Collateral Agent for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct; provided that with respect to Collateral this Section 4.2(b) shall only be applicable if the exercise of such right or remedy by any Second Lien Representative, any Second Lien Collateral Agent or any Second Lien Secured Party has the effect of discharging the Lien of any First Lien Representative or First Lien Collateral Agent on such Collateral. The Designated First Lien Collateral Agent is hereby authorized to make any such endorsements as agent for the Second Lien Representatives, the Second Lien Collateral Agents or any such other Second Lien Secured Party. This authorization is coupled with an interest and is irrevocable until the Discharge of First Lien Obligations.

(c) So long as the Discharge of First Lien Obligations has not occurred, if in any Insolvency or Liquidation Proceeding any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party shall receive any distribution of money or other property in respect of the Collateral (including any assets or proceeds subject to Liens that have been avoided or otherwise invalidated) such money or other property shall be segregated and held in trust and forthwith paid over to the Designated First Lien Collateral Agent for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements. Any Lien received by any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party in respect of any of the Second Lien Obligations in any Insolvency or Liquidation Proceeding shall be subject to the terms of this Agreement.

(d) Each Second Lien Representative and Second Lien Collateral Agent, for and on behalf of itself and each applicable Second Lien Secured Party, expressly acknowledges and agrees that (i) as of the date hereof, the Initial First Lien Credit Agreement includes a revolving commitment, that in the ordinary course of business the Initial First Lien Representative under the Initial First Lien Credit Agreement and the Initial First Lien Secured Parties will apply payments and make advances thereunder, and that no application of any Payment Collateral or Cash Collateral (each such term as defined in the ABL/Term Loan/Notes Intercreditor Agreement, as in effect on the date hereof, and whether or not subsequently in effect) or the release of any Lien by the Initial First Lien Collateral Agent upon any portion of the Collateral in connection with a permitted disposition under the Initial First Lien Credit Agreement shall constitute an exercise of remedies prohibited under this Agreement; (ii) subject to the limitations set forth herein, the amount of the Initial First Lien Obligations that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, and that the terms of the Initial First Lien Obligations may be modified, extended or amended from time to time, and that the aggregate amount of the Initial First Lien Obligations may be increased and, subject to Section 8.7, replaced or Refinanced, in each event, without notice to or consent by the Second Lien Secured Parties and without affecting the provisions hereof; and (iii) all Payment Collateral or Cash Collateral (each such term as defined in the ABL/Term Loan/Notes Intercreditor Agreement, as in effect on the date hereof, and whether or not subsequently in effect) received by any Initial First Lien Representative or Initial First Lien Collateral Agent
SECTION 5. Other Agreements.

5.1 Releases.

(a) If in connection with any Enforcement Action by any First Lien Representative or any First Lien Collateral Agent or any other exercise of any First Lien Representative’s or any First Lien Collateral Agent’s remedies in respect of the Collateral, in each case prior to the Discharge of First Lien Obligations, such First Lien Collateral Agent, for itself or on behalf of any of the First Lien Secured Parties, releases any of its Liens on any part of the Collateral or such First Lien Representative, for itself or on behalf of any of the First Lien Secured Parties, releases any Grantor from its obligations under its guaranty of the First Lien Obligations, then the Liens, if any, of each Second Lien Collateral Agent, for itself or for the benefit of the Second Lien Secured Parties, on such Collateral, and the obligations of such Grantor under its guaranty of the Second Lien Obligations, shall be automatically, unconditionally and simultaneously released. If in connection with any Enforcement Action or other exercise of rights and remedies by any First Lien Representative or any First Lien Collateral Agent, in each case prior to the Discharge of First Lien Obligations, the equity interests of any Person are foreclosed upon or otherwise disposed of and such First Lien Collateral Agent releases its Lien on the property or assets of such Person, then the Liens of each Second Lien Collateral Agent with respect to the property or assets of such Person will be automatically released to the same extent as the Liens of such First Lien Collateral Agent. Each Second Lien Representative and each Second Lien Collateral Agent, for itself or on behalf of any Second Lien Secured Parties represented by it, shall promptly execute and deliver to the First Lien Representatives, First Lien Collateral Agents or such Grantor such termination statements, releases and other documents as any First Lien Representative, First Lien Collateral Agent or such Grantor may request to effectively confirm the foregoing releases.

(b) If in connection with any sale, lease, exchange, transfer or other disposition of any Collateral by any Grantor (collectively, a “Disposition”) permitted under the terms of the First Lien Documents and not expressly prohibited under the terms of the Second Lien Documents (other than in connection with an Enforcement Action or other exercise of any First Lien Representative’s and/or First Lien Collateral Agent’s remedies in respect of the Collateral, which shall be governed by Section 5.1(a) above), any First Lien Collateral Agent, for itself or on behalf of any of the First Lien Secured Parties represented by it, releases any of its Liens on any part of the Collateral, or any First Lien Representative, for itself or on behalf of any of the First Lien Secured Parties represented by it, releases any Grantor from its obligations under its guaranty of the First Lien Obligations, in each case other than in connection with, or following, the Discharge of First Lien Obligations, then the Liens, if any, of each Second Lien Collateral Agent, for itself or for the benefit of the Second Lien Secured Parties represented by it, on such
Collateral, and the obligations of such Grantor under its guaranty of the Second Lien Obligations, shall be automatically, unconditionally and simultaneously released. Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of each Second Lien Secured Party represented by it, shall promptly execute and deliver to the First Lien Representatives, the First Lien Collateral Agents or such Grantor such termination statements, releases and other documents as any First Lien Representative, First Lien Collateral Agent or such Grantor may request to effectively confirm such release.

(c) Until the Discharge of First Lien Obligations occurs, each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, hereby irrevocably constitutes and appoints the Designated First Lien Collateral Agent and any officer or agent of the Designated First Lien Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Second Lien Representative, such Second Lien Collateral Agent and such Second Lien Secured Parties or in the Designated First Lien Collateral Agent’s own name, from time to time in the Designated First Lien Collateral Agent’s discretion, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 5.1, including any endorsements or other instruments of transfer or release. This power is coupled with an interest and is irrevocable until the Discharge of First Lien Obligations.

(d) Until the Discharge of First Lien Obligations occurs, to the extent that any First Lien Collateral Agent, any First Lien Representative or First Lien Secured Parties (i) have released any Lien on Collateral or any Grantor from its obligation under its guaranty and any such Liens or guaranty are later reinstated or (ii) obtain any new Liens or additional guarantees from any Grantor, then each Second Lien Collateral Agent, for itself and for the Second Lien Secured Parties represented by it, shall be granted a Lien on any such Collateral (except to the extent such Lien represents a Second Lien Declined Lien with respect to the Second Lien Debt represented by such Second Lien Collateral Agent), subject to the lien subordination provisions of this Agreement, and each Second Lien Representative, for itself and for the Second Lien Secured Parties represented by it, shall be granted an additional guaranty, as the case may be.

5.2 Insurance and Condemnation Awards. Unless and until the Discharge of First Lien Obligations has occurred, the First Lien Representatives, the First Lien Collateral Agents and the other First Lien Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the First Lien Documents, to adjust settlement for any insurance policy covering the Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Collateral. Unless and until the Discharge of First Lien Obligations has occurred, and subject to the rights of the Grantors under the First Lien Documents, all proceeds of any such policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of the Collateral shall be paid to the Designated First Lien Collateral Agent for the
benefit of the First Lien Secured Parties pursuant to the terms of the First Lien Documents (including for purposes of cash collateralization of letters of credit) and, thereafter, if a Discharge of First Lien Obligations has occurred, and subject to the rights of the Grantors under the Second Lien Documents, to the Designated Second Lien Collateral Agent for the benefit of the Second Lien Secured Parties to the extent required under the Second Lien Documents and then, and if a Discharge of Second Lien Obligations has occurred, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. Until the Discharge of First Lien Obligations has occurred, if any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award or payment in contravention of this Agreement, then it shall segregate and hold in trust and forthwith pay such proceeds over to the Designated First Lien Collateral Agent in accordance with the terms of Section 4.2.

5.3 Confirmation of Subordination in Second Lien Collateral Documents. The Company agrees that each Second Lien Collateral Document shall include the following language (or language to similar effect approved by the Designated First Lien Collateral Agent):

“Notwithstanding anything herein to the contrary, the lien and security interest granted to the collateral agent pursuant to this Agreement and the exercise of any right or remedy by the collateral agent hereunder are subject to the provisions of the Intercreditor Agreement, dated as of [ ] (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), among DEUTSCHE BANK AG NEW YORK BRANCH, as Initial First Lien Representative, DEUTSCHE BANK AG NEW YORK BRANCH, as Initial First Lien Collateral Agent, [ ], as Initial Second Lien Representative, [ ], as Initial Second Lien Collateral Agent and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Second Lien Intercreditor Agreement and this Agreement, the terms of the Second Lien Intercreditor Agreement shall govern and control.”

In addition, the Company agrees that each Second Lien Mortgage covering any Collateral shall contain such other language as the Designated First Lien Collateral Agent may reasonably request to reflect the subordination of such Second Lien Mortgage to the First Lien Collateral Documents covering such Collateral.

5.4 Gratuitous Bailee/Agent for Perfection.

(a) Each First Lien Collateral Agent agrees to hold that part of the Collateral that is in its possession or control (or in the possession or control of its agents or bailees) to the extent that possession or control thereof is taken to perfect a Lien thereon under the UCC (such Collateral being the “Pledged Collateral”) as gratuitous bailee for the Second Lien Collateral Agents (such bailment being intended, among other
things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC) and any assignee thereof solely for the purpose of
perfecting the security interest granted under the First Lien Documents and the Second Lien Documents, respectively, subject to the terms and
conditions of this Section 5.4. Solely with respect to any deposit accounts under the control (within the meaning of Section 9-104 of the UCC) of
any First Lien Collateral Agent, such First Lien Collateral Agent agrees to also hold control over such deposit accounts as gratuitous agent for the
Second Lien Collateral Agents, subject to the terms and conditions of this Section 5.4.

(b) No First Lien Collateral Agent shall have any obligation whatsoever to the other First Lien Secured Parties, the Second
Lien Representatives, the Second Lien Collateral Agents or the Second Lien Secured Parties to ensure that the Pledged Collateral is genuine or
owned by any of the Grantors or to preserve rights or benefits of any Person except as expressly set forth in this Section 5.4. The duties or
responsibilities of any First Lien Collateral Agent under this Section 5.4 shall be limited solely to holding the Pledged Collateral as bailee (and with
respect to deposit accounts, agent) in accordance with this Section 5.4 and delivering the Pledged Collateral upon a Discharge of First Lien
Obligations as provided in paragraph (d) below.

(c) No First Lien Collateral Agent or any other First Lien Secured Party shall have by reason of the First Lien Collateral
Documents, the Second Lien Collateral Documents, this Agreement or any other document a fiduciary relationship in respect of any Second Lien
Representative or any other Second Lien Secured Party and the Second Lien Representatives, the Second Lien Collateral Agents and the Second
Lien Secured Parties hereby waive and release the First Lien Collateral Agents and from all claims and liabilities
arising pursuant to any First Lien Collateral Agent’s role under this Section 5.4 as gratuitous bailee and gratuitous agent with respect to the Pledged
Collateral. It is understood and agreed that the interests of the First Lien Collateral Agents and the other First Lien Secured Parties, on the one hand,
and the Second Lien Representatives, the Second Lien Collateral Agents and the other Second Lien Secured Parties on the other hand, may differ
and the First Lien Collateral Agents and the other First Lien Secured Parties shall be fully entitled to act in their own interest without taking into
account the interests of the Second Lien Representatives, the Second Lien Collateral Agents or other Second Lien Secured Parties.

(d) Upon the Discharge of First Lien Obligations, each First Lien Collateral Agent shall deliver the remaining Pledged
Collateral in its possession (if any) together with any necessary endorsements (which endorsement shall be without recourse and without any
representation or warranty), (x) unless a Discharge of Second Lien Obligations has not already occurred, to the Designated Second Lien Collateral
Agent and (y) if a Discharge of Second Lien Obligations has already occurred, to the Company or to whomever may be lawfully entitled to receive
the same. Following the Discharge of First Lien Obligations, each First Lien Collateral Agent further agrees to take all other action reasonably
requested by any Second Lien Collateral Agent at the expense of the Company in connection with the Second Lien Collateral Agents obtaining a
first-priority security interest in the Collateral. After the Discharge of First Lien Obligations has
occurred, upon the Discharge of Second Lien Obligations, each Second Lien Collateral Agent shall deliver the remaining Pledged Collateral in its possession (if any) together with any necessary endorsements (which endorsement shall be without recourse and without any representation or warranty), to the Company or to whomever may be lawfully entitled to receive the same.

5.5 When Discharge of Obligations Deemed to Not Have Occurred

(a) If, at any time after the Discharge of First Lien Obligations has occurred or contemporaneously therewith, the Company enters into any Refinancing of any First Lien Document evidencing a First Lien Obligation which Refinancing is permitted by the Second Lien Documents, then such Discharge of First Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken as a result of the occurrence of such first Discharge of First Lien Obligations), and, from and after the date on which the Additional First Lien Representative and Additional First Lien Collateral Agent in respect of such Refinancing each becomes a party to this Agreement in accordance with Section 8.7(b), the obligations under such Refinancing of the applicable First Lien Document shall automatically be treated as First Lien Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the Additional First Lien Representative and the Additional First Lien Collateral Agent under such new First Lien Documents shall be a First Lien Representative and First Lien Collateral Agent, respectively, for all purposes of this Agreement. Upon receipt of a designation from the Company in accordance with Section 8.7(b)(2) of this Agreement, each Second Lien Representative and Second Lien Collateral Agent shall promptly (x) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Company or such Additional First Lien Representative and/or such Additional First Lien Collateral Agent shall reasonably request in order to provide to such Additional First Lien Representative and such Additional First Lien Collateral Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (y) deliver to such Additional First Lien Collateral Agent any Pledged Collateral held by it together with any necessary endorsements (or otherwise allow such Additional First Lien Collateral Agent to obtain control of such Pledged Collateral). If the Additional First Lien Obligations under the Additional First Lien Documents in respect of such Refinancing are secured by assets of the Grantors constituting Collateral that do not also secure the Second Lien Obligations, then the Second Lien Obligations shall be secured at such time by a second priority Lien on such assets to the same extent provided in the Second Lien Collateral Documents and this Agreement except to the extent, with respect to any Series of Second Lien Obligations, such Lien on such assets constitutes a Second Lien Declined Lien.

(b) If, at any time after the Discharge of Second Lien Obligations has occurred or contemporaneously therewith, the Company enters into any Refinancing of any Second Lien Document evidencing a Second Lien Obligation which Refinancing is permitted by the First Lien Documents, then such Discharge of Second Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement.
5.6 **Purchase Right.**

(a) Without prejudice to the enforcement of any of the First Lien Secured Parties’ remedies under the First Lien Documents, this Agreement, at law or in equity or otherwise, the First Lien Secured Parties agree that, if there is (i) an acceleration of any of the First Lien Obligations in accordance with the terms of the applicable First Lien Documents, (ii) a payment default under any First Lien Document that has not been cured or waived by the applicable First Lien Secured Parties within 60 days of the occurrence thereof or (iii) the commencement of any Insolvency or Liquidation Proceeding with respect to any Grantor (each, a “Purchase Event”), then the Second Lien Secured Parties (on a pro rata basis based on their outstanding Second Lien Obligations, unless otherwise agreed among such Second Lien Secured Parties) may purchase, by submitting a notice (a “Purchase Notice”) within fifteen Business Days of any such Purchase Event, the entire aggregate amount (but not less than the entirety) of outstanding First Lien Obligations (including unfunded commitments under any Initial First Lien Document) at the Purchase Price.

(b) The “Purchase Price” will equal the sum of (1) the full amount of all First Lien Obligations then outstanding and unpaid at par (including principal, accrued but unpaid interest and fees and any other unpaid amounts, including breakage costs and,
in the case of any secured hedging obligations, the amount that would be payable by the relevant Grantor thereunder if such Grantor were to terminate the hedge agreement in respect thereof on the date of the purchase or, if not terminated, an amount determined by the relevant First Lien Secured Party to be necessary to collateralize its credit risk arising out of such agreement, but excluding any prepayment penalties or premiums, (2) the cash collateral (the “LC Cash Collateral”) to be furnished to the First Lien Secured Parties providing letters of credit under the First Lien Documents in such amounts (not to exceed 103% thereof) as such First Lien Secured Parties determine is reasonably necessary to secure such First Lien Secured Parties in connection with any such outstanding and undrawn letters of credit and (3) all accrued and unpaid fees, expenses and other amounts (including attorneys’ fees and expenses) owed to the First Lien Secured Parties under or pursuant to the First Lien Documents on the date of purchase.

(c) The Second Lien Secured Parties desiring to purchase all the First Lien Obligations (the “Purchasing Creditors”) will deliver a Purchase Notice to the Designated First Lien Representative that (i) is signed by the Purchasing Creditors; (ii) states that it is a Purchase Notice under this Section 5.6; (iii) states that each Purchasing Creditor is irrevocably electing to purchase, in accordance with this Section 5.6, the percentage of all of the Purchase Obligations stated in the Purchase Notice for that Purchasing Creditor, which percentages must aggregate exactly 100% for all Purchasing Creditors; (iv) represents and warrants that the Purchase Notice is in conformity with the Second Lien Documents and any other binding agreement among Second Lien Secured Parties; and (v) designates a date on which the purchase will occur (the “Purchase Date”), that is (x) at least five but not more than ten Business Days after the Designated First Lien Representative’s receipt of the Purchase Notice, and (y) not more than twenty-five Business Days after the Purchase Event. Upon the Designated First Lien Representative’s receipt of an effective Purchase Notice conforming to this Section 5.6, the Purchasing Creditors will be irrevocably obligated to purchase, and the First Lien Secured Parties will be irrevocably obligated to sell, the First Lien Obligations in accordance with and subject to this Section 5.6.

(d) On the Purchase Date, (i) the Purchasing Creditors and the Designated First Lien Representative will execute and deliver an assignment agreement in form and substance satisfactory to the Designated First Lien Representative, (ii) the Purchasing Creditors will pay the Purchase Price to the Designated First Lien Representative by wire transfer of immediately available funds, (iii) the Purchasing Creditors will deposit with the Designated First Lien Representative or its designee by wire transfer of immediately available funds, the LC Cash Collateral and (iv) each of the Purchasing Creditors will execute and deliver to the Designated First Lien Representative a waiver and release of all claims arising out of this Agreement, the relationship between the First Lien Secured Parties and the Second Lien Secured Parties in connection with the First Lien Documents and the Second Lien Documents, and the transactions contemplated hereby as a result of exercising the purchase option contemplated by this Section 5.6.
5.6 Promptly after the closing of the purchase of all First Lien Obligations pursuant to this Section 5.6, the Designated First Lien Representative will distribute the Purchase Price to the First Lien Secured Parties in accordance with the terms of the First Lien Documents. The Designated First Lien Representative will apply the LC Cash Collateral to reimburse the First Lien Secured Parties providing letters of credit for drawings under such letters of credit, any customary fees charged by the issuer in connection with such draws, and facing or similar fees. When all such letters of credit have been cancelled with the consent of the beneficiary thereof, expired, or been fully drawn, and after all payments from the account described above have been made, any remaining cash collateral will be returned to the Purchasing Creditors, as their interests appear. If for any reason the LC Cash Collateral is less than the amount owing with respect to such letters of credit, then the Purchasing Creditors will, in proportion to their interests determined as of the time of demand for such reimbursement, promptly reimburse the Designated First Lien Representative (who will then pay the applicable First Lien Secured Parties) the amount of the deficiency.

(f) Each First Lien Secured party will retain all rights to indemnification provided in the relevant First Lien Documents for all claims and other amounts relating to periods prior to the purchase of the First Lien Obligations pursuant to this Section 5.6.

(g) The purchase and sale of the First Lien Obligations under this Section 5.6 will be without recourse and without representation or warranty of any kind by the First Lien Secured Parties, except that the First Lien Secured Parties shall severally and not jointly represent and warrant to the Second Lien Secured Parties that on the date of such purchase, immediately before giving effect to the purchase;

1. the principal of and accrued and unpaid interest on the First Lien Obligations, and the fees and expenses thereof owed to the respective First Lien Secured Parties, are as stated in any assignment agreement prepared in connection with the purchase and sale of the First Lien Obligations; and

2. each First Lien Secured Party owns the First Lien Obligations purported to be owned by it free and clear of any Liens (other than participation interests not prohibited by the First Lien Documents, in which case the Purchase Price will be appropriately adjusted so that the Second Lien Secured Parties do not pay amounts represented by participation interests to the extent that the Second Lien Secured Parties expressly assume the obligations under such participation interests).

5.7 **Designation of Hedging/Bank Product Obligations.** With respect to any Hedging Obligations and Bank Product Obligations that would otherwise constitute both First Lien Obligations and Second Lien Obligations hereunder, such Hedging Obligations and Bank Product Obligations shall solely constitute First Lien Obligations for all purposes of this Agreement unless at the time that the Company or any of its Restricted Subsidiaries enters into the related Hedge Agreement or agreement giving rise to Bank Product Obligations, the Company shall designate the related Hedging Obligations and/or Bank Product Obligations.
under such Hedge Agreement or agreement giving rise to Bank Product Obligations as Second Lien Obligations in a written designation to the related Hedge Bank or provider of Bank Product Obligation with a copy to each Representative in which case such Hedging Obligations and Bank Product Obligations shall solely constitute Second Lien Obligations for all purposes of this Agreement.

SECTION 6. **Insolvency or Liquidation Proceedings**

6.1 **Finance and Sale Issues.** Until the Discharge of First Lien Obligations has occurred, if the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and any First Lien Representative shall desire to permit the use of “Cash Collateral” (as such term is defined in Section 363(a) of the Bankruptcy Code), on which such First Lien Representative, such First Lien Collateral Agent or any other creditor has a Lien or to permit the Company or any other Grantor to obtain financing, whether from the First Lien Secured Parties or any other Person under Section 364 of the Bankruptcy Code or any similar Bankruptcy Law (“DIP Financing”), then each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, will not object to such Cash Collateral use or DIP Financing, including any proposed orders for such Cash Collateral use and/or DIP Financing which are acceptable to any First Lien Representative and to the extent the Liens securing the First Lien Obligations are subordinated to or pari passu with such DIP Financing, each Second Lien Collateral Agent will subordinate its Liens in the Collateral to the Liens securing such DIP Financing (and all Obligations relating thereto) and each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, will not request adequate protection or any other relief in connection therewith (except as expressly agreed by the Designated First Lien Representative or to the extent permitted by Section 6.3). No Second Lien Secured Party may provide DIP Financing to the Company or any other Grantor secured by Liens equal or senior in priority to the Liens securing any First Lien Obligations; provided that if no First Lien Secured Party offers to provide DIP Financing to the extent permitted under this Section 6.1 on or before the date of the hearing to approve DIP Financing, then a Second Lien Secured Party may seek to provide DIP Financing (which DIP Financing shall consist solely of additional financing and shall not include any rollup of the Second Lien Obligations) secured by Liens equal or senior in priority to the Liens securing any First Lien Obligations; and the First Lien Secured Parties may object thereto. Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, if the requisite First Lien Secured Parties have consented to such sale, liquidation or disposition. Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, further agrees that it will not directly or indirectly oppose or impede entry of any order in connection with such sale, liquidation or other disposition, including orders to retain professionals or set bid procedures in connection with such sale, liquidation or disposition, if the requisite First Lien Secured Parties have consented to (i) such retention of professionals and bid procedures in connection with such sale, liquidation or disposition of such assets and (ii) the sale, liquidation or disposition of such assets, in which event the Second Lien Secured Parties will be deemed to have consented to the sale or
disposition of Collateral pursuant to Section 363(f) of the Bankruptcy Code and such motion does not impair the rights of the Second Lien Secured Parties under Section 363(k) of the Bankruptcy Code.

6.2 Relief from the Automatic Stay. Until the Discharge of First Lien Obligations has occurred, each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, agrees that none of them shall: (i) seek (or support any other Person seeking) relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Collateral, without the prior written consent of the First Lien Representatives or (ii) oppose (or support any other Person in opposing) any request by any First Lien Representative or First Lien Collateral Agent for relief from such stay.

6.3 Adequate Protection.

(a) Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, agrees that none of them shall contest (or support any other Person contesting):

(1) any request by any First Lien Representative, any First Lien Collateral Agent or other First Lien Secured Party for adequate protection under any Bankruptcy Law; or

(2) any objection by any First Lien Representative, any First Lien Collateral Agent or other First Lien Secured Party to any motion, relief, action or proceeding based on such First Lien Representative, First Lien Collateral Agent or First Lien Secured Party claiming a lack of adequate protection.

(b) Notwithstanding the foregoing provisions in this Section 6.3, in any Insolvency or Liquidation Proceeding:

(1) if the First Lien Secured Parties (or any subset thereof) are granted adequate protection in the form of additional collateral in connection with any Cash Collateral use or DIP Financing, then each Second Lien Collateral Agent, for itself or on behalf of any of the Second Lien Secured Parties represented by it, may seek or request adequate protection in the form of a Lien on such additional collateral, which Lien will be subordinated to the Liens securing the First Lien Obligations and such Cash Collateral use or DIP Financing (and all Obligations relating thereto) on the same basis as the other Liens securing the Second Lien Obligations are so subordinated to the First Lien Obligations under this Agreement; and

(2) the Second Lien Representatives, the Second Lien Collateral Agents and Second Lien Secured Parties shall only be permitted to seek adequate protection with respect to their rights in the Collateral in any Insolvency or Liquidation Proceeding in the form of (A) additional collateral; provided that
as adequate protection for the First Lien Obligations, each First Lien Collateral Agent, on behalf of the First Lien Secured Parties represented by it, is granted a Lien on such additional collateral, which Lien shall be senior to the Lien of the applicable Second Lien Representatives, Second Lien Collateral Agents and Second Lien Secured Parties on the same basis as the other Liens of the Second Lien Secured Parties on the Collateral; (B) replacement Liens on the Collateral; provided that as adequate protection for the First Lien Obligations, each First Lien Collateral Agent, on behalf of the First Lien Secured Parties represented by it, is granted replacement Liens on the Collateral, which Liens shall be senior to the Lien of the applicable Second Lien Representatives, Second Lien Collateral Agents and Second Lien Secured Parties on the same basis as the other Liens of the Second Lien Secured Parties on the Collateral; (C) an administrative expense claim; provided that as adequate protection for the First Lien Obligations, each First Lien Representative, on behalf of the First Lien Secured Parties represented by it, is granted an administrative expense claim which is senior and prior to the administrative expense claim of the Second Lien Representatives and the other Second Lien Secured Parties; and (D) cash payments with respect to interest on the Second Lien Obligations; provided that (1) as adequate protection for the First Lien Obligations, each First Lien Representative, on behalf of the First Lien Secured Parties represented by it, is granted cash payments with respect to interest on the First Lien Obligation represented by it and (2) such cash payments do not exceed an amount equal to the interest accruing on the principal amount of Second Lien Obligations outstanding on the date such relief is granted at the interest rate under the applicable Second Lien Documents and accruing from the date the applicable Second Lien Representative is granted such relief. If any Second Lien Secured Party receives Post-Petition Interest and/or adequate protection payments in an Insolvency or Liquidation Proceeding (“Second Lien Adequate Protection Payments”) and the First Lien Secured Parties do not receive payment in full in cash of all First Lien Obligations upon the effectiveness of the plan of reorganization for, or conclusion of, that Insolvency or Liquidation Proceeding, then each Second Lien Secured Party shall pay over to the First Lien Secured Parties an amount (the “Pay-Over Amount”) equal to the lesser of (i) the Second Lien Adequate Protection Payments received by such Second Lien Secured Party and (ii) the amount of the short-fall (the “Short Fall”) in payment in full of the First Lien Obligations; provided that to the extent any portion of the Short Fall represents payments received by the First Lien Secured Parties in the form of promissory notes, equity or other property equal in value to the cash paid in respect of the Pay-Over Amount, the First Lien Secured Parties shall, upon receipt of the Pay-Over Amount, transfer those promissory notes, equity or other property, equal in value to the cash paid in respect of the Pay-Over Amount, to the applicable Second Lien Secured Parties pro rata in exchange for the Pay-Over Amount. Notwithstanding anything herein to the contrary, the First Lien Secured Parties shall not be deemed to have consented to, and expressly retain their rights to object to, the grant of adequate protection in the form of cash payments to the Second Lien Secured Parties made pursuant to this Section 6.3(b).
Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the other Second Lien Secured Parties represented by it, agrees that notice of a hearing to approve DIP Financing or use of Cash Collateral on an interim basis shall be adequate if delivered to such Second Lien Representative and Second Lien Collateral Agent at least two (2) Business Days in advance of such hearing and that notice of a hearing to approve DIP Financing or use of Cash Collateral on a final basis shall be adequate if delivered to such Second Lien Representative and Second Lien Collateral Agent at least fifteen (15) days in advance of such hearing.

6.4 No Waiver. Subject to Section 6.7(b), nothing contained herein shall prohibit or in any way limit any First Lien Representative or any other First Lien Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Lien Representative or any other Second Lien Secured Party, including the seeking by any Second Lien Representative or any other Second Lien Secured Party of adequate protection or the asserting by any Second Lien Representative or any other Second Lien Secured Party of any of its rights and remedies under the Second Lien Documents or otherwise.

6.5 Avoidance Issues. If any First Lien Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of the Company or any other Grantor any amount paid in respect of First Lien Obligations (a “Recovery”), then such First Lien Secured Party shall be entitled to a reinstatement of its First Lien Obligations with respect to all such recovered amounts on the date of such Recovery, and from and after the date of such reinstatement the Discharge of First Lien Obligations shall be deemed not to have occurred for all purposes hereunder. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement.

6.6 Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a plan of reorganization, arrangement, compromise or liquidation or similar dispositive restructuring plan, both on account of First Lien Obligations and on account of Second Lien Obligations, then, to the extent the debt obligations distributed on account of the First Lien Obligations and on account of the Second Lien Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

6.7 Post-Petition Interest.

(a) None of any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party shall oppose or seek to challenge any claim by any First Lien Representative, any First Lien Collateral Agent or any other First Lien Secured Party for allowance in any Insolvency or Liquidation Proceeding of First Lien Obligations consisting of Post-Petition Interest to the extent of the value of the Lien of the First Lien Collateral Agents on behalf of the First Lien Secured Parties on the Collateral or any other First Lien Secured Party’s Lien, without
regard to the existence of the Liens of the Second Lien Collateral Agents on behalf of the Second Lien Secured Parties on the Collateral.

(b) None of any First Lien Representative, First Lien Collateral Agent or any other First Lien Secured Party shall oppose or seek to challenge any claim by any Second Lien Representative, Second Lien Collateral Agent or any other Second Lien Secured Party for allowance in any Insolvency or Liquidation Proceeding of Second Lien Obligations consisting of Post-Petition Interest to the extent of the value of the Lien of the Second Lien Collateral Agents on behalf of the Second Lien Secured Parties on the Collateral (after taking into account the amount of all First Lien Obligations (including as described in Section 6.9)).

6.8 Waiver. Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, waives any claim it may hereafter have against any First Lien Secured Party arising out of the election of any First Lien Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code, and/or out of any cash collateral or financing arrangement or out of any grant of a security interest in connection with the Collateral in any Insolvency or Liquidation Proceeding so long as such actions are not in express contravention of the terms of this Agreement.

6.9 Separate Grants of Security and Separate Classification. Each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, and each First Lien Representative and each First Lien Collateral Agent, for itself and on behalf of the First Lien Secured Parties represented by it, acknowledges and agrees that:

(a) the grants of Liens pursuant to the First Lien Collateral Documents and the Second Lien Collateral Documents constitute two separate and distinct grants of Liens; and

(b) because of, among other things, their differing rights in the Collateral, the Second Lien Obligations are fundamentally different from the First Lien Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding.

To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the First Lien Secured Parties and the Second Lien Secured Parties in respect of the Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each of the parties hereto hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Collateral (with the effect being that, to the extent that the aggregate value of the Collateral is sufficient (for this purpose ignoring all claims held by the Second Lien Secured Parties), the First Lien Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing (or that would be owing if there were such separate classes of senior and junior secured claims) in respect of Post-Petition Interest,
including any additional interest payable pursuant to the First Lien Documents, arising from or related to a default, which is disallowed as a claim in any Insolvency or Liquidation Proceeding) before any distribution is made in respect of the claims held by the Second Lien Secured Parties with respect to the Collateral, with each Second Lien Representative and each Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties represented by it, hereby acknowledging and agreeing to turn over to the Designated First Lien Collateral Agent, for itself and on behalf of the First Lien Secured Parties, Collateral or proceeds of Collateral otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Lien Secured Parties.

6.10 Effectiveness in Insolvency or Liquidation Proceedings. The Parties acknowledge that this Agreement is a “subordination agreement” under section 510(a) of the Bankruptcy Code, which will be effective before, during and after the commencement of an Insolvency or Liquidation Proceeding. All references in this Agreement to any Grantor will include such Person as a debtor-in-possession and any receiver or trustee for such Person in an Insolvency or Liquidation Proceeding.

SECTION 7. Reliance; Waivers; Etc.

7.1 Reliance. Other than any reliance on the terms of this Agreement, each First Lien Representative and each First Lien Collateral Agent, on behalf of itself and the First Lien Secured Parties represented by it, acknowledges that it and such First Lien Secured Parties have, independently and without reliance on any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the First Lien Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the First Lien Documents or this Agreement. Each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, acknowledges that it and such Second Lien Secured Parties have, independently and without reliance on any First Lien Representative, any First Lien Collateral Agent or any other First Lien Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Second Lien Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Second Lien Documents or this Agreement.

7.2 No Warranties or Liability. Each First Lien Representative and each First Lien Collateral Agent, on behalf of itself and the First Lien Secured Parties represented by it, acknowledges and agrees that no Second Lien Representative or other Second Lien Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Second Lien Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided herein, the Second Lien Secured Parties will be entitled to manage and supervise their respective extensions of credit under the Second Lien Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate.
Each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, acknowledges and agrees that no First Lien Representative or other First Lien Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the First Lien Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided herein, the First Lien Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the First Lien Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. The Second Lien Representatives, the Second Lien Collateral Agents and the other Second Lien Secured Parties shall have no duty to the First Lien Representatives, the First Lien Collateral Agents or any of the other First Lien Secured Parties, and the First Lien Representatives and the other First Lien Secured Parties shall have no duty to the Second Lien Representatives or any of the other Second Lien Secured Parties, to act or refrain from acting in a manner which allows, or results in, the occurrence or continuance of an event of default or default under any agreements with the Company or any other Grantor (including the First Lien Documents and the Second Lien Documents), regardless of any knowledge thereof which they may have or be charged with.

7.3 **No Waiver of Lien Priorities**

(a) No right of the First Lien Secured Parties, the First Lien Representatives, the First Lien Collateral Agents or any of them to enforce any provision of this Agreement or any First Lien Document shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or any other Grantor or by any act or failure to act by any First Lien Secured Party, First Lien Representative or First Lien Collateral Agent, or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement, any of the First Lien Documents or any of the Second Lien Documents, regardless of any knowledge thereof which any other First Lien Representative, First Lien Collateral Agent or any First Lien Secured Party, or any of them, may have or be otherwise charged with.

(b) Without in any way limiting the generality of the foregoing paragraph (but subject to the rights of the Company and the other Grantors under the First Lien Documents and subject to the provisions of Section 8.7), the First Lien Secured Parties, the First Lien Representatives, the First Lien Collateral Agents and any of them may, at any time and from time to time in accordance with the First Lien Documents and/or applicable law, without the consent of, or notice to, any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party, without incurring any liabilities to any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy of any Second Lien Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party is affected, impaired or extinguished thereby) do any one or more of the following:

39
(1) change the manner, place or terms of payment or change or extend the time of payment of, or amend, renew, exchange, increase or alter, the terms of any of the First Lien Obligations or any Lien on any First Lien Collateral or guaranty of any of the First Lien Obligations or any liability of the Company or any other Grantor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the First Lien Obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify or supplement in any manner any Liens held by any First Lien Representative, any First Lien Collateral Agent or any of the other First Lien Secured Parties, the First Lien Obligations or any of the First Lien Documents;

(2) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the First Lien Collateral or any liability of the Company or any other Grantor to any of the First Lien Secured Parties, the First Lien Representatives or the First Lien Collateral Agents, or any liability incurred directly or indirectly in respect thereof;

(3) settle or compromise any First Lien Obligation or any other liability of the Company or any other Grantor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability (including the First Lien Obligations) in any manner or order; and

(4) exercise or delay in or refrain from exercising any right or remedy against the Company or any other Grantor or any other Person or any security, and elect any remedy and otherwise deal freely with the Company, any other Grantor or any First Lien Collateral and any security and any guarantor or any liability of the Company or any other Grantor to the First Lien Secured Parties or any liability incurred directly or indirectly in respect thereof.

(c) Except as otherwise expressly provided herein, each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, also agrees that the First Lien Secured Parties, the First Lien Representatives and the First Lien Collateral Agents shall have no liability to such Second Lien Representative, such Second Lien Collateral Agent or any such Second Lien Secured Parties, and such Second Lien Representative and such Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, hereby waives any claim against any First Lien Secured Party, any First Lien Representative or any First Lien Collateral Agent arising out of any and all actions which the First Lien Secured Parties, any First Lien Representative or any First Lien Collateral Agent may take or permit or omit to take with respect to:

(1) the First Lien Documents (other than this Agreement);

(2) the collection of the First Lien Obligations; or
Each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, agrees that the First Lien Secured Parties, the First Lien Representatives and the First Lien Collateral Agents have no duty to them in respect of the maintenance or preservation of the First Lien Collateral, the First Lien Obligations or otherwise.

(d) Until the Discharge of First Lien Obligations, each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to any First Lien Collateral or any other similar rights a junior secured creditor may have under applicable law.

7.4 Obligations Unconditional. All rights, interests, agreements and obligations of the First Lien Representatives, the First Lien Collateral Agents and the other First Lien Secured Parties and the Second Lien Representatives, the Second Lien Collateral Agents and the other Second Lien Secured Parties, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any First Lien Documents or any Second Lien Documents;

(b) except as otherwise expressly set forth in this Agreement, any change in the time, manner or place of payment of, or in any other terms of, all or any of the First Lien Obligations or Second Lien Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any First Lien Document or any Second Lien Document;

(c) except as otherwise expressly set forth in this Agreement, any exchange of any security interest in any Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the First Lien Obligations or Second Lien Obligations or any guaranty thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company or any other Grantor; or

(e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, the Company or any other Grantor in respect of any First Lien Representative, any First Lien Collateral Agent, the First Lien Obligations, any First Lien Secured Party, any Second Lien Representative, any Second Lien
SECTION 8. Miscellaneous.

8.1 Integration/Conflicts. This Agreement, the First Lien Documents and the Second Lien Documents represent the entire agreement of the Grantors, the First Lien Secured Parties and the Second Lien Secured Parties with respect to the subject matter hereof and thereof, and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. There are no promises, undertakings, representations or warranties by the First Lien Secured Parties or the Second Lien Secured Parties relative to the subject matter hereof and thereof not expressly set forth or referred to herein or therein. In the event of any conflict between the provisions of this Agreement and the provisions of the First Lien Documents or the Second Lien Documents, the provisions of this Agreement shall govern and control.

8.2 Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement of lien subordination and the First Lien Secured Parties may continue, at any time and without notice to any Second Lien Representative or any other Second Lien Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Company or any Grantor constituting First Lien Obligations in reliance hereon. Each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace any invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to those of the invalid, illegal or unenforceable provisions. All references to the Company or any other Grantor shall include the Company or such Grantor as debtor and debtor-in-possession and any receiver, trustee or similar person for the Company or any other Grantor (as the case may be) in any Insolvency or Liquidation Proceeding. This Agreement shall terminate and be of no further force and effect:

(a) with respect to any First Lien Representative and any First Lien Collateral Agent, the First Lien Secured Parties represented by it and their First Lien Obligations, on the date on which the First Lien Obligations of such First Lien Secured Parties are Discharged, subject to the rights of the First Lien Secured Parties under Section 6.5; and

(b) with respect to any Second Lien Representative and any Second Lien Collateral Agent, the Second Lien Secured Parties represented by it and their
provided, however, that in each case, such termination shall not relieve any such party of its obligations incurred hereunder prior to the date of such termination.

8.3 Amendments; Waivers.

(a) No amendment, modification or waiver of any of the provisions of this Agreement shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Notwithstanding the foregoing, the Company and the other Grantors shall not have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent their rights are directly and adversely affected.

(b) Notwithstanding the foregoing, without the consent of any First Lien Secured Party or Second Lien Secured Party, any Representative and Collateral Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.7 of this Agreement and upon such execution and delivery, such Representative and Collateral Agent and the Additional First Lien Secured Parties and Additional First Lien Obligations or Additional Second Lien Secured Parties or Additional Second Lien Obligations of the Series for which such Representative and Collateral Agent is acting shall be subject to the terms hereof.

(c) Notwithstanding the foregoing, without the consent of any other Representative, Collateral Agent or First Lien Secured Party, the Designated First Lien Representative may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional First Lien Obligations or Additional Second Lien Obligations in compliance with this Agreement.

8.4 Information Concerning Financial Condition of the Grantors and their Subsidiaries. The First Lien Representatives, the First Lien Collateral Agents and the other First Lien Secured Parties, on the one hand, and the Second Lien Representatives, the Second Lien Collateral Agents and the Second Lien Secured Parties, on the other hand, shall each be responsible for keeping themselves informed of (a) the financial condition of the Grantors and their Subsidiaries and all endorsers and/or guarantors of the First Lien Obligations or the Second Lien Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the First Lien Obligations or the Second Lien Obligations. The First Lien Representatives, the First Lien Collateral Agents and the other First Lien Secured Parties shall have no duty to advise the Second Lien Representatives, the Second Lien Collateral Agents or any other Second Lien Secured Party of information known to it or them regarding such condition or any such circumstances or otherwise. In the event the First Lien Representatives, the First Lien Collateral Agents or any of the other First Lien Secured Parties, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any Second Lien
Representative, any Second Lien Collateral Agent or any other Second Lien Secured Party, it or they shall be under no obligation:

(a) to make, and the First Lien Representatives, the First Lien Collateral Agents and the other First Lien Secured Parties shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided;

(b) to provide any additional information or to provide any such information on any subsequent occasion;

(c) to undertake any investigation; or

(d) to disclose any information, which pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

8.5 **Subrogation.** With respect to the value of any payments or distributions in cash, property or other assets that any of the Second Lien Representatives, the Second Lien Collateral Agents or the other Second Lien Secured Parties pays over to any of the First Lien Representatives, the First Lien Collateral Agents or the other First Lien Secured Parties under the terms of this Agreement, such Second Lien Secured Parties, Second Lien Representatives and Second Lien Collateral Agents shall be subrogated to the rights of such First Lien Representatives, First Lien Collateral Agents and First Lien Secured Parties; provided that each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, hereby agrees not to assert or enforce any such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of First Lien Obligations has occurred. The Company and the other Grantors each acknowledges and agrees that the value of any payments or distributions in cash, property or other assets received by any Second Lien Representative, Second Lien Collateral Agent or other Second Lien Secured Party that are paid over to any First Lien Representative, First Lien Collateral Agent or other First Lien Secured Party pursuant to this Agreement shall not reduce any of the Second Lien Obligations.

8.6 **Application of Payments.** All payments received by any First Lien Representative, First Lien Collateral Agent or other First Lien Secured Party may be applied, reversed and reapplied, in whole or in part, to such part of the First Lien Obligations provided for in the First Lien Documents (subject to the First Lien Pari Passu Intercreditor Agreement and the ABL/Term Loan/Notes Intercreditor Agreement, in each case if then in effect). Each Second Lien Representative and each Second Lien Collateral Agent, on behalf of itself and the Second Lien Secured Parties represented by it, agrees to any extension or postponement of the time of payment of the First Lien Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security which may at any time secure any part of the First Lien Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.
Additional Debt Facilities.

(a) To the extent, but only to the extent, permitted by the provisions of the First Lien Documents and the Second Lien Documents, the Company may (x) incur or issue and sell one or more series or classes of Indebtedness that the Company designates as Additional First Lien Debt and/or one or more series or classes of Indebtedness that the Company designates as Additional Second Lien Debt (each, “Additional Debt”) or (y) incur Indebtedness under any Replacement First Lien Credit Agreement that is secured on an equal and ratable basis with the Liens (other than any First Lien Declined Liens) securing the Additional First Lien Obligations.

Any such series or class of Additional First Lien Debt may be secured by a first-priority, senior Lien on the Collateral, in each case under and pursuant to the First Lien Collateral Documents for such Series of Additional First Lien Debt, if and subject to the condition that, unless such Indebtedness is part of an existing Series of Additional First Lien Debt represented by a First Lien Representative and First Lien Collateral Agent already party to this Agreement, the First Lien Pari Passu Intercreditor Agreement and the ABL/Term Loan/Notes Intercreditor Agreement (if then in effect), the Additional First Lien Representative and the Additional First Lien Collateral Agent of any such Additional First Lien Debt each becomes a party to this Agreement, the First Lien Pari Passu Intercreditor Agreement and the ABL/Term Loan/Notes Intercreditor Agreement (if then in effect) by satisfying the conditions set forth in clauses (1) through (3) of paragraph (b) of this Section 8.7. Any Indebtedness and other Initial First Lien Obligations under any Replacement First Lien Credit Agreement may be secured by Liens on an equal and ratable basis, in each case under and pursuant to the Initial First Lien Documents, if and subject to the condition that the Replacement First Lien Representative and Replacement First Lien Collateral Agent, acting on behalf of the holders of such Initial First Lien Obligations, each becomes a party to this Agreement, the First Lien Pari Passu Intercreditor Agreement and the ABL/Term Loan/Notes Intercreditor Agreement (if then in effect) by satisfying the conditions set forth in clauses (1) through (3) of paragraph (b) of this Section 8.7. Upon any Additional First Lien Representative and Additional First Lien Collateral Agent, or Replacement First Lien Representative and Replacement First Lien Collateral Agent, as the case may be, so becoming a party hereto and becoming a party to the First Lien Pari Passu Intercreditor Agreement and the ABL/Term Loan/Notes Intercreditor Agreement (if then in effect) in accordance with the terms thereof, all Additional First Lien Obligations of such Series or all Initial First Lien Obligations under any Replacement First Lien Credit Agreement, as applicable, shall also be entitled to be so secured by a senior Lien on the Collateral in accordance with the terms hereof and thereof.

Any such series or class of Additional Second Lien Debt may be secured by a second-priority, subordinated Lien on the Collateral, in each case under and pursuant to the relevant Second Lien Collateral Documents for such Series of Additional Second Lien Debt, if and subject to the condition, unless such Indebtedness is part of an existing Series of Additional Second Lien Debt represented by a Second Lien Representative and Second Lien Collateral Agent already party to this Agreement, the Second Lien Pari Passu Intercreditor Agreement and the ABL/Term Loan/Notes Intercreditor Agreement (if then in effect), the Additional Second Lien Representative and Additional Second
Lien Collateral Agent of any such Additional Second Lien Debt each becomes a party to this Agreement, the Second Lien Pari Passu Intercreditor Agreement and the ABL/Term Loan/Notes Intercreditor Agreement (if then in effect) by satisfying the conditions set forth in clauses (1) through (3) of paragraph (b) of this Section 8.7. Upon any Additional Second Lien Representative so becoming a party hereto and becoming a party to the Second Lien Pari Passu Intercreditor Agreement and the ABL/Term Loan/Notes Intercreditor Agreement (if then in effect) in accordance with the terms thereof, all Additional Second Lien Obligations of such Series shall also be entitled to be so secured by a subordinated Lien on the Collateral in accordance with the terms hereof and thereof.

(b) In order for an Additional Representative and an Additional Collateral Agent, or, in the case of a Replacement First Lien Credit Agreement, the Replacement First Lien Representative and the Replacement First Lien Collateral Agent in respect thereof, to become a party to this Agreement:

1. such Additional Representative and such Additional Collateral Agent or such Replacement First Lien Representative and such Replacement First Lien Collateral Agent shall have executed and delivered to each other then-existing Representative (A) a Joinder Agreement substantially in the form of Exhibit I hereto (if such Representative is an Additional Second Lien Representative and such Collateral Agent is an Additional Second Lien Collateral Agent) or Exhibit II hereto (if such Representative is an Additional First Lien Representative and such Collateral Agent is an Additional First Lien Collateral Agent or in the case of a Replacement First Lien Credit Agreement) (with such changes as may be reasonably approved by the Designated First Lien Representative and such Representative and such Collateral Agent) pursuant to which (x) such Additional Representative becomes a Representative hereunder, such Additional Collateral Agent becomes a Collateral Agent hereunder and the related First Lien Secured Parties or Second Lien Secured Parties, as applicable, become subject hereto and bound hereby or (y) such Replacement First Lien Representative becomes the Initial First Lien Representative hereunder and such Replacement First Lien Collateral Agent becomes the Initial First Lien Collateral Agent hereunder, such Replacement First Lien Credit Agreement becomes the Initial First Lien Credit Agreement hereunder and such Initial First Lien Obligations and holders of such Initial First Lien Obligations become subject hereto and bound hereby and (B) a joinder agreement to the ABL/Term Loan/Notes Intercreditor Agreement (if then in effect) in the form required thereby or such other form as may be acceptable to the parties thereto;

2. the Company shall have delivered a Designation to each other then-existing Collateral Agent substantially in the form of Exhibit III hereto, pursuant to which a Responsible Officer of the Company shall (A) identify the Indebtedness to be designated as Additional First Lien Obligations, Additional Second Lien Obligations, or Initial First Lien Obligations, as applicable, and the initial aggregate principal amount of such Indebtedness, (B) specify the name and address of the applicable Additional Representative and Additional Collateral

46
Agent or the Replacement First Lien Representative and Replacement First Lien Collateral Agent, (C) certify that such Additional Debt or Initial First Lien Obligations is permitted to be incurred, secured and guaranteed by each First Lien Document and Second Lien Document and that the conditions set forth in this Section 8.7 are satisfied with respect to such Additional Debt or Initial First Lien Obligations, as applicable and (D) in the case of a Replacement First Lien Credit Agreement, expressly state that such agreement giving rise to the new Indebtedness satisfies the requirements of a Replacement First Lien Credit Agreement and is designated as a Replacement First Lien Credit Agreement; and

(3) the Company shall have delivered to each other Collateral Agent true and complete copies of each of the First Lien Documents or Second Lien Documents, as applicable, relating to such Additional First Lien Debt, Additional Second Lien Debt, or the Replacement First Lien Credit Agreement, as applicable, certified as being true and correct by a Responsible Officer of the Company.

(c) The Additional Second Lien Documents or Additional First Lien Documents, as applicable, relating to such Additional Obligations shall provide that each of the applicable Secured Parties with respect to such Additional Obligations will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Obligations.

(d) Upon the execution and delivery of a Joinder Agreement by an Additional First Lien Representative and an Additional First Lien Collateral Agent or an Additional Second Lien Representative and an Additional Second Lien Collateral Agent or the Replacement First Lien Representative and the Replacement First Lien Collateral Agent, in each case, in accordance with this Section 8.7, each other Representative and Collateral Agent shall acknowledge receipt thereof by countersigning a copy thereof and returning the same to such Additional First Lien Representative and such Additional First Lien Collateral Agent or such Additional Second Lien Representative and such Additional Second Lien Collateral Agent or the Replacement First Lien Representative and the Replacement First Lien Collateral Agent, as the case may be; provided that the failure of any Representative or Collateral Agent to so acknowledge or return the same shall not affect the status of such Additional Obligations as Additional First Lien Obligations or Additional Second Lien Obligations, or a Replacement First Lien Credit Agreement, as the case may be, if the other requirements of this Section 8.7 are complied with.

(e) With respect to any incurrence, issuance or sale of Indebtedness after the date hereof under the Additional First Lien Documents or Additional Second Lien Documents of a Series of Additional First Lien Debt or Series of Additional Second Lien Debt whose Representative and Collateral Agent is already each a party to this Agreement, the ABL/Term Loan/Notes Intercreditor Agreement (if then in effect) and the First Lien Pari Passu Intercreditor Agreement or Second Lien Pari Passu Intercreditor Agreement, as applicable, the requirements of Section 8.7(b) shall not be applicable and
such Indebtedness shall automatically constitute Additional First Lien Debt or Additional Second Lien Debt so long as (i) such Indebtedness is permitted to be incurred, secured and guaranteed by each First Lien Document and Second Lien Document and (ii) the provisions of paragraph (c) above have been complied with; provided, further, however that with respect to any such Indebtedness incurred, issued or sold pursuant to the terms of any Additional First Lien Documents or Additional Second Lien Documents of such existing Series of Additional First Lien Debt or Additional Second Lien Debt as such terms existed on the date the Representative and Collateral Agent for such Series of Additional First Lien Debt or Additional Second Lien Debt executed the Joinder Agreement, the requirements of clause (i) of this paragraph (e) shall be tested only as of (x) the date of execution of such Joinder Agreement, if pursuant to a commitment entered into at the time of such Joinder Agreement and (y) with respect to any later commitment or amendment to those terms to permit such Indebtedness, as of the date of such commitment and/or amendment.

8.8 Submission to Jurisdiction; Certain Waivers. Each of the Company, each other Grantor, and each Representative and each Collateral Agent, on behalf of itself and the applicable Secured Parties for whom it is acting, hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Collateral Documents (whether arising in contract, tort or otherwise) to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York sitting in the Borough of Manhattan, the courts of the United States for the Southern District of New York sitting in the Borough of Manhattan, and appellate courts from any thereof;

(b) agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York state court or, to the fullest extent permitted by applicable law, in such federal court;

(c) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law and that nothing in this Agreement or any other First Lien Document shall affect any right that any Secured Party may otherwise have to bring any action or proceeding relating to this Agreement or any other First Lien Document or Second Lien Document against such Grantor or any of its assets in the courts of any jurisdiction;

(d) waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Collateral Document in any court referred to in paragraph (a) of this Section 8.8 (and irrevocably waives to the fullest extent permitted by applicable law the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court);
(e) consents to service of process in any such proceeding in any such court by registered or certified mail, return receipt requested, to the applicable party at its address provided in accordance with Section 8.10 (and agrees that nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law); and

(f) agrees that service as provided in paragraph (e) above is sufficient to confer personal jurisdiction over the applicable party in any such proceeding in any such court, and otherwise constitutes effective and binding service in every respect.

8.9 **WAIVER OF JURY TRIAL.**

EACH PARTY HERETO AND THE COMPANY AND THE OTHER GRANTORS HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER FIRST LIEN DOCUMENT OR SECOND LIEN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT, BREACH OF DUTY, COMMON LAW, STATUTE OR ANY OTHER THEORY). EACH PARTY HERETO AND THE COMPANY AND THE OTHER GRANTORS (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER FIRST LIEN DOCUMENTS AND SECOND LIEN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. EACH PARTY HERETO AND THE COMPANY AND THE OTHER GRANTORS FURTHER REPRESENTS AND WARRANTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

8.10 **Notices.** All notices to the Second Lien Secured Parties and the First Lien Secured Parties permitted or required under this Agreement shall be sent to the applicable Second Lien Representative and the applicable First Lien Representative, respectively. Unless otherwise specifically provided herein, any notice hereunder shall be in writing and may be personally served or sent by facsimile or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof, upon receipt of facsimile, or three Business Days after depositing it in the United States mail with postage prepaid and properly addressed. EXHIBIT I

FILO INTERCREDITOR PROVISIONS

Section 1  Definitions.

In this Exhibit I (the “FILO Intercreditor Provisions”), capitalized terms used but not defined herein shall have the meanings assigned thereto in the Agreement to which this Exhibit is attached. In addition, the following terms shall have the following meanings:

“ABL Term Loan Obligations” means all present or future loans, advances, debts, liabilities and obligations (whether or not performance is then required or contingent, or such amounts are liquidated or determinable) owing by any Loan Party to any Term Loan Claimholder in respect of any ABL Term Loan, whether or not evidenced by a Note, arising under the Agreement or any of the other Loan Documents, including all principal, interest, fees, expenses, charges, indemnities and other amounts (including interest, fees, expenses and other amounts accrued or incurred on and after the filing of a petition initiating any Insolvency or Liquidation Proceeding, whether or not such interest or fees are deemed to accrue, or such expenses or other amounts are incurred, after the filing of such petition and whether or not allowed or allowable as a claim in such proceeding).

“Bankruptcy Code” means Title 11 of the United States Code entitled “Bankruptcy,” as now or hereafter in effect, or any successor thereto.

“Bankruptcy Law” means the Bankruptcy Code and any similar Federal, state or foreign law for the relief of debtors as now or hereafter in effect.

“Collateral Proceeds” means any proceeds, dividends, distributions or other payments (whether in cash, securities or other property) in respect of, or in substitution or exchange for, any Collateral or any Liens or claims on, based on or otherwise arising from or with respect to any Collateral (including claims in any Insolvency or Liquidation Proceeding), or from any sale or other disposition of any Collateral or any liquidation, foreclosure or similar transaction with respect to any Collateral.

“Insolvency or Liquidation Proceeding” means (a) any voluntary or involuntary case or proceeding under any Bankruptcy Law with respect to any Loan Party, (b) any other voluntary or involuntary insolvency, reorganization or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding with respect to any Loan Party or with respect to any of its assets, (c) any liquidation, dissolution, reorganization or winding up of any Loan Party whether voluntary or involuntary and whether or not involving insolvency or bankruptcy or (d) any assignment for the benefit of creditors or any other marshalling of assets and liabilities of any Loan Party.

“Revolving Facility Claimholder” means, at any relevant time, the holders of Revolving Facility Claims at such time, including without limitation the Revolving Lenders and
the Administrative Agent to the extent it is owed any Revolving Facility Claims by any Loan Party.

“Term Loan Claimholder” means, at any relevant time, the holders of ABL Term Loan Obligations at such time, including without limitation the ABL Term Loan Lenders and the Administrative Agent to the extent it is owed any ABL Term Loan Obligations by any Loan Party.

Section 2 Agreements Among Claimholders.

(a) In any Insolvency or Liquidation Proceeding, the Revolving Facility Claimholder may seek adequate protection in the form of current post-petition interest payments, incurred fees and expenses, or other cash payments. If, in any Insolvency or Liquidation Proceeding, the Revolving Facility Claimholders and the Term Loan Claimholders as a group are granted adequate protection in the form of current post-petition interest payments, incurred fees and expenses, or other cash payments, then the Term Loan Claimholders agree that the Revolving Facility Claimholders shall be entitled to receive all such payments until they have actually received the full amount of post-petition interest, fees, and expenses owed or to be owed thereto as of the date of each such payment(s), before any distribution from, or in respect of, any such post-petition payments may be made to the Term Loan Claimholders, with the Term Loan Claimholders hereby acknowledging and agreeing to turn over to the Revolving Facility Claimholders any Collateral Proceeds (including proceeds of post-petition assets) otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Term Loan Claimholders.

(b) In any Insolvency or Liquidation Proceeding, the Term Loan Claimholders shall be entitled to vote on any proposed plan under Chapter 11 of the Bankruptcy Code, but agree they shall only do so in the manner as expressly instructed by the Required Lenders or their agent. The Term Loan Claimholders further agree that they will not raise any objection to, oppose, or otherwise take any action that could hinder, delay, interfere with, or impede the approval and confirmation of any plan under Chapter 11 of the Bankruptcy Code that is supported or proposed by the Required Lenders.

