 5.11.

The Borrower will prepay Revolving Loans (with no reduction in commitments) or cash collateralize Letters of Credit with 100% of all net cash proceeds from non-ordinary course sales of Collateral included in the Borrowing Base to the extent such net cash proceeds are required to be applied to repay Revolving Loans in order to remain in compliance with the Borrowing Base. Any amounts prepaid pursuant to this clause (5) will be applied pursuant to the waterfall set forth in Section 2.18(3), provided that amounts applied pursuant to subclauses (iv) and (v) thereof will be applied:

(a) first, to ABR Loans;
(b) second, to Eurocurrency Revolving Loans; and
(c) third, to the cash collateralization of Letters of Credit.

SECTION 2.12 Fees.

The Borrower Parties agree, jointly and severally, to pay to each Lender (other than any Defaulting Lender), through the Administrative Agent, on the fifth Business Day after the end of each fiscal quarter of the Borrower, commencing with the fiscal quarter of the Borrower ending in January 2014, and on each Maturity Date and any date on which the Commitments of all the Lenders are terminated as provided herein, a commitment fee (a “Commitment Fee”) on the daily amount of the Available Unused Commitment of such Lender during the preceding fiscal quarter (or other period commencing with the Closing Date or ending with the date on which the last of the Commitments of such Lender will be terminated, as applicable) at a rate equal to the Applicable Commitment Fee Percentage. All Commitment Fees will be computed on the basis of the actual number of days elapsed in a year of 360 days. For the purpose of calculating any Lender’s Commitment Fee, the outstanding Swingline Loans during the period for which such Lender’s Commitment Fee is calculated will be deemed to be zero. The Commitment Fee due to each Lender will commence to accrue on the Closing Date and will cease to accrue on the date on which the last of the Commitments of such Lender will be terminated as provided herein.

The Borrower Parties agree, jointly and severally, to pay to:

(a) the Administrative Agent for the account of each Revolving Lender (other than any Defaulting Lender, it being understood that at any time the Issuing Bank has Fronting Exposure to such Defaulting Lender, the L/C Participation Fee with respect to such Fronting Exposure will be payable to the Issuing Bank for its own account), on the fifth Business Day after the end of each fiscal quarter of the Borrower in each year, commencing with the fiscal quarter of the Borrower ending in January 2014, and on each Maturity Date
and any date on which the Commitments of all the Lenders are terminated as provided herein, a fee (an “L/C Participation Fee”) on such Lender’s Revolving Facility Percentage of the daily aggregate Revolving L/C Exposure (excluding the portion thereof attributable to unreimbursed L/C Disbursements), during the preceding fiscal quarter (or other period commencing with the Closing Date or ending with the Maturity Date or the date on which the Revolving Facility Commitments are terminated, as applicable) at the rate per annum equal to the Applicable Margin for Eurocurrency Revolving Facility Borrowings effective for each day in such period; and

(b) each Issuing Bank, for its own account (i) on the fifth Business Day after the end of each fiscal quarter of the Borrower, commencing with the fiscal quarter of the Borrower ending in January 2014, and on each Maturity Date and any date on which the Commitments of all the Lenders are terminated as provided herein, a fronting fee in respect of each Letter of Credit issued by, or the term of which is extended by, such Issuing Bank for the period from and including the date of issuance or extension of such Letter of Credit to and including the termination of such Letter of Credit, computed at a rate equal to 0.125% per annum of the daily stated amount of such Letter of Credit plus (ii) such Issuing Bank’s customary issuance fees and customary documentary and processing fees and charges (collectively, “Issuing Bank Fees”). All L/C Participation Fees and Issuing Bank Fees that are payable in Dollars on a per annum basis will be computed on the basis of the actual number of days elapsed in a year of 360 days.

(3) The Borrower Parties agree, jointly and severally, to pay to the Administrative Agent, for its own account, the agency fees set forth in the Fee Letter at the times specified therein or in such other amounts and at such other times as may be separately agreed in writing by the Administrative Agent and the Borrower from time to time (the “Administrative Agent Fees”).

(4) All Fees will be paid on the dates due, in immediately available funds, to the Administrative Agent at the Payment Office for distribution, if and as appropriate, among the Lenders, except that Issuing Bank Fees will be paid directly to the applicable Issuing Banks. Once paid, none of the Fees will be refundable under any circumstances.

SECTION 2.13 Interest.

(1) The Loans comprising each ABR Borrowing (including each Swingline Loan) will bear interest at the ABR plus the Applicable Margin.

(2) The Loans comprising each Eurocurrency Revolving Facility Borrowing will bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(3) Following the occurrence and during the continuation of a Specified Event of Default, the Borrower Parties will pay interest on overdue amounts hereunder at a rate per annum equal to (a) in the case of overdue principal of any Loan, 2.0% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 or (b) in the case of overdue interest or any other overdue amount, 2.0% plus the rate applicable to ABR Loans as provided in clause (1) of this Section 2.13.
Accrued interest on each Loan will be payable by the Borrower Parties, jointly and severally, in arrears (a) on each Interest Payment Date for such Loan; (b) on the applicable Maturity Date; and (c) upon termination of the Revolving Facility Commitments; provided that:

(i) interest accrued pursuant to paragraph (3) of this Section 2.13 will be payable on demand;

(ii) in the event of any repayment of any Loan (other than a repayment of an ABR Revolving Loan or Swingline Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid will be payable on the date of such repayment; and

(iii) in the event of any conversion of any Eurocurrency Revolving Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan will be payable on the effective date of such conversion.

All interest hereunder will be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR at times when the ABR is based on the prime rate will be computed on the basis of a year of 365 days (or 366 days in a leap year), and, in each case, will be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Adjusted LIBO Rate or LIBO Rate will be determined by the Administrative Agent, and such determination will be conclusive absent manifest error.

**SECTION 2.14 Alternate Rate of Interest.**

(a) If prior to the commencement of any Interest Period for a Eurocurrency Revolving Facility Borrowing:

(1) the Administrative Agent determines (which determination will be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period; or

(2) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent will give notice thereof to the Borrower and the applicable Lenders by telephone, facsimile transmission or e-mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (a) any Interest Election Request that requests the conversion of any applicable Borrowing to, or continuation of any such Borrowing as, a Eurocurrency Revolving Facility Borrowing will be ineffective and such Borrowing will be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, and (b) if any Borrowing Request requests a Eurocurrency Revolving Facility Borrowing, such Borrowing will be made as an ABR Borrowing.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(1) of this Section 2.14 have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(1) of this Section have not arisen but either (w) the supervisor for the administrator of the LIBO Rate has made a public statement that the administrator of the LIBO Rate is insolvent (and there is no successor administrator that will continue publication of the LIBO Rate), (x) the administrator of the LIBO Rate has made a public statement identifying a specific date after which the LIBO Rate will permanently or
indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the LIBO Rate), (v) the supervisor for the administrator of the LIBO Rate has made a public statement identifying a specific date after which the LIBO Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate may no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States of America at such time and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin); provided that if such alternate rate of interest as so determined would be less than zero, then such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 10.08, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from Required Lenders stating that such Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this Section 2.14(b), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and (y) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15  Increased Costs.

(1) If any Change in Law:

(a) imposes, modifies or deems applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or Issuing Bank;

(b) imposes on any Lender or Issuing Bank or the London interbank market any other condition (other than Taxes) affecting this Agreement or Eurocurrency Revolving Loans made by such Lender or any Letter of Credit or participation therein; or

(c) subjects any Recipient to any Taxes (other than (i) Indemnified Taxes and (ii) Excluded Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing is to increase the cost to such Lender of making or maintaining any Eurocurrency Revolving Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered.
If any Lender or Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender’s or Issuing Bank’s capital or on the capital of such Lender’s or Issuing Bank’s holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender’s or such Issuing Bank’s holding company could have achieved but for such Change in Law (taking into consideration such Lender’s or such Issuing Bank’s policies and the policies of such Lender’s or such Issuing Bank’s holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender’s or such Issuing Bank’s holding company for any such reduction suffered.

A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company, as applicable, as specified in paragraph (1) or (2) of this Section 2.15 will be delivered to the Borrower and will be conclusive absent manifest error. The Borrower will pay such Lender or Issuing Bank, as applicable, the amount shown as due on any such certificate within ten days after receipt thereof.

Promptly after any Lender or any Issuing Bank has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender or Issuing Bank will notify the Borrower thereof. Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 will not constitute a waiver of such Lender’s or Issuing Bank’s right to demand such compensation; provided that the Borrower will not be required to compensate a Lender or an Issuing Bank pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender’s or Issuing Bank’s intention to claim compensation therefor; provided, further, that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above will be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments. Except as otherwise set forth herein, the Borrower will compensate each Lender for the actual out-of-pocket loss, cost and expense (excluding loss of anticipated profits) attributable to the following events:

1. the payment of any principal of any Eurocurrency Revolving Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default);
2. the conversion of any Eurocurrency Revolving Loan other than on the last day of the Interest Period applicable thereto;
3. the failure to borrow, convert, continue or prepay any Eurocurrency Revolving Loan on the date specified in any notice delivered pursuant hereto; or
4. the assignment of any Eurocurrency Revolving Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19.

Such loss, cost or expense to any Lender will be deemed to be the amount determined by such Lender to be the excess, if any, of (a) the amount of interest which would have accrued on the principal amount of
such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan (but not including the Applicable Margin applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Revolving Loan, for the period that would have been the Interest Period for such Loan), over (b) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the Eurocurrency market.

A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section will be delivered to the Borrower and will be conclusive absent manifest error. The Borrower will pay such Lender the amount shown as due on any such certificate within ten days after receipt thereof.

SECTION 2.17 Taxes.

(1) Any and all payments by or on account of any obligation of any Loan Party hereunder will be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided that or withholding for any Taxes, except as required by applicable law. If any applicable law requires the deduction or withholding of any Tax from any such payment by a Loan Party, then the applicable Loan Party shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if a Loan Party is required to deduct any Indemnified Taxes or Other Taxes from such payments, then (a) the sum payable hereunder will be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.17) the Administrative Agent or any Lender, as applicable, receives an amount equal to the amount it would have received had no such deductions been made, (b) such Loan Party will make such deductions, and (c) such Loan Party will timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(2) In addition, the Loan Parties will timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(3) Each Loan Party will, jointly and severally, indemnify the Administrative Agent and each Lender, within ten days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender (other than as a result of the Administrative Agent’s or any Lender’s gross negligence or willful misconduct) on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, will be conclusive absent manifest error.

(4) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party will deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority.
Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document will deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, will deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.17(5)(b), 2.17(5)(c), 2.17(5)(d) and 2.17(6) below) will not be required if in the Lender’s reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(b) Without limiting the effect of Section 2.17(5)(a) above, each Foreign Lender will deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two original copies of whichever of the following is applicable:

(i) duly completed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any subsequent versions thereof or successors thereto), claiming eligibility for benefits of an income tax treaty to which the United States is a party;

(ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any subsequent versions thereof or successors thereto);

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (A) a certificate substantially in the form of the applicable Exhibit G to the effect that such Foreign Lender is not (1) a “bank” within the meaning of Section 881(c)(3)(A) of the Code; (2) a “10 percent shareholder” of the Borrower within the meaning of Section 871(h)(3) or Section 881(c)(3)(B) of the Code; or (3) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code and (B) duly completed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any subsequent versions thereof or successors thereto);

(iv) duly completed copies of Internal Revenue Service Form W-8IMY, together with forms and certificates described in clauses (i) through (iii) above (and additional Form W-8IMYs) or Internal Revenue Service Form W-9 as may be required; or
any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

In addition, in each of the foregoing circumstances, each Foreign Lender will deliver such forms, if legally entitled to deliver such forms, promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Foreign Lender. Each Foreign Lender will promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the United States of America or other taxing authorities for such purpose). In addition, each Lender that is not a Foreign Lender will deliver to the Borrower and the Administrative Agent two copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) on or before the date such Lender becomes a party and upon the expiration of any form previously delivered by such Lender. Notwithstanding any other provision of this paragraph, a Lender will not be required to deliver any form pursuant to this paragraph (5) unless such Lender is not legally able to deliver; and

(c) Deutsche Bank AG New York Branch in its capacity as the Administrative Agent (and any Person succeeding the Administrative Agent upon assignment or succession under Section 9.09, if applicable) will also deliver, to the Borrower, on or prior to the execution and delivery of this Agreement, (i) two duly completed copies of Internal Revenue Service Form W-8ECI with respect to any amounts payable to DBNY for its own account and (ii) two duly completed copies of Internal Revenue Service Form W-8IMY certifying that it is a “U.S. branch” and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business in the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a United States person with respect to such payments (and the Borrower and DBNY agree to so treat DBNY as a United States person with respect to such payments), with the effect that the Borrower can make payments to DBNY (acting as the Administrative Agent) without deduction or withholding of any taxes imposed by the United States.

(d) In addition, each Lender that is not a Foreign Lender will deliver to the Borrower and the Administrative Agent two copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) on or before the date such Lender becomes a party and upon the expiration of any form previously delivered by such Lender.

(6) If a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient will deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause Section
Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it will update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(7) If the Administrative Agent or any Lender determines, in its sole discretion, exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it will pay over reasonably promptly such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or such Lender in good faith, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent, such Issuing Bank or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in Section 2.14(7), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.17(7) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17(7) will not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems, in good faith, to be confidential) to the Loan Parties or any other Person.

(8) Each party’s obligations under this Section 2.17 will survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and this repayment, satisfaction or discharge of all obligations under any Loan Document.

(9) For purposes of this Section 2.17, the term “applicable law” includes FATCA and the term “Lender” includes any Issuing Bank.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(1) Unless otherwise specified, the Borrower Parties will make each payment required to be made by them hereunder (whether of principal, interest, fees, reimbursement of L/C Disbursements or otherwise) prior to 2:00 p.m., New York City time, at the Payment Office, except payments to be made directly to the applicable Issuing Bank or the Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 10.05 will be made directly to the Persons entitled thereto, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. The Administrative Agent will distribute any such payments received by it for the account.
of any other Person to the appropriate recipient promptly following receipt thereof and will make settlements with the Lenders with respect to other payments at the times and in the manner provided in this Agreement. Except as otherwise provided herein, if any payment hereunder is due on a day that is not a Business Day, the date for payment will be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon will be payable for the period of such extension. Any payment required to be made by the Administrative Agent hereunder will be deemed to have been made by the time required if the Administrative Agent, at or before such time, has taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(2) The amount of each Lender’s Revolving Facility Percentage of outstanding Revolving Loans (including outstanding Swingline Loans) will be computed weekly (or more frequently in the Administrative Agent’s discretion) and will be adjusted upward or downward based on all Revolving Loans (including Swingline Loans) and repayments of Revolving Loans (including Swingline Loans) received by the Administrative Agent as of 4:00 p.m. on the first Business Day (such date, the “Settlement Date”) following the end of the period specified by the Administrative Agent. The Administrative Agent will deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Revolving Loans for the period and the amount of repayments received for the period. As reflected on the summary statement, (a) the Administrative Agent will transfer to each Lender its Revolving Facility Percentage of repayments and (b) each Lender will transfer to the Administrative Agent (as provided below) or the Administrative Agent will transfer to each Lender such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of Revolving Loans made by each Lender will be equal to such Lender’s Revolving Facility Percentage of all Revolving Loans outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Administrative Agent by the Lenders and is received prior to 2:00 p.m. on a Business Day, such transfers will be made in immediately available funds no later than 5:00 p.m. that day and, if received after 2:00 p.m., then no later than 4:00 p.m. on the next Business Day. The obligation of each Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent. If and to the extent any Lender has not so made its transfer to the Administrative Agent, such Lender agrees to pay to the Administrative Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, equal to the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

(3) Except as otherwise provided in this Agreement, if (a) at any time insufficient funds are received by and available to the Administrative Agent from the Borrower Parties to pay fully all amounts of principal, unreimbursed L/C Disbursements, interest and fees and other Obligations then due from the Borrower or any Co-Borrower hereunder or (b) at any time during a Cash Dominion Period (including in connection with any termination of the Revolving Facility Commitments pursuant to Section 8.01) and the Administrative Agent or the Collateral Agent receives proceeds of Collateral, such funds will be applied,

(i) first, toward payment of any expenses, fees and indemnities due to the Agents hereunder;

(ii) second, toward payment of interest and fees then due from the Borrower Parties
hereunder with respect to any Revolving Facility Credit Exposure, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties;

(iii)  third, toward payment of principal of Swingline Loans, unreimbursed L/C Disbursements, Protective Advances and Overadvances then due from the Borrower Parties hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal, unreimbursed L/C Disbursements, Protective Advances and Overadvances then due to such parties;

(iv)  fourth, toward payment of other principal then due from the Borrower Parties hereunder with respect to any Revolving Facility Credit Exposure, ratably among the parties entitled thereto in accordance with the amounts of such principal then due to such parties;

(v)  fifth, if an Event of Default has occurred and is continuing, to cash collateralize Letters of Credit issued for the account of the Borrower, any Co-Borrower or any other Subsidiary in accordance with Section 2.05(11);

(vi)  sixth, to pay any other Obligations (excluding Obligations (x) with respect to ABL Term Loans or (y) as described in items (2) and (3) of the definition of “Obligations” contained herein) ratably among the parties thereto in accordance with such amounts so owed them;

(vii) seventh, to payment of obligations pursuant to Specified Hedge Agreements then due from the Borrower or any Co-Borrower, ratably among the parties entitled thereto in accordance with the amounts of obligations under such Specified Hedge Agreements then due to such parties;

(viii) eighth, to payment of Cash Management Obligations of the Borrower or any Co-Borrower then due from the Borrower or such Co-Borrower, ratably among the parties entitled thereto in accordance with the amounts of such Cash Management Obligations then due to such parties;

(ix)  ninth, to payment of all other Obligations (other than those relating to ABL Term Loans) of the Borrower Parties then due and payable, ratably among the parties entitled thereto in accordance with the amounts of such Obligations then due to such parties;

(x)  tenth, toward payment of interest then due from the Borrower Parties hereunder with respect to the ABL Term Loans, ratably among the parties entitled thereto in accordance with the amounts of interest then due to such parties;

(xi)  eleventh, toward payment of principal then due from the Borrower Parties hereunder with respect to the ABL Term Loans, ratably among the parties entitled thereto in accordance with the amounts of such principal then due to such parties; and

(xii) twelfth, to payment of all other Obligations of the Borrower Parties then due and payable with respect to the ABL Term Loans, ratably among the parties
entitled thereto in accordance with the amounts of such Obligations then due to such parties;

provided that the application of such proceeds at all times will be subject to the application of proceeds provisions contained in the ABL/Term Loan/Notes Intercreditor Agreement.

(4) Subject to express priorities set forth in Section 2.18(3) above, if any Lender, by exercising any right of set-off or counterclaim or otherwise, obtains payment in respect of any principal of or interest on any of its Revolving Loans or participations in L/C Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in L/C Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion will purchase (for cash at face value) participations in the Revolving Loans and participations in L/C Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments will be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest in their respective Revolving Loans and participations in L/C Disbursements and Swingline Loans; provided that (a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations will be rescinded and the purchase price restored to the extent of such recovery, without interest, and (b) the provisions of this paragraph (4) will not be construed to apply to any payment made by the Borrower Parties pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Revolving Loans or participations in L/C Disbursements to any assignee or participant, other than to the Borrower Parties or any other Subsidiary or Affiliate thereof (as to which the provisions of this paragraph (4) apply). The Borrower Parties consent to the foregoing and agree, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against any Borrower Party rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower Party in the amount of such participation.

(5) Subject to the priorities set forth in Section 2.18(3) above, if any Lender, by exercising any right of set-off or counterclaim or otherwise, obtains payment in respect of any principal of or interest on any of its ABL Term Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its ABL Term Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion will purchase (for cash at face value) participations in the ABL Term Loans of other Lenders to the extent necessary so that the benefit of all such payments will be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective ABL Term Loans; provided that (a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations will be rescinded and the purchase price restored to the extent of such recovery, without interest, and (b) the provisions of this paragraph (5) will not be construed to apply to any payment made by the Borrower Parties pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its ABL Term Loans to any assignee or participant, other than to the Borrower Parties or any other Subsidiary or Affiliate thereof (as to which the provisions of this paragraph (5) apply). The Borrower Parties consent to the foregoing and agree, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against any Borrower Party rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower Party in the amount of such participation.
Unless the Administrative Agent has received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the applicable Issuing Bank hereunder that the Borrower Parties will not make such payment, the Administrative Agent may assume that the Borrower Parties have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable Issuing Bank, as applicable, the amount due. In such event, if the Borrower Parties have not in fact made such payment, then each of the Lenders or the applicable Issuing Bank, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

If any Lender fails to make any payment required to be made by it pursuant to Section 2.04(3), 2.05(4) or (5), 2.06(2) or 2.18(6), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender’s obligations under such Sections until all such unsatisfied obligations are fully paid.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(1) If any Lender requests compensation under Section 2.15, or if the Borrower Parties are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender will use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or assign its rights and obligations hereunder to another of its offices, branches or Affiliates if, in the reasonable judgment of such Lender, such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (b) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower Parties hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(2) If any Lender requests compensation under Section 2.15 or is a Defaulting Lender, or if the Borrower Parties are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then the Borrower Parties may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights and obligations under this Agreement to an assignee that assumes such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (a) the Borrower Parties shall have received the prior written consent of the Administrative Agent, the Swingline Lender and the Issuing Bank, which consent shall not unreasonably be withheld, (b) such Lender has received payment of an amount equal to the outstanding principal of its Loans and funded participations in L/C Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower Parties (in the case of all other amounts) and (c) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 will be deemed to prejudice any rights that the Borrower Parties may have against any Lender that is a Defaulting Lender.
If any Lender (such Lender, a “Non-Consenting Lender”) has failed to consent to a proposed amendment, waiver, discharge or termination which, pursuant to the terms of Section 10.08, requires the consent of such Lender with respect to which the Required Lenders (or, after the Discharge of ABL Revolving Claims, the Required Term Lenders) have granted their consent, then the Borrower Parties will have the right (unless such Non-Consenting Lender grants such consent) at their sole expense, to replace such Non-Consenting Lender by deeming such Non-Consenting Lender to have assigned its Loans and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent, the Swingline Lender and the Issuing Bank to the extent the consent of such Person would be required under Section 10.04; provided that (a) all Obligations of the Borrower Parties owing to such Non-Consenting Lender (including accrued Fees and any amounts due under Section 2.15, 2.16 or 2.17) being removed or replaced will be paid in full to such Non-Consenting Lender concurrently with such assignment and (b) the replacement Lender will purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender will be necessary in connection with such removal or assignment, which will be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment, the Borrower Parties, the Administrative Agent, such Non-Consenting Lender and the replacement Lender will otherwise comply with Section 10.04; provided that if such Non-Consenting Lender does not comply with Section 10.04 within three Business Days after the Borrower’s request therefor, compliance with Section 10.04 will not be required to effect such assignment.

SECTION 2.20 Illegality. If any Lender reasonably determines that any change in law has made it unlawful, or if any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable lending office to make or maintain any Eurocurrency Revolving Loans, then, upon notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Revolving Loans or to convert ABR Borrowings to Eurocurrency Revolving Facility Borrowings will be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower will upon demand from such Lender (with a copy to the Administrative Agent), either convert all Eurocurrency Revolving Facility Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Revolving Facility Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrower will also pay accrued interest on the amount so prepaid or converted.

SECTION 2.21 Incremental Facilities.

(1) Notice. At any time and from time to time, on one or more occasions, subject to the terms and conditions set forth herein, the Borrower may, by notice to the Administrative Agent, increase the Revolving Facility Commitments (each such increase, an “Incremental Revolving Facility Increase” and such additional Revolving Facility Commitments, the “Incremental Commitments”) or add one or more tranches of term loans under the Loan Documents (“Incremental Term Loans”; each such Incremental Revolving Facility Increase together with any tranche of Incremental Term Loans, an “Incremental Facility”).

(2) Ranking. Any Incremental Commitments will (a) rank pari passu in right of payment with the Revolving Facility Claims and (b) be secured by the Collateral on a pari passu basis with the Revolving Facility Claims. Incremental Term Loans shall be secured on a (g) rank junior basis in right of payment to the Revolving Facility Claims in the manner set forth herein, including (without
(3) **Size.** The principal amount of commitments in respect of Incremental Revolving Facility Increases received pursuant to this Section 2.21, Incremental Term Loans incurred pursuant to this Section 2.21 and Incremental Equivalent Debt incurred pursuant to Section 6.01(1), in each case on and after the Fourth Amendment Effective Date, will not exceed, in the aggregate, an amount equal to $300.100.0 million.

Each Incremental Revolving Facility Increase received pursuant to this Section 2.21 and Incremental Term Loans incurred pursuant to this Section 2.21 will be in an integral multiple of $1.0 million and in a minimum aggregate principal amount of $50.0 million (or such lesser minimum amount approved by the Administrative Agent).

(4) **Incremental Lenders.** Incremental Facilities may be provided by any existing Lender (it being understood that no existing Lender will have an obligation to provide any Incremental Facility), or any Additional Lender (collectively, the “Incremental Lenders”); provided that the Administrative Agent shall have consented (such consent not to be unreasonably withheld, delayed or conditioned) to any Additional Lender’s provision of such Incremental Facility if such consent by the Administrative Agent would be required under Section 10.04 for an assignment of Commitments or Loans to such Additional Lender.

(5) **Incremental Facility Amendments.**

(a) Each Incremental Facility will become effective pursuant to an amendment (each, an “Incremental Facility Amendment”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower Parties, the applicable Incremental Lenders and the Administrative Agent. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Facility Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Facility Amendment, this Agreement and the other Loan Documents, as applicable, will be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Facility evidenced thereby.

(b) Upon each Incremental Revolving Facility Increase in accordance with this Section 2.21:

(i) each Incremental Lender in respect of such increase will automatically and without further act be deemed to have assumed a portion of each Revolving Lender’s participations hereunder in outstanding Letters of Credit and Swingline Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (A) participations hereunder in Letters of Credit and (B) participations hereunder in Swingline Loans held by each Lender (including each such Incremental Lender) will equal the percentage of the aggregate Revolving Facility Commitments of all Lenders represented by such Lender’s Revolving Facility Commitment; and

(ii) the Administrative Agent may, in consultation with the Borrower, take any and all
actions as may be reasonably necessary to ensure that, after giving effect to such Lender’s Incremental Commitments, the percentage of the aggregate Revolving Facility Commitments held by each Lender (including each such Incremental Lender) will equal the percentage of the aggregate Revolving Facility Commitments of all Lenders represented by such Lender’s Revolving Facility Commitment, which may be accomplished, at the discretion of the Administrative Agent following consultation with the Borrower, by:

(A) requiring the outstanding Loans to be prepaid with the proceeds of a new Borrowing;

(B) causing non-increasing Lenders to assign portions of their outstanding Loans to Incremental Revolving Lenders holdings such Incremental Revolving Facility Increase; or

(C) a combination of the foregoing.

(6) Conditions. The initial availability of any Incremental Facility will be subject solely to the following conditions:

(a) no Default or Event of Default shall have occurred and be continuing on the date such Incremental Facility is incurred (or commitments in respect thereof are provided) or would exist immediately after giving effect thereto;

(b) the representations and warranties in the Loan Documents will be true and correct in all material respects (except for representations and warranties that are already qualified by materiality, which representations and warranties will be accurate in all respects) immediately prior to, and immediately after giving effect to, the incurrence of such Incremental Facility (or the date on which commitments in respect thereof are provided);

(c) such other conditions (if any) as may be required by the Incremental Lenders providing such Incremental Facility, unless such other conditions are waived by such Incremental Lenders; and

(d) with respect to the incurrence of Incremental Term Loans, Excess Availability on the date of such incurrence will be at least 15% of the Line Cap;

provided that if the proceeds of such Incremental Facility will be used to finance, in whole or in part, the acquisition of all or substantially all the assets of, or a majority of the Equity Interests in, or the merger, consolidation or amalgamation with, a Person or division or line of business of a Person,

(i) the condition in the foregoing clause (a) may be waived (or not required) by the Incremental Lenders in respect of such Incremental Facility; and

(ii) the condition in the foregoing clause (b) may be limited to the accuracy in all material respects of (A) the Specified Representations and (B) any representations and warranties made with respect to such Person, division or line of business in the agreement governing such acquisition, merger, consolidation or amalgamation to the extent the breach of such representations and warranties is material to the interests of the Lenders; provided that the failure of any such representation or
warranty will not result in a failure of the conditions set forth in the foregoing clause (b) unless such breach results in a failure of a condition precedent of the obligations of the Borrower or a Restricted Subsidiary to consummate such acquisition, merger, consolidation or amalgamation or permits the Borrower or a Restricted Subsidiary to terminate such agreement (after giving effect to any applicable notice and cure provisions).

(7) **Terms.** Any Incremental Facility will be on the terms set forth in the Loan Documents, as amended by the applicable Incremental Facility Amendment; provided that (a) any Incremental Commitments will (x) rank pari passu in right of payment with the Revolving Facility Claims, (y) be secured by Collateral on a pari passu basis with the Revolving Facility Claims and (z) be on terms and pursuant to documentation applicable to the Revolving Facility Commitments; provided that Applicable Margin and Applicable Commitment Fee Percentage, in each case, applicable to Revolving Facility Commitments and the Revolving Loans may be increased without the consent of any Lender, in connection with the incurrence of any Incremental Commitments such that the Applicable Margin and the Applicable Commitment Fee Percentage of the Revolving Facility Commitments are identical to those of any Incremental Commitments; provided, further, that any arrangement or similar fees for such Incremental Commitments will be as determined by a Responsible Officer of the Borrower and the lenders providing such Incremental Commitments, (b) no Incremental Commitments may mature prior to the Maturity Date with respect to the Revolving Facility Commitments existing on the Closing Date and (c) Incremental Term Loans (x) may not mature or require any scheduled payment of principal prior to the date that is at least 90 days after the Latest Maturity Date of the Revolving Loans, other than quarterly principal payments in an aggregate annual amount not to exceed 1.00% per annum of the original aggregate principal amount of such Incremental Term Loans and (y) shall be subject to the relative priorities and intercreditor provisions as described in clause (2) above.

**SECTION 2.22 Refinancing Amendments.**

(1) **Other Term Loans.** Credit Agreement Refinancing Indebtedness may, at the election of the Borrower, take the form of term loans under a new term loan facility hereunder ("Other Term Loans") pursuant to a Refinancing Amendment. All Other Term Loans shall be secured (a) on a pari passu basis in right of payment to the Revolving Loans in the manner set forth herein, including (without limitation) as set forth in Section 2.18(3) and in the FILO Intercreditor Provisions and (b) pari passu in right of payment with all Incremental Term Loans and any other ABL Term Loans and (b) be secured by Liens on the Collateral on a pari passu basis with any Incremental Term Loans the Revolving Facility Claims in the manner set forth herein and the other Loan Documents subject, however, to the terms of Section 2.18(3) and the FILO Intercreditor Provisions.

(2) **Refinancing Amendments.** The effectiveness of any Refinancing Amendment will be subject only to the satisfaction (or waiver) on the date thereof of such of the conditions set forth in Section 4.01 of this Agreement as may be requested by the providers of Other Term Loans. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement will be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Other Term Loans incurred pursuant thereto.

(3) **Required Consents.** Any Refinancing Amendment may, without the consent of any Person other than the Administrative Agent, the Borrower and the Lenders or Additional Lenders providing the
applicable Credit Agreement Refinancing Indebtedness, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower Parties, to effect the provisions of this Section 2.22. This Section 2.22 supersedes any provisions in Section 10.08 to the contrary.

(4) Providers of Other Term Loans. It is understood that (a) any Lender approached to provide all or a portion of Other Term Loans may elect or decline, in its sole discretion, to provide such Other Term Loans (it being understood that there is no obligation to approach any existing Lenders to provide any Other Term Loans) and (b) the Administrative Agent has consented (such consent not to be unreasonably withheld, delayed or conditioned) to such Person’s providing such Other Term Loans if such consent would be required under Section 10.04 for an assignment of Loans or Commitments to such Person.

SECTION 2.23 Extensions of Revolving Commitments.