(c) The Term Loan Claimholders agree that in any Insolvency or Liquidation Proceeding, their claims in respect of the Collateral or otherwise would not be “substantially similar” to those of the Revolving Facility Claimholders, as such term is utilized in Section 1122(a) of the Bankruptcy Code, and, therefore, shall be placed into a separate class of creditors from those of the Revolving Facility Claimholders for voting and all other purposes under any proposed plan under Chapter 11 of the Bankruptcy Code and will in any case not raise any objection to, oppose or otherwise take action that could interfere with such treatment of their claims in such manner. The Term Loan Claimholders further agree that they will not vote to accept any proposed plan under Chapter 11 of the Bankruptcy Code that does not so separately classify their claims from those of the Revolving Facility Claimholders (except to the extent they are otherwise expressly instructed to do so by the Required Lenders or their agent).
If, notwithstanding the foregoing clause (c), in any Insolvency or Liquidation Proceeding, it is held that the claims of the Revolving Facility Claimholders and Term Loan Claimholders in respect of the Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then the Revolving Facility Claimholders shall be entitled to receive, in addition to Collateral Proceeds distributed to them from, or in respect of, principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees, costs, premium and other charges, irrespective of whether all or any portion of the claim for such amounts is allowed or allowable in such Insolvency or Liquidation Proceeding pursuant to Section 506(b) of the Bankruptcy Code or otherwise, until the Discharge of ABL Revolving Claims, before any distribution of Collateral Proceeds is made in respect of the claims held by the Term Loan Claimholders, with the Term Loan Claimholders hereby acknowledging and agreeing to promptly turn over to the Administrative Agent for distribution to the Revolving Facility Claimholders in accordance with Section 2.18(3) of the Agreement any Collateral Proceeds otherwise received or receivable by them, without offset, defense, deduction or counterclaim of any kind, nature or description to the extent necessary to effectuate the intent of this sentence, until the Discharge of ABL Revolving Claims, even if such turnover has the effect of reducing the claim or recovery of the Term Loan Claimholders.

If (i) any Revolving Facility Claims are determined to be unsecured in part for purposes of Section 506(a) of the Bankruptcy Code, but would not have been deemed unsecured in part for such purposes, or would have been deemed to be unsecured in part by a lesser amount for such purposes, or (ii) any payments received in respect of any Revolving Facility Claims are voided, set aside or otherwise required to be returned, but would not have been voided, set aside or otherwise required to be returned, in either case if the ABL Term Loans had been subject to a separate junior lien on the Collateral, and any payment or distribution is made in respect of the Collateral to or for the benefit or account of the Term Loan Claimholders, such payment or distribution shall be held in trust for the benefit of Revolving Facility Claimholders up to an amount equal to the additional amount that would have been paid, payable or distributed in respect of the Revolving Facility Claims, or not voided, set aside or otherwise required to be returned, if such separate junior lien had existed, and shall be promptly transferred or delivered to the Administrative Agent for application to the Revolving Facility Claims in the manner provided in Section 2.18(3) of the Agreement.

Anything contained herein to the contrary notwithstanding, the Term Loan Claimholders shall not be entitled to share in or receive any Collateral Proceeds or any liens or claims on, based on or otherwise arising from or with respect to any Collateral (including claims in any Insolvency or Liquidation Proceeding), until the Discharge of ABL Revolving Claims or to the extent that the aggregate amount of the Revolving Facility Claims and ABL Term Loan Obligations then outstanding exceeds the aggregate value of the Collateral (net of prior liens and encumbrances) so that no portion of the claims of the Revolving Facility Claimholders in such Insolvency or Liquidation Proceeding shall be deemed an unsecured claim as a result of such excess.
Section 3  Exercise of Remedies.

(a) So long as the Discharge of ABL Revolving Claims has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Borrower or any other Loan Party:

(i) the Term Loan Claimholders:

(A) will not, independently without the express consent and, if requested by the Administrative Agent or the Required Lenders, a joinder by the Required Lenders (or the Administrative Agent on their behalf), exercise or seek to exercise any rights or remedies (including any right of set-off or recoupment) with respect to any Collateral (including the exercise of any right under any lockbox agreement, account control agreement, landlord waiver or bailee’s letter or similar agreement or arrangement to which the Term Loan Claimholders and/or the Administrative Agent is a party) or institute or commence (or join with any other Person, other than the Required Lenders, in commencing) any enforcement, collection, execution, levy or foreclosure action or proceeding (including any Insolvency or Liquidation Proceeding) with respect to any Lien held by it or for its benefit under the Security Documents or otherwise;

(B) will not contest, protest or object to any foreclosure proceeding or action brought by the Revolving Facility Claimholders or the Administrative Agent, on behalf of any or all of the Revolving Facility Claimholders, or any other exercise by the Revolving Facility Claimholders, or the Administrative Agent, on behalf of any or all of the Revolving Facility Claimholders, of any rights and remedies relating to the Collateral or otherwise under the Security Documents, applicable law or otherwise, provided that the respective interests of the Term Loan Claimholders attach to the proceeds thereof, subject to the relative priorities described in Section 2.18(3) of the Agreement;

(C) will not object to the forbearance by the Revolving Facility Claimholders, or the Administrative Agent, on behalf of the Revolving Facility Claimholders, or the refusal of the Revolving Facility Claimholders, or the Administrative Agent, on behalf of the Revolving Facility Claimholders, to consent to any requested act by the Term Loan Claimholders, or from the Revolving Facility Claimholders, or the Administrative Agent, on behalf of the Revolving Facility Claimholders, bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Collateral; and

(D) will not, independently, without the express written consent and, if required by the Administrative Agent or the Required Lenders, a joinder by the Required Lenders, file, pursuant to Section 109 or 303 of the Bankruptcy Code or otherwise, a petition in order to commence an Insolvency or Liquidation Proceeding against any Borrower and/or any other Loan Party (an “Involuntary Insolvency Proceeding”). In the event that any Revolving Facility Claimholder
or the Administrative Agent, acting on behalf of the Revolving Facility Claimholders, files a petition with the bankruptcy court pursuant to Section 109 of the Bankruptcy Code in order to commence an Involuntary Insolvency Proceeding, the Term Loan Claimholders agree that they will not oppose such petition or support any Person opposing such petition.

(ii) Subject to Section 4 of these FILO Intercreditor Provisions, the Revolving Lenders and the Administrative Agent, acting on behalf of the Revolving Facility Claimholders, shall have the exclusive right to enforce rights, exercise remedies (including set-off and the right to credit bid their debt) and make determinations regarding the release, disposition, or restrictions with respect to the Collateral without any consultation with or the consent of the Term Loan Claimholders or the Administrative Agent, acting on behalf of the Term Loan Claimholders; except, however, that, if requested by the Administrative Agent, the Term Loan Claimholders shall join and shall otherwise support any such action taken by the Revolving Facility Claimholders; provided, that

(A) in any Insolvency or Liquidation Proceeding commenced by or against any Borrower or any other Loan Party, the Term Loan Claimholders may file a proof of claim or statement of interest with respect to the ABL Term Loan Obligations;

(B) the Term Loan Claimholders may join in any action undertaken by the Revolving Facility Claimholders in order to preserve or protect the Lien of the Administrative Agent on the Collateral; and

(C) the Term Loan Claimholders shall be entitled to file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of the Term Loan Claimholders, including any claims secured by the Collateral, if any, in each case in accordance with the terms of these FILO Intercreditor Provisions.

In exercising rights and remedies with respect to the Collateral, the Revolving Lenders and the Administrative Agent, on behalf of the Revolving Facility Claimholders, may enforce the provisions of the Loan Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. The Term Loan Claimholders agree that the Revolving Facility Claimholders are not acting as the agent of the Term Loan Claimholders and do not otherwise owe them any fiduciary duty, and may instead act for all purposes in a manner that maximizes the interests of the Revolving Facility Claimholders. Such exercise and enforcement shall include the rights of an agent appointed by the Required Lenders to sell or otherwise dispose of Collateral upon foreclosure, or to consent to the sale or other disposition of Collateral by or on behalf of any Loan Party, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured creditor under the UCC of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.
The ABL Term Lenders agree that they will not take or receive any Collateral Proceeds in connection with the exercise of any right or remedy (including set-off or recoupment) with respect to any Collateral, and that any Collateral or Collateral Proceeds taken or received by the Administrative Agent, for the benefit of the Term Loan Claimholders, will be paid over to, or held by, the Administrative Agent for the benefit of the Revolving Facility Claimholders, unless and until the Discharge of ABL Revolving Claims occurs. Without limiting the generality of the foregoing, unless and until the Discharge of ABL Revolving Claims occurs, except as expressly provided in Section 3(a)(ii) of these FILO Intercreditor Provisions, the sole right of the Term Loan Claimholders with respect to the Collateral is for the Administrative Agent to hold a Lien on the Collateral to secure the ABL Term Loan Obligations owing to them pursuant to the Loan Documents for the period and to the extent granted therein.

Subject to the proviso in clause (ii) of Section 3(a) and Section 3(d) of these FILO Intercreditor Provisions, the ABL Term Lenders agree that (i) the Term Loan Claimholders will not take any action that would hinder, delay or impede or object to any exercise of remedies of the Revolving Facility Claimholders (or the Administrative Agent on behalf of any or all of the Revolving Facility Claimholders or in accordance with the directions of the Required Lenders) under the Loan Documents, including any sale, lease, exchange, transfer or other disposition of the Collateral, whether by foreclosure or otherwise, and whether by the Administrative Agent on behalf of the Revolving Facility Claimholders or by any Loan Party with the consent of the Required Lenders, and (ii) the ABL Term Lenders hereby waive any and all rights they may have as a secured creditor or otherwise to object to the manner or order in which the Revolving Loan Claimholders (or the Administrative Agent on behalf of the Revolving Loan Claimholders) seek to enforce or collect the Revolving Facility Claims or the Liens granted in any of the Collateral.

The ABL Term Lenders hereby acknowledge and agree that no covenant, agreement or restriction contained in the Loan Documents shall be deemed to restrict in any way the rights and remedies of the Revolving Facility Claimholders with respect to the Collateral as set forth in the Agreement (including, without limitation, these FILO Intercreditor Provisions) and the other Loan Documents.

If any Term Loan Claimholder, contrary to the Agreement (including, without limitation, these FILO Intercreditor Provisions) commences or participates in any action or proceeding against any Loan Party or the Collateral, the Administrative Agent or the Revolving Lenders may interpose in the name of the Revolving Facility Claimholders the making of the Agreement (including, without limitation, these FILO Intercreditor Provisions) as a defense or dilatory plea.

Should any Term Loan Claimholder, contrary to the Agreement (including, without limitation, these FILO Intercreditor Provisions), in any way take, or attempt or threaten to take, any action with respect to the Collateral (including any attempt to realize upon or enforce any remedy with respect to the Agreement (including, without limitation, these FILO Intercreditor Provisions), or fail to take any action required by these FILO Intercreditor Provisions, the Administrative Agent or the Revolving Lenders (in its own name or in the name of a Loan Party) may obtain relief against such Term Loan Claimholder by injunction, specific
performance and/or other appropriate equitable relief, it being understood and agreed by the Term Loan Claimholders that (i) the Revolving Facility Claimholders’ damages from such actions may be difficult to ascertain and may be irreparable, and (ii) the Term Loan Claimholders waive any defense that the Revolving Facility Claimholders cannot demonstrate damage or can be made whole by the awarding of damages and any requirement for the posting of a bond.

Section 4 Insolvency and Liquidation Proceedings.

(a) Use of Cash Collateral and Financing Issues. Until the Discharge of ABL Revolving Claims has occurred, if any Borrower or any other Loan Party shall be subject to any Insolvency or Liquidation Proceeding and the Required Lenders, or the Administrative Agent, acting on behalf of the Revolving Facility Claimholders, shall desire to permit the use of cash collateral on which the Revolving Loan Claimholders or any other creditor has a Lien or to permit any Borrower or any other Loan Party to obtain financing, from one or more of the Revolving Lenders (including under the Agreement) under Section 363 or Section 364 of the Bankruptcy Code or any similar Bankruptcy Law (each, a “DIP Financing”), then the Term Loan Claimholders and the Administrative Agent, acting on behalf of the Term Loan Claimholders, (A) agree that they will raise no objection to such use of cash collateral or DIP Financing, nor support any other Person objecting to, such use of cash collateral or DIP Financing and will not request any form of adequate protection or any other relief in connection therewith (except as agreed by the Administrative Agent, acting on behalf of the Revolving Facility Claimholders, or to the extent expressly permitted by Section 4(d) of these FILO Intercreditor Provisions) and, to the extent the Liens securing the Revolving Facility Claims are subordinated to or pari passu with any such DIP Financing provided by the Revolving Lenders, the Term Loan Claimholders agree that the Administrative Agent may subordinate the Liens in the Collateral to the extent held for the benefit of the Term Loan Claimholders to (x) the Liens securing such DIP Financing (and all obligations relating thereto), (y) any adequate protection Liens provided to the Administrative Agent on behalf of the Revolving Facility Claimholders or any of them (or any other agent on their behalf) and (z) any "carveout" for professional or United States Trustee fees agreed to by the Revolving Lenders or the Administrative Agent (or any other agent, acting on behalf of the Revolving Facility Claimholders; and (B) agree that notice received two (2) calendar days prior to the entry of an order approving such usage of cash collateral or approving such DIP Financing shall be adequate notice. If any Loan Party shall be subject to any Insolvency or Liquidation Proceeding, the Term Loan Claimholders agree that (other than with respect to any DIP Financing provided by any or all of the Revolving Lenders in accordance with the immediately preceding sentence and except as otherwise may be instructed by the Required Lenders) they will not consent to provide or participate in, or otherwise support, any DIP Financing that, pursuant to Section 364(d) of the Bankruptcy Code or otherwise, would be secured by a lien on any portion of the Collateral that is senior or equal to the lien of the Administrative Agent for the benefit of the any or all of the Revolving Facility Claimholders (or any other agent acting on their behalf) on the Collateral. The Term Loan Claimholders further agree that, except as otherwise instructed by Required Facility Claimholders, they will join in or otherwise support any objection filed by the Revolving Lenders to any proposed DIP Financing by any Person that would be secured by a lien on any portion of the Collateral that is senior or
(b) **Sale Issues.** The Term Loan Claimholders agree that they will not raise any objection to or oppose a sale or other disposition of any Collateral (including any post-petition assets subject to liens in favor of the Lenders or the Administrative Agent on behalf of any Lenders or any other agent) free and clear of its Liens or other claims under Section 363 of the Bankruptcy Code if the Required Lenders under the Agreement have consented to such sale or disposition of such assets, so long as the interests of the Term Loan Claimholders in the Collateral (and any post-petition assets subject to liens in favor of the Lenders or the Administrative Agent on behalf of Lenders or any other agent) attach to the proceeds thereof, subject to the terms of the Agreement (including, without limitation, these FILO Intercreditor Provisions). If requested by the Required Lenders in connection therewith, the Term Loan Claimholders shall affirmatively consent to such a sale or disposition and take such other action as may be required in connection therewith.

(c) **Relief from the Automatic Stay.** Until the Discharge of ABL Revolving Claims has occurred, the Term Loan Claimholders agree that none of them shall (i) seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Collateral, without the prior written consent of, and, if required by Agent or the Required Lenders, a joinder in any such action by, the Required Lenders, or (ii) oppose any request by any Revolving Facility Claimholder (or the Administrative Agent on behalf of any Revolving Facility Claimholder) to seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Collateral.

(d) **Adequate Protection.**

(i) The Term Loan Claimholders agree that none of them shall contest (or support any other person contesting) (A) any request by the Revolving Facility Claimholders or the Administrative Agent, acting on behalf of the Revolving Facility Claimholders, for adequate protection or (B) any objection by the Revolving Facility Claimholders to any motion, relief, action or proceeding based on the Revolving Facility Claimholders claiming a lack of adequate protection. In any Insolvency or Liquidation Proceeding, the Term Loan Claimholders may not, without the express written consent of, or joinder by, the Required Lenders, independently seek adequate protection in respect of the ABL Term Loan Obligations. In the event the Revolving Facility Claimholders seek or request adequate protection in respect of Revolving Facility Claims and such adequate protection is granted in the form of additional collateral, then the Term Loan Claimholders agree that their rights in respect of any Lien on such additional collateral securing the ABL Term Loan Obligations shall be junior to the rights in respect of such Liens securing the Revolving Facility Claims and any DIP Financing (and all obligations relating thereto) and to any other Liens granted to the Revolving Facility Claimholders (or the Administrative Agent or any other agent for the benefit of any or all of Revolving Facility Claimholders) as adequate.
protection, in each case on the same basis as set forth in Section 2.18(3) of the Agreement.

(ii) Similarly, if the Revolving Facility Claimholders and the Term Loan Claimholders are granted adequate protection in the form of a superpriority claim, then the Term Loan Claimholders agree that their interest in any such superpriority claim will be junior in all respects to interests of the Revolving Facility Claimholders in such superpriority claim.

(e) **No Waiver.** Nothing contained herein shall prohibit or in any way limit the Revolving Facility Claimholders or the Administrative Agent, acting on behalf of the Revolving Facility Claimholders, from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by the Term Loan Claimholders in violation of the Agreement (including, without limitation, these FILO Intercreditor Provisions), including the seeking by the Term Loan Claimholders or the Administrative Agent, acting on behalf of the Term Loan Claimholders, of adequate protection or the asserting by the Term Loan Claimholders or the Administrative Agent, acting on behalf of the Term Loan Claimholders, of any of its rights and remedies under the Loan Documents or otherwise without the express written consent of the Required Lenders; provided, however, that this Section 4(e) shall not limit the rights of the Term Loan Claimholders under the proviso in Section 3(a)(ii) or under Section 4(d) or Section 4(h), in each case of these FILO Intercreditor Provisions.

(f) **Avoidance Issues.** In addition to any other rights provided to the Revolving Facility Claimholders hereunder (including Section 2(e) of these FILO Intercreditor Provisions), if any Revolving Facility Claimholder is required in any Insolvency or Liquidation Proceeding, or otherwise, to turn over or otherwise pay to the estate of any Borrower or any other Loan Party any amount in respect of a Revolving Facility Claim (a “Recovery”), then such Revolving Facility Claimholders shall be entitled to a reinstatement of Revolving Facility Claims with respect to all such recovered amounts. If the Agreement (including, without limitation, these FILO Intercreditor Provisions) shall have been terminated prior to such Recovery, the Agreement (including, without limitation, these FILO Intercreditor Provisions), shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. Collateral or Collateral Proceeds received by the Term Loan Claimholders or the Administrative Agent, acting on behalf of the Term Loan Claimholders, after the Discharge of ABL Revolving Claims and prior to the reinstatement of such Revolving Facility Claims shall be delivered to the Revolving Lenders upon such reinstatement.

(g) **Reorganization Securities.** If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a plan of reorganization or similar dispositive restructuring plan, both on account of Revolving Facility Claims and on account of ABL Term Loan Obligations, then, to the extent the debt obligations distributed on account of the Revolving Facility Claims and on account of the ABL Term Loan Obligations are secured by Liens upon the same property, the provisions of the Agreement (including, without limitation, these FILO
Intercreditor Provisions) will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) Post-Petition Claims.

(i) Neither the Term Loan Claimholders nor the Administrative Agent, acting on behalf of the Term Loan Claimholders, shall oppose or seek to challenge any claim by the Revolving Facility Claimholders or the Administrative Agent, acting on behalf of the Revolving Facility Claimholders, for allowance in any Insolvency or Liquidation Proceeding of Revolving Facility Claims consisting of post-petition interest, fees, costs, charges or expenses to the extent of the value of the Collateral subject to the Lien of the Administrative Agent to secure the Revolving Facility Claims, without regard to the existence of the Lien of the Administrative Agent to secure the ABL Term Loan Obligations.

(ii) Neither the Revolving Facility Claimholders nor the Administrative Agent, acting on behalf of the Revolving Facility Claimholders, shall oppose or seek to challenge any claim by the Term Loan Claimholders or the Administrative Agent, acting on behalf of the Term Loan Claimholders, for allowance in any Insolvency or Liquidation Proceeding of ABL Term Loan Obligations consisting of post-petition interest, fees, costs, charges or expenses to the extent of the value of the Term Loan Claimholders’ Lien on the Collateral (after taking into account the Revolving Facility Claims).

(i) Waiver. The Term Loan Claimholders waive any claim they may hereafter have against the Revolving Facility Claimholders arising out of the election of the Revolving Facility Claimholders or the Administrative Agent, acting on behalf of the Revolving Facility Claimholders, of the application of Section 1111(b)(2) of the Bankruptcy Code, or out of any cash collateral or financing arrangement or out of any grant of a security interest in connection with the Collateral in any Insolvency or Liquidation Proceeding.

(j) Expense Claims. Neither the Term Loan Claimholders nor the Administrative Agent, acting on behalf of the Term Loan Claimholders, will (i) contest the payment of fees, expenses or other amounts to any Revolving Facility Claimholder or the Administrative Agent, acting on behalf of the Revolving Facility Claimholders, under Section 506(b) of the Bankruptcy Code or otherwise to the extent provided for in the Agreement (including, without limitation, these FILO Intercreditor Provisions) or (ii) assert or enforce, at any time prior to the Discharge of ABL Revolving Claims, any claim under Section 506(c) of the Bankruptcy Code senior to or on parity with the Revolving Facility Claims for costs or expenses of preserving or disposing of any Collateral.

(k) Other Matters. To the extent that any Term Loan Claimholder or the Administrative Agent, acting on behalf of the Term Loan Claimholders, has or acquires rights under Section 361, Section 363 or Section 364 of the Bankruptcy Code with respect to any of the Collateral, the Term Loan Claimholders agree not to assert any of such rights without the prior
written consent of the Required Lenders; provided that if requested by the Required Lenders, the ABL Term Lenders shall timely exercise such rights in the manner requested by the Required Lenders, including any rights to payments in respect of such rights.

Effectiveness in Insolvency or Liquidation Proceedings. Sections 1 through Section 4 of these FILO Intercreditor Provisions, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of the Bankruptcy Code, shall be effective before, during and after the commencement of an Insolvency or Liquidation Proceeding. All references in such Sections to any Loan Party shall include such Person as a debtor-in-possession and any receiver or trustee for such Person in any Insolvency or Liquidation Proceeding.
THIS SUBLEASE (this “Sublease”) is made and entered into as of the day of , 2019, by and between [NMG NOTES PROPCO LLC] (1)[NMG TERM LOAN PROPCO LLC](2), a Delaware limited liability company (hereinafter called “Sublandlord”), and , a (hereinafter called “Subtenant”);

WHEREAS, Subtenant, as assignor, and Sublandlord, as assignee, entered into an Assignment and Assumption of Lease (the “Assignment”) pursuant to which Subtenant assigned to Sublandlord all of Subtenant’s right, title and interest in and to the leasehold interest in the Prime Lease; and

WHEREAS, Subtenant desires to sublease from Sublandlord, and Sublandlord desires to sublease to Subtenant, the Leased Premises, of which Subtenant is currently in possession and on which Subtenant is currently operating a [Neiman Marcus] [Bergdorf Goodman] store (hereinafter, the “Store”), all upon the terms and subject to the conditions and provisions hereinafter set forth;

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants and promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, Sublandlord and Subtenant hereby agree as follows:

2. **Term.** The term (the “Term”) of this Sublease shall commence on , 2019 (the “Commencement Date”) and, unless sooner terminated pursuant to the provisions hereof, shall terminate on the earlier of the one-year anniversary of the Commencement Date (such date, and each applicable subsequent anniversary following an

extension pursuant to the proviso to this sentence, the “Scheduled Expiry Date”) and the prior termination of the term of the Prime Lease for any reason whatsoever, provided, the Term shall automatically be extended by an additional year after the Scheduled Expiry Date (subject to prior termination of the Prime Lease) if neither party has delivered to the other written notice of its intent to terminate this Sublease at least ten (10) business days prior to the Scheduled Expiry Date.

3. **Base Rent.**

   (a) Subtenant shall pay to Landlord directly on behalf of Sublandlord annual fixed rental (hereinafter called “Base Rent”) for the Leased Premises equal to the [Base Rent] (as defined in the Prime Lease) payable by Sublandlord to Landlord under the Prime Lease. Base Rent shall be due and payable pursuant to the terms and provisions of the Prime Lease.

   (b) All Base Rent and Additional Rent (as defined below) shall be paid directly to Landlord at the address designated under the Prime Lease or by notice from Landlord or at such other place as Sublandlord may designate by notice to Subtenant.

4. **Additional Rent; Payments; Interest.**

   (a) In addition to Base Rent, Subtenant shall also pay to Sublandlord all other charges, costs, expenses, fees and other amounts, including real property taxes and assessments, sewer rents, utilities, common area charges, and percentage or contingent rent, including late payments, interest, and costs and fees of collection, including attorney fees (collectively “Additional Rent”) payable by Sublandlord under the Prime Lease. Without limiting the foregoing, Subtenant shall maintain and provide to Landlord all reports and accountings with respect to rent, issues and profits and percentage rent of Subtenant with respect to the Leased Premises required under the Prime Lease.

   (b) Each amount due pursuant to Subsection 4(a) above and each other amount payable by Subtenant hereunder, unless a date for payment of such amount is provided for elsewhere in this Sublease, shall be due and payable no later than the date on which any such amount is due and payable under the Prime Lease.

   (c) All amounts other than Base Rent payable to, or on behalf of, Sublandlord under this Sublease shall be deemed to be additional rent due under this Sublease. All past due installments of Base Rent and additional rent shall bear interest from the date that is the earlier of the date provided in the Prime Lease for the applicable payment or five (5) business days following receipt of written notice thereof from Sublandlord until paid at the rate per annum equal to the greater of the rate provided in the Prime Lease or three percent (3%) in excess of the Prime Rate (as hereinafter defined) (the “Default Rate”) in effect from time to time, which rate shall change from time to time as of the effective date of each change in the Prime Rate, unless a lesser rate shall then be the maximum rate permissible by law with respect thereto, in which event said lesser rate shall be charged. For the purposes of this Sublease, the term “Prime Rate” shall mean the base rate on corporate loans at large U.S. money centers or commercial banks as published from time to time by the Wall Street Journal.
As and to the extent provided in the Prime Lease or as Landlord and Subtenant may otherwise agree, Subtenant shall pay Landlord on the due dates as provided in the Prime Lease or as otherwise agreed by the parties, for all services requested by Subtenant which are billed by Landlord directly to Subtenant rather than Sublandlord, all of which shall constitute Additional Rent.

5. **Condition of Leased Premises.** Subtenant, as the present occupant and operator of the Leased Premises, acknowledges and agrees that it takes the Leased Premises “as is”, “where is” and “with all faults”, and that Sublandlord does not make any warranties, representations or promises with respect to the Leased Premises or the Prime Lease of any kind whatsoever, express or implied, including without limitation with respect to state of title, physical condition or environmental condition, or fitness for any particular use. Subtenant’s taking possession of the Leased Premises pursuant to this Sublease shall be conclusive evidence as against Subtenant that the Leased Premises were in good order and satisfactory condition when Subtenant took possession. No promise of Sublandlord to alter, remodel or improve the Leased Premises, except as may be expressly provided herein, and no representation respecting the condition of the Leased Premises have been made by Sublandlord to Subtenant. Upon the expiration of the term hereof, or upon any earlier termination of the term hereof or of Subtenant’s right to possession (including any rejection of this Sublease in bankruptcy), Subtenant shall surrender the Leased Premises in the condition required pursuant to the Prime Lease (including environmental matters).

6. **The Prime Lease.**

(a) This Sublease and all rights, privileges and interests of Subtenant hereunder and with respect to the Leased Premises are subject to all of the terms, conditions, covenants, warranties, representations and provisions of the Prime Lease. Notwithstanding any provision to the contrary in the Assignment, as between Sublandlord and Subtenant, Subtenant hereby assumes and agrees to perform faithfully and be bound by, with respect to the Leased Premises, all of Sublandlord's obligations, warranties, representations, covenants, agreements, provisions and liabilities under the Prime Lease and all terms, conditions, provisions and restrictions contained in the Prime Lease. Without limitation of the foregoing:

(i) Subtenant shall not make any changes, alterations or additions in or to the Leased Premises except as otherwise expressly provided in the Prime Lease or herein;

(ii) If Subtenant desires to take any other action and the Prime Lease would require that Sublandlord obtain the consent of Landlord before undertaking any action of the same kind, Subtenant shall not undertake the same without the prior written consent of Landlord and Sublandlord. Sublandlord may condition its consent on the consent of Landlord being obtained and may require Subtenant to contact Landlord directly for such consent. All such consents shall be at the sole cost and expense of Subtenant;

(iii) Sublandlord shall have the right during all normal business hours upon reasonable prior notice to Subtenant to enter upon and inspect the Leased Premises.
Premises. Without limiting the foregoing, all rights given to Landlord and its agents and representatives by the Prime Lease to enter and/or inspect the Leased Premises shall inure to the benefit of Sublandlord and their respective agents and representatives with respect to the Leased Premises;

(iv) Sublandlord shall also have all other rights, and all privileges, options, reservations and remedies, granted or allowed to, or held by, Landlord under the Prime Lease;

(v) Subtenant shall maintain insurance of the kinds and in the amounts required to be maintained by Sublandlord under the Prime Lease; and

(vi) Subtenant shall not do anything or suffer or permit anything to be done which could result in a default or breach under the Prime Lease or permit the Prime Lease, with the passage of time or the service of notice or both, to be cancelled or terminated (or which could limit or prohibit Sublandlord from exercising any option or right of renewal, first negotiation, first refusal or right of expansion under the Prime Lease).

(b) In addition to the other covenants and obligations under this Sublease and the Prime Lease as incorporated herein, and without limitation of the foregoing, Sublandlord agrees as follows, subject in each case to the due and punctual performance and observance of all covenants and obligations of Subtenant hereunder:

(i) Sublandlord shall not do anything which could reasonably be expected to result in a default under the Prime Lease; provided, however, that Sublandlord shall not be in default of this covenant to the extent the default under the Prime Lease is caused or attributable (in whole or in part) by Subtenant, its shareholders, partners, members, directors, officers, employees, agents, customers or invitees.

(ii) Sublandlord shall not amend, modify or terminate the Prime Lease, without the prior written consent of Subtenant, which may be withheld in its sole discretion to the extent the same could increase Subtenant’s liabilities or obligations under this Sublease.

(iii) If any action to be taken by Subtenant or any other matter would require the consent or approval of Sublandlord under this Sublease, but not Landlord under the Prime Lease, Sublandlord’s consent or approval shall not be unreasonably withheld, conditioned or delayed. If any action to be taken by Subtenant or any other matter would require the consent or approval of Landlord under the Prime Lease, (i) Sublandlord shall be deemed to have consented to or approved such request if Landlord consents to or approves the same, and (ii) Sublandlord shall be deemed not to have consented to or approved such request if Landlord does not consent to or approve the same.

(iv) Sublandlord shall not assign, mortgage, pledge, hypothecate or otherwise transfer or permit the transfer of this Sublease or any interest in this
Sublease, whether voluntarily, by operation of law or otherwise (including a merger or transfer of voting control in Sublandlord), in each case without the prior written consent of Subtenant, which may be withheld in its sole discretion.

(c) Notwithstanding anything contained herein or in the Prime Lease which may appear to be to the contrary, Sublandlord and Subtenant hereby agree as follows:

(i) Subtenant shall not assign, mortgage, pledge, hypothecate, or otherwise transfer or permit the transfer of this Sublease or any interest of Subtenant in this Sublease, directly or indirectly, by operation of law or otherwise, or permit the use of the Leased Premises or any part thereof by any persons other than Subtenant and Subtenant’s employees, or sublet the Leased Premises or any part thereof;

(ii) in the event of any condemnation or casualty damage or destruction of the Leased Premises, Sublandlord shall have no obligation to restore the Leased Premises, all such obligations (if any) of Sublandlord as the tenant under the Prime Lease (if any) to be performed by Subtenant; provided that neither rental nor additional rent or other payments hereunder shall abate or be suspended by reason of any condemnation, damage to or destruction of the Leased Premises or any part thereof, unless, and then only to the extent that, rental and additional rent and such other payments actually abate under the Prime Lease with respect to the Leased Premises on account of such event;

(iii) Subtenant shall not have any right to any portion of the proceeds of any award for a condemnation or other taking, or a conveyance in lieu thereof, of all or any portion of the Leased Premises;

(iv) Subtenant shall not have any right to exercise or have Sublandlord exercise any option under the Prime Lease, including, without limitation, any option or right of first refusal, first negotiation or first offer to extend the term of the Prime Lease or lease additional space; and

(v) In the event of any conflict between the terms, conditions and provisions of the Prime Lease and of this Sublease, the terms, conditions and provisions of the Prime Lease shall, in all instances, govern and control.

(d) It is expressly understood and agreed that Sublandlord does not assume and shall not have any of the obligations or liabilities of Landlord under the Prime Lease and that Sublandlord is not making the representations or warranties, inducements, rent or other concessions or abatements, allowances, tenant improvements or landlord’s work, if any, made by Landlord in the Prime Lease. With respect to work, services, repairs and restoration or the performance of other obligations required of Landlord under the Prime Lease, Sublandlord’s sole obligation with respect thereto shall be to request the same, upon written request from Subtenant, and to use reasonable efforts to obtain the same from Landlord. Sublandlord shall not be liable in any respect, in damages or otherwise, nor
shall rent abate hereunder, for or on account of any failure by Landlord to perform the obligations and duties imposed on it under the Prime Lease.

(e) Nothing contained in this Sublease shall be construed to create privity of estate or contract between Subtenant and Landlord, unless Subtenant attorns to Landlord by written instrument.

(f) Nothing contained in this Sublease shall be construed to release the Sublandlord of any of its obligations or liabilities owed to Landlord under the Prime Lease.

7. **Default by Subtenant.**

   (a) Upon the happening of any of the following:

      (i) Subtenant fails to pay any Base Rent or Additional Rent within five (5) days after the date it is due;

      (ii) Subtenant fails to pay any other amount due from Subtenant hereunder and such failure continues for five (5) business days after notice thereof from Sublandlord to Subtenant;

      (iii) Subtenant fails to perform or observe any other covenant, obligation or agreement set forth in this Sublease and such failure continues until the earlier of (1) ten (10) business days after notice thereof from Sublandlord to Subtenant or (2) any earlier date specified for default under the Prime Lease, any Superior Interest or any Ancillary Document, as the case may be; or

      (iv) any other event occurs which involves Subtenant or the Leased Premises or any part thereof and which would constitute a default under the Prime Lease if it involved Sublandlord (or any agent, representative, officer, director, manager or shareholder of Subtenant) or the Leased Premises, subject to any notice and cure periods thereunder;

Subtenant shall be deemed to be in default hereunder, and Sublandlord may exercise, without any further demand or notice, and without limitation of any other rights and remedies available to it hereunder or at law or in equity, all of which rights are hereby expressly reserved, any and all of the equivalent rights and remedies of Landlord set forth in the Prime Lease with respect to the Leased Premises in the event of a default by Sublandlord thereunder (including without limitation the right to terminate this Sublease and recover possession of the Leased Premises free of all rights and interests of Subtenant).

   (b) In the event Subtenant fails or refuses to make any payment or perform any covenant, obligation or agreement to be performed hereunder by Subtenant, Sublandlord may make such payment or undertake to perform such covenant, obligation or agreement (but shall not have any obligation to Subtenant to do so). In such event, all amounts so paid and all amounts expended in undertaking such performance, together with all costs, expenses and reasonable attorneys’ fees incurred by Sublandlord or Landlord in connection therewith, together with interest at the Default Rate, shall be additional rent hereunder.
8. **Nonwaiver.** Failure of Sublandlord to declare any default or delay in taking any action, or partial exercise of any rights or remedies, in connection therewith shall not waive such default. No receipt of moneys or performance of obligations by Sublandlord from Subtenant after the termination in any way of the term or of Subtenant’s right of possession hereunder or after the giving of any notice of termination or eviction shall reinstate, continue or extend the term or Subtenant’s right of occupancy or possession or affect any notice given to Subtenant or any suit commenced or judgment entered prior to receipt of such moneys or performance of obligations.

9. **Cumulative Rights and Remedies.** All rights and remedies of Sublandlord under this Sublease shall be cumulative and none shall exclude any other rights or remedies allowed by law.

   (a) Subtenant hereby releases and waives any and all claims against Landlord and Sublandlord and each of their respective officers, directors, partners, agents and employees for injury or damage to person, property or business sustained in or about the Leased Premises by Subtenant other than by reason of gross negligence or willful misconduct and except in any case which would render this release and waiver void under applicable law.

   (b) Subtenant agrees to indemnify, defend and hold harmless Landlord and its beneficiaries, Sublandlord and each of their respective officers, directors, partners, agents and employees, from and against any and all claims, demands, liabilities, costs and expenses of every kind and nature, including reasonable attorneys’ fees and litigation expenses, arising out of or with respect to or from Subtenant’s use, possession or occupancy (or rights thereto) of the Leased Premises (including such use, possession or occupancy by Subtenant prior to the commencement of the Term in its capacity as prior tenant under the Prime Lease), or any events or occurrences on, under, or about the Leased Premises, Subtenant’s construction or authorization of any work or leasehold improvements in the Leased Premises or from any breach or default on the part of Subtenant in the performance of any agreement, covenant, obligation, warranty or representation of Subtenant to be performed or performed under this Sublease or pursuant to the terms of this Sublease, or from any act or neglect of Subtenant or its agents, officers, employees, guests, servants, invitees or customers in or about the Leased Premises, other than by reason of gross negligence or willful misconduct on the part of any of the foregoing indemnitees. In case any action or proceeding is brought against any of said indemnified parties, Subtenant covenants, if requested by Sublandlord, to defend such proceeding at its sole cost and expense by legal counsel reasonably satisfactory to Sublandlord (and, if provided in the Prime Lease, by Landlord).

   (c) Subtenant acknowledges that prior to the assignment to, and assumption by, Sublandlord of the Prime Lease, Subtenant was the tenant under the Prime Lease, and agrees that all of Subtenant’s liabilities and obligations under this Sublease, including, without limitation, Subtenant’s indemnification obligations under Section 10(b), shall apply to the extent such liabilities or obligations arise from any matter first arising or accruing during Subtenant’s tenancy and occupancy of the Leased Premises under the
Prime Lease (the “Subtenant Occupancy Period”). Sublandlord acknowledges and agrees that such obligations of Subtenant shall not apply to any matter first arising or accruing during the period of time (i) prior to the Subtenant Occupancy Period, or (ii) after the expiration or earlier termination of the Term of this Sublease, except to the extent such liabilities or obligations expressly survive such expiration or termination.

11. **Waiver of Subrogation.** Anything in this Sublease to the contrary notwithstanding, Sublandlord and Subtenant each hereby waive any and all rights of recovery, claims, actions or causes of action against the other and the officers, directors, partners, agents and employees of each of them, and Subtenant hereby waives any and all rights of recovery, claims, actions or causes of action against Landlord and its agents and employees for any loss or damage that may occur to the Leased Premises, or any improvements thereto, or any personal property of any person therein, by reason of fire, the elements or any other cause insured against under valid and collectible fire and extended coverage insurance policies, regardless of cause or origin, including negligence, except in any case which would render this waiver void under law, to the extent that such loss or damage is actually recovered under said insurance policies.

12. **Successors and Assigns.** This Sublease shall be binding upon and inure to the benefit of the successors and assigns of Sublandlord and shall be binding upon and inure to the benefit of the successors of Subtenant and, to the extent any such assignment may be approved, Subtenant’s assigns. The provisions of Subsection 6(e) and Sections 10 and 11 hereof shall inure to the benefit of the successors and assigns of Landlord.

13. **Entire Agreement.** This Sublease contains all the terms, covenants, conditions and agreements between Sublandlord and Subtenant relating in any manner to the rental, use and occupancy of the Leased Premises. No prior agreement or understanding pertaining to the same shall be valid or of any force or effect. The terms, covenants and conditions of this Sublease cannot be altered, changed, modified or added to except by a written instrument signed by Sublandlord and Subtenant.

14. **Notices.**

(a) In the event any notice from the Landlord or otherwise relating to the Prime Lease is delivered to the Leased Premises or is otherwise received by Subtenant, Subtenant shall, as soon thereafter as possible deliver such notice to Sublandlord if such notice is written or advise Sublandlord thereof by telephone if such notice is oral.

(b) Notices and demands required or permitted to be given by either party to the other with respect hereto or to the Leased Premises shall be in writing and shall not be effective for any purpose unless the same shall be served either by personal delivery with a receipt requested, by overnight air courier service or by United States certified or registered mail, return receipt requested, postage prepaid; provided, however, that all notices of default shall be served either by personal delivery with a receipt requested or by overnight air courier service, addressed as follows:

16. **Superior Interests; Ancillary Documents.** Except as expressly provided herein to the contrary, Subtenant acknowledges and agrees that this Sublease is expressly subject and subordinate to, and Subtenant shall observe and perform, Sublandlord’s obligations with respect to, (a) all superior fee, leasehold and mortgage or security interests affecting the Leased Premises (collectively, “Superior Interests”) existing as of the date hereof until such time as such Superior Interests are terminated or released, (b) all future Superior Interests to the extent expressly provided in Superior Interests existing as of the date hereof until such time such future Superior Interests are terminated or released, and (c) all ancillary agreements and documents (including, without limitation, reciprocal easement and/or operating agreements affecting the Lease Premises as of the date hereof (including any of the same identified on Exhibit A, collectively, the “Ancillary Documents”)), as all such Superior Interests and Ancillary Documents may hereinafter be amended or supplemented from time to time.

ARTICLE II
GUARANTEE

Section 2.01. Guarantee

1. Each Guarantor unconditionally guarantees, jointly with the other Guarantors and severally, to the Collateral Agent for the benefit of the Secured Parties as a primary obligor and not merely as a surety, the due and punctual payment and performance of the Secured Obligations. Each Guarantor further agrees that the Secured Obligations may be extended or renewed, in whole or in part, without notice to or further assent from such Guarantor, and that such Guarantor will remain bound upon its guarantee hereunder notwithstanding any extension or renewal of any Secured Obligation. Each Guarantor waives presentment to, demand of payment from and protest to the Borrower or any other Loan Party of any of the Secured Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment. For the avoidance of doubt, the guarantee by each Co-Borrower pursuant to this Article II shall be in addition to, and not in lieu of, such Co-Borrower’s joint and several liability in respect of the Secured Obligations pursuant to the Credit Agreement.

2. Notwithstanding anything to the contrary herein or in any other Loan Document, the guarantee provided by the PropCo Guarantors shall not be secured.

Section 2.02. Guarantee of Payment

Each Guarantor further agrees that its guarantee hereunder constitutes a guarantee of payment when due (whether at the stated maturity, by acceleration or otherwise) and not of collection, and waives any right to require that any resort be had by the Collateral Agent or any other Secured Party to any security held for the payment of the Secured Obligations or to any balance of any Deposit Account or credit on the books of the Collateral Agent or any other Secured Party in favor of any Loan Party or any other Person.

Section 2.03. No Limitations, Etc.

1. Except for termination of a Guarantor’s obligations hereunder as expressly provided for in Section 7.15 and except as provided in Section 2.07, the obligations of each Guarantor hereunder will not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and will not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Secured Obligations or otherwise (other than defense of payment or performance). Without limiting the generality of the foregoing, except for termination or release of a Guarantor’s obligations hereunder in accordance with the terms of Section 7.15 the obligations of each Guarantor hereunder, to the fullest extent permitted by applicable law, will not be discharged or impaired or otherwise affected by, and each Guarantor hereby waives any defense to the enforcement hereof by reason of:
(a) the failure of the Collateral Agent or any other Secured Party to assert any claim or demand or to exercise or enforce any right or remedy under the provisions of any Loan Document or otherwise;

(b) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement;

(c) the failure to perfect any security interest in, or the release of, any of the Collateral held by or on behalf of the Collateral Agent or any other Secured Party for the Secured Obligations;

(d) any default, failure or delay, willful or otherwise, in the performance of the Secured Obligations;

(e) any illegality, lack of validity or enforceability of any Secured Obligation;

(f) any change in the corporate existence, structure or ownership of any Loan Party, or any insolvency, bankruptcy or reorganization of any Loan Party;

(g) the existence of any claim, set-off or other rights that the Guarantors may have at any time against the Borrower, the Collateral Agent, any other Secured Party or any other Person, whether in connection herewith, the other Loan Documents or any unrelated transactions; provided that nothing herein will prevent the assertion of any such claim by separate suit or compulsory counterclaim;

(h) any action permitted or authorized hereunder; or

(i) any other circumstance (including any statute of limitations) or any act or omission that may in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a defense to, or a legal or equitable discharge of, the Borrower or any Guarantor or any other guarantor or surety (other than the payment in full in cash or immediately available funds of the Secured Obligations).

(2) Each Guarantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Secured Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Secured Obligations, all without affecting the obligations of any Guarantor hereunder.

(3) To the fullest extent permitted by applicable law and except for termination or release of a Guarantor’s obligations hereunder in accordance with the terms of Section 7.15 hereof, each Guarantor waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Secured Obligations or any part thereof from
any cause, or the cessation from any cause of the liability of any other Loan Party, other than, after all Commitments have been terminated, the return of all Letters of Credit (or cash collateralization thereof on terms satisfactory to the Issuing Bank), the payment in full in cash or immediately available funds of all the Secured Obligations (other than Secured Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted). The Collateral Agent and the other Secured Parties may exercise any right or remedy available to them against any other Loan Party pursuant to this Agreement or the other Loan Documents, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent that after giving effect thereto all Secured Obligations have been terminated and paid in full (other than Secured Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted). To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any other Loan Party, as the case may be, or any security.

Section 2.04. Reinstatement. Each Guarantor agrees that its guarantee hereunder will continue to be effective or be reinstated, if, at any time payment, or any part thereof, of any Secured Obligation is rescinded or must otherwise be restored by the Collateral Agent or any other Secured Party upon the bankruptcy or reorganization of the Borrower or any other Loan Party or otherwise.

Section 2.05. Agreement To Pay; Contribution; Subrogation.

(1) In furtherance of the foregoing and not in limitation of any other right that the Administrative Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of any Loan Party to pay any Secured Obligation when and as the same becomes due and payable, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Collateral Agent for distribution to the applicable Secured Parties in cash the amount of such unpaid Secured Obligation.

(2) Subject to the foregoing clause (1), to the extent that any Guarantor, under this Agreement or the Credit Agreement as a joint and several obligor, repays any of the Secured Obligations constituting Loans or other advances made to or reimbursement obligations owed by another Loan Party under the Credit Agreement (an “Accommodation Payment”), then the Guarantor making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Guarantors in an amount equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Guarantor’s Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Guarantors; provided that such rights of contribution and indemnification shall be subordinated to the
discharge of Secured Obligations. As of any date of determination, the “Allocable Amount” of each Guarantor shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Guarantor hereunder and under the Credit Agreement without:

- rendering such Guarantor “insolvent” within the meaning of Section 101 (31) of the Bankruptcy Code of the United States, Section 2 of the Uniform Fraudulent Transfer Act ("UFTA") or Section 2 of the Uniform Fraudulent Conveyance Act ("UFCA");

- leaving such Guarantor with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code of the United States, Section 4 of the UFTA, or Section 5 of the UFCA; or

- leaving such Guarantor unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code of the United States or Section 4 of the UFTA, or Section 5 of the UFCA. Upon payment by any Guarantor of any sums to the Collateral Agent as provided above, all rights of such Guarantor against the Borrower, any other Loan Party or any other Guarantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article VI.

Section 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the financial condition and assets of the Borrower and each other Loan Party, and of all other circumstances bearing upon the risk of nonpayment of the Secured Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Administrative Agent, Collateral Agent or any other Secured Party will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

Section 2.07. Maximum Liability. Each Guarantor, and by its acceptance of this guarantee, each Agent and each other Secured Party hereby confirms that it is the intention of all such Persons that this guarantee and the Secured Obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of the U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, the UFCA, the UFTA or any similar foreign, federal or state law to the extent applicable to this guarantee and the Secured Obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Secured Parties and the Guarantors hereby irrevocably agree that the Secured Obligations of the Guarantors under this guarantee at any time are limited to the maximum amount as will result in the Secured Obligations of such Guarantor under this guarantee not constituting a fraudulent transfer or conveyance.

Section 2.08. Taxes. Any and all payments by or on account of any obligation of any Guarantor hereunder shall be made free and clear of and without deduction or withholding for Taxes, except as required by applicable law. If any applicable law requires the deduction or withholding of any Tax from any such payment by a Guarantor, then the applicable Guarantor
shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if a Guarantor shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.08) the Collateral Agent or any Term Loan Secured Party, as applicable, receives an amount equal to the sum it would have received had no such deductions been made. The provisions of Section 2.17 of the Credit Agreement shall apply to each Guarantor mutatis mutandis. Any amounts payable by any Guarantor pursuant to this Section 2.08 shall be made without duplication (including with any amount otherwise payable under Section 2.17 of the Credit Agreement). For the avoidance of doubt, any Guarantor shall not be required to pay any greater amount under this Section 2.08 than such Guarantor would have been required to pay had it been a Loan Party that was a party to the Credit Agreement.

Section 2.09. **Keepwell.** Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor that would otherwise not be an “eligible contract participant” as defined in the Commodity Exchange Act and the regulations thereunder to honor all of its obligations under this Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 2.09 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 2.09 or otherwise under this Agreement voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 2.09 shall remain in full force and effect until the indefeasible payment in full in cash of all the Secured Obligations (other than obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations, in each case, that are not yet due and payable and for which no claim has been asserted). Each Qualified ECP Guarantor intends that this Section 2.09 constitute, and this Section 2.09 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section la(18)(A)(v)(II) of the Commodity Exchange Act.

**ARTICLE III**

**PLEDGE OF SECURITIES**

other than any Excluded Assets (the Equity Interests described in the foregoing clauses (a) and (b), collectively, but excluding any Excluded Assets, the “Pledged Stock”);

(2) the promissory notes and any instruments evidencing Indebtedness (a) owned by such Grantor as of the Fourth Amendment Effective Date and (b) issued to any such Grantor after the Fourth Amendment Effective Date, other than any Excluded Assets (the instruments described in the foregoing clauses (a) and (b) collectively, but excluding any Excluded Assets, the “Pledged Debt Securities”);

(3) subject to Section 3.05 hereof, all payments of principal or interest, dividends, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of, in exchange for or upon the conversion of, and all other proceeds received in respect of, the securities referred to in the foregoing clauses (1) and (2);

(5) all proceeds of any of the foregoing items referred to in clauses (1) through (4) above, but excluding any Excluded Assets (the items referred to in clauses (1) through (5) of this Section 3.01, collectively, the “Pledged Collateral”).

(1) Each Grantor agrees promptly to deliver or cause to be delivered to the Collateral Agent, for the benefit of the Secured Parties, any and all Pledged Securities to the extent such Pledged Securities, in the case of promissory notes or other instruments, are required to be delivered pursuant to paragraph (2) of this Section 3.02.

(2) Each Grantor will use its commercially reasonable efforts to cause (x) any Indebtedness for borrowed money having an aggregate principal amount in excess of $5.0 million owed to such Grantor by any Person and (y) accrued intellectual property royalties and other amounts owing to NM Nevada Trust (regardless of whether classified as current), to be evidenced by a duly executed promissory note that is pledged and delivered to the Collateral Agent, for the benefit of the Secured Parties, pursuant to the terms hereof;
provided that the foregoing requirement will not apply to intercompany current liabilities incurred in the ordinary course of business in connection with the cash management operations of Holdings, the Borrower and its Subsidiaries. To the extent any such promissory note is a demand note, each Grantor party thereto agrees, if requested by the Collateral Agent, to immediately demand payment thereunder upon an Event of Default unless such demand would not be commercially reasonable or would otherwise expose such Grantor to liability to the maker.

(3) Upon delivery to the Collateral Agent, (a) any Pledged Securities required to be delivered pursuant to the foregoing paragraphs (1) and (2) of this Section 3.02 will be accompanied by stock powers or note powers, as applicable, duly executed in blank or other instruments of transfer reasonably satisfactory to the Collateral Agent and by such other instruments and documents as the Collateral Agent may reasonably request and (b) all other property composing part of the Pledged Collateral delivered pursuant to the terms of this Agreement shall be accompanied to the extent necessary to perfect the security interest in or allow realization on the Pledged Collateral by proper instruments of assignment duly executed by the applicable Grantor and such other instruments or documents as the Administrative Agent may reasonably request. Each delivery of Pledged Securities shall be accompanied by a schedule describing the securities, which schedule shall be attached hereto as Schedule I (or a supplement to Schedule I, as applicable) and made a part hereof; provided that failure to attach any such schedule hereto shall not affect the validity of such pledge of such Pledged Securities. Each schedule so delivered shall supplement any prior schedules so delivered.

(4) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no Grantor will be required to take any action under the laws of any jurisdiction other than the United States (or any political subdivision thereof) and its territories and possessions for the purpose of perfecting the Security Interest in any Pledged Collateral of such Grantor.

Section 3.03. Representations, Warranties and Covenants. Each Grantor represents and warrants and covenants to and with the Collateral Agent, for the benefit of the Secured Parties that:

(1) Schedule I correctly sets forth, as of the Fourth Amendment Effective Date, (a) the percentage of the issued and outstanding shares of each class of the Equity Interests of the issuer thereof represented by such Pledged Stock and (b) all debt securities and promissory notes or instruments evidencing Indebtedness required to be pledged pursuant to the terms of the Credit Agreement on the Fourth Amendment Effective Date;

(2) the Pledged Stock and Pledged Debt Securities (solely with respect to Pledged Debt Securities issued by a Person that is not a Subsidiary of Holdings or an Affiliate of any such Subsidiary, to the best of each Grantor’s knowledge) have been duly and validly authorized and issued by the issuers thereof and (a) in the case of Pledged Stock, are fully paid and non-assessable (to the extent such concepts are applicable to such Pledged Stock and other than with respect to Pledged Stock consisting of membership interests of
limited liability companies to the extent provided in Sections 18-502 and 18-607 of the Delaware Limited Liability Company Act) and (b) in the case of Pledged Debt Securities (solely with respect to Pledged Debt Securities issued by a Person that is not a Subsidiary of Holdings or an Affiliate of any such Subsidiary, to the best of each Grantor’s knowledge) are legal, valid and binding obligations of the issuers thereof, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors’ rights generally, general equitable principles (whether considered in a proceeding at law or in equity) and an implied covenant of good faith and fair dealing;

(3) except for the security interests granted hereunder, each Grantor:

(a) is and, subject to any transfers made in compliance with the Credit Agreement, will continue to be the direct owner, beneficially and of record, of the Pledged Securities indicated on Schedule I as owned by such Grantor;

(b) holds the same free and clear of all Liens, other than Permitted Liens;

(c) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral, other than pursuant to a transaction permitted by the Credit Agreement and other than Permitted Liens; and

(d) subject to the rights of such Grantor under the Loan Documents to dispose of Pledged Collateral, will use commercially reasonable efforts to defend its title or interest hereto or therein against any and all Liens (other than Permitted Liens), however arising, of all Persons;

(4) other than as set forth in the Credit Agreement or the schedules thereto, and except for restrictions and limitations imposed by the Loan Documents or securities laws generally or otherwise permitted to exist pursuant to the terms of the Credit Agreement, the Pledged Stock (other than Pledged Stock that is partnership interests) is and will continue to be freely transferable and assignable, and, except for limitations existing on the Fourth Amendment Effective Date in the articles or certificate of incorporation, bylaws or other organizational documents of any Subsidiary that is not a wholly owned Subsidiary, none of the Pledged Stock is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law provisions or contractual restriction of any nature that would prohibit, impair, delay or otherwise affect the pledge of such Pledged Stock hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder;

(5) each Grantor has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(6) other than as set forth in the Credit Agreement or the schedules thereto, no consent or approval of any Governmental Authority, any securities exchange or any other Person
was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect);

(7) as of the Fourth Amendment Effective Date, this Agreement is effective to create in favor of the Collateral Agent (for the benefit of the Secured Parties) a legal, valid and enforceable security interest in the Collateral described herein and proceeds thereof;

(8) as of the Fourth Amendment Effective Date, none of the Equity Interests in limited liability companies or partnerships that are pledged by the Grantors hereunder constitute a security under Section 8-103 of the UCC or the corresponding code or statute of any other applicable jurisdiction; and

(9) the Grantors shall not amend, or permit to be amended, the limited liability company agreement (or operating agreement or similar agreement) or partnership agreement of any subsidiary of any Loan Party whose Equity Interests are, or are required to be, Collateral in a manner to cause such Equity Interests to constitute a security under Section 8-103 of the New York UCC or the corresponding code or statute of any other applicable jurisdiction unless such Loan Party shall have first delivered reasonable prior written notice to the Collateral Agent and shall have taken all actions contemplated hereby and as otherwise reasonably required by the Collateral Agent to maintain the security interest of the Collateral Agent therein as a valid, perfected security interest with the Required Collateral Lien Priority, and subject to the relative priorities set forth in the Intercreditor Agreements.

Section 3.04. **Registration in Nominee Name; Denominations.** The Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement), on behalf of the Secured Parties, has the right (in its sole and absolute discretion) to hold the Pledged Securities in the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement) or, if an Event of Default shall have occurred and be continuing, in its own name as pledgee or the name of its nominee (as pledgee or as sub-agent). Each Grantor will promptly give to the Collateral Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Grantor. If an Event of Default shall have occurred and be continuing, the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement) will have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement. Each Grantor will use its commercially reasonable efforts to cause any Loan Party that is not a party to this Agreement to comply with a request by the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement), pursuant to this Section 3.04, to exchange certificates representing Pledged Securities of such Loan Party for certificates of smaller or larger denominations.
Section 3.05. Voting Rights; Dividends and Interest, Etc.

(1) Unless and until an Event of Default has occurred and is continuing and the Collateral Agent has given at least one (1) Business Day’s prior written notice to the Borrower of the Collateral Agent’s intention to exercise its rights hereunder:

(a) each Grantor will be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Collateral or any part thereof for any purpose consistent with the terms of this Agreement, the Credit Agreement and the other Loan Documents; provided that except as permitted under the Credit Agreement, such rights and powers will not be exercised in any manner that could materially and adversely affect the rights inuring to a holder of any Pledged Collateral, the rights and remedies of any of the Collateral Agent or the other Secured Parties under this Agreement, the Credit Agreement or any other Loan Document or the ability of the Secured Parties to exercise the same;

(b) the Collateral Agent will promptly execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (a) above; and

(c) each Grantor will be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable laws; provided that (i) any noncash dividends, interest, principal or other distributions, payments or other consideration in respect thereof, including any rights to receive the same to the extent not so distributed or paid, that would constitute Pledged Securities, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities, received in exchange for Pledged Securities or any part thereof, or in redemption thereof, as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise and (ii) any noncash dividends and other distributions paid or payable in respect of any Pledged Securities that would constitute Pledged Securities in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid in surplus, will be and become part of the Pledged Collateral, and, if received by any Grantor, will not be commingled by such Grantor with any of its other funds or property, but will be held separate and apart therefrom, will be held in trust for the benefit of the Collateral Agent, for the benefit of the Secured Parties, and will be forthwith delivered to the Collateral Agent, for the benefit of the Secured Parties,
in the same form as so received (endorsed in a manner reasonably satisfactory to the Collateral Agent).

(2) Upon the occurrence and during the continuance of an Event of Default and after at least one (1) Business Day’s prior written notice by the Administrative Agent to the Borrower of the Administrative Agent’s intention to exercise its rights hereunder, all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (1)(c) of this Section 3.05 will cease, and all such rights will thereupon become vested, for the benefit of the Secured Parties, in the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement), which will have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions; provided, however, that even after the occurrence and during the continuance of an Event of Default, and such one at least one (1) Business Day’s prior written notice, any Grantor may continue to receive dividends and distributions solely to the extent permitted under subclause (6)(a), subclause (6)(c) and subclause (6)(e) of Section 6.06 of the Credit Agreement.