(1) Extension Offers. Pursuant to one or more offers (each, an “Extension Offer”) made from time to time by the Borrower to all Lenders of Loans with a like Maturity Date, the Borrower Parties may extend the Maturity Date of each such Lender’s Revolving Facility Commitments and otherwise modify the terms of such Revolving Facility Commitments pursuant to the terms of the relevant Extension Offer, including by increasing the interest rate or fees payable in respect to such Revolving Facility Commitments (each, an “Extension,” and each group of Revolving Facility Commitments so extended, as well as the original Revolving Facility Commitments not so extended, being a “tranche”). Each Extension Offer will specify the minimum amount of Revolving Facility Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of $1.0 million and an aggregate principal amount that is not less than $50.0 million (or (a) if less, the aggregate principal amount of such Revolving Facility Commitments or (b) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed), and shall be made on a pro rata basis to all Lenders having Revolving Facility Commitments with a like Maturity Date. If the aggregate outstanding principal amount of Loans and Revolving Facility Commitments (calculated on the face amount thereof) in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans and Revolving Facility Commitments offered to be extended pursuant to an Extension Offer, then the Loans and Revolving Facility Commitments of such Lenders will be extended ratably up to such maximum amount based on the Revolving Facility Commitments of the Lenders that have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any “most favored nation” pricing provisions. Each Lender accepting an Extension Offer is referred to herein as an “Extending Lender,” and the Loans and Revolving Facility Commitment held by such Lender (and so extended) accepting an Extension Offer are referred to herein as “Extended Loans” and “Extended Commitments”.

(2) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (an “Extension Amendment”) with the Borrower as may be necessary in order to establish new tranches in respect of Extended Commitments (and related Extended Loans) and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches, in each case, on terms consistent with this Section 2.23. This Section 2.23 supersedes any provisions in Section 10.08 to the contrary.
Terms of Extension Offers and Extension Amendments. The terms of any Extended Commitments (and related Extended Loans) will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; provided that:

(a) no Event of Default has occurred and is continuing at the time the offering document in respect of an Extension Offer is delivered to the Lenders;

(b) except as to pricing terms (interest rate and fees) and maturity, the terms and conditions of such Revolving Facility Credit Exposure are substantially identical to, or, taken as a whole, no more favorable to the lenders or holders providing such Indebtedness than, those applicable to the Revolving Facility Commitments (and related Extended Loans) subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower.

Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned), the Borrower and each Lender agreeing to such Extension with respect to one or more of its Revolving Facility Commitments. The transactions contemplated by this Section 2.23 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Commitments on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement (including Sections 2.09 and 2.16) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.23 will not apply to any of the transactions effected pursuant to this Section 2.23.

SECTION 2.24 Joint and Several Liability of Borrower Parties.

(1) Each of the Borrower Parties hereby accepts joint and several, primary liability for all Obligations hereunder in consideration of the financial accommodations provided by the Lenders under this Agreement, for the mutual benefit, directly and indirectly, of each of the Borrower Parties and in consideration of the undertakings of each of the Borrower Parties to accept joint and several liability for the Obligations of each of them under the Loan Documents.

(2) Each of the Borrower Parties, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrower Parties with respect to the payment and performance of all of the Obligations, it being the intention of the parties hereto that all of the Obligations are the joint and several obligations of each of the Borrower Parties without preferences or distinction among them.

(3) If and to the extent that any of the Borrower Parties fails to make any payment with respect to any of the Obligations hereunder as and when due or to perform any of such Obligations in accordance with the terms thereof, then in each such event, the other Borrower Parties will make such payment with respect to, or perform, such Obligation.

(4) The obligations of each Borrower Party under the provisions of this Section 2.24 constitute full recourse obligations of such Borrower Party, enforceable against it to the full extent of its properties and assets.
Notwithstanding any provision to the contrary contained herein or in any other Loan Document, the obligations of each Co-Borrower hereunder will be limited to an aggregate amount equal to the largest amount that would not render its obligations hereunder subject to avoidance under Section 548 of Title 11 of the United States Code, as now constituted or hereafter amended or any comparable provisions of any applicable state law.

SECTION 2.25  Appointment of Borrower as Agent for Borrower Parties.

Each Co-Borrower hereby appoints the Borrower to act as its exclusive agent for all purposes under this Agreement and the other Loan Documents (including with respect to all matters related to the borrowing and repayment of Loans as described in Article II hereof). Each Co-Borrower (in such capacity) acknowledges and agrees that (1) the Borrower may execute such documents on behalf of all the Borrower Parties as the Borrower deems appropriate in its sole discretion and each Borrower Party (in such capacity) will be bound by and obligated by all of the terms of any such document executed by the Borrower on its behalf, (2) any notice or other communication delivered by the Administrative Agent or any Lender hereunder to the Borrower will be deemed to have been delivered to each Borrower Party and (3) the Administrative Agent and each of the Lenders will accept (and will be permitted to rely on) any document or agreement executed by the Borrower on behalf of the Borrower Parties (or any of them).

SECTION 2.26  Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(a) Waivers and Amendments. Such Defaulting Lender’s right to approve or disapprove any amendment, waiver or consent with respect to this Agreement is restricted as set forth in Section 10.08.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), will be applied at such time or times as may be determined by the Administrative Agent as follows:

(i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder;

(ii) second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Bank or Swingline Lender hereunder;

(iii) third, if so determined by the Administrative Agent or requested by the Issuing Bank or Swingline Lender, to be held as cash collateral for future funding obligations of such Defaulting Lender of any participation in any Swingline Loan or Letter of Credit;

(iv) fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Revolving Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent;
(v) \textit{fifth}, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Revolving Loans under this Agreement;

(vi) \textit{sixth}, to the payment of any amounts owing to the Lenders, the Issuing Bank or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Bank or Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement;

(vii) \textit{seventh}, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower Parties as a result of any judgment of a court of competent jurisdiction obtained by the Borrower Parties against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement; and

(viii) \textit{eighth}, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction;

\textit{provided} that if such payment is a payment of the principal amount of any Loans or L/C Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, such payment will be applied solely to pay the Loans of, and L/C Disbursements owed to, all non-Defaulting Lenders on a \textit{pro rata} basis prior to being applied to the payment of any Loans of, or L/C Disbursements owed to, such Defaulting Lender. Any payments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section 2.26(1)(b) will be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(c) \textbf{Certain Fees}. Such Defaulting Lender (i) will not be entitled to receive any Commitment Fee pursuant to Section 2.12(1) for any period during which that Lender is a Defaulting Lender (and the Borrower Parties will be required to pay any such fee that otherwise would have been required to have been paid to such Defaulting Lender) and (ii) will not be entitled to receive any L/C Participation Fee pursuant to Section 2.12(2) for any period during which that Lender is a Defaulting Lender (although the Borrower Parties will be required to pay any such L/C Participation Fee that otherwise would have been required to have been paid to such Defaulting Lender to the non-Defaulting Lenders or Issuing Bank, in accordance with any reallocation of Fronting Exposure to non-Defaulting Lenders or as may be retained by the Issuing Bank, as the case may be).

(d) \textbf{Reallocation of Applicable Percentages to Reduce Fronting Exposure}. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swingline Loans pursuant to Sections 2.04 and 2.05, the \textit{“Revolving Facility Percentage”} of each non-Defaulting Lender will be computed without giving effect to the Commitment of such Defaulting Lender; \textit{provided}, that, each such reallocation will be given effect only to the extent such that the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swingline Loans will not exceed the positive difference, if any, of (i) the Revolving
Facility Commitment of such non-Defaulting Lender minus (ii) the aggregate outstanding amount of the Revolving Loans of such Defaulting Lender.

(e) **Elimination of Remaining Fronting Exposure.** At any time that there exists a Defaulting Lender, (i) immediately upon the request of the Administrative Agent or the Issuing Bank, the Borrower Parties will deliver to the Administrative Agent cash collateral in an amount sufficient to cover all Fronting Exposure of the Revolving Facility L/C Exposure (after giving effect to Section 2.26(1)(d)) which will be held as security for the reimbursement obligations of the Borrower with respect to the Revolving Facility L/C Exposure and (ii) immediately upon request of the Administrative Agent or the Swingline Lender, the Borrower Parties will repay an amount of Swingline Loans sufficient to eliminate the Fronting Exposure of the Swingline Lender.

(2) **Defaulting Lender Cure.** If the Borrower, the Administrative Agent, the Swingline Lender and the Issuing Bank agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), such Lender will, to the extent applicable, purchase that portion of outstanding Revolving Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Lenders in accordance with their Revolving Facility Percentages (without giving effect to Section 2.26(1)(d)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Lender was a Defaulting Lender; and provided, further, that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender’s having been a Defaulting Lender.

**ARTICLE III**

**Representations and Warranties**

Each of Holdings and Merger Sub represents and warrants to each Agent and to each of the Lenders, with respect to Borrowings made on the Closing Date, that on the Closing Date immediately prior to consummation of the Merger, the Specified Merger Agreement Representations and the Specified Representations are true and correct in all material respects.

(ii) any applicable order of any court or any rule, regulation or order of any Governmental Authority; or

(iii) any provision of any indenture, certificate of designation for preferred stock, agreement or other instrument to which any Loan Party is a party or by which any of them or any of their property is or may be bound;

(c) result in the creation or imposition of any Lien upon any property or assets of any Loan Party, other than the Liens created by the Loan Documents and Permitted Liens;

except with respect to clauses (a) and (b) of this Section 3.02(2) as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 3.03 Enforceability. This Agreement has been duly executed and delivered by Holdings and each of the Borrower Parties and constitutes, and each other Loan Document when executed and delivered by each Loan Party that is party thereto will constitute, a legal, valid and binding obligation of such Loan Party enforceable against each such Loan Party in accordance with its terms, subject to:

SECTION 3.04 Governmental Approvals. No action, consent or approval of, registration or filing with or any other action by any Governmental Authority or third party is or will be required in connection with the Recapitalization Transactions, the perfection or maintenance of the Liens created under the Security Documents or the exercise by the Administrative Agent or any Lender of its rights under the Loan Documents or the remedies in respect of the Collateral, except for:

At the time of delivery of each Borrowing Base Certificate, assuming that any eligibility criteria that requires the approval or satisfaction of the Administrative Agent has been approved by or is satisfactory to the Administrative Agent, each material Account reflected therein as eligible for inclusion in the Borrowing Base is an Eligible Account, the material Inventory reflected therein as eligible for inclusion in the Borrowing Base constitutes Eligible Inventory and the cash and Cash Equivalents reflected therein as eligible for inclusion in the Borrowing Base constitute Eligible Cash.

SECTION 3.06 Title to Properties; Possession Under Leases.

1. Each of the Borrower and the Subsidiary Loan Parties has valid fee simple title to, or valid leasehold interests in, or easements or other limited property interests in, all of its Real Properties and valid title to its personal property and assets, in each case, except for Permitted Liens or defects in title.
that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties and assets for their intended purposes, in each case, except where the failure to have such title interest, easement or right would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. All such properties and assets are free and clear of Liens, other than Permitted Liens.

(2) Neither the Borrower Parties nor any of the Restricted Subsidiaries has defaulted under any lease to which it is a party, except for such defaults as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. (2) To the knowledge of the Borrower, none of the Borrower Parties, the Restricted Subsidiaries or their respective properties or assets is in violation of (nor will the continued operation of their material properties and assets as currently conducted violate) any law, rule or regulation (including any zoning, building, ordinance, code or approval, or any building permit, but excluding any Environmental Laws, which are subject to Section 3.14) or any restriction of record or agreement affecting any property, or is in default with respect to any judgment, writ, injunction or decree of any Governmental Authority, where such violation or default would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(1) Except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect, each of Holdings, the Borrower and the Restricted Subsidiaries has filed or caused to be filed all federal, state, local and non-U.S. Tax returns required to have been filed by it; and

(2) Each of Holdings, the Borrower and the Restricted Subsidiaries has timely paid or caused to be timely paid (a) all Taxes shown to be due and payable by it on the returns referred to in clause (1) of this Section 3.12 and (b) all other Taxes or assessments (or made adequate provision (in accordance with GAAP) for the payment of all Taxes due) with respect to all periods or portions thereof ending on or before the Closing Fourth Amendment Effective Date, which Taxes, if not paid or adequately provided for, would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, in each case except Taxes or assessments that are being contested in good faith by appropriate proceedings and for which Holdings, the Borrower or any Restricted Subsidiary (as the case may be) has set aside on its books adequate reserves in accordance with GAAP.

As of the Fourth Amendment Effective Date, to the best knowledge of the Borrower and each Co-Borrower, the
information included in the Beneficial Ownership Certification provided on or prior to the Fourth Amendment Effective Date to any Lender in connection with this Agreement is true and correct in all material respects.

The Projections that have been made available to the Administrative Agent or the Lenders by or on behalf of the Borrower in connection with the Recapitalization Transactions, when taken as a whole, have been prepared in good faith based upon assumptions that are believed by the Borrower to be reasonable at the time made and at the time delivered to the Administrative Agent or the Lenders, it being understood by the Administrative Agent and the Lenders that:

(a) the Projections are merely a prediction as to future events and are not to be viewed as facts;

(b) the Projections are subject to significant uncertainties and contingencies, many of which are beyond the control of Holdings, the Borrower, the Company and/or the Sponsors;

(c) no assurance can be given that any particular Projections will be realized; and

(d) actual results may differ and such differences may be material.

(2) none of the Borrower Parties or any Restricted Subsidiary has received notice of or is subject to any pending, or to the Borrower’s knowledge, threatened action, suit or proceeding alleging a violation of, or liability under, any Environmental Law that remains outstanding or unresolved;

(3) to the Borrower’s knowledge, no Hazardous Material is located at, on or under any property currently or formerly owned, operated or leased by any Borrower Party or any Restricted Subsidiary and no Hazardous Material has been generated, owned, treated, stored, handled or controlled by any Borrower Party or any Restricted Subsidiary and transported to or released at any location which, in each case, described in this clause (3), would reasonably be expected to result in liability to any Borrower Party or any Restricted Subsidiary; and

(4) there are no agreements in which any Borrower Party or any Restricted Subsidiary has expressly assumed or undertaken responsibility for any known or reasonably anticipated liability or obligation of any other Person arising under or relating to Environmental Laws or Hazardous Materials.

SECTION 3.15 Security Documents.

(1) The Collateral Agreement is effective to create in favor of the Collateral Agent (for the benefit of the Secured Parties) legal and valid Liens on the Collateral described therein; and when financing statements in appropriate form are filed in the offices specified on Schedule IV to the Collateral Agreement, a short form grant of security interest in intellectual property (in substantially the form of Exhibit II to the Collateral Agreement (for trademarks), Exhibit III to the Collateral Agreement (for patents) or Exhibit IV to the Collateral Agreement (for copyrights)) is properly filed in the
United States Patent and Trademark Office or the United States Copyright Office, as applicable, and the Pledged Collateral described in the Collateral Agreement is delivered to the Collateral Agent, the Liens on the Collateral granted pursuant to the Collateral Agreement will constitute fully perfected Liens on all right, title and interest of the grantors in such Collateral in which (and to the extent) a security interest can be perfected under Article 9 of the Uniform Commercial Code, in each case prior to and superior in right of the Lien of any other Person (except for Permitted Liens).

(2) When financing statements in appropriate form are filed in the offices specified on Schedule IV to the Collateral Agreement and the Collateral Agreement or a summary thereof or a short form grant of security interest in intellectual property (in substantially the form of Exhibit II to the Collateral Agreement (for trademarks), Exhibit III to the Collateral Agreement (for patents) or Exhibit IV to the Collateral Agreement (for copyrights)) is properly filed in the United States Patent and Trademark Office or the United States Copyright Office, as applicable, the Liens on the Collateral granted pursuant to the Collateral Agreement shall constitute fully perfected Liens on all right, title and interest of the Loan Parties thereunder in the domestic intellectual property, in each case prior and superior in right to the Lien of any other Person (except for Permitted Liens) (it being understood that subsequent recordings in the United States Patent and Trademark Office or the United States Copyright Office may be necessary to perfect a Lien on registered trademarks and patents, trademark and patent applications and registered copyrights acquired by the grantors after the Closing Fourth Amendment Effective Date).

(3) Notwithstanding anything herein (including this Section 3.15) or in any other Loan Document to the contrary, neither the Borrower nor any other Loan Party (i) makes any representation or warranty as to the effects of perfection or non-perfection, the priority or the enforceability of any pledge of or security interest in any Equity Interests of any Foreign Subsidiary, in each case, under foreign law, or as to the rights and remedies of the Agents or any Lender with respect thereto, under foreign law or (ii) shall be required to take any action to perfect any Lien in any intellectual property registered (or where an application for registration has been filed) in any jurisdiction other than the United States of America.

SECTION 3.16 Location of Real Property and Leased Premises.

(1) Schedule 3.16(1) correctly identifies, in all material respects, as of the Closing Fourth Amendment Effective Date, all material Real Property owned in fee by the Loan Parties. As of the Closing, including all such Real Property required to be subject to a mortgage or deed of trust pursuant to the terms of the TSA. As of the Closing, the Loan Parties own in fee all the Real Property set forth as being owned by them on Schedule 3.16(1).

(2) Schedule 3.16(2) lists correctly in all material respects, as of the Closing Fourth Amendment Effective Date, all material Real Property (including all leased full-line Neiman Marcus and Bergdorf Goodman stores and all leased warehouses or distribution centers) leased by any Loan Party and the best known addresses thereof. As of the Closing, including any such Real Property required to be subject to a mortgage or deed of trust pursuant to the terms of the TSA. As of the Closing Fourth Amendment Effective Date, the Loan Parties have in all material respects valid leases in all material Real Property set forth as being leased by them on Schedule 3.16(2).

SECTION 3.17 Solvency. On the Closing Fourth Amendment Effective Date, after giving effect to the consummation of the Recapitalization Transactions, including the Borrowing of the Loans hereunder, and after giving effect to the application of the proceeds of such Indebtedness:
the fair value of the assets of the Borrower and its Subsidiaries, on a consolidated basis, exceeds, on a consolidated basis, their debts and liabilities (subordinated, contingent or otherwise);

(2) the present fair saleable value of the property of the Borrower and its Subsidiaries, on a consolidated basis, is greater than the amount that will be required to pay the probable liability, on a consolidated basis, of their debts and other liabilities (subordinated, contingent or otherwise) as such debts and other liabilities become absolute and matured;

(3) the Borrower and its Subsidiaries, on a consolidated basis, are able to pay their debts and liabilities (subordinated, contingent or otherwise) as such liabilities become absolute and matured; and

(4) the Borrower and its Subsidiaries, on a consolidated basis, are not engaged in, and are not about to engage in, business for which they have unreasonably small capital.

For purposes of this Section 3.17, the amount of any contingent liability at any time shall be computed as the amount that would reasonably be expected to become an actual and matured liability.

SECTION 3.18 No Material Adverse Effect. Since August 3, 2013, there has been no event that has had, or would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

(3) None of Holdings, the Borrower or any Restricted Subsidiary is any of the following:

SECTION 3.22 Employee Benefit Plans.

The Borrower Parties and each of their respective ERISA Affiliates are in compliance in all material respects with the applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, would reasonably be expected to have a Material Adverse Effect. Except as would not reasonably be expected to have a Material Adverse Effect, the present value of all accumulated benefit obligations under all Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plans, in the aggregate.

ARTICLE IV

Conditions of Lending

The obligations of (a) the Lenders (including the Swingline Lender) to make Loans and (b)
any Issuing Bank to issue Letters of Credit or amend, extend or renew Letters of Credit hereunder (each, a “Credit Event”) are subject to the satisfaction of the following conditions:

SECTION 4.01  All Credit Events After the Closing Date. On the date of each Credit Event, other than Credit Events on the Closing Date:

(1) The Administrative Agent shall have received, in the case of a Borrowing, a Borrowing Request as required by Section 2.03 (or a Borrowing Request shall have been deemed given in accordance with Section 2.03(4)) or, in the case of the issuance of a Letter of Credit, the applicable Issuing Bank and the Administrative Agent shall have received a notice requesting the issuance of such Letter of Credit (and if requested by such Issuing Bank, a letter of credit application) as required by Section 2.05(2).

(2) Except with respect to any Borrowing pursuant to Section 2.21 (solely when the proviso immediately following Section 2.21(6)(d) is applicable and then only to the extent required thereby), the representations and warranties set forth in the Loan Documents will be true and correct in all material respects (or, in the case of any representations and warranties qualified by materiality or Material Adverse Effect, in all respects) as of such date, as applicable, with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties will be true and correct in all material respects (or, in the case of any representations and warranties qualified by materiality or Material Adverse Effect, in all respects) as of such earlier date).

(3) At the time of and immediately after any Borrowing (other than a Borrowing pursuant to Section 2.21 (solely when the proviso immediately following Section 2.21(6)(d) is applicable)) or issuance, amendment, extension or renewal of a Letter of Credit (other than an amendment, extension not beyond the Maturity Date, or renewal of a Letter of Credit without any increase in the stated amount thereof), as applicable, no Default or Event of Default shall have occurred and be continuing or would result therefrom.

(4) At the time after such Borrowing or issuance, amendment, extension or renewal of a Letter of Credit, as applicable, the sum of, without duplication, of Revolving Loans (including Swingline Loans), unreimbursed drawings under Letters of Credit and the face amount of undrawn amount of outstanding Letters of Credit does not exceed the Line Cap.

Each such Credit Event occurring after the Closing Date will be deemed to constitute a representation and warranty by the Borrower on the date of such Credit Event as to the matters specified in paragraphs (2), (3) and (4) of this Section 4.01.

There are no conditions, implied or otherwise, to the making of Loans after the Closing Date other than as set forth in the preceding clauses (1) through (4) of Section 4.01 and upon satisfaction or waiver of such conditions Loans will be made by the Lenders and any applicable Letters of Credit will be issued, amended, extended or renewed.

5 Fees. Payment of all fees (a) required to be paid pursuant to the Fee Letter and (b) reasonable (and reasonably documented) out-of-pocket expenses required to be paid on the Closing Date pursuant to the Commitment Letter, in each case to the extent invoiced in reasonable detail at least five Business Days prior to the Closing Date.

(e) that on the Closing Date following consummation of the Equity Contribution the Sponsors will control Merger Sub.

(8) **Legal Opinions.** The Administrative Agent shall have received a customary legal opinion of each of (a) Latham & Watkins LLP, special counsel to the Loan Parties and (b) K&L Gates LLP, local counsel to the Loan Parties.

(12) **Initial Borrowing Base Certificate.** The Administrative Agent shall have received an executed Borrowing Base Certificate prepared as of October 5, 2013 in form and substance reasonably satisfactory to the Administrative Agent.

(14) Representations and Warranties. Subject to the Certain Funds Provisions, the Specified Merger Agreement Representations and Specified Representations (as defined in the Existing Credit Agreement) will be true and correct in all material respects; provided that the failure of a Specified Merger Agreement Representation to be true and correct will not result in a failure of a condition precedent under this Article IV unless such failure gives Merger Sub the right to terminate the Original Merger Agreement pursuant to its terms (after giving effect to any applicable notice and cure provisions).

There are no conditions, implied or otherwise, to the making of Loans on the Closing Date other than as set forth in the preceding clauses (1) through (14) of Section 4.02 and upon satisfaction or waiver of such conditions Loans will be made by the Lenders and any applicable Letters of Credit will be issued, amended, extended or renewed. Notwithstanding anything herein to the contrary, capitalized terms used in this Article IV to the extent not otherwise defined in this Agreement shall have the meaning given such terms in the Existing Credit Agreement.

ARTICLE V

Affirmative Covenants

The Borrower covenants and agrees with each Lender that so long as this Agreement is in effect and until the Commitments have been terminated, the Obligations (other than Obligations in respect of Letters of Credit (except for any Obligations relating to Letters of Credit which are then due and payable), Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted) have been paid in full and all Letters of Credit have expired, terminated or been cash-collateralized on terms satisfactory to the Issuing Bank, unless the Required Lenders (or, after the Discharge of ABL Revolving Claims, the Required Term Lenders) otherwise consent in writing, the Borrower will, and will cause each Co-Borrower and each Restricted Subsidiary, to:

SECTION 5.01 Existence; Businesses and Properties.

(1) Do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence, except:

(a) in the case of a Restricted Subsidiary, where the failure to do so would not reasonably be expected to have a Material Adverse Effect; or

(b) in connection with a transaction permitted under Section 6.05.

(1) Maintain, with insurance companies reasonably believed to be financially sound and reputable, insurance in such amounts and against such risks as are customarily maintained by similarly situated companies engaged in the same or similar businesses operating in the same or similar locations, and cause the Collateral Agent to be listed as a co-loss payee on property and casualty policies and as an additional insured on liability policies. The Borrower will furnish to the Administrative Agent or Collateral Agent, upon request, information in reasonable detail as to the insurance so maintained. Notwithstanding the foregoing, it is understood and agreed that no Loan Party will be required to maintain flood insurance unless any material Real Property owned by what constitutes Collateral is required to be so insured pursuant to the Flood Disaster Protection Act of 1973 or the National Flood Insurance Act of 1968, and the regulations promulgated thereunder Laws, because such material Real Property is located in an area which has been identified by the Secretary of Housing and Urban Development as a “special flood hazard area.”

(2) Use commercially reasonable efforts to: (a) if insurance is procured from insurance companies, obtain certificates and endorsements reasonably acceptable to the Administrative Agent with respect to property and casualty insurance; (b) cause each insurance policy referred to in this Section 5.02 and procured from an insurance company to provide that it shall not be cancelled, modified or not renewed (x) by reason of nonpayment of premium except upon not less than 10 days’ prior written notice thereof by the insurer to the Administrative Agent (giving the Administrative Agent the right to cure defaults in the payment of premiums) or (y) for any other reason except upon not less than 30 days’ prior written notice thereof by the insurer to the Administrative Agent; and (c) deliver to the Administrative Agent, prior to the cancellation, modification or non-renewal of any such policy of insurance, a copy of a renewal or replacement policy (or other evidence of renewal of a policy previously delivered to the Administrative Agent, including an insurance binder) together with evidence reasonably satisfactory to the Administrative Agent of payment of the premium thereof.

(3) With respect to all Real Property constituting Collateral (and any Real Property that is required to be mortgaged pursuant to the terms of this Credit Agreement) that is located in an area identified by the Federal Emergency Management Agency (or any successor agency thereto) as a “special flood hazard area” with respect to which flood insurance has been made available under the Flood Insurance Laws, the applicable Loan Party (a) shall obtain and maintain with financially sound and reputable insurance companies (except to the extent that any insurance company insuring such Real Property of such Loan Party ceases to be financially sound and reputable after the Fourth Amendment Effective Date, in which case such Loan Party shall promptly replace such insurance company with a financially sound and reputable insurance company), such flood insurance in such reasonable total amount as the Administrative Agent and each Lender may from time to time reasonably require and otherwise sufficient to comply with all applicable rules and regulations.
promulgated under the Flood Insurance Laws and (b) promptly upon request of the Administrative Agent or any Lender, shall deliver to the Administrative Agent or such Lender as applicable, evidence of such compliance in form and substance reasonably acceptable to the Administrative Agent or such Lender, including, without limitation, evidence of annual renewals of such flood insurance.

SECTION 5.03 Taxes

(1) Pay and discharge promptly when due all material Taxes imposed upon it or its income or profits or in respect of its property, before the same becomes delinquent or in default; provided that such payment and discharge will not be required with respect to any Tax if (1) the validity or amount thereof is being contested in good faith by appropriate proceedings and (2) Holdings, the Borrower or any affected Restricted Subsidiary, as applicable, has set aside on its books reserves in accordance with GAAP with respect thereto.

(2) The Loan Parties agree, for U.S. federal (and applicable state and local) income tax purposes, to treat TNMG LLC and NMG Sub, in each case, as an entity disregarded as separate from the Borrower.

SECTION 5.04 Financial Statements, Reports, etc. Furnish to the Administrative Agent (which will promptly furnish such information to the Lenders) and, subject to customary confidentiality undertakings, make available to potential Lenders/assignees:

(2) within 60 days following the end of the fiscal quarters ending November 2, 2013 and February 1, 2014, and, thereafter, within 45 days following the end of each of the first three fiscal quarters of each fiscal year (commencing with the fiscal quarter ending April 27, 2019), a consolidated balance sheet and related statements of operations and cash flows showing the financial position of the Borrower and the Restricted Subsidiaries as of the close of such fiscal quarter and the consolidated results of its operations during such fiscal quarter and, in each case, the then-elapsed portion of the fiscal year and setting forth in comparative form the corresponding figures for the corresponding periods of the prior fiscal year, which consolidated balance sheet and
related statements of operations and cash flows will be certified by a Responsible Officer of the Borrower on behalf of the Borrower as fairly presenting, in all material respects, the financial position and results of operations of the Borrower and the Restricted Subsidiaries on a consolidated basis in accordance with GAAP, subject to normal year-end audit adjustments and the absence of footnotes (the applicable financial statements delivered pursuant to this clause (2) being the “Quarterly Financial Statements” and, together with the Annual Financial Statements, the “Required Financial Statements”);

(5) whether or not NMG or any of its Subsidiaries is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the following reports: (a) together with any such Annual Financial Statements delivered pursuant to Section 5.04(1), a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” containing the information required under such caption of Form 10-K of the Exchange Act, and (b) together with any such Quarterly Financial Statements delivered pursuant to Section 5.04(2), a “Management’s Discussions and Analysis of Financial Condition and Results of Operations” containing the information required under such

The obligations in clauses (1) and (2), (4), (5) and (6) of this Section 5.04 may be satisfied by delivery of financial information of the Borrower and its Subsidiaries so long as such financial statements include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Borrower and the Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Borrower.

(c) no actions will be required outside of the United States in order to create or perfect any security interest in any assets located outside of the United States and no foreign law security or pledge agreements, foreign law mortgages or deeds or foreign intellectual property filings or searches will be required, in each case other than with respect to (1) debt or Equity Interests acquired pursuant to a Permitted Acquisition and (2) Foreign Subsidiaries that are or become Subsidiary Loan Parties; provided, however, that (i) in the event a Responsible Officer of the Borrower (reasonably and in good faith) and the Collateral Agent mutually determine that the burden or cost of obtaining foreign-law governed Security Documents or creating or taking perfections steps in any such foreign jurisdictions outweighs the benefit afforded thereby to the Secured Parties or obtaining foreign-law governed Security Documents or creating or taking such perfection steps in any such foreign jurisdictions is impracticable, impossible or ineffective or would give rise to or result in any violation of applicable law, then no such foreign-law governed Security
Documents nor creation or the taking of perfection steps in any such foreign jurisdictions shall be required to be provided with respect to such Subsidiary Loan Party and (i) notwithstanding anything to the contrary contained herein or in any other Loan Document, in the event that any foreign-law governed Security Documents or the creation or taking of perfection steps in any such foreign jurisdictions are being obtained in accordance with this clause (c), the Borrower and the Collateral Agent shall mutually agree on customary "Agreed Security Principles" and a reasonable and customary timeline to complete such Security Documents and/or filings or perfection actions or steps (which may be longer than the timelines otherwise agreed to in this Section 5.10).

all certificates (if any) representing such Equity Interests, together with stock powers or other instruments of transfer with respect thereto endorsed in blank, to the Collateral Agent (or a designated bailee thereof), in each case in form and substance satisfactory to the Collateral Agent.

(8) Notwithstanding anything herein to the contrary, (i) within 15 Business Days of the contribution of any Non-Mortgageable Lease to a PropCo Guarantor (or such longer period as the Collateral Agent agrees), the applicable PropCo Guarantor receiving such Non-Mortgageable Lease shall grant a lease or license with respect to such contributed Non-Mortgageable Lease, substantially in the form of Exhibit J or such other form that is approved by the Collateral Agent in consultation with the Lenders and reasonably satisfactory to the Borrower and reasonably satisfactory to the Collateral Agent in consultation with the Lenders, to each applicable Subsidiary of Holdings to operate on the relevant 2019 Extended Term Loan PropCo Asset or Notes PropCo Asset contributed to such PropCo Guarantor, as applicable, and (ii) from and after the Fourth Amendment Effective Date, each of 2019 Extended Term Loan PropCo, Notes PropCo, and the Loan Parties shall at all times maintain, preserve, and keep in full force and effect without any amendment thereto that would adversely affect the Lenders in any material respect the PropCo Operating Licenses with respect to any Non-Mortgageable Lease that remains in existence on or after the Fourth Amendment Effective Date.