(3) All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 3.05 will not be commingled by such Grantor with any of its other funds or property, but will be held separate and apart therefrom, will be held in trust for the benefit of the Collateral Agent, for the benefit of the Secured Parties, and will be forthwith delivered to the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement), for the benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Collateral Agent). Any and all money and other property paid over to or received by the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement) pursuant to the provisions of this paragraph (3) subject to the Intercreditor Agreement will be retained by the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement) in an account to be established by the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement) upon receipt of such money or other property and will be applied in accordance with the provisions of Section 5.02 hereof. After all such Events of Default have been cured or waived, the Collateral Agent will promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (1)(c) of this Section 3.05 and that remain in such account.

(4) Upon the occurrence and during the continuance of an Event of Default and after the Collateral Agent shall have given at least one (1) Business Day’s prior written notice to the Borrower of the Collateral Agent's intention to exercise its rights hereunder, all rights of any Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (1)(a) of this Section 3.05, and the obligations of the Collateral Agent under paragraph (1)(b) of this Section 3.05, will cease, and all such rights will thereupon become vested in the Collateral Agent, for the benefit of the Secured Parties, which will have the sole and exclusive right and authority to exercise such voting and consensual rights and powers (subject to the Intercreditor Agreement); provided that unless otherwise directed by the Required Lenders, the Collateral Agent
will have the right from time to time following and during the continuance of an Event of Default and such at least one (1) Business Day’s prior written notice to permit the Grantors to exercise such rights. After all such Events of Default have been cured or waived, each Grantor will have the right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (1)(a) above.

ARTICLE IV

SECURITY INTERESTS IN OTHER PERSONAL PROPERTY

Section 4.01. Security Interest.

(1) As security for the payment or performance when due (whether at the stated maturity, by acceleration or otherwise), as the case may be, in full of the Secured Obligations, each Grantor hereby pledges to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest (the “Security Interest”) in all of such Grantor’s right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “Article 9 Collateral”):

(a) all Accounts;
(b) all Chattel Paper;
(c) all cash, Cash Equivalents and Deposit Accounts;
(d) all Documents;
(e) all Equipment;
(f) all General Intangibles;
(g) all Instruments;
(h) all Inventory;
(i) all Investment Property;
(j) all Letter of Credit Rights;
(k) all Intellectual Property;
(l) all Commercial Tort Claims, including those described on Schedule IV hereto;
(m) each of the following:

(i) Securities Accounts;

(ii) Investment Property credited to Securities Accounts or Deposit Accounts from time to time and all Security Entitlements in respect thereof;

(iii) all cash held in any Securities Account or Deposit Account; and

(iv) all other Money in the possession of the Collateral Agent;

(n) all books and Records pertaining to the Article 9 Collateral; and

(o) all Proceeds, Supporting Obligations and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing.

Notwithstanding anything to the contrary in this Agreement or any other Loan Document, the Article 9 Collateral will not include, this Agreement will not constitute a grant of a security interest in and the security interest granted hereunder will not attach to any Excluded Asset.

(2) Each Grantor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any relevant jurisdiction any financing statements (including fixture filings) with respect to the Article 9 Collateral (including all Article 9 Collateral consisting of Pledged Collateral) or any part thereof and amendments thereto that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment, including:

(a) whether such Grantor is an organization, the type of organization and any organizational identification number issued to such Grantor;

(b) in the case of a financing statement filed as a fixture filing, a sufficient description of the property to which such Article 9 Collateral relates; and

(c) a description of collateral that describes such property in any other manner as the Collateral Agent may reasonably determine is necessary to ensure the perfection of the security interest in the Article 9 Collateral granted under this Agreement, including describing such property as “all assets”, whether now owned or hereafter acquired, or words of similar effect.

Each Grantor agrees to provide such information to the Collateral Agent promptly upon request.

(3) The Collateral Agent is further authorized to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office) such documents as may be reasonably necessary for the purpose of perfecting, continuing, enforcing or protecting the Security Interest granted by each Grantor, without the
signature of any Grantor, and naming any Grantor or the Grantors as debtors and the Collateral Agent as secured party.

(4) Notwithstanding anything to the contrary in this Agreement or any other Loan Document (but subject to Section 5.10(5)(c) of the Credit Agreement), no Grantor shall be required to take any action under the laws of any jurisdiction other than the United States (or any political subdivision thereof) and its territories and possessions for the purpose of perfecting the Security Interest in any Article 9 Collateral of such Grantor.

(5) The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

(6) Notwithstanding anything to the contrary in any Loan Document, no Grantor will be required:

(a) subject to clause (b) below, to take, or cause to be taken, any actions to perfect the Security Interest by any means other than (to the extent reasonably applicable):

   (i) filings pursuant to the Uniform Commercial Code in the office of the Secretary of State (or equivalent filing office) of the relevant State(s) of the respective jurisdictions of organization of each Grantor;

   (iii) delivery of Collateral consisting of instruments, notes and debt securities in a principal amount in excess of $5.0 million; provided that such delivery shall not be required with respect to:

       (A) instruments, notes and debt securities that are promptly deposited into an investment or securities account;

       (B) checks received in the ordinary course of business; and

       (C) notes and debt securities issued in connection with the extension of trade credit by a Grantor in each case with a duration of not more than 364 days;

   (iv) delivery of Collateral consisting of certificated Equity Interests included in the Collateral; and

   (v) entering into or causing to be entered into any Control Agreements or similar arrangements with respect to any Deposit Accounts (except with respect to the Blocked Accounts and the Asset Sale Proceeds Account), Securities Accounts, Commodities Accounts or other Collateral that requires perfection by Control; or
(b) except as set forth in Section 5.10(5)(c) of the Credit Agreement, to take any actions outside the United States to create or perfect any security interests in any Collateral (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any foreign jurisdiction except as contemplated by Section 5.10(5)(c) of the Credit Agreement).

Section 4.02. Representations and Warranties. Each Grantor represents and warrants (but solely with respect to any Borrowing made after the date hereof pursuant to Section 2.21 of the Credit Agreement, to the extent required by Section 2.21(6) of the Credit Agreement) to the Collateral Agent and the Secured Parties that:

(1) Each Grantor has good and valid rights in and title to the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person other than any consent or approval that has been obtained and is in full force and effect or has otherwise been disclosed herein or in the Credit Agreement.

(2) The Uniform Commercial Code financing statements containing a description of the Article 9 Collateral that have been prepared by the Collateral Agent for filing in the office specified in Schedule III constitute all the filings, recordings and registrations (except as set forth in the following clause (3)) that are, as of the Fourth Amendment Effective Date, necessary to publish notice of and protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing.

(3) Each Grantor represents and warrants that a fully executed Intellectual Property Security Agreement containing a description of all Article 9 Collateral existing on the Fourth Amendment Effective Date and consisting of Intellectual Property owned by such Grantor with respect to United States Patents (and Patents for which United States applications are pending), United States registered Trademarks (and Trademarks for which United States registration applications are pending) was delivered on the Original Closing Date or the Fourth Amendment Effective Date, as applicable, to the Collateral Agent for recording with the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable.

(4) The Security Interest constitutes (a) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations; (b) subject to the filings described in Section 4.02(2), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform
Commercial Code or other applicable law in such jurisdictions; and (c) a security interest that shall be perfected in all Article 9 Collateral in which a security interest may be perfected upon the receipt and recording of an Intellectual Property Security Agreement with the United States Patent and Trademark Office and the United States Copyright Office, as applicable. The Security Interest has and shall have the Required Collateral Lien Priority on any of the Article 9 Collateral subject to Permitted Liens.

(5) The Article 9 Collateral is owned by the Grantors free and clear of any Lien, other than Permitted Liens. None of the Grantors has filed or consented to the filing after the Fourth Amendment Effective Date of (a) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral; (b) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office; or (c) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.

(6) None of the Grantors holds any Commercial Tort Claim individually in excess of $5.0 million as of the Fourth Amendment Effective Date except as indicated on Schedule IV.

(7) The names of the obligors, amounts owing, due dates and other information with respect to each Grantor’s Accounts and Chattel Paper that are Collateral are and will be correctly stated, at the time furnished, in all records of such Grantor relating thereto and in all invoices furnished to the Agent by such Grantor from time to time.

(8) As to itself and its Article 9 Collateral consisting of Intellectual Property (the “Intellectual Property Collateral”), to each Grantor’s knowledge, as of the Fourth Amendment Effective Date:

(a) The Intellectual Property Collateral set forth on Schedule II includes all of the material Patents, registered Trademarks and registered Copyrights owned by such Grantor as of the date hereof (including all such registered with the United States Patent and Trademark Office or United States Copyright Office);

(b) The Intellectual Property Collateral owned by such Grantors has not been adjudged invalid or unenforceable in whole or part (except for office actions issued in the ordinary course by the United States Patent and Trademark Office or any similar office in any foreign jurisdiction), and is valid and enforceable, except as would not reasonably be expected to have a Material Adverse Effect. Such Grantor is not aware of any uses of any item of Intellectual Property Collateral that would be expected to lead to such item becoming invalid or unenforceable, except as would not reasonably be expected to have a Material Adverse Effect;
Such Grantor has made or performed in the ordinary course of Grantor’s business, acts, including filings, recordings and payment of all required fees and taxes, required to maintain and protect its interest in each and every item of Intellectual Property Collateral owned by such Grantor in full force and effect in the United States, and such Grantor has used proper statutory notice in connection with its use of each Patent, Trademark and Copyright owned by such Grantor in the Intellectual Property Collateral, in each case, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect;

With respect to each IP Agreement, the absence, termination or violation of which would reasonably be expected to have a Material Adverse Effect: (A) such Grantor has not received any notice of termination or cancellation under such IP Agreement; (B) such Grantor has not received any notice of a breach or default under such IP Agreement, which breach or default has not been cured or waived; and (C) neither such Grantor nor any other party to such IP Agreement is in breach or default thereof in any material respect, and no event has occurred that, with notice or lapse of time or both, would constitute such a breach or default or permit termination, modification or acceleration under such IP Agreement.

Except as would not reasonably be expected to have a Material Adverse Effect, no Grantor or Intellectual Property Collateral owned by such Grantor is subject to any outstanding consent, settlement, decree, order, injunction, judgment or ruling restricting the use of any Intellectual Property Collateral owned by such Grantor or that would impair the validity or enforceability of such Intellectual Property Collateral owned by such Grantor.

Section 4.03. Covenants.

Each Grantor agrees to comply with Section 5.10(3) of the Credit Agreement.

Subject to the rights of such Grantor under the Loan Documents to dispose of Collateral and except as would otherwise be permitted by the Credit Agreement, each Grantor will, at its own expense, use commercially reasonable efforts to defend title to the Article 9 Collateral against all Persons and to defend the Security Interest of the Collateral Agent, for the benefit of the Secured Parties, in the Article 9 Collateral and the Required Collateral Lien Priority thereof against any Lien that is not a Permitted Lien.

Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith.
If any amount payable under or in connection with any of the Article 9 Collateral that is in excess of $5.0 million is or becomes evidenced by any promissory note or other instrument, such note or instrument subject to the Intercreditor Agreement will be promptly pledged and delivered to the Collateral Agent, for the benefit of the Secured Parties, duly endorsed in a manner reasonably satisfactory to the Collateral Agent.

After the occurrence of an Event of Default and during the continuance thereof, the Collateral Agent will have the right to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Article 9 Collateral, including, in the case of Accounts or Article 9 Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Article 9 Collateral for the purpose of making such a verification. The Collateral Agent shall have the right to share any information it gains from such inspection or verification with any Secured Party.

None of the Grantors will, without the Collateral Agent’s prior written consent (such consent not to be unreasonably withheld, delayed or conditioned), grant any extension of the time of payment of any Accounts included in the Article 9 Collateral, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any Person liable for the payment thereof or allow any credit or discount whatsoever thereon, in each case, other than extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business and consistent with prudent business practices or as otherwise permitted under the Credit Agreement.

At its option after the occurrence of an Event of Default and during the continuance thereof, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not a Permitted Lien, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement or this Agreement, and each Grantor jointly and severally agrees to reimburse the Collateral Agent on demand for any reasonable payment made or any reasonable expense incurred by the Collateral Agent pursuant to the foregoing authorization; provided, however, that nothing in this Section 4.03(7) will excuse any Grantor from the performance of, or impose any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

Each Grantor (rather than the Collateral Agent or any Secured Party) will remain liable for the observance and performance of all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral.

Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent for such purpose) as such Grantor’s true and lawful agent (and attorney-in-fact) for the purpose, during the
continuance of an Event of Default, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto.

In the event that any Grantor at any time or times fails to obtain or maintain any of the policies of insurance required hereby or under the Credit Agreement or to pay any premium in whole or part relating thereto, the Collateral Agent may, after the occurrence and during the continuance of an Event of Default, without waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Collateral Agent reasonably deems advisable. All sums disbursed by the Collateral Agent in connection with this Section 4.03(10), including reasonable attorneys’ fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to the Collateral Agent and shall be additional Secured Obligations secured hereby.

Section 4.03(10) Other Actions. In order to further ensure the attachment and perfection of, and the ability of the Collateral Agent to enforce, for the benefit of the Secured Parties, the Collateral Agent’s security interest in the Article 9 Collateral, each Grantor agrees, in each case at such Grantor’s own expense, to take the following actions with respect to the following Article 9 Collateral:

(1) **Instruments and Tangible Chattel Paper.** If any Grantor at any time holds or acquires any Instruments (other than checks received and processed in the ordinary course of business) or Tangible Chattel Paper evidencing an amount in excess of $5.0 million, such Grantor will forthwith endorse, assign and deliver the same to the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement), accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(2) **Investment Property.** Except to the extent otherwise provided in Article III, if any Grantor at any time holds or acquires any Certificated Security constituting Pledged Collateral or Article 9 Collateral, such Grantor will forthwith endorse, assign and deliver the same to the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement), accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably specify. If any security of a domestic issuer now owned or hereafter acquired by any Grantor is uncertificated and is issued to such Grantor or its nominee directly by the issuer thereof, such Grantor shall promptly notify the Collateral Agent of such uncertificated securities and upon the occurrence and during the continuance of an Event of Default, such Grantor shall pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (a) cause the issuer to agree to comply with instructions from the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement) as to such security, without further consent of any Grantor or such nominee or (b) cause
the issuer to register the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement) as the registered owner of such security.

(3) **Commercial Tort Claims.** If any Grantor shall at any time hold or acquire a Commercial Tort Claim with an asserted or nominal value in excess of $5.0 million, such Grantor shall promptly notify the Collateral Agent thereof in a writing signed by such Grantor, including a summary description of such claim, and grant to the Collateral Agent in writing a security interest therein and in the proceeds thereof, all under the terms and provisions of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

Section 4.05. **Covenants Regarding Patent, Trademark and Copyright Collateral.** Except as permitted by the Credit Agreement:

(1) Each Grantor agrees that it will not knowingly do any act or omit to do any act (and will exercise commercially reasonable efforts to contractually prohibit its licensees from doing any act or omitting to do any act) whereby any material Patent owned by such Grantor that is necessary to the normal conduct of such Grantor’s business may become prematurely invalidated, abandoned, lapsed or dedicated to the public, and agrees that it will take commercially reasonable steps with respect to any material products covered by any such Patent as necessary to establish and preserve its rights under applicable patent laws.

(2) Each Grantor will, and will use its commercially reasonable efforts to contractually require its licensees and its sublicensees to, for each material Trademark owned by such Grantor and necessary to the normal conduct of such Grantor’s business:

   (a) maintain such Trademark in full force free from any adjudication of abandonment or invalidity for non-use;

   (b) maintain the quality of products and services offered under such Trademark;

   (c) display such Trademark with notice of federal or foreign registration or claim of trademark or service mark as required under applicable law; and

   (d) not knowingly use or knowingly permit its licensees’ use of such Trademark in violation of any third-party rights.

(3) Each Grantor will, and will use its commercially reasonable efforts to cause its licensees and its sublicensees to, for each work covered by a material Copyright owned by such Grantor and necessary to the normal conduct of such Grantor’s business and that it publishes, displays and distributes, use a copyright notice as necessary and sufficient to establish and preserve its rights under applicable copyright laws.

(4) Each Grantor shall notify the Collateral Agent promptly if it knows that any material Patent, Trademark or Copyright owned by such Grantor and necessary to the normal
conduct of such Grantor’s business may imminently become abandoned, lapsed or dedicated to the public, or of any materially adverse determination or development, regarding such Grantor’s ownership of any such material Patent, Trademark or Copyright or its right to register or to maintain the same.

(5) Each Grantor, either itself or through any agent, employee, licensee or designee, will, upon the reasonable request of the Collateral Agent, execute and deliver any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent’s security interest in each Patent, Trademark, or Copyright listed in each updated Perfection Certificate (or in any applicable specified information contained in the Perfection Certificate) furnished pursuant to Section 5.04(9) of the Credit Agreement.

(6) Each Grantor will exercise its reasonable business judgment consistent with the practice in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office with respect to maintaining and pursuing each application owned by such Grantor relating to any material Patent, Trademark and/or Copyright (and obtaining the relevant grant or registration) necessary to the normal conduct of such Grantor’s business and to maintain (a) each such Patent and (b) the registrations of each such Trademark and each such Copyright, including, when applicable and necessary in such Grantor’s reasonable business judgment, timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if any Grantor believes necessary in its reasonable business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(7) In the event that any Grantor knows or has reason to know that any Article 9 Collateral consisting of a material Patent, Trademark or Copyright necessary to the normal conduct of its business has been materially infringed, misappropriated or diluted by a third party, such Grantor will promptly notify the Collateral Agent and will, if such Grantor deems it necessary in its reasonable business judgment, promptly take actions as are reasonably appropriate under the circumstances.

Section 4.06. Intercreditor Relations. Notwithstanding anything herein to the contrary, (1) the Guarantors, the Grantors and the Collateral Agent acknowledge that the exercise of certain of the Collateral Agent’s rights and remedies hereunder are subject to the provisions of the ABL/Term Loan/Notes Intercreditor Agreement, any ABL Junior Lien Intercreditor Agreement and the PropCo Subordination Agreements and (2) prior to the Discharge of Term Loan Claims, any obligation hereunder to physically deliver any Term Loan Priority Collateral to the Collateral Agent shall be deemed satisfied by the delivery to the Term Loan Collateral Agent, acting as gratuitous bailee for the Collateral Agent in accordance with the ABL/Term Loan/Notes Intercreditor Agreement. The failure of the Collateral Agent or any other Secured Party to immediately enforce any of its rights and remedies hereunder (as a result of the terms of the Intercreditor Agreement or otherwise) shall not constitute a waiver of any such rights and remedies. In the event of any conflict or inconsistency between the terms of the ABL/Term Loan/Notes Intercreditor Agreement and this Agreement regarding the relative priorities of the Collateral Agent, the Term Loan Collateral Agent, the New Second Lien Notes Collateral Agent
and the New Third Lien Notes Collateral Agent in the Collateral, the terms of the ABL/Term Loan/Notes Intercreditor Agreement shall govern and control.

In the event of any conflict or inconsistency between the terms of the PropCo Subordination Agreements, on the one hand, and this Agreement on the other, regarding the relative priorities of the Collateral Agent, the Initial Second Lien Representative and the Initial Third Lien Representative with respect to payment upon the guarantee of any PropCo Guarantor, the terms of the PropCo Subordination Agreements shall govern and control. Terms used but not defined in this Section 4.06 shall be as defined in the applicable Intercreditor Agreement.

ARTICLE V

REMEDIES

Section 5.01. Remedies Upon Default. Upon the occurrence and during the continuance of an Event of Default, each Grantor agrees to deliver each item of Collateral to the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreement) on demand, and it is agreed that the Collateral Agent shall have the right, subject to applicable law, to take any of or all the following actions at the same or different times: (1) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Grantors to the Collateral Agent or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or a non-exclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers thereunder cannot be obtained with the use of commercially reasonable efforts, which each Grantor hereby agrees to use) and (2) to take possession of the Article 9 Collateral and without liability for trespass to the applicable Grantor to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of, removing or selling the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the applicable Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing rights and remedies, each Grantor agrees that the Collateral Agent shall have the right, subject to the mandatory requirements of applicable law (including the Uniform Commercial Code), to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker’s board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized in connection with any sale of a security (if it deems it advisable to do so) pursuant to the foregoing to restrict the prospective bidders or purchasers to Persons who represent and agree that they are purchasing such security for their own account, for investment, and not with a view to the distribution or sale thereof. Upon consummation of any such sale of Collateral pursuant to this Section 5.01, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives and releases (to the extent permitted by law) all rights of redemption, stay, valuation and appraisal that such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.
The Collateral Agent shall give the applicable Grantors ten Business Days’ written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the UCC or its equivalent in other jurisdictions) of the Collateral Agent’s intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker’s board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. The Collateral, or the portion thereof, to be sold at any such sale may be sold in one lot as an entirety or in separate parcels, in the Collateral Agent’s own right or by one or more agents and contractors, upon any premises owned, leased, or occupied by any Grantor and the Collateral Agent and any such agent or contractor, in conjunction with any such sale, may augment the Inventory to be sold with other goods (all of which other goods shall remain the sole property of the Collateral Agent or such agent or contractor), all as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In the case of any sale of all or any part of the Collateral made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in the event that any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in the case of any such failure, such Collateral may be sold again upon notice given in accordance with provisions above. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section 5.01, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all such rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property in accordance with Section 5.02 hereof without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the UCC or its equivalent in other jurisdictions.
Without limiting any other rights of the Collateral Agent granted pursuant to this Agreement, each Grantor hereby grants to the Collateral Agent, and the representatives and independent contractors of the Collateral Agent, a royalty free, non-exclusive, irrevocable license (such license to be effective upon the occurrence and during the continuance of any Event of Default), to use, apply, and affix any Trademark, trade name, logo, or the like in which any Grantor now or hereafter has rights, solely in connection with the Collateral Agent’s enforcement of rights or remedies hereunder, including in connection with any sale or other disposition of Inventory. As to each Grantor, the license granted hereby shall remain in full force and effect until such Grantor hereunder is released hereunder in accordance with Section 7.15 of this Agreement.

Section 5.02. Application of Proceeds.

(1) Subject to the terms of the Intercreditor Agreement, the Collateral Agent will promptly apply the proceeds, moneys or balances of any collection or sale of Collateral, as well as any Collateral consisting of cash, in the manner specified in the Credit Agreement.

(2) The Collateral Agent will have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Collateral Agent or of the officer making the sale will be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers will not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

(3) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, the Collateral Agent will not be required to marshal the Collateral or any guarantee of the Secured Obligations or to resort to the Collateral or any such Guarantee in any particular order.

Section 5.03. Securities Act, Etc. In view of the position of the Grantors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar federal statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the “Federal Securities Laws”) with respect to any disposition of the Pledged Collateral permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Collateral Agent if the Collateral Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Collateral Agent in any attempt to dispose of all or part of the Pledged Collateral under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, the Collateral Agent, in its sole and absolute discretion, may (1)
proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws or, to the extent applicable, Blue Sky or other state securities laws and (2) approach and negotiate with a single potential purchaser to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Collateral Agent will incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section 5.03 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Collateral Agent sells.

ARTICLE VI

INDEMNITY, SUBROGATION AND SUBORDINATION

Section 6.01. Indemnity. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 6.03 hereof), the Borrower agrees that (a) in the event a payment is made by any Guarantor under this Agreement in respect of any Secured Obligation of the Borrower, the Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment and (b) in the event any assets of any Guarantor are sold pursuant to this Agreement or any other Security Document to satisfy in whole or in part a Secured Obligation of the Borrower, the Borrower will indemnify such Guarantor in an amount equal to the greater of the book value or fair market value of the assets so sold.

Section 6.02. Contribution and Subrogation. Subject to Section 2.07, each Guarantor (a “Contributing Guarantor”) agrees (subject to Section 6.03 hereof) that, in the event a payment shall be made by any other Guarantor hereunder in respect of any Secured Obligation or assets of any other Guarantor shall be sold pursuant to any Security Document to satisfy any Secured Obligation owed to any Secured Party and such other Guarantor (the “Claiming Guarantor”) shall not have been fully indemnified by the Borrower as provided in Section 6.01 hereof, the Contributing Guarantor shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment or the greater of the book value or the fair market value of such assets (the “Indemnified Amount”), as applicable, in each case multiplied by a fraction of which the numerator will be the net worth of such Contributing Guarantor on the date hereof and the denominator shall be the aggregate net worth of all the Guarantors on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 7.16 hereof, the date of the supplement hereto executed and delivered by such Guarantor). Any Contributing Guarantor making any payment to a Claiming Guarantor pursuant to this Section 6.02 shall be subrogated to the rights of such Claiming Guarantor under Section 6.01 hereof to the extent of such payment. Notwithstanding the foregoing, to the extent that any Claiming Guarantor’s right to
Section 6.03.  **Subordination.**

(1) Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 6.01 and 6.02 hereof and all other rights of indemnity, contribution or subrogation of the Guarantors under applicable law or otherwise will be fully subordinated to the payment in full in cash or immediately available funds of the Secured Obligations (other than Secured Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted) until such time as this Agreement has been terminated in accordance with Section 7.15(1). No failure on the part of the Borrower or any Guarantor to make the payments required by Sections 6.01 and 6.02 hereof (or any other payments required under applicable law or otherwise) will in any respect limit the obligations and liabilities of the Borrower with respect to the Secured Obligations or any Guarantor with respect to its obligations hereunder, and the Borrower shall remain liable for the full amount of the Secured Obligations and each Guarantor shall remain liable for the full amount of its obligations hereunder.

(2) The Borrower and each Guarantor hereby agree that all Indebtedness and other monetary obligations owed by it to the Borrower, any other Guarantor or any Subsidiary will be fully subordinated to the payment in full in cash or immediately available funds of the Secured Obligations (other than Secured Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations that are not yet due and payable and for which no claim has been asserted).

(3) The guaranty obligations of Notes PropCo, if any, evidenced hereby are subordinate, in the manner and to the extent set forth in the Notes PropCo Subordination Agreement, if applicable, to the Senior Priority Guarantee Obligations (as defined in the Notes PropCo Subordination Agreement); and each holder of this instrument, by its acceptance hereof, irrevocably agrees to be bound by the provisions of the Notes PropCo Subordination Agreement, if applicable.

(4) The guaranty obligations of 2019 Extended Term Loan PropCo, evidenced hereby are subordinate, in the manner and to the extent set forth in the 2019 Extended Term Loan PropCo Subordination Agreement, if applicable, to the Senior Priority Guarantee Obligations (as defined in the 2019 Extended Term Loan PropCo Subordination Agreement); and each holder of this instrument, by its acceptance hereof, irrevocably agrees to be bound by the provisions of the 2019 Extended Term Loan PropCo Subordination Agreement, if applicable.
ARTICLE VII

MISCELLANEOUS

Section 7.01. Notices. All communications and notices hereunder shall (except as otherwise permitted herein) be in writing and given as provided in Section 10.01 of the Credit Agreement. All communications and notices hereunder to any Grantor will be given to it in care of the Borrower, with such notice to be given as provided in Section 10.01 of the Credit Agreement.

Section 7.02. Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest in the Article 9 Collateral, the security interest in the Pledged Collateral and all obligations of each Grantor hereunder will be absolute and unconditional irrespective of:

1. any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing;
2. any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument;
3. any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations; or
4. subject only to termination or release of a Guarantor’s obligations hereunder in accordance with the terms of Section 7.15 hereof any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement (other than a defense of payment or performance).

Section 7.03. Limitation By Law. All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 7.04. Binding Effect; Several Agreement. This Agreement will become effective as to any party to this Agreement when a counterpart hereof executed on behalf of such party is delivered to the Collateral Agent and a counterpart hereof is executed on behalf of the Collateral Agent, and thereafter will be binding upon such party and the Collateral Agent and their respective permitted successors and assigns, and will inure to the benefit of such party, the Collateral Agent and the other Secured Parties and their respective permitted successors and
assigns, except that no party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement, the Credit Agreement. This Agreement will be construed as a separate agreement with respect to each Loan Party and may be amended, modified, supplemented, waived or released with respect to any Loan Party without the approval of any other Loan Party and without affecting the obligations of any other Loan Party hereunder.

Section 7.05. **Successors and Assigns.** Whenever in this Agreement any of the parties hereto is referred to, such reference will be deemed to include the permitted successors and assigns of such party, and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns; provided that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent. The Collateral Agent hereunder will at all times be the same Person that is the Collateral Agent under the Credit Agreement. Written notice of resignation by the Administrative Agent pursuant to the Credit Agreement will also constitute notice of resignation as the Collateral Agent under this Agreement. Upon the acceptance of any appointment as the Administrative Agent under the Credit Agreement by a successor Administrative Agent, that successor Administrative Agent will thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent pursuant hereto.

Section 7.06. **Collateral Agent’s Fees and Expenses; Indemnification.** The parties hereto agree that the Collateral Agent will be entitled to reimbursement of its expenses incurred hereunder as provided in Section 10.05 of the Credit Agreement and the provisions of Section 10.05 shall be incorporated by reference herein and apply to each Grantor mutatis mutandis.

Section 7.07. **Collateral Agent Appointed Attorney-in-Fact.** Each Grantor hereby appoints the Collateral Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. The Collateral Agent will have the right, upon the occurrence and during the continuance of an Event of Default, with full power of substitution either in the Collateral Agent’s name or in the name of such Grantor, to:

1. receive, endorse, assign or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof;
2. demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral;
3. ask for, demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due under and by virtue of any Collateral;
4. sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral;

39
(5) send verifications of Accounts to any Account Debtor;

(6) commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral;

(7) settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral;

(8) notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent; and

(9) use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes;

provided that nothing herein contained will be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties will be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

Section 7.08. APPLICABLE LAW. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (EXCEPT FOR CONFLICTS OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION).

Section 7.09. Waivers; Amendment.

(1) No failure or delay by the Collateral Agent or any Lender in exercising any right, power or remedy hereunder or under any other Loan Document will operate as a waiver thereof, nor will any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights, powers or remedies that they would otherwise have. No waiver of any
provision of this Agreement or consent to any departure by any Loan Party therefrom will in any event be effective unless the same is permitted by paragraph (2) of this Section 7.09, and then such waiver or consent will be effective only in the specific instance and for the purpose for which given.

(2) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Loan Party or Loan Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 10.08 of the Credit Agreement.

Section 7.10. **WAIVER OF JURY TRIAL.** The provisions of Section 10.11 of the Credit Agreement shall be incorporated by reference herein and apply to each party hereto.

Section 7.11. **Severability.** In the event any one or more of the provisions contained in this Agreement is held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein will not in any way be affected or impaired thereby.

Section 7.12. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which will constitute an original but all of which when taken together will constitute but one contract, and will become effective as provided in Section 7.04 hereof. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission will be as effective as delivery of a manually signed original.

Section 7.13. **Headings.** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 7.14. **Jurisdiction; Consent to Service of Process.** The provisions of Section 10.15 of the Credit Agreement shall be incorporated by reference herein and apply to each party hereto.

Section 7.15. **Termination or Release.**

(1) This Agreement, the guarantees made herein, the pledges made herein, the Security Interest and all other security interests granted hereby shall terminate when all the Secured Obligations (other than Secured Obligations in respect of Specified Hedge Agreements, Cash Management Obligations and contingent indemnification and reimbursement obligations, in each case, that are not yet due and payable and for which no claim has been asserted) have been paid in full in cash or immediately available funds and the Lenders have no further commitment to lend under the Credit Agreement, the Revolving L/C Exposure has been reduced to zero and each Issuing Bank has no further obligations to issue Letters of Credit under the Credit Agreement.
A Grantor or a Guarantor that is a Subsidiary shall automatically be released from its obligations hereunder and the security interests in the Collateral of such Grantor or Guarantor shall be automatically released upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Grantor or Guarantor ceases to be a Subsidiary Loan Party or otherwise ceases to be a Guarantor (subject to the limitations on releases of Co-Borrowers set forth in Section 5.13(b) of the Credit Agreement); provided that such portion of the Lenders as are required by the terms of the Credit Agreement to consent to such transaction shall have consented thereto; provided, further, to the extent the Term Loan Security Documents, Second Lien Notes Collateral Documents (as defined in the Junior Lien Intercreditor Agreement) or the Third Lien Notes Collateral Documents (as defined in the Junior Lien Intercreditor Agreement) are in effect on such date, such Grantor or Guarantor (and the security interests in the Collateral in respect thereof) shall be released under such Term Loan Security Documents, Second Lien Notes Collateral Documents and Third Lien Notes Collateral Documents, as applicable, concurrently with the release referred to in this clause (2).

Upon any sale or other transfer by any Grantor of any Collateral that is permitted under the Credit Agreement to any Person that is not a Grantor, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 10.08 of the Credit Agreement or pursuant to Section 5.1 of the ABL/Term Loan/Notes Intercreditor Agreement, the security interest in such Collateral shall be automatically released; provided to the extent the TermLoan Security Documents, Second Lien Notes Collateral Documents or the Third Lien Notes Collateral Documents are in effect on such date, such Grantor (and the security interests in the Collateral in respect thereof) is released under such Term Loan Security Documents, Second Lien Notes Collateral Documents and the Third Lien Notes Collateral Documents, as applicable, concurrently with the release referred to in this clause (3).

In connection with any termination or release pursuant to paragraph (1), (2) or (3) of this Section 7.15, the Collateral Agent shall execute and deliver to any Grantor or Guarantor, at such Grantor’s or Guarantor’s expense, all documents that such Grantor or Guarantor reasonably requests to evidence such termination or release (including UCC termination statements) and will duly assign and transfer to such Grantor or Guarantor such of the Pledged Collateral that may be in the possession of the Collateral Agent (or a designated bailee, in accordance with the ABL/Term Loan Intercreditor Agreement) and has not theretofore been sold or otherwise applied or released pursuant to this Agreement; provided that the Collateral Agent will not be required to take any action under this Section 7.15(4) unless such Grantor or Guarantor shall have delivered to the Collateral Agent together with such request, which may be incorporated into such request: (a) a reasonably detailed description of the Collateral, which in any event is sufficient to effect the appropriate termination or release without affecting any other Collateral and (b) a certificate of a Responsible Officer of the Borrower or such Grantor or Guarantor certifying that the transaction giving rise to such termination or release is permitted by the Credit Agreement and was or is consummated in compliance with the Loan Agreement.
Documents. Any execution and delivery of documents pursuant to this Section 7.15 shall be without recourse to or warranty by the Collateral Agent.

Section 7.16. Additional Subsidiaries. Upon execution and delivery by the Collateral Agent and any Subsidiary that is required to become a party hereto by Section 5.10 of the Credit Agreement of a supplement in substantially the form of Exhibit I hereto, such Subsidiary will become a Grantor and/or a Guarantor hereunder with the same force and effect as if originally named as a Grantor and/or a Guarantor herein. The execution and delivery of any such supplement will not require the consent of any other party to this Agreement. The rights and obligations of each party to this Agreement will remain in full force and effect notwithstanding the addition of any new party to this Agreement.

Section 7.17. Effect of Amendment and Restatement. This Agreement is intended to and does completely amend and restate, without novation, that certain Term Loan Guarantee and Collateral Agreement, dated October 25, 2013, by the Grantors party thereto in favor of the Collateral Agent (as amended or supplemented prior to the date hereof, the “Original Guarantee and Collateral Agreement”). Notwithstanding the modifications effected by this Agreement of the representations, warranties and covenants of the Grantors and Guarantors contained in the Original Guarantee and Collateral Agreement, the Grantors and Guarantors acknowledge and agree that any causes of action or other rights created in favor of the Collateral Agent and its successors arising out of the representations, warranties and covenants of the Grantors and/or Guarantors party thereto contained in or delivered in connection with the Original Guarantee and Collateral Pledge Agreement shall survive the execution and delivery of this Agreement. All indemnification obligations of the Grantors and Guarantors pursuant to the Original Guarantee and Collateral Agreement (including any arising from a breach of the representations thereunder) shall survive the amendment and restatement of the Original Guarantee and Collateral Agreement pursuant to this Agreement.

Notwithstanding anything herein or in any other Loan Document to the contrary, the parties hereto expressly acknowledge that it is not their intention that the Fourth Amendment to the Credit Agreement, this Agreement or any of the other Loan Documents executed or delivered pursuant to the Fourth Amendment to the Credit Agreement constitute a novation of any of the obligations, covenants or agreements contained in the Original Guarantee and Collateral Agreement or any other Loan Document, but rather constitute a modification thereof or supplement thereto pursuant to the terms contained therein and herein. The Original Guarantee and Collateral Agreement and the other Loan Documents, in each case as amended, modified or supplemented hereby and by the Fourth Amendment to the Credit Agreement, shall be deemed to be continuing agreements among the parties thereto, and all documents, instruments, and agreements delivered, as well as all Liens created, pursuant to or in connection with the Original Guarantee and Collateral Agreement and the other Loan Documents shall remain in full force and effect, each in accordance with its terms (as amended, modified or supplemented by the Fourth Amendment to the Credit Agreement and this Agreement).

COMMERICAL TORT CLAIMS

(1) Reference is made to the class action settlement involving Visa and Mastercard, who separately and together with certain banks, engaged with certain actions that resulted in merchants paying excessive interchange fees when accepting Visa and Mastercard credit and debit cards in connection with store and online purchases. Under the settlement, Visa, Mastercard and other bank defendants have agreed to provide approximately $6.24 billion in class settlement funds. The net class settlement fund will be used to pay valid claims of merchants that accepted Visa and Mastercard credit or debit cards between January 1, 2004 through January 25, 2019.

The Court has given preliminary approval to this settlement. A Court hearing is set for November 7, 2019 for the Court to officially approve of the settlement.

Merchants have until July 23, 2019 to decide if they will stay in the settlement and wait to file a claim, object to the settlement and file a notice to appear with the Court, or to opt out and make a separate claim.

The Company is in the process of evaluating the potential recovery on its portion of the claims and believes there is a reasonable chance such recovery will exceed $2.5 million.

**SECTION 1.3. **

**Rules of Construction.** Unless the context otherwise requires:

(a) a term has the meaning assigned to it;

(b) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;

(c) “or” is not exclusive;
(d) “including” means including without limitation;

(e) words in the singular include the plural and words in the plural include the singular;

(f) the word “will” has the same meaning as “shall” and denotes a mandatory requirement;

(g) references to sections of, or rules under, the Securities Act or Exchange Act will be deemed to include substitute, replacement or successor sections or rules adopted by the SEC from time to time;

(h) unless the context otherwise requires, any reference to an “Article,” “Section” or “clause” refers to an Article, Section or clause, as the case may be, of this Indenture;

(i) unless the context otherwise requires, all references to any “interest” or to any other amount payable on or with respect to the Notes shall be deemed to refer to Cash Interest or PIK Interest as the context may require;

(j) the words “herein,” “hereof” and “hereunder” and any other words of similar import refer to this Indenture as a whole and not any particular Article, Section, clause or other subdivision; and

(k) notwithstanding anything to the contrary in this Indenture, solely for purposes of determining whether any notice, direction, action to be taken or consent to be given under this Indenture is authorized, provided or given (as the case may be) by a sufficient aggregate principal amount of Notes, an owner of a beneficial interest in a Global Note shall be treated as a Holder, and the Trustee shall accept reasonable evidence of such beneficial interest provided by such owner (which may be in the form of “screenshots” of such owner’s position).

ARTICLE II

The Notes

SECTION 2.1. Form and Dating.

(a) The Notes and the Trustee’s certificate of authentication will be substantially in the form of Exhibit A hereto, the terms of which are incorporated in and made a part hereof. The Notes may have notations, legends or endorsements approved as to form by the Issuers, and required by law, stock exchange rule, agreements to which the Issuers are subject or usage. Each Note will be dated the date of its authentication. The Notes will be issuable only in minimum denominations of $2,000.00 and integral multiples of $1.00 in excess thereof. On any Interest Payment Date on which the Issuers pay PIK Interest (a “PIK Payment”), with respect to a Global Note, the Trustee will increase the principal amount of such Global Note by an amount equal to the PIK Interest payable, rounded down to the nearest whole dollar, for the relevant interest period on the
principal amount of such Global Note, to the credit of the Holders on the relevant record date and an adjustment will be made on the register maintained by the Registrar with respect to such Global Note to reflect such increase. On any Interest Payment Date on which the Issuers makes a PIK Payment by issuing Definitive Notes (a “PIK Interest Note”) under this Indenture having the same terms as the Notes, the principal amount of any such PIK Interest Note issued to any Holder, for the relevant interest period as of the relevant record date for such Interest Payment Date, will be rounded down to the nearest whole dollar. In connection with any PIK Payment, the Issuers are entitled, without the consent of the Holders (and without regard to any restrictions or limitations set forth under Sections 3.3 and 3.5), to increase the outstanding principal amount of the Notes or to issue the PIK Interest Notes under this Indenture on the same terms and conditions as the Notes.

(b) Additional Notes may be issued only in compliance with this Indenture, including Sections 3.3 and 3.5 of this Indenture. The Issuers will have the right to designate the maturity date, interest rate and optional redemption provisions applicable to each series of Additional Notes, which may differ from the maturity date, interest rate and optional redemption provisions applicable to the Initial Notes. Additional Notes that differ with respect to maturity date, interest rate or optional redemption provisions from the Initial Notes will constitute a different series of Notes from the Initial Notes. Additional Notes that have the same maturity date, interest rate and optional redemption provisions as the Initial Notes will be treated as the same series as the Initial Notes and any PIK Interest Notes (including any increases in Global Notes reflecting a PIK Payment) unless otherwise designated by the Issuers. Exception as otherwise provided in Section 9.2(a), the Initial Notes, any PIK Interest Notes (including any increases in Global Notes reflecting a PIK Payment) and any Additional Notes issued under this Indenture will vote and consent together on all matters as one class and no series of Notes will have the right to vote or consent as a separate class on any matter. The Issuers will also have, subject to the provisions of Section 9.2(a), the right to vary the application of the provisions of this Indenture to any series of Additional Notes. Unless the context requires otherwise, references to “Notes” for all purposes of this Indenture include the PIK Interest Notes (or any increase in the principal amount of a Global Note) and any Additional Notes that are actually issued and any references to “principal amount” of the Notes include any increase in the principal amount of the outstanding Notes as a result of a PIK Payment.

(c) The Notes will initially be issued in the form of one or more Global Notes and The Depository Trust Company (“DTC”), its nominees and their respective successors, will act as the Depositary with respect thereto. Each Global Note will represent such of the outstanding Notes as will be specified therein and each will provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions and the payment of PIK Interest. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Notes Custodian, at the direction of the Trustee, in accordance with instructions given by
the Holder thereof as required by Section 2.6 or by the Issuers in connection with a PIK Payment. Each Global Note (i) will be registered in the name of the Depositary for such Global Note or the nominee of such Depositary, (ii) will be delivered by the Trustee to such Depositary or held by the Notes Custodian for the Depositary pursuant to such Depositary’s instructions, (iii) will bear a Global Note Legend in substantially the following form:

to notices and payments. Notwithstanding the foregoing, nothing herein will prevent the Issuers, the Trustee or any agent of the Issuers or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note. Notwithstanding anything to the contrary contained herein, any notice to be delivered to DTC (including, but not limited to, a notice of redemption) may be delivered electronically by the Trustee or the Issuers in accordance with Applicable Procedures of DTC.

SECTION 2.2. Form of Execution and Authentication. An Officer will sign the Notes for each of the Issuers by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Trustee. The signature of the Trustee will be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee will authenticate (a) Initial Notes for original issue on the Issue Date in an aggregate principal amount of $550,000,000 and (b) subject to compliance with Section 3.3, one or more series of Additional Notes for original issue after the Issue Date (such Notes to be substantially in the form of Exhibit A) in an unlimited amount, in each case upon written order of each of the Issuers signed by an Officer of each of the Issuers (an “Authentication Order”), which Authentication Order will, in the case of any issuance of Additional Notes, certify that such issuance is in compliance with Section 3.3. In addition, at any time, from time to time, the Trustee shall upon an Authentication Order authenticate and deliver PIK Interest Notes that may be validly issued under this Indenture.

Each such Authentication Order will specify the amount of Notes to be authenticated, the date on which the Notes are to be authenticated, whether the securities are to be Initial Notes or Additional Notes and the aggregate principal amount of Notes outstanding on the date of authentication, and will further specify the amount of such Notes to be issued as Global Notes or Definitive Notes. Such Notes will initially be in the form of one or more Global Notes, which (i) will represent, and will be denominated in an amount equal to the aggregate principal amount of, the Notes to be issued, (ii) will be registered in the name of the Depositary or its nominee and (iii) will be held by the Notes Custodian.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuers to authenticate Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Issuers or any Affiliate of the Issuers. The initial authenticating agent is The Huntington National Bank.
Notwithstanding anything to the contrary herein, no Officer’s Certificate or Opinion of Counsel shall be required to be delivered in connection with a payment of PIK Interest (whether by an issuance of PIK Interest Notes or by an increase in Global Notes reflecting a PIK Payment).

SECTION 2.3. Registrar and Paying Agent. The Issuers will maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (including any co-registrar, the “Registrar”) and (ii) an office or agency in the United States where Notes may be presented for payment (“Paying Agent”). The Registrar will keep a register of the Notes and of their transfer and exchange and, upon written request from the Issuers, the Registrar will provide the Issuers with a copy of such register to enable them to maintain a register of the Notes at their registered offices. The Issuers may appoint one or more co-registrars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent. The Issuers may change any Paying Agent, Registrar or co-registrar without prior notice to any Holder. The Issuers will notify the Trustee in writing and the Trustee will notify the Holders of the name and address of any Agent not a party to this Indenture. The Issuers or any of their Subsidiaries may act as Paying Agent, Registrar or co-registrar. The Issuers will enter into an appropriate agency agreement with any Agent not a party to this Indenture. The agreement will implement the provisions hereof that relate to such Agent. The Issuers will notify the Trustee in writing of the name and address of any such Agent. If the Issuers fail to maintain a Registrar or Paying Agent, or fails to give the foregoing notice, the Trustee will act as such, and will be entitled to appropriate compensation in accordance with Section 7.6.

The Issuers initially appoint the Trustee as Registrar and Paying Agent with respect to the Notes.

The Issuers shall be responsible for making all calculations called for under the Notes, including determination of redemption price, premium, if any, Applicable Premium, if any, interest, determination of the amount of interest that shall be payable as PIK Interest or Cash Interest and any additional amounts or other amounts payable on the Notes. The Issuers will make the calculations in good faith and, absent manifest error, their calculations will be final and binding on the Holders. The Issuers will provide a schedule of such calculations to the Trustee, certified by an Officer of the Issuer, and the Trustee is entitled to rely conclusively on the accuracy of the Issuer’s calculations without independent verification. The Trustee shall forward the Issuers’ calculations to any Holder upon the written request of such Holder.

SECTION 2.4. Paying Agent to Hold Money in Trust. The Issuers will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, and interest on the Notes, and will notify the Trustee in writing of any Default by the Issuers in making any such payment. While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuers at any time may require a Paying Agent to pay all money held by such Paying Agent to the Trustee. Upon payment over to
the Trustee, the Paying Agent (if other than one of the Issuers) will have no further liability for the money delivered to the Trustee. If one of the Issuers acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent.

SECTION 2.5. Lists of Holders. The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and will otherwise comply with TIA § 312(a). If the Trustee is not the Registrar, the Issuers will furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders, including the aggregate principal amount of the Notes held by each thereof, and the Issuers will otherwise comply with TIA § 312(a).

SECTION 2.6. Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. A Global Note may not be transferred except, as a whole, by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. Global Notes will be exchanged by the Issuers for Definitive Notes, subject to any applicable laws, only (i) if the Issuers deliver to the Trustee written notice from the Depositary that the Depositary is unwilling or unable to continue to act as Depositary for the Global Notes or that it is no longer a clearing agency registered under the Exchange Act and, in either case, the Issuers fail to appoint a successor Depositary within 120 days after the date of such notice from the Depositary; (ii) if the Issuers in their sole discretion determine that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and deliver a written notice to such effect to the Trustee; provided that in no event will the Temporary Regulation S Global Note be exchanged by the Issuers for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act; or (iii) upon request of the Trustee or Holders of a majority of the aggregate principal amount of outstanding Notes if there will have occurred and be continuing an Event of Default with respect to the Notes. In any such case, the Issuers will notify the Trustee in writing that, upon surrender by the Participants and Indirect Participants of their interests in the Global Notes, certificated Notes will be issued to each Person that such Participants, Indirect Participants and DTC jointly identify as being the beneficial owner of the related Notes. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Section 2.7 and Section 2.10. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.6 or Section 2.7 or Section 2.10, will be authenticated and delivered in the form of, and will be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.6(a). However, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.6(b) or Section 2.6(c) below.

75
(b) **Transfer and Exchange of Beneficial Interests in the Global Notes.** The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions hereof and the Applicable Procedures. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth in this Indenture to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with the applicable subparagraphs below.

(i) **Transfer of Beneficial Interests in the Same Global Note.** Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however,* that prior to the expiration of the Restricted Period, no transfer of beneficial interests in a Temporary Regulation S Global Note may be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser) unless permitted by applicable law and made in compliance with Section 2.6(b)(ii) and Section 2.6(b)(iii) below. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions will be required to be delivered to the Registrar to effect the transfers described in this Section 2.6(b)(i) unless specifically stated above.

(ii) **All Other Transfers and Exchanges of Beneficial Interests in Global Notes.** In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.6(b)(i) above, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase, or (B) (1) if Definitive Notes are at such time permitted to be issued pursuant to this Indenture, a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note will be registered to effect the transfer or exchange referred to in (1) immediately above; *provided* that in no event will Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Temporary Regulation S Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee will adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.6(i) below.
(iii) **Transfer of Beneficial Interests to Another Restricted Global Note.** A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.6(b)(ii) above and the Registrar receives the following:

(A) if the transferees will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferees will take delivery in the form of a beneficial interest in the Temporary Regulation S Global Note or the Permanent Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

If any such transfer is effected pursuant to subparagraph (A) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer will issue and, upon receipt of an Authentication Order in accordance with Section 2.2, the Trustee will authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (A) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) **Transfer and Exchange of Beneficial Interests for Definitive Notes.**

Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest will instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuers so request or if the Applicable Procedures so require, an Opinion of Counsel of the Holder or the Issuers (except in the case the
Issuers have so requested) in form reasonably acceptable to the Issuers to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(iv) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest will instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee will deliver such Unrestricted Notes to the Persons in whose names such Notes are so registered. Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(iv) will not bear the Private Placement Legend.

(ii) Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes. A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if:

Upon receipt of a request for such an exchange or transfer, the Trustee will cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from an Unrestricted Definitive Note or a Restricted Definitive Note, as the case may be, to a beneficial interest is effected pursuant to Section 2.6(d)(ii)(A) or this Section 2.6(d)(iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuers will issue and, upon receipt of an Authentication Order in accordance with Section 2.2, the Trustee will authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Definitive Notes or Restricted Definitive Notes, as the case may be, so transferred.

(e) **Transfer and Exchange of Definitive Notes for Definitive Notes.** Upon request by a Holder of Definitive Notes and such Holder’s compliance with the provisions of this Section 2.6(e), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder will present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or its attorney, duly authorized in writing.    (2) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who will take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuers so request, an Opinion of Counsel of the Holder or the Issuers (except in the case the Issuers so request) in form reasonably acceptable to the Issuers to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Transfer of Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar will register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(iii) Within a reasonable period after expiration or termination of the Restricted Period, beneficial interests in each Temporary Regulation S Global Note will be exchanged for beneficial interests in a Permanent Regulation S Global Note upon delivery to DTC of the certification of compliance and the transfer of applicable Notes pursuant to the Applicable Procedures. Simultaneously with the authentication of the corresponding Permanent Regulation S Global Note, the Trustee will cancel the corresponding Temporary Regulation S Global Note. The aggregate principal amount of a Temporary Regulation S Global Note and a Permanent Regulation S Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(iv) Notwithstanding anything to the contrary in this Section 2.6, a beneficial interest in the Temporary Regulation S Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) of the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(i) **Cancellation and/or Adjustment of Global Notes.** At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Notes Custodian at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Notes Custodian at the direction of the Trustee to reflect such increase.

(j) **General Provisions Relating to Transfers and Exchanges.**

   (i) To permit registrations of transfers and exchanges, the Issuers will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.2 or at the Registrar’s request.

   (ii) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.2, 2.10, 3.7, 3.9, 5.7, 5.8 and 9.4).

   (iii) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits hereof, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

   (iv) Neither the Registrar nor the Issuers will be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business on a Business Day 15 days before the delivery of a notice of redemption of Notes and ending at the close of business on the day of such delivery, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date.

85
Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers will be affected by notice to the contrary.

The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.2.

All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.6 to effect a registration of transfer or exchange may be submitted by facsimile or electronically.

The Trustee will have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or Indirect Participants) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

None of the Trustee, the Issuers or any Agent will have any responsibility for any actions taken or not taken by the Depositary.

Affiliates of the Issuers, including investment funds affiliated with either of the Sponsors, may acquire, hold and dispose of the Notes and exercise voting, consent and other similar rights with respect to such Notes (subject to the express restrictions contained in this Indenture).

SECTION 2.7. Replacement Notes. If any mutilated Note is surrendered to the Trustee, or the Issuers and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuers will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee’s requirements for replacements of Notes are met. The Holder must supply indemnity or security sufficient in the judgment of the Trustee (with respect to the Trustee) and the Issuers (with respect to the Issuers) to protect the Issuers, the Trustee, any Agent or any authenticating agent from any loss which any of them may suffer if a Note is replaced. The Issuers and the Trustee may charge for their fees and expenses in replacing a Note including amounts to cover any tax, assessment, fee or other governmental charge that may be imposed in relation thereto.

Every replacement Note is an obligation of the Issuers.
SECTION 2.8. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.8 as not outstanding.

For the avoidance of doubt, the aggregate principal amount outstanding under any Note shall include any increase in the outstanding principal amount in Global Notes as the result of payment of PIK Interest.

If a Note is replaced pursuant to Section 2.7, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 3.1, it will cease to be outstanding and interest on it will cease to accrue.

Subject to Section 2.9, a Note does not cease to be outstanding because the Issuers, a Subsidiary of the Issuers or an Affiliate of any of the Issuers holds the Note.

SECTION 2.9. Treasury Notes. In determining whether the Holders of the requisite portion of outstanding Notes have concurred in any request, demand, authorization, direction, notice, waiver or consent (other than in respect of any action pursuant to Section 9.2(a), which requires the consent of each Holder of an affected Note), Notes Beneficially Owned by, or held by or for the account of, the Issuers, any Subsidiary of the Issuers or any Affiliate of any of the Issuers will be disregarded and considered as though not outstanding. For purposes of determining whether the Trustee will be protected in relying on any such request, demand, authorization, direction, notice, waiver or consent, only Notes which a Trust Officer actually knows to be so Beneficially Owned or held will be considered as not outstanding. Upon request of the Trustee, the Issuers will promptly furnish to the Trustee an Officer’s Certificate listing and identifying all Notes, if any, known by the Issuers to be Beneficially Owned or held by or for the account of any of the above-described persons, and the Trustee will be entitled to accept such Officer’s Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

SECTION 2.10. Temporary Notes. Until Definitive Notes are ready for delivery, the Issuers may prepare and the Trustee will upon receipt of an Authentication Order authenticate temporary Notes. Temporary Notes will be substantially in the form of Definitive Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers will prepare and the Trustee, upon receipt of an Authentication Order, will authenticate Definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes will be entitled to the same rights, benefits and privileges as Definitive Notes.

SECTION 2.11. Cancellation. The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee
SECTION 2.12. Payment of Interest; Defaulted Interest.

(a) Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date will be paid to the Person in whose name such Note (or one or more predecessor Notes) is registered at the close of business on the regular Record Date for such interest at the office or agency of the Issuers maintained for such purpose pursuant to Section 2.3.

(b) Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days will forthwith cease to be payable to the Holder on the regular Record Date by virtue of having been such Holder, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called “Defaulted Interest”) will be paid by the Issuers, at their election in each case, as provided in clause (i) or (ii) below:

(i) The Issuers may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which will be fixed in the following manner. The Issuers will notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice unless a shorter period will be acceptable to the Trustee) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Issuers will deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or will make arrangements for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Issuers will fix a record date (the “Special Record Date”) for the payment of such Defaulted Interest, which will be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Issuers will promptly notify the Trustee of such Special Record Date and will, or at the written request and in the name and expense of the Issuers, the Trustee will, cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.1, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest will be paid on the Special Interest Payment Date to the Persons in
whose names the Notes (or their respective predecessor Notes) are registered at the close of business on such Special Record Date and will no longer be payable pursuant to the following clause (ii).

(ii) The Issuers may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuers to the Trustee of the proposed payment pursuant to this clause (ii), such manner of payment will be deemed practicable by the Trustee.

(c) Subject to the foregoing provisions of this Section, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note will carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP and ISIN Numbers. The Issuers in issuing the Notes may use “CUSIP” and/or “ISIN” numbers (if then generally in use). The Trustee will not be responsible for the use of CUSIP or ISIN numbers, and the Trustee makes no representation as to their correctness as printed on any Note or notice to Holders. The Issuers will promptly notify the Trustee in writing of any change in the CUSIP or ISIN numbers. A separate CUSIP or ISIN number will be issued for any Additional Notes, unless (i) the Initial Notes and such Additional Notes have the same maturity date, interest rate and optional redemption provisions and are treated as “fungible” for U.S. federal income tax purposes, (ii) both the Initial Notes and such Additional Notes are issued in the same series (as set forth in Section 2.2) without (or with less than a de minimis amount of) original issue discount for U.S. federal income tax purposes or (iii) another then-recognized identifier is used.

SECTION 2.14. Record Date. The Record Date for purposes of determining the identity of Holders entitled to vote or consent to any action by vote or consent authorized or permitted under this Indenture will be determined as provided for in TIA § 316(c).

ARTICLE III

Covenants

SECTION 3.1. Payment of Notes. The Issuers will promptly pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest will be considered paid on the date due if by 3:00 p.m. (New York City time) on the Business Day prior to such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then coming due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that payment date pursuant to the terms of this Indenture.
Each Note will bear interest at a rate equal to: (1) an annual rate of 8.0% payable in cash (“Cash Interest”), plus (2) an annual rate of 6.0% (the “PIK Interest”) payable by increasing the principal amount of the outstanding Notes represented by one or more book entry Notes or Global Notes or, with respect to Notes represented by individual certificates, if any, by issuing PIK Interest Notes, in each case by rounding down to the nearest $1.00.

PIK Interest will be considered paid on the date due if on such date the Trustee has received (i) an Officer’s Certificate to increase the balance of any Global Note to reflect such PIK Interest or (ii) PIK Interest Notes duly executed by the Issuers together with a written order, pursuant to Section 2.02, of the Issuers signed by an Officer of the Issuers requesting the authentication of such PIK Interest Notes by the Trustee. In connection with the payment of PIK Interest in respect of the Notes, the Issuers will, without the consent of Holders (and without regard to any restrictions or limitations set forth under Section 3.3 and Section 3.5), either increase the outstanding principal amount of the Notes or issue PIK Interest Notes under this Indenture.

The Issuers will pay interest on overdue principal at the rate specified therefor in the Notes.

Notwithstanding anything to the contrary contained in this Indenture, the Issuers may, to the extent they are required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal or interest payments hereunder. Any Issuer, any Subsidiary Guarantor, the Trustee and the Paying Agent or any successor in interest to any of the foregoing (each, a “Payor”) may withhold from any interest payment made on any Note to or for the benefit of any Person who is not a “United States person” (as such term is defined for U.S. federal income tax purposes) U.S. federal withholding tax, and pay such withheld amounts to the Internal Revenue Service, unless such Person provides documentation to such Issuer or other Payor such that an exemption from U.S. federal withholding tax would apply to such payment if interest on such Note were treated entirely as income from sources within the United States for U.S. federal income tax purposes. The Payors will have no obligation to gross-up for any such withholding or deduction.