(9) Notwithstanding anything herein to the contrary, in the event any MYT Entity is required to be contributed to Holdings or its Subsidiaries, 100% of the Equity Interests of the top-tier MYT Entity (the “Contributed MYT Equity Interests”) held by Holdings or any Subsidiary Loan Party immediately following such contribution shall be required to be pledged as Collateral to the Collateral Agent to secure the Obligations on a fourth-priority basis; provided, however, that notwithstanding the foregoing, such pledge of Contributed MYT Equity Interests shall not affect the MYT Waterfall contemplated herein or the “Distributions Upon Realizations of Value by MYT HoldCo” contemplated in the Offering Circular; provided, further, however that in the event such Contributed MYT Equity Interests are distributed in accordance with clause (12) of Section 6.06, then any such equity pledges or Liens granted on such Contributed MYT Equity Interests contemplated by this Section 5.10(9) shall be automatically and immediately released without any further action by any party.

(10) Notwithstanding anything herein to the contrary, no Real Property located in the State of New York (“Excluded NY Real Property”) shall be mortgaged under Section 5.10(2) or Section 5.15 hereof and the requirements set forth therein with respect to Real Property to be mortgaged shall not be applicable to such Excluded NY Real Property; provided, that, at the request of Collateral Agent, in its sole discretion, taking into account the cost (including mortgage recording taxes) and benefit of such mortgage, the applicable Loan Party shall, within 20 Business Days of such request (which can be extended in Collateral Agent’s sole discretion), deliver to Collateral Agent a mortgage on any Excluded NY Real Property and comply with the requirements in Section 5.10(2) or Section 5.15, as applicable. For the avoidance of doubt, the failure to deliver a mortgage on an Excluded NY Real Property shall not violate any Intercreditor Agreement unless and until the Collateral Agent has requested a mortgage and the time period to deliver such mortgage (together with any extensions) has elapsed.

(11) Notwithstanding the foregoing, the Collateral Agent shall not enter into or obtain any mortgage, deed of trust or any lien upon the Real Property referred to on Schedule 5.15 or any Real Property acquired by any Loan Party after the Fourth Amendment Effective Date until (A) the Administrative Agent has delivered to all of the Lenders (which may be delivered electronically) the following documents in respect of such Real Property: (i) a completed flood hazard determination from a third party vendor, (ii) if such Real Property is located in a “special flood

provided that, with respect to each of Sections 5.11(1) and (2):

(a) Each Blocked Account Agreement and Credit Card Notification will require, during a Cash Dominion Period and upon receipt by the Borrower of written notice thereof by the Administrative Agent, the ACH or wire transfer no less frequently than once per Business Day of all available cash balances and cash receipts, including the then contents or then entire ledger balance of each Blocked Account net of such minimum balance (not to exceed $100,000 per account), if any, required by the bank at which such Blocked Account is maintained to an account established with, and subject to the control of, the Administrative Agent (the “Dominion Account”).

(b) All collected amounts received in the Dominion Account shall be distributed and applied on a daily basis to the repayment of all Loans outstanding under this Agreement and to the payment of all other Obligations then due and owing pursuant to the waterfall set forth in Section 2.18(3); provided that amounts applied pursuant to subclauses (iv) and (v) thereof will be applied:

provided that the foregoing will not apply to cash or Cash Equivalents constituting Term Note Priority Collateral required to be deposited in a Blocked Account in favor of the lenders under the Term Loan Credit Agreement pursuant to the terms of the Term Loan Credit Agreement; provided, further, that the foregoing will not apply to cash or Cash Equivalents deposited, held or invested in any of the following:

(6) (a) any event or condition occurs that (i) results in any Material Indebtedness becoming due prior to its scheduled maturity or (ii) enables or permits (with all applicable grace periods having expired) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity or (b) the Borrower Parties or any Restricted Subsidiary fail to pay the principal of any Material Indebtedness at the stated final maturity thereof; provided that this clause (6) will not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; provided, further, that such event or condition is unremedied and is not waived or cured by the holders of such Indebtedness prior to any acceleration of the Loans and termination of the Commitments pursuant to the final paragraph of this Section 8.01;

(c) the winding up or liquidation of Holdings, any Borrower Party or any Material Restricted Subsidiary (except, in the case of any Material Restricted Subsidiary, in a transaction permitted by Section 6.05) and such proceeding or petition continues undischarged, undismissed or unstayed for 60 calendar days, or an order or decree approving or ordering any of the foregoing is entered;

Holdings, the Borrower or any Material Restricted Subsidiary:

any such judgment;

(11) (a) a trustee is appointed by a United States district court to administer any Plan or (b) an ERISA Event or ERISA Events occurs with respect to any
Plan or Multiemployer Plan, and, in each case, with respect to clauses (a) and (b) above, such event or condition, together with all other such events
or conditions, if any, is reasonably expected to have a Material Adverse Effect; or

(12) (a) any material provision of any Loan Document ceases to be, or is asserted in writing by Holdings, the Borrower or any Restricted Subsidiary not
to be, for any reason, a legal, valid and binding obligation of any party thereto, (b) any security interest purported to be created by any Security
Document and to extend to assets that are included in the Borrowing Base or otherwise are not immaterial to Holdings, the Borrower and the
Restricted Subsidiaries on a consolidated basis ceases to be, or is asserted in writing by the Borrower or any other Loan Party not to be, a valid and
perfected security interest in the securities, assets or properties covered thereby, except to the extent that any such loss of validity, perfection or
priority results from the limitations of foreign laws, rules and regulations as they apply to pledges of Equity Interests in Foreign Subsidiaries or the
application thereof, or from the failure of the Collateral Agent to maintain possession of certificates actually delivered to it representing securities

to be legal, valid and binding obligations, except in the cases of clauses (a) and (b), in connection with an Asset Sale permitted by this Agreement;

then, (i) upon the occurrence of any such Event of Default (other than with respect to any Borrower Party described in clause (8) or (9) of this Section 8.01)
and at any time thereafter during the continuance of such Event of Default, the Administrative Agent, at the request of the Required Lenders (or, after the
Discharge of ABL Revolving Claims, the Required Term Lenders), will, by notice to the Borrower, take any or all of the following actions, at the same or
different times: (A) terminate forthwith the Commitments, (B) declare the Loans then outstanding to be forthwith due and payable in whole or in part,
whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other
liabilities of the Borrower Parties accrued hereunder and under any other Loan Document, will become forthwith due and payable, without presentment,
demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower Parties, anything contained herein or in any other
Loan Document to the contrary notwithstanding; (C) if the Loans have been declared due and payable pursuant to clause (B) above, demand cash collateral
pursuant to Section 2.05(11); and (D) exercise all rights and remedies granted to it under any Loan Document and all of its rights under any other applicable
law or in equity, and (ii) in any event with respect to the Borrower Parties described in clause (8) or (9) of this Section 8.01, the principal of the Loans then
outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrower Parties accrued hereunder and under
any other Loan Document, will automatically become due and payable and the Administrative Agent shall be deemed to have made a demand for cash
collateral to the full extent permitted under Section 2.05(11), without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly

waived by the Borrower Parties, anything contained herein or in any other Loan Document to the contrary notwithstanding; provided that, notwithstanding any of the foregoing, (w) upon the occurrence of and during the continuance of an Event of Default under Section 8.01(2) or (3) with respect to the ABL Term Loans, the Administrative Agent, at the request of the Required Term Lenders, will, by notice to the Borrower, declare the ABL Term Loans then outstanding to be forthwith due and payable in whole or in part pursuant to the foregoing clause (B), (x) upon the acceleration of the Revolving Loans hereunder, the principal of the ABL Term Loans then outstanding, together with accrued interest thereon and all other Obligations accrued in respect thereof, shall be automatically due and payable in whole immediately and all ABL Term Loan Commitments shall automatically terminate, in each case without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower Parties, (y) upon the acceleration of the ABL Term Loans hereunder, the principal of the Revolving Loans then outstanding, together with accrued interest thereon and all other Obligations accrued in respect thereof, shall be automatically due and payable in whole immediately and all Commitments shall automatically terminate, in each case without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower Parties and (z) except as expressly set forth herein (including, without limitation, in the FILO Intercreditor Provisions), no ABL Term Lender shall have any right to affirmatively exercise any remedy with respect to the Collateral upon the occurrence and during the continuance of an Event of Default until the Discharge of ABL Revolving Claims.

SECTION 8.02  Right to Cure.  Notwithstanding anything to the contrary contained in Section 8.01, in the event that the Borrower Parties fail (or, but for the operation of this Section 8.02, would fail) to comply with the requirements of the Financial Performance Covenant, until the expiration of the tenth Business Day subsequent to the date the Required Financial Statements are required to be delivered pursuant to Section 5.04(1) or (2) for the applicable fiscal quarter, Holdings shall have the right to issue Permitted Cure Securities for cash or otherwise receive cash contributions to the capital of Holdings, and, in each case, to contribute any such cash to the capital of the Borrower (collectively, the “Cure Right”) and, upon the receipt by the Borrower of such cash (the “Cure Amount”) pursuant to the exercise by Holdings of such Cure Right, the Financial Performance Covenant shall be recalculated giving effect to a pro forma adjustment by which Consolidated EBITDA shall be increased with respect to such applicable fiscal quarter and any four-quarter period that contains such quarter, solely for the purpose of measuring the Financial Performance Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount. The resulting increase to Consolidated EBITDA from the application of a Cure Amount shall not result in any adjustment to Consolidated EBITDA or any other financial definition for any purpose under this Agreement other than for purposes of calculating the Financial Performance Covenant. In each four fiscal quarter period there shall be at least two fiscal quarters in which the Cure Right is not exercised and the Cure Right may not be exercised more than five times during the term of this Agreement and, for purposes of this Section 8.02, the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Performance Covenant. If, after giving effect to the adjustments in this Section 8.02, the Borrower shall then be in compliance with the requirements of the Financial Performance Covenant, the Borrower shall be deemed to have satisfied the requirements of the Financial Performance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach of the Financial Performance Covenant and any related default that had occurred shall be deemed cured for the purposes of this Agreement.
ARTICLE IX

The Agents

SECTION 9.01 Appointment.

(1) Each Lender (in its capacities as a Lender and the Swingline Lender (if applicable) and on behalf of itself and its Affiliates as potential counterparties to Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Hedge Agreements) hereby irrevocably designates and appoints the Administrative Agent as agent of such Lender under this Agreement and the other Loan Documents, as applicable, including as the Collateral Agent for such Lender and the other applicable Secured Parties under the applicable Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacities, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States, each of the Lenders and the Issuing Banks hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender’s or Issuing Bank’s behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred. For the avoidance of doubt, no Borrower shall have liability for the actions of the Administrative Agent pursuant to the immediately preceding sentence.

(2) In furtherance of the foregoing, each Lender (in its capacities as a Lender and the Swingline Lender (if applicable) and on behalf of itself and its Affiliates as potential counterparties to Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Hedge Agreements) hereby appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on the Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In connection therewith, the Administrative Agent (and any Subagents appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Administrative Agent) shall be entitled to the benefits of this Article IX (including Section 9.07) as though the Administrative Agent (and any such Subagents) were an “Agent” under the Loan Documents, as if set forth in full herein with respect thereto.

(3) Each Lender (in its capacities as a Lender and the Swingline Lender (if applicable) and on behalf of itself and its Affiliates as potential counterparties to Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Hedge Agreements) irrevocably authorizes the Administrative Agent, at its option and in its discretion:
(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document

(i) upon termination of the Commitments, the payment in full of all Obligations (other than Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted) and the expiration, termination or cash-collateralization (to the satisfaction of the respective Issuing Bank) of all Letters of Credit;

(ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document; or

(iii) if approved, authorized or ratified in writing in accordance with Section 10.08 hereof;

(b) to release any Loan Party from its obligations under the Loan Documents if such Person ceases to be a Restricted Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(3) (and to the extent required by the terms thereof as of the Closing Date).

Upon request by the Administrative Agent at any time, the Required Lenders (or, after the Discharge of ABL Revolving Claims, the Required Term Lenders) will confirm in writing the Administrative Agent’s authority to release its interest in particular types or items of property, or to release any Loan Party from its obligations under the Loan Documents.

(4) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (a) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Agents and any Subagents allowed in such judicial proceeding and (ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (b) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.
The Lenders and each other holder of an Obligation under a Loan Document shall act collectively through the Administrative Agent and, without limiting the delegation of authority to the Administrative Agent set forth herein and subject to the proviso to the final paragraph of Section 8.01, the Required Lenders (or, after the Discharge of ABL Revolving Claims, the Required Term Lenders) shall direct the Administrative Agent with respect to the exercise of rights and remedies hereunder and under other Loan Documents (including with respect to alleging the existence or occurrence of, and exercising rights and remedies as a result of, any Default or Event of Default in each case that could be waived with the consent of the Required Lenders) and, the exercise of rights and remedies with respect to (i) the Recapitalization Transactions, (ii) the Loans and any securities, notes, or other interests issued pursuant to this Agreement or the Existing Credit Agreement and (iii) any Collateral with respect to the Obligations. Any such rights and remedies shall not be exercised other than through the Administrative Agent; provided that, None of the foregoing shall not preclude any Lender from exercising any right of set-off in accordance with the provisions of Section 10.06 or from exercising rights and remedies (other than the enforcement of Collateral) with respect to any payment default after the occurrence of the Maturity Date with respect to any Loans made by it.

SECTION 9.02  Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of the agents or attorneys-in-fact selected by it with reasonable care. The Administrative Agent may also from time to time, when the Administrative Agent deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a “Subagent”) with respect to all or any part of the Collateral; provided that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by the Administrative Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects in accordance with the foregoing provisions of this Section 9.02 in the absence of the Administrative Agent’s gross negligence or willful misconduct.

SECTION 9.03  Exculpatory Provisions. None of the Administrative Agent, its Affiliates or any of their respective officers, directors, employees, agents or attorneys-in-fact shall be (1) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such Person’s own gross negligence or willful misconduct) or (2) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability
or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into:

(i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document;
(ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith;
(iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default;
(iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents;
(v) the value or the sufficiency of any Collateral; or
(vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 9.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed in good faith by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed in good faith by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Credit Event, that by its terms must be fulfilled to the satisfaction of a Lender or any Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or the Issuing Bank prior to such Borrowing. The Administrative Agent may consult with legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation
or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders (including, after the Discharge of ABL Revolving Claims, the Required Term Lenders)) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders (including, after the Discharge of ABL Revolving Claims, the Required Term Lenders)), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

SECTION 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received written notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default.” In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders (including, after the Discharge of ABL Revolving Claims, the Required Term Lenders)); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

SECTION 9.06 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by the Administrative Agent hereafter taken, including any review of the affairs of a Loan Party or any Affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by the Administrative Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any Affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

SECTION 9.07 Indemnification. The Lenders agree to indemnify each Agent and each Issuing Bank, in each case in its capacity as such (to the extent not reimbursed by Holdings or the Borrower Parties and without limiting the obligation Holdings or the Borrower Parties to do so), in the
amount of its pro rata share (based on its aggregate Revolving Facility Credit Exposure and, in the case of the indemnification of each Agent, unused Commitments hereunder; provided that the aggregate principal amount of Swingline Loans owing to the Swingline Lender and of L/C Disbursements owing to any Issuing Bank shall be considered to be owed to the Revolving Lenders ratably in accordance with their respective Revolving Facility Credit Exposure) (determined at the time such indemnity is sought), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against the Administrative Agent or such Issuing Bank in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or such Issuing Bank under or in connection with any of the foregoing, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from the Administrative Agent’s or such Issuing Bank’s gross negligence or willful misconduct. The failure of any Lender to reimburse the Administrative Agent or any Issuing Bank, as the case may be, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to the Administrative Agent or such Issuing Bank, as the case may be, for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse the Administrative Agent or such Issuing Bank, as the case may be, for such other Lender’s ratable share of such amount. The agreements in this Section 9.07 shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION 9.08 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though the Administrative Agent were not the Administrative Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued, or Letter of Credit or Swingline Loan participated in by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as though it were not the Administrative Agent, and the terms “Lender” and “Lenders” shall include each Agent in its individual capacity.

SECTION 9.09 Successor Agent. The Administrative Agent may resign as Administrative Agent upon ten days’ notice to the Lenders and the Borrower. Any such resignation by the Administrative Agent hereunder shall also constitute its resignation as an Issuing Bank and the Swingline Lender, in which case the resigning Administrative Agent (x) shall not be required to issue any further Letters of Credit or make any additional Swingline Loans hereunder and (y) shall maintain all of its rights as Issuing Bank or Swingline Lender, as the case may be, with respect to any Letters of Credit issued by it, or Swingline Loans made by it, prior to the date of such resignation. If the Administrative Agent resigns as the Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders (or, after the Discharge of ABL Revolving Claims, the Required Term Lenders) shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless a Specified Event of Default shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the reference to the resigning Administrative Agent means such successor agent effective upon such appointment and approval, and the former Administrative Agent’s rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is ten days following a retiring Administrative Agent’s notice of resignation, the retiring Administrative Agent’s
resignation shall nevertheless thereupon become effective, and the retiring Administrative Agent hereunder shall, on behalf of the Lenders and the Issuing Bank appoint a successor agent which shall (unless a Specified Event of Default shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed). After any retiring Administrative Agent’s resignation as Administrative Agent, the provisions of this Section 9.09 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

SECTION 9.10  Arrangers; Co-Syndication Agents; Co-Documentation Agents; Senior Managing Agents. None of the Arrangers, Second Amendment Arrangers, Co-Syndication Agents, Second Amendment Co-Syndication Agents, Co-Documentation Agents, Second Amendment Documentation Agent, Senior Managing Agent or Second Amendment Senior Managing Agent will have any duties, responsibilities or liabilities hereunder in their respective capacities as such.

SECTION 10.01  Notices; Communications.

(1) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 10.01(2)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or e-mail, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, in each case, as follows:

(a) if to any Loan Party, the Administrative Agent, any Issuing Bank as of the Closing Date or the Swingline Lender, to the address, facsimile number, e-mail address or telephone number specified for such Person on Schedule 10.01; and

(b) if to any other Lender or Issuing Bank, to the address, facsimile number, e-mail address or telephone number specified in its Administrative Questionnaire.

(2) Notices and other communications to the Lenders and any Issuing Bank hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any Issuing Bank pursuant to Article II if such Lender or any Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(3) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by facsimile shall be deemed to have been given when sent and confirmation of transmission received (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic
communications to the extent provided in Section 10.01(2) shall be effective as provided in such Section 10.01(2).

(4) Any party hereto may change its address, facsimile number or e-mail address for notices and other communications hereunder by notice to the other parties hereto.

(5) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 10.17) and if so delivered, shall be deemed to have been delivered on the date (a) on which the Borrower posts such documents or provides a link thereto on the Borrower’s website on the Internet at the website address listed on Schedule 10.01 or (b) on which such documents are posted on the Borrower’s behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided that the Borrower shall notify the Administrative Agent (by facsimile or e-mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents; provided, further, that, upon reasonable request by the Administrative Agent, the Borrower shall also provide a hard copy to the Administrative Agent of any such document; provided, further, that any documents posted for which a link is provided after normal business hours for the recipient shall be deemed to have been given at the opening of business on the next Business Day for such recipient. The Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Loan Parties with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

SECTION 10.02 Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and each Issuing Bank and shall survive the making by the Lenders of the Loans, the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such Persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or L/C Disbursement or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17 and 10.05) shall survive the payment in full of the principal and interest hereunder, the expiration of the Letters of Credit and the termination of the Commitments or this Agreement.

SECTION 10.03 Binding Effect. This Agreement shall become effective when the Fourth Amendment has been executed by Holdings, Merger Sub and the Borrower Parties and the Administrative Agent and when the Administrative Agent has received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrower Parties, the Subsidiary Loan Parties, each Agent, each Issuing Bank, each Lender and their respective permitted successors and assigns.
SECTION 10.04 Successors and Assigns.

(1) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any affiliate of the Issuing Bank that issues any Letter of Credit), except that (a) no Borrower Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by a Borrower Party without such consent shall be null and void), except pursuant to the Merger, and (b) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 10.04. Nothing in this Agreement, expressed or implied, will be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (3) of this Section 10.04) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, any Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(2) (a) Subject to the conditions set forth in paragraph (2)(b) of this Section 10.04, any Lender may assign to one or more assignees (other than a natural person or a Defaulting Lender) (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Revolving Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, delayed or conditioned) of:

   (i) the Borrower; provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if a Specified Event of Default has occurred and is continuing, any other Person; provided, further, that such consent shall be deemed to have been given if the Borrower has not responded within ten Business Days after delivery of a written request therefor by the Administrative Agent; and

   (ii) the Administrative Agent, each Issuing Bank and the Swingline Lender; provided that no consent of the Administrative Agent will be required for an assignment of all or any portion of Loan to a Lender, an Affiliate of a Lender or an Approved Fund; and

(b) Assignments shall be subject to the following additional conditions:

   (i) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s Commitments or Loans, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5.0 million, unless each of the Borrower and the Administrative Agent otherwise consent; provided that (1) no such consent of the Borrower shall be required if a Specified Event of Default has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Approved Funds being treated as one assignment for purposes of meeting the minimum assignment amount requirement), if any;

   (ii) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the
Administrative Agent, manually), and, except in the case of an assignment to an Approved Fund, shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(iii) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required to be delivered pursuant to Section 2.17;

(iv) the Assignee will not be the Borrower or any of the Borrower’s Affiliates or Subsidiaries; and

(v) the Assignor shall deliver to the Administrative Agent any Note issued to it with respect to the assigned Loan.

For the purposes of this Section 10.04, “Approved Fund” means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(c) Subject to acceptance and recording thereof pursuant to paragraph (2)(e) of this Section 10.04, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such Assignment and Acceptance). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (4) of this Section 10.04 to the extent such participation would be permitted by such Section 10.04(4).

(d) The Administrative Agent, acting for this purpose as the Administrative Agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest with respect thereto) of the Loans and Revolving L/C Exposure owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Bank and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Bank and any Lender (solely with respect to such Lender’s Loans) at any reasonable time and from time to time upon reasonable prior notice.
Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee’s completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, any Note outstanding with respect to the assigned Loan, the processing and recordation fee referred to in paragraph (2)(b)(ii) of this Section 10.04 and any written consent to such assignment required by paragraph (2) of this Section 10.04, the Administrative Agent promptly shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (2)(e).

By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (a) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Revolving Facility Commitment, and the outstanding balances of its Revolving Loans, in each case, without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance; (b) except as set forth in clause (a) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of Holdings, the Borrower or any Restricted Subsidiary or the performance or observance by Holdings, the Borrower or any Restricted Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (c) the Assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (d) the Assignee confirms that it has received a copy of this Agreement, together with copies of the most recent Required Financial Statements delivered pursuant to Section 5.04, and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (e) the Assignee will independently and without reliance upon the Administrative Agent or the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (f) the Assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent by the terms of this Agreement, together with such powers as are reasonably incidental thereto; and (g) the Assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

Any Lender may, without the consent of the Administrative Agent or, subject to Section 10.04(8), the Borrower, sell participations to one or more banks or other entities (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that

(i) such Lender’s obligations under this Agreement shall remain unchanged;

(ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and
the Borrower, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement.

Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents, to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents and to exercise any right or remedy with respect to the Loans and any securities or interests issued pursuant to this Agreement or the Existing Credit Agreement and any Collateral; provided that (A) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to Section 10.04(1)(a) or clauses (i), (ii), (iii), (iv), (v) or (vi) of the first proviso to Section 10.08(2) and (2) directly affects such Participant and (B) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to clause (4)(b) of this Section 10.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (2) of this Section 10.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.06 as though it were a Lender; provided that such Participant shall be subject to Section 2.18(4) as though it were a Lender. Any Participant that seeks to receive the foregoing benefits under Sections 2.15, 2.16, 2.17 or 10.06 must act through the Lender that sold the participation to the Participant, and such Lender must comply with all other requirements for seeking such benefits, including complying with Section 9.01(5) of this Agreement. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under the Loan Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Proposed Treasury Regulations Section 1.163-5(b) (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. Each Lender shall indemnify the Loan Parties for any Taxes (including any additions to Tax) attributable to or resulting from such Lender’s failure to comply with the
provisions of this Section 10.04(4)(a) relating to the maintenance of a Participant Register.

(b) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. A Participant shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(5) as though it were a Lender.

(5) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 10.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(6) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (5) of this Section 10.04.

(7) If the Borrower wishes to replace the Loans or Commitments with ones having different terms (which would otherwise have been permitted in accordance with Section 10.08(4) if made as new Loans or Commitments), it shall have the option, with the consent of the Administrative Agent and, where relevant, the Swingline Lender and each Issuing Bank, and subject to at least three Business Days’ advance notice to the Lenders, instead of repaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 10.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 10.08(4)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 10.05(2). By receiving such purchase price, the Lenders shall automatically be deemed to have assigned the Loans or Commitments pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (7) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(8) Notwithstanding the foregoing, no assignment may be made or participation sold to an Disqualified Institution without the prior written consent of the Borrower; provided that, in connection with a participation, the Lenders shall have received a list of the Disqualified Institutions prior to the executions of such participation rights.
SECTION 10.05 Expenses; Indemnity.

(1) If the Recapitalization Transactions are consummated and the Closing Fourth Amendment Effective Date occurs, the Borrower Parties, jointly and severally, agree to pay all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent and the Arrangers in connection with the preparation of this Agreement and the other Loan Documents, including as to post-closing matters, or by the Administrative Agent and the Arrangers (and in the case of enforcement of this Agreement, each Lender) in connection with the preparation, execution and delivery, amendment, modification, waiver or enforcement of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Borrower or provided for in this Agreement) in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof, including the reasonable, documented and invoiced fees, charges and disbursements of a single counsel for the Administrative Agent and the Arrangers (which shall be White & Case LLP), one firm of local counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and, in the case of any actual or perceived conflict of interest, one additional firm of counsel for the Administrative Agent, the Arrangers and, in the case of enforcement of this Agreement, the Lenders.

(2) The Borrower Parties, jointly and severally, agree to indemnify the Administrative Agent, each Arranger, each Lender, each of their respective Affiliates and each of their respective directors, officers, employees, agents, advisors, controlling Persons, equityholders, partners, members and other representatives and each of their respective successors and permitted assigns (each such Person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and reasonable, documented and invoiced out-of-pocket fees and expenses (limited to reasonable and documented legal fees of a single firm of counsel for all Indemnitees, taken as a whole, and, if necessary, one firm of counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all Indemnitees taken as a whole (and, in the case of an actual or perceived conflict of interest, where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of an additional counsel for group of affected Indemnitees similarly situated taken as a whole)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of:

(a) the execution or delivery of this Agreement or any other Loan Document, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Recapitalization Transactions and the other transactions contemplated hereby;

(b) the use of the proceeds of the Loans; or

(c) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrower or any of their Restricted Subsidiaries or Affiliates or creditors; provided that no Indemnitee will be indemnified for any loss, claim, damage, liability, cost or expense to the extent it: (i) has been determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (A) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties or (B) a material breach of the obligations of such Indemnitee under the Loan Documents or (ii) relates to any proceeding between or among Indemnitees other than (A) claims against Administrative Agent or Arrangers or their respective Affiliates, in each
(3) Subject to and without limiting the generality of the foregoing sentence, the Borrower Parties, jointly and severally, agree to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable, documented and invoiced fees, charges and disbursements of one firm of counsel for all Indemnies, taken as a whole, and, if necessary, one firm of counsel in each appropriate jurisdiction (which may include a single special counsel in multiple jurisdictions) for all Indemnities taken as a whole (and, in the case of an actual or perceived conflict of interest, an additional counsel for all Indemnies taken as a whole) and reasonable, documented and invoiced consultant fees, in each case, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result any claim related in any way to Environmental Laws and the Borrower or any of the Restricted Subsidiaries, or any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on or from any property for which the Borrower or any Restricted Subsidiaries would reasonably be expected to be held liable under Environmental Laws; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties.

(4) Any indemnification or payments required by the Loan Parties under this Section 10.05 shall not apply with respect to (a) Taxes other than (x) any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim and (y) expenses related to the enforcement of Section 2.17 or (b) Taxes that are duplicative of any indemnification or payments required by the Loan Parties under Section 2.17.

(5) To the fullest extent permitted by applicable law, Holdings and the Borrower shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Commitment, any Letter of Credit, any Loan or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(6) The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement. All amounts due under this Section 10.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.
SECTION 10.06 Right of Set-off.

(1) If an Event of Default shall have occurred and be continuing, each Revolving Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Revolving Lender or such Issuing Bank to or for the credit or the account of Holdings, any Borrower Party or any Subsidiary Loan Party against any and all of the Obligations (except to the extent relating to ABL Term Loans) of Holdings, any Borrower Party or any Subsidiary Loan Party now or hereafter existing under this Agreement or any other Loan Document held by such Revolving Lender or such Issuing Bank, irrespective of whether or not such Revolving Lender or such Issuing Bank shall have made any demand under this Agreement or such other Loan Document and although such Obligations may be unmatured. The rights of each Revolving Lender and each Issuing Bank under this Section 10.06(1) are in addition to other rights and remedies (including other rights of set-off) that such Revolving Lender or such Issuing Bank may have, but may be exercised only at the direction of the Administrative Agent or the Required Lenders (or, after the Discharge of ABL Revolving Claims, the Required Term Lenders).

(2) After the Discharge of ABL Revolving Claims, if an Event of Default shall have occurred and be continuing, each ABL Term Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such ABL Term Lender to or for the credit or the account of Holdings, any Borrower Party or any Subsidiary Loan Party against any and all of the Obligations (to the extent relating to the ABL Term Loans) of Holdings, any Borrower Party or any Subsidiary Loan Party now or hereafter existing under this Agreement or any other Loan Document held by such ABL Term Lender, irrespective of whether or not such ABL Term Lender shall have made any demand under this Agreement or such other Loan Document and although such Obligations may be unmatured. The rights of each ABL Term Lender under this Section 10.06(2) are in addition to other rights and remedies (including other rights of set-off) that such ABL Term Lender may have, but may be exercised only at the direction of the Administrative Agent or the Required Term Lenders and only after the Discharge of ABL Revolving Claims.

SECTION 10.07 Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN THE OTHER LOAN DOCUMENTS) AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (EXCEPT FOR CONFLICTS OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION).

SECTION 10.08 Waivers; Amendment.

(1) No failure or delay of the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this
Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (2) of this Section 10.08, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such Person to any other or further notice or demand in similar or other circumstances.