The Issuers shall notify the Trustee and the Paying Agent in the event that they determine that any payment to be made by the Trustee or the Paying Agent under the Notes is a payment which could be subject to FATCA Withholding if such payment were made to a recipient that is generally unable to receive payments free from FATCA Withholding, and the extent to which the relevant payment is so treated, provided, however, that the Issuer’s obligation under this Section 3.1 shall apply only to the extent that such payments are so treated by virtue of characteristics of the Issuers, the Notes, or both. For purposes of this paragraph, “FATCA Withholding” means any withholding or deduction required pursuant to an agreement described in section 1471(b) of the Code, or otherwise imposed pursuant to sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto. Additionally, the Issuers hereby covenant with the Trustee and Paying Agent that they will provide the Trustee and Paying Agent with
sufficient information so as to enable the Trustee or Paying Agent to determine whether or not the Trustee or Paying Agent is obliged, in respect of any payments to be made by it under this Indenture, to make any FATCA Withholding.

SECTION 3.2. Reports and Other Information.

(a) Whether or not the Issuer is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Issuer will provide to the Holders and the Trustee the following reports:

The information described in clauses (iii) and (iv) above with respect to the MYT Entities need not be provided after the earlier to occur of (x) a MYT Deposit Event and (y) the provision of MYT Alternate Security.

(b) For the avoidance of doubt, notwithstanding the foregoing, (i) the Issuer will not be required to furnish any information, certificates or reports required by (A) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 or 308 of Regulation S-K or (B) Regulation G or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-generally accepted accounting principles financial measures contained therein, (ii) the reports referred to above will not be required to contain the separate financial statements or other information contemplated by Rule 3-05, Rule 3-09, Rule 3-10 or Rule 3-16 of Regulation S-X and (iii) the reports referred to above will not be required to present compensation or beneficial ownership information.

(c) At any time that the Issuer (and any applicable Parent Entity) is not subject to the reporting requirements of Section 13 and 15(d) of the Exchange Act, in lieu of filing such reports with the SEC, the Issuer may make available such information electronically (including by posting to a non-public, password-protected website

maintained by the Issuer or a third party) to any Holder, any bona fide prospective investor the Notes, any bona fide market maker (or person who intends to be a market maker) in the Note or any bona fide securities analyst, in each case, who provides to the Issuer its email address, employer name and other information reasonably requested by the Issuer. Any Person who requests such financial information from the Issuer or seeks to participate in any conference call required by this covenant will be required to represent to and agree with the Issuer (and by accepting such financial information, such Person will be deemed to have represented to and agreed with the Issuer) to the Issuer’s good faith satisfaction that:

(i) it is a Holder, a bona fide prospective investor in the Notes, a bona fide market maker (or intended market maker) with respect to the Notes or a bona fide securities analyst, as applicable;

(ii) if it is a prospective purchaser of the Notes, it is (A) a Qualified Institutional Buyer (as defined in Rule 144A of the Securities Act), (B) a non-U.S. Person (as defined in Regulation S under the Securities Act) or (C) an institutional “accredited investor” as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act;

(vi) it (A) will not use such information in any manner intended to compete with the business of the Issuer and (B) is not a Person (which includes such Person’s Affiliates, other than the Affiliates of a bona fide securities research analyst with whom such research analyst does not share such information) that is principally engaged in or derives a significant portion of its revenues from operating or owning a business which is substantially similar to the business engaged in by the Issuer and its Restricted Subsidiaries on the Issue Date.

(d) The Issuer shall respond, as promptly as practicable, in good faith, to any request for access to the website described above.

(e) To the extent not satisfied by the foregoing, for so long as any Notes are outstanding (unless satisfied and discharged or defeased), the Issuer will furnish to Holders and prospective purchasers of the Notes, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision).
(f) Notwithstanding the foregoing, the financial statements, information, auditors’ reports and other documents required to be provided as described above, may be, rather than those of the Issuer, those of any Parent Entity; provided that, if the financial information so furnished relates to such Parent Entity, the same is accompanied by consolidating information, which may be posted to the website of the Issuer or on a non-public, password-protected website maintained by the Issuer or a third party, which explains in reasonable detail the differences between the information relating to such Parent Entity, on the one hand, and the information relating to the Issuer and its Restricted Subsidiaries on a standalone basis, on the other hand.

(g) Issuer will be deemed to have satisfied the reporting requirements of Section 3.2(a) if (i) at any time that the Issuer or any Parent Entity is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or is a voluntary filer, the Issuer or any Parent Entity has filed such reports containing such information (including the information required pursuant to Section 3.2(e), which, for the avoidance of doubt, need not be filed with the SEC via EDGAR to the extent it is otherwise provided to Holders in accordance with this Section 3.2) with the SEC via the EDGAR (or successor) filing system or (ii) at any time that the Issuer or any Parent Entity does not file such reports with the SEC via the EDGAR (or a successor) filing system, the Issuer or any Parent Entity makes such reports available electronically (including by posting to a non-public, password-protected website as provided above) pursuant to this Section 3.2. Notwithstanding the foregoing, the Trustee shall have no obligation to monitor or confirm, on a continuing basis or otherwise, whether the Issuer or any Parent Entity posts such reports, information and documents on any website or the SEC’s EDGAR service, or to collect any such information from the Issuer’s or any Parent Entity’s website or the SEC’s EDGAR service.

(h) Promptly after the date the annual and quarterly financial information for the prior fiscal period have been furnished pursuant to Section 3.2(a)(i) or Section 3.2(a)(ii), the Issuer will hold a quarterly conference call to review the most recent financial results, which shall also include a discussion of the financial metrics of the MYT Entities and a reasonable question and answer session open to all invited call participants. Prior to the date such conference call is to be held, the Issuer will post to its website or a non-public, password-protected website maintained by the Issuer or a third party an announcement of such quarterly conference call for the benefit of the Trustee, the Holders, beneficial owners of the Notes, prospective purchasers of the Notes, securities analysts and market making financial institutions, which announcement will contain the time and the date of such conference call and direct the recipients thereof to contact an individual at the Issuer (for whom contact information will be provided in such notice) to obtain information on how to access such quarterly conference call; provided that any Person who attends such conference call with the Issuer will be required to represent to and agree with the Issuer (and by attending such conference call, such person will be deemed to have represented and agreed with the Issuer) to clauses (i) through (vi) of Section 3.2(c).

(i) Delivery of reports, information and documents to the Trustee is for informational purposes only and its receipt of such reports, information and
documents shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuers’, any Parent Entity’s, any Subsidiary Guarantor’s or any other Person’s compliance with any of its covenants under this Indenture or the Notes (as to which the Trustee is entitled to rely exclusively on an Officer’s Certificate delivered pursuant to this Indenture). The Trustee shall have no liability or responsibility for the content, filing or timeliness of any report, information or document delivered or filed under or in connection with this Indenture or the transactions contemplated thereunder.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless:

(1) the Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(b) With respect to any Collateral Asset Sale, the following provisions shall apply:

(1) The Issuer shall cause the Net Cash Proceeds of any Collateral Asset Sale to be deposited immediately in an account subject to a Control Agreement for the benefit of the Notes Collateral Agent pursuant to the terms of the Intercreditor Agreements, which may be a Control Agreement in favor of the ABL Agent and/or the Extended Term Loan Agent, acting as gratuitous bailee for the benefit of the Notes Collateral Agent pursuant to the ABL Intercreditor Agreement and/or the Junior Lien Intercreditor Agreement; and

(2) Within 30 days after the Issuer’s or any Restricted Subsidiary’s receipt of the Net Cash Proceeds of any Collateral Asset Sale, the Issuer or any Restricted Subsidiary shall apply an amount equal to the Net Cash Proceeds from such Collateral Asset Sale, at its option, to repay (x) Senior Priority Obligations (with any such repayment of revolving Senior Priority Obligations to be accompanied by a corresponding permanent reduction in commitments with respect thereto) or (y) Obligations under the Notes by, at its option, (A) purchasing Notes through open-market purchases at a price not less than 100% of the principal amount thereof; or (B) making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Notes at a price not less than 100% of the principal amount thereof, provided that (i) in the case of a Collateral Asset Sale with respect to a warehouse or distribution center, no prepayment under this clause (2) shall be required to the extent of the cost of any investment in, or purchase of, a new warehouse or distribution center (but not to exceed the Net Cash Proceeds of such Collateral Asset Sale) completed within 24 months before and 12 months after the date of such Collateral Asset Sale; and (ii) Net Cash Proceeds from Collateral Asset Sales of stores (in an aggregate amount not to exceed $30.0 million after the Issue Date) may be applied to capital expenditures incurred within 12 months of the date of the Collateral Asset Sale.

When the aggregate amount of Excess Proceeds exceeds $25.0 million, the Issuers will make an offer (an “Asset Sale Offer”) to all Holders and, if required by the terms of any Pari Passu Lien
Indebtedness, to all holders of such Pari Passu Lien Indebtedness, to purchase the maximum principal amount of such Notes and Pari Passu Lien Indebtedness, as appropriate, on a pro rata basis, that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to (x) in the case of the Notes, 100% of the principal amount thereof and (y) in the case of Pari Passu Lien Indebtedness, 100% of the principal amount thereof (or in the event such Pari Passu Lien Indebtedness was issued with original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest, if any (or such lesser price, if any, as may be provided by the terms of such Pari Passu Lien Indebtedness), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and the agreement governing such Pari Passu Lien Indebtedness. The Issuers will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed $25.0 million by transmitting electronically or by mailing to the Holders the notice required pursuant to the terms of this Indenture, with a copy to the Trustee or otherwise in accordance with the Applicable Procedures of the Depositary. The Issuers may satisfy the foregoing obligations with respect to such Net Cash Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Cash Proceeds prior to the expiration of the application period or by electing to make an Asset Sale Offer with respect to such Net Cash Proceeds before the aggregate amount of Excess Proceeds exceeds $25.0 million.

(f) For the case of both an Asset Sale of Collateral and of assets not constituting Collateral, to the extent that the aggregate amount of Notes and other Indebtedness tendered or otherwise surrendered in accordance with the terms of this section is less than the Excess Proceeds, the Issuers may use any remaining Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and Indebtedness tendered or otherwise surrendered by Holders in accordance with the terms of this section exceeds the amount of Excess Proceeds, the Issuers will select the Notes (and the Issuers or their agents will select such Pari Passu Lien Indebtedness, if applicable) to be purchased in the manner described in Section 3.7(i) below. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. To the extent the Excess Proceeds exceed the outstanding aggregate principal amount of the Notes (and, if required by the terms thereof, all Pari Passu Lien Indebtedness), the Issuers need only make an Asset Sale Offer up to the outstanding aggregate principal amount of Notes (and any such Pari Passu Lien Indebtedness), and any additional Excess Proceeds will not be subject to this Section 3.7 and will be permitted to be used for any purpose otherwise permitted by this Indenture in the Issuers’ discretion.
The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the purchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under this Section 3.7 by virtue of such compliance.

The provisions under this Indenture relative to the Issuers’ obligation to make an offer to repurchase the Notes as a result of an Asset Sale may be waived or modified at any time with the written consent of the Holders of a majority in principal amount of the Notes.

If more Notes are tendered pursuant to an Asset Sale Offer than the Issuers are required to purchase, selection of such Notes for purchase will be made in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed (but only to the extent that the Trustee has been notified in writing of such listing by the Issuer) or if such Notes are not listed, on a pro rata basis or as nearly a pro rata basis as practicable (with adjustments so that only Notes in denominations of the minimum denomination of $2,000.00 or integral multiples of $1.00 in excess thereof) will be purchased, by lot or by such other method as the Trustee will deem fair and appropriate (and in such manner as complies with applicable legal requirements, if any); provided that the selection of Notes for purchase will not result in a Holder with a principal amount of Notes less than the minimum denomination of $2,000.00. If all of the Notes are in global form, interests in the Notes to be redeemed will be selected for redemption by the Depositary in accordance with the Applicable Procedures of the Depositary. No Note will be repurchased in part if less than the minimum denomination of such Note would be left outstanding.

Notices of an Asset Sale Offer will be delivered or caused to be delivered, or in the case of Notes in global form, delivered or cause to be delivered electronically in accordance with the Applicable Procedures of the Depositary, at least 30 but not more than 60 days before the purchase date to each Holder at such Holder’s registered address, with a copy to the Trustee, or otherwise in accordance with Applicable Procedures of the Depositary. If any Note is to be purchased in part only, any notice of purchase that relates to such Note will state the portion of the principal amount thereof that has been or is to be purchased.

A new Note in principal amount equal to the unpurchased portion of any Note purchased in part will be issued in the name of the Holder thereof upon cancellation of the original Note. On and after the purchase date,

(i) any Taxes that would not have been so imposed but for the existence of any present or former connection between the Holder or the beneficial owner of the Note or Guarantee (or between a fiduciary, settler, beneficiary, partner, member or shareholder of, or possessor of power over the relevant Holder or beneficial owner, if the relevant Holder is an estate, nominee, trust, partnership, limited liability company or corporation) and the relevant Tax Jurisdiction, other than by the mere acquisition or holding of any Note or the enforcement or receipt of payment under or in respect of any Note or Guarantee;

(ii) any Taxes imposed or withheld as a result of the failure of the Holder or beneficial owner of any Note or Guarantee to comply with any written request, made to that Holder or beneficial owner within a reasonable period before any such withholding or deduction would be payable, by an Issuer or a Foreign Guarantor to provide timely or accurate information concerning the nationality, residence or identity of such Holder or beneficial owner or to make any valid or timely declaration or similar claim or satisfy any certification information or other reporting requirements (in each case, to the extent such Holder or beneficial owner is legally eligible to do so), which is required or imposed by a statute, treaty, regulation or administrative practice of the relevant Tax Jurisdiction as a precondition to exemption from, or reduction in the rate of deduction or withholding of such Taxes;
(iii) any Taxes that are imposed or withheld as a result of the presentation of any Note or Guarantee for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder or beneficial owner (except to the extent that the Holder or beneficial owner would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(iv) any estate, inheritance, gift, value added, sale, excise, transfer, personal property or similar tax or assessment;

(v) any Tax which is payable otherwise than by deduction or withholding from payments made under or with respect to any Note or Guarantee;

(vi) any Tax imposed on or with respect to any payment by a Foreign Guarantor to the Holder if such Holder is a fiduciary, partnership, limited liability company or person other than the sole beneficial owner of such payment to the extent that Taxes would not have been imposed on such payment had such Holder been the sole beneficial owner of such Note or Guarantee;

(vii) any Taxes that are imposed or withheld as a result of the presentation of any Note or Guarantee for payment by or on behalf of a Holder or beneficial owner of such Notes or Guarantee who would have been able to avoid such withholding or deduction by presenting the relevant Note or Guarantee to, or otherwise accepting payment from, another paying agent;

(viii) any Taxes that are imposed or withheld pursuant to Sections 1471 through 1474 of the Code, any regulations promulgated thereunder, any official interpretations thereof, any similar law or regulation adopted pursuant to an intergovernmental agreement between a non-U.S. jurisdiction and the United States with respect to the foregoing or any agreements entered into pursuant to Section 1471(b)(1) of the Code; or

(ix) any combination of items (i) through (viii) above.

(b) The relevant Foreign Guarantor will pay when due any present or future stamp, transfer, court or documentary taxes or any other excise or property taxes that arise in a Tax Jurisdiction with respect to the initial execution, delivery or registration of the Guarantees or any other document or instrument relating thereto (other than the Notes).

(c) The relevant Foreign Guarantor will use reasonable efforts to furnish to the Trustee and the Holders, within a reasonable period of time after the due date for the payment of any Taxes so deducted or withheld pursuant to applicable law, either certified copies of tax receipts evidencing such payment by such Foreign Guarantor (in such form as provided in the ordinary course by the relevant Tax Jurisdiction and as is reasonably available to the Foreign Guarantor), or, if such receipts are not obtainable, other evidence of such payments by such Foreign Guarantor reasonably satisfactory to the Holders.
SECTION 3.15. Impairment of Security Interest.

(a) The Issuer shall not, and shall not permit any Restricted Subsidiary to, take or knowingly or negligently omit to take, any action which action or omission might reasonably or would (in the good faith determination of the Issuer), have the result of materially impairing the value of the security interests taken as a whole (including the lien priority with respect thereto) with respect to the Collateral for the benefit of the Notes Collateral Agent and the Holders (including materially impairing the lien priority of the Notes with respect thereto) (it being understood that any release described under Section 11.6 and the incurrence of Permitted Liens shall not be deemed to so materially impair the security interests with respect to the Collateral).

(b) At the direction of the Issuer and without the consent of the Holders, the Notes Collateral Agent (or its agent or designee) shall from time to time enter into one or more amendments, extensions, renewals, restatements, supplements or other modifications or replacements to or of the Security Documents to, but subject in all cases to the Intercreditor Agreements: (i) cure any ambiguity, omission, defect or inconsistency therein that does not adversely affect the interests of the Holders in any material respect, (ii) add to the Collateral or (iii) make any other change thereto that does not adversely affect the Holders in any material respect.

(b) (x) If any Issuer or Subsidiary Guarantor (A)(1) acquires fee simple title in Real Property after the Issue Date or (2) owns fee simple title in Real Property on the date it executes a supplemental indenture to provide a Subsidiary Guarantee pursuant to Section 3.11(c), that, in each case of subclauses (1) and (2) of this clause (A), on the date of such acquisition or the date that such Subsidiary Guarantee is provided, as applicable, has an individual fair market value (as determined customarily and in good faith by an Officer of the Issuer) of $2.5 million or more or (B)(1) acquires a leasehold interest in Real Property after the Issue Date with respect to a full-line Neiman Marcus or Bergdorf Goodman store or a warehouse or distribution center or (2) owns leasehold title in Real Property with respect to a full-line Neiman Marcus store or a warehouse or distribution center on the date it provides a Subsidiary Guarantee or (y) any Non-Mortgageable Lease with respect to a full-line Neiman Marcus

(i) notify the Notes Collateral Agent thereof;

(ii) cause any such acquired Real Property owned in fee simple that has a fair market value (as determined in good faith by an Officer of the Issuer) of $2.5 million or more to be subjected to a customary mortgage or deed of trust securing the Notes Obligations;

(iii) cause any such acquired or owned leasehold Real Property to be subjected to a customary mortgage or deed of trust securing the Notes Obligations;

(iv) with respect to any such Real Property, to the extent provided to the holders of any other Indebtedness of the Issuer or the Restricted Subsidiaries (or any agent or representative thereof), obtain fully paid American Land Title Association Lender’s Extended Coverage title insurance policies, with endorsements (including a standard survey endorsement or equivalent (only with respect to any such Real Property acquired or owned in fee simple pursuant to Section 3.16(b)(x)) and zoning endorsements where available) and in customary amounts that in no event shall be less than fair market value of such Real Property (the “Mortgage Policies”);

(v) with respect to any such Real Property acquired or owned in fee simple pursuant to Section 3.16(b)(x), to the extent necessary and customary to issue the Mortgage Policies, obtain American Land Title Association/American Congress on Surveying and Mapping form surveys, dated no more than 30 days before the date of their delivery to the Notes Collateral Agent, certified to the Notes Collateral Agent and the issuer of the Mortgage Policies and sufficient for the issuer of the Mortgage Policies to omit as an exception to each title policy the standard printed survey exception relating to such Real Property;

(vi) provide customary evidence of insurance (including all insurance required to comply with applicable flood insurance laws) naming the Notes Collateral Agent as loss payee and additional insured with such responsible and reputable insurance companies or associations, and in such amounts and covering such risks as are reasonably available for similar properties in the same geographical area, including the insurance required by the terms of any mortgage or deed of trust;

(vii) obtain customary mortgage or deed of trust enforceability opinions of local counsel for the Issuers and the Subsidiary Guarantors in the states in which such Real Properties are located; and
(viii) take, or cause the applicable Issuer or Subsidiary Guarantor to take, such actions as shall be necessary or reasonably requested by the Notes Collateral Agent to perfect such Liens.

SECTION 3.17. Covenant Suspension.

(a) If on any date following the Issue Date (i) the Notes have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “Covenant Suspension Event”), Sections 3.3, 3.4, 3.6, 3.7, 3.8 and 4.1(a)(iv) (collectively, the “Suspended Covenants”) will no longer be applicable to such Notes.

(b) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time pursuant to Section 3.17(a) (any such period, a “Suspension Period”), and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events.

(c) Upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Asset Sales will be reset at zero.

(d) With respect to Restricted Payments made after the Reversion Date, the amount of Restricted Payments since the Issue Date will be calculated as though Section 3.4 had been in effect prior to, but not during, the Suspension Period. In addition, all Indebtedness Incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been Incurred or issued pursuant to Section 3.3(b)(iv). In addition, for purposes of Section 3.8, all agreements and arrangements entered into by the Issuer and any Restricted Subsidiary with an Affiliate of the Issuer during the Suspension Period prior to such Reversion Date will be deemed to have been entered into on or prior to the Issue Date, and for purposes of Section 3.6, all contracts entered into during the Suspension Period prior to such Reversion Date that contain any of the restrictions contemplated by such Section 3.6 will be deemed to have been existing on the Issue Date.

(e) During the Suspension Period, any reference in the definitions of “Permitted Liens” and “Unrestricted Subsidiary” to Section 3.3 or any provision thereof will be construed as if Section 3.3 had remained in effect since the Issue Date and during the Suspension Period.

(f) During the Suspension Period, the obligation to grant further Subsidiary Guarantees will be suspended. Upon the Reversion Date, the obligation to grant Subsidiary Guarantees under Section 3.11 will be reinstated (and the Reversion Date will be deemed to be the date on which any guaranteed Indebtedness was Incurred for purposes of Section 3.11).
Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of any failure to comply with the Suspended Covenants during any Suspension Period, and the Issuer and any Subsidiary of the Issuer will be permitted, following a Reversion Date, without causing a Default or Event of Default or breach of any of the Suspended Covenants (notwithstanding the reinstatement thereof) under this Indenture, to honor, comply with or otherwise perform any contractual commitments or obligations entered into during a Suspension Period following a Reversion Date and to consummate the transactions contemplated thereby.

The Issuer will provide an Officer’s Certificate to the Trustee indicating the occurrence of any Covenant Suspension Event or Reversion Date. The Trustee will have no obligation to (i) independently determine or verify if such events have occurred, (ii) make any determination regarding the impact of actions taken during the Suspension Period on the Issuer and its Restricted Subsidiaries’ future compliance with their covenants or (iii) notify the Holders of any Covenant Suspension Event or Reversion Date.

For the avoidance of doubt, the MYT Limited Guarantees, the MYT Covenants, the MYT Waterfall and the other provisions contained in the MYT Guarantee and Collateral Agreement will remain in place during any Suspension Period.

SECTION 3.18. Stay, Extension and Usury Laws. The Issuers and each of the Subsidiary Guarantors covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuers and each of the Subsidiary Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 3.19. Nancy Holdings Corporate Reorganization. Nancy Holdings LLC shall be merged into the Issuer, and the intercompany lease agreements between Nancy Holdings LLC and the LLC Co-Issuer will be terminated, in each case, within 90 days after the Issue Date (or such later date as mutually agreed by the Company Parties and the Extended Term Loan Agent) and, concurrently with such merger, the Issuer, as successor to Nancy Holdings LLC, shall mortgage the owned Real Properties constituting collateral currently held by Nancy Holdings LLC, which mortgages will have the Required Collateral Lien Priority.

SECTION 3.20. Ratings. The Issuers shall use their commercially reasonable efforts to cause, within 60 days after the end of the fiscal quarter ending June 30, 2019, the Notes to receive a rating from S&P or Moody’s, or, if during such time neither of such institutions shall be rating such obligations, an equivalent rating from another
nationally recognized statistical rating agency (as described in Rule 436 under the Securities Act).

ARTICLE IV

Merger: Consolidation or Sale of All or Substantially All Assets

SECTION 4.1. When the Issuers May Merge or Otherwise Dispose of Assets.

(a) No Issuer may consolidate or merge with or into or wind up into (whether or not such Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions, to any Person (other than the merger or consolidation of one Issuer into another Issuer) unless:

(i) such Issuer is the surviving Person or the Person formed by or surviving any such consolidation, merger or winding up (if other than such Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation or limited liability company organized or existing under the laws of the United States, any state thereof or the District of Columbia (such Issuer or such Person, as the case may be, being herein called the “Successor Company”) and, if such entity is not (A) a corporation, a co-obligor of the Notes is a corporation organized or existing under such laws and (B) organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, a co-obligor of the Notes is organized or existing under such laws;

(ii) the Successor Company (if other than such Issuer) expressly assumes all the obligations of such Issuer under Notes Documents pursuant to a supplemental indenture or other documents or instruments;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default or Event of Default has occurred and is continuing;

(iv) immediately after giving pro forma effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period, either:

(A) the Successor Company would be permitted to Incur at least $1.00 of additional Indebtedness as Ratio Debt; or

(B) the Interest Coverage Ratio for the Issuer (or, if applicable, the Successor Company thereto) and its Restricted Subsidiaries would
be equal to or greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(v) each Subsidiary Guarantor, unless it is the other party to the transactions described above, will have by supplemental indenture confirmed that its Guarantee will apply to such Person’s Obligations under Notes Documents; and

(vi) such Issuer will have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each in form and substance reasonably satisfactory to the Trustee and stating that such consolidation, merger or transfer and such supplemental indentures (if any) comply with this Indenture.

The Successor Company will succeed to, and be substituted for, such Issuer under this Indenture, the Notes and the Notes Documents, and such Issuer will automatically be released and discharged from its obligations under this Indenture, the Notes and the Notes Documents.

(b) Notwithstanding the foregoing clauses 4.1(a)(iii) and 4.1(a)(iv):

(i) any of the Issuers or any Subsidiary Guarantor may consolidate with, merge into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to an Issuer or a Subsidiary Guarantor;

(ii) any of the Issuers may merge or consolidate with an Affiliate of such Issuer incorporated or organized solely for the purpose of reincorporating or reorganizing such Issuer in another state of the United States, the District of Columbia or any territory of the United States so long as the principal amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby;

(iii) any Restricted Subsidiary may merge with or consolidate into an Issuer, provided that such Issuer is the Successor Company in such merger;

(iv) any Subsidiary Guarantor may dissolve or liquidate to the extent that the assets of such Subsidiary Guarantor are transferred to the Issuers or another Subsidiary Guarantor substantially contemporaneously with such dissolution or liquidation; and

(v) any Restricted Subsidiary that is not a Subsidiary Guarantor may dissolve or liquidate to the extent that the assets of such Restricted Subsidiary that is not a Subsidiary Guarantor are transferred to the Issuers or another Restricted Subsidiary substantially contemporaneously with such dissolution or liquidation.

(c) Subject to Section 10.2 and Section 10.5, each Subsidiary Guarantor will not, and the Issuer will not permit any Subsidiary Guarantor to, consolidate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or
otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(i) such Subsidiary Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, merger or winding up (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made (including by way of liquidation or dissolution of the Subsidiary Guarantor) is a corporation, partnership, limited partnership or limited liability company or trust organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia (such Subsidiary Guarantor or such Person, as the case may be, being herein called the “Successor Guarantor”);

(A) the Successor Guarantor (if other than such Subsidiary Guarantor) expressly assumes all the obligations of such Subsidiary Guarantor under the Notes Documents, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents pursuant to a supplemental indenture or other documents or instruments;

(B) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Guarantor or any of its Subsidiaries as a result of such transaction as having been Incurred by the Successor Guarantor or such Subsidiary at the time of such transaction) no Default or Event of Default will have occurred and be continuing; and

(C) the Successor Guarantor (if other than such Subsidiary Guarantor) will have delivered or caused to be delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture; and

(ii) such sale or disposition or consolidation or merger does not violate Section 3.7;

provided that, in the event of a Subsidiary Guarantor liquidating or dissolving, the Person which receives the assets of such Subsidiary Guarantor substantially contemporaneously with such liquidation or dissolution shall be considered the Successor Guarantor for purposes of the above.

(d) Subject to Sections 10.2 and 10.5, the Successor Guarantor will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents, and such Subsidiary Guarantor will automatically be released and discharged from its obligations.
under this Indenture, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents. Notwithstanding the foregoing:

(i) a Subsidiary Guarantor may merge or consolidate with an Affiliate of the Issuer incorporated or organized solely for the purpose of reincorporating or reorganizing such Subsidiary Guarantor in the United States, any state or territory thereof or the District of Columbia, so long as the principal amount of Indebtedness of the Issuer and the Restricted Subsidiaries is not increased thereby;

(ii) a Subsidiary Guarantor may consolidate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to, an Issuer or Subsidiary Guarantor;

(iii) a Subsidiary Guarantor may convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of a jurisdiction in the United States; and

(iv) any Restricted Subsidiary may merge with or consolidate into any Subsidiary Guarantor; provided that, in the case of this clause (iv), the surviving Person (A) shall be a corporation, partnership, limited partnership or limited liability company or trust organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia and (B) if not the Subsidiary Guarantor, the surviving Person will become a Subsidiary Guarantor upon the consummation of such merger or consolidation.

(e) For purposes of this Section 4.1, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Issuer, which properties and assets, if held by the Issuer instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Issuer on a consolidated basis, will be deemed to be the transfer of all or substantially all of the properties and assets of the Issuer.

ARTICLE V
Redemption of Notes

SECTION 5.1. Optional Redemption.

(a) The Notes may be redeemed, in whole at any time, or in part from time to time, subject to the conditions and at the redemption prices set forth in Paragraph 7 of the form of Note set forth in Exhibit A hereto, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to the Redemption Date.

(b) On and after the Redemption Date, interest will cease to accrue on the Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent at least one Business Day prior to the relevant redemption date.
funds sufficient to pay the principal of and premium, if any, plus accrued and unpaid interest, if any, on the Notes to be redeemed.

SECTION 5.2. Election to Redeem; Notice to Trustee of Optional Redemptions. If the Issuers elect to redeem Notes pursuant to Section 5.1 or the Issuers are required to redeem Notes pursuant to Section 5.9, the Issuers will furnish to the Trustee, at least five calendar days for Global Notes, and at least 10 calendar days for Definitive Notes before notice of redemption is required to be delivered or caused to be delivered to Holders pursuant to Section 5.4, an Officer’s Certificate setting forth (a) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption will occur, (b) the Redemption Date, (c) the principal amount of the Notes to be redeemed and (d) the redemption price. The Issuers may also include a request in such Officer’s Certificate that the Trustee give the notice of redemption in the Issuers’ name and at their expense and setting forth the information to be stated in such notice as provided in Section 5.4. The Issuers will deliver to the Trustee such documentation and records as will enable the Trustee to select the Notes to be redeemed pursuant to Section 5.3.

SECTION 5.3. Selection by Trustee of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes for redemption on a pro rata basis (or as nearly pro rata as practicable) unless otherwise required by law or the rules of the principal national securities exchange, if any, on which such Notes are listed (but only to the extent that the Trustee has been notified in writing of such listing by the Issuer), in minimum denominations of $2,000.00 and in integral multiples of $1.00 in excess thereof; provided that the selection of Notes for redemption will not result in a Holder owning less than $2,000.00 in aggregate principal amount of Notes, and provided further that if all of the Notes are in global form, interests in the Notes to be redeemed will be selected for redemption by the Depositary in accordance with the Applicable Procedures of the Depositary. If any Note is to be purchased or redeemed in part only, the notice of purchase or redemption relating to such Note will state the portion of the principal amount thereof that has been or is to be purchased or redeemed. A new Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note in accordance with Section 5.7. On and after the Redemption Date, interest will cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of and premium, if any, plus accrued and unpaid interest, if any, on the Notes to be redeemed.

The Trustee will promptly notify the Issuers in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Notes will relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal amount of such Note which has been or is to be redeemed.
SECTION 5.4. Notice of Redemption. In the case of a redemption pursuant to Section 5.1 or 5.9, the Issuers will deliver or cause to be delivered or in the case of Notes in global form, delivered or caused to be delivered electronically in accordance with the Applicable Procedures of the Depositary, a notice of redemption to each Holder whose Notes are to be redeemed not less than 30 nor more than 60 days prior to a date fixed for redemption (a “Redemption Date”); provided, however, that redemption notices may be delivered more than 60 days prior to a Redemption Date if the notice is issued pursuant to Article VIII. In connection with any redemption of Notes, any such redemption may, at the Issuers’ discretion, be subject to one or more conditions precedent, including, but not limited to, the funding of the amounts required to be funded by Calling Lenders in connection with the Call Right Redemption. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice will state that, in the Issuers’ discretion, the Redemption Date may be delayed until such time as any or all such conditions will be satisfied (or waived by the Issuers in their sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions are not satisfied (or waived by the Issuers in their sole discretion) by the Redemption Date, or by the Redemption Date so delayed. At the Issuers’ written request, the Trustee may give notice of redemption in the Issuers’ name and at the Issuers’ expense.

All notices of redemption will be prepared by the Issuers and will state:

(a) the Redemption Date,

(b) the redemption price and the amount of accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.6, if any,

(c) if less than all outstanding Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption,

(d) in case any Note is to be redeemed in part only, the notice which relates to such Note will state that on and after the Redemption Date, upon surrender of such Note, the Holder will receive, without charge, a new Note or Notes of authorized denominations for the principal amount thereof remaining unredeemed,

(e) that on the Redemption Date the redemption price (and accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.6, if any) will become due and payable upon each such Note, or the portion thereof, to be redeemed, and, unless the Issuers default in making the redemption payment, that interest on Notes called for redemption (or the portion thereof) will cease to accrue on and after said date,

(f) the place or places where such Notes are to be surrendered for payment of the redemption price and accrued interest, if any,

(g) the name and address of the Paying Agent,
that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price,

(i) the CUSIP number, and that no representation is made as to the accuracy or correctness of the CUSIP number, if any, listed in such notice or printed on the Notes,

(j) the Section of this Indenture pursuant to which the Notes are to be redeemed, and

(k) a description in reasonable detail of any conditions precedent applicable to such redemption.

At the Issuers’ request, the Trustee will give the notice of redemption in the Issuers’ name and at its expense; provided, however, that the Issuers will have delivered to the Trustee, at least 45 days prior to the Redemption Date, an Officer’s Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. Such Officer’s Certificate will state that all conditions precedent to the delivery of such notice have been complied with.

SECTION 5.5. Deposit of Redemption Price. Prior to 3:00 p.m. New York City time, on the Business Day Prior to any Redemption Date, the Issuers will deposit with the Trustee or with a Paying Agent (or, if the Issuers are acting as their own Paying Agent, segregate and hold in trust as provided in Section 2.4) an amount of money sufficient to pay the redemption price of, and accrued interest on, all the Notes which are to be redeemed on that date.

SECTION 5.6. Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes so to be redeemed will, on the Redemption Date, become due and payable at the redemption price therein specified (together with accrued interest, if any, to, but excluding, the Redemption Date), and from and after such date (unless the Issuers default in the payment of the redemption price and accrued interest, if any, to, but excluding, the Redemption Date) such Notes will cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note will be paid by the Issuers at the redemption price, together with accrued interest, if any, to, but excluding, the Redemption Date (subject to the rights of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

If any Note called for redemption is not so paid upon surrender thereof for redemption, the principal (and premium, if any) will, until paid, bear interest from the Redemption Date at the rate borne by the Notes.

If a Redemption Date is on or after a Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such Record
Date, and no further interest will be payable to Holders whose Notes will be subject to redemption by the Issuers.

SECTION 5.7. Notes Redeemed in Part. Any Note which is to be redeemed only in part (pursuant to the provisions of this Article) will be surrendered at the office or agency of the Issuers maintained for such purpose pursuant to Section 2.3 (with, if the Issuers so require, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuers duly executed by, the Holder thereof or such Holder’s attorney duly authorized in writing), and the Issuers will execute, and the Trustee upon receipt of an Authentication Order will authenticate and make available for delivery to the Holder of such Note at the expense of the Issuers, a new Note or Notes, of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered, provided that each such new Note will be in a minimum principal amount of $2,000.00 and integral multiples of $1.00 in excess thereof.

SECTION 5.8. Offer to Repurchase. In the event that, pursuant to Section 3.7, the Issuers are required to commence an offer to all Holders to purchase the Notes (an “Offer to Repurchase”), it will follow the procedures specified below:

(a) The Offer to Repurchase will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the “Offer Period”). No later than five Business Days after the termination of the Offer Period (the “Purchase Date”), the Issuers will apply all Excess Proceeds (the “Offer Amount”), to the purchase of Notes and such Pari Passu Lien Indebtedness, if any (in each instance, on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Offer to Repurchase. Payment for any Notes so purchased will be made pursuant to Section 3.1.

(b) If the Purchase Date is on or after an Interest Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest will be payable to Holders who tender Notes pursuant to the Offer to Repurchase.

(c) Upon the commencement of an Offer to Repurchase, the Issuers will deliver a notice to the Trustee and each of the Holders. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Offer to Repurchase. The notice, which will govern the terms of the Offer to Repurchase, will state:

(i) that the Offer to Repurchase is being made pursuant to this Section 5.8 and Section 3.7, and the length of time the Offer to Repurchase will remain open;

138
(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment will continue to accrue interest;

(iv) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Offer to Repurchase will cease to accrue interest after the Purchase Date;

(v) that Holders electing to have a Note purchased pursuant to an Offer to Repurchase may elect to have Notes purchased in a minimum amount of $2,000.00 or an integral multiple of $1,000 in excess thereof only;

(vi) that Holders electing to have Notes purchased pursuant to any Offer to Repurchase will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Issuers, the Depositary, if appointed by the Issuers at the address specified in the notice at least three days before the Purchase Date;

(vii) that Holders will be entitled to withdraw their election if the Issuers or the Depositary, as the case may be, receives, not later than on the expiration of the Offer Period, facsimile transmission, pdf communication sent via electronic means or letter setting forth the name of the Holder, the principal amount of Notes the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Notes purchased;

(viii) that, if the aggregate principal amount of Notes and, if applicable, Pari Passu Lien Indebtedness, if any, surrendered by Holders thereof exceeds the Offer Amount, the Trustee will select the Notes and, if applicable, the Issuers will select such Pari Passu Lien Indebtedness to be purchased or prepaid, on a pro rata basis based on the principal amount of Notes and Pari Passu Lien Indebtedness, if any, surrendered (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in minimum denominations of $2,000.00 or integral multiples of $1.00 in excess thereof are redeemed); and

(ix) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

(d) On or before the Purchase Date, the Issuers will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Offer to Repurchase, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer’s Certificate stating that such Notes or portions thereof were accepted for payment by the Issuers in accordance with the terms of this Section 5.8. The Issuers or the Depositary, as the case may be, will promptly (but in any case not later than five days after the Purchase Date)
SECTION 5.9. Call Right Redemption.

(a) Lenders under the Extended Term Loan Agreement (the “Calling Lenders”) may exercise the Call Right by complying with the procedures provided therefor in the Extended Term Loan Agreement and delivering (or causing the agent under the Extended Term Loan Agreement to deliver) to the Trustee and the Issuers the notice of redemption set forth in Exhibit E hereto (the “Call Notice”). In the event that less than $200.0 million in principal amount of Third Lien Notes are outstanding at the time of exercise of the Call Right, an aggregate principal amount of Notes equal to (i) $200.0 million in principal amount less (ii) the amount of Third Lien Notes outstanding on such date (the “Called Notes”) shall be redeemed in accordance with the terms of clauses (b) and (c) below.

(b) Upon (1) receipt by the Trustee and the Issuers of the Call Notice with respect to the Call Right and (2) compliance with the Call Right Procedures provided for in the Extended Term Loan Agreement, the Issuers shall redeem the Called Notes at a price equal to the principal amount of Called Notes plus accrued but unpaid interest to, but not including, the date of redemption provided for in the Call Notice, which date shall be not more than 30 Business Days and not fewer than five Business Days following delivery of the Call Notice. Such redemption shall be conditioned upon and subject to the provision by the Calling Lenders to the Issuers of Immediately available funds in cash in an amount equal to the principal amount of Called Notes.

(c) Except as expressly set forth above in this Section 5.9, the provisions of Sections 5.1 through 5.7 shall apply mutatis mutandis to a redemption of Notes pursuant to the Call Right.

ARTICLE VI

Defaults and Remedies

SECTION 6.1. Events of Default. The occurrence of each of the following events, for so long as such event is continuing, is an “Event of Default”:

(a) a default in any payment of interest on any Note when due continued for five Business Days;
(b) a default in the payment of principal or premium, if any, of any Note when due at its Stated Maturity, upon optional or mandatory redemption, upon required purchase, upon acceleration or otherwise;

(d) the failure by the Issuer or any Restricted Subsidiary to pay the principal amount of any Indebtedness for borrowed money (other than Indebtedness for borrowed money owing to Issuer or a Restricted Subsidiary) within any applicable grace period upon the final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid at final maturity or accelerated exceeds $50.0 million or its foreign currency equivalent;

   (iii) files an answer, response or consent in an involuntary case seeking or consenting to reorganization, liquidation or other relief under applicable Bankruptcy Law;

   (iv) generally is not paying its debts as they become due;

   (v) consents to the appointment of a Custodian of it or for any substantial part of its property;

   (vi) makes a general assignment for the benefit of its creditors; or

   (vii) takes any comparable action under any domestic or foreign laws relating to insolvency;

(f) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

   (i) is for relief against an Issuer or any Significant Subsidiary in an involuntary case, or adjudicates an Issuer or any Significant Subsidiary bankrupt or insolvent in any involuntary case, or any similar relief is granted under any domestic or foreign laws;
(ii) appoints a Custodian of an Issuer or any Significant Subsidiary or for any substantial part of an Issuer’s or any of the Significant Subsidiary’s property, or any similar relief is granted under any domestic or foreign laws; or

(iii) orders the winding up or liquidation of an Issuer or any Significant Subsidiary, or any similar relief is granted under any domestic or foreign laws;

and in each of the foregoing cases, the order or decree remains unstayed, undismissed or undischarged and in effect for 60 consecutive days;

(g) failure by any Issuer or any Significant Subsidiary to pay final and non-appealable judgments aggregating in excess of $50.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent insurance companies), which judgments are not discharged, waived or stayed for a period of 60 days after such judgment becomes final and, in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(h) the Subsidiary Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms thereof or of this Indenture), or any Subsidiary Guarantor that is a Significant Subsidiary (or any Officer thereof with authority to act on behalf of such Subsidiary Guarantor with respect to such matters) denies in writing that it has any further liability under its Subsidiary Guarantee or gives written notice to such effect, other than by reason of the termination or discharge of this Indenture or the release of any such Subsidiary Guarantee in accordance with this Indenture, and such Default continues for five days;

(i) the Liens created by the Security Documents securing the Notes or Guarantees shall at any time not constitute perfected Liens on any portion of the Collateral intended to be covered thereby (to the extent perfection is required by this Indenture or such Security Documents) other than in accordance with the terms of such relevant Security Document and this Indenture and other than the satisfaction in full of all Obligations under this Indenture or release or amendment of any such Lien in accordance with the terms of this Indenture or such Security Documents, or (ii) except for expiration in accordance with its terms or amendment, modification, waiver, termination or release in accordance with the terms of this Indenture and such relevant Security Document, any such Security Document shall for whatever reason be terminated or cease to be in full force and effect, if, in each case, such default occurs with respect to a portion of the Collateral exceeding $50.0 million in fair market value;

(j) the MYT Limited Guarantee of any MYT Guarantor Entity ceases to be in full force and effect (except as contemplated by the terms thereof or of this Indenture) or any MYT Guarantor Entity (or any Officer thereof with authority to act on behalf of such MYT Guarantor Entity with respect to such matters) denies in writing that it has any further liability under its MYT Limited Guarantee or gives written notice to such effect, other than by reason of the termination or discharge of this Indenture or the
release of any such MYT Limited Guarantee in accordance with this Indenture, and such Default continues for five days;

(k)           (i) the Liens created by the MYT Guarantee and Collateral Agreement and related security documents with respect to the assets securing the MYT Limited Guarantees shall at any time not constitute perfected Liens on any portion of the MYT Limited Guarantee Collateral or the MYT Account intended to be covered thereby (to the extent perfection is required by this Indenture or such security documents) other than in accordance with the terms of the MYT Guarantee and Collateral Agreement, such relevant security document and this Indenture and other than the satisfaction in full of all Notes Obligations or release or amendment of any such Lien in accordance with the terms of the MYT Guarantee and Collateral Agreement, this Indenture or such security documents, or (ii) except for expiration in accordance with its terms or amendment, modification, waiver, termination or release in accordance with the terms of this Indenture, the MYT Guarantee and Collateral Agreement and such relevant security document, any such security document shall for whatever reason be terminated or cease to be in full force and effect, if, in each case, such default occurs with respect to the MYT Account or a portion of the MYT Limited Guarantee Collateral exceeding $12.5 million in fair market value;

(l)            the failure by MYT Parent or any of the MYT Entities to comply with or cause compliance with the terms of the MYT Waterfall; or

(m)          prior to the earlier of (a) a MYT Deposit Event and (b) the provision of the MYT Alternate Security, the failure by any of the MYT Entities to comply for 30 days after receipt of written notice referred to below with any of the MYT Covenants.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a default under Section 6.1(c) will not constitute an Event of Default until either the Trustee notifies in writing the Issuers or the Holders of at least 25.0% in principal amount of outstanding Notes notify in writing the Issuers and the Trustee of the default and such default is not cured within the time specified in Section 6.1(c) after receipt of such notice.

SECTION 6.2.  Acceleration.  If an Event of Default (other than an Event of Default specified in Section 6.1(e) or Section 6.1(f) above with respect to an Issuer) occurs and is continuing, either the Trustee, by written notice to the Issuers, or the Holders of at least 25.0% in principal amount of the outstanding Notes, by written notice to the Issuers and the Trustee, may declare the Contractual Performance Amount to be due and payable.  Upon such a declaration, such Contractual Performance Amount will be due and payable immediately.  If an Event of Default arising from Section 6.1(e) or Section 6.1(f) of an Issuer occurs, the Contractual Performance Amount shall be due and
payable as of immediately prior to the occurrence of such Event of Default without any declaration or other act on the part of the Trustee or any Holder.

The Issuers and the Subsidiary Guarantors agree and acknowledge that the excess of the Contractual Performance Amount over the sum of the principal amount of the then outstanding Notes plus accrued and unpaid interest (the “Liquidated Damages Amount”) constitutes liquidated damages and not unmatured interest or a penalty, and the actual amount of damages to the Holders as a result of the relevant Event of Default would be impracticable and extremely difficult to ascertain. Accordingly, the Liquidated Damages Amount is provided by mutual agreement of the Issuers, the Subsidiary Guarantors and the Trustee (on behalf of the Holders) as a reasonable estimation and calculation of such actual lost profits and other actual damages of the Holders. Each Holder, by accepting a Note (or a beneficial interest therein), shall be deemed to have directed the Trustee to make such agreement on its behalf.

SECTION 6.3. Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy (including a lawsuit for breach of contract) to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture (including sums owed to the Trustee, the Agents and their agents and counsel) and the Guarantees.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default will not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes, waive, rescind or cancel any declaration of an existing or past Default or Event of Default and its consequences (including acceleration) under this Indenture if such waiver, rescission or cancellation would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes (other than such nonpayment of principal or interest that has become due as a result of such acceleration). Upon any such waiver, such Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured for every purpose of this Indenture; but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

In the event of any Event of Default arising from Section 6.1(d), such Event of Default and all consequences thereof (excluding, however, any payment default on the Notes Obligations resulting from acceleration of the Notes) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if prior to 20 days after such Event of Default arose, the Issuer delivers an
Officer’s Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has otherwise been cured.

SECTION 6.5. Control by Majority. The Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee and the Notes Collateral Agent, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee or the Notes Collateral Agent, as applicable, determines is unduly prejudicial to the rights of any other Holder (it being understood that neither the Trustee nor the Notes Collateral Agent has an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders) or that would involve the Trustee in personal liability unless such Holders have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense. Prior to taking any action under this Indenture, the Trustee will be entitled to security or indemnification reasonably satisfactory to it in its reasonable discretion against all losses, liabilities and expenses that may be caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. In case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest, when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(a) such Holder has previously given the Trustee written notice that an Event of Default is continuing or will occur upon notice and/or passage of time;

(b) Holders of at least 25.0% in principal amount of the outstanding Notes have requested (the “Requesting Holders”) in writing the Trustee to pursue the remedy, which pursuit of the requested remedy may be conditioned upon the occurrence of an Event of Default in the future;

(c) such Requesting Holders have offered the Trustee security or indemnity in respect of any loss, liability or expense (which security or indemnity is reasonably acceptable to the Trustee, such acceptance not to be unreasonably withheld or delayed);

(d) the Trustee has not complied with, or indicated in writing to the Requesting Holders that it will comply with, such request within 10 days after the receipt of the request and the offer of security or indemnity; and
the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction inconsistent with such request within such 10-day period.

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, premium, if any, or interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, will not be impaired or affected without the consent of such Holder.

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in Section 6.1(a) or Section 6.1(b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.6.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuers, their Subsidiaries or their respective creditors or properties and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders (pursuant to the written direction of Holders of a majority in principal amount of the then outstanding Notes) in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee will consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.6. Nothing herein contained will be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in such proceeding.

SECTION 6.10. Priorities. The Trustee will pay out any money or property received by it in the following order:

First: to the Trustee and the Agents for amounts due under Section 7.6;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and
Third: to the Issuers or, to the extent the Trustee receives any amount for any Subsidiary Guarantor, to such Guarantor as a court of competent jurisdiction will direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Issuers (or Trustee) will deliver to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. **Undertaking for Costs.** In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys’ fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 10.0% in outstanding principal amount of the Notes.

**ARTICLE VII**

**Trustee**

SECTION 7.1. **Duties of Trustee.**

(a) If an Event of Default has occurred and is continuing, the Trustee will, in the exercise of its rights and powers under this Indenture, use the same degree of care and skill in its exercise of such rights and powers as a prudent Person would exercise or use under the circumstances in the conduct of such Person’s own affairs, subject to the provisions of clause (h) below.

(b) Except during the continuance of an Event of Default of which a Trust Officer has actual knowledge, the Trustee:

(i) undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations will be read into this Indenture against the Trustee; and

(ii) in the absence of gross negligence or bad faith on its part, may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee under this Indenture, the Notes and the Guarantees, as applicable. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee will examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture, the Notes and the Guarantees as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).
(c) The Trustee will not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this Section 7.1(c) does not limit the effect of Section 7.1(b);

(ii) the Trustee will not be liable for any error of judgment made in good faith by a Trust Officer or Trust Officers unless it is proved in a final non-appealable decision of a court of competent jurisdiction that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5.

(d) The Trustee and the Agents will not be liable for interest on any money received by it and such money shall be held uninvested except as the Trustee and the Agents may agree in writing with the Issuers.

(e) Money held in trust by the Trustee or an Agent need not be segregated from other funds except to the extent required by law.

(f) No provision of this Indenture, the Notes or the Guarantees will require the Trustee or an Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it will have reasonable grounds to believe that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee will be subject to the provisions of this Section 7.1.

(h) The Trustee and the Notes Collateral Agent will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders will have offered to the Trustee, security, prefunding or indemnity reasonably satisfactory to it in its reasonable discretion against any loss, liability or expenses (including reasonable attorneys’ fees and expenses) that might be incurred by it in compliance with such request or direction.

SECTION 7.2. Rights of Trustee.

(a) The Trustee and the Agents may conclusively rely and will be protected in acting upon any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or any other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee and the Agents need not investigate any fact or matter stated in the document.
(b) Before the Trustee acts or refrains from acting, it may require an Officer’s Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on an Officer’s Certificate or Opinion of Counsel.

(c) The Trustee may act through its attorneys, custodians, nominees and agents and will not be responsible for the misconduct or negligence of or for the supervision of any agent, custodians, nominees or attorney appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee’s conduct does not constitute willful misconduct or negligence as determined in a final non-appealable decision of a court of competent jurisdiction.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture, the Notes and the Guarantees will be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder or under the Notes and the Guarantees in good faith and in reliance on the advice or opinion of such counsel.

(f) The Trustee and the Agents will not be bound to make any investigation into any statement, warranty or representation, or the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or other paper or document made or in connection with this Indenture; moreover, the Trustee and the Agents will not be bound to make any investigation into (i) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture or any other agreement, instrument or document, or (iii) the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note other evidence of indebtedness or other paper or document, but the Trustee or an Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or an Agent, as applicable, determines to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney and will incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(g) The Trustee will not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which a Trust Officer will have (i) received written notification from the Issuers or a Holder at the Corporate Trust Office of the Trustee and such notice references the Notes and this Indenture or (ii) obtained “actual knowledge.” “Actual knowledge” will mean the actual fact or statement of knowing by a Trust Officer without independent investigation with respect thereto.
(h) In no event will the Trustee or an Agent be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee or Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and will be enforceable by, the Trustee in each of its capacities hereunder, and each agent (including the Agents), custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Issuers deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(k) The Trustee and the Agents will not have any duty (i) to see to any recording, filing, or depositing of this Indenture or any agreement referred to herein, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, re-filing or redepositing of any thereof or (ii) to see to any insurance.

(l) The right of the Trustee or an Agent to perform any discretionary act enumerated in this Indenture will not be construed as a duty.

SECTION 7.3. Individual Rights of Trustee. Subject to the TIA, the Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuers, the Subsidiary Guarantors or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Section 7.9. In addition, the Trustee will be permitted to engage in transactions with the Issuers; provided, however, that if the Trustee acquires any conflicting interest (as such term is used in the TIA) the Trustee must (a) eliminate such conflict within 90 days of acquiring such conflicting interest, (b) apply to the SEC for permission to continue acting as Trustee or (c) resign.

SECTION 7.4. Disclaimer. Neither the Trustee nor any Agent will be responsible for and none of them makes any representation as to the validity or adequacy of this Indenture, the Notes or the Guarantees, none of them will be accountable for the Issuers’ use of the Notes or the proceeds from the Notes, and none of them will be responsible for any statement of the Issuers in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee’s certificate of authentication or for the use or application of any funds received by any Paying Agent other than the Trustee.

SECTION 7.5. Notice of Defaults. If a Default occurs and is continuing and is actually known to the Trustee, the Trustee will provide to each Holder notice of the Default within 90 days after it is actually known to the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the
Trustee may withhold notice if and so long as a committee of its Trust Officers in good faith determines that withholding notice is in the interests of the Holders.

SECTION 7.6. Compensation and Indemnity. The Issuers will pay to the Trustee and the Agents from time to time such compensation for their services as the parties agree in writing from time to time. The Trustee’s compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuers will reimburse the Trustee and the Agents upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing and reviewing reports, certificates and other documents, costs of preparation and mailing of notices to Holders and reasonable costs of counsel, in addition to the compensation for its services. Such expenses will include the reasonable compensation and expenses, disbursements and advances of the Trustee’s agents, counsel, accountants and experts. The Issuers will indemnify the Trustee or any predecessor Trustee in each of its capacities hereunder (including Paying Agent, and Registrar), and each of their officers, directors, employees, counsel and agents, against any and all loss, liability or expense (including, but not limited to, reasonable attorneys’ fees and expenses) incurred by it in connection with the administration of this trust and the performance of their duties hereunder and under the Notes Documents, including the Notes and the Guarantees, including the costs and expenses of enforcing this Indenture (including this Section 7.6), the Notes Documents, including the Notes and the Guarantees and of defending itself against any claims (whether asserted by any Holder, the Issuers or otherwise). The Trustee and the Agents will notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee or an Agent to so notify the Issuers will not relieve the Issuers of their obligations hereunder. If so required by the Trustee or the Agents, the Issuers will defend the claim and the Trustee and the Agents may have separate counsel and the Issuers will pay the reasonable fees and expenses of such counsel. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee or an Agent as a result of its own willful misconduct, gross negligence or bad faith as determined by a final non-appealable judgment of a court of competent jurisdiction.

To secure the Issuers’ payment obligations in this Section, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. The right of the Trustee to receive payment of any amounts due under this Section 7.6 will not be subordinate to any other liability or indebtedness of the Issuers.

The Issuers’ obligations pursuant to this Section and any lien arising hereunder will survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee or an Agent. When the Trustee or an Agent incurs expenses after the occurrence of a Default specified in Section 6.1(e) or (f) with respect to the Issuers, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

Pursuant to Section 10.1, the obligations of the Issuers hereunder are jointly and severally guaranteed by the Subsidiary Guarantors.
SECTION 7.7. Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Issuers. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee upon written notice to the Issuers and the Trustee and may appoint a successor Trustee. The Issuers will remove the Trustee if:

(i) the Trustee fails to comply with Section 7.9;

(ii) the Trustee is adjudged bankrupt or insolvent;

(iii) a receiver or other public officer takes charge of the Trustee or its property; or

(iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns or is removed by the Issuers or by the Holders of a majority in aggregate principal amount of the then outstanding Notes and such Holders do not within 30 days thereafter appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers will promptly appoint a successor Trustee.

(c) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will deliver a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.6. All costs reasonably incurred in connection with any resignation or removal hereunder will be borne by the Issuers.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10.0% in principal amount of the Notes may petition, at the Issuers’ expense, any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.9, unless the Trustee’s duty to resign is stayed, any Holder may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the Issuers’ obligations under this Indenture will continue for the benefit of the retiring Trustee.

SECTION 7.8. Successor Trustee by Merger. If the Trustee, consolidates with, merges or converts into, or transfers all or substantially all its corporate trust
business or assets to another corporation or banking association, the resulting, surviving or transferee corporation without any further act will be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee will succeed to the trusts created by this Indenture, any of the Notes will have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes will not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates will have the full force which it is anywhere in the Notes or in this Indenture provided.

SECTION 7.9. Eligibility; Disqualification. The Trustee will have a combined capital and surplus of at least $150,000 as set forth in its most recent filed annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

SECTION 7.10. Limitation on Duty of Trustee. The Trustee will not have any duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the Notes and the Guarantees by the Issuers, the Subsidiary Guarantors or any other Person.

SECTION 7.11. Preferential Collection of Claims Against the Issuers. The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed will be subject to TIA § 311(a) to the extent indicated therein.

SECTION 7.12. Reports by Trustee to Holders. Within 60 days after each October 15, beginning with October 15, 2019, the Trustee will provide to the Holders a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA § 313(b). The Trustee will also provide all reports as required by TIA § 313(c). The Trustee shall promptly provide, upon written request by a Holder (including an owner of beneficial interest in a Note) a true and complete copy of each and any Notes Document (including schedules and exhibits thereto).

The Issuers will promptly notify the Trustee in writing when any Notes are listed on any stock exchange and of any delisting thereof.
ARTICLE VIII

Discharge of Indenture; Defeasance

SECTION 8.1. Discharge of Liability on Notes; Defeasance.

(a) This Indenture will be discharged and will cease to be of further effect (except as to rights, indemnities and immunities of the Trustee and to surviving rights of registration or transfer or exchange of Notes, as expressly provided for in this Indenture) as to all outstanding Notes, and the Liens, if any, on the Collateral securing the Notes and the Note Guarantees will be released, in each case when:

(i) either (A) all the Notes theretofore authenticated and delivered (other than Notes which have been replaced or paid pursuant to Section 2.7 and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuers and thereafter repaid to the Issuers or discharged from such trust) have been delivered to the Trustee for cancellation or (B) all of the Notes not previously delivered to the Trustee for cancellation (1) have become due and payable, (2) will become due and payable at their Stated Maturity within one year or (3) if redeemable at the option of the Issuers, have been called for redemption or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers, and any of the Issuers or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the Trustee funds in cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Issuers directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(ii) the Issuers and/or the Subsidiary Guarantors have paid all other sums payable under this Indenture; and

(iii) Issuer has delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Section 8.1(c) and Section 8.2, the Issuers at any time may terminate (i) all of their obligations under the Notes and this Indenture (with respect to such Notes) and have each Subsidiary Guarantor’s obligation discharged with respect to its Subsidiary Guarantee and have Liens, if any, on the Collateral securing the Notes and the Note Guarantees released and cure any then-existing Events of Default (“legal defeasance option”) or (ii) its obligations under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.11, 3.12, 3.14, 3.15, 3.16, 3.19 and 3.20 and the operation of Section 4.1 (other than Sections 4.1(a)(i), (ii) and (vi)) and Sections 6.1(c) (with respect to any Default under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.11, 3.12, 3.14, 3.15, 3.16, 3.19 and 3.20, 6.1(d), 6.1(e) (with respect to Significant Subsidiaries of the Issuers)
only), 6.1(f) (with respect to Significant Subsidiaries of the Issuers only) 6.1(g), 6.1(h), 6.1(i), 6.1(j), 6.1(k) and 6.1(m) and have Liens, if any, on the Collateral securing the Notes and the Note Guarantees released ("covenant defeasance option"). The Issuers may exercise their legal defeasance option notwithstanding their prior exercise of the covenant defeasance option. In the event that the Issuers terminate all of their obligations under the Notes and this Indenture (with respect to such Notes) by exercising the legal defeasance option or the covenant defeasance option, the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee of such Notes will be terminated simultaneously with the termination of such obligations.

(c) If the Issuers exercise their legal defeasance option, payment of the Notes so defeased may not be accelerated because of an Event of Default. If the Issuers exercise their covenant defeasance option, payment of the Notes so defeased may not be accelerated because of an Event of Default specified in Section 6.1(c) (with respect to any Default by the Issuer or any of its Restricted Subsidiaries with any of their obligations under Article III other than Sections 3.1, 3.11, 3.13, 3.17, 6.1(d), 6.1(e) (with respect to Significant Subsidiaries of the Issuers only), 6.1(f) (with respect to Significant Subsidiaries of the Issuers only)), 6.1(g), 6.1(h), 6.1(i), 6.1(j), 6.1(k) or 6.1(m).

(d) Upon satisfaction of the conditions set forth herein and upon request of the Issuers, the Trustee will acknowledge in writing the discharge of those obligations that the Issuers terminate.

(e) Notwithstanding clauses (a) and (b) above, the Issuers’ obligations in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 7.6, 7.7 and in this Article VIII will survive until the Notes have been paid in full. Thereafter, the Issuers’ obligations in Sections 7.6, 8.5 and 8.6 will survive such satisfaction and discharge.

SECTION 8.2. Conditions to Defeasance.

(a) The Issuers may exercise their legal defeasance option or their covenant defeasance option only if:

(i) the Issuers irrevocably deposit or cause to be deposited in trust with the Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient to pay the principal of, and premium (if any) and interest on the applicable Notes when due at maturity or redemption, as the case may be; provided that if such redemption is made pursuant to Paragraph 7(b) of the form of Note set forth in Exhibit A hereto (or any corresponding paragraph of a Global Note or a Definitive Note), then: (A) the amount of money or U.S. Government Obligations that the Issuers must irrevocably deposit or cause to be deposited will be determined using an assumed Applicable Premium calculated as of the date of such deposit, as calculated by the Issuers in good faith; and (B) the Issuers must irrevocably deposit or cause to be deposited additional money in trust on the redemption date as necessary to pay the Applicable Premium as determined on such date;
(ii) the Issuers deliver to the Trustee a certificate from a nationally recognized certified public accounting firm expressing
their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any
deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest
when due on all the Notes to maturity or redemption, as the case may be;

(iii) the Issuers deliver to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not
constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940;

(iv) the Issuers shall have delivered to the Trustee an Officer’s Certificate stating that the deposit was not made by the Issuers
with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or any Subsidiary Guarantor or others;

(v) in the case of the legal defeasance option, the Issuers will have delivered to the Trustee an Opinion of Counsel stating
that (A) the Issuers have received from, or there has been published by, the Internal Revenue Service a ruling, or (B) since the date of this Indenture there has
been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the
holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S.
federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not
occurred;

(vi) in the case of the covenant defeasance option, the Issuers will have delivered to the Trustee an Opinion of Counsel to the
effect that the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be
subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance
had not occurred; and

(vii) the Issuers deliver to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that all conditions
precedent to the defeasance and discharge of the Notes to be so defeased and discharged as contemplated by this Article VIII have been complied with.

(b) Before or after a deposit, the Issuers may make arrangements satisfactory to the Trustee for the redemption of such Notes at a
future date in accordance with Article V.

SECTION 8.3. Application of Trust Money. The Trustee will hold in trust money or U.S. Government Obligations deposited with it
pursuant to this Article VIII. It will apply the deposited money and the money from U.S. Government Obligations
156
SECTION 8.4. **Repayment to Issuers.** Anything herein to the contrary notwithstanding, the Trustee will deliver or pay to the Issuers from time to time upon Company Order any money or U.S. Government Obligations held by it as provided in this Article VIII which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect legal defeasance option or covenant defeasance option, as applicable, *provided* that the Trustee will not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this Section 8.4.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent will pay to the Issuers upon written request any money held by them for the payment of principal of or interest on the Notes that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuers for payment as general creditors.

SECTION 8.5. **Indemnity for U.S. Government Obligations.** The Issuers and the Subsidiary Guarantors, jointly and severally, will pay and will indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.6. **Reinstatement.** If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Issuers and each Subsidiary Guarantor under this Indenture, the Notes and the Guarantees will be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; *provided, however,* that, if any of the Issuers or the Subsidiary Guarantors has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Issuers or any Subsidiary Guarantor, as the case may be, will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE IX

**Amendments**

SECTION 9.1. **Without Consent of Holders.** Notwithstanding Section 9.2, the Notes Documents may be amended or supplemented by the Issuers, any Subsidiary Guarantor (with respect to this Indenture or a Subsidiary Guarantee to which it is a party), MYT Parent or the MYT Guarantor Entities (in respect of the MYT Limited Guarantee or
any related security documents), the Trustee and the Notes Collateral Agent, as applicable, without notice to or consent of any Holder:

(a) to cure any ambiguity, omission, mistake, defect or inconsistency identified in an Officer’s Certificate of the Issuer, which states that such cure is a good faith attempt by the Issuer to reflect the intention of the parties to this Indenture, delivered to the Trustee and the Notes Collateral Agent;

(b) to conform the text of the Notes Documents (including any supplemental indenture or other instrument pursuant to which Additional Notes are issued) to the “Description of Notes” in the Offering Circular or, with respect to any Additional Notes and any supplemental indenture or other instrument pursuant to which such Additional Notes are issued, to the “Description of Notes” relating to the issuance of such Additional Notes, solely to the extent that such “Description of Notes” provides for terms of such Additional Notes that differ from the terms of the Initial Notes, as contemplated by Section 2.2;

(c) to comply with Section 4.1;

(d) to provide for the assumption by a successor Person of the obligations of an Issuer or any Subsidiary Guarantor under and in accordance with this Indenture and the Notes or Subsidiary Guarantee, as the case may be;

(e) to provide for uncertificated Notes in addition to or in place of certificated Notes; provided, however, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code;

(f) to add or release Subsidiary Guarantees in accordance with the terms of the Notes Documents;

(g) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee or the Notes Collateral Agent for the benefit of the Holders, as additional security for the payment and performance of all or any portion of the Notes Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a Lien is required to be granted to or for the benefit of the Trustee or the Notes Collateral Agent pursuant to the Notes Documents or otherwise;

(h) to add to the covenants of the Issuers for the benefit of the Holders or to surrender any right or power herein conferred upon the Issuers, any Subsidiary Guarantor, MYT Parent or any MYT Entity;

(i) to make any change that does not adversely affect the rights of any Holder upon delivery to the Trustee of an Officer’s Certificate of the Issuer certifying the absence of such adverse effect;

(j) to comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA;
to make any amendment to the provisions of the Notes Documents relating to the transfer and legending of Notes as permitted by this Indenture, including to facilitate the issuance and administration of the Notes; provided, however, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(l) to evidence and provide for the acceptance of appointment by a successor Trustee, provided that the successor Trustee is otherwise qualified and eligible to act as such under the terms of this Indenture;

(m) to provide for or confirm the issuance of Additional Notes in accordance with this Indenture;

(n) to provide for the accession of any parties to the Security Documents or the Intercreditor Agreements, as applicable (and other amendments to such documents that in either case are administrative or ministerial in nature) in connection with an incurrence of additional Indebtedness to the extent permitted by the Notes Documents;

(o) to provide for the release of the Collateral from the Liens in accordance with the terms of this Indenture; or

(p) to enter into a Customary Intercreditor Agreement in connection with the incurrence of Junior Lien Indebtedness or Pari Passu Lien Indebtedness permitted by this Indenture;

provided that, for the avoidance of doubt, no co-obligor or co-issuer may be added (directly or indirectly) to the Notes without the consent of a majority in principal amount of the Notes then outstanding.

SECTION 9.2. With Consent of Holders.

(a) This Indenture and the Notes Documents, including the Notes, the Guarantees and the Security Documents may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and any existing or past Default or compliance with any provisions of such documents may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). However, without the consent of each Holder of a Note affected (including, for the avoidance of doubt, any Notes held by Affiliates), no amendment, supplement or waiver may (with respect to any Notes held by a non-consenting Holder):

(i) reduce the percentage of the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
(ii) reduce the rate of or extend the time for payment of interest on any Note;

(iii) reduce the principal of or change the Stated Maturity of any Note;

(iv) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration;

(v) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described under Section 5.1;

(vi) make any Note payable in money other than that stated in such Note;

(vii) impair the right of any Holder to receive payment of principal of, premium, if any, or interest on such Holder’s Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder’s Notes;

(viii) make any change in the amendment or waiver provisions of this Indenture that require each Holder’s consent, as described in clauses (i) through (xi);

(ix) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;

(x) make the Notes or any Guarantee subordinated in right of payment or “waterfall” priority to, in either case, any other Obligations;

(xi) release any Issuer or Subsidiary Guarantor from its Obligations under the Notes Documents, except in accordance with the terms of the Notes Documents; or

(xii) prior to the earlier of (a) a MYT Deposit Event and (b) the provision of MYT Alternate Security, release any MYT Guarantor from its MYT Limited Guarantee, except in accordance with the terms of the Notes Documents.

In addition, without the consent of the Holders of at least 66 2/3% in principal amount of the then outstanding Notes, no amendment, supplement or waiver may modify any Notes Document that would have the effect of (i) releasing all or substantially all of the Collateral from the Liens of the Security Documents (except as permitted by the terms of this Indenture or the Security Documents) or changing or altering the priority of Notes Liens on the Collateral or (ii) releasing all or substantially all of the “Collateral” (as defined in the MYT Guarantee and Collateral Agreement) or changing or altering the
priority of the Liens granted pursuant to the MYT Guarantee and Collateral Agreement (except as permitted by the terms thereof or any other Notes Document).

(b) The consent of the Holders under this Section 9.2 is not necessary to approve the particular form of any proposed amendment, but it will be sufficient if such consent approves the substance thereof.

(c) Additional Notes will be disregarded for purposes of any amendment or waiver relating to a Default or Event of Default that existed (disregarding any applicable notice, cure or grace periods) prior to the time of issuance of such Additional Notes.

(d) After an amendment under this Section 9.2 becomes effective, the Issuers will (or will cause the Trustee, at the expense of and at the written request of the Issuers, to) deliver to the Holders affected thereby a notice briefly describing such amendment. The failure of the Issuers to deliver such notice, or any defect therein, will not in any way impair or affect the validity of an amendment under this Section 9.2.

SECTION 9.3. Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note will bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder’s Note, even if notation of the consent or waiver is not made on the Note. After an amendment or waiver becomes effective, it will bind every Holder unless it makes a change described in clauses (i) through (ix) of Section 9.2(a), in which case the amendment or waiver or other action will bind each Holder who has consented to it and every subsequent Holder that evidences the same debt as the consenting Holder’s Notes. An amendment or waiver made pursuant to Section 9.2 will become effective upon receipt by the Trustee of the requisite number of written consents.

The Issuers may, but will not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, will be entitled to give such consent or to take any such action, whether or not such Persons continue to be Holders after such record date.

SECTION 9.4. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuers or the Trustee so determines, the Issuers in exchange for the Note will issue and the Trustee will authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note will not affect the validity of such amendment.

SECTION 9.5. Trustee To Sign Amendments. The Trustee and the Notes Collateral Agent, as the case may be, will sign any amendment, supplement or waiver
authorized pursuant to this Article IX if the amendment, supplement or waiver does not, in the sole determination of the Trustee or the Notes Collateral Agent, as the case may be, adversely affect the rights, duties, liabilities or immunities of the Trustee or the Notes Collateral Agent, as the case may be. If it does, the Trustee may but need not sign it. In signing any amendment, supplement or waiver pursuant to this Article IX, the Trustee and the Notes Collateral Agent, as the case may be, will be entitled to receive, and (subject to Section 7.1 and Section 7.2) will be fully protected in relying upon, an Officer’s Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by or complies with this Indenture, that all conditions precedent to such amendment required by this Indenture have been complied with and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuers, enforceable against the Issuers in accordance with its terms, subject to customary exceptions. Notwithstanding the foregoing, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantor under this Indenture.

ARTICLE X

Guarantees

SECTION 10.1. Guarantees.

(a) Subject to the provisions of this Article X, each Subsidiary Guarantor hereby jointly and severally, irrevocably, fully and unconditionally guarantees, on a senior basis, as guarantor and not as a surety, with each other Guarantor, the full and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, all Obligations of the Issuers under this Indenture and the Notes Documents (including interest that, but for the filing of a petition in any bankruptcy or other insolvency proceeding with respect to the Issuers, would have accrued on any Obligation, whether or not a claim is allowed against the Issuers for such interest in the related bankruptcy proceeding) to the Holders, the Trustee and each Agent, whether for payment of principal of, premium, if any, or interest on the Notes, expenses, indemnification or otherwise (all such obligations guaranteed by such Subsidiary Guarantors being herein called the “Guaranteed Obligations”). Each Subsidiary Guarantor agrees (to the extent lawful) that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article X notwithstanding any extension or renewal of any Subsidiary Guarantor Obligation.

(b) Each Subsidiary Guarantor waives (to the extent lawful) presentation to, demand of, payment from and protest to the Issuers of any of the Guaranteed Obligations and also waives (to the extent lawful) notice of protest for nonpayment. Each Subsidiary Guarantor waives (to the extent lawful) notice of any default under the Notes or the Guaranteed Obligations.

(c) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of

162
collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guaranteed Obligations.

(d) Except as set forth in Section 10.2 and Article VIII, the obligations of each Subsidiary Guarantor hereunder will not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guaranteed Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and will not (to the extent lawful) be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein will not (to the extent lawful) be discharged or impaired or otherwise affected by (i) the failure of any Holder, the Trustee or any Agent to assert any claim or demand or to enforce any right or remedy against the Issuers or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes, the Notes Collateral Agreement, the MYT Guarantee and Collateral Agreement or any other Notes Document; (iv) the release of any security held by any Holder, the Trustee or any Agent for the Guaranteed Obligations or any of them; (v) the failure of any Holder, the Trustee or any Agent to exercise any right or remedy against any other Guarantor; (vi) any change in the ownership of the Issuers; (vii) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (viii) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

(e) Each Subsidiary Guarantor agrees that its Subsidiary Guarantee herein will remain in full force and effect until payment in full of all the Guaranteed Obligations or such Subsidiary Guarantor is released from its Subsidiary Guarantee in compliance with Section 4.1, Section 10.2 and Article VIII. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein will continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest on any of the Guaranteed Obligations is rescinded or must otherwise be restored by any Holder, the Trustee or any Agent upon the bankruptcy or reorganization of the Issuers or otherwise.

(f) In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or any Agent has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Issuers to pay any of the Guaranteed Obligations when and as the same will become due, whether at maturity, by acceleration, by redemption or otherwise, each Subsidiary Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee or the Trustee on behalf of the Holders, the Trustee or any Agent an amount equal to the sum of (i) the unpaid amount of such Guaranteed Obligations then due and owing and (ii) accrued and unpaid interest on such Guaranteed Obligations then due and owing (but only to the extent not prohibited by law) (including

163
interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to the Issuers or any Subsidiary Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding).

(g) Each Subsidiary Guarantor further agrees that, as between such Subsidiary Guarantor, on the one hand, and the Holders, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed by this Guarantee may be accelerated as provided in this Indenture for the purposes of its Subsidiary Guarantee in this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed by this Guarantee and (ii) in the event of any such declaration of acceleration of such Guaranteed Obligations, such Guaranteed Obligations (whether or not due and payable) will forthwith become due and payable by the Guarantor for the purposes of this Subsidiary Guarantee.

(h) Each Subsidiary Guarantor also agrees to pay any and all reasonable costs and expenses (including reasonable attorneys’ fees) incurred by the Trustee or the Holders in enforcing any rights under this Guarantee.

(i) No Issuers or the Subsidiary Guarantors will be required to make a notation on the Notes to reflect any Subsidiary Guarantee or any release, termination or discharge thereof and any such notation will not be a condition to the validity of any Guarantee.

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Subsidiary Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law or the laws of the jurisdiction of organization of such Subsidiary Guarantor and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) A Subsidiary Guarantee by a Subsidiary Guarantor (other than Notes PropCo and Extended Term Loan PropCo) will be automatically and unconditionally released and discharged:

(i) upon the sale, exchange, disposition or other transfer (including through merger or consolidation) of the Capital Stock of such Subsidiary Guarantor to a party that is not an Affiliate of the Issuer, if after such transaction, the Subsidiary Guarantor is no longer a Subsidiary (so long as such transaction is permitted by this Indenture); or
(ii) upon the Issuers’ exercise of their legal defeasance option or covenant defeasance option under Section 8.1(b) or if the Issuers’ Obligations under this Indenture are discharged in accordance with the terms of this Indenture.

(c) The Notes PropCo Guarantee will be automatically and unconditionally released and discharged:

(i) upon the sale, exchange, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock of Notes PropCo to a party that is not an Affiliate of the Issuer, if after such transaction, Notes PropCo is no longer a Subsidiary (so long as such transaction is permitted by this Indenture); or

(ii) upon the Issuers’ exercise of their legal defeasance option or covenant defeasance option under Section 8.1(b) or if the Issuers’ Obligations under this Indenture are discharged in accordance with the terms of this Indenture.

(d) The Extended Term Loan PropCo Guarantee will be automatically and unconditionally released and discharged:

(i) upon the sale, exchange, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock of Extended Term Loan PropCo to a party that is not an Affiliate of the Issuer, if after such transaction, Extended Term Loan PropCo is no longer a Subsidiary (so long as such transaction is permitted by this Indenture); or

(ii) upon the Issuers’ exercise of their legal defeasance option or covenant defeasance option under Section 8.1(b) or if the Issuers’ Obligations under this Indenture are discharged in accordance with the terms of this Indenture.

(e) In the case of Section 10.2(b), the Issuers will deliver to the Trustee an Officer’s Certificate and Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(f) The release of a Subsidiary Guarantor from its Subsidiary Guarantee and its obligations under this Indenture in accordance with the provisions of this Section 10.2 will not preclude the future application of Section 3.11 to such Person.

SECTION 10.3. Right of Contribution. Each Subsidiary Guarantor hereby agrees that to the extent that any such Guarantor will have paid more than its proportionate share of any payment made on the obligations under its Guarantee, such Guarantor will be entitled to seek and receive contribution from and against the Issuers or any other Guarantor who have not paid their proportionate share of such payment. The provisions of this Section 10.3 will in no respect limit the obligations and liabilities of each Subsidiary Guarantor to the Trustee and the Holders and each Subsidiary Guarantor will remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.
SECTION 10.4. **No Subrogation.** Notwithstanding any payment or payments made by each Subsidiary Guarantor hereunder, no Guarantor will be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Issuers or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee, any Agent or any Holder for the payment of the Guaranteed Obligations, nor will any Subsidiary Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuers or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee, any Agent and the Holders by the Issuers on account of the Guaranteed Obligations are paid in full. If any amount will be paid to any Subsidiary Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations will not have been paid in full, such amount will be held by such Guarantor in trust for the Trustee, any Agent and the Holders, segregated from other funds of such Guarantor, and will, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guaranteed Obligations.

SECTION 10.5. **Limitations on Merger.** Subject to Section 4.1 and Section 10.2, a Subsidiary Guarantor will not, and the Issuer will not permit any Subsidiary Guarantor to, consolidate or merge with or into or wind up into (whether or not such Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(a) such Person is a Successor Guarantor;

(b) the Successor Guarantor (if other than such Subsidiary Guarantor) expressly assumes all the obligations of such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor’s Guarantee pursuant to a supplemental indenture or other documents or instruments;

(c) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Guarantor or any of its Subsidiaries as a result of such transaction as having been Incurred by the Successor Guarantor or such Subsidiary at the time of such transaction) no Default or Event of Default will have occurred and be continuing; and

(d) the Successor Guarantor (if other than such Subsidiary Guarantor) will have delivered or caused to be delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture; or

(e) such sale or disposition or consolidation or merger does not violate Section 3.7.

The Successor Guarantor will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor’s Guarantee,
and such Subsidiary Guarantor will automatically be released and discharged from its obligations under this Indenture and such Guarantor’s Guarantee. Notwithstanding the foregoing, (1) a Subsidiary Guarantor may merge or consolidate with an Affiliate of the Issuer incorporated or organized solely for the purpose of reincorporating or reorganizing such Guarantor in the United States, any state or territory thereof, the District of Columbia or the jurisdiction of such Guarantor, so long as the principal amount of Indebtedness of the Issuer and the Restricted Subsidiaries is not increased thereby and the Person resulting from such merger or consolidation is or becomes an Issuer or a Subsidiary Guarantor, (2) a Subsidiary Guarantor may consolidate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to an Issuer or another Subsidiary Guarantor, (3) a Subsidiary Guarantor may convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor or the laws of a jurisdiction in the United States, so long as such Subsidiary Guarantor remains a Subsidiary Guarantor and (4) any Restricted Subsidiary may merge into any Subsidiary Guarantor, provided that, in the case of this clause (4), the surviving Person will be a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia or the jurisdiction of organization of such Restricted Subsidiary or Subsidiary Guarantor and the surviving Person of such merger (if not the Guarantor) is or will become a Subsidiary Guarantor upon the consummation of such merger.

(b) Notwithstanding the foregoing, to the extent any real property interests that would otherwise be mortgaged as Extended Term Loan Priority Real Estate Collateral constitute Non-Mortgageable Leases (the “Extended Term Loan Priority PropCo Assets”), such Non-Mortgageable Leases shall be contributed to the Extended Term Loan PropCo, which shall grant a lease or license to the applicable Restricted Subsidiary of the Issuer to use the Extended Term Loan Priority PropCo Assets on terms consistent with Exhibit F in each case within time period described in clause (a).

In the event that Notes PropCo is formed, it shall grant a lease or license to the applicable Restricted Subsidiary of the Issuer to use the Notes Priority PropCo Assets on terms consistent with Exhibit F in each case within the time period described in clause (a).

(b) The Trustee is authorized and empowered to receive for the benefit of the Holders any funds collected or distributed to the Notes Collateral Agent under the Security Documents to which the Trustee is a party and, subject to the terms of the Security Documents, to make further distributions of such funds to the Holders according to the provisions of this Indenture.

(c) Subject to the provisions of Sections 7.1, 7.2, the Intercreditor Agreements and the Security Documents, the Trustee may, in its sole discretion and without the consent of the Holders, direct, on behalf of the Holders, the Notes Collateral Agent to take all actions it deems necessary or appropriate in order to, upon the occurrence and continuance of an Event of Default:

(i) foreclose upon or otherwise enforce any or all of the Liens granted pursuant to the Security Documents;

(ii) enforce any of the terms of the Security Documents to which the Notes Collateral Agent is a party; or

(iii) collect and receive payment of any and all Obligations.

Following an Event of Default, subject to the Intercreditor Agreements and at the Issuer’s sole cost and expense, the Trustee is hereby authorized and empowered by each Holder (by its acceptance thereof) to, subject to Sections 7.1 and 7.2 institute and maintain, or direct the Notes Collateral Agent to institute and maintain, such suits and proceedings as it may deem reasonably expedient to protect or enforce the Liens.
granted under the Security Documents to which the Notes Collateral Agent or Trustee is a party or to prevent any impairment of Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may deem reasonably expedient, at the Issuer’s sole cost and expense, to preserve or protect its interests and the interests of the Holders in the Collateral, including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Liens granted under the Security Documents or be prejudicial to the interests of Holders or the Trustee.

(a) Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents and the Intercreditor Agreements. In addition, the Issuer and the Subsidiary Guarantors will be entitled to the release of assets included in the Collateral from the Liens securing the Notes, and the Trustee shall (or, if the Trustee is not then the Notes Collateral Agent, shall direct the Notes Collateral Agent to) release the same from such Liens at the Issuer’s sole cost and expense, under any one or more of the following circumstances without the need for any further action by any Person:

   (i) as to any property or assets to enable the Issuers or the Subsidiary Guarantors to consummate the disposition of such property or assets to the extent not prohibited and otherwise in accordance with Section 3.7; provided, however, that if such property or assets, immediately prior thereto, were subject to any Lien securing any Obligations of the Issuers or Subsidiary Guarantors and such property or assets continue after such disposition to be subject to a Lien securing any such Obligations, no such release shall occur with respect to such property or assets;

   (ii) in the case of the property and assets of a Restricted Subsidiary that is a Subsidiary Guarantor, upon the release of such Subsidiary Guarantor from its Subsidiary Guarantee of the Notes;

For the avoidance of doubt, the assets of the MYT Guarantor Entities shall not be subject to the foregoing sentence and shall only be released in accordance with the provisions of the MYT Guarantee and Collateral Agreement.

(b) The security interests in all Collateral securing the Notes also will be released upon payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Obligations under this Indenture, the Notes, the Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest are paid, or upon the Issuers’
exercise of a legal defeasance option or covenant defeasance option under this Indenture as described under Article VIII.

(c) Upon the written request of the Issuer pursuant to an Officer’s Certificate and Opinion of Counsel stating that all conditions precedent hereunder and under the Security Documents have been met, and upon receipt of any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer or the Subsidiary Guarantors, as the case may be, the Notes Collateral Agent, without the consent of any Holder or the Trustee and at the expense of the Issuer or the Subsidiary Guarantors, shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this or the Security Documents.

SECTION 11.7. Filing, Recording and Opinions.

(a) The Issuer will comply with the provisions of Sections 314(b) and 314(d) of the TIA, in each case following qualification of this Indenture pursuant to the TIA. Any certificate or opinion required by Section 314(d) of the TIA may be made by an Officer of the Issuer except in cases where Section 314(d) of the TIA requires that such certificate or opinion be made by an independent engineer, appraiser or other expert, who shall be reasonably satisfactory to the Trustee. Notwithstanding anything to the contrary herein, the Issuer and the Subsidiary Guarantors will not be required to comply with all or any portion of Section 314(d) of the TIA if they determine, in good faith, after consultation with counsel (which may be internal counsel), that under the terms of that section and/or any interpretation or guidance as to the meaning thereof of the SEC and its staff, including “no action” letters or exemptive orders, all or any portion of Section 314(d) of the TIA is inapplicable to the released Collateral. Following such qualification, to the extent the Issuer is required to furnish to the Trustee an Opinion of Counsel pursuant to Section 314(b)(2) of the TIA, the Issuer will furnish such opinion not more than 60 but not less than 30 days prior to each October 15, commencing October 15, 2019.

Any release of Collateral permitted by Section 11.6 and this Section 11.7 will be deemed not to impair the Liens under this Indenture and the Security Documents in contravention thereof and any Person that is required to deliver an Officer’s Certificate or Opinion of Counsel pursuant to Section 314(d) of the TIA, shall be entitled to rely upon the foregoing as a basis for delivery of such certificate or opinion. The Trustee and the Notes Collateral Agent may, to the extent permitted by Section 7.1 and 7.2, accept as conclusive evidence of compliance with the foregoing provisions the appropriate statements contained in such documents and Opinion of Counsel.

(b) If any Collateral is released in accordance with this Indenture or any Security Document at a time when the Trustee is not itself also the Notes Collateral Agent and if the Issuer has delivered the certificates and documents required by the Security Documents and Section 11.6, the Trustee will deliver all documentation received by it in connection with such release to the Notes Collateral Agent.
SECTION 11.8. Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XI upon the Issuer or a Subsidiary Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Subsidiary Guarantor or of any officer or officers thereof required by the provisions of this Article XI and if the Trustee or the Notes Collateral Agent shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee or the Notes Collateral Agent, as the case may be.

SECTION 11.9. Voting. In connection with any matter under the Security Agreement requiring a vote of holders of Secured Obligations (as defined in the Security Agreement), the holders of such Secured Obligations shall be treated as a single class and the Holders shall cast their votes in accordance with this Indenture. The amount of the Notes to be voted by the Holders will equal the aggregate outstanding principal amount of the Notes. Following and in accordance with the outcome of the applicable vote under this Indenture, the Trustee shall vote the same proportion of the Notes in respect of any vote under the Security Agreement.

SECTION 11.10. Subject to the Intercreditor Agreements. This Indenture is entered into with the benefit of and subject to the terms of the Junior Lien Intercreditor Agreement and the ABL Intercreditor Agreement. By accepting a Note, each Holder is authorizing the Trustee and the Notes Collateral Agent to enter into the Junior Lien Intercreditor Agreement and the ABL Intercreditor Agreement on its behalf. Holders will be permitted to take enforcement action with respect to the Collateral only to the extent permitted under and in accordance with the Junior Lien Intercreditor Agreement and the ABL Intercreditor Agreement.

ARTICLE XII

Mutual Releases

Certain capitalized terms used in this Article XII are specifically defined for purposes of this section and are set forth at the end of this Article XII.

SECTION 12.1. Releases by the Company Releasing Parties. Effective as of the Effective Date, each Company Releasing Party, on behalf of itself, and to the extent a Company Releasing Party is not party to this Indenture, the Issuers or Subsidiary Guarantors on behalf of such Company Releasing Party, hereby conclusively, absolutely, unconditionally, irrevocably, and forever fully release, remise, and discharge each of the Released Parties (and each such Released Party shall be deemed forever released, remised, and discharged by or on behalf of the Company Releasing Parties) and their respective assets and properties from any and all Claims and Causes of Action, including any derivative claims asserted on behalf of any of the Company Releasing Parties, that the Issuers, Subsidiary Guarantors or any of the Company Releasing Parties would have been legally entitled to assert in their or its own right (whether individually or
collectively) or on behalf of the holder of any Claim against, or Equity Security in, a Company Releasing Party or other Person, based on or relating to, or in any manner arising from, in whole or in part, (i) the MyTheresa Designation, (ii) the MyTheresa Distribution, (iii) the Nancy Transaction, (iv) the formulation, preparation, dissemination, negotiation, or filing of the Transaction Support Agreement, the Definitive Documents, any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered into in connection with or pursuant to the Transaction Support Agreement or the Definitive Documents, or (v) the pursuit of consummation, the administration or implementation of any of the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith. Notwithstanding anything to the contrary in the foregoing, the releases by the Company Releasing Parties set forth above do not release any party or Entity from any post Effective Date obligations of any party or Entity under this Indenture, any other Definitive Documents, any Recapitalization Transaction, the Commitment Letter or any document, instrument, or agreement executed to implement the Recapitalization Transactions. Notwithstanding anything to the contrary in the foregoing, the releases set forth in clauses (iv) and (v) above do not release any Claim or Cause of Action that is determined by a final non-appealable judgment of a court of competent jurisdiction to have constituted fraud or willful misconduct. Nothing contained in the releases shall or shall be deemed to result in the waiving or limiting by any Sponsor or any officer, director, or employee of any Company Party of (a) any indemnification against, or expense reimbursement or advance by, any Company Party or any Company Party’s insurance carriers, (b) any rights as beneficiaries of any insurance policies, (c) any management fees, monitoring fees, or like fees and expenses, (d) wages, salaries, compensation, or benefits, or (e) any Equity Securities in any Company Party. Each Company Releasing Party hereby further agrees and covenants not to, and shall not, commence or prosecute, or assist or otherwise aid any other Person in the commencement or prosecution of, whether directly, derivatively or otherwise, any Released Claims. Notwithstanding the foregoing, or anything to the contrary in this Indenture, nothing in this Indenture shall or shall be deemed to (or is intended to) limit any of the Company Releasing Parties’ rights to assert or prosecute any affirmative defenses or otherwise raise any defense or take any action to defend itself or themselves, including any defense available under the Bankruptcy Code, in connection with any Claim or Cause of Action (whether direct or indirect) brought by any Person relating to any of the above-referenced Claims and Causes of Action arising from, in whole or in part, (x) the formulation, preparation, dissemination, negotiation, or filing of this Indenture, the Transaction Support Agreement, the Definitive Documents, or any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Transaction Support Agreement or the Definitive Documents, and (y) the pursuit of consummation, the administration and implementation of the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith. For the avoidance of doubt, the release by the Company Releasing Parties in this Section 12.1 is granted by or on behalf of each of the Company Releasing Parties in their capacities as Issuers or Subsidiary Guarantors, and on behalf of each of their Related Parties, in each case, in accordance with the terms.
and conditions set forth in this Indenture.

SECTION 12.2. Releases by the Stakeholder Releasing Parties. Effective as of the Effective Date, by accepting the Notes and the benefits of this Indenture, each Stakeholder Releasing Party, solely in its capacity as such, severally and not jointly, hereby conclusively, absolutely, unconditionally, irrevocably, and forever fully release, remise, and discharge each of the Released Parties (and each such Released Party shall be deemed forever released, remised, and discharged by or on behalf of the Stakeholder Releasing Parties) and their respective assets and properties from any and all Claims and Causes of Action, including any derivative claims asserted on behalf of any of the Company Releasing Parties or the Stakeholder Releasing Parties, that the Trustee or any of the Stakeholder Releasing Parties would have been legally entitled to assert in its or their own right (whether individually or collectively) or on behalf of the holders of any Claim against, or Equity Security in, a Company Releasing Party or other Person, based on or relating to, or in any manner arising from, in whole or in part, (i) the MyTheresa Designation, (ii) the MyTheresa Distribution, (iii) the Nancy Transaction, (iv) the formulation, preparation, dissemination, negotiation, or filing of the Transaction Support Agreement, the Definitive Documents, any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered into in connection with or pursuant to the Transaction Support Agreement or the Definitive Documents, or (v) the pursuit of consummation, the administration or implementation of any of the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith. Notwithstanding anything to the contrary in the foregoing, the releases by the Stakeholder Releasing Parties set forth above do not release any party or Entity from any post Effective Date obligations of any party or Entity under this Indenture, any other Definitive Documents, any Recapitalization Transaction, the Commitment Letter or any document, instrument, or agreement executed to implement the Recapitalization Transactions. Notwithstanding anything to the contrary in the foregoing, the releases set forth in clauses (iv) and (v) above do not release any Claim or Cause of Action that is determined by a final non-appealable judgment of a court of competent jurisdiction to have constituted fraud or willful misconduct. Nothing contained in the releases shall or shall be deemed to result in the waiving or limiting by any Sponsor or any officer, director, or employee of any Company Party of (a) any indemnification against, or expense reimbursement or advance by, any Company Party or any Company Party’s insurance carriers, (b) any rights as beneficiaries of any insurance policies, (c) any management fees, monitoring fees, or like fees and expenses, (d) wages, salaries, compensation, or benefits, or (e) any Equity Securities in any Company Party. Each Stakeholder Releasing Party hereby agrees and covenants not to, and shall not, commence or prosecute, or assist or otherwise aid any other Person in the commencement or prosecution of, whether directly, derivatively or otherwise, any Released Claims. Notwithstanding the foregoing or anything to the contrary in this Indenture, nothing in the releases or this Indenture shall or shall be deemed to (or is intended to) limit any of the Stakeholder Releasing Parties’ rights to assert or prosecute any affirmative defenses or otherwise raise any defense or take any action to defend itself or themselves, including any defense available under the Bankruptcy Code, in connection with any Claim or Cause of Action (whether direct or indirect) brought by any Person relating to any of the above-referenced Claims and Causes of Action arising from, in whole or in part, (x) the
formulation, preparation, dissemination, negotiation, or filing of this Indenture, the Transaction Support Agreement, the Definitive Documents, the
Commitment Letter, any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered into in
connection with the Transaction Support Agreement or the Definitive Documents, and (y) the pursuit of consummation, the administration and
implementation of the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith. For the avoidance of doubt,
the release by the Stakeholder Releasing Parties in this Section 12.2 is hereby granted by or on behalf of each of the Stakeholder Releasing Parties in
accordance with the terms and conditions set forth in this Indenture solely in in their capacities as Holders with respect to Notes that they hold, and on behalf
of their Related Parties, only to the extent that a Holder, acting in its capacity as a Holder, has the authority to bind such Related Party.

SECTION 12.3. No Additional Representations and Warranties. Each Releasing Party hereby agrees and acknowledges that, except as expressly provided in this Indenture and the Definitive Documents, no Released Party, in any capacity, has warranted or otherwise made any representations concerning any Released Claim (including any representation or warranty concerning the existence, non-existence, validity, or invalidity of any Released Claim). Notwithstanding the foregoing, nothing contained in this Indenture is intended to impair or otherwise derogate from any of the representations, warranties, or covenants expressly set forth in this Indenture or any of the Definitive Documents.

SECTION 12.4. Release of Unknown Claims. Each of the Releasing Parties hereby expressly acknowledges that although ordinarily a general release may not extend to any Released Claims which the Releasing Party does not know or suspect to exist in its favor, which if known by it may have materially affected its settlement with the party released, it has carefully considered and taken into account in determining to enter into the releases set forth under Article XII the possible existence of such unknown losses or claims. Without limiting the generality of the foregoing, each Holder, by its holding of a Note, and, on behalf of each Company Releasing Party, the Issuers and Subsidiary Guarantors, expressly waive and relinquish any and all rights such Releasing Party may have or conferred upon it under any federal, state, or local statute, rule, regulation, or principle of common law or equity which provide that a release does not extend to claims which the claimant does not know or suspect to exist in its favor or which such Releasing Party did not know or suspect to exist in such Releasing Party’s favor at the time of providing such releases, which in each case if known by it may have materially affected its settlement with any Released Party, including any rights under Section 1542 of the California Civil Code or any analogous applicable state or federal law or regulation. Each of the Releasing Parties hereby expressly acknowledges that the releases and covenants not to sue contained in this Indenture are effective regardless of whether those released matters or Released Claims are presently known or unknown, suspected or unsuspected, or foreseen or unforeseen.
To the extent that the releases set forth above include releases to which Section 1542 of the California Civil Code or similar provisions of other applicable law applies, it is the intention of each Holder (in its capacity as a holder of the Notes) and each Company Releasing Party that the releases described under Article XII are to be effective as a bar to any and all Claims and Causes of Action of whatsoever character, nature and kind, known or unknown, suspected or unsuspected specified in this Indenture. In furtherance of this intention, each Holder (in its capacity as a holder of the Notes) and each Company Releasing Party hereto expressly waives any and all rights and benefits conferred upon them by the provisions of Section 1542 of the California Civil Code or similar provisions of applicable law, which are as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

Each Holder (in its capacity as a holder of the Notes), and each Company Releasing Party acknowledges that the foregoing waiver of the provisions of Section 1542 of the California Civil Code was bargained for separately. Thus, notwithstanding the provisions of Section 1542 of the California Civil Code, and for the purpose of implementing a full and complete release and discharge of the Released Parties, each Holder (in its capacity as a holder of the Notes) and each Company Releasing Party expressly acknowledges that this Indenture is intended to include in its effect all of the Claims, Causes of Action and liabilities which the Releasing Parties and each Holder (in its capacity as a holder of the Notes) does not know or suspect to exist in their favor as of the Effective Date, and this Indenture contemplates extinguishment of all such Claims, Causes of Action and liabilities.

SECTION 12.5. Covenant to Refrain from Certain Actions. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS INDENTURE, FROM AND AFTER THE EFFECTIVE DATE, EACH OF THE RELEASING PARTIES HEREBY AGREES AND COVENANTS NOT TO, AND SHALL NOT, AND SHALL NOT ASSIST OR OTHERWISE AID ANY OTHER PERSON TO, (A) COMMENCE OR CONTINUE, IN ANY MANNER OR IN ANY PLACE, ANY SUIT, ACTION, OR OTHER PROCEEDING; (B) ENFORCE, ATTACH, COLLECT, OR RECOVER IN ANY MANNER ANY JUDGMENT, AWARD, DECREE, OR ORDER; (C) CREATE, PERFECT, OR ENFORCE ANY LIEN OR ENCUMBRANCE; (D) ASSERT A SETOFF, RIGHT OF SUBROGATION, OR RECOUPMENT OF ANY KIND; (E) COMMENCE OR CONTINUE IN ANY MANNER ANY ACTION OR OTHER PROCEEDING OF ANY KIND, OR (F) ASSIGN, TRANSFER, OR OTHERWISE DISPOSE OF ANY CLAIM OR CAUSE OF ACTION, IN EACH CASE, ON ACCOUNT OF OR WITH RESPECT TO ANY RELEASED CLAIM OR ANY CLAIM OR CAUSE OF ACTION THAT WILL BE A RELEASED CLAIM ON THE EFFECTIVE DATE. NOTHING IN THIS INDENTURE SHALL OR BE DEEMED TO
SECTION 12.6. **Turnover of Subsequently Recovered Assets.** Subject to the occurrence of the Effective Date, in the event that the Trustee, the Issuers, Subsidiary Guarantors or any Releasing Party (including any successor or assignee thereof) receives any funds, property, or value on account of any Claims, Causes of Action, or litigation against Parent or the MYT Entities (or any direct or indirect parent company of such entities) arising from the MyTheresa Designation or the MyTheresa Distribution (collectively, the “Specified Claims”), the Trustee, the Notes Collateral Agent, the Issuers, Subsidiary Guarantors or such Releasing Party shall promptly turn over and assign any such funds, property, or value (including any Equity Securities in any of the MYT Entities or proceeds of such Equity Securities, or any increased recoveries resulting therefrom) to, at the election of Parent, Parent or the applicable MYT Entity. Parent or the applicable MYT Entity shall distribute any such recoveries turned over or assigned to it in accordance with the MYT Waterfall, to the extent applicable. Notwithstanding anything to the contrary contained in this Indenture (but subject to the immediately following paragraph below), Parent shall be entitled to enforce the provisions of this paragraph on behalf of Parent or any MYT Entity. (b) In the event of an Asset Sale, Holders of the Notes may have the right to cause the Company to offer to repurchase the Notes as provided in Sections 3.7 and 5.8 of the Indenture.

9. **Intercreditor Agreements**

By accepting a Note, each Holder is authorizing the Trustee and the Notes Collateral Agent to enter into the Junior Lien Intercreditor Agreement and the ABL Intercreditor Agreement on its behalf. Holders will be permitted to take enforcement action with respect to the Collateral only to the extent permitted under and in accordance with the Junior Lien Intercreditor Agreement and the ABL Intercreditor Agreement.

10. **Denominations; Transfer; Exchange**

The Notes will be issuable only in minimum denominations of $2,000.00 and integral multiples of $1.00 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes for a period beginning on the Record Date immediately preceding an Interest Payment Date and ending on such Interest Payment Date.

11. **Persons Deemed Owners**

The registered Holder of this Note may be treated as the owner of it for all purposes, provided that, notwithstanding anything to the contrary in this Note, solely for purposes of determining whether any notice, direction, action to be taken or consent to be given under the Indenture is authorized, provided or given (as the case may be) by a sufficient aggregate principal amount of Notes, an owner of a beneficial interest in a Global Note shall be treated as a Holder, and the Trustee shall accept reasonable evidence of such beneficial interest provided by such owner (which may be in the form of “screenshots” of such owner’s position).

12. **Unclaimed Money**

If money for the payment of the principal of or premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Issuers at their request unless an abandoned property law designates another person. After any such payment, Holders entitled to the money must look only to the Issuers and not to the Trustee for payment.
13. **Discharge and Defeasance**

Subject to certain conditions set forth in the Indenture, the Issuers at any time may terminate some or all of their obligations under the Notes and the Indenture if the Issuers irrevocably deposit in trust with the Trustee money or U.S. Government Obligations (sufficient, without reinvestment, in the opinion of a nationally-recognized certified public accounting firm) for the payment of principal, premium (if any) and interest on the Notes to redemption or maturity, as the case may be.

14. **Amendment, Waiver**

The Indenture and the Notes may be amended or waived as set forth in Article IX of the Indenture.

15. **Defaults and Remedies**

Events of Default will be as set forth in Article VI of the Indenture.

Holders may only enforce the Indenture or the Notes as provided in the Indenture.

16. **Trustee Dealings with the Issuers**

Subject to certain limitations set forth in the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee.

17. **No Recourse Against Others**

No manager, managing director, director, officer, employee, incorporator or Holder of any Equity Interests in the Issuers, any Subsidiary or any Parent Entity, as such, will not have any liability for any obligations of the Issuers or any Subsidiary Guarantor under the Notes, the Indenture or the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release will be part of the consideration for the issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

18. **Authentication**

This Note will not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.
19. **Abbreviations**

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entirety), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian) and U/G/M/A (=Uniform Gift to Minors Act).

20. **CUSIP Numbers**

Pursuant to a recommendation promulgated by the Committee on Uniform Note Identification Procedures the Issuers have caused CUSIP numbers to be printed on the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers placed thereon.

21. **Successor Entity**

When a successor entity assumes, in accordance with the Indenture, all the obligations of its predecessor under the Notes and the Indenture, and immediately before and thereafter no Default or Event of Default exists and all other conditions of the Indenture are satisfied, the predecessor entity will be released from those obligations.

22. **Governing Law**

This Note will be governed by, and construed in accordance with, the laws of the State of New York, without regard to the conflicts of laws principles of any jurisdiction that would indicate the applicability of the law of any other jurisdiction.

   (a) Subtenant shall pay to Landlord directly on behalf of Sublandlord annual fixed rental (hereinafter called “Base Rent”) for the Leased Premises equal to the [Base Rent] (as defined in the Prime Lease) payable by Sublandlord to Landlord under the Prime Lease. Base Rent shall be due and payable pursuant to the terms and provisions of the Prime Lease.

   (b) All Base Rent and Additional Rent (as defined below) shall be paid directly to Landlord at the address designated under the Prime Lease or by notice from Landlord or at such other place as Sublandlord may designate by notice to Subtenant.

4. **Additional Rent; Payments; Interest.**

   (a) In addition to Base Rent, Subtenant shall also pay to Sublandlord all other charges, costs, expenses, fees and other amounts, including real property taxes and assessments, sewer rents, utilities, common area charges, and percentage or contingent rent, including late payments, interest, and costs and fees of collection, including attorney fees (collectively “Additional Rent”) payable by Sublandlord under the Prime Lease. Without limiting the foregoing, Subtenant shall maintain and provide to Landlord all reports and accountings with respect to rent, issues and profits and percentage rent of Subtenant with respect to the Leased Premises required under the Prime Lease.

   (b) Each amount due pursuant to Subsection 4(a) above and each other amount payable by Subtenant hereunder, unless a date for payment of such amount is provided for elsewhere in this Sublease, shall be due and payable no later than the date on which any such amount is due and payable under the Prime Lease.

   (c) All amounts other than Base Rent payable to, or on behalf of, Sublandlord under this Sublease shall be deemed to be additional rent due under this Sublease. All past due installments of Base Rent and additional rent shall bear interest from the date that is the earlier of the date provided in the Prime Lease for the applicable payment or five (5) business days following receipt of written notice thereof from Sublandlord until paid at the rate per annum equal to the greater of the rate provided in the Prime Lease or three percent (3%) in excess of the Prime Rate (as hereinafter defined) (the “Default Rate”) in effect from time to time, which rate shall change from time to time as of the effective date of each change in the Prime Rate, unless a lesser rate shall then be the maximum rate permissible by law with respect thereto, in which event said lesser rate shall be charged. For the purposes of this Sublease, the term “Prime Rate” shall mean the base rate on corporate
loans at large U.S. money centers or commercial banks as published from time to time by the Wall Street Journal.

(d) As and to the extent provided in the Prime Lease or as Landlord and Subtenant may otherwise agree, Subtenant shall pay Landlord on the due dates as provided in the Prime Lease or as otherwise agreed by the parties, for all services requested by Subtenant which are billed by Landlord directly to Subtenant rather than Sublandlord, all of which shall constitute Additional Rent.

5. **Condition of Leased Premises.** Subtenant, as the present occupant and operator of the Leased Premises, acknowledges and agrees that it takes the Leased Premises “as is”, “where is” and “with all faults”, and that Sublandlord does not make any warranties, representations or promises with respect to the Leased Premises or the Prime Lease of any kind whatsoever, express or implied, including without limitation with respect to state of title, physical condition or environmental condition, or fitness for any particular use. Subtenant’s taking possession of the Leased Premises pursuant to this Sublease shall be conclusive evidence as against Subtenant that the Leased Premises were in good order and satisfactory condition when Subtenant took possession. No promise of Sublandlord to alter, remodel or improve the Leased Premises, except as may be expressly provided herein, and no representation respecting the condition of the Leased Premises have been made by Sublandlord to Subtenant. Upon the expiration of the term hereof, or upon any earlier termination of the term hereof or of Subtenant’s right to possession (including any rejection of this Sublease in bankruptcy), Subtenant shall surrender the Leased Premises in the condition required pursuant to the Prime Lease (including environmental matters).

6. **The Prime Lease.**

(a) This Sublease and all rights, privileges and interests of Subtenant hereunder and with respect to the Leased Premises are subject to all of the terms, conditions, covenants, warranties, representations and provisions of the Prime Lease. Notwithstanding any provision to the contrary in the Assignment, as between Sublandlord and Subtenant, Subtenant hereby assumes and agrees to perform faithfully and be bound by, with respect to the Leased Premises, all of Sublandlord’s obligations, warranties, representations, covenants, agreements, provisions and liabilities under the Prime Lease and all terms, conditions, provisions and restrictions contained in the Prime Lease. Without limitation of the foregoing:

(i) Subtenant shall not make any changes, alterations or additions in or to the Leased Premises except as otherwise expressly provided in the Prime Lease or herein;

(ii) If Subtenant desires to take any other action and the Prime Lease would require that Sublandlord obtain the consent of Landlord before undertaking any action of the same kind, Subtenant shall not undertake the same without the prior written consent of Landlord and Sublandlord. Sublandlord may condition its consent on the consent of Landlord being obtained and may require Subtenant to contact Landlord directly for such consent. All such consents shall be at the sole cost and expense of Subtenant;

F-3
Sublandlord shall have the right during all normal business hours upon reasonable prior notice to Subtenant to enter upon and inspect the Leased Premises. Without limiting the foregoing, all rights given to Landlord and its agents and representatives by the Prime Lease to enter and/or inspect the Leased Premises shall inure to the benefit of Sublandlord and their respective agents and representatives with respect to the Leased Premises;

Sublandlord shall also have all other rights, and all privileges, options, reservations and remedies, granted or allowed to, or held by, Landlord under the Prime Lease;

Subtenant shall maintain insurance of the kinds and in the amounts required to be maintained by Sublandlord under the Prime Lease; and

Subtenant shall not do anything or suffer or permit anything to be done which could result in a default or breach under the Prime Lease or permit the Prime Lease, with the passage of time or the service of notice or both, to be cancelled or terminated (or which could limit or prohibit Sublandlord from exercising any option or right of renewal, first negotiation, first refusal or right of expansion under the Prime Lease).

In addition to the other covenants and obligations under this Sublease and the Prime Lease as incorporated herein, and without limitation of the foregoing, Sublandlord agrees as follows, subject in each case to the due and punctual performance and observance of all covenants and obligations of Subtenant hereunder:

Sublandlord shall not do anything which could reasonably be expected to result in a default under the Prime Lease; provided, however, that Sublandlord shall not be in default of this covenant to the extent the default under the Prime Lease is caused or attributable (in whole or in part) by Subtenant, its shareholders, partners, members, directors, officers, employees, agents, customers or invitees.

Sublandlord shall not amend, modify or terminate the Prime Lease, without the prior written consent of Subtenant, which may be withheld in its sole discretion to the extent the same could increase Subtenant’s liabilities or obligations under this Sublease.

If any action to be taken by Subtenant or any other matter would require the consent or approval of Sublandlord under this Sublease, but not Landlord under the Prime Lease, Sublandlord’s consent or approval shall not be unreasonably withheld, conditioned or delayed. If any action to be taken by Subtenant or any other matter would require the consent or approval of Landlord under the Prime Lease, (i) Sublandlord shall be deemed to have consented to or approved such request if Landlord consents to or approves the same, and (ii) Sublandlord shall be deemed not to have consented to or approved such request if Landlord does not consent to or approve the same.
(c) Notwithstanding anything contained herein or in the Prime Lease which may appear to be to the contrary, Sublandlord and Subtenant hereby agree as follows:

(i) Subtenant shall not assign, mortgage, pledge, hypothecate, or otherwise transfer or permit the transfer of this Sublease or any interest of Subtenant in this Sublease, directly or indirectly, by operation of law or otherwise, or permit the use of the Leased Premises or any part thereof by any persons other than Subtenant and Subtenant’s employees, or sublet the Leased Premises or any part thereof;

(ii) in the event of any condemnation or casualty damage or destruction of the Leased Premises, Sublandlord shall have no obligation to restore the Leased Premises, all such obligations (if any) of Sublandlord as the tenant under the Prime Lease (if any) to be performed by Subtenant; provided that neither rental nor additional rent or other payments hereunder shall abate or be suspended by reason of any condemnation, damage to or destruction of the Leased Premises or any part thereof, unless, and then only to the extent that, rental and additional rent and such other payments actually abate under the Prime Lease with respect to the Leased Premises on account of such event;

(iii) Subtenant shall not have any right to any portion of the proceeds of any award for a condemnation or other taking, or a conveyance in lieu thereof, of all or any portion of the Leased Premises;

(iv) Subtenant shall not have any right to exercise or have Sublandlord exercise any option under the Prime Lease, including, without limitation, any option or right of first refusal, first negotiation or first offer to extend the term of the Prime Lease or lease additional space; and

(v) In the event of any conflict between the terms, conditions and provisions of the Prime Lease and of this Sublease, the terms, conditions and provisions of the Prime Lease shall, in all instances, govern and control.

(d) It is expressly understood and agreed that Sublandlord does not assume and shall not have any of the obligations or liabilities of Landlord under the Prime Lease and that Sublandlord is not making the representations or warranties, inducements, rent or other concessions or abatements, allowances, tenant improvements or landlord’s work, if any, made by Landlord in the Prime Lease. With respect to work, services, repairs and restoration or the performance of other obligations required of Landlord under the Prime Lease, Sublandlord’s sole obligation with respect thereto shall be to request the same, upon written request from Subtenant, and to use reasonable efforts to obtain the same from
Landlord. Sublandlord shall not be liable in any respect, in damages or otherwise, nor shall rent abate hereunder, for or on account of any failure by Landlord to perform the obligations and duties imposed on it under the Prime Lease.

(e) Nothing contained in this Sublease shall be construed to create privity of estate or contract between Subtenant and Landlord, unless Subtenant attorns to Landlord by written instrument.

(f) Nothing contained in this Sublease shall be construed to release the Sublandlord of any of its obligations or liabilities owed to Landlord under the Prime Lease.

7. **Default by Subtenant**

(a) Upon the happening of any of the following:

(i) Subtenant fails to pay any Base Rent or Additional Rent within five (5) days after the date it is due;

(ii) Subtenant fails to pay any other amount due from Subtenant hereunder and such failure continues for five (5) business days after notice thereof from Sublandlord to Subtenant;

(iii) Subtenant fails to perform or observe any other covenant, obligation or agreement set forth in this Sublease and such failure continues until the earlier of (1) ten (10) business days after notice thereof from Sublandlord to Subtenant or (2) any earlier date specified for default under the Prime Lease, any Superior Interest or any Ancillary Document, as the case may be; or

(iv) any other event occurs which involves Subtenant or the Leased Premises or any part thereof and which would constitute a default under the Prime Lease if it involved Sublandlord (or any agent, representative, officer, director, manager or shareholder of Subtenant) or the Leased Premises, subject to any notice and cure periods thereunder;

Subtenant shall be deemed to be in default hereunder, and Sublandlord may exercise, without any further demand or notice, and without limitation of any other rights and remedies available to it hereunder or at law or in equity, all of which rights are hereby expressly reserved, any and all of the equivalent rights and remedies of Landlord set forth in the Prime Lease with respect to the Leased Premises in the event of a default by Sublandlord thereunder (including without limitation the right to terminate this Sublease and recover possession of the Leased Premises free of all rights and interests of Subtenant).

(b) In the event Subtenant fails or refuses to make any payment or perform any covenant, obligation or agreement to be performed hereunder by Subtenant, Sublandlord may make such payment or undertake to perform such covenant, obligation or agreement (but shall not have any obligation to Subtenant to do so). In such event, all amounts so paid and all amounts expended in undertaking such performance, together with all costs,
expenses and reasonable attorneys' fees incurred by Sublandlord or Landlord in connection therewith, together with interest at the Default Rate, shall be additional rent hereunder.

8. **Nonwaiver.** Failure of Sublandlord to declare any default or delay in taking any action, or partial exercise of any rights or remedies, in connection therewith shall not waive such default. No receipt of moneys or performance of obligations by Sublandlord from Subtenant after the termination in any way of the term or of Subtenant’s right of possession hereunder or after the giving of any notice of termination or eviction shall reinstate, continue or extend the term or Subtenant’s right of occupancy or possession or affect any notice given to Subtenant or any suit commenced or judgment entered prior to receipt of such moneys or performance of obligations.

9. **Cumulative Rights and Remedies.** All rights and remedies of Sublandlord under this Sublease shall be cumulative and none shall exclude any other rights or remedies allowed by law.

10. **Waiver of Claims and Indemnity.**

   (a) Subtenant hereby releases and waives any and all claims against Landlord and Sublandlord and each of their respective officers, directors, partners, agents and employees for injury or damage to person, property or business sustained in or about the Leased Premises by Subtenant other than by reason of gross negligence or willful misconduct and except in any case which would render this release and waiver void under applicable law.

   (b) Subtenant agrees to indemnify, defend and hold harmless Landlord and its beneficiaries, Sublandlord and each of their respective officers, directors, partners, agents and employees, from and against any and all claims, demands, liabilities, costs and expenses of every kind and nature, including reasonable attorneys’ fees and litigation expenses, arising out of or with respect to or from Subtenant’s use, possession or occupancy (or rights thereto) of the Leased Premises (including such use, possession or occupancy by Subtenant prior to the commencement of the Term in its capacity as prior tenant under the Prime Lease), or any events or occurrences on, under, or about the Leased Premises, Subtenant’s construction or authorization of any work or leasehold improvements in the Leased Premises or from any breach or default on the part of Subtenant in the performance of any agreement, covenant, obligation, warranty or representation of Subtenant to be performed or performed under this Sublease or pursuant to the terms of this Sublease, or from any act or neglect of Subtenant or its agents, officers, employees, guests, servants, invitees or customers in or about the Leased Premises, other than by reason of gross negligence or willful misconduct on the part of any of the foregoing indemnitees. In case any action or proceeding is brought against any of said indemnified parties, Subtenant covenants, if requested by Sublandlord, to defend such proceeding at its sole cost and expense by legal counsel reasonably satisfactory to Sublandlord (and, if provided in the Prime Lease, by Landlord).