(2) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except:

(a) as provided in Sections 2.21, 2.22, 2.23 and 10.20;

(b) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower and the Required Lenders (or after the Discharge of ABL Revolving Claims, the Required Term Lenders); and

(c) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Administrative Agent and consented to by the Required Lenders (or after the Discharge of ABL Revolving Claims, the Required Term Lenders);

provided, however, that, except as provided in Sections 2.21, 2.22, 2.23 and 10.20, no such agreement will:

(i) decrease, forgive, waive or excuse the principal amount of, or any interest on, or extend the final maturity of, or decrease the rate of interest on, any Loan or any L/C Disbursement, or extend the stated expiration of any Letter of Credit beyond the Maturity Date, without the prior written consent of each Lender adversely directly affected thereby, except as provided in Section 2.05(3) with respect to the expiration of Letters of Credit;

(ii) increase or extend the Commitment or ABL Term Loan Commitment of any Lender or decrease, waive or excuse the Commitment Fees or L/C Participation Fees or other fees of any Lender, Agent or Issuing Bank without the prior written consent of such Lender, Agent or Issuing Bank (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments or ABL Term Loan Commitments shall not constitute an increase of the Commitments or ABL Term Loan Commitments of any Lender);

(iii) extend any date on which payment of principal or interest on any Loan or any L/C Disbursement or any Fees is due, without the prior written consent of each Lender adversely affected thereby;

(iv) amend the provisions of Section 2.18 of this Agreement, Section 5.2 of the Collateral Agreement or any analogous provision of any other Loan Document, in a manner that would by its terms alter the pro rata sharing of payments required thereby or the relative priorities of such payments, without the prior written consent of each Lender adversely affected thereby;

(v) change the definition of the term “Borrowing Base” or any component definition
thereof if as a result thereof the amounts available to be borrowed by the Borrower Parties would be increased, or increase any of
the percentages set forth in the definition of “Borrowing Base”, without the prior written consent of Lenders which would
constitute the Required Lenders if the percentage “50.0%” contained in the definition thereof were changed to “66-2/3%” (such
Lenders, the “Supermajority Lenders”); provided that the foregoing shall not limit the ability of the Administrative Agent to
implement, change or eliminate any Reserves in its Reasonable Credit Judgment as permitted hereunder without the prior written
consent of any Lenders;

(vi) amend or modify the provisions of this Section 10.08 or the definition of the term “Supermajority Lenders”, “Required Lenders”,
or “Required Term Lenders”, as the case may be, or any other provision hereof specifying the number or percentage of
Supermajority Lenders, Required Lenders or Required Term Lenders, as the case may be, required to waive, amend or modify any
rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each applicable
Lender;

(vii) release a material portion of the Collateral (or subordinate the Liens in favor of the Administrative Agent on a material portion
of the Collateral), unless pursuant to a transaction permitted by this Agreement, or release any of Holdings, any Borrower Party or
any other Subsidiary Loan Party from their respective obligations as a Borrower Party or Subsidiary Loan Party under this
Agreement or from their respective Guarantees under the Collateral Agreement (as applicable), unless, in the case of a Subsidiary
Loan Party (other than the Borrower), all or substantially all the Equity Interests of such Subsidiary Loan Party are sold or
otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender;

(viii) increase the aggregate Revolving Facility Commitments, other than as provided in Section 2.21, without the prior written consent
of each Revolving Lender; or

(ix) at any time when there is outstanding more than one tranche of Loans, amend, modify or waive any provision of this Agreement
which adversely impacts one or more tranches in a manner different than that which applies to one or more other tranches, without
the consent of Lenders holding a majority of each tranche of such adversely affected Loans;

provided that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or an Issuing Bank
hereunder without the prior written consent of the Administrative Agent or such Issuing Bank acting as such at the effective date of such
agreement, as applicable.

Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 10.08 and any consent by any Lender
pursuant to this Section 10.08 shall bind any assignee of such Lender.

(3) Without the consent of the Administrative Agent or any Lender or Issuing Bank, the Loan Parties and the Administrative Agent may (in their
respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan
Document,
or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(4) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, the Borrower may enter into Incremental Facility Amendments in accordance with Section 2.21, Refinancing Amendments in accordance with Section 2.22, Extension Amendments in accordance with Section 2.23, and such Incremental Facility Amendments, Refinancing Amendments and Extension Amendments shall be effective to amend the terms of this Agreement and the other applicable Loan Documents, in each case, without any further action or consent of any other party to any Loan Document.

(5) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent to the extent necessary to integrate (a) any Incremental Commitments on substantially the same basis as the Revolving Loans or (b) any ABL Term Loans or ABL Term Loan Commitments, subject to the FILO Intercreditor Provisions and the express terms hereof as they relate to ABL Term Loans or ABL Term Loan Commitments and ABL Term Lenders.

(6) Notwithstanding the foregoing, no consent of any Defaulting Lender will be required other than with respect to any amendment or waiver set forth in clauses (a) through (c) of Section 10.08(2) that directly and adversely affects such Lender.

(7) Prior to the Discharge of ABL Revolving Claims, any amendment, modification, termination or waiver of or consent with respect to any provision of this Agreement solely affecting the ABL Term Lenders will be in writing and signed by the Administrative Agent and the Required Term Lenders. Prior to the Discharge of ABL Revolving Claims, it is understood that no ABL Term Lender will have any voting or consent rights under, or with respect to, any Loan Document other than as expressly provided herein.

(8) Notwithstanding the foregoing, the Administrative Agent, with the consent of the Borrower, may amend, modify or supplement any Loan Document without the consent of any Lender or the Required Lenders in order to correct, amend or cure any inconsistency or defect or correct any typographical error or other manifest error in any Loan Document, and such amendment, modification or supplement shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

(9) Notwithstanding the foregoing, the Borrower and any Issuing Bank may amend or modify such Issuing Bank’s Letter of Credit Commitment without the consent of the Required Lenders.

SECTION 10.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the “Charges”), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate;
provided that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation. In no event will the total interest received by any Lender exceed the amount which it could lawfully have received and any such excess amount received by any Lender will be applied to reduce the principal balance of the Loans or to other amounts (other than interest) payable hereunder to such Lender, and if no such principal or other amounts are then outstanding, such excess or part thereof remaining will be paid to the Borrower.

SECTION 10.10 Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 10.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.11.

SECTION 10.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 10.13 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 10.03. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission (e.g., “PDF” or “TIFF”) shall be as effective as delivery of a manually signed original.

SECTION 10.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 10.15 Jurisdiction; Consent to Service of Process.

(1) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United
States of America sitting in New York County, and any appellate court from any thereof (collectively, “New York Courts”), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State court or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.

(2)  Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 10.16  Confidentiality.  Each of the Lenders, each Issuing Bank and each of the Agents agrees (and agrees to cause each of its respective Affiliates) to use all information provided to it by or on behalf of Holdings, the Borrower or its Restricted Subsidiaries under the Loan Documents or otherwise in connection with the Merger or the Original Transactions and the Recapitalization Transactions solely for the purposes of the transactions contemplated by this Agreement and the other Loan Documents and shall not publish, disclose or otherwise divulge such information (other than information that (1) has become generally available to the public other than as a result of a disclosure by such party; (2) has been independently developed by such Lender, such Issuing Bank or the Administrative Agent without violating this Section 10.16; or (3) was available to such Lender, such Issuing Bank or the Administrative Agent from a third party having, to such Person’s knowledge, no obligations of confidentiality to Holdings, the Borrower or any other Loan Party) and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know or to any Person that approves or administers the Revolving Facility on behalf of such Lender or any numbering, administration or settlement service providers (so long as each such Person shall have been instructed to keep the same confidential in accordance with this Section 10.16), except:

(a)  to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, in which case such Person agrees, to the extent practicable and not prohibited by applicable law, to inform you promptly thereof prior to disclosure;

(b)  as part of normal reporting or review procedures to, or examinations by, Governmental
Authorities or any bank accountants or bank regulatory authority exercising examination or regulatory authority, in which case (except with respect to any audit or examination conducted by any such bank accountant or bank regulatory authority) such Person agrees, to the extent practicable and not prohibited by applicable law, to inform you promptly thereof prior to disclosure;

(c) to its parent companies, Affiliates or auditors (so long as each such Person shall have been instructed to keep the same confidential in accordance with this Section 10.16);

(d) in order to enforce its rights under any Loan Document in a legal proceeding;

(e) to any pledgee or assignee under Section 10.04(5) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such Person shall have been instructed to keep the same confidential in accordance with this Section 10.16); and

(f) to any direct or indirect contractual counterparty in Hedge Agreements or such contractual counterparty’s professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 10.16).

Notwithstanding the foregoing, no such information shall be disclosed to a Disqualified Institution that constitutes a Disqualified Institution at the time of such disclosure without the Borrower’s prior written consent.

SECTION 10.17 Platform; Borrower Materials. The Borrower hereby acknowledges that (1) the Administrative Agent or the Arrangers will make available to the Lenders and the Issuing Bank materials or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform") and (2) certain of the Lenders may be “public-side” Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that:

(a) all the Borrower Materials shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, means that the word “PUBLIC” shall appear prominently on the first page thereof;

(b) by marking Borrower Materials “PUBLIC,” the Borrower shall be deemed to have authorized the Administrative Agent, the Arrangers, the Issuing Bank and the Lenders to treat the Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws;

(c) all Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated “Public Investor;” and

(d) the Administrative Agent and the Arrangers shall be entitled to treat the Borrower Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not designated “Public Investor.”
SECTION 10.18 Release of Liens and Guarantees. In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise disposes of all or any portion of any of the Equity Interests or assets of any Loan Party (other than Equity Interests of a Borrower Party) to a Person that is not (and is not required to become) a Loan Party in a transaction not prohibited by Section 6.05, any Liens created by any Loan Document in respect of such Equity Interests or assets shall be automatically released and the Administrative Agent shall promptly (and the Lenders hereby authorize the Administrative Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrower and at the Borrower’s expense in connection with the release of any Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Loan Party (other than a Borrower Party) in a transaction permitted by Section 6.05 (including through merger, consolidation, amalgamation or otherwise) and as a result of which such Subsidiary Loan Party would cease to be a Restricted Subsidiary, such Subsidiary Loan Party’s obligations under this Agreement and the Collateral Agreement (as applicable) shall be automatically terminated and the Administrative Agent shall promptly (and the Lenders hereby authorize the Administrative Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrower to terminate such Subsidiary Loan Party’s obligations under this Agreement and the Collateral Agreement (as applicable). In addition, the Administrative Agent agrees to take such actions as are reasonably requested by Holdings or the Borrower and at the Borrower’s expense to terminate the Liens and security interests created by the Loan Documents when all the Obligations (other than Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted) are paid in full and all Commitments are terminated Letters of Credit expired, terminated or cash collateralized on terms satisfactory to the Issuing Bank.

SECTION 10.19 USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

SECTION 10.20 Security Documents and Intercreditor Agreements. (a) The parties hereto acknowledge and agree that any provision of any Loan Document to the contrary notwithstanding, prior to the discharge in full of all Term Loan Claims (as defined in the Intercreditor Agreement), the Loan Parties shall not be required to act or refrain from acting under any Security Document with respect to the Term Loan Priority Collateral in any manner that would result in a “Default” or “Event of Default” (as defined in any Term Loan Document) under the terms and provisions of the Term Loan Documents. Each Lender hereunder (i) consents to the subordination of Liens on Term Priority Collateral provided for in the Intercreditor Agreement, (ii) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreement and (iii) authorizes and instructs the Administrative Agent to enter into the Intercreditor Agreement as ABL Agent (as defined in the Intercreditor Agreement) and on behalf of such Lender. The foregoing provisions are intended as an inducement to the lenders.
The parties hereto authorize the Administrative Agent to enter into any (w) the ABL/Term Loan/Notes Intercreditor Agreement in the form executed on the date hereof or in such other form as may be satisfactory to the Administrative Agent (x) the ABL Junior Lien Intercreditor Agreement in the form attached hereto or in such other form as may be satisfactory to the Administrative Agent and (y) the PropCo Subordination Agreements in the form attached hereto or in such other form as may be satisfactory to the Administrative Agent and (z) any other intercreditor agreement as may be contemplated herein or determined by the Administrative Agent to be consistent herewith, in such form as may be satisfactory to the Administrative Agent. The Administrative Agent may from time to time enter into a modification of the ABL/Term Loan/Notes Intercreditor Agreement, any ABL Junior Lien Intercreditor Agreement, the PropCo Subordination Agreements or any other intercreditor agreement, as the case may be, so long as the Administrative Agent reasonably determines that such modification is for the purpose of causing new or additional Indebtedness Obligations to become subject thereto, consistent with the terms of this Agreement.

Each Lender hereunder:

1. agrees to the terms of the ABL/Term Loan/Notes Intercreditor Agreement and the subordination of Guarantees provided for in the PropCo Subordination Agreements; and

2. agrees that it will be bound by and will take no actions contrary to the provisions of the ABL/Term Loan/Notes Intercreditor Agreement or the PropCo Subordination Agreements.

The foregoing provisions of this Section 10.20 are intended as an inducement to the lenders under the ABL Credit Agreement to extend or continue to extend credit and such lenders are intended third party beneficiaries of such provisions and the provisions of the ABL/Term Loan/Notes Intercreditor Agreement or Junior Lien Intercreditor Agreement, as applicable.

SECTION 10.21 No Liability of the Issuing Banks. The Borrower assumes all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither any Issuing Bank nor any of its officers or directors shall be liable or responsible for: (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by such Issuing Bank against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit, except that the Borrower shall have a claim against such Issuing Bank, and such Issuing Bank shall be liable to the Borrower, to the extent of any direct, but not consequential, damages suffered by the Borrower that the Borrower prove were caused by (i) such Issuing Bank’s willful misconduct or gross negligence as determined in a final, non-appealable judgment by a court of competent jurisdiction in determining whether documents presented under any Letter of Credit comply with the terms of the Letter of Credit or (ii) such Issuing Bank’s willful failure to make lawful payment under a Letter of Credit after the presentation to it of a draft and certificates strictly complying with the terms and conditions of the Letter of Credit. In furtherance and not in limitation of the foregoing, such Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.
SECTION 10.22  No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of Holdings and the Borrower Parties acknowledges and agrees that: (1) (a) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers are arm's-length commercial transactions between Holdings and the Borrower Parties, on the one hand, and the Agents and the Arrangers, on the other hand, (b) the Borrower Parties and Holdings have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate, and (c) the Borrower Parties and Holdings are capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (2) (a) each Agent and each Arranger each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for any Borrower Party, Holdings, or any other Person and (b) neither any Agent nor any Arranger has any obligation to any Borrower Party, Holdings or any of their Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (3) the Agents, the Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower Parties, Holdings and their respective Affiliates, and neither any Agent nor any has any obligation to disclose any of such interests to the Borrower Parties, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each Borrower Party and Holdings hereby waives and releases any claims that it may have against the Agents and the Arrangers with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 10.23  Incorporation by Reference. The FILO Intercreditor Provisions are hereby incorporated by reference in this Agreement and apply to each ABL Term Lender, and to all ABL Term Loans at any time incurred or outstanding hereunder, as fully as if set forth herein in their entirety. Each ABL Term Lender, by extending ABL Term Loans or acquiring same by assignment, agrees to be bound by the FILO Intercreditor Provisions.

SECTION 10.24  Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(1) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(2) the effects of any Bail-In Action on any such liability, including, if applicable:

(a) a reduction in full or in part or cancellation of any such liability;

(b) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

SECTION 10.25  Reaffirmation and Ratification. Notwithstanding anything to the contrary contained herein, each Agent (on behalf of itself and the Lenders), each Lender (in its capacity as a Lender) and each Company Party (as defined in the TSA), and each Related Party of each of the foregoing, by accepting the benefits of this Agreement hereby ratifies and acknowledges the Recapitalization Transactions.

SECTION 10.26  Acknowledgment Regarding Any Supported QFCs. (1) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States).

(2) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party"), becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(3) As used in this Section 10.26, the following terms have the following meanings:

(a) "BHC Act Affiliate" of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party;

(iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b),

(c) “Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable,

(d) “QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. §390(c)(8)(D).

(a) any Lien on the Collateral securing any First Lien Obligations now or hereafter held by or on behalf of any First Lien Representative, any First Lien Collateral Agent or any First Lien Secured Parties or any agent or trustee therefor, regardless of how acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be senior in all respects and prior to any Lien on the Collateral securing any Second Lien Obligations; and

(b) any Lien on the Collateral securing any Second Lien Obligations now or hereafter held by or on behalf of any Second Lien Representative, any Second Lien Collateral Agent, any Second Lien Secured Parties or any agent or trustee therefor regardless of how acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Collateral securing any First Lien Obligations. All Liens on the Collateral securing any First Lien Obligations shall be and remain senior in all respects and prior to all Liens on the Collateral securing any Second Lien Obligations for all purposes, whether or not such
Liens securing any First Lien Obligations are subordinated to any Lien securing any other obligation of the Company, any other Grantor or any other Person.

2.2 Prohibition on Contesting Liens; No Marshalling. Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of each Second Lien Secured Party represented by it, and each First Lien Representative and each First Lien Collateral Agent, for itself and on behalf of each First Lien Secured Party represented by it, agrees that it will not (and hereby waives any right to) directly or indirectly contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the priority, validity, perfection, extent or enforceability of a Lien held, or purport to be held, by or on behalf of any of the First Lien Secured Parties in the First Lien Collateral or by or on behalf of any of the Second Lien Secured Parties in the Second Lien Collateral, as the case may be, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any First Lien Representative, any First Lien Collateral Agent or any First Lien Secured Party to enforce this Agreement, including the provisions of this Agreement relating to the priority of the Liens securing the First Lien Obligations as provided in Sections 2.1 and 3.1. Until the Discharge of First Lien Obligations, no Second Lien Representative, Second Lien Collateral Agent or Second Lien Secured Party will assert any marshaling, appraisal, valuation or other similar right that may otherwise be available to a junior secured creditor.