   (c) Subtenant acknowledges that prior to the assignment to, and assumption by, Sublandlord of the Prime Lease, Subtenant was the tenant under the Prime Lease, and agrees that all of Subtenant’s liabilities and obligations under this Sublease, including,
without limitation, Subtenant’s indemnification obligations under Section 10(b), shall apply to the extent such liabilities or obligations arise from any matter first arising or accruing during Subtenant’s tenancy and occupancy of the Leased Premises under the Prime Lease (the “Subtenant Occupancy Period”). Sublandlord acknowledges and agrees that such obligations of Subtenant shall not apply to any matter first arising or accruing during the period of time (i) prior to the Subtenant Occupancy Period, or (ii) after the expiration or earlier termination of the Term of this Sublease, except to the extent such liabilities or obligations expressly survive such expiration or termination.

11. Waiver of Subrogation. Anything in this Sublease to the contrary notwithstanding, Sublandlord and Subtenant each hereby waive any and all rights of recovery, claims, actions or causes of action against the other and the officers, directors, partners, agents and employees of each of them, and Subtenant hereby waives any and all rights of recovery, claims, actions or causes of action against Landlord and its agents and employees for any loss or damage that may occur to the Leased Premises, or any improvements thereto, or any personal property of any person therein, by reason of fire, the elements or any other cause insured against under valid and collectible fire and extended coverage insurance policies, regardless of cause or origin, including negligence, except in any case which would render this waiver void under law, to the extent that such loss or damage is actually recovered under said insurance policies.

12. Successors and Assigns. This Sublease shall be binding upon and inure to the benefit of the successors and assigns of Sublandlord and shall be binding upon and inure to the benefit of the successors of Subtenant and, to the extent any such assignment may be approved, Subtenant’s assigns. The provisions of Subsection 6(e) and Sections 10 and 11 hereof shall inure to the benefit of the successors and assigns of Landlord.

13. Entire Agreement. This Sublease contains all the terms, covenants, conditions and agreements between Sublandlord and Subtenant relating in any manner to the rental, use and occupancy of the Leased Premises. No prior agreement or understanding pertaining to the same shall be valid or of any force or effect. The terms, covenants and conditions of this Sublease cannot be altered, changed, modified or added to except by a written instrument signed by Sublandlord and Subtenant.

(a) In the event any notice from the Landlord or otherwise relating to the Prime Lease is delivered to the Leased Premises or is otherwise received by Subtenant, Subtenant shall, as soon thereafter as possible deliver such notice to Sublandlord if such notice is written or advise Sublandlord thereof by telephone if such notice is oral.

(b) Notices and demands required or permitted to be given by either party to the other with respect hereto or to the Leased Premises shall be in writing and shall not be effective for any purpose unless the same shall be served either by personal delivery with a receipt requested, by overnight air courier service or by United States certified or registered mail, return receipt requested, postage prepaid; provided, however, that all

To the extent any such promissory note is a demand note, each Grantor party thereto agrees, if requested by the Collateral Agent, to immediately demand payment thereunder upon an Event of Default unless such demand would not be commercially reasonable or would otherwise expose such Grantor to liability to the maker.

(3) except for the security interests granted hereunder, each Grantor:

   (d) subject to the rights of such Grantor under the Notes Documents to dispose of Pledged Collateral, will use commercially reasonable efforts to defend its title or interest hereto or therein against any and all Liens (other than Permitted Liens), however arising, of all Persons;

(4) other than as set forth in the Indenture or the schedules thereto, and except for restrictions and limitations imposed by the Notes Documents or securities laws generally or otherwise permitted to exist pursuant to the terms of the Indenture, the Pledged Stock (other than Pledged Stock that is partnership interests) is and will continue to be freely transferable and assignable, and, except for limitations existing on the Issue Date in the articles or certificate of incorporation, bylaws or other organizational documents of any Subsidiary that is not a wholly owned Subsidiary, none of the Pledged Stock is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law provisions or contractual restriction of any nature that would prohibit, impair, delay or otherwise affect
the pledge of such Pledged Stock hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder;

(5) each Grantor has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(7) as of the Issue Date, this Agreement is effective to create in favor of the Collateral Agent (for the benefit of the Secured Parties) a legal, valid and enforceable security interest in the Collateral described herein and proceeds thereof;

(8) as of the Issue Date, none of the Equity Interests in limited liability companies or partnerships that are pledged by the Grantors hereunder constitute a security under Section 8-103 of the UCC or the corresponding code or statute of any other applicable jurisdiction; and

(9) the Grantors shall not amend, or permit to be amended, the limited liability company agreement (or operating agreement or similar agreement) or partnership agreement of any subsidiary of any Grantor whose Equity Interests are, or are required to be, Collateral hereunder in a manner to cause such Equity Interests to constitute a security under Section 8-103 of the New York UCC or the corresponding code or statute of any other applicable jurisdiction unless such Grantor shall have first delivered reasonable prior written notice to the Collateral Agent and shall have taken all actions contemplated hereby to maintain the security interest of the Collateral Agent therein as a valid, perfected security interest with the Required Collateral Lien Priority, and subject to the relative priorities set forth in the Intercreditor Agreements.

SECTION 3.04. Registration in Nominee Name; Denominations. (b) the Collateral Agent will, at the cost and expense of the requesting Grantor, promptly execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (a) above; and

(c) each Grantor will be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Indenture, the other Notes Documents and applicable laws; provided that (i) any noncash dividends, interest, principal or other distributions, payments or other consideration in respect thereof, including any rights to receive the same to the extent not so distributed or paid, that would constitute Pledged Securities, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities, received in exchange for Pledged Securities or any part thereof, or in redemption thereof, as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise and (ii) any noncash dividends and other distributions paid or payable in respect of any Pledged Securities that would constitute Pledged Securities in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid in surplus, will be and become part of the Pledged Collateral, and, if received by any Grantor, will not be commingled by such Grantor with any of its other funds or property, but will be held separate and apart therefrom, will be held in trust for the benefit of the Collateral Agent, for the benefit of the Secured Parties, and will be forthwith delivered to the Collateral Agent, for the benefit of the Secured Parties, in the same form as so received (endorsed to the Collateral Agent).

(2) Upon the occurrence and during the continuance of an Event of Default and after at least one (1) Business Day’s prior written notice by the Collateral Agent to the Issuer of the Collateral Agent’s intention to exercise its rights hereunder, all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (1)(c) of this Section 3.05 will cease, and all such rights will thereupon become vested, for the benefit of the Secured Parties, in the Collateral Agent,

Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (3), subject to the Intercreditor Agreements, will be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and will be applied in accordance with the provisions of Section 5.02 hereof. After all such Events of Default have been cured or waived, the Collateral Agent will promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (1)(c) of this Section 3.05 and that remain in such account.

(4) Upon the occurrence and during the continuance of an Event of Default and after the Collateral Agent shall have given at least one (1) Business Day’s prior written notice to the Issuer of the Collateral Agent’s intention to exercise its rights hereunder, all rights of any Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (1)(a) of this Section 3.05, and the obligations of the Collateral Agent under paragraph (1)(b) of this Section 3.05, will cease, and all such rights will thereupon become vested in the Collateral Agent, for the benefit of the Secured Parties, which will have the sole and exclusive right and authority to exercise such voting and consensual rights and powers (subject to the Intercreditor Agreements); provided that the Collateral Agent will have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights. After all such Events of Default have been cured or waived, each Grantor will have the right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (1)(a) above.

The Security Interest has and shall have the Required Collateral Lien Priority on any of the Article 9 Collateral subject to Permitted Liens.

The Article 9 Collateral is owned by the Grantors free and clear of any Lien, other than Permitted Liens. None of the Grantors has filed or consented to the filing after the Issue Date of (a) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral; (b) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office; or (c) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.

None of the Grantors holds any Commercial Tort Claim individually in excess of $5.0 million as of the Issue Date except as indicated on Schedule IV.

The names of the obligors, amounts owing, due dates and other information with respect to each Grantor’s Accounts and Chattel Paper that are Collateral are and will be correctly stated, at the time furnished, in all records of such Grantor relating thereto and in all invoices furnished to the Collateral Agent by such Grantor from time to time.

As to itself and its Article 9 Collateral consisting of Intellectual Property (the “Intellectual Property Collateral”), to each Grantor’s knowledge, as of the Issue Date:
The Intellectual Property Collateral set forth on Schedule II includes all of the material Patents, registered Trademarks and registered Copyrights owned by such Grantor as of the date hereof (including all such registered with the United States Patent and Trademark Office or United States Copyright Office);

The Intellectual Property Collateral owned by such Grantors has not been adjudged invalid or unenforceable in whole or part (except for office actions issued in the ordinary course by the United States Patent and Trademark Office or any similar office in any foreign jurisdiction), and is valid and enforceable, except as would not reasonably be expected to have a Material Adverse Effect. Such Grantor is not aware of any uses of any item of Intellectual Property Collateral that would be expected to lead to such item becoming invalid or unenforceable, except as would not reasonably be expected to have a Material Adverse Effect;

Such Grantor has made or performed in the ordinary course of Grantor’s business, acts, including filings, recordings and payment of all required fees and taxes, required to maintain and protect its interest in each and every item of Intellectual Property Collateral owned by such Grantor in full force and effect in the United States, and such Grantor has used proper statutory notice in connection with its use of each Patent, Trademark and Copyright owned by such Grantor in the Intellectual Property Collateral, in each case, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect;

With respect to each IP Agreement, the absence, termination or violation of which would reasonably be expected to have a Material Adverse Effect: (A) such Grantor has not received any notice of termination or cancellation under such IP Agreement; (B) such Grantor has not received any notice of a breach or default under such IP Agreement, which breach or default has not been cured or waived; and (C) neither such Grantor nor any other party to such IP Agreement is in breach or default thereof in any material respect, and no event has occurred that, with notice or lapse of time or both, would constitute such a breach or default or permit termination, modification or acceleration under such IP Agreement.

Except as would not reasonably be expected to have a Material Adverse Effect, no Grantor or Intellectual Property Collateral owned by such Grantor is subject to any outstanding consent, settlement, decree, order, injunction, judgment or ruling restricting the use of any Intellectual Property Collateral owned by such Grantor or that would impair the validity or enforceability of such Intellectual Property Collateral owned by such Grantor.

SECTION 4.03. Covenants.

(1) Each Grantor agrees to furnish to the Collateral Agent five Business Days prior written notice of any change in such Grantor’s:

(a) corporate or organization name;

(b) organizational structure;
(d) organizational identification number (or equivalent) or, solely if required for perfecting a security interest in the applicable jurisdiction, Federal Taxpayer Identification Number.

No Grantor will effect or permit any such change unless all filings have been made, or will be made within any statutory period, under the Uniform Commercial Code or otherwise that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest, for the benefit of the applicable Secured Parties, in all Collateral held by such Grantor.

(2) Subject to the rights of such Grantor under the Notes Documents to dispose of Collateral and except as would otherwise be permitted by the Indenture, each Grantor will, at its own expense, use commercially reasonable efforts to defend title to the Article 9 Collateral against all Persons and to defend the Security Interest of the Collateral Agent, for the benefit of the Secured Parties, in the Article 9 Collateral and the Required Collateral Lien Priority thereof against any Lien that is not a Permitted Lien.

(3) Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as may from time to time be reasonably necessary to preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith.

(4) If any amount payable under or in connection with any of the Article 9 Collateral that is in excess of $5.0 million is or becomes evidenced by any promissory note or other instrument, such note or instrument, subject to the Intercreditor Agreements, will be promptly pledged and delivered to the Collateral Agent, for the benefit of the Secured Parties, duly endorsed to the Collateral Agent.

(5) After the occurrence of an Event of Default and during the continuance thereof, the Collateral Agent will have the right to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Article 9 Collateral, including, in the case of Accounts or Article 9 Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Article 9 Collateral for the purpose of making such a verification. The Collateral Agent shall have the right to share any information it gains from such inspection or verification with any Secured Party.

(6) After the occurrence of an Event of Default and during the continuance thereof, none of the Grantors will, without the Collateral Agent’s prior written consent, acting at the direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes, grant any extension of the time of payment of any Accounts included in the Article 9 Collateral, compromise, compound or settle the same for less than the full amount
thereof, release, wholly or partly, any Person liable for the payment thereof or allow any credit or discount whatsoever thereon, in each case, other than extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business and consistent with prudent business practices or as otherwise permitted under the Indenture.

(7) At its option after the occurrence of an Event of Default and during the continuance thereof, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not a Permitted Lien, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Indenture or this Agreement, and each Grantor jointly and severally agrees to reimburse the Collateral Agent on demand for any reasonable payment made or any reasonable expense incurred by the Collateral Agent pursuant to the foregoing authorization; provided, however, that nothing in this Section 4.03(7) will excuse any Grantor from the performance of, or impose any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Notes Documents.

(8) Each Grantor (rather than the Collateral Agent or any Secured Party) will remain liable for the observance and performance of all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral.

(9) Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent for such purpose) as such Grantor’s true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto.

(10) In the event that any Grantor at any time or times fails to obtain or maintain any of the policies of insurance required hereby or under the Indenture or to pay any premium in whole or part relating thereto, the Collateral Agent may, after the occurrence and during the continuance of an Event of Default, without waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Collateral Agent reasonably deems advisable. All sums disbursed by the Collateral Agent in connection with this Section 4.03(10), including reasonable attorneys’ fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to the Collateral Agent and shall be additional Secured Obligations secured hereby.

(11) Notwithstanding anything herein to the contrary, no actions will be required outside of the United States in order to create or perfect any security interest in any assets located outside
of the United States and no foreign law security or pledge agreements, foreign law mortgages or deeds or foreign intellectual property filings or searches will be required, in each case, other than with respect to (1) debt or Equity Interests acquired pursuant to a Permitted Acquisition and (2) Foreign Subsidiaries that are or will become Subsidiary Guarantors; provided, however, that (i) in the event an Officer of a Grantor (reasonably and in good faith) and the Extended Term Loan Agent mutually determine that the burden or cost of obtaining foreign-law governed Security Documents or creating or taking perfections steps in any such foreign jurisdictions outweighs the benefit afforded thereby to the Secured Parties or obtaining foreign-law governed Security Documents or creating or taking such perfection steps in any such foreign jurisdictions is impracticable, impossible or ineffective or would give rise to or result in any violation of applicable law, then no such foreign-law governed Security Documents nor creation or the taking of perfection steps in any such foreign jurisdictions shall be required to be provided with respect to such Grantor and (ii) notwithstanding anything to the contrary contained herein or in any other Notes Document, in the event that any foreign-law governed Security Documents or the creation or taking of perfection steps in any such foreign jurisdictions are being obtained in accordance with this Section 4.03(11), the Grantors shall prepare Security Documents and/or make filings or take perfection actions or steps in accordance with the “Agreed Security Principles” and on a reasonable and customary timeline agreed between an Officer of a Grantor (reasonably and in good faith) and the Extended Term Loan Agent, and taking into account the Required Collateral Lien Priority; provided that the deadlines to enter into such Security Documents and/or make such filings or take such perfection actions or steps shall be 10 calendar days after the corresponding deadlines for Extended Term Loans (in each case subject to extension by the Collateral Agent, acting at the direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes).

SECTION 4.04. Other Actions. In order to further ensure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, for the benefit of the Secured Parties, the Collateral Agent’s security interest in the Article 9 Collateral, each Grantor agrees, in each case at such Grantor’s own expense, to take the following actions with respect to the following Article 9 Collateral:

1. **Instruments and Tangible Chattel Paper.** If any Grantor at any time holds or acquires any Instruments (other than checks received and processed in the ordinary course of business) or Tangible Chattel Paper evidencing an amount in excess of $5.0 million, such Grantor will forthwith endorse, assign and deliver the same to the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreements), accompanied by instruments of transfer or assignment duly executed in blank.

2. **Investment Property.** Except to the extent otherwise provided in Article III, if any Grantor at any time holds or acquires any Certificated Security constituting Pledged Collateral or Article 9 Collateral, such Grantor will forthwith endorse, assign and deliver the same to the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreements), accompanied by instruments of transfer or assignment duly executed in blank. If any security of a domestic issuer now owned or hereafter acquired by any Grantor is uncertificated and is issued to such Grantor or its nominee directly by the issuer thereof,
such Grantor shall promptly notify the Collateral Agent of such uncertificated securities and upon the occurrence and during the continuance of an Event of Default, such Grantor shall pursuant to an agreement, either (a) cause the issuer to agree to comply with instructions from the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreements) as to such security, without further consent of any Grantor or such nominee or (b) cause the issuer to register the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreements) as the registered owner of such security.

(3) Commercial Tort Claims. If any Grantor shall at any time hold or acquire a Commercial Tort Claim with an asserted or nominal value in excess of $5.0 million, such Grantor shall promptly notify the Collateral Agent thereof in a writing signed by such Grantor, including a summary description of such claim, and grant to the Collateral Agent in writing a security interest therein and in the proceeds thereof, all under the terms and provisions of this Agreement.

SECTION 4.05. Covenants Regarding Patent, Trademark and Copyright Collateral. Except as permitted by the Indenture:

(1) Each Grantor agrees that it will not knowingly do any act or omit to do any act (and will exercise commercially reasonable efforts to contractually prohibit its licensees from doing any act or omitting to do any act) whereby any material Patent owned by such Grantor that is necessary to the normal conduct of such Grantor’s business may become prematurely invalidated, abandoned, lapsed or dedicated to the public, and agrees that it will take commercially reasonable steps with respect to any material products covered by any such Patent as necessary to establish and preserve its rights under applicable patent laws.

(2) Each Grantor will, and will use its commercially reasonable efforts to contractually require its licensees and its sublicensees to, for each material Trademark owned by such Grantor and necessary to the normal conduct of such Grantor’s business:

(a) maintain such Trademark in full force free from any adjudication of abandonment or invalidity for non-use;
(b) maintain the quality of products and services offered under such Trademark;
(c) display such Trademark with notice of federal or foreign registration or claim of trademark or service mark as required under applicable law; and
(d) not knowingly use or knowingly permit its licensees’ use of such Trademark in violation of any third-party rights.

(3) Each Grantor will, and will use its commercially reasonable efforts to cause its licensees and its sublicensees to, for each work covered by a material Copyright owned by such Grantor and necessary to the normal conduct of such Grantor’s business and that it publishes, displays and distributes, use a copyright notice as necessary and sufficient to establish and preserve its rights under applicable copyright laws.
Each Grantor shall notify the Collateral Agent promptly if it knows that any material Patent, Trademark or Copyright owned by such Grantor and necessary to the normal conduct of such Grantor’s business may imminently become abandoned, lapsed or dedicated to the public, or of any materially adverse determination or development, regarding such Grantor’s ownership of any such material Patent, Trademark or Copyright or its right to register or to maintain the same.

Each Grantor, either itself or through any agent, employee, licensee or designee, will execute and deliver any and all agreements, instruments, documents and papers (and substantially equivalent agreements, documents and papers as are executed and delivered with respect to any Credit Agreement) reasonably necessary to evidence the Collateral Agent’s security interest in each Patent, Trademark, or Copyright listed in a list of new Patents, Trademarks or Copyrights which shall be furnished to the Collateral Agent at the same time as the annual financial statements provided pursuant to Section 3.2(a) of the Indenture.

Each Grantor will exercise its reasonable business judgment consistent with the practice in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office with respect to maintaining and pursuing each application owned by such Grantor relating to any material Patent, Trademark and/or Copyright (and obtaining the relevant grant or registration) necessary to the normal conduct of such Grantor’s business and to maintain (a) each such Patent and (b) the registrations of each such Trademark and each such Copyright, including, when applicable and necessary in such Grantor’s reasonable business judgment, timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if any Grantor believes necessary in its reasonable business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

In the event that any Grantor knows or has reason to know that any Article 9 Collateral consisting of a material Patent, Trademark or Copyright necessary to the normal conduct of its business has been materially infringed, misappropriated or diluted by a third party, such Grantor will promptly notify the Collateral Agent and will, if such Grantor deems it necessary in its reasonable business judgment, promptly take actions as are reasonably appropriate under the circumstances.

SECTION 4.06. Intercreditor Relations. Notwithstanding anything herein to the contrary, (1) the Grantors and the Collateral Agent acknowledge that the exercise of certain of the Collateral Agent’s rights and remedies hereunder are subject to the provisions of the ABL/Term Loan/Notes Intercreditor Agreement and the Junior Lien Intercreditor Agreement, (2) prior to the Discharge of ABL Claims, any obligation hereunder to physically deliver any ABL Priority Collateral to the Collateral Agent shall be deemed satisfied by the delivery to the ABL Collateral Agent, acting as gratuitous bailee for the Collateral Agent in accordance with the ABL/Term Loan/Notes Intercreditor Agreement and (3) any obligation hereunder to physically deliver any Collateral to the Collateral Agent shall be deemed satisfied by the delivery to the Senior Priority Collateral Agent (as defined in the Junior Lien Intercreditor Agreement), acting as gratuitous bailee for the Collateral Agent in accordance with the Junior Lien Intercreditor Agreement. The failure of the Collateral Agent or any other Secured Party to immediately enforce any of its rights.
and remedies hereunder (as a result of the terms of the Intercreditor Agreements or otherwise) shall not constitute a waiver of any such rights and remedies. In the event of any conflict or inconsistency between the terms of the ABL/Term Loan/Notes Intercreditor Agreement and this Agreement regarding the relative priorities of the ABL Collateral Agent, the Collateral Agent, the New Second Lien Notes Agent and the New Third Lien Notes Agent in the Collateral, the terms of the ABL/Term Loan/Notes Intercreditor Agreement shall govern and control. In the event of any conflict or inconsistency between the terms of the Junior Lien Intercreditor Agreement and this Agreement regarding the relative priorities of the Collateral Agent, the Initial Second Lien Representative and the Initial Third Lien Representative in the Collateral, the terms of the Junior Lien Intercreditor Agreement shall govern and control. Terms used but not defined in this Section 4.06 shall be as defined in the applicable Intercreditor Agreement.

ARTICLE V

REMEDIES

SECTION 5.01. Remedies Upon Default. Upon the occurrence and during the continuance of an Event of Default, each Grantor agrees to deliver each item of Collateral to the Collateral Agent (or a designated bailee, in accordance with the Intercreditor Agreements) on demand, and it is agreed that the Collateral Agent shall have the right, subject to applicable law, to take any of or all the following actions at the same or different times: (1) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Grantors to the Collateral Agent or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or a non-exclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers thereunder cannot be obtained with the use of commercially reasonable efforts, which each Grantor hereby agrees to use) and (2) to take possession of the Article 9 Collateral and without liability for trespass to the applicable Grantor to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of, removing or selling the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the applicable Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing rights and remedies, each Grantor agrees that the Collateral Agent shall have the right, subject to the mandatory requirements of applicable law (including the Uniform Commercial Code), to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker’s board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized in connection with any sale of a security (if it deems it advisable to do so) pursuant to the foregoing to restrict the prospective bidders or purchasers to Persons who represent and agree that they are purchasing such security for their own account, for investment, and not with a view to the distribution or sale thereof. Upon consummation of any such sale of Collateral pursuant to this Section 5.01, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives and releases (to the extent permitted by law) all rights of redemption, stay,
The Collateral Agent shall give the applicable Grantors ten Business Days’ written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the UCC or its equivalent in other jurisdictions) of the Collateral Agent’s intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker’s board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. The Collateral, or the portion thereof, to be sold at any such sale may be sold in one lot as an entirety or in separate parcels in the Collateral Agent’s own right or by one or more agents and contractors, upon any premises owned, leased, or occupied by any Grantor and the Collateral Agent and any such agent or contractor, in conjunction with any such sale, may augment the Inventory to be sold with other goods (all of which other goods shall remain the sole property of the Collateral Agent or such agent or contractor), all as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In the case of any sale of all or any part of the Collateral made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in the event that any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in the case of any such failure, such Collateral may be sold again upon notice given in accordance with provisions above. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section 5.01, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all such rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property in accordance with Article V hereof without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially

24
Without limiting any other rights of the Collateral Agent granted pursuant to this Agreement, each Grantor hereby grants to the Collateral Agent, and the representatives and independent contractors of the Collateral Agent, a royalty free, non-exclusive, irrevocable license (such license to be effective upon the occurrence and during the continuance of any Event of Default), to use, apply, and affix any Trademark, trade name, logo, or the like in which any Grantor now or hereafter has rights, solely in connection with the Collateral Agent’s enforcement of rights or remedies hereunder, including in connection with any sale or other disposition of Inventory. As to each Grantor, the license granted hereby shall remain in full force and effect until such Grantor hereunder is released hereunder in accordance with Section 7.15 of this Agreement.

SECTION 5.02. Application of Proceeds.

(1) Subject to the terms of the Intercreditor Agreements, the Collateral Agent will promptly apply the proceeds, moneys or balances of any collection or sale of Collateral, as well as any Collateral consisting of cash, in the following order of priority:

(a) first, to all amounts owing to the Collateral Agent or the Trustee pursuant to any of the Notes Documents in its capacity as such in respect of (i) the preservation of Collateral or its security interest in the Collateral or (ii) with respect to enforcing the rights of the Secured Parties under the Notes Documents;

(b) second, to the extent proceeds remain after the application pursuant to preceding clause (a), to all other amounts owing to the Trustee, the Collateral Agent or any other Agent pursuant to any of the Notes Documents in its capacity as such;

(c) third, to the extent proceeds remain after the application pursuant to preceding clauses (a) through (b), to an amount equal to the Secured Obligations with each Secured Party receiving an amount equal to its outstanding Secured Obligations or, if the proceeds are insufficient to pay in full all such Secured Obligations, its pro rata share of the amount remaining to be distributed; and

(d) fourth, to the extent proceeds remain after the application pursuant to preceding clauses (a) through (c), inclusive, and following the payment in full of the Secured Obligations, to the relevant Grantor, their successors or assigns, or as a court of competent jurisdiction may otherwise direct or as otherwise required by the Intercreditor Agreement.

(2) If any payment to any Secured Party pursuant to this Section 5.02 of its pro rata share of any distribution would result in overpayment to such Secured Party, such excess amount shall instead be distributed in respect of the unpaid Secured Obligations of the other Secured Parties, with each Secured Party whose Secured Obligations have not been paid in full to receive an amount equal to such excess amount multiplied by a fraction the numerator of which is the unpaid Secured Obligations of such Secured Party and the denominator of which is the unpaid Secured Obligations of all Secured Parties entitled to such distribution.
All payments required to be made hereunder shall be made to the Trustee for the account of such Secured Parties or as the Trustee may otherwise direct in accordance with the Notes Documents.

Subject to the other limitations (if any) set forth herein and in the other Notes Documents, it is understood that the Note Parties will remain liable (as and to the extent set forth in herein except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from the Collateral Agent’s gross negligence or willful misconduct) to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations of the Note Parties.

It is understood and agreed by each Note Party that the Collateral Agent will have no liability for any determinations made by it in this Section 5.02 except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from the Collateral Agent’s own gross negligence, bad faith or willful misconduct. Each Note Party also agrees that the Collateral Agent may (but shall not be required to), at any time and in its sole discretion, and with no liability resulting therefrom, petition a court of competent jurisdiction regarding any application of Collateral in accordance with the requirements hereof and of each Intercreditor Agreement, and the Collateral Agent shall be entitled to wait for, and may conclusively rely on, any such determination.

The parties hereto agree that the provisions of this Article V shall apply to distributions and/or realizations on account of all assets securing the Secured Obligations, including assets not defined as Collateral hereunder (including, for the avoidance of doubt, all Real Property of the Grantors mortgaged to the Collateral Agent for the benefit of some or all of the Secured Parties).

SECTION 5.03. Securities Act, Etc. In view of the position of the Grantors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar federal statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the “Federal Securities Laws”) with respect to any disposition of the Pledged Collateral permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Collateral Agent if the Collateral Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Collateral Agent in any attempt to dispose of all or part of the Pledged Collateral under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, the Collateral Agent, in its sole and absolute discretion, may (1) proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws or, to the extent applicable, Blue Sky or other state securities laws and (2) approach and negotiate with a single potential purchaser to effect such sale. Each Grantor acknowledges and agrees that any such sale might
result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Collateral Agent will incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section 5.03 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Collateral Agent sells.

This Agreement will become effective as to any party to this Agreement when a counterpart hereof executed on behalf of such party is delivered to the Collateral Agent and a counterpart hereof is executed on behalf of the Collateral Agent, and thereafter will be binding upon such party and the Collateral Agent and their respective permitted successors and assigns, and will inure to the benefit of such party, the Collateral Agent and the other Secured Parties and their respective permitted successors and assigns, except that no party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement, the Indenture. This Agreement will be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

SECTION 7.05. Successors and Assigns; Replacement of Collateral Agent; Successor Collateral Agent by Merger.

(1) Whenever in this Agreement any of the parties hereto is referred to, such reference will be deemed to include the permitted successors and assigns of such party, and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns; provided that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent.

(2) The Collateral Agent may resign at any time by so notifying the Issuers. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Collateral Agent upon written notice to the Issuers, the Trustee and the Collateral Agent, and may appoint a successor Collateral Agent. The Issuers will remove the Collateral Agent if:

(a) [reserved];
(b) the Collateral Agent is adjudged bankrupt or insolvent;
(c) a receiver or other public officer takes charge of the Collateral Agent or its property; or
(d) the Collateral Agent otherwise becomes incapable of acting.

(3) If the Collateral Agent resigns or is removed by the Issuers or by the Holders of a majority in aggregate principal amount of the then outstanding Notes and such Holders do not within 30 days thereafter appoint a successor Collateral Agent, or if a vacancy exists in the office of Collateral Agent for any reason (the Collateral Agent in such event being
referred to herein as the retiring Collateral Agent), the Issuers will promptly appoint a successor Collateral Agent.

(4) A successor Collateral Agent will deliver a written acceptance of its appointment to the retiring Collateral Agent and to the Issuers. Thereupon the resignation or removal of the retiring Collateral Agent will become effective, and the successor Collateral Agent will have all the rights, powers and duties of the Collateral Agent under this Agreement and the other Notes Documents. The Trustee will deliver a notice of the successor Collateral Agent’s succession to the Holders. The retiring Collateral Agent will promptly transfer all property held by it as Collateral Agent to the successor Collateral Agent, subject to the liens provided for in Section 7.6 of the Indenture. All costs reasonably incurred in connection with any resignation or removal hereunder will be borne by the Issuers.

(5) If a successor Collateral Agent does not take office within 30 days after the retiring Collateral Agent resigns or is removed, the retiring Collateral Agent or the Holders of at least 10.0% in principal amount of the Notes may petition, at the Issuers’ expense, any court of competent jurisdiction for the appointment of a successor Collateral Agent.

(6) [reserved].

(7) Notwithstanding the replacement of the Collateral Agent pursuant to this Section 7.05, the Issuers’ obligations under this Agreement will continue for the benefit of the retiring Collateral Agent.

(8) If the Collateral Agent, consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act will be the successor Collateral Agent.

SECTION 7.06. Collateral Agent’s Fees and Expenses; Indemnification.

The parties hereto agree that the Collateral Agent will be entitled to reimbursement of its expenses incurred hereunder as provided in Section 7.6 of the Indenture and the provisions of Section 7.6 of the Indenture shall be incorporated by reference herein and apply to each Grantor mutatis mutandis.

SECTION 7.07. Collateral Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Collateral Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. The Collateral Agent will have the right, upon the occurrence and during the continuance of an Event of Default, with full power of substitution either in the Collateral Agent’s name or in the name of such Grantor, to:

(1) receive, endorse, assign or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof;
demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral;

ask for, demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due under and by virtue of any Collateral;

sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral;

send verifications of Accounts to any Account Debtor;

commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral;

settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral;

notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent; and

use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes;

provided that nothing herein contained will be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties will be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

SECTION 7.08. APPLICABLE LAW. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (EXCEPT FOR CONFLICTS OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION).

SECTION 7.09. Waivers; Amendment.

(1) No failure or delay by the Collateral Agent or any other Secured Party in exercising any right, power or remedy hereunder or under any other Notes Document will operate as a
waiver thereof, nor will any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce
such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers
and remedies of the Collateral Agent and the Holders hereunder and under the other Notes Documents are cumulative and are not exclusive of any
rights, powers or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any
Grantor therefrom will in any event be effective unless the same is permitted by paragraph (2) of this Section 7.09, and then such waiver or consent
will be effective only in the specific instance and for the purpose for which given.

(2) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing
entered into by the Collateral Agent and the Grantors with respect to which such waiver, amendment or modification is to apply, subject to any
consent required in accordance with Article IX of the Indenture.

SECTION 7.10. WAIVER OF JURY TRIAL. The provisions of Section 13.8 of the Indenture shall be incorporated by reference herein and
apply to each party hereto.

SECTION 7.11. Severability. In the event any one or more of the provisions contained in this Agreement is held invalid, illegal or
unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein will not in any way be affected
or impaired thereby.

SECTION 7.12. Counterparts. This Agreement may be executed in two or more counterparts, each of which will constitute an original but all
of which when taken together will constitute but one contract, and will become effective as provided in Section 7.04 hereof. Delivery of an executed
counterpart to this Agreement by facsimile or other electronic transmission will be as effective as delivery of a manually signed original.

SECTION 7.13. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not
part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 7.14. Jurisdiction; Consent to Service of Process. The provisions of Section 13.7 of the Indenture shall be incorporated by
reference herein and apply to each party hereto.

SECTION 7.15. Termination or Release.

(1) This Agreement, the pledges made herein, the Security Interest and all other security interests granted hereby shall terminate upon the occurrence of
the Termination Date.

(2) A Grantor that is a Subsidiary shall automatically be released from its obligations hereunder and the security interests in the Collateral of such
Grantor shall be automatically released upon the consummation of any transaction permitted by the Indenture as a result of which such Grantor
ceases to be a Guarantor; provided that such portion of the Holders as are required by the terms of the Indenture to consent to such transaction shall
have consented thereto; provided, further, to the extent the ABL Security Documents, Second
Lien Notes Collateral Documents (as defined in the Junior Lien Intercreditor Agreement) or the Third Lien Notes Collateral Documents (as defined in the Junior Lien Intercreditor Agreement) are in effect on such date, such Grantor (and the security interests in the Collateral in respect thereof) is released under such ABL Security Documents, Second Lien Notes Collateral Documents and Third Lien Notes Collateral Documents, as applicable, concurrently with the release referred to in this clause (2).

(3) Upon any sale or other transfer by any Grantor of any Collateral that is permitted under the Indenture to any person that is not a Grantor, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Article IX of the Indenture or pursuant to Section 5.1 of the ABL/Term Loan/Notes Intercreditor Agreement or Sections 5.1 or 5.2 of the Junior Lien Intercreditor Agreement, the security interest in such Collateral shall be automatically released; provided to the extent the ABL Security Documents, Second Lien Notes Collateral Documents or the Third Lien Notes Collateral Documents are in effect on such date, such Grantor (and the security interests in the Collateral in respect thereof) is released under such ABL Security Documents, Second Lien Notes Collateral Documents and Third Lien Notes Collateral Documents, as applicable, concurrently with the release referred to in this clause (3).

(4) In connection with any termination or release pursuant to paragraph (1) through (3) of this Section 7.15, the Collateral Agent shall execute and deliver to any Grantor, at such Grantor’s expense, all documents that such Grantor reasonably requests to evidence such termination or release (including UCC termination statements) and will duly assign and transfer to such Grantor such of the Pledged Collateral that may be in the possession of the Collateral Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement; provided that the Collateral Agent will not be required to take any action under this Section 7.15(6) unless such Grantor shall have delivered to the Collateral Agent together with such request, which may be incorporated into such request: (a) a reasonably detailed description of the Collateral, which in any event is sufficient to effect the appropriate termination or release without affecting any other Collateral and (b) a certificate of a Responsible Officer of the Issuer certifying that the transaction giving rise to such termination or release is permitted by the Indenture and was or is consummated in compliance with the Notes Documents. Any execution and delivery of documents pursuant to this Section 7.15 shall be without recourse to or warranty by the Collateral Agent.

SECTION 7.16. Additional Subsidiaries. Upon execution and delivery by the Collateral Agent and any Subsidiary that is required to become a party hereto by Section 3.11 of the Indenture of a supplement in substantially the form of Exhibit I hereto, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any such supplement will not require the consent of any other party to this Agreement. The rights and obligations of each party to this Agreement will remain in full force and effect notwithstanding the addition of any new party to this Agreement.

SECTION 7.17. Rights of the Collateral Agent; No Duties. The permissive rights of the Collateral Agent enumerated herein (i) are granted for its benefit and (ii) shall not be constituted as duties or obligations. The duties of the Collateral Agent are solely as set forth in the Indenture and no implied duties or obligations will be read into this Agreement against the Collateral Agent.
In the acceptance, execution, delivery and performance of this Agreement, the Collateral Agent shall have the benefit of all exculpatory provisions, indemnities, protections, benefits, rights and immunities granted to it in the Indenture, as though fully set forth herein.

SECTION 7.18. Recitals. Neither the Trustee nor the Collateral Agent will be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Agreement or for or in respect of the recitals contained herein, all of which recitals are made solely by each of the Grantors.
IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

COMMERCIAL TORT CLAIMS

Reference is made to the class action settlement involving Visa and Mastercard, who separately and together with certain banks, engaged with certain actions that resulted in merchants paying excessive interchange fees when accepting Visa and Mastercard credit and debit cards in connection with store and online purchases. Under the settlement, Visa, Mastercard and other bank defendants have agreed to provide approximately $6.24 billion in class settlement funds. The net class settlement fund will be used to pay valid claims of merchants that accepted Visa and Mastercard credit or debit cards between January 1, 2004 through January 25, 2019.

The Court has given preliminary approval to this settlement. A Court hearing is set for November 7, 2019 for the Court to officially approve of the settlement.

Merchants have until July 23, 2019 to decide if they will stay in the settlement and wait to file a claim, object to the settlement and file a notice to appear with the Court, or to opt out and make a separate claim.

The Company is in the process of evaluating the potential recovery on its portion of the claims and believes there is a reasonable chance such recovery will exceed $2.5 million.

The Issuers will provide a schedule of such calculations to the Trustee, certified by an Officer of the Issuer, and the Trustee is entitled to rely conclusively on the accuracy of the Issuer’s calculations without independent verification. The Trustee shall forward the Issuers’ calculations to any Holder upon the written request of such Holder.

SECTION 2.4. **Paying Agent to Hold Money in Trust.** The Issuers will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, and interest on the Notes, and will notify the Trustee in writing of any Default by the Issuers in making any such payment. While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than one of the Issuers) will have no further liability for the money delivered to the Trustee. If one of the Issuers acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent.

SECTION 2.5. **Lists of Holders.** The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and will otherwise comply with TIA § 312(a). If the Trustee is not the Registrar, the Issuers will furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders, including the aggregate principal amount of the Notes held by each thereof, and the Issuers will otherwise comply with TIA § 312(a).

SECTION 2.6. **Transfer and Exchange.**

(a) **Transfer and Exchange of Global Notes.** A Global Note may not be transferred except, as a whole, by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. Global Notes will be exchanged by the Issuers for Definitive Notes, subject to any applicable laws, only (i) if the Issuers deliver to the Trustee written notice from the Depositary that the Depositary is unwilling or unable to continue to act as Depositary for the Global Notes or that it is no longer a clearing agency registered under the Exchange Act and, in either case, the Issuers fail to appoint a successor Depositary within 120 days after the date of such notice from the Depositary; (ii) if the Issuers in their sole discretion determine that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and deliver a written notice to such effect to the Trustee; provided that in no event will the Temporary Regulation S Global Note be exchanged by the Issuers for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act; or (iii) upon request of the Trustee or Holders of a majority of the aggregate principal amount of outstanding Notes if there will have
occurred and be continuing an Event of Default with respect to the Notes. In any such case, the Issuers will notify the Trustee in writing that, upon surrender by the Participants and Indirect Participants of their interests in such Global Note, certificated Notes will be issued to each Person that such Participants, Indirect Participants and DTC jointly identify as being the beneficial owner of the related Notes. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Section 2.7 and Section 2.10. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.6 or Section 2.7 or Section 2.10, will be authenticated and delivered in the form of, and will be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.6(a). However, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.6(b) or Section 2.6(c) below.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions hereof and the Applicable Procedures. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth in this Indenture to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with the applicable subparagraphs below.

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; provided, however, that prior to the expiration of the Restricted Period, no transfer of beneficial interests in a Temporary Regulation S Global Note may be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser) unless permitted by applicable law and made in compliance with Section 2.6(b)(ii) and Section 2.6(b)(iii) below. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions will be required to be delivered to the Registrar to effect the transfers described in this Section 2.6(b)(i) unless specifically stated above.

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.6(b)(i) above, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase, or (B) (1) if Definitive Notes are at such time permitted to be issued pursuant to this Indenture, a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued...
a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note will be registered to effect the transfer or exchange referred to in (1) immediately above; provided that in no event will Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Temporary Regulation S Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee will adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.6(i) below.

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.6(b)(ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transferee will take delivery in the form of a beneficial interest in the Temporary Regulation S Global Note or the Permanent Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(C) if the transferee will take delivery in the form of a beneficial interest in the IAI Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (3) thereof, if applicable.

(iv) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.6(b)(ii) above, and

If any such transfer is effected pursuant to subparagraph (A) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer will issue and, upon receipt of an Authentication Order in accordance with Section 2.2, the Trustee will authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (A) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

Subject to Section 2.6(a), if any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then upon receipt by the Registrar of the following documentation:

(G) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof;

the Trustee will cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.6(i) below, and the Issuers will execute and the Trustee will authenticate and deliver to the Person designated in the certificate a Restricted Definitive Note in the appropriate principal amount. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest will instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee will deliver such Restricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c)(i) will bear the Private Placement Legend and will be subject to all restrictions on transfer contained therein.

(ii) Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes. Notwithstanding Section 2.6(c)(i) (A) and Section 2.6(c)(i)(C), a beneficial interest in the Regulation S Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(iii) Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Unrestricted Definitive Notes. Subject to Section 2.6(g), a holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if:

(iv) Transfer and Exchange of Beneficial Interests in Unrestricted Global Notes for Unrestricted Definitive Notes. Subject to Section 2.6(a), if any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.6(b)(ii) above, the Trustee will cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.6(i) below, and the Issuers will execute and the Trustee will authenticate and deliver to the Person designated in the certificate an Unrestricted Definitive Note in the appropriate principal amount. Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(iv) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest will instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee will deliver such Unrestricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(iv) will not bear the Private Placement Legend.

(D) if such Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof;

(E) if such Restricted Definitive Note is being transferred to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate to the effect set forth in Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable;

(F) if such Restricted Definitive Note is being transferred to the Issuers or any of their Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(G) if such Restricted Definitive Note is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof,

and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuers so request or if the Applicable Procedures so require, an Opinion of Counsel of the Holder or the Issuers (except in the case the Issuers have so requested) in form reasonably acceptable to the Issuers to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Transfer and Exchange of Unrestricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee will cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from an Unrestricted Definitive Note or a Restricted Definitive Note, as the case may be, to a beneficial interest is effected pursuant to Section 2.6(d)(ii)(A) or this Section 2.6(d)(iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuers will issue and, upon receipt of an Authentication Order in accordance with Section 2.2, the Trustee will authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Definitive Notes or Restricted Definitive Notes, as the case may be, so transferred.

Prior to such registration of transfer or exchange, the requesting Holder will present or surrender to the Registrar the Definitive Notes duly endorsed or

In addition, the requesting Holder will provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.6(e).

and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuers so request, an Opinion of Counsel of the Holder or the Issuers (except in the case the Issuers so request) in form reasonably acceptable to the Issuers to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.
(iii) **Transfer of Unrestricted Definitive Notes to Unrestricted Definitive Notes.** A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar will register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(i) Notes offered and sold in reliance on Regulation S will be issued initially in the form of the Temporary Regulation S Global Note, which will be deposited on behalf of the purchasers of the Notes represented thereby with the Notes Custodian and registered in the name of the Depositary or the nominee of the Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuers and authenticated by the Trustee as hereinafter provided.

(ii) During the Restricted Period, beneficial ownership interests in Temporary Regulation S Global Notes may only be sold, pledged or transferred (A) to the Issuers, (B) in an offshore transaction in accordance with Rule 904 of Regulation S (other than a transaction resulting in an exchange for an interest in a Permanent Regulation S Global Note) or (C) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any State of the United States; and beneficial interests in a 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Trustee a written certificate to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if applicable).

(iii) Within a reasonable period after expiration or termination of the Restricted Period, beneficial interests in each Temporary Regulation S Global Note will be exchanged for beneficial interests in a Permanent Regulation S Global Note upon delivery to DTC of the certification of compliance and the transfer of applicable Notes pursuant to the Applicable Procedures. Simultaneously with the authentication of the corresponding Permanent Regulation S Global Note, the Trustee will cancel the corresponding Temporary Regulation S Global Note. The aggregate principal amount of a Temporary Regulation S Global Note and a Permanent Regulation S Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(iv) Notwithstanding anything to the contrary in this Section 2.6, a beneficial interest in the Temporary Regulation S Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) of the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(ii) Notwithstanding the foregoing, any Global Note or Definitive Note issued pursuant to subparagraph (b)(iv), (c)(iii), (c)(iv), (d)(ii), (d)(iii), (e)(ii) or (e)(iii) of this Section 2.6 (and all Notes issued in exchange therefor or substitution thereof) will not bear the Private Placement Legend.

(i) **Cancellation and/or Adjustment of Global Notes.** At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(j) **General Provisions Relating to Transfers and Exchanges.**

(i) To permit registrations of transfers and exchanges, the Issuers will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.2 or at the Registrar’s request.

(ii) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.2, 2.10, 3.7, 3.9, 5.7, 5.8 and 9.4).

(iii) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits.
hereof, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(iv) Neither the Registrar nor the Issuers will be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business on a Business Day 15 days before the delivery of a notice of redemption of Notes and ending at the close of business on the day of such delivery, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date.

(v) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers will be affected by notice to the contrary.

(vi) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.2.

(viii) The Trustee will have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or Indirect Participants) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

SECTION 2.7. Replacement Notes. If any mutilated Note is surrendered to the Trustee, or the Issuers and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuers will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee’s requirements for replacements of Notes are met. Every replacement Note is an obligation of the Issuers.

SECTION 2.8. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.8 as not outstanding.

If a Note is replaced pursuant to Section 2.7, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 3.1, it will cease to be outstanding and interest on it will cease to accrue.

Subject to Section 2.9, a Note does not cease to be outstanding because the Issuers, a Subsidiary of the Issuers or an Affiliate of any of the Issuers holds the Note.

SECTION 2.9. Treasury Notes. In determining whether the Holders of the requisite portion of outstanding Notes have concurred in any request, demand, authorization, direction, notice, waiver or consent (other than in respect of any action pursuant to Section 9.2(a), which requires the consent of each Holder of an affected Note), Notes Beneficially Owned by, or held by or for the account of, the Issuers, any Subsidiary of the Issuers or any Affiliate of any of the Issuers will be disregarded and considered as though not outstanding. For purposes of determining whether the Trustee will be protected in relying on any such request, demand, authorization, direction, notice, waiver or consent, only Notes which a Trust Officer actually knows to be so Beneficially Owned or held will be considered as not outstanding. Upon request of the Trustee, the Issuers will promptly furnish to the Trustee an Officer’s Certificate listing and identifying all Notes, if any, known by the Issuers to be Beneficially Owned or held by or for the account of any of the above-described persons, and the Trustee will be entitled to accept such Officer’s Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

SECTION 2.10. Temporary Notes. Until Definitive Notes are ready for delivery, the Issuers may prepare and the Trustee will upon receipt of an Authentication Order authenticate temporary Notes. Temporary Notes will be substantially in the form of Definitive Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers will prepare and the Trustee, upon receipt of an Authentication Order, will authenticate Definitive Notes in exchange.
SECTION 2.11. Cancellation. The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of all canceled Notes in its customary manner (subject to the record retention requirements of the Exchange Act and the Trustee), and upon the written request of the Issuers, the Trustee will deliver copies of such canceled Notes to the Issuers. The Issuers may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Payment of Interest; Defaulted Interest.

(a) Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date will be paid to the Person in whose name such Note (or one or more predecessor Notes) is registered at the close of business on the regular Record Date for such interest at the office or agency of the Issuers maintained for such purpose pursuant to Section 2.3.

(b) Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days will forthwith cease to be payable to the Holder on the regular Record Date by virtue of having been such Holder, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called “Defaulted Interest”) will be paid by the Issuers, at their election in each case, as provided in clause (i) or (ii) below:

(i) The Issuers may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which will be fixed in the following manner. The Issuers will notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice unless a shorter period will be acceptable to the Trustee) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Issuers will deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or will make arrangements for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Issuers will fix a record date (the “Special Record Date”) for the payment of such Defaulted Interest, which will be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Issuers will promptly notify the Trustee of such Special Record Date and will, or at the written request and in the name and expense of the
Issuers, the Trustee will, cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.1, not less than 10 days prior to such Special Record Date. (ii) The Issuers may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuers to the Trustee of the proposed payment pursuant to this clause (ii), such manner of payment will be deemed practicable by the Trustee.

(c) Subject to the foregoing provisions of this Section, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note will carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP and ISIN Numbers. The Issuers in issuing the Notes may use “CUSIP” and/or “ISIN” numbers (if then generally in use). The Trustee will not be responsible for the use of CUSIP or ISIN numbers, and the Trustee makes no representation as to their correctness as printed on any Note or notice to Holders. The Issuers will promptly notify the Trustee in writing of any change in the CUSIP or ISIN numbers. A separate CUSIP or ISIN number will be issued for any Additional Notes, unless (i) the Initial Notes and such Additional Notes have the same maturity date, interest rate and optional redemption provisions and are treated as “fungible” for U.S. federal income tax purposes, (ii) both the Initial Notes and such Additional Notes are issued in the same series (as set forth in Section 2.2) without (or with less than a de minimis amount of) original issue discount for U.S. federal income tax purposes or (iii) another then-recognized identifier is used.

SECTION 2.14. Record Date. The Record Date for purposes of determining the identity of Holders entitled to vote or consent to any action by vote or consent authorized or permitted under this Indenture will be determined as provided for in TIA § 316(c).

be considered paid on the date due if by 10:00 a.m. (New York City time) on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

(c) At any time that the Issuer (and any applicable Parent Entity) is not subject to the reporting requirements of Section 13 and 15(d) of the Exchange Act, in lieu of filing such reports with the SEC, the Issuer may make available such information electronically (including by posting to a non-public, password-protected website maintained by the Issuer or a third party) to any Holder, any bona fide prospective investor the Notes, any bona fide market maker (or person who intends to be a market maker) in the Note or any bona fide securities analyst, in each case, who provides to the Issuer its email address, employer name and other information reasonably requested by the Issuer. (f) Notwithstanding the foregoing, the financial statements, information, auditors’ reports and other documents required to be provided as described above, may be, rather than those of the Issuer, those of any Parent Entity; provided that, if the financial information so furnished relates to such Parent Entity, the same is accompanied by consolidating information, which may be posted to the website of the Issuer or on a non-public, password-protected website maintained by the Issuer or a third party, which explains in reasonable detail the differences between the information relating to such Parent Entity, on the one hand, and the information relating to the Issuer and its Restricted Subsidiaries on a standalone basis, on the other hand.

(g) Issuer will be deemed to have satisfied the reporting requirements of Section 3.2(a) if (i) at any time that the Issuer or any Parent Entity is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or is a voluntary filer, the Issuer or any Parent Entity has filed such reports containing such information (including the information required pursuant to Section 3.2(e), which, for the avoidance of doubt, need not be filed with the SEC via EDGAR to the extent it is otherwise provided to Holders in accordance with this Section 3.2) with the SEC via the EDGAR (or successor) filing system or (ii) at any time that the Issuer or any Parent Entity does not file such reports with the SEC via the EDGAR (or successor) filing system, the Issuer or any Parent Entity makes such reports available electronically (including by posting to a non-public, password-protected website as provided above) pursuant to this Section 3.2. (xxii) unsecured Indebtedness in respect of short-term obligations to pay the deferred purchase price of goods or services or progress payments in connection with such goods and services so long as such obligations are Incurred in the ordinary course of business and not in connection with the borrowing of money;

(xxiii) Indebtedness representing deferred compensation or other similar arrangements Incurred by the Issuer or any Restricted Subsidiary (A) in the ordinary course of business or (B) in connection with any Permitted Investment;

(xxviii) additional Indebtedness in an aggregate outstanding principal amount, including all Permitted Refinancing Indebtedness Incurred to Refinance any Indebtedness originally Incurred pursuant this clause (xxviii) (and any successive Permitted Refinancing Indebtedness), not to exceed $100.0 million; provided that the cash interest rate on any such Indebtedness may not exceed 8.0% per annum.

(c) For purposes of determining compliance with this Section 3.3, in the event that an item of Indebtedness (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt or is entitled to be Incurred as Ratio Debt, the Issuer may, in its sole discretion, at the time of Incurrence, combine, divide, classify or reclassify, or at any later time combine, divide, classify or reclassify, such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 3.3; provided that (i) all Indebtedness under the Extended Term Loans or guarantees thereof
(and any Refinancing Indebtedness in respect thereof) will be deemed to have been Incurred pursuant to clause (i) of the definition of “Permitted Debt,”
(ii) all Indebtedness under the ABL Credit Agreement or guarantees thereof (and any Refinancing Indebtedness in respect thereof) will be deemed to have
been Incurred pursuant to clause (ii) of the definition of “Permitted Debt,” (iii) all Indebtedness under the Second Lien Notes or guarantees thereof (and any
Permitted Refinancing Indebtedness in respect thereof) will be deemed to have been Incurred pursuant to clause (iii)(B) of the definition of “Permitted Debt,”
(iv) all Indebtedness under the 2028 Debentures or guarantees thereof (and any Permitted Refinancing Indebtedness in respect thereof) will be deemed to
have been Incurred pursuant to clause (iii)(C) of the definition of “Permitted Debt,” (v) all Indebtedness under the Remaining Unsecured Notes or guarantees

(vi) above, the Issuer will not be permitted to reclassify at any later date all or any portion of such Indebtedness. All Indebtedness originally Incurred under
clause (xxviii) of the definition of “Permitted Debt” will be automatically reclassified as Ratio Debt on the first date on which such Indebtedness would have
been permitted to be Incurred by the obligor thereon as Ratio Debt. Accrual of interest, the accretion of accreted value, amortization of original issue
discount, the payment of interest or dividends in the form of additional Indebtedness with the same terms, and increases in the amount of Indebtedness

equivalent principal amount of Indebtedness denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on
the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower dollar-equivalent), in the
case of revolving credit debt; provided that if such Indebtedness is Incurred to Refinance other Indebtedness denominated in a foreign currency, and such
refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date
of such refinancing, such dollar-denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing
Indebtedness does not exceed the principal amount of such Indebtedness being Refinanced (plus unpaid accrued interest and premiums (including tender
premiums) thereon and underwriting discounts, defeasance costs, fees, commissions and expenses in connection therewith).

(1) The Issuer shall cause the Net Cash Proceeds of any Collateral Asset Sale to be deposited immediately in an account subject to a Control Agreement for the benefit of the Notes Collateral Agent pursuant to the terms of the Intercreditor Agreements, which may be a Control Agreement in favor of the ABL Agent, Second Lien Notes Collateral Agent and/or the Extended Term Loan Agent, acting as gratuitous bailee for the benefit of the Notes Collateral Agent pursuant to the ABL Intercreditor Agreement and/or the Junior Lien Intercreditor Agreement; and

(2) Within 30 days after the Issuer’s or any Restricted Subsidiary’s receipt of the Net Cash Proceeds of any Collateral Asset Sale, the Issuer or any Restricted Subsidiary shall apply an amount equal to the Net Cash Proceeds from such Collateral Asset Sale, at its option, to repay (x) Senior Priority Obligations (with any such repayment of revolving Senior Priority Obligations to be accompanied by a corresponding permanent reduction in commitments with respect thereto) or (y) Obligations under the Notes by, at its option, (A) purchasing Third Lien Notes (on a pro rata basis between and within the Notes and the 8.750% Third Lien Notes) through open-market purchases at a price not less than 100% of the principal amount thereof; or (B) making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders and holders of the 8.750% Third Lien Notes to purchase their Third Lien Notes at a price not less than 100% of the principal amount thereof, provided that (i) in the case of a Collateral Asset Sale with respect to a warehouse or distribution center, no prepayment under this clause (2) shall be required to the extent of the cost of any investment in, or purchase of, a new warehouse or distribution center (but not to exceed the Net Cash Proceeds of such Collateral Asset Sale) completed within 24 months before and 12 months after the date of such Collateral Asset Sale; and (ii) Net Cash Proceeds from Collateral Asset Sales of stores (in an aggregate amount not to exceed $30.0 million after the Issue Date) may be applied to capital expenditures incurred within 12 months of the date of the Collateral Asset Sale.

(c) With respect to Asset Sales other than a Collateral Asset Sale, the following provisions shall apply: Within 365 days after the Issuer’s or any Restricted Subsidiary’s receipt of the Net Cash Proceeds of such Asset Sale, the Issuer or any Restricted Subsidiary may apply an amount equal to the Net Cash Proceeds from such Asset Sale, at its option:

(1) to repay (x) Indebtedness (other than Subordinated Indebtedness) or (y) Notes Obligations by, at its option, (A) purchasing Third Lien Notes through open-market purchases at a price not less than 100% of the principal amount thereof, or (B) making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders and holders of 8.750% Third Lien Notes to purchase their Third Lien Notes (on a pro rata basis between and within the Notes and the 8.750% Third Lien Notes) at a price not less than 100% of the principal amount thereof; or

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Similar Business, if, after giving effect to any such acquisition of Capital Stock, the Similar Business is or becomes a Restricted Subsidiary or to acquire other assets that are used or useful in a Similar Business (provided that any such assets
that would constitute Collateral shall be pledged as Collateral under the Security Documents and in accordance with this Indenture and the Security Documents substantially simultaneously with such purchase; provided further that the Issuer and its Restricted Subsidiaries will be deemed to have complied with the provisions described in this clause (2) if and to the extent that, within 365 days after the Asset Sale that generated the Net Cash Proceeds, the Issuer or any Restricted Subsidiary enters into a binding agreement to make an investment in compliance with the provision described in this clause (2) and that investment is thereafter completed within 365 days after the end of such 365-day period.

(d) Pending the final application of any Net Cash Proceeds of an Asset Sale (other than a Collateral Asset Sale, which shall be governed by Section 3.7(b) above), the Issuer or any of its Restricted Subsidiaries may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest or utilize Net Cash Proceeds in any manner not prohibited by this Indenture.

(e) Any amount of Net Cash Proceeds from any Asset Sale that are not invested or applied as provided and within the time period set forth in Section 3.7(b) or Section 3.7(c) will be deemed to constitute “Excess Proceeds.” Notwithstanding the foregoing sentence, any amount of proceeds offered to Holders pursuant to Section 3.7(b) or Section 3.7(c) pursuant to an Asset Sale Offer made at any time after the Asset Sale will be deemed to have been applied as required and will not be deemed to be Excess Proceeds without regard to the extent to which such offer is accepted by the Holders. When the aggregate amount of Excess Proceeds exceeds $25.0 million, the Issuers will make an offer (an “Asset Sale Offer”) to all Holders and holders of 8.750% Third Lien Notes to purchase their Third Lien Notes (on a pro rata basis between and within the Notes and the 8.750% Third Lien Notes) and, if required by the terms of any Pari Passu Lien Indebtedness, to all holders of such Pari Passu Lien Indebtedness, to purchase the maximum principal amount of such Third Lien Notes and Pari Passu Lien Indebtedness, as appropriate, on a pro rata basis, that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to (x) in the case of the Third Lien Notes, 100% of the principal amount thereof and (y) in the case of Pari Passu Lien Indebtedness, 100% of the principal amount thereof (or in the event such Pari Passu Lien Indebtedness was issued with original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest, if any (or such lesser price, if any, as may be provided by the terms of such Pari Passu Lien Indebtedness), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and the agreement governing such Pari Passu Lien Indebtedness. The Issuers will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed $25.0 million by transmitting electronically or by mailing to the Holders the notice required pursuant to the terms of this Indenture, with a copy to the Trustee or otherwise in accordance with the Applicable Procedures of the Depositary. The Issuers may satisfy the foregoing obligations with respect to such Net Cash Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Cash Proceeds prior to the expiration of the application period or by electing to make an Asset Sale Offer with respect to such Net Cash Proceeds before the aggregate amount of Excess Proceeds exceeds $25.0 million.
For the case of both an Asset Sale of Collateral and of assets not constituting Collateral, to the extent that the aggregate amount of Third Lien Notes and other Indebtedness tendered or otherwise surrendered in accordance with the terms of this section is less than the Excess Proceeds, the Issuers may use any remaining Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Third Lien Notes and other Indebtedness tendered or otherwise surrendered by Holders and holders of the 8.750% Third Lien Notes in accordance with the terms of this section exceeds the amount of Excess Proceeds, the Trustee will select the Third Lien Notes (and the Issuers or their agents will select such Pari Passu Lien Indebtedness, if applicable) to be purchased in the manner described in Section 3.7(i) below. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. To the extent the Excess Proceeds exceed the outstanding aggregate principal amount of the Third Lien Notes (and, if required by the terms thereof, all Pari Passu Lien Indebtedness), the Issuers need only make an Asset Sale Offer up to the outstanding aggregate principal amount of Third Lien Notes (and any such Pari Passu Lien Indebtedness), and any additional Excess Proceeds will not be subject to this Section 3.7 and will be permitted to be used for any purpose otherwise permitted by this Indenture in the Issuers’ discretion.

The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the purchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under this Indenture by virtue of such compliance.

The provisions under this Indenture relative to the Issuers’ obligation to make an offer to repurchase the Notes as a result of an Asset Sale may be waived or modified at any time with the written consent of the Holders of a majority in principal amount of the Notes.

If more Notes are tendered pursuant to an Asset Sale Offer than the Issuers are required to purchase, selection of such Notes for purchase will be made in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed (but only to the extent that the Trustee has been notified in writing of such listing by the Issuer) or if such Notes are not listed, on a pro rata basis or as nearly a pro rata basis as practicable (with adjustments so that only Notes in denominations of the minimum denomination of $2,000.00 or integral multiples of $1.00 in excess thereof) will be purchased, by lot or by such other method as the Trustee will deem fair and appropriate (and in such manner as complies with applicable legal requirements, if any); provided that the selection of Notes for purchase will not result in a Holder with a principal amount of Notes less than the minimum denomination of $2,000.00. If all of the Notes are in global form, interests in the Notes to be redeemed will be selected for redemption by the Depositary in accordance with the Applicable Procedures of the Depositary. No Note will be repurchased in part if less than the minimum denomination of such Note would be left outstanding.
Notices of an Asset Sale Offer will be delivered or caused to be delivered, or in the case of Notes in global form, delivered or cause to be delivered electronically in accordance with the Applicable Procedures of the Depositary, at least 30 but not more than 60 days before the purchase date to each Holder at such Holder’s registered address, with a copy to the Trustee, or otherwise in accordance with Applicable Procedures of the Depositary. If any Note is to be purchased in part only, any notice of purchase that relates to such Note will state the portion of the principal amount thereof that has been or is to be purchased.

(k) A new Note in principal amount equal to the unpurchased portion of any Note purchased in part will be issued in the name of the Holder thereof upon cancellation of the original Note. On and after the purchase date, unless the Issuers default in payment of the purchase price, interest will cease to accrue on Notes or portions thereof purchased.

SECTION 3.8. Transactions with Affiliates.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer involving aggregate consideration in excess of $15.0 million (each of the foregoing, an “Affiliate Transaction”), unless:

fiscal year of the Issuer ending after the Issue Date, an Officer’s Certificate to the effect that to the best knowledge of the signer thereof on behalf of each of

incorporated or organized or resident for tax purposes, any jurisdiction from or through which payment on behalf of such Foreign Guarantor is made or any
political subdivision or governmental authority thereof or therein having power to tax (each, a “Tax Jurisdiction”), will at any time be required to be made
from any payments made by or on behalf of the relevant Foreign Guarantor under its Guarantee, including payments of principal, redemption price, purchase
price, interest or premium, the relevant Foreign Guarantor will pay such additional amounts (the “Additional Amounts”) as may be necessary in order that the
net amounts received in respect of such payments (including payments of principal, redemption price, interest or premium) by each Holder
(including Additional Amounts) after such withholding or deduction will equal the respective amounts that would have been received in respect of such payments in the
absence of such withholding or deduction; provided, however, that no Additional Amounts will be payable with respect to:

(i) any Taxes that would not have been so imposed but for the existence of any present or former connection between the
Holder or the beneficial owner of the Note or Guarantee (or between a fiduciary, settler, beneficiary, partner, member or shareholder of, or possessor of power
over the relevant Holder or beneficial owner, if the relevant Holder is an estate, nominee, trust, partnership, limited liability company or corporation) and the
relevant Tax Jurisdiction, other than by the mere acquisition or holding of any Note or the enforcement or receipt of payment under or in respect of any Note
or Guarantee;
any Taxes imposed or withheld as a result of the failure of the Holder or beneficial owner of any Note or Guarantee to comply with any written request, made to that Holder or beneficial owner within a reasonable period before any such withholding or deduction would be payable, by an Issuer or a Foreign Guarantor to provide timely or accurate information concerning the nationality, residence or identity of such Holder or beneficial owner or to make any valid or timely declaration or similar claim or satisfy any certification information or other reporting requirements (in each case, to the extent such Holder or beneficial owner is legally eligible to do so), which is required or imposed by a statute, treaty, regulation or administrative practice of the relevant Tax Jurisdiction as a precondition to exemption from, or reduction in the rate of deduction or withholding of such Taxes;

(iii) any Taxes that are imposed or withheld as a result of the presentation of any Note or Guarantee for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder or beneficial owner (except to the extent that the Holder or beneficial owner would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(iv) any estate, inheritance, gift, value added, sale, excise, transfer, personal property or similar tax or assessment;

(v) any Tax which is payable otherwise than by deduction or withholding from payments made under or with respect to any Note or Guarantee;

(vi) any Tax imposed on or with respect to any payment by a Foreign Guarantor to the Holder if such Holder is a fiduciary, partnership, limited liability company or person other than the sole beneficial owner of such payment to the extent that Taxes would not have been imposed on such payment had such Holder been the sole beneficial owner of such Note or Guarantee;

(vii) any Taxes that are imposed or withheld as a result of the presentation of any Note or Guarantee for payment by or on behalf of a Holder or beneficial owner of such Notes or Guarantee who would have been able to avoid such withholding or deduction by presenting the relevant Note or Guarantee to, or otherwise accepting payment from, another paying agent;

(viii) any Taxes that are imposed or withheld pursuant to Sections 1471 through 1474 of the Code, any regulations promulgated thereunder, any official interpretations thereof, any similar law or regulation adopted pursuant to an intergovernmental agreement between a non-U.S. jurisdiction and the United States with respect to the foregoing or any agreements entered into pursuant to Section 1471(b)(1) of the Code; or

(ix) any combination of items (i) through (viii) above.

(b) The relevant Foreign Guarantor will pay when due any present or future stamp, transfer, court or documentary taxes or any other excise or property taxes
that arise in a Tax Jurisdiction with respect to the initial execution, delivery or registration of the Guarantees or any other document or instrument relating thereto (other than the Notes).

(c) The relevant Foreign Guarantor will use reasonable efforts to furnish to the Holders, within a reasonable period of time after the due date for the payment of any Taxes so deducted or withheld pursuant to applicable law, either certified copies of tax receipts evidencing such payment by such Foreign Guarantor (in such form as provided in the ordinary course by the relevant Tax Jurisdiction and as is reasonably available to the Foreign Guarantor), or, if such receipts are not obtainable, other evidence of such payments by such Foreign Guarantor reasonably satisfactory to the Holders.

SECTION 3.15. Impairment of Security Interest.

(a) The Issuer shall not, and shall not permit any Restricted Subsidiary to, take or knowingly or negligently omit to take, any action which action or omission might reasonably or would (in the good faith determination of the Issuer), have the result of materially impairing the value of the security interests taken as a whole (including the lien priority with respect thereto) with respect to the Collateral for the benefit of the Notes Collateral Agent and the Holders (including materially impairing the lien priority of the Notes with respect thereto) (it being understood that any release described under Section 11.6 and the incurrence of Permitted Liens shall not be deemed to so materially impair the security interests with respect to the Collateral).

(b) At the written direction of the Issuer and without the consent of the Holders, the Notes Collateral Agent (or its agent or designee) shall from time to time enter into one or more amendments, extensions, renewals, restatements, supplements or other modifications or replacements to or of the Security Documents to, but subject in all cases to the Intercreditor Agreements: (i) cure any ambiguity, omission, defect or inconsistency therein that does not adversely affect the interests of the Holders in any material respect, (ii) add to the Collateral or (iii) make any other change thereto that does not adversely affect the Holders in any material respect.

SECTION 3.16. After-Pledged Property.

(a) With respect to After-Pledged Property of the Issuers or any Subsidiary Guarantor, the Issuers or such Subsidiary Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to create a Lien on such After-Pledged Property constituting Collateral securing the Notes Obligations as contemplated by the Security Documents and perfect such Liens to the extent required by the Security Documents in favor of the Notes Collateral Agent, and having the Required Collateral Lien Priority, subject only to Permitted Liens, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to apply to such After-Pledged Property to the same extent and with the same force and effect as the then-existing Collateral.

122
(b) (x) If any Issuer or Subsidiary Guarantor (A)(1) acquires fee simple title in Real Property after the Issue Date or (2) owns fee simple title in Real Property on the date it executes a supplemental indenture to provide a Subsidiary Guarantee pursuant to Section 3.11(c), that, in each case of subclauses (1) and (2) of this clause (A), on the date of such acquisition or the date that such Subsidiary Guarantee is provided, as applicable, has an individual fair market value (as determined customarily and in good faith by an Officer of the Issuer) of $2.5 million or more or (B)(1) acquires a leasehold interest in Real Property after the Issue Date with respect to a full-line Neiman Marcus or Bergdorf Goodman store or a warehouse or distribution center or (2) owns leasehold title in Real Property with respect to a full-line Neiman Marcus or Bergdorf Goodman store or a warehouse or distribution center on the date it provides a Subsidiary Guarantee or (y) any Non-Mortgageable Lease with respect to a full-line Neiman Marcus or Bergdorf Goodman store or a warehouse or distribution center ceases to be a Non-Mortgageable Lease hereunder, then in each case of the foregoing clauses (x) and (y) above, within 10 Business Days after the corresponding deadlines for Extended Term Loans (in each case, subject to extension as provided in the Extended Term Loan Agreement):

(i) notify the Notes Collateral Agent thereof;

(ii) cause any such acquired Real Property owned in fee simple that has a fair market value (as determined in good faith by an Officer of the Issuer) of $2.5 million or more to be subjected to a customary mortgage or deed of trust securing the Notes Obligations;

(iii) cause any such acquired or owned leasehold Real Property to be subjected to a customary mortgage or deed of trust securing the Notes Obligations;

(iv) with respect to any such Real Property, to the extent provided to the holders of any other Indebtedness of the Issuer or the Restricted Subsidiaries (or any agent or representative thereof), obtain fully paid American Land Title Association Lender’s Extended Coverage title insurance policies, with endorsements (including a standard survey endorsement or equivalent (only with respect to any such Real Property acquired or owned in fee simple pursuant to Section 3.16(b)(x)) and zoning endorsements where available) and in customary amounts that in no event shall be less than fair market value of such Real Property (the “Mortgage Policies”);

(v) with respect to any such Real Property acquired or owned in fee simple pursuant to Section 3.16(b)(x), to the extent necessary and customary to issue the Mortgage Policies, obtain American Land Title Association/American Congress on Surveying and Mapping form surveys, dated no more than 30 days before the date of their delivery to the Notes Collateral Agent, certified to the Notes Collateral Agent and the issuer of the Mortgage Policies and sufficient for the issuer of the Mortgage Policies to omit as an exception to each title policy the standard printed survey exception relating to such Real Property;
(vi) provide customary evidence of insurance (including all insurance required to comply with applicable flood insurance laws) naming the Notes Collateral Agent as loss payee and additional insured with such responsible and reputable insurance companies or associations, and in such amounts and covering such risks as are reasonably available for similar properties in the same geographical area, including the insurance required by the terms of any mortgage or deed of trust;

(vii) obtain customary mortgage or deed of trust enforceability opinions of local counsel for the Issuers and the Subsidiary Guarantors in the states in which such Real Properties are located; and

(viii) take, or cause the applicable Issuer or Subsidiary Guarantor to take, such actions as shall be necessary or reasonably requested by the Notes Collateral Agent to perfect such Liens.

SECTION 3.17. Covenant Suspension.

(a) If on any date following the Issue Date (i) the Notes have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “Covenant Suspension Event”), Sections 3.3, 3.4, 3.6, 3.7, 3.8 and 4.1(a)(iv) (collectively, the “Suspended Covenants”) will no longer be applicable to such Notes.

(b) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time pursuant to Section 3.17(a) (any such period, a “Suspension Period”), and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events.

(c) Upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Asset Sales will be reset at zero.

(d) With respect to Restricted Payments made after the Reversion Date, the amount of Restricted Payments since the Issue Date will be calculated as though Section 3.4 had been in effect prior to, but not during, the Suspension Period. In addition, all Indebtedness Incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been Incurred or issued pursuant to Section 3.3(b)(iv). In addition, for purposes of Section 3.8, all agreements and arrangements entered into by the Issuer and any Restricted Subsidiary with an Affiliate of the Issuer during the Suspension Period prior to such Reversion Date will be deemed to have been entered into on or prior to the Issue Date, and for purposes of Section 3.6, all contracts entered into during the Suspension Period prior to such Reversion Date that contain any of the restrictions contemplated by such Section 3.6 will be deemed to have been existing on the Issue Date.

124
During the Suspension Period, any reference in the definitions of “Permitted Liens” and “Unrestricted Subsidiary” to Section 3.3 or any provision thereof will be construed as if Section 3.3 had remained in effect since the Issue Date and during the Suspension Period.

During the Suspension Period, the obligation to grant further Subsidiary Guarantees will be suspended. Upon the Reversion Date, the obligation to grant Subsidiary Guarantees under Section 3.11 will be reinstated (and the Reversion Date will be deemed to be the date on which any guaranteed Indebtedness was Incurred for purposes of Section 3.11).

Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of any failure to comply with the Suspended Covenants during any Suspension Period, and the Issuer and any Subsidiary of the Issuer will be permitted, following a Reversion Date, without causing a Default or Event of Default or breach of any of the Suspended Covenants (notwithstanding the reinstatement thereof) under this Indenture, to honor, comply with or otherwise perform any contractual commitments or obligations entered into during a Suspension Period following a Reversion Date and to consummate the transactions contemplated thereby.

The Issuer will provide an Officer’s Certificate to the Trustee indicating the occurrence of any Covenant Suspension Event or Reversion Date. The Trustee will have no obligation to (i) independently determine or verify if such events have occurred, (ii) make any determination regarding the impact of actions taken during the Suspension Period on the Issuer and its Restricted Subsidiaries’ future compliance with their covenants or (iii) notify the Holders of any Covenant Suspension Event or Reversion Date.

For the avoidance of doubt, the MYT Covenants, the MYT Waterfall and the other provisions contained in the MYT Third Lien Notes Pledge Agreement will remain in place during any Suspension Period.

SECTION 3.18. Stay, Extension and Usury Laws. The Issuers and each of the Subsidiary Guarantors covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuers and each of the Subsidiary Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 3.19. Nancy Holdings Corporate Reorganization. Nancy Holdings LLC shall be merged into the Issuer, and the intercompany lease agreements between Nancy Holdings LLC and the LLC Co-Issuer will be terminated, in each case,
within 90 days after the Issue Date (or such later date as mutually agreed by the Company Parties and the Extended Term Loan Agent) and, concurrently with such merger, the Issuer, as successor to Nancy Holdings LLC, shall mortgage the owned Real Properties constituting collateral currently held by Nancy Holdings LLC, which mortgages will have the Required Collateral Lien Priority.

SECTION 3.20. Ratings. The Issuers shall use their commercially reasonable efforts to cause, within 60 days after the end of the fiscal quarter ending June 30, 2019, the Notes to receive a rating from S&P or Moody’s, or, if during such time neither of such institutions shall be rating such obligations, an equivalent rating from another nationally recognized statistical rating agency (as described in Rule 436 under the Securities Act).

ARTICLE IV

Merger; Consolidation or Sale of All or Substantially All Assets

SECTION 4.1. When the Issuers May Merge or Otherwise Dispose of Assets.

(a) No Issuer may consolidate or merge with or into or wind up into (whether or not such Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions, to any Person (other than the merger or consolidation of one Issuer into another Issuer) unless:

(i) such Issuer is the surviving Person or the Person formed by or surviving any such consolidation, merger or winding up (if other than such Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation or limited liability company organized or existing under the laws of the United States, any state thereof or the District of Columbia (such Issuer or such Person, as the case may be, being herein called the “Successor Company”) and, if such entity is not (A) a corporation, a co-obligor of the Notes is a corporation organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, a co-obligor of the Notes is organized or existing under such laws;

(ii) the Successor Company (if other than such Issuer) expressly assumes all the obligations of such Issuer under Notes Documents pursuant to a supplemental indenture or other documents or instruments;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default or Event of Default has occurred and is continuing;

126
The Successor Company will succeed to, and be substituted for, such Issuer under this Indenture, the Notes and the Notes Documents, and such Issuer will automatically be released and discharged from its obligations under this Indenture, the Notes and the Notes Documents.

(b) Notwithstanding the foregoing clauses 4.1(a)(iii) and 4.1(a)(iv):

(i) any of the Issuers or any Subsidiary Guarantor may consolidate with, merge into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to an Issuer or a Subsidiary Guarantor;

(ii) any of the Issuers may merge or consolidate with an Affiliate of such Issuer incorporated or organized solely for the purpose of reincorporating or reorganizing such Issuer in another state of the United States, the District of Columbia or any territory of the United States so long as the principal amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby;

(iii) any Restricted Subsidiary may merge with or consolidate into an Issuer, provided that such Issuer is the Successor Company in such merger;

(iv) any Subsidiary Guarantor may dissolve or liquidate to the extent that the assets of such Subsidiary Guarantor are transferred to the Issuers or another Subsidiary Guarantor substantially contemporaneously with such dissolution or liquidation; and

(v) any Restricted Subsidiary that is not a Subsidiary Guarantor may dissolve or liquidate to the extent that the assets of such Restricted Subsidiary that is
not a Subsidiary Guarantor are transferred to the Issuers or another Restricted Subsidiary substantially contemporaneously with such dissolution or liquidation.

(c) Subject to Section 10.2 and Section 10.5, each Subsidiary Guarantor will not, and the Issuer will not permit any Subsidiary Guarantor to, consolidate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(i) (A) such Subsidiary Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, merger or winding up (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made (including by way of liquidation or dissolution of the Subsidiary Guarantor) is a corporation, partnership, limited partnership or limited liability company or trust organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia (such Subsidiary Guarantor or such Person, as the case may be, being herein called the “Successor Guarantor”):

(B) the Successor Guarantor (if other than such Subsidiary Guarantor) expressly assumes all the obligations of such Subsidiary Guarantor under the Notes Documents, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents pursuant to a supplemental indenture or other documents or instruments;

(C) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Guarantor or any of its Subsidiaries as a result of such transaction as having been Incurred by the Successor Guarantor or such Subsidiary at the time of such transaction) no Default or Event of Default will have occurred and be continuing; and

(D) the Successor Guarantor (if other than such Subsidiary Guarantor) will have delivered or caused to be delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture; and

(ii) such sale or disposition or consolidation or merger does not violate Section 3.7;

provided that, in the event of a Subsidiary Guarantor liquidating or dissolving, the Person which receives the assets of such Subsidiary Guarantor substantially contemporaneously with such liquidation or dissolution shall be considered the Successor Guarantor for purposes of the above.

(d) Subject to Sections 10.2 and 10.5, the Successor Guarantor will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture, such
Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents, and such Subsidiary Guarantor will automatically be released and discharged from its obligations under this Indenture, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents. Notwithstanding the foregoing:

(i) a Subsidiary Guarantor may merge or consolidate with an Affiliate of the Issuer incorporated or organized solely for the purpose of reincorporating or reorganizing such Subsidiary Guarantor in the United States, any state or territory thereof or the District of Columbia, so long as the principal amount of Indebtedness of the Issuer and the Restricted Subsidiaries is not increased thereby;

(ii) a Subsidiary Guarantor may consolidate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to, an Issuer or Subsidiary Guarantor;

(iii) a Subsidiary Guarantor may convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of a jurisdiction in the United States; and

(iv) any Restricted Subsidiary may merge with or consolidate into any Subsidiary Guarantor; provided that, in the case of this clause (iv), the surviving Person (A) shall be a corporation, partnership, limited partnership or limited liability company or trust organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia and (B) if not the Subsidiary Guarantor, the surviving Person will become a Subsidiary Guarantor upon the consummation of such merger or consolidation.

(e) For purposes of this Section 4.1, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Issuer, which properties and assets, if held by the Issuer instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Issuer on a consolidated basis, will be deemed to be the transfer of all or substantially all of the properties and assets of the Issuer.

ARTICLE V
Redemption of Notes

SECTION 5.1. Optional Redemption.

(a) The Notes may be redeemed, in whole at any time, or in part from time to time, subject to the conditions and at the redemption prices set forth in Paragraph 7 of the form of Note set forth in Exhibit A hereto, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to the Redemption Date.

(b) On and after the Redemption Date, interest will cease to accrue on the Notes or portions thereof called for redemption so long as the Issuers have deposited
with the Paying Agent funds sufficient to pay the principal of and premium, if any, plus accrued and unpaid interest, if any, on the Notes to be redeemed.

SECTION 5.2. Election to Redeem; Notice to Trustee of Optional and Mandatory Redemptions. If the Issuers elect to redeem Notes pursuant to Section 5.1 or the Issuers are required to redeem Notes pursuant to Section 5.9 or 5.10, the Issuers will furnish to the Trustee, at least five calendar days for Global Notes and 10 calendar days for Definitive Notes before notice of redemption is required to be delivered or caused to be delivered to Holders pursuant to Section 5.4, an Officer’s Certificate setting forth (a) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption will occur, (b) the Redemption Date, (c) the principal amount of the Notes to be redeemed and (d) the redemption price. The Issuers may also include a request in such Officer’s Certificate that the Trustee give the notice of redemption in the Issuers’ name and at their expense and setting forth the information to be stated in such notice as provided in Section 5.4. The Issuers will deliver to the Trustee such documentation and records as will enable the Trustee to select the Notes to be redeemed pursuant to Section 5.3.

SECTION 5.3. Selection by Trustee of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes for redemption on a pro rata basis (or as nearly pro rata as practicable) unless otherwise required by law or the rules of the principal national securities exchange, if any, on which such Notes are listed (but only to the extent that the Trustee has been notified in writing of such listing by the Issuer), in minimum denominations of $2,000.00 and in integral multiples of $1.00 in excess thereof; provided that the selection of Notes for redemption will not result in a Holder of Notes with a principal amount of Notes owning less than $2,000.00 in aggregate principal amount of Notes, and provided further that if all of the Notes are in global form, interests in the Notes to be redeemed will be selected for redemption by the Depositary in accordance with the Applicable Procedures of the Depositary. If any Note is to be purchased or redeemed in part only, the notice of purchase or redemption relating to such Note will state the portion of the principal amount thereof that has been or is to be purchased or redeemed. A new Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note in accordance with Section 5.7. On and after the Redemption Date, interest will cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of and premium, if any, plus accrued and unpaid interest, if any, on the Notes to be redeemed.

The Trustee will promptly notify the Issuers in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Notes will relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal amount of such Note which has been or is to be redeemed.

130
SECTION 5.4. Notice of Redemption. In the case of a redemption pursuant to Sections 5.1, 5.9 or 5.10, the Issuers will deliver or cause to be delivered or in the case of Notes in global form, delivered or caused to be delivered electronically in accordance with the Applicable Procedures of the Depositary, a notice of redemption to each Holder whose Notes are to be redeemed not less than 30 nor more than 60 days prior to a date fixed for redemption (a “Redemption Date”); provided, however, that redemption notices may be delivered more than 60 days prior to a Redemption Date if the notice is issued pursuant to Article VIII. In connection with any redemption of Notes, any such redemption may, at the Issuers’ discretion, be subject to one or more conditions precedent, including, but not limited to, the funding of the amounts required to be funded by Calling Lenders in connection with the Call Right Redemption. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice will state that, in the Issuers’ discretion, the Redemption Date may be delayed until such time as any or all such conditions will be satisfied (or waived by the Issuers in their sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions are not satisfied (or waived by the Issuers in their sole discretion) by the Redemption Date, or by the Redemption Date so delayed. At the Issuers’ written request, the Trustee may give notice of redemption in the Issuers’ name and at the Issuers’ expense.

All notices of redemption will be prepared by the Issuers and will state:

(a) the Redemption Date,

(b) the redemption price and the amount of accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.6, if any,

(c) if less than all outstanding Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption,

(d) in case any Note is to be redeemed in part only, the notice which relates to such Note will state that on and after the Redemption Date, upon surrender of such Note, the Holder will receive, without charge, a new Note or Notes of authorized denominations for the principal amount thereof remaining unredeemed,

(e) that on the Redemption Date the redemption price (and accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.6, if any) will become due and payable upon each such Note, or the portion thereof, to be redeemed, and, unless the Issuers default in making the redemption payment, that interest on Notes called for redemption (or the portion thereof) will cease to accrue on and after said date,

(f) the place or places where such Notes are to be surrendered for payment of the redemption price and accrued interest, if any,

(g) the name and address of the Paying Agent,
that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price,

(i) the CUSIP number, and that no representation is made as to the accuracy or correctness of the CUSIP number, if any, listed in such notice or printed on the Notes,

(j) the Section of this Indenture pursuant to which the Notes are to be redeemed, and

(k) a description in reasonable detail of any conditions precedent applicable to such redemption.

At the Issuers' request, the Trustee will give the notice of redemption in the Issuers’ name and at its expense; provided, however, that the Issuers will have delivered to the Trustee, at least 45 days prior to the Redemption Date, an Officer’s Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. Such Officer’s Certificate will state that all conditions precedent to the delivery of such notice have been complied with.

SECTION 5.5. Deposit of Redemption Price. Prior to 10:00 a.m. New York City time, on any Redemption Date, the Issuers will deposit with the Trustee or with a Paying Agent (or, if the Issuers are acting as their own Paying Agent, segregate and hold in trust as provided in Section 2.4) an amount of money sufficient to pay the redemption price of, and accrued interest on, all the Notes which are to be redeemed on that date.

SECTION 5.6. Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes so to be redeemed will, on the Redemption Date, become due and payable at the redemption price therein specified (together with accrued interest, if any, to, but excluding, the Redemption Date), and from and after such date (unless the Issuers default in the payment of the redemption price and accrued interest, if any, to, but excluding, the Redemption Date) such Notes will cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note will be paid by the Issuers at the redemption price, together with accrued interest, if any, to, but excluding, the Redemption Date (subject to the rights of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

If any Note called for redemption is not so paid upon surrender thereof for redemption, the principal (and premium, if any) will, until paid, bear interest from the Redemption Date at the rate borne by the Notes.

If a Redemption Date is on or after a Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, will be paid to the Person in whose name the Note is registered at the close of business on such Record Date.
Date, and no further interest will be payable to Holders whose Notes will be subject to redemption by the Issuers.

SECTION 5.7. Notes Redeemed in Part. Any Note which is to be redeemed only in part (pursuant to the provisions of this Article) will be surrendered at the office or agency of the Issuers maintained for such purpose pursuant to Section 2.3 (with, if the Issuers so require, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuers duly executed by, the Holder thereof or such Holder’s attorney duly authorized in writing), and the Issuers will execute, and the Trustee upon receipt of an Authentication Order will authenticate and make available for delivery to the Holder of such Note at the expense of the Issuers, a new Note or Notes, of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered, provided that each such new Note will be in a minimum principal amount of $2,000.00 and integral multiples of $1.00 in excess thereof.

SECTION 5.8. Offer to Repurchase. In the event that, pursuant to Section 3.7, the Issuers are required to commence an offer to all Holders to purchase the Notes (an “Offer to Repurchase”), it will follow the procedures specified below:

(a) The Offer to Repurchase will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the “Offer Period”). No later than five Business Days after the termination of the Offer Period (the “Purchase Date”), the Issuers will apply all Excess Proceeds (the “Offer Amount”), to the purchase of Notes and such Pari Passu Lien Indebtedness, if any (in each instance, on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Offer to Repurchase. Payment for any Notes so purchased will be made pursuant to Section 3.1.

(b) If the Purchase Date is on or after an Interest Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest will be payable to Holders who tender Notes pursuant to the Offer to Repurchase.

(c) Upon the commencement of an Offer to Repurchase, the Issuers will deliver a notice to the Trustee and each of the Holders. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Offer to Repurchase. The notice, which will govern the terms of the Offer to Repurchase, will state:

(i) that the Offer to Repurchase is being made pursuant to this Section 5.8 and Section 3.7, and the length of time the Offer to Repurchase will remain open;
(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment will continue to accrue interest;

(iv) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Offer to Repurchase will cease to accrue interest after the Purchase Date;

(v) that Holders electing to have a Note purchased pursuant to an Offer to Repurchase may elect to have Notes purchased in a minimum amount of $2,000.00 or an integral multiple of $1,000 in excess thereof only;

(vi) that Holders electing to have Notes purchased pursuant to any Offer to Repurchase will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Issuers, the Depositary, if appointed by the Issuers, or the Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(vii) that Holders will be entitled to withdraw their election if the Issuers, the Depositary or the Paying Agent, as the case may be, receives, not later than on the expiration of the Offer Period, facsimile transmission, pdf communication sent via electronic means or letter setting forth the name of the Holder, the principal amount of Notes the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Notes purchased;

(viii) that, if the aggregate principal amount of Notes and, if applicable, Pari Passu Lien Indebtedness, if any, surrendered by Holders thereof exceeds the Offer Amount, the Trustee will select the Notes and, if applicable, the Issuers will select such Pari Passu Lien Indebtedness to be purchased or prepaid, on a pro rata basis based on the principal amount of Notes and Pari Passu Lien Indebtedness, if any, surrendered (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in minimum denominations of $2,000.00 or integral multiples of $1.00 in excess thereof are redeemed); and

(ix) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

(d) On or before the Purchase Date, the Issuers will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Offer to Repurchase, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer’s Certificate stating that such Notes or portions thereof were accepted for payment by the Issuers in accordance with the terms of this Section 5.8. The Issuers, the Depositary or the Paying
Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuers for purchase, and the Issuers will promptly issue a new Note, and the Trustee, upon written request from the Issuers, will authenticate and deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted will be promptly delivered by the Issuers to the Holder thereof. The Issuers will publicly announce the results of the Offer to Repurchase on the Purchase Date.

SECTION 5.9. Call Right Redemption.

(a) Lenders under the Extended Term Loan Agreement (the “Calling Lenders”) may exercise the Call Right by complying with the procedures provided therefor in the Extended Term Loan Agreement and delivering (or causing the agent under the Extended Term Loan Agreement to deliver) to the Trustee and the Issuers the notice of redemption set forth in Exhibit E hereto (the “Call Notice”). Notes in a principal amount of $200.0 million (or such lesser amount equal to the then-outstanding principal amount of Notes) (such amount, the “Called Notes”) shall be redeemed in accordance with the terms of clauses (b) and (c) below.

(b) Upon (1) receipt by the Trustee and the Issuers of the Call Notice with respect to the Call Right and (2) compliance with the Call Right Procedures provided for in the Extended Term Loan Agreement, the Issuers shall redeem the Called Notes at a price equal to the principal amount of Called Notes plus accrued but unpaid interest to, but not including, the date of redemption provided for in the Call Notice, which date shall be not more than 30 Business Days and not fewer than five Business Days following delivery of the Call Notice. Such redemption shall be conditioned upon and subject to the provision by the Calling Lenders to the Issuers of Immediately available funds in cash in an amount equal to the principal amount of Called Notes.

(c) Except as expressly set forth above in this Section 5.9, the provisions of Sections 5.1 through 5.7 shall apply mutatis mutandis to a redemption of Notes pursuant to the Call Right.

At any time following a contribution made in accordance with the MYT Waterfall, the Issuers shall redeem all or a portion of the Third Lien Notes in an aggregate principal amount equal to the amount of such contribution, on a pro rata basis among the outstanding Third Lien Notes (based on their aggregate outstanding principal amount), in accordance with the procedures set forth in this Article V at a redemption price equal to 100.0%, plus accrued and unpaid interest, if any, to (but not including) the redemption date (subject to the right of Holders of record and holders of record of the 8.750% Third Lien Notes on the relevant record date to receive interest due on the relevant interest payment date).
ARTICLE VI

Defaults and Remedies

SECTION 6.1. Events of Default. The occurrence of each of the following events, for so long as such event is continuing, is an "Event of Default":

(a) a default in any payment of interest on any Note when due continued for five Business Days;

(b) a default in the payment of principal or premium, if any, of any Note when due at its Stated Maturity, upon optional or mandatory redemption, upon required purchase, upon acceleration or otherwise;

(c) the failure by the Issuer or any Restricted Subsidiary to comply for 30 days after receipt of written notice referred to below with any of its obligations, covenants or agreements (other than a default pursuant to Section 6.1(a) or this Section 6.1(b)) contained in the Notes Documents;

(d) the failure by the Issuer or any Restricted Subsidiary to pay the principal amount of any Indebtedness for borrowed money (other than Indebtedness for borrowed money owing to Issuer or a Restricted Subsidiary) within any applicable grace period upon the final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid at final maturity or accelerated exceeds $50.0 million or its foreign currency equivalent;

(e) an Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

(i) files a petition for relief, commences a voluntary case or commences proceedings to be adjudicated bankrupt or insolvent under any Bankruptcy Law;

(ii) appoints a Custodian of an Issuer or any Significant Subsidiary or for any substantial part of an Issuer’s or any of the Significant Subsidiary’s property, or any similar relief is granted under any domestic or foreign laws; or

and in each of the foregoing cases, the order or decree remains unstayed, undischarged and in effect for 60 consecutive days;

(g) failure by any Issuer or any Significant Subsidiary to pay final and non-appealable judgments aggregating in excess of $50.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent insurance companies), which judgments are not discharged, waived or stayed for a period of 60 days after such judgment becomes final and, in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(h) the Subsidiary Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms thereof or of this Indenture), or any Subsidiary Guarantor that is a Significant Subsidiary (or any Officer thereof with authority to act on behalf of such Subsidiary Guarantor with respect to such matters) denies in writing that it has any further liability under its Subsidiary Guarantee or gives written notice to such effect, other than by reason of the termination or discharge of this Indenture or the release of any such Subsidiary Guarantee in accordance with this Indenture, and such Default continues for five days;

(i) the Liens created by the Security Documents securing the Notes or Guarantees shall at any time not constitute perfected Liens on any portion of the Collateral intended to be covered thereby (to the extent perfection is required by this Indenture or such Security Documents) other than in accordance with the terms of such relevant Security Document and this Indenture or other than the satisfaction in full of all Obligations under this Indenture or release or amendment of any such Lien in accordance with the terms of this Indenture or such Security Documents, or (ii) except for expiration in accordance with its terms or amendment, modification, waiver, termination or release in accordance with the terms of this Indenture and such relevant Security Document, any
such Security Document shall for whatever reason be terminated or cease to be in full force and effect, if, in each case, such default occurs with respect to a portion of the Collateral exceeding $50.0 million in fair market value;

(j) [Reserved];

(k) (i) the Liens created by the MYT Third Lien Notes Pledge Agreement and related security documents with respect to the assets securing the Notes shall at any time not constitute perfected Liens on any portion of the collateral intended to be covered thereby (to the extent perfection is required by this Indenture or such security documents) other than in accordance with the terms of the MYT Third Lien Notes Pledge Agreement such relevant security document and this Indenture and other than the satisfaction in full of all Notes Obligations or release or amendment of any such Lien in accordance with the terms of the MYT Third Lien Notes Pledge Agreement, this Indenture or such security documents, or (ii) except for expiration in accordance with its terms or amendment, modification, waiver, termination or release in accordance with the terms of this Indenture, the MYT Third Lien Notes Pledge Agreement and such relevant security document, any such security document shall for whatever reason be terminated or cease to be in full force and effect, if, in each case, such default occurs with respect to the collateral subject to the MYT Third Lien Notes Pledge Agreement exceeding $12.5 million in fair market value;

(l) the failure by MYT Parent or any of the MYT Entities to comply with or cause compliance with the terms of the MYT Waterfall; or

(m) the failure by any of the MYT Entities to comply for 30 days after receipt of written notice referred to below with any of the MYT Covenants.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a default under Section 6.1(c) will not constitute an Event of Default until either the Trustee notifies in writing the Issuers or the Holders of at least 25.0% in principal amount of outstanding Notes notify in writing the Issuers and the Trustee of the default and such default is not cured within the time specified in Section 6.1(c) after receipt of such notice.

SECTION 6.2. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.1(e) or Section 6.1(f) above with respect to an Issuer) occurs and is continuing, either the Trustee, by written notice to the Issuers, or the Holders of at least 25.0% in principal amount of the outstanding Notes, by written notice to the Issuers and the Trustee, may declare the Contractual Performance Amount to be due and payable. Upon such a declaration, such Contractual Performance Amount will be due and payable immediately. If an Event of Default arising from Section 6.1(e) or

138
Section 6.1(f) of an Issuer occurs, the Contractual Performance Amount shall be due and payable as of immediately prior to the occurrence of such Event of Default.

The Issuers and the Subsidiary Guarantors agree and acknowledge that the excess of the Contractual Performance Amount over the sum of the principal amount of the then outstanding Notes plus accrued and unpaid interest (the “Liquidated Damages Amount”) constitutes liquidated damages and not unmatured interest or a penalty, and the actual amount of damages to the Holders as a result of the relevant Event of Default would be impracticable and extremely difficult to ascertain. Accordingly, the Liquidated Damages Amount is provided by mutual agreement of the Issuers, the Subsidiary Guarantors and the Trustee (on behalf of the Holders) as a reasonable estimation and calculation of such actual lost profits and other actual damages of the Holders. Each Holder, by accepting a Note (or a beneficial interest therein), shall be deemed to have directed the Trustee to make such agreement on its behalf.

SECTION 6.3. Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy (including a lawsuit for breach of contract) to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture (including sums owed to the Trustee, the Agents and their agents and counsel) and the Guarantees.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default will not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes, waive, rescind or cancel any declaration of an existing or past Default or Event of Default and its consequences (including acceleration) under this Indenture if such waiver, rescission or cancellation would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes (other than such nonpayment of principal or interest that has become due as a result of such acceleration). Upon any such waiver, such Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured for every purpose of this Indenture; but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

In the event of any Event of Default arising from Section 6.1(d), such Event of Default and all consequences thereof (excluding, however, any payment default on the Notes Obligations resulting from acceleration of the Notes) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if prior to 20 days after such Event of Default arose, the Issuer delivers an
Officer’s Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has otherwise been cured.

SECTION 6.5. Control by Majority. The Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee, provided, however, that the holders of a majority in aggregate principal amount of the Third Lien Notes voting, acting and being treated together as a single series in the aggregate shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Notes Collateral Agent or of exercising any trust or power conferred on the Notes Collateral Agent or of directing the Notes Collateral Agent with respect to any actions under the Security Documents. With respect to such directions, the Notes Collateral Agent shall follow the direction of the majority of all outstanding Third Lien Notes voting together as a single aggregate series. The Trustee and the Notes Collateral Agent, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee or the Notes Collateral Agent, as applicable, determines is unduly prejudicial to the rights of any other Holder (it being understood that neither the Trustee nor the Notes Collateral Agent has an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders) or that would involve the Trustee in personal liability unless such Holders have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense. Prior to taking any action under this Indenture, the Trustee will be entitled to security or indemnification reasonably satisfactory to it in its reasonable discretion against all losses, liabilities and expenses that may be caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. In case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest, when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(a) such Holder has previously given the Trustee written notice that an Event of Default is continuing or will occur upon notice and/or passage of time;

(b) Holders of at least 25.0% in principal amount of the outstanding Notes have requested (the “Requesting Holders”) in writing the Trustee to pursue the remedy, which pursuit of the requested remedy may be conditioned upon the occurrence of an Event of Default in the future;

(c) such Requesting Holders have offered the Trustee security or indemnity in respect of any loss, liability or expense (which security or indemnity is
reasonably acceptable to the Trustee, such acceptance not to be unreasonably withheld or delayed); 

(d) the Trustee has not complied with, or indicated in writing to the Requesting Holders that it will comply with, such request within 10 days after the receipt of the request and the offer of security or indemnity; and 

(e) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction inconsistent with such request within such 10-day period.

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, premium, if any, or interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, will not be impaired or affected without the consent of such Holder.

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in Section 6.1(a) or Section 6.1(b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.6.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation and reasonable expenses, disbursements and advances of the Trustee, the Agent and their agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuers, their Subsidiaries or their respective creditors or properties and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders (pursuant to the written direction of Holders of a majority in principal amount of the then outstanding Notes) in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee will consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation and reasonable expenses, disbursements and advances of the Trustee, the Agent and their agents and its counsel, and any other amounts due the Trustee under Section 7.6. Nothing herein contained will be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in such proceeding.

SECTION 6.10. Priorities. The Trustee will pay out any money or property received by it in the following order:
First: to the Trustee for amounts due under Section 7.6;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Third: to the Issuers or, to the extent the Trustee receives any amount for any Subsidiary Guarantor, to such Guarantor as a court of competent jurisdiction will direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Issuers (or Trustee) will deliver to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including attorneys’ fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 10.0% in outstanding principal amount of the Notes.

ARTICLE VII

Trustee

SECTION 7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee will, in the exercise of its rights and powers under this Indenture, use the same degree of care and skill in its exercise of such rights and powers as a prudent Person would exercise or use under the circumstances in the conduct of such Person’s own affairs, subject to the provisions of clause (b) below.

(b) Except during the continuance of an Event of Default of which a Trust Officer has actual knowledge, the Trustee:

(i) and the Agents undertake to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations will be read into this Indenture against the Trustee or the Agents; and

(ii) in the absence of bad faith on its part, may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee under this Indenture, the

142
Notes and the Guarantees, as applicable. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee will examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture, the Notes and the Guarantees as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee will not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this Section 7.1(c) does not limit the effect of Section 7.1(b);

(ii) the Trustee will not be liable for any error of judgment made in good faith by a Trust Officer or Trust Officers unless it is proved in a final non-appealable decision of a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5.

(d) The Trustee and the Agents will not be liable for interest on any money received by it except as the Trustee and the Agents may agree in writing with the Issuers.

(e) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(f) No provision of this Indenture, the Notes or the Guarantees will require the Trustee or an Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it will have reasonable grounds to believe that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee will be subject to the provisions of this Section 7.1.

(h) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders will have offered to the Trustee, security, prefunding or indemnity reasonably satisfactory to it against any loss, liability or expenses (including reasonable attorneys’ fees and expenses) that might be incurred by it in compliance with such request or direction.
SECTION 7.2. Rights of Trustee.

(a) The Trustee and the Agents may conclusively rely and will be protected in acting upon any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or any other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee and the Agents need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer’s Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on an Officer’s Certificate or Opinion of Counsel.

(c) The Trustee may act through its attorneys, custodians, nominees and agents and will not be responsible for the misconduct or negligence of or for the supervision of any agent, custodians, nominees or attorney appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee’s conduct does not constitute willful misconduct or negligence as determined in a final non-appealable decision of a court of competent jurisdiction.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture, the Notes and the Guarantees will be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder or under the Notes and the Guarantees in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee and the Agents will not be bound to make any investigation into any statement, warranty or representation, or the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or other paper or document made or in connection with this Indenture; moreover, the Trustee and the Agents will not be bound to make any investigation into (i) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture or any other agreement, instrument or document, or (iii) the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note other evidence of indebtedness or other paper or document, but the Trustee or an Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or an Agent, as applicable, determines to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuers, personally or by agent or
The Trustee will not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which a Trust Officer will have (i) received written notification from the Issuers or a Holder at the Corporate Trust Office of the Trustee and such notice references the Notes and this Indenture or (ii) obtained “actual knowledge.” “Actual knowledge” will mean the actual fact or statement of knowing by a Trust Officer without independent investigation with respect thereto.

In no event will the Trustee or an Agent be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee or Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and will be enforceable by, the Trustee in each of its capacities hereunder, and each agent (including the Agents), custodian and other Person employed to act hereunder.

The Trustee may request that the Issuers deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

The Trustee will not have any duty (i) to see to any recording, filing, or depositing of this Indenture or any agreement referred to herein, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, re-filing or redepositing of any thereof or (ii) to see to any insurance.

The right of the Trustee or an Agent to perform any discretionary act enumerated in this Indenture will not be construed as a duty.

Subject to the TIA, the Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuers, the Subsidiary Guarantors or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Section 7.9. In addition, the Trustee will be permitted to engage in transactions with the Issuers; provided, however, that if the Trustee acquires any conflicting interest the Trustee must (a) eliminate such conflict within 90 days of acquiring such conflicting interest, (b) apply to the SEC for permission to continue acting as Trustee or (c) resign.

Neither the Trustee nor any Agent will be responsible for and neither of them makes any representation as to the validity or adequacy of this Indenture, the Notes or the Guarantees, neither of them will be accountable for the Issuers’ use of the Notes or the proceeds from the Notes, and neither
of them will be responsible for any statement of the Issuers in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication or for the use or application of any funds received by any Paying Agent other than the Trustee. In accepting the trust hereby created, the Trustee acts solely as Trustee under this Indenture and not in its individual capacity and all persons, including without limitation the Holders and the Issuer having any claim against the Trustee arising from this Indenture shall look only to the funds and accounts held by the Trustee hereunder for payment except as otherwise provided herein.

SECTION 7.5. Notice of Defaults. If a Default occurs and is continuing and is actually known to the Trustee, the Trustee will provide to each Holder notice of the Default within 90 days after it is actually known to the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the Trustee may withhold notice if and so long as a committee of its Trust Officers in good faith determines that withholding notice is in the interests of the Holders.

SECTION 7.6. Compensation and Indemnity. The Issuers will pay to the Trustee and the Agents from time to time such compensation for their services as the parties agree in writing from time to time. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuers will reimburse the Trustee and the Agents upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing and reviewing reports, certificates and other documents, costs of preparation and mailing of notices to Holders and costs of counsel, in addition to the compensation for its services. Such expenses will include the compensation and reasonable expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuers will indemnify the Trustee and the Agents or any predecessor Trustee or Agent in each of its capacities hereunder (including Paying Agent, and Registrar), and each of their officers, directors, employees, counsel and agents, against any and all loss, liability or expense (including, but not limited to, attorneys' fees and expenses) incurred by it in connection with the administration of this trust and the performance of their duties hereunder and under the Notes and the Guarantees, including the costs and expenses of enforcing this Indenture (including this Section 7.6), the Notes and the Guarantees and of defending itself against any claims (whether asserted by any Holder, the Issuers or otherwise). The Trustee and the Agents will notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee or an Agent to so notify the Issuers will not relieve the Issuers of their obligations hereunder. The Issuers will defend the claim and the Trustee and the Agents may have separate counsel and the Issuers will pay the reasonable fees and expenses of such counsel. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee or an Agent as a result of its own willful misconduct or negligence or bad faith.

To secure the Issuers’ payment obligations in this Section, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. The right of the Trustee to receive payment of any amounts due under this Section 7.6 will not be subordinate to any other liability or indebtedness of the Issuers.
The Issuers’ obligations pursuant to this Section and any lien arising hereunder will survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee or an Agent. When the Trustee or an Agent incurs expenses after the occurrence of a Default specified in Section 6.1(e) or (f) with respect to the Issuers, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

Pursuant to Section 10.1, the obligations of the Issuers hereunder are jointly and severally guaranteed by the Subsidiary Guarantors.

SECTION 7.7. Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Issuers. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee upon written notice to the Issuers and the Trustee, and may appoint a successor Trustee. The Issuers will remove the Trustee if:

(i) the Trustee fails to comply with Section 7.9;

(ii) the Trustee is adjudged bankrupt or insolvent;

(iii) a receiver or other public officer takes charge of the Trustee or its property; or

(iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns or is removed by the Issuers or by the Holders of a majority in aggregate principal amount of the then outstanding Notes and such Holders do not within 30 days thereafter appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers will promptly appoint a successor Trustee.

(c) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will deliver a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.6. All costs reasonably incurred in connection with any resignation or removal hereunder will be borne by the Issuers.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the Holders of at least 10.0% in principal amount of the Notes may petition, at the Issuers’ expense, any court of competent jurisdiction for the appointment of a successor Trustee.
(e) If the Trustee fails to comply with Section 7.9, unless the Trustee’s duty to resign is stayed, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the Issuers’ obligations under this Indenture will continue for the benefit of the retiring Trustee.

SECTION 7.8. Successor Trustee by Merger. If the Trustee, consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act will be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee will succeed to the trusts created by this Indenture, any of the Notes will have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes will not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates will have the full force which it is anywhere in the Notes or in this Indenture provided.

SECTION 7.9. Eligibility; Disqualification. The Trustee will have a combined capital and surplus of at least $150,000 as set forth in its most recent filed annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

SECTION 7.10. Limitation on Duty of Trustee. The Trustee will not have any duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the Notes and the Guarantees by the Issuers, the Subsidiary Guarantors or any other Person.

SECTION 7.11. Preferential Collection of Claims Against the Issuers. The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed will be subject to TIA § 311(a) to the extent indicated therein.

SECTION 7.12. Reports by Trustee to Holders. Within 60 days after each October 15, beginning with October 15, 2019, the Trustee will provide to the Holders a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA § 313(b). The Trustee will also provide all reports as required by TIA § 313(c). The Trustee shall promptly provide, upon written request by a Holder

Discharge of Indenture; Defeasance

SECTION 8.1. Discharge of Liability on Notes; Defeasance.

(a) This Indenture will be discharged and will cease to be of further effect (except as to rights, indemnities and immunities of the Trustee and to surviving rights of registration or transfer or exchange of Notes, as expressly provided for in this Indenture) as to all outstanding Notes, and the Liens, if any, on the Collateral securing the Notes and the Note Guarantees will be released, in each case when:

(i) either (A) all the Notes theretofore authenticated and delivered (other than Notes which have been replaced or paid pursuant to Section 2.7 and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuers and thereafter repaid to the Issuers or discharged from such trust) have been delivered to the Trustee for cancellation or (B) all of the Notes not previously delivered to the Trustee for cancellation (1) have become due and payable, (2) will become due and payable at their Stated Maturity within one year or (3) if redeemable at the option of the Issuers, have been called for redemption or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers, and any of the Issuers or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the Trustee funds in cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Issuers directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(ii) the Issuers and/or the Subsidiary Guarantors have paid all other sums payable under this Indenture; and

(iii) Issuer has delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Section 8.1(c) and Section 8.2, the Issuers at any time may terminate (i) all of their obligations under the Notes and this Indenture (with respect to such Notes) and have each Subsidiary Guarantor’s obligation discharged with respect to its Subsidiary Guarantee and have Liens, if any, on the Collateral securing the Notes and the Note Guarantees released and cure any then-existing Events of Default (“legal...
defeasance option") or (ii) its obligations under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.11, 3.12, 3.14, 3.15, 3.16, 3.19 and 3.20 and the operation of Section 4.1 (other than Sections 4.1(g)(i), (ii) and (vi)) and Sections 6.1(c) (with respect to any Default under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.11, 3.12, 3.14, 3.15, 3.16, 3.19 and 3.20, 6.1(d), 6.1(e) (with respect to Significant Subsidiaries of the Issuers only), 6.1(f) (with respect to Significant Subsidiaries of the Issuers only), 6.1(g), 6.1(h), 6.1(i), 6.1(j), 6.1(k) and 6.1(m) and have Liens, if any, on the Collateral securing the Notes and the Note Guarantees released ("covenant defeasance option"). The Issuers may exercise their legal defeasance option notwithstanding their prior exercise of the covenant defeasance option. In the event that the Issuers terminate all of their obligations under the Notes and this Indenture (with respect to such Notes) by exercising the legal defeasance option or the covenant defeasance option, the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee of such Notes will be terminated simultaneously with the termination of such obligations.

(c) If the Issuers exercise their legal defeasance option, payment of the Notes so defeased may not be accelerated because of an Event of Default. If the Issuers exercise their covenant defeasance option, payment of the Notes so defeased may not be accelerated because of an Event of Default specified in Section 6.1(c) (with respect to any Default by the Issuer or any of its Restricted Subsidiaries with any of their obligations under Article III other than Sections 3.1, 3.13, 3.17, 6.1(d), 6.1(e) (with respect to Significant Subsidiaries of the Issuers only), 6.1(f) (with respect to Significant Subsidiaries of the Issuers only), 6.1(g), 6.1(h), 6.1(i), 6.1(j), 6.1(k) or 6.1(m).

(d) Upon satisfaction of the conditions set forth herein and upon request of the Issuers, the Trustee will acknowledge in writing the discharge of those obligations that the Issuers terminate.

(e) Notwithstanding clauses (a) and (b) above, the Issuers’ obligations in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 7.6, 7.7 and in this Article VIII will survive until the Notes have been paid in full. Thereafter, the Issuers’ obligations in Sections 7.6, 8.5 and 8.6 will survive such satisfaction and discharge.

SECTION 8.2. Conditions to Defeasance.

(a) The Issuers may exercise their legal defeasance option or their covenant defeasance option only if:

(i) the Issuers irrevocably deposit or cause to be deposited in trust with the Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient to pay the principal of, and premium (if any) and interest on the applicable Notes when due at maturity or redemption, as the case may be;

(ii) the Issuers deliver to the Trustee a certificate from a nationally recognized certified public accounting firm expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited
U.S. Government Obligations plus any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest when due on all the Notes to maturity or redemption, as the case may be;

(iii) the Issuers deliver to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940;

(iv) the Issuers shall have delivered to the Trustee an Officer’s Certificate stating that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or any Subsidiary Guarantor or others;

(v) in the case of the legal defeasance option, the Issuers will have delivered to the Trustee an Opinion of Counsel stating that (A) the Issuers have received from, or there has been published by, the Internal Revenue Service a ruling, or (B) since the date of this Indenture there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(vi) in the case of the covenant defeasance option, the Issuers will have delivered to the Trustee an Opinion of Counsel to the effect that the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(vii) the Issuers deliver to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes to be so defeased and discharged as contemplated by this Article VIII have been complied with.

(b) Before or after a deposit, the Issuers may make arrangements satisfactory to the Trustee for the redemption of such Notes at a future date in accordance with Article V.

SECTION 8.3. Application of Trust Money. The Trustee will hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article VIII. It will apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

SECTION 8.4. Repayment to Issuers. Anything herein to the contrary notwithstanding, the Trustee will deliver or pay to the Issuers from time to time upon
Company Order any money or U.S. Government Obligations held by it as provided in this Article VIII which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect legal defeasance option or covenant defeasance option, as applicable, provided that the Trustee will not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this Section 8.4.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent will pay to the Issuers upon written request any money held by them for the payment of principal of or interest on the Notes that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuers for payment as general creditors.

SECTION 8.5. Indemnity for U.S. Government Obligations. The Issuers will pay and will indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.6. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Issuers and each Subsidiary Guarantor under this Indenture, the Notes and the Guarantees will be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; provided, however, that, if any of the Issuers or the Subsidiary Guarantors has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Issuers or any Subsidiary Guarantor, as the case may be, will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE IX

Amendments

SECTION 9.1. Without Consent of Holders. Notwithstanding Section 9.2, the Notes Documents may be amended or supplemented by the Issuers, any Subsidiary Guarantor (with respect to this Indenture or a Subsidiary Guarantee to which it is a party), MYT Parent or the MYT Guarantor Entities (in respect of the MYT Third Lien Notes Pledge Agreement or any related security documents), the Trustee and the Notes Collateral Agent, as applicable, without notice to or consent of any Holder:

(a) to cure any ambiguity, omission, mistake or inconsistency identified in an Officer’s Certificate of the Issuer, which states that such cure is a good
faith attempt by the Issuer to reflect the intention of the parties to this Indenture, delivered to the Trustee and the Notes Collateral Agent;

(b) to conform the text of the Notes Documents (including any supplemental indenture or other instrument pursuant to which Additional Notes are issued) to the “Description of New Notes” in the Exchange Offering Memorandum or, with respect to any Additional Notes and any supplemental indenture or other instrument pursuant to which such Additional Notes are issued, to the “Description of Notes” relating to the issuance of such Additional Notes, solely to the extent that such “Description of Notes” provides for terms of such Additional Notes that differ from the terms of the Initial Notes, as contemplated by Section 2.2;

(c) to comply with Section 4.1;

(d) to provide for the assumption by a successor Person of the obligations of an Issuer or any Subsidiary Guarantor under and in accordance with this Indenture and the Notes or Subsidiary Guarantee, as the case may be;

(e) to provide for uncertificated Notes in addition to or in place of certificated Notes; provided, however, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code;

(f) to add or release Subsidiary Guarantees in accordance with the terms of the Notes Documents;

(g) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee or the Notes Collateral Agent for the benefit of the Holders, as additional security for the payment and performance of all or any portion of the Notes Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a Lien is required to be granted to or for the benefit of the Trustee or the Notes Collateral Agent pursuant to the Notes Documents or otherwise;

(h) to add to the covenants of the Issuers for the benefit of the Holders or to surrender any right or power herein conferred upon the Issuers, any Subsidiary Guarantor, MYT Parent or any MYT Entity;

(i) to make any change that does not adversely affect the rights of any Holder upon delivery to the Trustee of an Officer’s Certificate of the Issuer certifying the absence of such adverse effect;

(j) to comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA;

(k) to make any amendment to the provisions of the Notes Documents relating to the transfer and legending of Notes as permitted by this Indenture, including to facilitate the issuance and administration of the Notes; provided, however, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such
amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(l) to evidence and provide for the acceptance of appointment by a successor Trustee, provided that the successor Trustee is otherwise qualified and eligible to act as such under the terms of this Indenture;

(m) to provide for or confirm the issuance of Additional Notes in accordance with this Indenture;

(n) to provide for the accession of any parties to the Security Documents or the Intercreditor Agreements, as applicable (and other amendments to such documents that in either case are administrative or ministerial in nature) in connection with an incurrence of additional Indebtedness to the extent permitted by the Notes Documents;

(o) to provide for the release of the Collateral from the Liens in accordance with the terms of this Indenture, provided that such release shall not affect the liens on the collateral granted in accordance with, and pursuant to, the terms of the 8.750% Third Lien Indenture; or

(p) to enter into a Customary Intercreditor Agreement in connection with the incurrence of Junior Lien Indebtedness or Pari Passu Lien Indebtedness permitted by this Indenture;

provided that, for the avoidance of doubt, no co-obligor or co-issuer may be added (directly or indirectly) to the Notes without the consent of a majority in principal amount of the Notes then outstanding.

SECTION 9.2. With Consent of Holders.