2.3 No New Liens. So long as the Discharge of First Lien Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, the parties hereto agree that the Company shall not, and shall not permit any other Grantor to:

(a) grant or permit any additional Liens on any asset or property to secure any Second Lien Obligation unless it has granted or concurrently grants a Lien on such asset or property to secure the First Lien Obligations, the parties hereto agreeing that any such Lien shall be subject to Section 2.1 hereof; provided that this provision will not be violated with respect to any particular Series of First Lien Obligations if the First Lien Documents in respect thereof prohibit the applicable First Lien Collateral Agent from accepting a Lien on such asset or property or such First Lien Collateral Agent otherwise expressly declines to accept a Lien on such asset or property (any such prohibited or declined Liens with respect to a particular Series of First Lien Obligations (so long as the same remains prohibited or declined), a “First Lien Declined Lien”); or

(b) grant or permit any additional Liens on any asset or property to secure any First Lien Obligations unless it has granted or concurrently grants a Lien on such asset or property to secure the Second Lien Obligations; provided that this provision will not be violated with respect to any particular Series of Second Lien Obligations if the Second Lien Documents in respect thereof prohibit the applicable Second Lien Collateral Agent from accepting a Lien on such asset or property or such Second Lien Collateral Agent otherwise expressly declines to accept a Lien on such asset or property (any such prohibited or declined Liens with respect to a particular Series of Second Lien
Obligations (so long as the same remains prohibited or declined), a “Second Lien Declined Lien” and, together with the First Lien Declined Liens, the “Declined Liens”.

If any Second Lien Representative, any Second Lien Collateral Agent or any Second Lien Secured Party shall hold any Lien (other than a First Lien Declined Lien) on any assets or property of any Grantor securing any Second Lien Obligations that are not also subject to a first-priority Lien, other than any Declined Lien, securing all First Lien Obligations under the First Lien Collateral Documents, then such Second Lien Representative, Second Lien Collateral Agent or Second Lien Secured Party shall notify the Designated First Lien Representative promptly upon becoming aware thereof and, unless such Grantor shall promptly grant a similar Lien, other than any such Lien that would constitute a Declined Lien, on such assets or property to each First Lien Collateral Agent as security for the First Lien Obligations represented by it, such Second Lien Representative, Second Lien Collateral Agent and Second Lien Secured Parties shall be deemed to hold and have held such Lien for the benefit of each First Lien Representative, First Lien Collateral Agent and the other First Lien Secured Parties, other than any First Lien Secured Parties whose First Lien Documents prohibit them from taking such Liens, as security for the First Lien Obligations. To the extent that the foregoing provisions are not complied with for any reason, without limiting any other rights and remedies available to any First Lien Representative, First Lien Collateral Agent and/or the First Lien Secured Parties, each Second Lien Representative and each Second Lien Collateral Agent, on behalf of the Second Lien Secured Parties represented by it, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.3 shall be subject to Section 4.2.

2.4 Similar Liens and Agreements. Except as provided in Section 2.3, the parties hereto agree that it is their intention that the First Lien Collateral and the Second Lien Collateral be identical. In furtherance of the foregoing and of Section 8.11, the parties hereto agree, subject to the other provisions of this Agreement:

(a) upon request by any First Lien Collateral Agent or any Second Lien Collateral Agent, to cooperate in good faith (and to direct their respective counsel to cooperate in good faith) from time to time in order to determine the specific items included in the First Lien Collateral and the Second Lien Collateral and the steps taken to perfect their respective Liens thereon and the identity of the respective parties obligated under the First Lien Documents and the Second Lien Documents; and

(b) that the documents and agreements creating or evidencing the First Lien Collateral and the Second Lien Collateral and guarantees for the First Lien Obligations and the Second Lien Obligations, subject to Section 2.3, shall be in all material respects the same forms of documents other than with respect to the first lien and the second lien nature of the Obligations thereunder.
2.5 Perfection of Liens. Except for the arrangements contemplated by Section 5.4, none of the First Lien Representatives, First Lien Collateral Agents or the First Lien Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Collateral for the benefit of the Second Lien Representatives, the Second Lien Collateral Agents or the Second Lien Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the First Lien Secured Parties on the one hand and the Second Lien Secured Parties on the other hand and such provisions shall not impose on the First Lien Representatives, First Lien Collateral Agents, the First Lien Secured Parties, the Second Lien Representatives, the Second Lien Collateral Agents, the Second Lien Secured Parties or any agent or trustee therefor any obligations in respect of the disposition of proceeds of any Collateral which would conflict with prior-perfected claims therein in favor of any other Person or any order or decree of any court or Governmental Authority or any applicable law.

3.1 Exercise of Remedies.

(a) Until the Discharge of First Lien Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, the Second Lien Representatives, the Second Lien Collateral Agents and the Second Lien Secured Parties:

(1) will not commence or maintain, or seek to commence or maintain, any Enforcement Action or otherwise exercise any rights or remedies with respect to the Collateral; provided that the Designated Second Lien Representative and/or the Designated Second Lien Collateral Agent may commence an Enforcement Action or otherwise exercise any or all such rights or remedies after the passage of a period of at least 180 days has elapsed since the later of (i) the date on which a Second Lien Representative declared the existence of any Event of Default under (and as defined in) any Second Lien Document and demanded the repayment of all the principal amount of any Second Lien Obligations thereunder; and (ii) the date on which the First Lien Representatives received notice from such Second Lien Representative of such declarations of such Event of Default and demand for payment (the “Standstill Period”); provided further, that notwithstanding anything herein to the contrary, in no event shall any Second Lien Representative, any Second Lien Collateral Agent or any Second Lien Secured Party exercise any rights or remedies with respect to the Collateral if, notwithstanding the expiration of the Standstill Period, any First Lien Representative, any First Lien Collateral Agent or the applicable First Lien Secured Parties shall have commenced and be diligently pursuing an Enforcement Action or other exercise of their rights or remedies in each case with respect to all or any material portion of the Collateral (prompt notice of such exercise to be given to the Designated Second Lien Representative);

(2) will not contest, protest or object to any foreclosure proceeding or action brought by any First Lien Representative, any First Lien

18
Collateral Agent or any First Lien Secured Party or any other exercise by any First Lien Representative, any First Lien Collateral Agent or any First Lien Secured Party of any rights and remedies relating to the Collateral under the First Lien Documents or otherwise (including any Enforcement Action initiated by or supported by any First Lien Representative, any First Lien Collateral Agent or any First Lien Secured Party); and

(3) subject to their rights under clause (a)(1) above will not object to the forbearance by any First Lien Representative, any First Lien Collateral Agent or the First Lien Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Collateral,

in each case so long as any proceeds received by any First Lien Representative in excess of those necessary to achieve a Discharge of First Lien Obligations are distributed in accordance with Section 4.1.

(b) Until the Discharge of First Lien Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, subject to Section 3.1(a)(1), the First Lien Representatives, the First Lien Collateral Agents and the First Lien Secured Parties shall have the exclusive right to commence and maintain an Enforcement Action or otherwise enforce rights, exercise remedies (including set-off, recoupment and the right to credit bid their debt, except that Second Lien Representatives shall have the credit bid rights set forth in Section 3.1(c)(6)), and subject to Section 5.1, make determinations regarding the release, disposition, or restrictions with respect to the Collateral without any consultation with or the consent of any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party; provided that any proceeds received by any First Lien Representative in excess of those necessary to achieve a Discharge of any First Lien Obligations are distributed in accordance with Section 4.1 hereof. In commencing or maintaining any Enforcement Action or otherwise exercising rights and remedies with respect to the Collateral, the First Lien Representatives, First Lien Collateral Agents and the First Lien Secured Parties may enforce the provisions of the First Lien Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion in compliance with any applicable law and without consultation with any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party and regardless of whether any such exercise is adverse to the interest of any Second Lien Secured Party. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured creditor under the UCC and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(c) Notwithstanding the foregoing, any Second Lien Representative, any Second Lien Collateral Agent and any Second Lien Secured Party may:
(1) file a claim or statement of interest with respect to the Second Lien Obligations; provided that an Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor;

(2) take any action (not adverse to the priority status of the Liens on the Collateral securing the First Lien Obligations, or the rights of any First Lien Representative, any First Lien Collateral Agent or the First Lien Secured Parties to exercise remedies in respect thereof) in order to create, perfect, preserve or protect its Lien on the Collateral;

(3) file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of the Second Lien Secured Parties, including any claims secured by the Collateral, if any, in each case in accordance with the terms of this Agreement;

(4) vote on any plan of reorganization, arrangement, compromise or liquidation, file any proof of claim, make other filings and make any arguments and motions that are, in each case, in accordance with the terms of this Agreement, with respect to the Second Lien Obligations and the Collateral; provided that no filing of any claim or vote, or pleading related to such claim or vote, to accept or reject a disclosure statement, plan of reorganization, arrangement, compromise or liquidation, or any other document, agreement or proposal similar to the foregoing by any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party may be inconsistent with the provisions of this Agreement;

(5) exercise any of its rights or remedies with respect to the Collateral after the termination of the Standstill Period to the extent permitted by Section 3.1(a)(1); and

(6) bid for or purchase Collateral at any public, private or judicial foreclosure upon such Collateral initiated by any First Lien Representative, any First Lien Collateral Agent or any other First Lien Secured Party, or any sale of Collateral during an Insolvency or Liquidation Proceeding; provided that such bid may not include a “credit bid” in respect of any Second Lien Obligations unless the cash proceeds of such bid are otherwise sufficient to cause the Discharge of First Lien Obligations.

Each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, agrees that it will not take or receive any Collateral or any proceeds of Collateral in connection with the exercise of any right or remedy (including set-off and recoupment) with respect to any Collateral in its capacity as a creditor, unless and until the Discharge of First Lien Obligations has occurred, except in connection with any foreclosure expressly permitted by Section 3.1(a)(1) to the extent such Second Lien Representative or such Second Lien Collateral Agent and Second Lien Secured Parties represented by it are permitted to retain the proceeds thereof in accordance with
Section 4.2 of this Agreement. Without limiting the generality of the foregoing, unless and until the Discharge of First Lien Obligations has occurred, except as expressly provided in Sections 3.1(a), 6.3(b) and this Section 3.1(c), the sole right of the Second Lien Representatives, the Second Lien Collateral Agents and the other Second Lien Secured Parties with respect to the Collateral is to hold a Lien on the Collateral pursuant to the Second Lien Collateral Documents for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, after the Discharge of First Lien Obligations has occurred.

(d) Subject to Sections 3.1(a) and (c) and Section 6.3(b):

(1) Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, agrees that such Second Lien Representative or such Second Lien Collateral Agent and such Second Lien Secured Parties represented by it will not take any action that would hinder any exercise of remedies under the First Lien Documents or is otherwise prohibited hereunder, including any sale, lease, exchange, transfer or other disposition of the Collateral, whether by foreclosure or otherwise;

(2) Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, hereby waives any and all rights such Second Lien Representative or such Second Lien Collateral Agent or such Second Lien Secured Parties represented by it may have as a junior lien creditor or otherwise to object to the manner in which any First Lien Representative, any First Lien Collateral Agent or other First Lien Secured Party seeks to enforce or collect the First Lien Obligations or Liens securing the First Lien Obligations granted in any of the First Lien Collateral undertaken in accordance with this Agreement, regardless of whether any action or failure to act by or on behalf of any First Lien Representative, any First Lien Collateral Agent or other First Lien Secured Party is adverse to the interest of any Second Lien Secured Party; and

(3) Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Second Lien Document (other than this Agreement) shall be deemed to restrict in any way the rights and remedies of any First Lien Representative, any First Lien Collateral Agent or any other First Lien Secured Party with respect to the Collateral as set forth in this Agreement and the First Lien Documents.

(e) Except as specifically set forth in this Agreement, the Second Lien Representatives, the Second Lien Collateral Agents and the other Second Lien Secured Parties may exercise rights and remedies as unsecured creditors against the Company or any other Grantor that has guaranteed or granted Liens to secure the Second Lien Obligations in accordance with the terms of the Second Lien Documents and applicable law (other than initiating or joining in an involuntary case or proceeding under any
Insolvency or Liquidation Proceeding with respect to any Grantor or otherwise taking any action that is inconsistent with the terms of this Agreement); provided that in the event that any Second Lien Secured Party becomes a judgment Lien creditor in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Second Lien Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the First Lien Obligations) in the same manner as the other Liens securing the Second Lien Obligations are subject to this Agreement.

(f) Except as specifically set forth in Sections 3.1(a) and (d), nothing in this Agreement shall prohibit the receipt by any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party of the required payments of interest, principal and other amounts owed in respect of the Second Lien Obligations so long as such receipt is not the direct or indirect result of the exercise by any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party of rights or remedies as a secured creditor (including set-off and recoupment) or enforcement in contravention of this Agreement of any Lien held by any of them or as a result of any other violation by any Second Lien Secured Party of the express terms of this Agreement. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies any First Lien Representative, any First Lien Collateral Agent or other First Lien Secured Party may have with respect to the First Lien Collateral.

3.2 Actions Upon Breach; Specific Performance. If any Second Lien Secured Party, in contravention of the terms of this Agreement, in any way takes, or attempts to or threatens to take, any action with respect to the Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement), or fails to take any action required by this Agreement, this Agreement shall create an irrebuttable presumption and admission by such Second Lien Secured Party that relief against such Second Lien Secured Party by injunction, specific performance and/or other appropriate equitable relief is necessary to prevent irreparable harm to the First Lien Secured Parties, it being understood and agreed by each Second Lien Representative and each Second Lien Collateral Agent, on behalf of each Second Lien Secured Party represented by it, that (i) the First Lien Secured Parties' damages from actions of any Second Lien Secured Party may at that time be difficult to ascertain and may be irreparable and (ii) each Second Lien Secured Party waives any defense that the Grantors and/or the First Lien Secured Parties cannot demonstrate damage and/or be made whole by the awarding of damages. Each of the First Lien Representatives and/or First Lien Collateral Agents may demand specific performance of this Agreement. Each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by any First Lien Representative, any First Lien Collateral Agent or any other First Lien Secured Party. No provision of this Agreement shall constitute or be deemed to constitute a waiver by any First Lien Representative or any First Lien Collateral Agent on behalf of itself and the First Lien Secured Parties represented by it of any right to seek damages from any Person in connection with any breach or alleged breach of this Agreement.
SECTION 4.  Payments.

4.1 Application of Proceeds. So long as the Discharge of First Lien Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, any Collateral or any proceeds thereof received in connection with any Enforcement Action or other exercise of remedies by any First Lien Representative, any First Lien Collateral Agent or any First Lien Secured Party shall be applied by the First Lien Collateral Agents or the First Lien Representatives, as applicable, to the First Lien Obligations in such order as specified in the relevant First Lien Documents (including the ABL/Term Loan/Notes Intercreditor Agreement, to the extent then in effect) and, if then in effect, the First Lien Pari Passu Intercreditor Agreement; provided, that any non-cash Collateral or non-cash proceeds will be held by the applicable First Lien Collateral Agent as Collateral unless the failure to apply such amounts would be commercially unreasonable. Upon the Discharge of First Lien Obligations, each First Lien Collateral Agent shall (x) unless a Discharge of Second Lien Obligations has already occurred, deliver any proceeds of Collateral held by it to the Designated Second Lien Collateral Agent, to be applied by the Designated Second Lien Collateral Agent and the other Second Lien Collateral Agents or Second Lien Representatives, as applicable, to the applicable Second Lien Obligations in such order as specified in the applicable Second Lien Collateral Documents and, if then in effect, the Second Lien Pari Passu Intercreditor Agreement and (y) if a Discharge of Second Lien Obligations has already occurred, deliver such proceeds of Collateral to the Grantors, their successors or assigns, or to whomsoever may be lawfully entitled to receive the same.

The Designated First Lien Collateral Agent is hereby authorized to make any such endorsements as agent for the Second Lien Representatives, Second Lien Collateral Agents or any such other Second Lien Secured Party. This authorization is coupled with an interest and is irrevocable until the Discharge of First Lien Obligations.

(b) So long as the Discharge of First Lien Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, any Collateral or proceeds thereof received by any Second Lien Representative, any Second Lien Collateral Agent or any Second Lien Secured Party in connection with any Enforcement Action or other exercise of any right or remedy relating to the Collateral not in contravention of this Agreement shall be segregated and held in trust and forthwith paid over to the Designated First Lien