(a) This Indenture, the Notes, the Guarantees and the Security Documents may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and any existing or past Default or compliance with any provisions of such documents may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). For the avoidance of doubt, the Notes and the 8.750% Third Lien Notes will be treated separately, except that a majority in outstanding principal amount of all of the Third Lien Notes will direct the Notes Collateral Agent (other than with respect to any Collateral that secures only the Notes but not the 8.750% Third Lien Notes or only the 8.750% Third Lien Notes but not the Notes). However, without the consent of each Holder of a Note affected (including, for the avoidance of doubt, any Notes held by Affiliates), no amendment, supplement or waiver may (with respect to any Notes held by a non-consenting Holder):
reduce the percentage of the aggregate principal amount of Notes whose Holders must consent to an amendment,

(ii) reduce the rate of or extend the time for payment of interest on any Note;

(iii) reduce the principal of or change the Stated Maturity of any Note;

(iv) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration;

(v) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described under Section 5.1;

(vi) make any Note payable in money other than that stated in such Note;

(vii) impair the right of any Holder to receive payment of principal of, premium, if any, or interest on such Holder’s Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder’s Notes;

(viii) make any change in the amendment or waiver provisions of this Indenture that require each Holder’s consent, as described in clauses (i) through (x);

(ix) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;

(x) make the Notes or any Guarantee subordinated in right of payment or “waterfall” priority to, in either case, any other Obligations; or

(xi) release any Issuer or Subsidiary Guarantor from its Obligations under the Notes Documents, except in accordance with the terms of the Notes Documents.

In addition, without the consent of the Holders of at least 66 2/3% in principal amount of the then outstanding Notes, no amendment, supplement or waiver may modify any Notes Document that would have the effect of (i) releasing all or substantially all of the Collateral from the Liens of the Security Documents (except as permitted by the terms of this Indenture or the Security Documents) or changing or altering the priority of Notes Liens on the Collateral or (ii) releasing all or substantially all of the “Collateral” (as defined in the MYT Third Lien Pledge Agreement) or changing or altering the priority of
the Liens granted pursuant to the MYT Third Lien Pledge Agreement (except as permitted by the terms thereof or any other Notes Document).

(b) It is not necessary for the consent of the Holders under this Section 9.2 to approve the particular form of any proposed amendment, but it will be sufficient if such consent approves the substance thereof.

(c) Additional Notes will be disregarded for purposes of any amendment or waiver relating to a Default or Event of Default that existed (disregarding any applicable notice, cure or grace periods) prior to the time of issuance of such Additional Notes.

(d) After an amendment under this Section 9.2 becomes effective, the Issuers will (or will cause the Trustee, at the expense of and at the written request of the Issuers, to) deliver to the Holders affected thereby a notice briefly describing such amendment. The failure of the Issuers to deliver such notice, or any defect therein, will not in any way impair or affect the validity of an amendment under this Section 9.2.

SECTION 9.3. Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note will bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder’s Note, even if notation of the consent or waiver is not made on the Note. After an amendment or waiver becomes effective, it will bind every Holder unless it makes a change described in clauses (i) through (ix) of Section 9.2(a), in which case the amendment or waiver or other action will bind each Holder who has consented to it and every subsequent Holder that evidences the same debt as the consenting Holder’s Notes. An amendment or waiver made pursuant to Section 9.2 will become effective upon receipt by the Trustee of the requisite number of written consents.

The Issuers may, but will not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, will be entitled to give such consent or to take any such action, whether or not such Persons continue to be Holders after such record date.

SECTION 9.4. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuers or the Trustee so determines, the Issuers in exchange for the Note will issue and the Trustee will authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note will not affect the validity of such amendment.

SECTION 9.5. Trustee To Sign Amendments. The Trustee and the Notes Collateral Agent will sign any amendment, supplement or waiver authorized
pursuant to this Article IX if the amendment, supplement or waiver does not, in the sole determination of the Trustee or the Notes Collateral Agent, as applicable, adversely affect the rights, duties, liabilities or immunities of the Trustee or the Notes Collateral Agent, as applicable. If it does, the Trustee or the Notes Collateral Agent, as applicable, may but need not sign it. In signing any amendment, supplement or waiver pursuant to this Article IX, the Trustee and the Notes Collateral Agent will be entitled to receive, and (subject to Section 7.1 and Section 7.2) will be fully protected in relying upon, an Officer’s Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by or complies with this Indenture, that all conditions precedent to such amendment required by this Indenture have been complied with and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuers, enforceable against the Issuers in accordance with its terms, subject to customary exceptions. Notwithstanding the foregoing, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantor under this Indenture.

ARTICLE X

Guarantees

SECTION 10.1. Guarantees.

(a) Subject to the provisions of this Article X, each Subsidiary Guarantor hereby jointly and severally, irrevocably, fully and unconditionally guarantees, on a senior basis, as guarantor and not as a surety, with each other Guarantor, the full and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, all Obligations of the Issuers under this Indenture and the Notes Documents (including interest that, but for the filing of a petition in any bankruptcy or other insolvency proceeding with respect to the Issuers, would have accrued on any Obligation, whether or not a claim is allowed against the Issuers for such interest in the related bankruptcy proceeding) to the Holders and the Trustee, whether for payment of principal of, premium, if any, or interest on the Notes, expenses, indemnification or otherwise (all such obligations guaranteed by such Subsidiary Guarantors being herein called the “Guaranteed Obligations”). Each Subsidiary Guarantor agrees (to the extent lawful) that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article X notwithstanding any extension or renewal of any Subsidiary Guarantor Obligation.

(b) Each Subsidiary Guarantor waives (to the extent lawful) presentation to, demand of, payment from and protest to the Issuers of any of the Guaranteed Obligations and also waives (to the extent lawful) notice of protest for nonpayment. Each Subsidiary Guarantor waives (to the extent lawful) notice of any default under the Notes or the Guaranteed Obligations.

(c) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of
(d) Except as set forth in Section 10.2 and Article VIII, the obligations of each Subsidiary Guarantor hereunder will not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guaranteed Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and will not (to the extent lawful) be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein will not (to the extent lawful) be discharged or impaired or otherwise affected by (i) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Issuers or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes, the Notes Collateral Agreement, the MYT Third Lien Notes Pledge Agreement or any other Notes Document; (iv) the release of any security held by any Holder for the Guaranteed Obligations or any of them; (v) the failure of any Holder to exercise any right or remedy against any other Guarantor; (vi) any change in the ownership of the Issuers; (vii) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (viii) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

(e) Each Subsidiary Guarantor agrees that its Subsidiary Guarantee herein will remain in full force and effect until payment in full of all the Guaranteed Obligations or such Subsidiary Guarantor is released from its Subsidiary Guarantee in compliance with Section 4.1, Section 10.2 and Article VIII. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein will continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest on any of the Guaranteed Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Issuers or otherwise.

(f) In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Issuers to pay any of the Guaranteed Obligations when and as the same will become due, whether at maturity, by acceleration, by redemption or otherwise, each Subsidiary Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guaranteed Obligations then due and owing and (ii) accrued and unpaid interest on such Guaranteed Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding
(g) Each Subsidiary Guarantor further agrees that, as between such Subsidiary Guarantor, on the one hand, and the Holders, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed by this Guarantee may be accelerated as provided in this Indenture for the purposes of its Subsidiary Guarantee in this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed by this Guarantee and (ii) in the event of any such declaration of acceleration of such Guaranteed Obligations, such Guaranteed Obligations (whether or not due and payable) will forthwith become due and payable by the Guarantor for the purposes of this Subsidiary Guarantee.

(h) Each Subsidiary Guarantor also agrees to pay any and all reasonable costs and expenses (including attorneys’ fees) incurred by the Trustee or the Holders in enforcing any rights under this Guarantee.

(i) No Issuers or the Subsidiary Guarantors will be required to make a notation on the Notes to reflect any Subsidiary Guarantee or any release, termination or discharge thereof and any such notation will not be a condition to the validity of any Guarantee.

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Subsidiary Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Subsidiary Guarantor not constituting a fraudulent conveyance or fraudulent transfer under federal or state law or the laws of the jurisdiction of organization of such Subsidiary Guarantor and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) A Subsidiary Guarantee by a Subsidiary Guarantor (other than Notes PropCo and Extended Term Loan PropCo) will be automatically and unconditionally released and discharged:

(i) upon the sale, exchange, disposition or other transfer (including through merger or consolidation) of the Capital Stock of such Subsidiary Guarantor to a party that is not an Affiliate of the Issuer, if after such transaction, the Subsidiary Guarantor is no longer a Subsidiary (so long as such transaction is permitted by this Indenture); or
(ii) upon the Issuers’ exercise of their legal defeasance option or covenant defeasance option under Section 8.1(b) or if the Issuers’ Obligations under this Indenture are discharged in accordance with the terms of this Indenture.

(c) The Notes PropCo Guarantee will be automatically and unconditionally released and discharged:

(i) upon the sale, exchange, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock of Notes PropCo to a party that is not an Affiliate of the Issuer, if after such transaction, Notes PropCo is no longer a Subsidiary (so long as such transaction is permitted by this Indenture); or

(ii) upon the Issuers’ exercise of their legal defeasance option or covenant defeasance option under Section 8.1(b) or if the Issuers’ Obligations under this Indenture are discharged in accordance with the terms of this Indenture.

(d) The Extended Term Loan PropCo Guarantee will be automatically and unconditionally released and discharged:

(i) upon the sale, exchange, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock of Extended Term Loan PropCo to a party that is not an Affiliate of the Issuer, if after such transaction, Extended Term Loan PropCo is no longer a Subsidiary (so long as such transaction is permitted by this Indenture); or

(ii) upon the Issuers’ exercise of their legal defeasance option or covenant defeasance option under Section 8.1(b) or if the Issuers’ Obligations under this Indenture are discharged in accordance with the terms of this Indenture.

(e) In the case of Section 10.2(b), the Issuers will deliver to the Trustee an Officer’s Certificate and Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(f) The release of a Subsidiary Guarantor from its Subsidiary Guarantee and its obligations under this Indenture in accordance with the provisions of this Section 10.2 will not preclude the future application of Section 3.11 to such Person.

SECTION 10.3 Right of Contribution. Each Subsidiary Guarantor hereby agrees that to the extent that any such Guarantor will have paid more than its proportionate share of any payment made on the obligations under its Guarantee, such Guarantor will be entitled to seek and receive contribution from and against the Issuers or any other Guarantor who have not paid their proportionate share of such payment. The provisions of this Section 10.3 will in no respect limit the obligations and liabilities of each Subsidiary Guarantor to the Trustee and the Holders and each Subsidiary Guarantor will remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.
SECTION 10.4.  No Subrogation. Notwithstanding any payment or payments made by each Subsidiary Guarantor hereunder, no Guarantor will be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Issuers or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guaranteed Obligations, nor will any Subsidiary Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuers or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Issuers on account of the Guaranteed Obligations are paid in full. If any amount will be paid to any Subsidiary Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations will not have been paid in full, such amount will be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and will, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guaranteed Obligations.

SECTION 10.5.  Limitations on Merger.  Subject to Section 4.1 and Section 10.2, a Subsidiary Guarantor will not, and the Issuer will not permit any Subsidiary Guarantor to, consolidate or merge with or into or wind up into (whether or not such Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(a) such Person is a Successor Guarantor;

(b) the Successor Guarantor (if other than such Subsidiary Guarantor) expressly assumes all the obligations of such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor’s Guarantee pursuant to a supplemental indenture or other documents or instruments;

(c) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Guarantor or any of its Subsidiaries as a result of such transaction as having been Incurred by the Successor Guarantor or such Subsidiary at the time of such transaction) no Default or Event of Default will have occurred and be continuing; and

(d) the Successor Guarantor (if other than such Subsidiary Guarantor) will have delivered or caused to be delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture; or

(e) such sale or disposition or consolidation or merger does not violate Section 3.7.

The Successor Guarantor will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor’s Guarantee, and such Subsidiary Guarantor will automatically be released and discharged from its
obligations under this Indenture and such Guarantor’s Guarantee. Notwithstanding the foregoing, (1) a Subsidiary Guarantor may merge or consolidate with an Affiliate of the Issuer incorporated or organized solely for the purpose of reincorporating or reorganizing such Guarantor in the United States, any state or territory thereof, the District of Columbia or the jurisdiction of such Guarantor, so long as the principal amount of Indebtedness of the Issuer and the Restricted Subsidiaries is not increased thereby and the Person resulting from such merger or consolidation is or becomes an Issuer or a Subsidiary Guarantor, (2) a Subsidiary Guarantor may consolidate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to an Issuer or another Subsidiary Guarantor, (3) a Subsidiary Guarantor may convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor or the laws of a jurisdiction in the United States, so long as such Subsidiary Guarantor remains a Subsidiary Guarantor and (4) any Restricted Subsidiary may merge into any Subsidiary Guarantor, provided that, in the case of this clause (d), the surviving Person will be a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Restricted Subsidiary or Subsidiary Guarantor and the surviving Person of such merger (if not the Guarantor) is or will become a Subsidiary Guarantor upon the consummation of such merger.

SECTION 10.6. Subordination of PropCo Guarantees. The guarantee by Extended Term Loan Propco of the Guaranteed Obligations pursuant to this Article X is subordinate in the manner and to the extent set forth in that certain subordination agreement (as amended, supplemented or otherwise modified from time to time) dated as of June 7, 2019 among the Collateral Agent, Extended Term Loan PropCo and the other parties thereto (the “Extended Term Loan PropCo Subordination Agreement”), to the Senior Priority Guarantee Obligations (as defined therein); and each Holder, by its acceptance of a Note or a beneficial interest therein, irrevocably agrees to be bound by the provisions of such subordination agreement.

The guarantee by Notes Propco of the Guaranteed Obligations pursuant to this Article X is subordinate in the manner and to the extent set forth in that certain subordination agreement (as amended, supplemented or otherwise modified from time to time) dated as of June 7, 2019 among the Collateral Agent, Notes PropCo and the other parties thereto (the “Notes PropCo Subordination Agreement”), to the Senior Priority Guarantee Obligations (as defined therein); and each Holder, by its acceptance of a Note or a beneficial interest therein, irrevocably agrees to be bound by the provisions of such subordination agreement.

The Notes Obligations are secured by the Collateral as provided in the Security Documents with Liens that have the Required Collateral Lien Priority. The Issuer shall, and shall cause each Subsidiary Guarantor to, and each Subsidiary Guarantor shall, make all filings (including filings of continuation statements and amendments to UCC financing statements that may be necessary to continue the effectiveness of such UCC financing statements) necessary to maintain (at the sole cost and expense of the Issuer and the Subsidiary Guarantors) the security interest created by the Security Documents in the Collateral as a perfected security interest to the extent perfection is required by the Security Documents, subject only to Permitted Liens.

SECTION 11.2. Extended Term Loan Priority Real Estate Collateral and Extended Term Loan PropCo Equity Interests.

(a) On the Issue Date (or within the Initial Post-Closing Period, subject to the Extended Post-Closing Period, in the event that the Extended Term Loan Agent extends such Initial Post-Closing Period for obtaining mortgages or deeds of trust on the Notes Priority Real Estate Collateral or the Extended Term Loan Priority Real Estate Collateral beyond such Initial Post-Closing Period, provided, that, during such Extended Post-Closing Period, no such mortgages or deeds of trust on any Extended Term Loan Priority Real Estate Collateral to secure the Notes Obligations shall be obtained more than 10 days after the corresponding mortgages or deeds of trust on such properties are obtained to secure the Extended Term Loan Obligations), the Notes Collateral Agent shall be granted a third-priority Lien on specified real estate interests which consist of certain owned real properties and real property leases (whether operating leases, ground leases, or otherwise) which constitute collateral for the Extended Term Loan Obligations as of the Issue Date to the extent not constituting Non-Mortgageable Leases (such real estate interests, the “Extended Term Loan Priority Real Estate Collateral”), and a third-priority pledge of the Extended Term Loan PropCo Equity Interests.

(b) Notwithstanding the foregoing, to the extent any real property interests that would otherwise be mortgaged as Extended Term Loan Priority Real Estate Collateral constitute Non-Mortgageable Leases (the “Extended Term Loan Priority PropCo Assets”), such Non-Mortgageable Leases shall be contributed to the Extended Term Loan PropCo, which shall grant a lease or license to the applicable Restricted Subsidiary of the Issuer to use the Extended Term Loan Priority PropCo Assets on terms consistent with Exhibit F in each case within the time period described in clause (a).
SECTION 11.3.  Notes Priority Real Estate Collateral and Notes PropCo Equity Interests.

(a)  On the Issue Date (or within the Initial Post-Closing Period, subject to the Extended Post-Closing Period, in the event that the Extended Term Loan Agent extends such Initial Post-Closing Period for obtaining mortgages or deeds of trust on the Notes Priority Real Estate Collateral or the Extended Term Loan Priority Real Estate Collateral beyond such Initial Post-Closing Period; provided, that, during such Extended Post-Closing Period, no such mortgages or deeds of trust on any Extended Term Loan Priority Real Estate Collateral to secure the Third Lien Notes Obligations shall be obtained more than 10 days after the corresponding mortgages or deeds of trust on such properties are obtained to secure the Extended Term Loan Obligations), the Notes Collateral Agent, on behalf of the Holders shall be granted a Lien on the Notes Priority Real Estate Collateral and a pledge of the Notes PropCo Equity Interests in each case with the Required Collateral Lien Priority applicable thereto.

(b)  Notwithstanding the foregoing, to the extent any real property interests that would otherwise be mortgaged as Notes Priority Real Estate Collateral constitute Non-Mortgageable Leases, then the Issuer shall cause Notes PropCo to be formed as promptly as practicable, and, in lieu of such mortgages, the applicable Non-Mortgageable Leases (such interests ceasing to be Notes Priority Real Estate Collateral, the “Notes Priority PropCo Assets”) shall be contributed to the Notes PropCo. In the event that Notes PropCo is formed, it shall grant a lease or license to the applicable Restricted Subsidiary of the Issuer to use the Notes Priority PropCo Assets on terms consistent with Exhibit F in each case within the time period described in clause (a).

SECTION 11.4.  Notes Collateral Agent.

(a)  The Notes Collateral Agent shall have all the rights, benefits, privileges, protections, indemnities and immunities provided in the Security Documents and, additionally, shall have all the rights, benefits, privileges, protections, indemnities and immunities provided to the “Trustee” under Article VII.

(b)  Subject to Section 7.1, none of the Notes Collateral Agent, Trustee, Paying Agent or Registrar nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral, for the legality, enforceability, effectiveness or sufficiency of the Security Documents, for the creation, perfection, priority, sufficiency or protection of any Notes Liens, or any defect or deficiency as to any such matters.

(c)  Except as required or permitted by the Security Documents, and the Intercreditor Agreements, the Holders, by accepting a Note, acknowledge that the Notes Collateral Agent will not be obligated:

   (i)  to act upon directions purported to be delivered to it by any Person, except in accordance with the Security Documents and the Intercreditor Agreements;
(ii) to foreclose upon or otherwise enforce any Lien granted pursuant to the Security Documents; or
(iii) to take any other action whatsoever with regard to any or all of the Notes Liens, Security Documents, Intercreditor Agreements or Collateral.

(d) The Notes Collateral Agent may be removed and replaced in the same manner as the Trustee, as provided the Notes Collateral Agreement and the MYT Third Lien Notes Pledge Agreement.

SECTION 11.5. Authorization of Actions to Be Taken.

(a) Each Holder, by its acceptance thereof, consents and agrees to the terms of each Security Document, as originally in effect and as amended, supplemented or replaced from time to time in accordance with its terms or the terms of this Indenture, authorizes and directs the Trustee and Notes Collateral Agent to enter into the Security Documents to which each is a party, authorizes and empowers the Trustee and Notes Collateral Agent to execute and deliver the Intercreditor Agreements and authorizes and empowers the Trustee and Notes Collateral Agent to bind the Holders as set forth in the Security Documents to which each is a party and the Intercreditor Agreements and to perform their respective obligations and exercise their respective rights and powers thereunder.

(b) The Trustee is authorized and empowered to receive for the benefit of the Holders any funds collected or distributed to the Notes Collateral Agent under the Security Documents to which the Trustee is a party and, subject to the terms of the Security Documents, to make further distributions of such funds to the Holders according to the provisions of this Indenture.

(c) Subject to the provisions of Sections 7.1, 7.2, the Intercreditor Agreements and the Security Documents, the Trustee may, in its sole discretion and without the consent of the Holders, direct, on behalf of the Holders, the Notes Collateral Agent to take all actions it deems necessary or appropriate in order to, upon the occurrence and continuance of an Event of Default:

(i) foreclose upon or otherwise enforce any or all of the Liens granted pursuant to the Security Documents;

(ii) enforce any of the terms of the Security Documents to which the Notes Collateral Agent is a party; or

(iii) collect and receive payment of any and all Obligations.

Following an Event of Default, subject to the Intercreditor Agreements and at the Issuer’s sole cost and expense, the Trustee is hereby authorized and empowered by each Holder (by its acceptance thereof) to, subject to Sections 7.1 and 7.2 institute and maintain, or direct the Notes Collateral Agent to institute and maintain, such suits and proceedings as it may deem reasonably expedient to protect or enforce the Liens
granted under the Security Documents to which the Notes Collateral Agent or Trustee is a party or to prevent any impairment of Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may deem reasonably expedient, at the Issuer’s sole cost and expense, to preserve or protect its interests and the interests of the Holders in the Collateral, including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Liens granted under the Security Documents or be prejudicial to the interests of Holders or the Trustee.

(a) Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents and the Intercreditor Agreements. In addition, the Issuer and the Subsidiary Guarantors will be entitled to the release of assets included in the Collateral from the Liens securing the Notes, and the Trustee shall (or, if the Trustee is not then the Notes Collateral Agent, shall direct the Notes Collateral Agent) release the same from such Liens at the Issuer’s sole cost and expense, under any one or more of the following circumstances without the need for any further action by any Person:

(i) as to any property or assets to enable the Issuers or the Subsidiary Guarantors to consummate the disposition of such property or assets to the extent not prohibited and otherwise in accordance with Section 3.7; provided, however, that if such property or assets, immediately prior thereto, were subject to any Lien securing any Obligations of the Issuers or Subsidiary Guarantors and such property or assets continue after such disposition to be subject to a Lien securing any such Obligations, no such release shall occur with respect to such property or assets;

(ii) in the case of the property and assets of a Restricted Subsidiary that is a Subsidiary Guarantor, upon the release of such Subsidiary Guarantor from its Subsidiary Guarantee of the Notes;

(iii) as described under Article IX of this Indenture.

(b) The security interests in all Collateral securing the Notes also will be released upon payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Obligations under this Indenture, the Notes, the Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest are paid, or upon the Issuers’ exercise of a legal defeasance option or covenant defeasance option under this Indenture as described under Article VIII.

(c) Upon the written request of the Issuer pursuant to an Officer’s Certificate and Opinion of Counsel stating that all conditions precedent hereunder and
under the Security Documents have been met, and upon receipt of any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer or the Subsidiary Guarantors, as the case may be, the Notes Collateral Agent, without the consent of any Holder or the Trustee and at the expense of the Issuer or the Subsidiary Guarantors, shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this or the Security Documents.

SECTION 11.7. Filing, Recording and Opinions.

(a) The Issuer will comply with the provisions of Sections 314(b) and 314(d) of the TIA, in each case following qualification of this Indenture pursuant to the TIA. Any certificate or opinion required by Section 314(d) of the TIA may be made by an Officer of the Issuer except in cases where Section 314(d) of the TIA requires that such certificate or opinion be made by an independent engineer, appraiser or other expert, who shall be reasonably satisfactory to the Trustee. Notwithstanding anything to the contrary herein, the Issuer and the Subsidiary Guarantors will not be required to comply with all or any portion of Section 314(d) of the TIA if they determine, in good faith, after consultation with counsel (which may be internal counsel), that under the terms of that section and/or any interpretation or guidance as to the meaning thereof of the SEC and its staff, including “no action” letters or exemptive orders, all or any portion of Section 314(d) of the TIA is inapplicable to the released Collateral. Following such qualification, to the extent the Issuer is required to furnish to the Trustee an Opinion of Counsel pursuant to Section 314(b)(2) of the TIA, the Issuer will furnish such opinion not more than 60 but not less than 30 days prior to each October 15, commencing October 15, 2019.

Any release of Collateral permitted by Section 11.6 and this Section 11.7 will be deemed not to impair the Liens under this Indenture and the Security Documents in contravention thereof and any Person that is required to deliver an Officer’s Certificate or Opinion of Counsel pursuant to Section 314(d) of the TIA, shall be entitled to rely upon the foregoing as a basis for delivery of such certificate or opinion. The Trustee and the Notes Collateral Agent may, to the extent permitted by Section 7.1 and 7.2, accept as conclusive evidence of compliance with the foregoing provisions the appropriate statements contained in such documents and Opinion of Counsel.

(b) If any Collateral is released in accordance with this Indenture or any Security Document at a time when the Trustee is not itself also the Notes Collateral Agent and if the Issuer has delivered the certificates and documents required by the Security Documents and Section 11.6, the Trustee will deliver all documentation received by it in connection with such release to the Notes Collateral Agent.

SECTION 11.8. Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XI upon the Issuer or a Subsidiary Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed
the equivalent of any similar instrument of the Issuer or a Subsidiary Guarantor or of any officer or officers thereof required by the provisions of this Article XI and if the Trustee or the Notes Collateral Agent shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee or the Notes Collateral Agent, as the case may be.

SECTION 11.9. Voting. In connection with any matter under the Security Agreement requiring a vote of holders of Secured Obligations (as defined in the Security Agreement), the holders of such Secured Obligations shall be treated as a single class and the Holders shall cast their votes in accordance with this Indenture. The amount of the Notes to be voted by the Holders will equal the aggregate outstanding principal amount of the Notes. Following and in accordance with the outcome of the applicable vote under this Indenture, the Trustee shall vote the same proportion of the Notes in respect of any vote under the Security Agreement.

SECTION 11.10. Subject to the Intercreditor Agreements. This Indenture is entered into with the benefit of and subject to the terms of the Junior Lien Intercreditor Agreement and the ABL Intercreditor Agreement. By accepting a Note, each Holder is authorizing the Trustee and the Notes Collateral Agent to enter into the Junior Lien Intercreditor Agreement and the ABL Intercreditor Agreement on its behalf. Holders will be permitted to take enforcement action with respect to the Collateral only to the extent permitted under and in accordance with the Junior Lien Intercreditor Agreement and the ABL Intercreditor Agreement.

ARTICLE XII

Mutual Releases

Certain capitalized terms used in this Article XII are specifically defined for purposes of this section and are set forth at the end of this Article XII.

SECTION 12.1. Releases by the Company Releasing Parties. Effective as of the Effective Date, each Company Releasing Party, on behalf of itself, and to the extent a Company Releasing Party is not party to this Indenture, the Issuers or Subsidiary Guarantors on behalf of such Company Releasing Party, hereby conclusively, absolutely, unconditionally, irrevocably, and forever fully release, remise, and discharge each of the Released Parties (and each such Released Party shall be deemed forever released, remised, and discharged by or on behalf of the Company Releasing Parties) and their respective assets and properties from any and all Claims and Causes of Action, including any derivative claims asserted on behalf of any of the Company Releasing Parties, that the Issuers, Subsidiary Guarantors or any of the Company Releasing Parties would have been legally entitled to assert in their or its own right (whether individually or collectively) or on behalf of the holder of any Claim against, or Equity Security in, a Company Releasing Party or other Person, based on or relating to, or in any manner arising from, in whole or in part, (i) the MyTheresa Designation, (ii) the MyTheresa Distribution, (iii) the Nancy Transaction, (iv) the formulation, preparation, dissemination, negotiation, or filing of the Transaction Support Agreement, the Definitive Documents,
any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered into in connection with or pursuant to the Transaction Support Agreement or the Definitive Documents, or (v) the pursuit of consummation, the administration or implementation of any of the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith. Notwithstanding anything to the contrary in the foregoing, the releases by the Company Releasing Parties set forth above do not release any party or Entity from any post Effective Date obligations of any party or Entity under this Indenture, any other Definitive Documents, any Recapitalization Transaction, the Commitment Letter or any document, instrument, or agreement executed to implement the Recapitalization Transactions. Notwithstanding anything to the contrary in the foregoing, the releases set forth in clauses (iv) and (v) above do not release any Claim or Cause of Action that is determined by a final non-appealable judgment of a court of competent jurisdiction to have constituted fraud or willful misconduct. Nothing contained in the releases shall or shall be deemed to result in the waiving or limiting by any Sponsor or any officer, director, or employee of any Company Party of (a) any indemnification against, or expense reimbursement or advance by, any Company Party or any Company Party’s insurance carriers, (b) any rights as beneficiaries of any insurance policies, (c) any management fees, monitoring fees, or like fees and expenses, (d) wages, salaries, compensation, or benefits, or (e) any Equity Securities in any Company Party. Each Company Releasing Party hereby further agrees and covenants not to, and shall not, commence or prosecute, or assist or otherwise aid any other Person in the commencement or prosecution of, whether directly, derivatively or otherwise, any Released Claims. Notwithstanding the foregoing or anything to the contrary in this Indenture, nothing in this Indenture shall or shall be deemed to (or is intended to) limit any of the Company Releasing Parties’ rights to assert or prosecute any affirmative defenses or otherwise raise any defense or take any action to defend itself or themselves, including any defense available under the Bankruptcy Code, in connection with any Claim or Cause of Action (whether direct or indirect) brought by any Person relating to any of the above-referenced Claims and Causes of Action arising from, in whole or in part, (x) the formulation, preparation, dissemination, negotiation, or filing of this Indenture, the Transaction Support Agreement, the Definitive Documents, or any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Transaction Support Agreement or the Definitive Documents, and (y) the pursuit of consummation, the administration and implementation of the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith. For the avoidance of doubt, the release by the Company Releasing Parties in this Section 12.1 is granted by or on behalf of each of the Company Releasing Parties in their capacities as Issuers or Subsidiary Guarantors, and on behalf of each of their Related Parties, in each case, in accordance with the terms and conditions set forth in this Indenture.

SECTION 12.2. Releases by the Stakeholder Releasing Parties. Effective as of the Effective Date, by accepting the Notes and the benefits of this Indenture, each Stakeholder Releasing Party, solely in its capacity as such, severally and not jointly, hereby conclusively, absolutely, unconditionally, irrevocably, and forever fully release, remise, and discharge each of the Released Parties (and each such Released Party shall be deemed forever released, remised, and discharged by or on behalf of the

169
Stakeholder Releasing Parties) and their respective assets and properties from any and all Claims and Causes of Action, including any derivative claims asserted on behalf of any of the Company Releasing Parties or the Stakeholder Releasing Parties, that the Trustee or any of the Stakeholder Releasing Parties would have been legally entitled to assert in its or their own right (whether individually or collectively) or on behalf of the holders of any Claim against, or Equity Security in, a Company Releasing Party or other Person, based on or relating to, or in any manner arising from, in whole or in part, (i) the MyTheresa Designation, (ii) the MyTheresa Distribution, (iii) the Nancy Transaction, (iv) the formulation, preparation, dissemination, negotiation, or filing of the Transaction Support Agreement, the Definitive Documents, any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered into in connection with or pursuant to the Transaction Support Agreement or the Definitive Documents, or (v) the pursuit of consummation, the administration or implementation of any of the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith. Notwithstanding anything to the contrary in the foregoing, the releases by the Stakeholder Releasing Parties set forth above do not release any party or Entity from any post Effective Date obligations of any party or Entity under this Indenture, any other Definitive Documents, any Recapitalization Transaction, the Commitment Letter or any document, instrument, or agreement executed to implement the Recapitalization Transactions. Notwithstanding anything to the contrary in the foregoing, the releases set forth in clauses (iv) and (v) above do not release any Claim or Cause of Action that is determined by a final non-appealable judgment of a court of competent jurisdiction to have constituted fraud or willful misconduct. Nothing contained in the releases shall or shall be deemed to result in the waiving or limiting by any Sponsor or any officer, director, or employee of any Company Party of (a) any indemnification against, or expense reimbursement or advance by, any Company Party or any Company Party’s insurance carriers, (b) any rights as beneficiaries of any insurance policies, (c) any management fees, monitoring fees, or like fees and expenses, (d) wages, salaries, compensation, or benefits, or (e) any Equity Securities in any Company Party. Each Stakeholder Releasing Party hereby agrees and covenants not to, and shall not, commence or prosecute, or assist or otherwise aid any other Person in the commencement or prosecution of, whether directly, derivatively or otherwise, any Released Claims. Notwithstanding the foregoing or anything to the contrary in this Indenture, nothing in the releases or this Indenture shall or shall be deemed to (or is intended to) limit any of the Stakeholder Releasing Parties’ rights to assert or prosecute any affirmative defenses or otherwise raise any defense or take any action to defend itself or themselves, including any defense available under the Bankruptcy Code, in connection with any Claim or Cause of Action (whether direct or indirect) brought by any Person relating to any of the above-referenced Claims and Causes of Action arising from, in whole or in part, (x) the formulation, preparation, dissemination, negotiation, or filing of this Indenture, the Transaction Support Agreement, the Definitive Documents, the Commitment Letter, any Recapitalization Transaction, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Transaction Support Agreement or the Definitive Documents, and (y) the pursuit of consummation, the administration and implementation of the Recapitalization Transactions, including the issuance or distribution of securities in connection therewith. For the avoidance of doubt, the release
by the Stakeholder Releasing Parties in this Section 12.2 is hereby granted by or on behalf of each of the Stakeholder Releasing Parties in accordance with the terms and conditions set forth in this Indenture solely in their capacities as Holders with respect to Notes that they hold, and on behalf of their Related Parties, only to the extent that a Holder, acting in its capacity as a Holder, has the authority to bind such Related Party.

SECTION 12.3. No Additional Representations and Warranties. Each Releasing Party hereby agrees and acknowledges that, except as expressly provided in this Indenture and the Definitive Documents, no Released Party, in any capacity, has warranted or otherwise made any representations concerning any Released Claim (including any representation or warranty concerning the existence, non-existence, validity, or invalidity of any Released Claim). Notwithstanding the foregoing, nothing contained in this Indenture is intended to impair or otherwise derogate from any of the representations, warranties, or covenants expressly set forth in this Indenture or any of the Definitive Documents.

SECTION 12.4. Release of Unknown Claims. Each of the Releasing Parties hereby expressly acknowledges that although ordinarily a general release may not extend to any Released Claims which the Releasing Party does not know or suspect to exist in its favor, which if known by it may have materially affected its settlement with the party released, it has carefully considered and taken into account in determining to enter into the releases set forth under Article XII the possible existence of such unknown losses or claims. Without limiting the generality of the foregoing, each Holder, by its holding of a Note, and, on behalf of each Company Releasing Party, the Issuers and Subsidiary Guarantors, expressly waive and relinquish any and all rights such Releasing Party may have or conferred upon it under any federal, state, or local statute, rule, regulation, or principle of common law or equity which provide that a release does not extend to claims which the claimant does not know or suspect to exist in its favor at the time of providing the releases set forth under Article XII or which may in any way limit the effect or scope of such releases with respect to the Released Claims, which such Releasing Party did not know or suspect to exist in such Releasing Party’s favor at the time of providing such releases, which in each case if known by it may have materially affected its settlement with any Released Party, including any rights under Section 1542 of the California Civil Code or any analogous applicable state or federal law or regulation. Each of the Releasing Parties hereby expressly acknowledges that the releases and covenants not to sue contained in this Indenture are effective regardless of whether those released matters or Released Claims are presently known or unknown, suspected or unsuspected, or foreseen or unforeseen.

To the extent that the releases set forth above include releases to which Section 1542 of the California Civil Code or similar provisions of other applicable law applies, it is the intention of each Holder (in its capacity as a holder of the Notes) and each Company Releasing Party that the releases described under Article XII are to be effective as a bar to any and all Claims and Causes of Action of whatsoever character, nature and kind, known or unknown, suspected or unsuspected specified in this Indenture. In furtherance of this intention, each Holder (in its capacity as a holder of the Notes) and each Company Releasing Party hereto expressly waives any and all rights and
benefits conferred upon them by the provisions of Section 1542 of the California Civil Code or similar provisions of applicable law, which are as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.”

Each Holder (in its capacity as a holder of the Notes) and each Company Releasing Party acknowledges that the foregoing waiver of the provisions of Section 1542 of the California Civil Code was bargained for separately. Thus, notwithstanding the provisions of Section 1542 of the California Civil Code, and for the purpose of implementing a full and complete release and discharge of the Released Parties, each Holder (in its capacity as a holder of the Notes) and each Company Releasing Party expressly acknowledges that this Indenture is intended to include in its effect all of the Claims, Causes of Action and liabilities which the Releasing Parties and each Holder (in its capacity as a holder of the Notes) does not know or suspect to exist in their favor as of the Effective Date, and this Indenture contemplates extinguishment of all such Claims, Causes of Action and liabilities.

SECTION 12.5. Covenant to Refrain from Certain Actions. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS INDENTURE, FROM AND AFTER THE EFFECTIVE DATE, EACH OF THE RELEASING PARTIES HEREBY AGREES AND COVENANTS NOT TO, AND SHALL NOT, AND SHALL NOT ASSIST OR OTHERWISE AID ANY OTHER PERSON TO, (A) COMMENCE OR CONTINUE, IN ANY MANNER OR IN ANY PLACE, ANY SUIT, ACTION, OR OTHER PROCEEDING; (B) ENFORCE, ATTACH, COLLECT, OR RECOVER IN ANY MANNER ANY JUDGMENT, AWARD, DECREE, OR ORDER; (C) CREATE, PERFECT, OR ENFORCE ANY LIEN OR ENCUMBRANCE; (D) ASSERT A SETOFF, RIGHT OF SUBROGATION, OR RECOUPMENT OF ANY KIND; (E) COMMENCE OR CONTINUE IN ANY MANNER ANY ACTION OR OTHER PROCEEDING OF ANY KIND, OR (F) ASSIGN, TRANSFER, OR OTHERWISE DISPOSE OF ANY CLAIM OR CAUSE OF ACTION, IN EACH CASE, ON ACCOUNT OF OR WITH RESPECT TO ANY RELEASED CLAIM OR ANY CLAIM OR CAUSE OF ACTION THAT WILL BE A RELEASED CLAIM ON THE EFFECTIVE DATE. NOTHING IN THIS INDENTURE SHALL OR BE DEEMED TO (OR IS INTENDED TO) LIMIT ANY OF THE STAKEHOLDER RELEASING PARTIES’ RIGHTS, OR THE COMPANY RELEASING PARTIES’ RIGHTS, AS APPLICABLE, TO ASSERT OR PROSECUTE ANY AFFIRMATIVE DEFENSES OR OTHERWISE RAISE ANY DEFENSE OR TAKE ANY ACTION TO DEFEND ITSELF OR THEMSELVES, INCLUDING ANY DEFENSE AVAILABLE UNDER THE BANKRUPTCY CODE, IN CONNECTION WITH ANY CLAIM OR CAUSE OF ACTION (WHETHER DIRECT OR INDIRECT) BROUGHT BY ANY PERSON RELATING TO ANY OF THE CLAIMS OR CAUSES OF ACTION ARISING FROM, IN WHOLE OR IN PART, THE RELEASED CLAIMS OR (X) THE FORMULATION,
SECTION 12.6. Turnover of Subsequently Recovered Assets. Subject to the occurrence of the Effective Date, in the event that the Trustee, the Issuers, Subsidiary Guarantors or any Releasing Party (including any successor or assignee thereof) receives any funds, property, or value on account of any Claims, Causes of Action, or litigation against Parent or the MYT Entities (or any direct or indirect parent company of such entities) arising from the MyTheresa Designation or the MyTheresa Distribution (collectively, the “Specified Claims”), the Trustee, the Collateral Agent, the Issuers, Subsidiary Guarantors or such Releasing Party shall promptly turn over and assign any such funds, property, or value (including any Equity Securities in any of the MYT Entities or proceeds of such Equity Securities, or any increased recoveries resulting therefrom) to, at the election of Parent, Parent or the applicable MYT Entity. Parent or the applicable MYT Entity shall distribute any such recoveries turned over or assigned to it in accordance with the MYT Waterfall, to the extent applicable. Notwithstanding anything to the contrary contained in this Indenture (but subject to the immediately following paragraph below), Parent shall be entitled to enforce the provisions of this paragraph on behalf of Parent or any MYT Entity. The Releasing Parties, the Issuers and Subsidiary Guarantors, the Trustee and the Collateral Agent will be bound by the provisions set forth under this Section 12.6 notwithstanding the nature of any Claim, Cause of Action, or litigation relating to the Recapitalization Transactions or any judgment or order entered on any such Claim, Cause of Action or litigation.

Notwithstanding anything to the contrary contained in this Indenture, (i) the immediately foregoing paragraph will only apply to the Stakeholder Releasing Parties in their capacities as Holders with respect to Notes that they hold, the Trustee in its capacity as Trustee, the Collateral Agent in its capacity as Collateral Agent, and each of the Company Releasing Parties in their capacities as Issuers or Subsidiary Guarantors, and will not, for the avoidance of doubt, apply to any Releasing Party in its capacity as a provider of debtor in possession or any similar financing and (ii) to the extent a Releasing Party receives consideration on account of a Claim secured by assets or property of any Company Party or its subsidiaries (other than, for the avoidance of doubt, the Specified Claims or any such assets or property contributed to or otherwise obtained by any Company Party or its subsidiaries on account of the Specified Claims), such consideration will not be subject to the immediately foregoing paragraph.

(b) an Opinion of Counsel in form reasonably satisfactory to the Trustee stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

SECTION 13.3. Statements Required in Certificate or Opinion. SECTION 13.6. **Governing Law.** This Indenture, the Notes and the Guarantees will be governed by, and construed in accordance with, the laws of the State of New York, without regard to the conflicts of laws principles of any jurisdiction.

SECTION 13.7. **Jurisdiction and Service.** In relation to any legal action or proceedings arising out of or in connection with this Indenture, the Notes or the Guarantees, each Subsidiary Guarantor that is organized under laws other than those of the United States or a state or territory thereof or the District of Columbia hereby (a) irrevocably submits to the jurisdiction of the federal and state courts in the Borough of Manhattan in the City, County and State of New York, United States (b) waives, to the fullest extent permitted by law, any objection to any suit, action or proceeding that may be brought in connection with this Indenture, the Notes or the Guarantees in such courts on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum, (c) designates and appoints Issuer as their authorized agent upon which process may be served in any such suit, action or proceeding that may be instituted in any such court, and (d) agrees that service of any process, summons, notice or document by U.S. registered mail addressed to the Issuer, with written notice of said service to such Person at the address of the Issuer set forth in Section 13.1, will be effective service of process for any such legal action or proceeding brought in any such court.

By accepting a Note, each Holder will waive and release all such liability. The waiver and release will be part of the consideration for the issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

13. **Persons Deemed Owners**

    The registered Holder of this Note may be treated as the owner of it for all purposes, provided that, notwithstanding anything to the contrary in this Note, solely for purposes of determining whether any notice, direction, action to be taken or consent to be given under the Indenture is authorized, provided or given (as the case may be) by a sufficient aggregate principal amount of Notes, an owner of a beneficial interest in a Global Note shall be treated as a Holder, and the Trustee shall accept reasonable evidence of such beneficial interest provided by such owner (which may be in the form of “screenshots” of such owner’s position).

14. **Unclaimed Money**

    If money for the payment of the principal of or premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Issuers at their request unless an abandoned property law designates another person. After any such payment, Holders entitled to the money must look only to the Issuers and not to the Trustee for payment.
15. **Discharge and Defeasance**

Subject to certain conditions set forth in the Indenture, the Issuers at any time may terminate some or all of their obligations under the Notes and the Indenture if the Issuers irrevocably deposit in trust with the Trustee money or U.S. Government Obligations (sufficient, without reinvestment, in the opinion of a nationally-recognized certified public accounting firm) for the payment of principal, premium (if any) and interest on the Notes to redemption or maturity, as the case may be.

18. **Trustee Dealings with the Issuers**

Subject to certain limitations set forth in the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee.

19. **No Recourse Against Others**

No manager, managing director, director, officer, employee, incorporator or Holder of any Equity Interests in the Issuers, any Subsidiary or any Parent Entity, as such, will not have any liability for any obligations of the Issuers or any Subsidiary Guarantor under the Notes, the Indenture or the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release will be part of the consideration for the issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

20. **Authentication**

This Note will not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.
21. **Abbreviations**

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entirety), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian) and U/G/M/A (=Uniform Gift to Minors Act).

22. **CUSIP Numbers**

Pursuant to a recommendation promulgated by the Committee on Uniform Note Identification Procedures the Issuers have caused CUSIP numbers to be printed on the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers placed thereon.

23. **Successor Entity**

When a successor entity assumes, in accordance with the Indenture, all the obligations of its predecessor under the Notes and the Indenture, and immediately before and thereafter no Default or Event of Default exists and all other conditions of the Indenture are satisfied, the predecessor entity will be released from those obligations.

24. **Governing Law**

   (a) Subtenant shall pay to Landlord directly on behalf of Sublandlord annual fixed rental (hereinafter called "**Base Rent**") for the Leased Premises equal to the [Base Rent] (as defined in the Prime Lease) payable by Sublandlord to Landlord under the Prime Lease. Base Rent shall be due and payable pursuant to the terms and provisions of the Prime Lease.

   (b) All Base Rent and Additional Rent (as defined below) shall be paid directly to Landlord at the address designated under the Prime Lease or by notice from Landlord or at such other place as Sublandlord may designate by notice to Subtenant.

5. **Condition of Leased Premises.** Subtenant, as the present occupant and operator of the Leased Premises, acknowledges and agrees that it takes the Leased Premises “as is”, “where is” and “with all faults”, and that Sublandlord does not make any warranties, representations or promises with respect to the Leased Premises or the Prime Lease of any kind whatsoever, express or implied, including without limitation with respect to state of title, physical condition or environmental condition, or fitness for any particular use. Subtenant’s taking possession of the Leased Premises pursuant to this Sublease shall be conclusive evidence as against Subtenant that the Leased Premises were in good order and satisfactory condition when Subtenant took possession. No promise of Sublandlord to alter, remodel or improve the Leased Premises, except as may be expressly provided herein, and no representation respecting the condition of the Leased Premises have been made by Sublandlord to Subtenant. Upon the expiration of the term hereof, or upon any earlier termination of the term hereof or of Subtenant’s right to possession (including any rejection of this Sublease in bankruptcy), Subtenant shall surrender the Leased Premises in the condition required pursuant to the Prime Lease (including environmental matters).

6. **The Prime Lease.**

(a) This Sublease and all rights, privileges and interests of Subtenant hereunder and with respect to the Leased Premises are subject to all of the terms, conditions, covenants, warranties, representations and provisions of the Prime Lease. Notwithstanding any provision to the contrary in the Assignment, as between Sublandlord and Subtenant, Subtenant hereby assumes and agrees to perform faithfully and be bound by, with respect to the Leased Premises, all of Sublandlord’s obligations, warranties, representations, covenants, agreements, provisions and liabilities under the Prime Lease and all terms, conditions, provisions and restrictions contained in the Prime Lease. Without limitation of the foregoing:

(i) Subtenant shall not make any changes, alterations or additions in or to the Leased Premises except as otherwise expressly provided in the Prime Lease or herein;
(ii) If Subtenant desires to take any other action and the Prime Lease would require that Sublandlord obtain the consent of Landlord before undertaking any action of the same kind, Subtenant shall not undertake the same without the prior written consent of Landlord and Sublandlord. Sublandlord may condition its consent on the consent of Landlord being obtained and may require Subtenant to contact Landlord directly for such consent. All such consents shall be at the sole cost and expense of Subtenant;

(iii) Sublandlord shall have the right during all normal business hours upon reasonable prior notice to Subtenant to enter upon and inspect the Leased Premises. Without limiting the foregoing, all rights given to Landlord and its agents and representatives by the Prime Lease to enter and/or inspect the Leased Premises shall inure to the benefit of Sublandlord and their respective agents and representatives with respect to the Leased Premises;

(iv) Sublandlord shall also have all other rights, and all privileges, options, reservations and remedies, granted or allowed to, or held by, Landlord under the Prime Lease;

(v) Subtenant shall maintain insurance of the kinds and in the amounts required to be maintained by Sublandlord under the Prime Lease; and

(vi) Subtenant shall not do anything or suffer or permit anything to be done which could result in a default or breach under the Prime Lease or permit the Prime Lease, with the passage of time or the service of notice or both, to be cancelled or terminated (or which could limit or prohibit Sublandlord from exercising any option or right of renewal, first negotiation, first refusal or right of expansion under the Prime Lease).

(b) In addition to the other covenants and obligations under this Sublease and the Prime Lease as incorporated herein, and without limitation of the foregoing, Sublandlord agrees as follows, subject in each case to the due and punctual performance and observance of all covenants and obligations of Subtenant hereunder:

(i) Sublandlord shall not do anything which could reasonably be expected to result in a default under the Prime Lease; provided, however, that Sublandlord shall not be in default of this covenant to the extent the default under the Prime Lease is caused or attributable (in whole or in part) by Subtenant, its shareholders, partners, members, directors, officers, employees, agents, customers or invitees.

(ii) Sublandlord shall not amend, modify or terminate the Prime Lease, without the prior written consent of Subtenant, which may be withheld in its sole discretion to the extent the same could increase Subtenant’s liabilities or obligations under this Sublease.

(iii) If any action to be taken by Subtenant or any other matter would require the consent or approval of Sublandlord under this Sublease, but not
Landlord under the Prime Lease, Sublandlord’s consent or approval shall not be unreasonably withheld, conditioned or delayed. If any action to be taken by Subtenant or any other matter would require the consent or approval of Landlord under the Prime Lease, (i) Sublandlord shall be deemed to have consented to or approved such request if Landlord consents to or approves the same, and (ii) Sublandlord shall be deemed not to have consented to or approved such request if Landlord does not consent to or approve the same.

(iv) Sublandlord shall not assign, mortgage, pledge, hypothecate or otherwise transfer or permit the transfer of this Sublease or any interest in this Sublease, whether voluntarily, by operation of law or otherwise (including a merger or transfer of voting control in Sublandlord), in each case without the prior written consent of Subtenant, which may be withheld in its sole discretion.

(c) Notwithstanding anything contained herein or in the Prime Lease which may appear to be to the contrary, Sublandlord and Subtenant hereby agree as follows:

(i) Subtenant shall not assign, mortgage, pledge, hypothecate, or otherwise transfer or permit the transfer of this Sublease or any interest of Subtenant in this Sublease, directly or indirectly, by operation of law or otherwise, or permit the use of the Leased Premises or any part thereof by any persons other than Subtenant and Subtenant’s employees, or sublet the Leased Premises or any part thereof;

(ii) in the event of any condemnation or casualty damage or destruction of the Leased Premises, Sublandlord shall have no obligation to restore the Leased Premises, all such obligations (if any) of Sublandlord as the tenant under the Prime Lease (if any) to be performed by Subtenant; provided that neither rental nor additional rent or other payments hereunder shall abate or be suspended by reason of any condemnation, damage to or destruction of the Leased Premises or any part thereof, unless, and then only to the extent that, rental and additional rent and such other payments actually abate under the Prime Lease with respect to the Leased Premises on account of such event;

(iii) Subtenant shall not have any right to any portion of the proceeds of any award for a condemnation or other taking, or a conveyance in lieu thereof, of all or any portion of the Leased Premises;

(iv) Subtenant shall not have any right to exercise or have Sublandlord exercise any option under the Prime Lease, including, without limitation, any option or right of first refusal, first negotiation or first offer to extend the term of the Prime Lease or lease additional space; and

(v) In the event of any conflict between the terms, conditions and provisions of the Prime Lease and of this Sublease, the terms, conditions and provisions of the Prime Lease shall, in all instances, govern and control.
(d) It is expressly understood and agreed that Sublandlord does not assume and shall not have any of the obligations or liabilities of Landlord under the Prime Lease and that Sublandlord is not making the representations or warranties, inducements, rent or other concessions or abatements, allowances, tenant improvements or landlord’s work, if any, made by Landlord in the Prime Lease. With respect to work, services, repairs and restoration or the performance of other obligations required of Landlord under the Prime Lease, Sublandlord’s sole obligation with respect thereto shall be to request the same, upon written request from Subtenant, and to use reasonable efforts to obtain the same from Landlord. Sublandlord shall not be liable in any respect, in damages or otherwise, nor shall rent abate hereunder, for or on account of any failure by Landlord to perform the obligations and duties imposed on it under the Prime Lease.

(e) Nothing contained in this Sublease shall be construed to create privity of estate or contract between Subtenant and Landlord, unless Subtenant attorns to Landlord by written instrument.

(f) Nothing contained in this Sublease shall be construed to release the Sublandlord of any of its obligations or liabilities owed to Landlord under the Prime Lease.

7. **Default by Subtenant.**

(a) Upon the happening of any of the following:

(i) Subtenant fails to pay any Base Rent or Additional Rent within five (5) days after the date it is due;

(ii) Subtenant fails to pay any other amount due from Subtenant hereunder and such failure continues for five (5) business days after notice thereof from Sublandlord to Subtenant;

(iii) Subtenant fails to perform or observe any other covenant, obligation or agreement set forth in this Sublease and such failure continues until the earlier of (1) ten (10) business days after notice thereof from Sublandlord to Subtenant or (2) any earlier date specified for default under the Prime Lease, any Superior Interest or any Ancillary Document, as the case may be; or

(iv) any other event occurs which involves Subtenant or the Leased Premises or any part thereof and which would constitute a default under the Prime Lease if it involved Sublandlord (or any agent, representative, officer, director, manager or shareholder of Subtenant) or the Leased Premises, subject to any notice and cure periods thereunder;

Subtenant shall be deemed to be in default hereunder, and Sublandlord may exercise, without any further demand or notice, and without limitation of any other rights and remedies available to it hereunder or at law or in equity, all of which rights are hereby expressly reserved, any and all of the equivalent rights and remedies of Landlord set forth in the Prime Lease with respect to the Leased Premises in the event of a default by
Sublandlord thereunder (including without limitation the right to terminate this Sublease and recover possession of the Leased Premises free of all rights and interests of Subtenant).

(b) In the event Subtenant fails or refuses to make any payment or perform any covenant, obligation or agreement to be performed hereunder by Subtenant, Sublandlord may make such payment or undertake to perform such covenant, obligation or agreement (but shall not have any obligation to Subtenant to do so). In such event, all amounts so paid and all amounts expended in undertaking such performance, together with all costs, expenses and reasonable attorneys’ fees incurred by Sublandlord or Landlord in connection therewith, together with interest at the Default Rate, shall be additional rent hereunder.

8. **Nonwaiver.** Failure of Sublandlord to declare any default or delay in taking any action, or partial exercise of any rights or remedies, in connection therewith shall not waive such default. No receipt of moneys or performance of obligations by Sublandlord from Subtenant after the termination in any way of the term or of Subtenant’s right of possession hereunder or after the giving of any notice of termination or eviction shall reinstate, continue or extend the term or Subtenant’s right of occupancy or possession or affect any notice given to Subtenant or any suit commenced or judgment entered prior to receipt of such moneys or performance of obligations.

9. **Cumulative Rights and Remedies.** All rights and remedies of Sublandlord under this Sublease shall be cumulative and none shall exclude any other rights or remedies allowed by law.

10. **Waiver of Claims and Indemnity.**

(a) Subtenant hereby releases and waives any and all claims against Landlord and Sublandlord and each of their respective officers, directors, partners, agents and employees for injury or damage to person, property or business sustained in or about the Leased Premises by Subtenant other than by reason of gross negligence or willful misconduct and except in any case which would render this release and waiver void under applicable law.

(b) Subtenant agrees to indemnify, defend and hold harmless Landlord and its beneficiaries, Sublandlord and each of their respective officers, directors, partners, agents and employees, from and against any and all claims, demands, liabilities, costs and expenses of every kind and nature, including reasonable attorneys’ fees and litigation expenses, arising out of or with respect to or from Subtenant’s use, possession or occupancy (or rights thereto) of the Leased Premises (including such use, possession or occupancy by Subtenant prior to the commencement of the Term in its capacity as prior tenant under the Prime Lease), or any events or occurrences on, under, or about the Leased Premises, Subtenant’s construction or authorization of any work or leasehold improvements in the Leased Premises or from any breach or default on the part of Subtenant in the performance of any agreement, covenant, obligation, warranty or representation of Subtenant to be performed or performed under this Sublease or pursuant
to the terms of this Sublease, or from any act or neglect of Subtenant or its agents, officers, employees, guests, servants, invitees or customers in or about the Leased Premises, other than by reason of gross negligence or willful misconduct on the part of any of the foregoing indemnitees. In case any action or proceeding is brought against any of said indemnified parties, Subtenant covenants, if requested by Sublandlord, to defend such proceeding at its sole cost and expense by legal counsel reasonably satisfactory to Sublandlord (and, if provided in the Prime Lease, by Landlord).

(c) Subtenant acknowledges that prior to the assignment to, and assumption by, Sublandlord of the Prime Lease, Subtenant was the tenant under the Prime Lease, and agrees that all of Subtenant’s liabilities and obligations under this Sublease, including, without limitation, Subtenant’s indemnification obligations under Section 10(b), shall apply to the extent such liabilities or obligations arise from any matter first arising or accruing during Subtenant’s tenancy and occupancy of the Leased Premises under the Prime Lease (the “Subtenant Occupancy Period”). Sublandlord acknowledges and agrees that such obligations of Subtenant shall not apply to any matter first arising or accruing during the period of time (i) prior to the Subtenant Occupancy Period, or (ii) after the expiration or earlier termination of the Term of this Sublease, except to the extent such liabilities or obligations expressly survive such expiration or termination.

11. Waiver of Subrogation. Anything in this Sublease to the contrary notwithstanding, Sublandlord and Subtenant each hereby waive any and all rights of recovery, claims, actions or causes of action against the other and the officers, directors, partners, agents and employees of each of them, and Subtenant hereby waives any and all rights of recovery, claims, actions or causes of action against Landlord and its agents and employees for any loss or damage that may occur to the Leased Premises, or any improvements thereto, or any personal property of any person therein, by reason of fire, the elements or any other cause insured against under valid and collectible fire and extended coverage insurance policies, regardless of cause or origin, including negligence, except in any case which would render this waiver void under law, to the extent that such loss or damage is actually recovered under said insurance policies.

12. Successors and Assigns. This Sublease shall be binding upon and inure to the benefit of the successors and assigns of Sublandlord and shall be binding upon and inure to the benefit of the successors of Subtenant and, to the extent any such assignment may be approved, Subtenant’s assigns. The provisions of Subsection 6(e) and Sections 10 and 11 hereof shall inure to the benefit of the successors and assigns of Landlord.

13. Entire Agreement. This Sublease contains all the terms, covenants, conditions and agreements between Sublandlord and Subtenant relating in any manner to the rental, use and occupancy of the Leased Premises. No prior agreement or understanding pertaining to the same shall be valid or of any force or effect. The terms, covenants and conditions of this Sublease cannot be altered, changed, modified or added to except by a written instrument signed by Sublandlord and Subtenant.

(a) In the event any notice from the Landlord or otherwise relating to the Prime Lease is delivered to the Leased Premises or is otherwise received by Subtenant, Subtenant shall, as soon thereafter as possible deliver such notice to Sublandlord if such notice is written or advise Sublandlord thereof by telephone if such notice is oral.

(b) Notices and demands required or permitted to be given by either party to the other with respect hereto or to the Leased Premises shall be in writing and shall not be effective for any purpose unless the same shall be served either by personal delivery with a receipt requested, by overnight air courier service or by United States certified or registered mail, return receipt requested, postage prepaid; provided, however, that all notices of default shall be served either by personal delivery with a receipt requested or by overnight air courier service, addressed as follows:
